

Memorandum #06-18

Date: October 25, 2018

To: SOUTHERN NEVADA DISTRICT BOARD OF HEALTH

From: Brian Northam, REHS, Environmental Health Supervisor

Herbert Luis Sequera, REHS Environmental Health Engineer/Manager Chris Saxton, MPH-EH, REHS, Director of Environmental Health

Joseph P. Iser, MD, DrPH, MSc., Chief Health Officer

Petitioner: Brian Northam, REHS, Environmental Health Supervisor

Subject: Adoption of the Proposed Solid Waste Management Plan for Clark County,

Nevada

I. BACKGOUND:

Nevada Revised Statutes Chapter 444.510 requires that the Solid Waste Management Authority (SWMA) must develop a plan to provide for a solid waste management system which adequately provides for the management and disposal of solid waste within Clark County. For Clark County, the SWMA is the Southern Nevada District Board of Health.

Southern Nevada has had three previous formal Solid Waste Management Plans (SWMP): The first one entitled the *Clark County Comprehensive Solid Waste Management Plan* was written to describe the Clark County Health District's (the former name of the SNHD) then-existing solid waste conditions, practices, and problems and evaluations and recommendations for the timeframe between 1974 and the year 2000 (URS Systems Corporation, 1974). The second plan, dated March 15, 1995 entitled the *Solid Waste Management Plan for Clark County, Nevada*, was intended to be an update to address a 20-year planning period from 1995 to 2015, with a particular emphasis on the period of 1995 to 2000 (Harding Lawson Associates, 1995). The third plan was also entitled Solid Waste Management Plan for Clark County, Nevada. This update covered the time from 2013 – 2018. This third proposed SWMP is intended to move forward from 2013 and to cover specifically the next five-year timeframe. This fourth proposed plan is intended to move forward from 2018 and to cover the next five-year timeframe.

The proposed plan provides a description of the existing framework for solid waste management within the applicable laws, regulations and infrastructure within the State and Clark County. The Plan describes governmental roles and responsibilities, the assessment of Clark County's municipal solid waste management systems, and solid waste management issues and future considerations.

Adoption of the proposed Solid Waste Management Plan for Clark County, Nevada Page 2 October 25, 2018

While the plan is specific to Clark County, it follows the same basic format as the SWMPs developed for Washoe County and NDEP. The plan includes the following Chapters and Appendices:

Chapter 1: Introduction and Overview Chapter 2: Solid Waste Generation

Chapter 3: Descriptions of Solid Waste Management Systems

Chapter 4: Laws and Regulations Chapter 5: Financial Sustainability

Chapter 6: The Clark County Emergency Debris Management Plan

Chapter 7: Program Evaluation

Appendix A: Franchise Agreements Appendix B: Municipal Solid Waste Code Appendix C: Solid Waste Laws and Regulations

II. PUBLIC REVIEW AND WORKSHOPS:

The July 18, 2018, Public Notice announcing the October 25, 2018, Public Hearing and upcoming public workshops was posted in lobbies of public buildings throughout Clark County and on the SNHD internet website and advertised in local newspapers as found in Attachment A. The Public Notice also provided SNHD contact names, addresses, phone numbers and the SNHD website address. Four information gathering workshops were scheduled. The recorded minutes from the August 28, 2018 workshops held at the SNHD main office, 280 South Decatur Boulevard, Las Vegas, NV are found in Attachment B, the minutes from the August 29, 2018 workshop held in Laughlin, NV are found in Attachment C, and the minutes from the August 30, 2018 workshop held in Mesquite, NV are found in Attachment D. Only one member of the public attended the workshop in Mesquite and one member of the public attended the workshop in Laughlin as documented in Attachment E but had no comments on the plan. No members of the public appeared at either of the Las Vegas workshops as documented on the sign-in sheets in Attachments B, C and D.

The original draft proposed Solid Waste Management Plan was reviewed and commented on by NDEP. The current draft Plan reflects the changes made as a result of comments submitted by staff from NDEP (Attachment F).

No public comments (either written or oral) were received throughout the 30-day public review period or at the workshops.

III. RECOMMENDATIONS:

The adoption of the proposed Solid Waste Management Plan would fulfill the requirements of NRS 444.510 and would allow the SWMA to move forward from 2018 and to cover specifically the next five-year timeframe. This Plan is intended to be a guide and an informational resource to support solid waste management laws, regulations and policies. Key users are the Nevada Legislature, the State Environmental Commission, NDEP, the Southern Nevada Health District, and other state, and local agencies. The Plan may also be useful to Clark County's waste management service providers, including landfill operators, refuse collectors, and recyclers, as well as solid waste generators, including all of Clark County's industries, businesses, and

Adoption of the proposed Solid Waste Management Plan for Clark County, Nevada Page 3

October 25, 2018

residents. Implementation of items in the Plan that are identified for "future consideration" could further enhance a sound program of solid waste management in Clark County

Staff recommends the adoption of the proposed Solid Waste Management Plan for Clark County, Nevada.

Plan for Clark County, Nevada.

PUBLIC NOTICE

The Southern Nevada District Board of Health will conduct a PUBLIC HEARING on Thursday, September 27, 2018, at 8:30 a.m., during its regular monthly meeting at the Southern Nevada Health District (SNHD), Red Rock Conference Room, 280 South Decatur Blvd, Las Vegas, Nevada to take testimony and consider the adoption of the Southern Nevada Health District Solid Waste Management Plan. **Note**, if the Solid Waste Management Plan is not presented at the September 27, 2018, meeting, it will be presented for PUBLIC HEARING at the Southern Nevada District Board of Health meeting scheduled for October 25, 2018, at the same time and location noted above.

The proposed Solid Waste Management Plan is available for review at: http://www.southernnevadahealthdistrict.org/public-notices.php and at SNHD, Environmental Health Division, 280 South Decatur Blvd., Las Vegas, Nevada. Please contact Lynn Cintron at (702) 759-0603 to schedule an appointment to review the Solid Waste Management Plan during normal business hours of 8:00 a.m. to 4:30 p.m. or for special viewing needs. Copies of documents may be requested during that time at a charge of one dollar per page.

Interested persons may appear at the PUBLIC HEARING and present their views thereon. Written comments will also be considered and must be forwarded to Lynn Cintron, Senior Administrative Assistant, Southern Nevada Health District, Solid Waste and Compliance, P.O. Box 3902, Las Vegas, Nevada 89127-0902 or sent via email to cintron@snhdmail.org no later than August 3, 2018. If there are special viewing needs, please call (702) 759-0603 for accommodation.

-S-	7/18/18
Herbert Luis Sequera, REHS	Date
Interim Environmental Health Director	

Prior to the above PUBLIC HEARING before the Board of Health on September 27, 2018, or October 25, 2018, there will be four Public Workshops for the public to present their views on the proposed Solid Waste Management Plan: 1) Tuesday, August 28, 2018 10:00 a.m. at the Southern Nevada Health District, Red Rock Conference Room, 280 South Decatur Blvd., Las Vegas, Nevada; 2) Tuesday, August 28, 2018, 6:00 p.m. at the Southern Nevada Health District, Red Rock Conference Room 280 South Decatur Blvd., Las Vegas, Nevada; 3) Wednesday, August 29, 2018, 10:00 a.m. at the Laughlin Regional Government Center, 101 Civic Way, Laughlin, Nevada; 4) Thursday, August 30, 2018, 10:00 a.m. City of Mesquite Town Hall, City Council Chambers, 10 E Mesquite Blvd, Mesquite, Nevada. Written submissions are encouraged. For additional information, call (702) 759-0603.

August 28, 2018, 10:00am Southern Nevada Health District 280 S. Decatur Blvd.

Good morning, I am Brian Northam, the supervisor of the Permitted Disposal Facilities program. If I could get everybody in the room to please silence or turn off your cell phones.

Good morning to the empty room. The purpose of this public workshop is to collect public comments on the proposed Solid Waste Management Plan for Clark County.

This is a public workshop, as such we are required to record the proceedings and enter all the comments that we receive today into the record that goes before the District Board of Health at the public hearing currently scheduled for September 27, 2018 or if necessary the October 25, 2018 meeting.

Copies of the Agenda and Public Notice are available at the table near the entrance. Please sign in on the sign in sheet. A copy of the Solid Waste Management Plan for Clark County is also available for viewing, if necessary.

Over to my right, at the table, is Senior Administrative Assistant, Lynn Cintron who will be recording the minutes of today's workshop.

The workshop was advertised by Public Notice in the Las Vegas Review Journal on July 29, 2018, which opened the period for the public to make comments on the proposed plan. The period for the public review and comment will end on August 31, 2018.

As required, this workshop will be open for approximately thirty minutes to allow for late arrivals.

At this time, seeing no one in the room, we will go off the record until 10:30.

It is currently 10:30 so we're back on the record. There is still no one available from the public at this point in time, but we will continue.

We hold this workshop to satisfy the requirements established by the Board of Health to make sure that we solicit public comments on this Solid Waste Management Plan.

The next step is to discuss and resolve the comments received at the workshops or via the website. Currently the Solid Waste Management Plan is scheduled to go before the regular Board of Health Thursday, September 27, 2018, or, if necessary, October 25, 2018 during their regular meeting. With that, the process has been completed to this point. Thank you for attending.

Adjourn 10:31am

SOLID WASTE MANAGEMENT PLAN PUBLIC WORKSHOP

280 South Decatur Boulevard, Las Vegas, Nevada

NAME	COMPANY/ AGENCY	ADDRESS	PHONE

August 28, 2018, 6:00pm Southern Nevada Health District 280 S. Decatur Blvd.

I'd like to welcome Lynn and me.

I am Brian Northam, the supervisor of the Permitted Disposal Facilities program. Please silence or turn off your cell phones.

I'd like to welcome Lynn and me. The purpose of this public workshop is to collect public comments on the proposed Solid Waste Management Plan for Clark County.

This is a public workshop, as such we are required to record the proceedings and enter all the comments that we receive today into the record that goes before the District Board of Health at the public hearing scheduled for September 27, 2018 or, if necessary, October 25, 2018.

Copies of the Agenda and the Public Notice are available at the table near the entrance. Please sign in on the sign in sheet. A copy of the Solid Waste Management Plan for Clark County is here and available for viewing.

Over to my right is Senior Administrative Assistant, Lynn Cintron who will be recording the minutes of this workshop.

The workshop was advertised by Public Notice in the Las Vegas Review Journal on July 29, 2018, which opened the period for the public to make comments on the proposed plan. The period for the public review and comment will end on August 31, 2018.

As required the workshop will be open for approximately thirty minutes to allow for late arrivals.

At this time, since there is no one from the public here to make comments, we will go off the record until at least 6:30.

It is now 6:30. and time to reconvene the workshop.

We hold this workshop to satisfy the requirements established by the Board of Health to make sure that we solicit public comments on this Solid Waste Management Plan.

The next step is to discuss and resolve the comments received at the workshops or via the website. Currently the Solid Waste Management Plan is scheduled to go before the Board of Health September 27, 2018, or October 25, 2018 during their regular meeting. With that this process has been completed to this point. Thank you for not attending.

Adjourn 6:31pm

SOLID WASTE MANAGEMENT PLAN PUBLIC WORKSHOP

Tuesday, August 28, 2018, 6:00PM Southern Nevada Health District, Red Rock Conference Room 280 South Decatur Boulevard, Las Vegas, Nevada

NAME	COMPANY/ AGENCY	ADDRESS	PHONE

August 29, 2018, 10:07am Laughlin Regional Government Center 101 Civic Way

Good Morning, this is Brian Northam, the supervisor of the Permitted Disposal Facilities program. If I could get everyone to please silence or turn off your cell phones.

I'd like to welcome everybody to this meeting. It's just simply to go over the proposed Solid Waste Management Plan.

This is a public workshop, as such we are required to record the proceedings and enter all the comments that we receive today into the record that goes before the District Board of Health at the public hearing scheduled for September 27, 2018 or if necessary October 25, 2018.

Copies of the Agenda and Public Notice are available at the table near the entrance. Please sign in if you do enter the meeting. A copy of the Solid Waste Management Plan for Clark County is available for viewing.

To my left is Herb Sequera, the manager of Solid Waste and Compliance section; and to my right is Senior Administrative Assistant, Lynn Cintron who will be recording the minutes of the workshop.

The workshop was advertised by Public Notice in the Laughlin Nevada Times on August 1, 2018, which opened the period for the public to make comments on the proposed plan. The period for the public review and comment will end on August 31, 2018.

As required the workshop will be open for approximately thirty minutes to allow for late arrivals.

Is there anyone from the public who would like to make comment at this time? Seeing none, we will now go off the record for approximately thirty minutes to allow for late arrivals.

