The following questions were received from potential proposers:

Yes. Storage in Clark County will provide SNHD with faster retrieval times which is an important component of our records management system.
2. Would it be possible to get the dimensions of the 1.0 cubic foot box and the 2.4 cubic foot boxes? **1.0 Cubic Foot Box measures 15" x 12" x 11. The 2.4 Cubic Foot Box measures 24" x 13.5" x 11"**
3. With the changes on the cost proposal page, does that impact the initial volume of records to be picked up? **No, the estimate for the initial volume remains the same.**
