FOR IMMEDIATE RELEASE

### **Clark County Health District holds open house at its newest neighborhood facility**

**WHAT** The Clark County Health District is hosting an open house at its newest facility, the Spring Valley Public Health Center. The facility offers a variety of nursing/clinic and environmental health services to the community including a Women, Infants and Children's (WIC) Clinic.

**WHEN** Wednesday, May 29, 2002  
10 a.m. until noon

**WHERE** Spring Valley Public Health Center  
6300 Spring Mountain Road, Suite F

**WHY** The health district is committed to offering services and ensuring the public health centers are accessible and meet the growing needs of the community, as reflected in the slogan, "We're in your neighborhood."