It is now 10:37 a.m. and time to reconvene the workshop.

We hold this workshop to satisfy the requirements established by the Board of Health to make sure that we solicit public comments on this Solid Waste Management Plan.

The next step is to discuss and resolve the comments received at the workshops or via the website. Currently the Solid Waste Management Plan is scheduled to go before the Board of Health Thursday, September 27, 2018, or October 25, 2018 during their regular scheduled meeting. With that the process has been completed to this point. Thank you for attending.

EXECUTIVE SUMMARY

Southern Nevada's Solid Waste Management Plan (afterwards known as PLAN) provides a description of the existing framework for management of solid waste within the applicable laws, regulations and infrastructure within the jurisdiction. The Solid Waste Management Authority (SWMA) must develop a plan to provide for a Solid Waste Management System which adequately provides for the management and disposal of solid waste within Clark County (NRS 444.510).

INTRODUCTION AND OVERVIEW: <u>CHAPTER 1</u> contains an overview of the purpose of the PLAN, a brief introduction to disposal, recycling and reuse and the roles and responsibilities of government in the management of solid waste.

SOLID WASTE GENERATION: <u>CHAPTER 2</u> contains current and presumed future waste generation rates for Clark County, the current waste streams in Southern Nevada, the importation and exportation of wastes from other areas into or out of Southern Nevada, the definitions of solid waste: residential, commercial, and industrial solid wastes, and wastes requiring special handling.

DESCRIPTIONS OF SOLID WASTE MANAGEMENT SYSTEMS: CHAPTER 3 contains definitions of the solid waste disposal and management facilities including landfills, recycling centers, materials recovery facilities, composting facilities, transfer stations, waste tire management facilities, waste to energy facilities and waste to fuel facilities; solid waste collection franchise agreements within the various incorporated and unincorporated cities and areas within Clark County; description of the single-stream recycling programs included in the franchise agreements, illegal waste dumping, the costs associated with illegal dumping, and enforcement programs.

LAWS AND REGULATIONS: CHAPTER 4 contains references to the relevant federal, state, local, and SWMA regulations affecting the proper management of solid waste in Southern Nevada.

FINANCIAL SUSTAINABILITY: CHAPTER 5 contains the current funding sources for solid waste management programs in Southern Nevada including permits, the waste tire fund, grants, and tipping fees.

THE CLARK COUNTY EMERGENCY DEBRIS MANAGEMENT PLAN: CHAPTER 6 contains a brief description of the Clark County Emergency Debris Management Plan and the Solid Waste Management Authority's role in managing the disposal of wastes resulting from an area-wide emergency or catastrophe, including an annual State of Nevada evaluation of the Debris Management Plan.

PROGRAM EVALUATION: <u>CHAPTER 7</u> contains an evaluation of the PLAN and discusses future considerations regarding the management of solid waste in Southern Nevada.

CHAPTER 1 INTRODUCTION AND OVERVIEW

1.1 Purpose and Scope

This PLAN reviews the status of collection and disposal systems within unincorporated Clark County and the five incorporated cities therein: (1) Las Vegas, (2) North Las Vegas, (3) Henderson, (4) Boulder City, and (5) Mesquite. The PLAN considers the adequacy of regulatory standards governing solid waste management facilities and attempts to identify viable economic incentives and other methods that will encourage the most efficient use of resources, reduction of waste generation, and optimum recovery of resources from the solid waste stream.

Planning and implementing a system to effectively manage solid waste is a responsibility of the affected cities and Clark County, in cooperation with the Southern Nevada District Board of Health (BOH), the Solid Waste Management Authority (SWMA) for all areas in Clark County. Nevada Revised Statute (NRS) 444.510 requires the development of a plan for the management of solid waste and its periodic revision at least every five years.

1.2 Introduction to Solid Waste Management

Solid waste is any item that is intended for discard, i.e., to be thrown away (see below for exemptions). The standard regulatory definition of solid waste is provided in 40 CFR 258.2.

Solid waste means any garbage, or refuse, sludge from a wastewater treatment plant, water supply treatment plant, or air pollution control facility and other discarded material, including solid, liquid, semi-solid, or contained gaseous material resulting from industrial, commercial, mining, and agricultural operations, and from community activities, but does not include solid or dissolved materials in domestic sewage, or solid or dissolved materials in irrigation return flows or industrial discharges that are point sources subject to permit under 33 U.S.C. 1342, or source, special

nuclear, or by-product material as defined by the Atomic Energy Act of 1954, as amended (68 Stat. 923).

Solid Waste Management includes:

- (1) Waste disposal
- (2) Recycling,
- (3) Reduction, and
- (4) Reuse.

1.2.1 Waste Disposal

Waste disposal can be segmented into three phases:

- (1) Storage by the generator,
- (2) Collection and transportation, and
- (3) Disposal.
 - (1) On-site storage is the responsibility of the generator of the waste. Commercial putrescible solid waste, which is waste, such as food waste, that is readily decomposed and capable of causing odors or gases, must be collected within 24 hours of generation.
 - (2) In smaller communities, solid waste is collected by contracted or franchised solid waste haulers and often transported directly to a disposal site, such as a landfill. In larger communities, solid waste is collected by a contracted or franchised solid waste hauler and is often taken to local collection center, called a transfer station, where the waste is consolidated into large tractor-trailers for transport to the landfill. Additionally, businesses and/or individuals may transport their own waste directly to a transfer station or landfill.
 - (3) Solid waste generated in Clark County is disposed of utilizing land filling. Landfill sites are categorized as Class I, II, or III sites. Landfills bury solid waste in engineered cells or landfill units. These cells are designed to protect the environment from possible contamination by the buried waste. Modern landfills are bottom-lined by materials virtually impermeable to liquids and gases, usually

clay and/or high-density plastic materials. Class II sites are similar to Class I landfills but may only accept very small amounts of waste. Class III sites only accept industrial solid waste or other inert materials as approved by the Solid Waste Management Authority. Clark County does not currently permit any Class II Landfills.

1.2.2 Recycling

Recycling is the redirection of solid waste back into the manufacturing process to create new products. Recyclable materials are collected from homes and/or businesses by solid waste hauling companies. Individuals may collect their own recyclable materials for sale at local recycling centers.

Recyclable materials are transported to recycling centers where they may be sorted, compacted and/or baled for shipment. Recyclable materials are often sold to out of state, or country, companies for use as a feedstock in manufacturing new products or for further processing prior to reintroduction into the economic mainstream.

Nevada has a recycling goal of twenty-five percent (25%). Clark County is working towards achieving that goal.

1.2.3 Solid Waste Reduction

Reduction should be the first consideration regarding solid waste generation. Preventing a material from ever becoming a solid waste saves energy and resources. No additional energy needs to be expended to dispose of the material and no resources must be exhausted to replace the material.

1.2.4 Reuse

Reuse is the repurposing of items that would otherwise end up as solid waste. These items may be refurbished or used as-is condition. Items that are no longer desired may be sold or donated. Thrift stores, charitable organizations, used vehicle or equipment sales, and salvage operations are most typically associated with this type of waste management.

1.3 Government Roles and Responsibilities

The Nevada Division of Environmental Protection (NDEP) designates the Southern Nevada District Board of Health (BOH) as Solid Waste Management Authority (SWMA) through an Memorandum of Understanding under NRS 277.180. The State Environmental Commission (SEC) retains the ultimate authority to implement municipal landfill regulations, if necessary, acting in state-level role similar to the BOH (NRS 444.558). The BOH is responsible for: issuing permits to operate solid waste disposal sites (NRS 444.553(2)), conducting inspections of solid waste disposal sites for compliance with SWMA regulations (NRS 444.556.5(b)), and investigating illegal dumping (NRS 444.592). The BOH, as well as municipal governments, may adopt standards and regulations (NRS 444.580) governing solid waste disposal site location, design, and operation. Such regulations or codes must be at least as strict as, and must not conflict with, state regulations. Nevada Administrative Codes (NAC) governing solid waste are found in NAC 444.570-7499 and are described briefly in Chapter 4, as are Solid Waste Management Authority (SWMA) Regulations adopted by the BOH and municipal codes adopted by the various municipalities.

CHAPTER 2 SOLID WASTE GENERATION

2.1 Current Waste Generation

In 2016, Clark County residents generated approximately 5.78 pounds of MSW per person per day. When including tourists, the number drops to 5.42 pounds. The Environmental Protection Agency's (EPA) estimate for per person MSW generation for 2010 is 4.4 pounds (EPA 2013).

2.1.1 Imported Solid Waste

Clark County does not import significant amounts of solid waste from outside Nevada or Clark County. The Clark County Solid Waste Profile from the Nevada State Plan from 2012 to 2016 indicates zero Imported waste disposed (tons). (NDEP 2017)

2.1.2 Exported Solid Waste

Despite the capacity for the disposal of solid waste that is available at Southern Nevada disposal sites, a significant amount of solid waste is exported from the Clark County, NV area for disposal in landfills outside of Clark County.

2.1.3 Residential Solid Waste

Household waste means any solid waste, including garbage, trash and sanitary wastes, derived from households, including single and multiple family residences, hotels, motels, bunkhouses, ranger stations, crew quarters, campgrounds, picnic grounds and recreation areas used during the daytime. (SWMAR 1-4 & NAC 444.581)

Household waste is managed pursuant to the local franchise agreements. The franchise hauler is the sole company authorized to collect these wastes other than the original generator.

2.1.4 Commercial Solid Waste

Commercial waste means all solid waste including, but not limited to, solid wastes generated by stores, hotels, markets, offices, restaurants, warehouses and other non-manufacturing activities excluding industrial wastes. (SWMAR 1-4)

Depending on the type of business these wastes can range from putrescible food wastes to recyclable materials such as old corrugated cardboard. Municipal solid waste is managed pursuant to the franchise agreements in each jurisdiction. Commercial source separated recyclable collection is not a part of any of the franchise agreements and thus open for competitive bidding.

2.1.5 Industrial Solid Waste

Industrial solid waste means solid waste derived from industrial or manufacturing processes, including, but not limited to, the solid waste generated by the:

- (a) Generation of electric power;
- (b) Manufacture of fertilizer and agricultural chemicals;
- (c) Manufacture of food and its related products and by-products;
- (d) Manufacture of inorganic chemicals;
- (e) Manufacture of leather and products made from leather;
- (f) Manufacture of nonferrous metals, including the foundries which manufacture those metals;

- (g) Manufacture of organic chemicals;
- (h) Manufacture of plastics, resins and other miscellaneous products made from plastic;
- (i) Pulp and paper industry;
- (j) Manufacture of rubber and other miscellaneous products made from rubber;
- (k) Manufacture of products made from stone, glass, clay and concrete;
- (I) Manufacture of textiles;
- (m) Manufacture of transportation equipment;
- (n) Treatment of water;
- (o) Manufacture of iron and steel; and
- (p) Construction, refurbishing or demolition of buildings or other structures. The term does not include waste generated by the mining, oil and gas industries. (SWMAR Appendix 1 & NAC 444.585)

2.2 Wastes Requiring Special Handling

2.2.1 Asbestos Waste

Asbestos means the asbestiform varieties of Chrysotile (serpentine), Crocidolite (riebeckite), Amosite (cummingtonite-grunerite), Anthophyllite, Tremolite or Actinolite (SWMAR 1-4, NAC 444.966 & NAC 618.750).

Transport of asbestos waste is covered in the SNHD SWMAR 4-1.

2.2.2 Contaminated Soil

Soils contaminated by releases of petroleum hydrocarbons, grease, oils, fats, dry cleaning chemicals, industrial wastes, or uncontrolled sewage releases or other environmental contaminants are evaluated for removal, treatment or proper disposition according to federal, state and/or local regulations.

2.2.3 Dead Animals

Dead animals may be disposed of at the four (4) class I landfills servicing Clark County: Apex, Boulder City, Laughlin, and Mesquite.

Animals must be placed in a separate trench and covered immediately. (NAC 444.694)

2.2.4 Fluorescent Light Bulbs

Residents are encouraged to recycle their fluorescent bulbs and compact fluorescent bulbs instead of disposing these items in with their regular trash.

Commercial fluorescent bulbs shall be managed as a restricted waste and must be sent to a facility capable of treating, recovering, recycling, or properly disposing of them.

2.2.5 Household Hazardous Waste

Household Hazardous Wastes (HHW) are hazardous products used and disposed of by residential as opposed to industrial consumers. This includes paints, stains, varnishes, solvents, pesticides, and other materials or products containing chemicals that are ignitable, reactive, corrosive or toxic.

