

## COVID-19 Vaccine Snapshot

### Clark County, Nevada

**General Notes:** This snapshot provides data managed by the Nevada Department of Health and Human Services, Division of Public and Behavioral Health, Immunization Program for Clark County, NV, and assessed by the Southern Nevada Health District's Office of Epidemiology and Disease Surveillance. Due to delays in processing and reporting, data from the most recent date are less complete than data from older dates. For the Johnson & Johnson vaccine, initiation equates to completion. Population estimates are calculated using U.S. Census Bureau; American Community Survey, 2019 American Community Survey 5-year estimates for Clark County. Population data is based on estimates and do not include transient individuals; consequently, the percentage of the population that is vaccinated is an approximation. Race is based upon self-identification and individuals who identify as Hispanic may be of any race. The COVID-19 vaccines are not currently authorized for persons under the age of 6 months (Pfizer and Moderna) or under the age of 18 (Johnson & Johnson and Novavax). Data for the total numbers of vaccines administered in Clark County includes total doses reported by the Veterans Affairs (VA) and Nellis Air Force Base. The VA and Nellis Air Force Base provide their data weekly. **Data is considered preliminary and subject to change.** Data as of 4/24/2023.

#### Total Number of Vaccine Doses Administered by Manufacturer (Clark County Cumulative)

<u>Manufacturer</u>	<u>Total</u>
Janssen	134,380
Moderna	1,063,066
Moderna 6m-5y	2,398
Moderna 6m-5y Bivalent	74
Moderna 6y-11y	277
Moderna Bivalent	77,175
Novavax	461
Pfizer 5y-11y	102,949
Pfizer 5y-11y Bivalent	4,169
Pfizer 6m-4y	6,356
Pfizer 6m-4y Bivalent	354
Pfizer Bivalent	192,808
Pfizer, Inc.	2,413,858

*Note: These data include total doses reported by the VA & Nellis Air Force Base. There are currently 13,236 additional/booster doses reported by the VA; not distinguishing manufacturer. The total doses administered is 4,011,561.*

#### Total Number of Vaccine Doses - Initiated and Completed (Clark County Cumulative)

<u>Manufacturer</u>	<u>Vaccination Status</u>	
	<u>Initiated</u>	<u>Completed</u>
Janssen	124,802	124,802
Moderna	443,529	375,344
Moderna 6m-5y	1,390	998
Moderna 6y-11y	147	85
Novavax	267	159
Pfizer 5y-11y	54,888	43,812
Pfizer 6m-4y	3,188	839
Pfizer, Inc.	1,108,528	870,913

*Note: These data include total doses reported by the VA & Nellis Air Force Base. The numbers reported in the above table may not correspond with the total number of doses administered in Clark County due to individuals receiving more than 2 doses of Pfizer/Moderna or 1 dose of Johnson & Johnson. This table reflects vaccination status; initiated and completed.*

**Data is considered preliminary and subject to change.** Report prepared by the Office of Epidemiology.

### Current Inventory On-Hand at SNHD

Vaccine	Overall Doses
Janssen	.
Moderna	.
