Southern Nevada Health District Immunization Services Update

LAS VEGAS – The immunization clinic at the Southern Nevada Health District’s East Las Vegas Public Health Center will return to its normal schedule beginning Monday, July 30. Immunization clinic services are Monday – Thursday, 8 a.m. – 5:30 p.m. Immunization services will no longer be available on Fridays after July 27 as the health district prepares to begin its back-to-school immunization clinics at its future home, 330 S. Valley View Blvd. at Meadows Lane. Back-to-school clinics begin at 8 a.m., Wednesday, Aug. 1 at the Valley View facility; back-to-school immunizations are the only services available at the Valley View location.

Updated information on services is available on the health district website, www.SNHD.info or by calling the health district’s information line, (702) 759-INFO (4636). The helpline is available in English and Spanish. The health district created a new section on its website for one-stop building information:
