

Public Health Hero Awards Nomination Form

Each year during National Public Health Week (the first week in April) the Clark County Health District recognizes individuals and/or organizations who's contributions have positively affected the health and well-being of our community.

If you have an organization or individual you would like to nominate as a Public Health Hero please complete this form following the guidelines listed below.

- Fill out and return the Nomination Form by March 11, 2002.
- Include a description of the efforts of the organization or individual you are nominating, to improve public health in Clark County.
- Include a short narrative and/or any applicable support documentation that demonstrates how their contributions have affected public health in our community.

Return the nomination form to Jennifer Sizemore, x1225.
