RE: *Approval of Interlocal Agreement between Mount Charleston Fire District and the Southern Nevada Health District*

PETITION #32-15

That the Southern Nevada District Board of Health *approves Interlocal Agreement between Mount Charleston Fire District and the Southern Nevada Health District.*

PETITIONERS:

J John Hammond, BS, EMSTS Manager
CJ Cassius Lockett, PhD, MS, Director of Community Health
AG Andrew J. Glass, FACHE, MS, Director of Administration
Joseph P. Iser, MD, DrPH, MSc, Chief Health Officer *J*

DISCUSSION:

The enactment of the American Recovery and Reinvestment Act of 2009, Public Law 111-5 establishes certain requirements relating to the use, disclosure, and safeguarding of protected health information by persons providing services to covered entities, and both parties have mutually agreed to satisfy such requirements through this agreement.

The Southern Nevada Health District Office of EMS & Trauma System (OEMSTS) and Mount Charleston Fire District have complementary and interdependent interests in ensuring a more streamlined EMS licensing application process and wish to collaborate, enhance efficiency in government services, and avoid unnecessary duplication of effort or expense.

During its hiring process, Mount Charleston Fire District performs, or causes to be performed, the same services as the Health District. Mount Charleston Fire District services are equal to or more stringent than the Health District's requirements. Repeating all or a portion of the services again for licensing of Mount Charleston Fire District personnel is a duplication of effort and unnecessarily increases the cost to community partners. It is to the mutual advantage and benefit of both parties to enter into this agreement.

FUNDING:

No funding is required.