Although household hazardous wastes are exempt from the federal hazardous waste disposal requirements, SNHD recommends that these wastes be sent for proper disposal/recycling as they may present safety and/or environmental risks.

The local franchise waste haulers will accept household hazardous waste from their customers at specified facilities.

2.2.6 Junk Vehicles, Vehicle Batteries, and Used Motor Oil

Management of junk vehicles includes the management of lead-acid batteries, mercury switches, and waste fluids including but not limited to used motor oil, fuel, lubricants, and anti-freeze.

SNHD EHSs conduct routine inspections of facilities that generate Restricted Waste including automotive waste fluids. Restricted Waste Management is covered in the SNHD SWMAR 4-3.

2.2.7 Medical Waste

Medical waste means solid waste that is generated in the diagnosis, treatment or immunization of human beings or animals, in research pertaining thereto, or in the production or testing of biological agents, excluding Hazardous Waste identified or listed under 40 CFR Part 261 or any House Hold Waste as defined in 40 CFR §261.4(b)(1). (SWMAR 1-4 & Clark County Code Chapter 9.04.010(25))

The management of medical waste is covered in the SNHD SWMAR 3-6 & 4-2.

2.2.8 Pharmaceuticals

Whether prescription or over the counter the disposal of pharmaceuticals presents a problem. Historically, the public was directed to dispose of these items by flushing them into the domestic sewer. This is no longer the preferred method of disposal. When disposing of unused pharmaceuticals, the public should follow best management practices by mixing it with inert material such as kitty litter and/or coffee grounds rendering them irretrievable before disposing in the trash.

2.2.9 Restricted Waste

Restricted waste means a solid waste with properties that make it dangerous or potentially harmful to human health and/or the environment and is prohibited from disposal in a solid waste landfill. Restricted wastes include hazardous waste, universal waste, and special waste.

Facilities may be exempt from obtaining a Restricted Waste Management Permit if they meet certain standards found in the SNHD SWMAR Section 4-3.01(A)

2.2.10 Septic Waste, Sewage Sludge, and other Liquid Waste

Sewage and septic waste are wastewater and excrement conveyed in solution or suspension to be removed in a sanitary manner. Also known as domestic or municipal wastewater, it consists mostly of grey-water (from sinks, tubs, showers, dishwashers, and clothes washers) and black-water (the water used to flush toilets, combined with the human waste that it flushes away).

The management of septic tank pumping and raw sewage is covered in the SNHD Solid Waste Management Authority Regulations 4-4.

2.2.11 Waste Grease

Waste Grease is defined as recovered yellow or brown grease. Yellow grease means cooking oil, used vegetable oil, recycled vegetable oil, or waste vegetable oil is recovered from businesses and industries that use the oil for cooking. It is used to feed livestock, and to manufacture soap, make-up, clothes, rubber, and detergents. Grease recovered from a grease interceptor is commonly referred to brown grease.

2.2.12 Waste Tires

Waste tire means a tire that is not fit for use as a tire. (SWMAR 1-4 & NAC 444A.270) A waste tire is not from a device not considered a vehicle as defined by NRS 484A.320, a low speed vehicle as defined by NRS 484B.637 or an off-highway vehicle as defined by NRS 490.060.

In Clark County waste tires are prohibited from disposal in a Municipal Solid Waste or Class I landfill.

The requirements and exemptions for Waste Tire Haulers are in the SNHD SWMAR 4-5. The additional requirements for a waste tire management facility are in the SNHD SWMAR 3-11.

2.2.13 White Goods

White goods means large household appliances including, but not limited to, refrigerators, washing machines, clothes dryers, and dish washers that were primarily finished with white enamel, but now are sold in other colors (SWMAR & Clark County Code 9.04.01(53)).

These items are handled and processed as plastics and scrap metal. Federal regulations require the removal of chlorofluorocarbons (CFCs) prior to shredding, flattening, or baling white goods by an approved technician. (Section 608 of the Clean Air Act of 1990, as amended)

CHAPTER 3 DESCRIPTIONS OF SOLID WASTE MANAGEMENT SYSTEMS

3.1 SNHD Solid Waste Management Authority Regulations

To protect public health, safety and the environment through preventive measures and timely correction of public health and environmental risks and to promote the safe and sanitary reuse and recycling of solid waste, the SNHD Solid Waste and Compliance Staff has drafted solid waste management regulations that were adopted by the Southern Nevada District Board of Health as the Solid Waste Management Authority.

SNHD SWMAR govern all solid waste management facilities under the authority of the SNHD SWMA. These regulations set standards for the storage, collection, transportation, processing, recycling and disposal of solid waste; outline record keeping and reporting requirements; provide for enforcement; and include provisions for the issuance, suspension and revocation of permits.

All solid waste management facilities are required to comply with the standards in Chapter 2 of the SNHD SWMAR.

3.2 Solid Waste Management Facilities

3.2.1 Class I Sites (MSW Landfills)

A Class I Site is defined as a disposal site which is comprised of at least one municipal solid waste landfill unit, or cell, including all contiguous land, structures, appurtenances and improvements on the land used for disposal of solid waste and is not a Class II Site or Class III Site. Commonly referred to as a Class I Landfill. (SWMAR 1-4 & NAC 444.5705)

Class I Sites, or Class I Landfills, are required to comply with the additional standards found in the SNHD SWMAR Chapter 3-1. SNHD EHSs inspect these facilities a minimum of four times per year.

3.2.2 Class II Sites (MSW Landfills)

Class II Site means a disposal site which is comprised of at least one municipal solid waste landfill unit, or cell, which accepts less than twenty (20) tons of solid waste per day on an annual average, for which there is no evidence of contamination of groundwater originating from the site, which serves a community that has no other practicable alternatives for waste management, which is located in an area which annually receives no more than twenty-five (25) inches of precipitation and is not a Class I site or Class III site. This term includes all contiguous land, structures, appurtenances and improvements on the land used for the disposal of solid waste. Commonly referred to as a Class II Landfill. (NAC 444.571 & SWMAR 1-4)

Class II Sites, or Class II Landfills, would be required to comply with the additional standards found in the SNHD SWMAR Chapter 3-2. Clark County does not have any currently permitted Class II sites.

3.2.3 Class III Sites (Industrial Solid Waste Landfills)

A Class III Site is defined as a disposal site which accepts only industrial solid waste. Commonly referred to as a Class III Landfill (NAC444.5715). "Industrial Solid Waste" means solid waste derived from industrial or manufacturing processes, including but not limited to electrical power generation wastes, fertilizer and agricultural product manufacturing, construction debris and demolition, leather manufacturing, inorganic and organic chemical production, water treatment, paper, plastic and rubber manufacturing, nonferrous and ferrous metal production, and food production. Industrial solid waste does not include waste generated by mining, oil, and gas industries. (SWMAR 1-4 & NAC 444.585)

Class III Sites, or Class III Landfills, are required to comply with the additional standards found in the SNHD SWMAR Chapter 3-3. SNHD EHSs inspect these facilities a minimum of two times per year.

3.2.4 Composting Facilities or Compost Plants

A Compost Plant is defined as a facility where compost is produced by the process of composting (SWMAR 1-4). Composting is defined as a biological process of

degrading organic materials that is facilitated and controlled through the intentional and active manipulation of piles and/or windrows (SWMAR 1-4 & NAC 444.572). (SWMAR 1-4)

Composting Facilities, or Compost Plants, are required to comply with the additional standards found in the SNHD SWMAR Chapter 3-4. SNHD EHSs inspect these facilities a minimum of two times per year.

3.2.5 Materials Recovery Facilities

Materials Recovery Facility means a solid waste management facility that provides for the extraction from solid waste of recyclable materials, materials suitable for use as a fuel or soil amendment or any combination of those materials. This term does not include facilities that receive only recyclable materials that have been separated at the source of waste generation if further processing of the materials generates less than ten (10) percent waste residue by weight on an annual average, a salvage yard used for the recovery of used motor vehicle parts, or a facility that recovers less than twenty-five (25) percent of recyclable material from the solid waste received on an annual average. (Clark County Code Chapter 9.04.010(24)) (SWMAR 1-4)

Materials Recovery Facilities are required to comply with the additional standards found in the SNHD SWMAR Chapter 3-5. SNHD EHSs inspect these facilities a minimum of four times per year.

3.2.6 Medical Waste Management Facilities

A Medical Waste Management Facility is a facility that collects, stores, transports, transfers, processes, treats and/or disposes of medical waste. (SWMAR 1-4)

Medical Waste Management Facilities are required to comply with the additional standards found in the SNHD SWMAR Chapter 3-6. SNHD EHSs inspect these facilities a minimum of two times per year.

3.2.7 Recycling Centers

Recycling Center means a facility designed and operated to receive, store or process recyclable material which has been separated at the source from all but residual solid waste. A Recycling Center does not include a facility that recycles less than ninety percent (90%) of materials accepted per year, by weight, a Materials Recovery Facility, a Transfer Station, a Compost Plant, a Hazardous Waste Recycling Center or a Solid Waste Storage Bin Facility. (Clark County Code Chapter 9.04.010(38)) (SWMAR 1-4)

Recycling Centers are required to comply with the Standards for Solid Waste Management Facilities found in Chapter 2 of the Solid Waste Authority Regulations. SNHD EHSs inspect these facilities a minimum of two times per year.

3.2.8 Solid Waste Storage Bin Facilities

Solid Waste Storage Bin Facility means a facility that provides one or more portable containers which are used for the collection of solid waste for transport to a solid waste management facility or disposal site. The term does not include residential or commercial waste containers that are located on or near the site of waste generation. (SWMAR 1-4)

Solid Waste Storage Bin Facilities are required to comply with the additional standards found in the SNHD SWMAR Chapter 3-8. SNHD EHSs inspect these facilities a minimum of two times per year.

3.2.9 Transfer Stations

Transfer Station means a solid waste processing site where solid waste is transferred from one vehicle to another vehicle or storage device for temporary storage until transferred to a disposal site. Some processing may be included therein. The term does not include solid waste storage bin facilities. (SWMAR 1-4)

Transfer Stations are required to comply with the additional standards found in the SNHD SWMAR Chapter 3-9. SNHD EHSs inspect these facilities a minimum of four times per year.

3.2.10 Waste Grease Facility

Waste Grease Facility means a facility for the collection, storage and/or processing of waste grease including, but not limited to a processing plant, a Transfer Station or trans-shipment facility. (SWMAR 1-4)

Waste Grease Facilities are required to comply with the additional standards found in the SNHD SWMAR Chapter 3-10. SNHD EHSs inspect these facilities a minimum of two times per year.

3.2.11 Facility for the Management of Waste Tires (Waste Tire Management Facility)

Facility for The Management Of Waste Tires means a site where waste tires are deposited for processing, recycling or use as a fuel. A facility that receives waste tires only inadvertently, unintentionally or that are incidental to the load being received is not a Facility for The Management of Waste Tires. (NAC 444A.210) (SWMAR 1-4)

Waste Tire Management Facilities are required to comply with the additional standards found in the SNHD SWMAR Chapter 3-11. SNHD EHSs inspect these facilities a minimum of two times per year.

3.2.12 Waste to Energy/Fuel Facilities

Waste to Energy/Fuel Facility means a facility that produces energy in the form of electricity or a fuel such as methane from solid waste using some process of conversion. This process may be thermal (gasification, thermal depolymerization, incineration, pyrolysis, plasma arc gasification, etc.) or non-thermal (anaerobic digestion, fermentation, mechanical biological treatment, etc.). (SWMAR 1-4)

Waste to Energy/Fuel Facilities are required to comply with the additional standards found in the SNHD SWMAR Chapter 3-12. SNHD EHSs inspect these facilities a minimum of two times per year.

3.3 Solid Waste Collection/Franchises

3.3.1 Boulder City

Waste Logistics Nevada, doing business as Boulder City Disposal, is the exclusive franchise holder for the city of Boulder City. This agreement gives Waste Logistics Nevada the sole right to provide solid waste collection services, including residential single stream recycling and commercial recycling, within Boulder City. All solid waste is transported by Waste Logistic Nevada to a Class I Landfill owned by Boulder City and operated by Waste Logistics Nevada.

3.3.2 Clark County-Unincorporated

Republic Services is the exclusive franchise holder for unincorporated Clark County. This agreement gives Republic Services the sole right to provide solid waste collection services, including residential single stream recycling, within unincorporated Clark County. Solid waste is transported by Republic Services from the point of collection to transfer stations, where it is consolidated and placed into long haul trailers to be taken for disposal to the Apex Regional Landfill or directly hauled to Apex Regional Landfill or the Laughlin Landfill.

