RE: *Recommendations for Appointment of Members to the Family Planning Advisory Council.*

PETITION # 06-10

That the Southern Nevada District Board of Health *appoint, for calendar year 2010, the attached names for membership to the District's Family Planning Advisory Council.*

PETITIONERS:

Bonnie Sorenson, Director, Nursing Division *BS*
Scott Weiss, Director of Administration *sw*
Lawrence Sands, DO, MPH, Chief Health Officer *LS*

DISCUSSION:

Advisory Council members are appointed by the Board as required by the DDHS Title X Family Planning Program in which the District serves as lead agency for local administration of federal family planning funds.

Council membership consists of eight representatives from the District and one from subgrantee (Planned Parenthood of Rocky Mountains, acting on behalf of its local subsidiary, Planned Parenthood of Southern Nevada). Names of prospective members proposed by the subgrantee agency are attached.

The purpose of council membership is: 1) to advise staff and the Board on matters concerning the consolidated program for Clark County; 2) to encourage cooperative efforts among participants in the grant; 3) to participate in evaluating the effectiveness of the program; 4) to facilitate provider and consumer input on family planning issues and 5) to meet, as needed, to review activities.

FUNDING:

No funding necessary to implement the above action.
