

Integrating Primary Care Into SNHD Clinical Services

Presented to the Southern Nevada Health District (SNHD) Board of
Health

February 22, 2018

How did we get here?

- ▶ FQHC-related Board of Health presentations
 - ▶ April 2017
 - ▶ June 2017
 - ▶ November 2017
- ▶ Electronic Health Records System purchase approved by the Board
 - ▶ October 2017
- ▶ Received technical support from
 - ▶ Primary Care Office, State of Nevada, Department of Health and Human Services
 - ▶ Nevada Primary Care Association

Funding SNHD Primary Care Project

- ▶ SNHD has been awarded \$200,000 grant from Title XX (Social Services Block Grant), it will assist us with:
 - ▶ Non-permanent structural works
 - ▶ Equipment
 - ▶ Personnel
 - ▶ Contract for cost allocation to enhance reimbursement
- ▶ Opportunity to apply for next cycle of Community Health Center incubator federal grants (up to \$650,000 annually)
- ▶ SNHD will receive funds from the State to support delivery of dental service at SNHD locations (Mobile Unit, Decatur, and ELV)

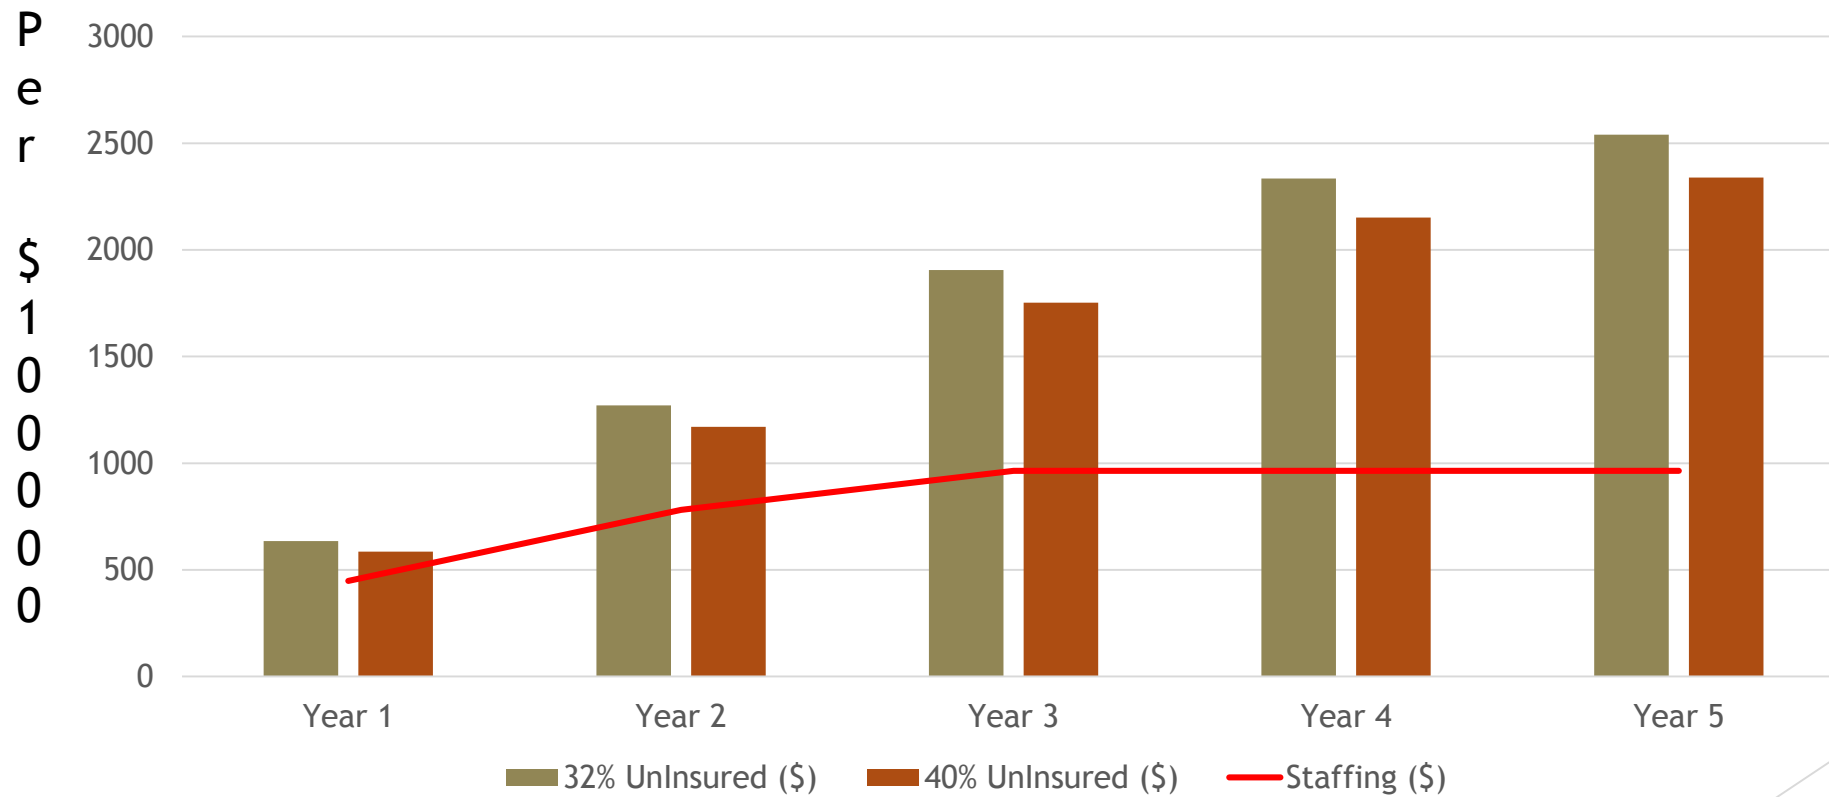

Primary Care Services at SNHD

- ▶ Initially delivered at Decatur Blvd and ELV, will require:
 - ▶ 1 full time provider (adult and children care—family practice model)
 - ▶ Incorporate expanded women’s health services into SNHD Family Planning operation (no additional staffing needed)
 - ▶ Dental Health services (start up funding received from the State)
 - ▶ Mental Health services (to partner with a local institution, contract a mental health provider for a limited number of hours)
- ▶ Look for additional opportunities for funding

Services To Deliver at Clark County Detention Center (CCDC)

- ▶ Screening and Treatment of Sexually Transmitted Infections, Tuberculosis, HIV/AIDS
- ▶ Case Management
- ▶ Medicaid Enrollment Prior to Booking and Linkage To Care

5 years Implementation Plan Expected Annual Revenues