3.3.3 Henderson

Republic Services is the exclusive franchise holder for the City of Henderson. This agreement gives Republic Services the sole right to provide solid waste collection services, including residential single stream recycling, within the City of Henderson. Solid waste is transported by Republic Services from the point of collection to transfer stations, where it is consolidated and placed into long haul trailers to be taken for disposal to the Apex Regional Landfill or directly hauled to Apex Regional Landfill.

3.3.4 Las Vegas

Republic Services is the exclusive franchise holder for the city of Las Vegas. This agreement gives Republic Services the sole right to provide solid waste collection services, including residential single stream recycling, within the city of Las Vegas. Solid waste is transported by Republic Services from the point of collection to transfer stations, where it is consolidated and placed into long haul trailers to be taken for disposal to the Apex Regional Landfill or directly hauled to Apex Regional Landfill.

3.3.5 Mesquite

Virgin Valley Disposal is the exclusive franchise holder for the City of Mesquite. This agreement gives Virgin Valley Disposal the sole right to provide solid waste collection services, including curbside recycling, within the City. All solid waste is transported by Virgin Valley Disposal to a Class I Landfill owned by the City and operated by Virgin Valley Disposal or transported away for recycling.

3.3.6 North Las Vegas

Republic Services is the exclusive franchise holder for the City of North Las Vegas. This agreement gives Republic Services the sole right to provide solid waste collection services, including residential single stream recycling, within the City of North Las Vegas. Solid waste is transported by Republic Services from the point of collection to transfer stations, where it is consolidated and placed into long haul trailers to be taken for disposal to the Apex Regional Landfill or directly hauled to Apex Regional Landfill.

3.3.7 Non-Franchise Diversion Programs

Permitted private businesses accept and process recyclable materials outside franchise agreements. Municipal codes allow the collection and transport of commercially generated source separated recyclables and construction and demolition debris by any properly licensed company.

3.3.8 New Business License Investigations

A new business applying for a Clark County business license generates a referral to the Solid Waste and Compliance Section for investigation of possible permitting requirements. SNHD staff visits all new businesses that may require permitting, meets with the owner/operator, and generates a response to Clark County.

Unpermitted solid waste management facilities are brought into compliance through the Solid Waste and Compliance complaint process via an Administrative Order and/or Notice of Violation. These facilities will either cease operations or obtain the required permits.

3.4 Illegal Dumping

Illegal dumping means causing solid waste to be placed, deposited or dumped in or upon any street, alley, public highway or road in common use, or upon any private property, public park or other public property other than properly designated or set aside for such purpose by the government for proper land disposal (SWMAR 1-4).

Complaints made by the public provide the most common source of information, but Solid Waste and Compliance also receives complaints from government representatives from the various jurisdictions.

Complaints fall into two major categories: those that require an immediate response and those that can be handled in the course of routine work. Sewage overflows are an example of an imminent health threat that must be remediated immediately upon discovery.

3.4.1 Enforcement

The Southern Nevada Health Disctrict (SNHD) Board of Health is the Solid Waste Management Authority (SWMA) for Clark County, Nevada. Solid Waste and Compliance staff enforce solid waste regulations on behalf of the District Board of Health. Currently, the Solid Waste and Compliance section employs nine (9)

Environmental Health Specialists (EHS) who investigate incidents of illegal dumping, prepare cases to prosecute those responsible for the illegal dumping through an administrative hearing process, and ensure that solid waste is removed and properly disposed.

In the event those responsible for the illegal dumping are not identified, the property owner is ultimately responsible for mitigating the dump site. In such cases, the property owner is obligated to remove and properly dispose of the illegally dumped solid waste.

In cases where the illegal dumping was witnessed (or conclusive evidence was gathered), the assigned EHS vigorously pursue prosecution of the responsible party. Prosecution occurs through an administrative hearing process where a Hearing Officer has the power to assess administrative pentalties to the individual(s) found to have violated Nevada State law(s) or SNHD SWMA Regulations. These penalties range from five hundred (\$500) to five thousand (\$5,000) dollars per incident, per day and may also require the responsible party to remediate the site and properly dispose of the illegally dumped solid waste at their own additional expense.

Prior to the establishment of the administrative hearing, cases of illegal dumping were prosecuted as misdemeanors through local municipal or justice courts. They were not a high priority for the courts, and therefore satisfactory resolutions were rare.

Solid Waste Compliance staff often work with other municipal representatives including code enforcement officers. Code Enforcement Officers enforce solid waste code for their respective municipalities. Each municipality has enforcement mechanisms they utilize to have residents and businesses clean up solid waste.

SNHD Solid Waste and Compliance Illegal Dumping Totals						
	2013	2014	2015	2016	2017	
Complaints	1499	1731	1396	1281	1477	
Cases	184	119	101	69	66	
Penalties Assessed (\$)	314,177	214,910	158,484	62,406	74,133	
Penalties Collected (\$)	165,057	151,715	92,348	57,177	86,423	

SNHD Illegal Dumping Complaints, Cases and Monetary Penalties documented from 2013-2017 fiscal years. (amount collected per year is indicative of total money collected during that time frame not solely from cases originating and/or terminating during that time frame.)

Solid Waste Laws and Regulations

4.1 Federal Laws and Regulations

Federal solid waste regulations apply to solid waste disposal sites and relate to the protection of human health and the environment. The Resource Conservation Recovery Act of 1976 (RCRA), as amended, provides the statutory basis for federal regulation of solid waste. Subtitle D of RCRA applies specifically to Municipal Solid Waste (Class I & II) landfills. These regulations are found in Volume 40 of the Code of Federal Regulations, Part 258 (40 CFR Part 258) and are commonly referred to as Subtitle D regulations.

4.2 Nevada Revised Statutes (NRS) and Nevada Administrative Codes (NAC)

NRSs are the laws established by the legislative branch of the Nevada government. NACs are requirements adopted by governmental regulatory agencies to implement statutes. Codes have the effect of law because they are enforceable under the authority granted to regulatory agencies by the statutes.

State regulations governing solid waste management facilities were adopted pursuant to NRS 444.560 and can be found in NAC 444.570 to 444.7499. They are based largely on 40 CFR Part 258. Current regulations apply to all types of solid waste management facilities with specific sets of regulations for several specific types of facilities including: transfer stations (NAC 444.666 – 66645), public waste storage bin facilities (NAC 444.66647), compost plants (NAC 444.670), incinerators (NAC 444.672), landfills (NAC 444.6769 – 747), and materials recovery facilities (NAC 444.7474 – 74779)

4.3 Municipal Codes

The county and each incorporated municipality have adopted codes related to Solid Waste Management, including storage, collection, transportation, and disposal. Those codes can be found on the corresponding jurisdictions websites.

4.4 SNHD Regulations

Pursuant to NRS 444.580, the SNHD Board of Health, as Solid Waste Management Authority for Clark County and all incorporated municipalities, has adopted regulations governing the storage, collection, processing, treatment, and disposal of solid waste. These regulations can be found on the SNHD website.

FINANCIAL SUSTAINABILITY

5.1 Introduction

SNHD has an annual fee schedule approved by the SNHD Board of Health. Each service provided by SNHD has a clearly delineated associated fee on the current fee schedule, which is posted on the SNHD website. These fees were calculated carefully as fee-for-service, in the interest of collecting the precise amount of funding to operate Solid Waste Management Programs to their optimal levels.

The fee schedule goes through an extensive public review period prior to being placed into effect, giving the business community opportunities to offer their opinions and reasons as to why a fee is or is not necessary and sufficient to cover the related service provided.

5.2 Current Funding Sources

Funding for the Solid Waste and Compliance section is generated through plan review fees, permit fees, administrative penalties, state tire fund and tipping fees.

If additional grant funding becomes available, SNHD always attempts to apply for relevant program dollars.

5.2.1 Permits and Fees

SNHD operates under a fee schedule that came into effect July 1, 2010. Waste Management Fees and other funding sources are discussed below.

Solid Waste Management Plan Review Fees

A permit to operate must be obtained for any solid waste management facility in Clark County. Solid Waste Plan Review has established a formal process for an operator to obtain approval to operate a facility for the management of solid waste in Clark County. In addition, the purchase of an existing solid waste

management facility requires a new permit to operate. Based on the type of solid waste management facility and/or if a variance or waiver is required the fees vary considerably.

Solid Waste Management Annual Operating Permit Fees

Once a facility is open and functioning, compliance inspections are conducted at all permitted disposal sites in Clark County. To cover staff costs, a fee schedule has been developed based on the type of solid waste management facility and the associated operational complexity.

If the facility chooses to make alterations that are of a nature or extent where a permit modification is necessary, then they must apply for a plan review of the modification. Additionally, these fees are utilized to cover the cost of investigations of unpermitted solid waste management facilities.

Waste Asbestos Transport Permit Fees

As per the State of Nevada regulations for the disposal of asbestos (NAC 444.972), the SNHD has been issuing Waste Asbestos Transport permits upon receipt of an application.

The solid waste plan review fees, annual operating permit fees for permitted solid waste management facilities and waste asbestos transport permit fees generated approximately \$230,000 during fiscal year 2017.

Restricted Waste Management Permit

Solid Waste and Compliance staff inspect facilities that generate restricted waste once a year (category I) or once every three years (category 2). Restricted waste management fees generated approximately \$725,000 during fiscal year 2017.

Solid Waste Management Authority Hearing Officer Penalties

During fiscal year 2017 SNHD collected approximately \$105,000 from Hearing Office penalties.

5.2.2 State Tire Fund

The State Tire Fund is the result of a fee collected for each tire sold in Nevada. According to NRS 444A.090, the sale of each tire results in the collection of one dollar per tire sold. This goes into a fund for solid waste management. The amount of dollars in the fund is split between four agencies within the State of Nevada: NDEP, receives 44.5 percent; Washoe County Health District receives 25 percent; SNHD receives 30 percent; and the Nevada Department of Taxation receives the remaining 0.5 percent. Based on this distribution, SNHD received approximately \$595,000 during fiscal year 2017.

5.2.3 Tipping fees

In February 2004, a solid waste management fee was implemented to increase the SNHD's (SNHD) capability to effectively enforce the Solid Waste Management Regulations and statutes in Clark County, Nevada. This solid waste management fee is paid by third-party commercial customers of all Transfer Stations and Landfills in Clark County. The tipping fee is a charge of 2.3 percent collected by the operators of all transfer stations and landfills in Clark County, Nevada. SNHD received approximately \$210,000 during fiscal year 2017.

CLARK COUNTY EMERGENCY SOLID WASTE MANAGEMENT

6.1 Introduction

The Clark County Office of Emergency Management (CCOEM) provides guidance for the government of Clark County to outline the concept of operations, organizational plan, and responsibilities for managing and coordinating the occurrence or immediate threat of severe damage, injury or loss of life or property resulting from any natural or man-made cause, including but not limited to hazardous substance releases, bioterrorism, emerging epidemics, fire, flood, earthquake, storms, radioactive material, explosion, aircraft accidents, avalanches, civil disturbances, dam failure, fuel shortages, terrorists acts, water shortages, or hostile military or paramilitary action and restore essential services within a disaster area. The CCOEM provides a single point of coordination to facilitate and support the resources that will enable Clark County to mitigate, prepare for, respond to and recover from emergencies. To clarify their guidance, the CCOEM periodically generates a Clark County Emergency Management Basic Plan (CCEMBP).

6.2 Function

The Clark County Emergency Management Basic Plan (CCEMBP) is a document which applies to the government of Clark County and provides guidance to local jurisdictions, the private sector, non-governmental organizations, and the public involved in the management of incidents, emergencies, or disasters within the geographic boundaries of Clark County.

SNHD has a primary responsibility under the CCEMBP for extreme heat emergencies. In addition, they may be called upon, depending upon the type of emergency, to participate under the Incident Command System (ICS) as a responder.

One responding role that SNHD/ SWMA may be required to perform is facilitating the collection, management and disposal of wastes generated during an

emergency event. Potential debris management operations are outlined in Annex X of the CCEMBP and will depend on the nature, duration, location, magnitude, and severity of the disaster incident generating debris. These factors will necessitate close coordination between local, state, and federal law enforcement, and SWMA, representing health and environmental interests in the community.

The CCEMBP can be found online at the Clark County Government website.

7 PROGRAM EVALUATION

7.1 Future Waste Generation and Changes in Capacity

7.1.1 Boulder City

Waste Logistics Nevada estimates their daily disposal rate is approximately 80 tons. Boulder City recently completed an expansion of their landfill. Class I Landfills are required to complete a volumetric survey at least once every five years. The most current volumetric survey states that the Boulder City Landfill has approximately 227 years of airspace remaining. The growth of Boulder City is limited by the city. The current landfill capacity would allow a significant increase in additional solid waste production.

