Health District posts latest edition of 'The Perspective'

LAS VEGAS - The most recent edition of "The Perspective," the Southern Nevada Health District's quarterly e-newsletter, is now available on the health district's website, www.SNHD.info. Each issue provides a public health perspective on a particular topic. This edition covers teen and adolescent health issues. To view the newsletter, visit

<http://www.southernnevadahealthdistrict.org/newsletter/enews/1301-perspective.html>

Read how the local chapter of the American Lung Association is giving teens a reason "N-O-T" to smoke, get tips for talking to adolescents about the birds and the bees, and find out why your teenager isn't done with the immunization process - all in the current edition of The Perspective.

To subscribe to The Perspective, visit
