PETITION # 11-15

That the Southern Nevada District Board of Health *approves Interstate Interlocal Contract between the Department of Employment, Training and Rehabilitation, Rehabilitation Division, Business Enterprises of Nevada and the Southern Nevada Health District*

PETITIONERS:

Sean Beckham, Facility Services Manager 
Andrew J. Glass, Director of Administration 
Joseph P. Iser, M.D., Chief Health Officer 

DISCUSSION:

Federal and State laws provide a priority right for individuals who are legally blind to operate food, beverage, and vending in federal, state and local public buildings. After qualifying with the Nevada Bureau of Services to the Blind and Visually Impaired, individuals receive training and on-the-job experience in managing and operating snack bars, cafeterias, vending machine routes and other businesses located in public buildings. The Department of Employment, Training and Rehabilitation will provide all equipment required (see attached list) at the new SNHD offices to be located at 278 S. Decatur Blvd dining facility and will contract with an independent operator to run the dining facility Monday through Friday during the same hours SNHD is open to the public.
