

What is a Healthy Kids Exam

**A HEALTHY
KIDS EXAM is a
preventive
health program for
infants, children and
young adolescents.**

Exams are funded by Medicaid and Nevada Check-Up.

Why should my child get a Healthy Kids Exam

A nurse will help you by:

- Checking your child's physical, growth and developmental progress
- Checking your child's teeth and applying fluoride varnish
- Giving your child required shots
- Providing information about your child's health and referrals, as needed
