

INSTRUCTIONS FOR LICENSURE APPLICANTS

The following items must be submitted for an attendant license application to be processed by the Southern Nevada Health District EMS office (All items must be submitted as a package prior to scheduling of the licensure examination):

DEFINITION:

A licensure applicant is an individual who:

1. Is currently certified as an EMT-Basic, EMT-Intermediate, or EMT-Paramedic in Clark County; and
2. Has a letter from a Clark County permitted ambulance service, air ambulance service, or firefighting agency verifying employment or intent for employment at the specific level the applicant will be utilized, not to exceed the applicant's level of certification.

1. A completed application. Applicant must be at least 18 years of age at time of application;
2. Copy of government-issued photo identification card;
3. A current, valid healthcare provider CPR card.
4. If applying for paramedic licensure, copy of current certification in advanced life support procedures for patients who require ALS care, copy of current certification in life support procedures for pediatric patients who require ALS care and documentation of certification in prehospital trauma life support procedures. The backs of all provider cards must be signed by the holder.
Note: Reciprocity applicants have one year to obtain certification in life support procedures for pediatric patients who require ALS care and documentation of certification in prehospital trauma life support procedures.
5. Completion of skills as defined on the Health District Skills Proficiency Record (within the last six months);
6. A form verifying a physical examination signed off by a Nevada licensed MD or DO (within the last 12 months);
7. A statement showing results of a TB test within the last 12 months. If the applicant has a history of a positive TB skin test, a chest x-ray must be done prior to the physical examination to be evaluated by the physician performing the physical examination to determine the applicant is free of disease;
8. Fingerprint based background check. Fingerprinting may be done at the Office of EMSTS. If done through another facility, you will need to submit two fingerprint cards to the Office of EMSTS for processing, along with the appropriate fee, at time of application. This fee is non-refundable; and
9. Successfully pass the appropriate licensure examination (within the last six months) with a passing score of 80%.
