Health District posts latest edition of 'The Perspective'

LAS VEGAS - The most recent edition of "The Perspective," the Southern Nevada Health District's quarterly e-newsletter, is now available on the health district's website, www.SNHD.info. Each issue provides a public health perspective on a particular topic. This edition - Home Safe Home - covers home safety issues, fall prevention for seniors, safe sleep practices for newborns, emergency preparedness, and landlord/tenant disputes. To view the newsletter, visit <http://www.southernnevadahealthdistrict.org/newsletter/enews/1303-perspective.html>

Read about how parents can practice safe sleep techniques to prevent accidentally suffocating their infants; how to "fall-proof" your home; where to go for help when experiencing disputes with your landlord or tenant; and the best ways to prepare for disaster – all in the current edition of "The Perspective."