7.1.2 Las Vegas Valley and surrounding areas

Annual volumes at the Apex Regional Landfill have been trending upwards since 2012. The daily average tonnage during 2017 was approximately 7,000 tons a day. Class I Landfills are required to complete a volumetric survey at least once every five years. The most current volumetric survey states that the Apex Regional Landfill facility has approximately 258 years of airspace remaining. The population of Southern Nevada continues to rise dramatically; however, the remaining airspace in the Apex landfill will suit the needs of the valley for the foreseeable future.

The Wells Cargo Landfill is available within the Las Vegas Valley for disposal of inert construction aggregate waste. The most current volumetric survey projected the landfill had at least 28 years of remaining operating life.

7.1.3 Laughlin, Urban Solid Waste Service Area

The Laughlin landfill is the final disposal site for nearly all solid waste generated in Laughlin. The landfill accepted approximately 30,000 tons in 2017. Class I

Landfills are required to complete a volumetric survey at least once every five years. The most current volumetric survey states that the Laughlin Landfill facility has approximately 36 years of airspace remaining.

7.1.4 Mesquite

The Virgin Valley Landfill is the final disposal site for solid waste generated in Mesquite. The landfill accepted approximately 30,000 tons in 2017. The most current volumetric survey states that the Virgin Valley Landfill has approximately 17 years of airspace remaining. As this landfill is in Lincoln county additional information can be obtained from NDEP.

7.2 Future Considerations

In 2008 Republic Services began a pilot program for single stream recycling. The program participants were given two large bins; one for recyclables and one for trash. Once a week the trash and recyclables were picked up and Republic Services separated the recyclables at its disposal facility. This program has been adopted by all the jurisdiction. The final roll out is due to be completed by December 2018.

In 2015 Republic Services built a 110,000-square foot Materials Recovery Facility which can process a maximum of 2,000 tons per day of source separated material. The facility serves the whole of the Las Vegas Valley.

Southern Nevada recycling outcomes could be further improved if decision makers had accurate and current waste stream characterization information. Community-specific information would allow for the maximizing of waste stream asset recovery.

A characterization study could be a collaborative effort between waste haulers/processors, SNHD, the University of Nevada-Las Vegas, and the municipalities. This would be a regular part of waste management planning. In order to verify progress and allow for strategy adjustments, the analyses would

SNHD SWMP

Section	Comment	Response
1.1	The plan indicates a 5 year revision schedule which the NDEP supports. In accordance with Section A-1, the NDEP has agreed to review the SNHD SWMP on an annual basis. The NDEP requests that any proposed changes to the plan be addressed during the annual review, and will continue to review this plan when a revision is submitted. Paragraph (1) Putresciblemust be collected within 24 hours of generation.	Agreed
1.2.1	Per this plan service is required by all residents and available on a weekly basis. How will SNHD implement 24 hour removal?	Amended to commercial. Response, if necessary, is complaint based.
1.2.2	Why doesn't this section talk about the recycling rate goals (25%), or the goal established by SNHD for Republics single stream operaions (35%)?	25% goal added. XXX
1.3	Indicates that the NDEP designated SNHD as the management authority under NRS 444.595. Current regulations do not have a NRS 444.595. The authority to be the management authority comes from the MOU in accordance with NRS 277.180.	
2.1.2	If i am missing something or you have a different point of view lets discuss. Can you elaborate on why Clark County exports a significant amount of waste in spite of ample disposal	Amended
3.3.1-3.3.6	capacity? Where can one look to review the Franchise Agreement?	Free market. Appendix A
3.4.1	Does SNHD use any funds collected as civil penalties from violations of NRS 444.555, 583 or 630?	Yes, SNHD collects administrative penalties during our administrative hearings.
5.1	Is there a reason that SNHD is identified twice in the first sentence? "The SNHD (SNHD) has"	Corrected
5.2.1	Pg. 32 under "Solid waste management annual operating fees." The last sentence in the second paragraph reads funny and should be modified.	Corrected

Where can one go to review and verify the life expetancy of the landfills listed in 7.1.1, 7.1.2, 7.1.3 7.1 and 7.1.4. Typically the SWMP goes into greater detail regarding projected population growth within the county and the county's ability to manage the increase Additional information added to the Plan in waste generation per person. Is republic conducting single stream recycling per paragraph 1 or source separated at the MRF per 7.2 paragraph 2 or are they doing both? If both where is the single stream being separatted? Republic operates both through at their permitted MRF Paragraph 3 indicates that decision makers need more accurate infromation. NAC 444A.120(1)(a)(4) 7.2 authorizes SNHD to gather any additional informatin SNHD is currently exploring options for education to which demostrates that the program will ensure that the general population that would increase the volume the goal can be met. Why wouldn't SNHD ask for and improve the quality of recyclable materials characterizations from the generators collected. Paragraph 4 identifies the desire to condut a waste 7.2 characterization study. Luke Franklin with WCHD just completed a county wide characterizaion study and may have some lessons learned that could be helpful. Noted. Given the landlocked nature of the facility, cap and What direction will Wells Cargo go in the next 28 closure would seem the only option. Wells Cargo and 7.1.2 years? Do they have a planned expansion or are they SNHD have not had discussions around closure at this going to cap and close? time. The NDEP will contact lincoln county to determine 7.1.4 future plans for the Mesquite landfill...unless you know SNHD does not have information on the Virgin Valley

landfill in Lincoln County.

if there is an expansion or closure planned in 9 years.

ATTACHMENT G - BUSINESS IMPACT STATEMENT

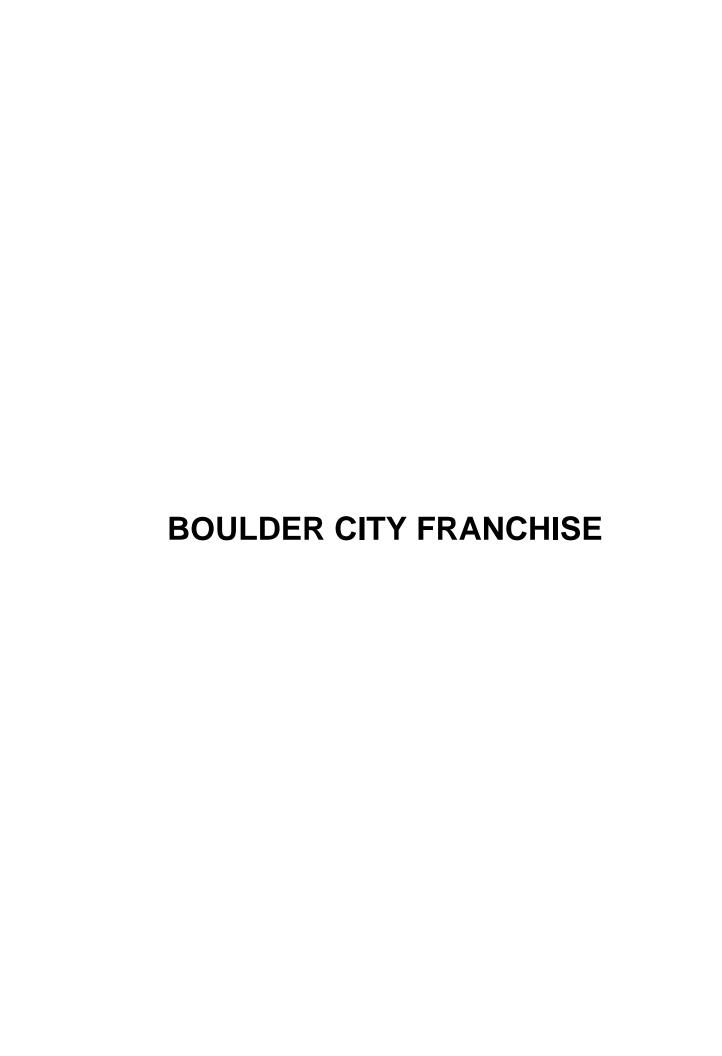

BUSINESS IMPACT STATEMENT

Adoption of the Proposed Solid Waste Management Plan for Clark County, Nevada

Pursuant to Nevada Revised Statutes (NRS) Chapter 237.090 and NRS Chapter 237.080, consideration of business impact statement at hearing conducted to adopt the proposed Solid Waste Management Plan for Clark County, NV. Comments were solicited from affected businesses in the solid waste industry in Clark County. The manner in which the comments were gathered included:

- 1. The July 18, 2018 "Public Notice" announcement of the October 25, 2018 hearing at the Southern Nevada Health District (SNHD) was posted in the lobbies at the Clark County Government Center, the Las Vegas City Hall, the Henderson City Hall, the North Las Vegas City Hall, the Mesquite City Hall, the City of Boulder City-City Hall, the Laughlin Regional Government Center, and the Southern Nevada Health District Ravenholt Public Health Center and on the Southern Nevada Health District Internet Website; and advertised in the LAS VEGAS REVIEW JOURNAL, LAUGHLIN NEVADA TIMES, and the MESQUITE LOCAL NEWS. The notice was available at four public workshops. The notice provided dates and times for hearing and workshops, and instructions on how to provide comments to the SNHD Environmental Health Division in person or in writing by postal mail and Email.
- 2. Four Public Workshops were scheduled; August 28, 2018 at 10:00 am and 6:00 pm at SNHD facility in Las Vegas, August 29, 2018 at the Regional Government Center in Laughlin, and August 30, 2018 at the Mesquite City Hall. No written comments or oral comments were received at any of the public workshops. An audio tape was made of the proceedings, and verbatim testimony transcribed of each. One member of the community attended the workshop in Mesquite and one member of the community attended the workshop in Laughlin but neither provided either written or verbal comments. No members of the public appeared at either of the Las Vegas workshops.
- 3. Written comments have been received and incorporated into the final plan.
- 4. The estimated economic effect of the proposed new draft plan on the regulated businesses is minimal. The Plan is intended to be a guide and an informational resource to support solid waste management laws, regulations and policies. Key users are the Nevada Legislature, the State Environmental Commission, NDEP, the Southern Nevada Health District, and other state & local agencies. The Plan may also be useful to Clark County's waste management service providers, including landfill operators, refuse collectors and recyclers, as well as solid waste generators, including all of Clark County's industries, businesses and residents. Implementation of items in the Plan that are identified for "future consideration" could further enhance a sound program of solid waste management in Clark County.
- 5. The estimated cost to the Southern Nevada Health District for overseeing the proposed plan is minimal. There are no enforcement activities associated with the plan and operating costs will be maintained through the normal SNHD Environmental Health Division plan review and permit fees.

APPENDIX A FRANCHISE AGREEMENTS

AMENDED AND RESTATED FRANCHISE AGREEMENT 98-A534F

SOLID WASTE COLLECTION, DISPOSAL AND RECYCLING AGREEMENT

THIS SOLID WASTE COLLECTION, DISPOSAL AND RECYCLING AGREEMENT ("Agreement") is made and entered into on this 28 day of August, 2018 ("Effective Date"), by and between the City of Boulder City, Nevada, a municipal corporation organized under the laws of the State of Nevada, acting by and through its duly elected Mayor and City Council (hereinafter the "City") and Waste Logistics Nevada, Inc., a Nevada corporation (hereinafter "Waste Logistics" or " Contractor"). City, Waste Logistics and Contractor are also referred to herein as "Parties" and individually as a "Party."

RECITALS

WHEREAS, the City entered into Agreement No. 98A-534 on October 12, 1998, with Boulder Disposal, LLC for solid waste city collection, disposal, and recycling services (the "Original Agreement");

WHEREAS, on December 14, 2004, the City and Boulder City Disposal entered into amendment No. 98-A534A for the assignment of the Original Agreement to Waste Logistics, which was adopted by resolution No. 4461;

WHEREAS, also on December 14, 2004, the City entered into an assignment of the Original Agreement with Waste Logistics through Amendment No. 98-A534B, which was adopted by Resolution No. 4462;

WHEREAS, on March 13, 2012, the Parties entered into Amendment No. 98-A534C further modifying the terms of the Original Agreement;

WHEREAS, the Parties now wish to further amend the terms of the Original Agreement and the amendments thereto, and to consolidate the Original Agreement and all of the prior amendments thereto into this single operative document;

WHEREAS, the Parties also wish to extend the term of the Original Agreement until October 12, 2031, as set forth in this Agreement; and

WHEREAS, as consideration for the extension of the term of the Original Agreement, Waste Logistics has agreed to purchase certain equipment and vehicles during the term of the Agreement.

