

FACT SHEET

Nevada Oil Solutions, LLC dba U.S. Oil Solutions

Application for Permit to Operate a Waste Grease Facility
3051 Coleman Street, North Las Vegas, NV 89032
APN: 139-17-510-023
Zoned M-2 Industrial

FACILITY
OWNER and
OPERATOR Nevada Oil Solutions, LLC
3051 Coleman Street
North Las Vegas, NV 89032
(702) 763-7360

SIZE: This facility, as proposed, will consist of approximately 52,798 square feet in area (of which the interior area is approximately 15,110 square feet). The maximum storage capacity is approximately 10,000 gallons. The maximum processing rate is approximately 2,500 gallons per day.

OPERATIONS: This facility is seeking a permit from Southern Nevada Health District (SNHD) to operate a waste grease facility. A waste grease facility is a facility for the collection, storage and/or processing of waste grease including, but not limited to a processing plant, a Transfer Station or trans-shipment facility. This facility will operate Monday – Friday, approximately nine hours per day. Operations will take place indoors. There will be no outside storage of recyclable materials. The facility will not be open to the public.
