FOR IMMEDIATE RELEASE

### **Health District Offers Summary of Solid Waste Hearing Officer Meetings**

The Clark County Health District has begun posting summaries of cases adjudicated monthly by the Solid Waste Management Hearing Officer to its web site at <http://www.cchd.org>.

The Solid Waste Management Hearing Officer process was implemented in March of 2002 to ensure compliance with applicable regulations. Under authority granted in Nevada Revised Statute (NRS) 44.629, the health district responds to, investigates and forwards cases involving illegal dumping and other solid waste matters to the hearing officer, who conducts monthly hearings to adjudicate these cases. The Solid Waste Management Hearing Officer process is part of a continuing effort by the health district to deter unlawful disposal of garbage or sewage.
