**RE: APPOINTMENT -
SOUTHERN NEVADA HEALTH DISTRICT (FORMERLY
CLARK COUNTY DISTRICT BOARD OF HEALTH)**

The Las Vegas City Council, at a regular meeting held July 1, 2009, appointed you as one of the City's representatives to the Southern Nevada Health District.

This appointment is effective immediately and will expire in June of 2011.

Sincerely,

[Redacted signature]

BEVERLY K. BRIDGES, CMC
City Clerk

Good afternoon. I'm just checking to see if we have a second appointment for the BOH, as well as an alternate. I am waiting to finalize our agenda for next week's meeting pending the results of your meeting today. Thanks!

Shelli Clark
Executive Assistant to Dr. Sands
Make it a great day!!

The only appointment at this time was for Councilman Anthony to replace Councilman Steinman (who no longer serves as the Ward 4 representative). The other appointments involving Councilmen Barlow and Ross will be addressed at the 7/15 Council meeting and they continue to serve unless and until replaced. I have the confirmation for Councilman Anthony ready and will send it over as soon as it is signed.

Importance: High

We watched the broadcast of the City Council meeting yesterday and learned that Councilman Anthony was appointed to the Board of Health. Did we retain Councilman Barlow as a member and Councilman Ross as the alternate?

Importance: High

Good morning. I see that both the City of Las Vegas and City of North Las Vegas will be appointing representatives and alternates to the Southern Nevada District Board of Health at their meetings today. I understand that the City of Mesquite made appointment last night.

Just a friendly reminder that I will need a letter formalizing the appointments – this can be sent via fax, email or US mail. If you could email the names of your representatives and alternates as soon as possible, that will help as I begin to build our agenda for our July 23rd meeting, as well as updating our directories.

Thank you for your assistance in helping us fully staff our Board of Health.

Shelli Clark
