RE: Stop & Shop Convenience Store #4
3399 S. Durango Drive, Suite 101
Las Vegas, NV 89117

The Southern Nevada Health District has verified you are in willful disobedience of the Nevada Clean Indoor Air Act (Nevada Revised Statutes 202.2483). Specifically, you are operating a retail establishment at 3399 S. Durango Drive, Suite 101, Las Vegas, Nevada, which under the Act is an indoor place of employment where smoking tobacco in any form is prohibited. As such, you are required to post at every entrance a conspicuous sign clearly stating that smoking is prohibited, and to remove all ashtrays and other smoking paraphernalia from any area where smoking is prohibited. Allowing employees to smoke tobacco within their place of employment and failing to remove all ashtrays from all areas where smoking is prohibited clearly establishes the intent to not comply with the Act.

Immediate compliance with the Act is required. It is imperative that you meet with Health District representatives forthwith to confirm abandonment of your particular method of undermining the Act, and to discuss any compliance issues you may have. Failure to comply with the Act immediately will result in a civil action being filed against you seeking injunctive relief plus civil penalties of \$100 for each violation.

Please contact Beth at 759-0589 to coordinate a convenient conference time. Thank you for your prompt attention.

Sincerely,

Stephen R. Minagil, Esq.
