

EMT-BASIC RECERTIFICATION REPORT

Current healthcare provider CPR certification (must meet American Heart Association standards or equivalent) is a requirement and a prerequisite for recertification. The CPR course may not be applied toward CME hours and the CPR card shall not expire the same month your Clark County certificate expires. Recertification for EMT-Basic status requires completion of 24 hours of CME's biennially as outlined in the District Procedure for EMT-Basic Recertification, along with successful completion of EMT-Basic skills as defined on the Health District's Skills Proficiency Record. A certificate of completion must be submitted for all approved refresher courses, along with the course coordinator's signature on the back of this form. All additional CMEs must be notated below, along with supporting documentation. A minimum of 12 of the 24 hours must be done in a classroom setting.