NOW THEREFORE, for the consideration of the mutual covenants set forth herein, the Parties hereby agree as follows:

AGREEMENT

SECTION ONE

DEFINITIONS

- 1.0 For the purposes of this Agreement, the following words, phrases, and terms shall have the meaning ascribed to them in this Section, as follows:
- 1.1 "Agreement" shall mean this Agreement and any amendments agreed upon by the City and Contractor.
- 1.2 "Best Efforts" shall mean, in the case of any contingent obligation of the City or Contractor, that the Party so obligated will make a good faith effort to accomplish the stated goal, task, project or promised performance, provided such term does not imply a legal obligation to take any specific action if, in the case of the City, such action in the reasoned opinion of the City would not be prudent given public needs and projects, or in the case of Contractor, such action would in the reasoned and sole opinion of Contractor be financially or timely unreasonable.
- 1.3 "Bulky Items" shall include, but not be limited to, such items as chairs, tables, console television sets, couches, mattresses, cabinets and dressers, appliances and other items as mutually agreed upon by the City and Contractor.
- 1.4 "City" shall mean Boulder City, Nevada, a Municipal Corporation established under the laws of the State of Nevada.
- 1.5 "City Service Area" shall be the corporate limits of the City as of June 1, 2012, and if authorized specifically by the City, certain portions of unincorporated Clark County, including, Eldorado Valley, Nelson Township, and Lake Mead Recreation Area as specified on Attachments A and B.
 - 1.6 "City Council" shall mean the elected City Council of the City.
- 1.7 "Commercial Customer" shall mean businesses, institutions, schools, governmental agencies and similar users of commercial-type Solid Waste & recycling collection services. Commercial Customers may include mobile home parks, recreational vehicle parks, and multifamily residential properties only if the properties are billed collectively, not individually.

All individually billed mobile home parks, recreational vehicle parks and multi-family residential properties will be considered Residential Customers.

- 1.8 "Contractor" shall mean Waste Logistics Nevada, Inc., a Nevada corporation.
- 1.9 "Change in Control" shall mean any sale, merger, the issuance of new shares, any change in the voting rights of existing shareholders, or other change in ownership which transfers fifteen percent (15%) or more of the beneficial interest therein from one to another. Notwithstanding the foregoing, intracompany transfers, such as transfers between different subsidiaries or branches of the parent corporation of the Contractor, or transfers to corporations, limited liability companies, limited partnerships, or any other entity owned or controlled by the Contractor upon the Effective Date of this Agreement shall not constitute a Change in Control.
 - 1.10 "Customer" means all users of Solid Waste Services.
- 1.11 "Curb" or "Curbside" shall mean a Residential Customer's property, within five (5) feet of the Public Street or Private Road without blocking sidewalks, driveways, or on-street parking. If extraordinary circumstances preclude such locations, Curbside shall be considered a placement suitable to the resident, convenient to the Contractor's equipment and approved by the City. Any disagreement over correct placement of Containers for collection will be determined by the City.
- 1.12 "Detachable Container" means a watertight container equipped with a tight-fitting cover capable of being mechanically unloaded into a collection vehicle, and that is not less than one (1) cubic yard and not greater than eight (8) cubic yards in capacity.
- 1.13 "Disposal Site" shall mean the landfill permitted by SNHD located at 2500 Utah Street, Boulder City, Nevada, at which the Solid Waste is dumped, including, but not limited to, the Landfill.
- 1.14 "Drop-box Container" shall mean an all-metal container with ten (10) cubic yards or more capacity that is loaded onto a specialized collection vehicle, transported to a disposal or recycling site, emptied and transported back to the Customer's site.
- 1.15 "Garbage" shall mean all Putrescible and non-Putrescible solid and semi-solid wastes, including, but not limited to, rubbish, ashes, industrial wastes, swill, demolition and construction wastes, and discarded commodities that are placed by Customers in appropriate bins, bags, cans, carts, or other receptacles for collection and disposal by the Contractor. The term "Garbage" shall not include Hazardous Wastes, Special Wastes or Recyclables.

- 1.16 "Garbage Container" shall mean a container of metal, plastic, fiberglass or other material approved by the City and the Contractor, having suitable bails or handles, tight-fitting covers, being watertight, insect and rodent proof, with a capacity of not less than five (5) gallons nor more than thirty-two (32) gallons and not weighing in excess of seventy-five (75) pounds when filled.
- 1.17 "Hazardous Waste" shall have the meaning ascribed to it in Nevada Revised Statutes (NRS) 459.430, and as that statute may be amended during the term of this Agreement.
- 1.18 "Household Hazardous Waste" shall mean those hazardous wastes normally associated with household use such as antifreeze liquids, batteries, white goods (appliances and scrap metal), appliances containing freon, solvents, paints, pesticides, pool acids, household cleaners and fertilizers, as defined in NRS 459.432 and as that statute may be amended during the terms of this Agreement.
- 1.19 "Implementation Plan" means the Contractor's plan which includes major tasks and key dates to ensure an efficient and successful transition and implementation of service provisions as outlined in the Agreement.
- 1.20 "Landfill" shall mean the Boulder City Class 1 Municipal Landfill approved by the SNHD, located at 2500 Utah Street, Boulder Nevada, City, consisting of that area of land or excavation within the City that receives and disposes of Solid Waste without creating Nuisances or hazards to public health or safety by utilizing sound engineering principles to confine the Solid Waste to the smallest practical area, to reduce it to the smallest practical volume, and to cover it with a layer of soil or other material approved by the SNHD.
- 1.21 "Lateral Expansion" shall mean the horizontal expansion of the waste boundaries of the Landfill.
- 1.22 "Liquid Waste" shall mean any waste material which is determined to contain free liquids as a result of a paint filter liquids test.
- 1.23 "Medical Waste" shall have the meaning ascribed to it in 49 Code of Federal Regulations, Part 173, Appendix G.
- 1.24 "Mixed Paper" shall mean magazines, junk mail, phone books, bond or ledger grade paper, cardboard, paperboard packaging and other fiber-based materials meeting industry standards. Mixed Paper shall not include the following items: tissue paper, paper towels, food contaminated paper or cardboard, and paper packaging combined with plastic, wax or foil.

- 1.25 "Multifamily Complex" shall mean a multiple-unit residence with attached or unattached units billed collectively. Unattached or attached multiple-unit residences billed individually are not considered a Multifamily Complex for the purpose of this Agreement.
 - 1.26 "NAC" shall mean the Nevada Administrative Code.
 - 1.27 "NRS" shall mean the Nevada Revised Statutes.
- 1.28 "Nuisance" shall mean anything which is injurious to health, offensive to the senses, or an obstruction to the free use of property, or that interferes with the comfortable enjoyment of life or property, impairs the environment, surface or underground water.
- 1.29 "Operations Plan" shall mean the plan approved by SNHD which includes detailed activities and procedures related to the effective implementation and operation of the Agreement throughout the Agreement term. Operations Plan dated June 17, 2017, is included by reference and may be updated throughout the term of this Agreement.
- 1.30 "Pathological Waste" shall mean animal remains, consisting of carcasses, organs and solid organic waste from veterinarians, laboratories, abattoirs, animal pounds and similar sources.
- 1.31 "Permit" shall mean the authorization granted or issued by the SNHD to operate, modify or expand a Recycling Center and Landfill.
- 1.32 "Person" shall mean any natural person residing within the City Service Area, any form of business or social organization, and any other non-governmental legal entity located within the City Service Area, including, but not limited to, a corporation, a partnership, an association, a trust or an unincorporated organization, but does not include a government, a governmental agency or a political subdivision of a government.
- 1.33 "Plastic Bags" shall mean plastic or paper bags used in lieu of a Garbage Container of sufficient strength to prevent bursting or separating, whether in place or being handled by workmen, which are tied or closed when ready for collection.
- 1.34 "Post-Closure" shall mean the period immediately following the closure of a Disposal Site or Landfill, the duration of which is determined in accordance with the provisions of NAC 444.894.
- 1.35 "Premises" shall mean any dwelling house, dwelling unit, apartment house or multiple dwelling building, trailer or mobile home park, store, restaurant, rooming house, hotel, motel, office building, school, public building, manufacturing, processing or assembling shop or

plant, warehouse, and any other place where any Person resides, or any business is carried on or conducted, within the City.

- 1.36 "Private Road" shall mean a privately owned and maintained way that allows for access by a service truck and that serves multiple Premises.
- 1.37 "Public Street" shall mean a public right-of-way used for public travel, including public alleys.
- 1.38 "Putrescible" shall mean Solid Waste capable of being decomposed by microorganisms with sufficient rapidity as to cause a Nuisance from odors or gases.
- 1.39 "Recyclables" shall mean reusable products that Customers have source-separated for delivery or transporting to the Recycling Center, including, but not limited to, glass, newspapers, telephone books and other mixed paper products, cardboard, plastic containers, cans, used motor oil, copper, insulated metal wire, brass, radiators, lead, batteries, stainless steel, aluminum, and iron and steel products, excepting shopping carts or wire rope not cut into five (5) foot lengths or less.
- 1.40 "Recycling Container" shall mean a Contractor provided recycling cart or Detachable Container suitable for on-site collection, storage and placement of Recyclables at residences, Multifamily Complexes and commercial locations.
- 1.41 "Recycling Center" shall mean a facility or operation established by Contractor at the Landfill for the purchase and processing of Recyclables. As used in this Agreement, the term "Landfill" often includes the Recycling Center.
- 1.42 "Residential Customer" shall mean a single-family residence and all individually billed mobile home parks, recreational vehicle parks and multi-family residential properties within the City Service Area that receive Solid Waste Services at the Curb.
- 1.43 "Residential Drop Box Area" shall mean an intermediate collecting point for Solid Waste transferred from a vehicle by the Contractor or other users of the Landfill to a storage bin or other container for temporary storage pending transfer to the Landfill.
- 1.44 "Solid Waste" shall mean Putrescible and non-Putrescible refuse in solid or semisolid form, including, but not limited to, Garbage, rubbish, junk vehicles, ashes or incinerator waste, solid or semisolid commercial and industrial waste, generated within the City Service Area, excluding Hazardous Waste.
 - 1.45 "Solid Waste Services" shall mean the collection and disposal of all Solid Waste.

- 1.46 "Special Waste" shall mean polychlorinated biphenyl (PCB) wastes, industrial process wastes, asbestos-containing materials, petroleum contaminated soils, treated/decharacterized wastes, medical wastes, or other wastes that require special handling in accordance with applicable federal, state, county or local laws or regulations.
 - 1.47 "SNHD" shall mean the Southern Nevada Health District of Clark County, Nevada.
- 1.48 "White Goods" shall mean all major appliances, such as washers, dryers, refrigerators, freezers, stoves, dishwashers and trash compactors, and shall also include any other items as mutually agreed to by the City and the Contractor.

SECTION TWO

EXCLUSIVE RIGHTS OF CONTRACTOR

2.1 Contractor is granted the exclusive right and franchise to collect Solid Waste within the City Service Area, operate the Landfill, deposit, accept and dispose of Solid Waste, Household Hazardous Waste, and collect, purchase and process Recyclables generated within the City Service Area. However, depositing Hazardous Waste, Medical Waste and Pathological Waste in the Landfill is prohibited, except as elsewhere provided herein. Household Hazardous Waste may be deposited in the Landfill, but only after being processed so that such waste is no longer in liquid form.

SECTION THREE

EXCEPTION TO CONTRACTOR'S EXCLUSIVE RIGHTS

- 3.1 Notwithstanding the exclusive rights of Contractor granted pursuant to this Agreement, the Contractor's exclusive franchise will not extend to Medical Waste or commercial oil/grease, food waste or materials used for composting by a business licensed by the City to conduct such composting, or any other Recyclables that are not part of Contractor's recycling program.
- 3.2 Additionally, Residential and Commercial Customers may deposit Solid Waste that is generated within the City Service Area at the Landfill only under the following terms and conditions:
 - 3.2.1 Residential Customers may transport and deposit their Solid Waste in the Residential Drop Box Area at the Landfill. If Residential Customers transport and deposit

their Solid Waste in the Residential Drop Box Area by utilizing their own vehicles, the Residential Customers will not be charged any fee for the deposit. Notwithstanding the foregoing, if Residential Customers transport and deposit their Solid Waste in the Residential Drop Box Area by utilizing a third-party individual or business, the third-party individual or business will be charged a fee for the deposit at the rate established in Attachment E.

