Good morning. I see that both the City of Las Vegas and City of North Las Vegas will be appointing representatives and alternates to the Southern Nevada District Board of Health at their meetings today. I understand that the City of Mesquite made appointment last night.

Just a friendly reminder that I will need a letter formalizing the appointments – this can be sent via fax, email or US mail. If you could email the names of your representatives and alternates as soon as possible, that will help as I begin to build our agenda for our July 23rd meeting, as well as updating our directories.

Thank you for your assistance in helping us fully staff our Board of Health.
