Acting Chairman Fildes asked if anyone wished to address the Board pertaining to items listed on the Agenda. Seeing no one, he closed the Public Comment portion of the meeting.

II. CONSENT AGENDA

Acting Chairman Fildes stated the Consent Agenda consisted of matters to be considered by the RTAB Member Nominating Committee that can be enacted by one motion. Any item may be discussed
separately per Committee member request. Any exceptions to the Consent Agenda must be stated prior to approval.

III. REPORT/DISCUSSION/POSSIBLE ACTION

Discussion of RTAB Member Applications for Non-Standing RTAB Member Seat for Terms Expiring June 30, 2017

Dr. Fildes noted that the purpose of this meeting is to review the applications, make a recommendation to the RTAB for their vote and forward the RTAB’s endorsements to Dr. Iser, Chief Health Officer, for his final appointment.

1. Administrator from a Non-Trauma Hospital System

Dr. Fildes stated the candidates were Jeremy Bradshaw and Sajit Pullarkat. He added that Mr. Pullarkat is the current member of the RTAB in this position, and Mr. Bradshaw is the Chief Executive Officer (CEO) of MountainView Hospital. He asked if anyone would like to speak on behalf of these nominees.

Ms. Angeles stated that she has had the pleasure of working with Mr. Bradshaw as the CEO of MountainView Hospital but also as the CEO of Desert Springs Hospital. She felt that he is fair and a good leader with a clear understanding of emergency medicine. She believes that he would make a great addition to the RTAB both for his experience within the healthcare administration and also for his work within the county.

Mr. Dokken stated that she like the fact that Mr. Pullarkat has trauma experience and also knows the Las Vegas valley environment. Ms. Cerasoli agreed.

Dr. Fildes called for a vote by a show of hands for a recommendation for the Administrator from a non-trauma hospital system.

Jeremy Bradshaw 1 vote
Sajit Pullarkat 3 votes

2. Public EMS Transport Representative

Dr. Fildes stated that they only have one nominee Frank Simone who currently holds this position on the RTAB.

Mr. Hammond stated that Mr. Simone sends his apologies; he is out of town in a conference.

Dr. Fildes called for a vote by a show of hands for a recommendation for the Public EMS Transport Representative.

Frank Simone 4 votes

3. Private EMS Transport Representative

Dr. Fildes stated the candidates were Jason Driggars, AMR, August Corrales, MedicWest, Carl Bottorf, Lifeguard Int’l, and Donna Miller, Lifeguard Int’l.

Mr. Hammond pointed out that Lifeguard Int’l has been purchased by AMR so they are a subsidiary of AMR at this time.

Dr. Fildes asked if anyone would like to speak on behalf of these nominees.
Ms. Angeles stated that Mr. Driggars is very easy to work with. Any information that they request, he is always more than happy to provide to the system. He is very approachable and open minded with regard to addressing issues and open to any ideas or processes that that would improve care in our valley.

Mr. Hammond agreed adding that his position at AMR lends himself to be more of a liaison who can affect change.

Dr. Filides noted that Ms. Miller who was nominated by Mr. Bottorf is the CEO of Lifeguard Int’l and questioned whether she would be blended into AMRs structure differently.

Ms. Palmer stated that she is still the CEO and believes that AMR just has a controlling interest in the company.

Dr. Filides noted that Mr. Bottorf is listed as a program director and chief flight nurse. He asked the committee if anyone could describe his community outreach activities.

Mr. Hammond advised the committee that both Ms. Miller and Mr. Bottorf have a pretty big footprint in Tonopah. They did quite a bit of outreach within Nye County when the hospital closed down.

Dr. Filides agreed and added that they’ve really helped to make connections where connections were very weak, served a broad patient population much less to the trauma patient but more to the others.

Dr. Filides stated that he could speak for August Corrales. He is a paramedic and he has served the Las Vegas EMS community for quite a while. For MedicWest he’s been a field training officer, associate supervisor, and he’s been decorated and honored on several levels for his work. He actually is an EMS educator and does outreach throughout the valley. He has served on the Health District EMS Education Committee as chair and has been instrumental in the Drug/Device/Protocol Committee. For those reasons he advanced his name for consideration as private EMS transport representative.

Member Dort joined the meeting

Dr. Filides suggested taking a popular vote on all 4 names and the 2 leading will go for a final vote. So we will try to narrow the field to 2 and choose from that. The Committee agreed.

August Corrales  3 votes
Jason Driggars  3 votes
Carl Bottorf  0 votes
Donna Miller  0 votes

Dr. Filides stated that there were 3 votes for Mr. Corrales and 3 votes for Mr. Driggars for the final consideration.

Dr. Filides called for a vote by a show of hands for a recommendation for the Private EMS Transport Representative.

August Corrales  3 votes
Jason Driggars  1 vote

4. Rehabilitation Representative

Dr. Filides stated that they only have one nominee Billy Meyer for rehabilitation representative. He asked if anyone would like to speak on behalf of Mr. Meyer.

Ms. Angeles stated that Mr. Meyer has extensive experience working both in inpatient and outpatient rehabilitation services. As a nurse he has an understanding of the care required for these patients for both traumatically injured patients in a rehab setting. He has been a tremendous leader in training his nurses and his team to recognize the needs of the traumatically injured patient for rehab and for returning these patients back close to full function if not to full function as possible.
Dr. Fildes called for a vote by a show of hands for a recommendation for the Rehabilitation Representative.

Billy Meyer 5 votes

5. Funding/Financing Representative

Member Fisher joined the meeting

Dr. Fildes stated that the next position will be for a representative for Funding/Financing Representative. This is typically someone who is a payer of medical benefits or somebody who is involved in the business of medical benefits. The candidates are Amy Doane who is the current member of the RTAB in this position and Jeff Ellis who is the Vice President and CFO of MGM Resort International. He asked if anyone would like to speak on behalf of these nominees.

Ms. Angeles stated that she has worked with Amy for close to 2 years now. She added that Ms. Doane has an understanding of the funding resources and funding availability for their patients, the challenging that they face within their community related to trauma and to general hospital care. Also because of her position she has an understanding of strategies which she feels have benefited the Trauma Needs Assessment Taskforce as the co-chair of that committee. She utilized that knowledge and experience to help their group and provide additional information for consideration. She believes that since being a part of RTAB when she was asked her to join last year to fill in that vacancy she has shown her value and will continue to do a good job.

Dr. Fildes stated that he will speak on behalf of Jeff Ellis. Ms. Ellis is currently with MGM Resort International where he serves as Vice president and CFO but his past includes VP of Finance and CFO for hospitals, managed care organizations and physician groups. He also serves on the health coalition which joint manages union healthcare coalition. He is experienced in all things health care and particularly the issues impacting the cost of health care in our community. Mr. Ellis is very qualified a very fine nominee.