- 3.2.2 Commercial Customers, licensed by the City, may deposit their Solid Waste at designated deposit areas at the Landfill at the rate established in Attachment E.
- 3.3. The City may wish to test and/or implement one or more new developments in waste stream segregation, materials processing, and materials recovery or collection technology at some point during the Agreement term. The City shall notify the Contractor, in writing, at least ninety (90) days in advance of its intention to implement a pilot program on a portion of the waste stream or on a City-wide basis.
- 3.4. The Contractor shall cooperate to implement fully City-approved pilot programs, provided that they impose no additional costs or economic consequence on Contractor. This includes, but is not limited to, the Contractor collecting and delivering Solid Waste to alternate permitted locations within the City at no additional cost to Contractor.
- 3.5 All Commercial and Residential Customers have the right to take their Recyclables to permitted facilities outside of the City, provided that they transport these materials themselves. Alternatively, for those Customers requesting transportation, the Contractor will provide Dropbox Container service for Recyclables, at the rates provided in the Agreement, to a licensed recycling center of the Customer's choice in the Las Vegas Valley, with the net proceeds from the sale of said Recyclables, being returned to the Customer.

SECTION FOUR

TERM

4.1 The term of this Agreement shall be until October 12, 2031, whereupon this Agreement shall terminate, unless otherwise amended or extended. Upon termination of the Agreement, the Contractor shall have thirty (30) days to remove its structures, equipment, and other items belonging to Contractor at its sole cost, unless otherwise specified herein.

SECTION FIVE

BUSINESS OPERATION HOURS

- 5.1 Contractor's office hours, disposal hours and Recycling Center hours shall be as follows, except for authorized holidays: (1) Office hours shall be from 7 a.m. to 3 p.m., Mondays through Saturdays; (2) Commercial Disposal hours shall be from 7 a.m. to 3 p.m., Mondays through Saturdays; (3) Residential Drop Box Area hours shall be from 7 a.m. to 5 p.m., 7 days per week, except for during daylight savings time where the hours shall be extended on Thursdays through Sundays from 7 a.m. to 8 p.m.; and (4) Recycling Center hours shall be from 7 a.m. to 3 p.m., Mondays through Saturdays.
- Thanksgiving Day, 4th of July and Christmas Day. When the day of regular collection is a holiday, the Contractor will conduct pick up on the next regularly scheduled collection day. Contractor will not schedule an additional pickup day to offset the lack of collection on the holidays listed above. In the instance of Christmas Day and New Year's Day where the observance of the holidays will result in two consecutive missed recycling collections, the Contractor shall provide an extra recycling collection route on the day immediately following New Year's Day to provide recycling service to the prior day's missed area.

SECTION SIX

APPLICABLE LAWS AND OPERATIONS

- 6.1 The Contractor shall collect and dispose of Solid Waste and Recyclables according to the terms and conditions of this Agreement, including the Operations Plan; and also in accordance with all provisions of the City Code as now enacted or subsequently amended, and the Contractor shall not knowingly or as a result of gross negligence, collect or dispose of Hazardous Waste or Special Waste other than Household Hazardous Waste. To the extent identifiable, Customers shall remain liable and responsible for their Hazardous Waste and Special Waste that is provided and inadvertently collected by Contractor. The Contractor shall only be liable for willful and any gross negligent collection and disposal of Hazardous Waste.
- 6.2 The Contractor undertakes and shall be responsible for the operation of the Landfill in accordance with the Solid Waste Disposal Regulations issued by SNHD, the City Code, NRS, Chapter 444 of NAC, the Federal Environmental Protection Agencies, and as those ordinances,

statutes or regulations may be amended, and the terms and conditions of this Agreement. If the terms and conditions of this Agreement should provide a higher standard than those of the cited ordinances, statutes or regulations, the terms and conditions of this Agreement shall prevail.

- 6.3 Contractor, third-party contractors, and landscapers shall only be permitted to deposit Solid Waste on the working face of the Landfill. Residential Customers shall not deposit Solid Waste at the working face of the Landfill.
- 6.4 Solid Waste is legally owned and belongs to the City upon its placement at the Curbside by Persons for collection by Contractor.

SECTION SEVEN

CONTRACTOR OWNED CARTS/CONTAINERS, COLLECTION AND TRANSPORTATION

- 7.1 Residential and Commercial Customers shall use Contractor-owned Recycling Containers for their Recyclables. Plastic bags or Customer-owned cans may be used for Solid Waste; however, the Contractor shall make available for rental to Residential Customers 96-gallon wheeled carts for Solid Waste collection at the rates stated in Attachment E.
- 7.2 Recycling Containers for new Customers or replacement Recycling Containers shall be provided to requesting Customers within seven (7) days of the Customer's initial request at no charge. All Recycling Containers must have materials preparation instructions and Contractor telephone and website contact information printed on a hot stamp on the lid. All Contractor-owned wheeled carts shall: be maintained by the Contractor in good condition for Solid Waste storage and handling; contain no jagged edges or holes; contain wheels or rollers for movement; and be equipped with an anti-skid device or sufficient surface area on the bottom of the container to prevent unwanted movement.
- 7.3 Collection crews shall note damaged hinges, holes, poorly functioning wheels, and other similar repair needs on Contractor-owned carts and forward repair notices to the Contractor's service personnel. Customers may also provide Contractor with notice of cart damage. Cart repairs shall be made at the Contractor's expense within seven (7) business days from the date of damage notice from either the Customer or the collection crew. Any wheeled cart that is damaged or missing on account of accident, act of nature or the elements, fire, or theft or vandalism by other members of the public shall be replaced no later than seven (7) business days after notice from the

Customer or City. Replacement carts may be used and reconditioned, but shall be clean and appear presentable. Unusable carts shall be cleaned (if necessary) and recycled to the extent possible.

7.4 In the event that a Customer repeatedly damages a Contractor-owned cart by excessive wear and tear or requests more than one (1) replacement cart during a five (5) year period due to negligence or intentional misuse, the Contractor shall forward, in writing, the Customer's name and address to the City. The City shall then attempt to resolve the problem. In the event that the problem continues, the Contractor may charge the Customer for a replacement cart, but only with the City's prior written approval.

7.5 Detachable Containers

7.5.1 The Contractor shall furnish and install Detachable Containers to any Customer who requires their use for storage and collection of Solid Waste within three (3) days of the request. Detachable Containers shall be located on the requesting Customer's

Premises in a manner satisfactory to such Customer and for collection by the Contractor. All Detachable Containers shall be located on the Customer's private property unless the Contractor receives written permission from the City.

- 7.5.2 Detachable Containers shall be: watertight and equipped with tight-fitting metal or plastic covers; have four (4) wheels or skids for containers 6-cubic yards and under; be in good condition for Solid Waste storage and handling; and have no leaks, jagged edges, or holes. Detachable Containers shall be all metal, and, if requested by a Customer, equipped with a tight-fitting screened or solid cover operated by a winch in good repair. Each type of Detachable Container; i.e., Solid Waste & Recyclables, shall be painted a color consistent with the program it is used for, with color changes subject to the City's prior written approval.
- 7.5.3 Detachable Containers shall be cleaned, reconditioned, and repainted (if necessary) before being supplied to a Customer who had not used it earlier.
 - 7.5.3.1 Contractor shall be responsible for the repair, maintenance and upkeep of Detachable Containers rented or used by Commercial Customers, including painting such Detachable Containers as needed but at least every two (2) years or more often if reasonably determined by the City that such is required.
- 7.5.4 Contractor shall replace leaking Detachable Containers and clean the site within twenty-four (24) hours from receiving notice from the Customer.

- 7.5.5 The City shall not be liable and the Contractor shall defend, indemnify, and hold the City harmless from any damages of any type or nature arising from or connected with the delivery, placement, or removal of Detachable Containers on Customers' Premises, except for any and all damage resulting from the action, inaction or negligence of the City. The Contractor shall repair or replace within twenty-four (24) hours any Detachable Containers supplied by the Contractor and in use by either the Customer or the Contractor if the City or a health department inspector determines that the container fails to comply with reasonable cleanliness, health, or safety standards or constitutes a health or safety hazard.
- 7.5.6 Commercial Customers may elect to own or secure Detachable Containers for Solid Waste from other sources, and shall not be subject to discrimination by the Contractor in Solid Waste Services on the account. However, Detachable Containers owned or secured by those Commercial Customers must be capable of being serviced by Contractor's collection vehicles to be eligible for Solid Waste Services. The Contractor is not required to service Customers' Detachable Containers that are not compatible with the Contractor's equipment.
- 7.5.7 In the event that a Customer repeatedly damages a Detachable Containers due to negligence or intentional misuse, the Contractor shall forward, in writing, the Customer's name and address to the City. The City shall then attempt to resolve the problem. In the event that the problem continues, the Contractor may charge the Customer for the actual cost of the Detachable Containers.

7.6 Ownership

- 7.6.1 On the termination of this Agreement, the City may, at its option, take full title and ownership of all Contractor-supplied Recycling Containers purchased or obtained by the Contractor without further compensation to the Contractor. Any remaining Recycling Containers warranties shall also be transferred to the City.
- 7.6.2 On the termination of this Agreement, the City may, at its option, purchase or assign the right to purchase the Contractor's in-place inventory of Detachable Containers for use by the successive contractor. In the event that the City elects to purchase the Contractor's Detachable Containers, the sale price shall be equal to thirty percent (30%) of the average new price for each Detachable Containers, based on the average price from

three (3) manufacturers at the time of the termination. The Detachable Containers' warranties shall also be transferable to the City. For the purposes of this transaction, the average prices shall include transportation from the manufacturer to the Contractor's closest service yard but shall exclude sales or use taxes.

7.7 Container Colors and Labeling

7.7.1 Container colors of new and replacement Contractor-owned Solid Waste carts shall be blue, Recycling Containers shall be green, Detachable Containers for Solid Waste shall be gunmetal gray, Detachable Containers for Recyclables shall be white for cardboard recycling and green for single stream recycling. The City may direct changes to cart colors at any time prior to the Contractor ordering replacement carts provided the new direction from the City does not require replacement of existing inventories, and the cost per unit does not increase to the Contractor.

7.8 Container Weights

7.8.1 The Contractor shall not be required to collect carts that exceed sixty (60) pounds for the 32-gallon size, one hundred-twenty (120) pounds for the 64-gallon size, and one-hundred-eighty (180) pounds for the 96-gallon size. The Contractor shall not be required to collect cans, bundles, bags, or boxes used for extra Solid Waste & Recyclables that exceed thirty (30) pounds when full. Should the Contractor refuse to collect a cart or other container because it exceeds the weight limits stated in this Section, the Contractor shall place a red tag on the container that explains why the cart or container was not collected. No specific weight restrictions are provided for Detachable or Drop-box Containers; however, the Contractor shall not be required to lift a Detachable or Drop-box Container exceeding the safe working capacity of the collection vehicle. Drop-box weights must not cause the collection vehicle to exceed legal road weights.

SECTION EIGHT MANAGEMENT

8.1 Contractor's Responsibilities

8.1.1 Consistent with the responsibilities otherwise set forth in this Agreement, the Contractor shall be responsible for the following:

- Exercising a commercially reasonable effort to ensure that all Customers' addresses are identified.
- Collecting Solid Waste & Recyclables in the City Service Area and properly delivering the Solid Waste & Recyclables to the Landfill or other area as directed by the City.
- Providing containers as required herein, and the maintenance, labeling, relabeling, and delivery of such containers as listed or required in this Agreement.
- Providing 32 or 65-gallon wheeled Recyclables cart to all Residential customers
 and multifamily dwellings, apartment complexes or mobile home parks which
 are able to utilize wheeled Recyclables cart. These carts may vary slightly
 depending on sizes supplied by the Contractor's vendor. For those multifamily
 dwellings, apartment complexes or mobile home parks which are unable to
 utilize wheeled Recyclables cart, Detachable Containers should be delivered to
 those participating in the recycling service.
- Providing Detachable Containers or Recyclables carts to all Commercial Customers participating in the recycling service.
- Performing customer service, including promptly answering telephone calls and e-mails, providing information on Solid Waste Services, establishing Customers' accounts, and providing appropriate customer support.
- Billing Commercial and Landfill Customers, receiving and posting Customers'
 payments and deposits, and adding education information on Customers' bills if
 requested by the City. All Customers' Solid Waste Service costs shall be
 included in the Solid Waste Service rate and shall not be charged or itemized
 separately.
- Procuring all equipment and bearing all start-up, operating, and maintenance costs for Solid Waste Services, including proper safety equipment and insurance for vehicles and workers.
- Providing and supervising all labor to accomplish the scope of services required under this Agreement, including labor to collect materials, all equipment maintenance, and customer service functions.

- Operating a maintenance facility to house and service collection equipment and acquiring all necessary land use, building, operating, business and construction permits and licenses.
- Complying with all applicable laws and regulations.
- Meeting all applicable non-discrimination and OSHA (Federal Occupational Safety and Health Act of 1970) regulations and all applicable environmental standards and regulations.
- Providing a safe working environment and comprehensive liability insurance coverage, and providing proof of this insurance to the City annually in a form acceptable to the City.
- Providing route maps to the City indicating the route locations and day of the week for each Solid Waste Service.
- Submitting Solid Waste Service day changes to the City for review and approval
 prior to notice being provided to Customers and before the change taking place.
- Submitting prompt notices to the media and the City regarding modifications to the Solid Waste Service schedule due to inclement weather.
- Maintaining Detachable Containers, vehicles, and facilities in a clean, properly labeled, and sanitary condition.
- Meeting all of the City's reporting, inspection, and review requirements.
- Providing outreach materials and programs to Customers, and assistance with distribution and outreach as required by this Agreement.
- Providing operation and safety training for all of the Contractor's personnel, including spill response training for all drivers.
- Notifying the City of intended changes in the Contractor's management not less than sixty (60) days prior to the date of the change. The Contractor's new management shall also attend an introductory meeting scheduled by the City during the sixty (60) day notification period. If changes in the Contractor' management result from termination for cause or voluntary termination, the Contractor shall only be required to notify the City as soon as reasonably possible.

- Allowing the City's staff and agents working for the City to access the Landfill
 and ancillary structures for the purpose of inspecting the Contractor's operations
 and ensuring compliance with this Agreement and the Operations Plan.
- 8.1.2 The Contractor shall maintain a complete list of Commercial Customers within the City Service Area, and the status of each Commercial Customer's participation in Solid Waste Service. The Contractor shall annually contact, by telephone or site visit, the manager or owner of each Commercial Customer to encourage recycling participation and to inform the manager or owner of all available services and ways to decrease Garbage generation and increase recycling. A Commercial Customer who chooses to participate in the recycling service cannot change its Solid Waste Service level/rate in order to get a free container. The Contractor shall include with its annual report the list of Commercial Customers, recycling status, container sizes and types, contact date, outcome, and suggestions for increasing participation or other program improvements.
- 8.1.3 The Contractor shall develop, print, annually update, and maintain sufficient quantities of new Customer information materials, the format, and content of which shall be subject to prior review and written approval to by the City, prior to distribution. Upon approval, materials will be provided to the City at no additional cost and posted on Contractor's website.

8.2 <u>City's Responsibilities</u>

- 8.2.1 Consistent with the responsibilities otherwise set forth in this Agreement, the City shall be responsible for the following:
 - Reviewing and approving Contractor's compensation adjustments due to changes contemplated herein, for CPI increases.
 - Reviewing and approving public education and outreach proposed by the Contractor.
 - Monitoring and evaluating Solid Waste Service operations based on reports from the Contractor and independent assessment.
 - Reviewing and approving Solid Waste Service days and rate changes.
 - Reviewing and approving all informational materials for Customers used by the Contractor.

- Conducting performance review of the Contractor with the Contractor's cooperation and assistance.
- Holding periodic operation meetings with the Contractor, as necessary.
- Establishing fee schedules for various classes of Solid Waste Services provided by Contractor.
- Billing and collection of fees for Solid Waste Services for Residential Customers.
- Paying to Contractor the Solid Waste Service fees collected by the City on or before the fifteenth (15th) calendar day following the month in which said Solid Waste Services were made.
- Maintaining records, available for inspection by Contractor, showing the Premises from which Solid Waste has been or is being collected by Contractor.
- Maintaining records, available for inspection by Contractor, showing Landfill Permits or billings issued by the City.
- To promote and support the recycling activities and operations of Contractor as provided in this Agreement.
- To provide inspections of the equipment, operations, and activities of Contractor to ensure safe and clean operations that do not constitute a Nuisance.
- To issue rules and regulations for the collection and processing of Recyclables, subject to modification or change as required to maintain public health, general welfare, and safety.
- 8.2.2 The City's employees, agents, consultants, contractors and other agency environmental regulators shall at all times have the right to enter upon and inspect the Landfill and to order correction of conditions in violation of the provisions of this Agreement at Contractor's reasonable expense, or for any other reasonable purpose or objective.

8.3 <u>Scale and Landfill Operations</u>

8.3.1 The Contractor shall provide all of the services needed to operate the Landfill consistent with the Operations Plan and Permit issued by SNHD, including the following services: depositing the Solid Waste on the Landfill's face and covering said waste; operating and maintaining the scales owned

by the Contractor; load-checking; providing litter, dust and rodent control; insuring that no contaminated Recyclables are deposited in the Landfill and transporting said Recyclables; engage the services of a professional engineer on an annual basis to insure that the Landfill is constructed and operated consistent with the Permit and Operations Plan as approved by SNHD; operating the Residential Drop Box Area; and providing security personnel during certain hours when the Landfill is closed to the public. The Contractor shall respond to all SNHD inspection reports over the term of this Agreement.

- 8.3.1.1 The Contractor shall ensure that the landfill is constructed and operated in accordance with the current operating permits issued by the Southern Nevada Health District and the Clark County Department of Air Quality and Environmental Management, and any additional phasing or operating plan approved by both the City and the Contractor.
- 8.3.2 The Contractor shall engage the services of a professional engineer to ensure that the Landfill is being constructed and operated consistent with the Permit and Operations Plan as approved by the Southern Nevada Health District (SNHD) and responding to SNHD inspection reports over the term of this Agreement.
- 8.3.3 The Contractor shall engage the service of a professional land surveyor to stake the cells at the landfill per the approved design plans. At a minimum of twice a year, the surveyor shall survey completed work and with the assistance of the professional engineer, compare actual work to the design plans. This effort shall also include a clear calculation of air space usage. Documentation of this effort shall be submitted to the City. The required annual/semiannual survey/airspace reports must be wet stamped by a Nevada licensed surveyor.
- 8.3.4 The Contractor shall be responsible for the construction of all terrace roads as depicted on the approved design plans, within the working limits of fill during this contract. The Contractor, utilizing the services of the professional land surveyor and engineer, shall be responsible for providing the City with a 90 180-day advance notice when construction of drainage facilities (e.g. culverts, rip rap, etc.) and other improvements (e.g. fencing) requiring off-site materials are ready

for construction. The Contractor may be required to halt work in a specific area while the City secures the services of a separate contractor to build the required facilities. The Contractor shall work cooperatively with the City to complete this effort.

- 8.3.5 The Contractor shall collect from Landfill and Commercial Customers the expansion, closure and post-closure maintenance fee or other similar fee as established by the City Council and remit the collected fee to the City each month.
- 8.3.6 The Contractor shall be responsible for tracking the daily usage of all cover material used at the Landfill. A separate log shall be created for each source of cover material, including but not limited to Alternate Daily Cover (ADC).
- 8.3.7 The City shall be responsible for construction of all drainage culverts, riprap, fencing and other physical improvements requiring off-site materials for the Landfill. The Contractor, utilizing the services of a professional engineer, shall be responsible for providing the City with 180 day advance notice when construction of drainage culverts, riprap, fencing and other physical improvements are ready for construction. The Contractor may be required to halt work in a specific area while the City secures the services of a separate contractor to build the required facilities. The Contractor shall work cooperatively with the City to complete this effort.
- 8.3.8 The City shall be responsible for creating Alternate Daily Cover for the Landfill in accordance with the Operations Plan, including all environmental work and laboratory testing.
- 8.3.9 All Solid Waste & Recyclables collected under this Contract, as well as residue from processing Solid Waste & Recyclables, shall be delivered to the Landfill, unless otherwise directed or permitted in writing by the City. All Recyclables must be hauled by the Contractor to the Recycling Center and the Contractor shall pay all of the cost associated with the transport, disposal and processing of said Recyclables. Construction and demolition Solid Waste collected by the Contractor and deposited in the Landfill must be in accordance with the City's Operation Plan. In the event that the Contractor elects to haul mixed

construction and demolition Solid Waste to a private processing facility, the Contractor shall charge the Customer no more than the equivalent disposal fee at the Landfill.

- 8.3.10 Contractor shall control litter, such as scattered paper or lightweight debris, at the Landfill, the area immediately surrounding the Landfill, and the roadways leading to the entrance to the Landfill. Contractor shall provide for, and issue, adequate procedures for the control of fires at the Landfill, including but not limited to, the following measures:
- 8.3.10.1 Placing or locating permanent or portable fences of at least eight (8) feet in height to contain litter directly downwind from and angled toward a Disposal Site of Landfill.
- 8.3.10.2 Litter that is collected within the fenced areas around the Landfill, along the road leading to the Landfill, and in the area immediately surrounding the Landfill shall be promptly picked up and deposited in the Landfill at least twice per week.
- 8.3.10.3 Contractor's employees shall also routinely patrol Utah Street between Adams Boulevard and the Landfill, and pick up litter and debris that is located up to six (6) feet on either side of the road.
- 8.3.10.4 Erosion and dust at the Landfill shall be controlled, including, if necessary the planting of suitable grasses, shrubs or other landscaping to prevent erosion, deterioration and fugitive dust.
- 8.3.10.5 Contractor shall, at its expense, provide adequate water for dust control, compaction of cover material and control of fires.
- 8.3.10.6 Contractor shall provide and issue procedures for the control and extinguishment of fires at the Landfill, including, but not limited to, training to its employees to implement such procedures.
- 8.3.10.7 Contractor shall be responsible for minor upkeep and repairs to the Landfill's perimeter fencing, buildings and facilities, which shall mean repairs that can be completed without having to remove or install new fencing.

- 8.3.11 Except as otherwise provided in this Agreement, no Person may enter or come upon the Landfill without the permission or authorization of Contractor.
- 8.3.12 Contractor may suspend Landfill operations during an emergency or force majeure event. Contractor shall immediately notify the City of such emergency or force majeure event with as much advance warning as is reasonably possible. However, in the event that Landfill operations are delayed or prolonged for a period of seven (7) consecutive days after such emergency or force majeure event, it shall be considered a default of this Agreement, threatening the public health, general welfare, and safety of the City. The City shall have the right, but not the obligation, as a remedy, in addition to other remedies, to immediately assume the required Landfill operation performed by the Contractor and to take temporary possession of the Contractor's equipment to perform those operations. In this event, the City shall be reimbursed by Contractor for the reasonable costs incurred by the City for said operations as provided herein. Should the Contractor fail or neglect to perform the Landfill operations as required under this Agreement, the City, after giving a twenty-four (24) hour notice to Contractor, may perform such operations and assess Contractor with the reasonable cost thereof.

8.4 Load Checking Program at Landfill

- 8.4.1 Contractor will provide and implement an aggressive load checking and inspection program and procedures at the Landfill and use its Best Efforts to prevent and preclude the disposal in the Landfill or other Disposal Site of Hazardous Waste, Household Hazardous Waste, Pathological Waste, except as otherwise permitted herein, Medical Waste and Solid Waste generated outside of the City's corporate limits, as follows:
 - 8.4.1.1 For each load of Solid Waste sought to be deposited in the Landfill; Contractor shall determine the weight, type of material, generator's name and address, and source of origin of the material, and prepare a ticket or other document containing such information for each such load.
 - 8.4.1.2 The ticket or document prepared for each load shall be maintained by Contractor for a minimum period of three (3) years from the date the ticket or document is prepared.

- 8.4.1.3 If the Solid Waste sought to be deposited in the Landfill contains auto shredder waste, Hazardous Waste, Pathological Waste, Medical Waste or an appliance which has not been certified as having the freon removed, Contractor shall refuse to deposit such Solid Waste, regardless of the origin of the Solid Waste involved.
- 8.4.1.4 In addition to visual inspections by Contractor's employees, the Solid Waste in every load will be checked and inspected again by the spotter or other employees at the working face of the Landfill for the presence of Solid Waste that is not permitted in the Landfill as prohibited hereunder.
- 8.4.1.5 Contractor shall also perform random physical inspections of incoming Solid Waste or Recyclables at a frequency of at least one (1) load check for every twenty (20) incoming loads from Commercial Customers with a series of random numbers, which shall be generated and utilized for the selection of loads for inspection, or in the alternative, one percent (1%) of all vehicles of Commercial Customers as recommended by the Solid Waste Association of North America.
- 8.4.1.6 Contractor shall check the identification and/or licensure of all Customers crossing the scales or utilizing the Residential Drop Box Area.
- 8.4.1.7 Contractor shall implement a weight-based (per ton) system for all Solid Waste and Recyclables received at the Landfill, and all Solid Waste and Recyclables shall be weighed and recorded by an attendant at the Landfill entrance gate.

8.5 Recycling Operations

- 8.5.1 Contractor shall furnish personnel, labor and equipment to perform the following recycling services:
 - 8.5.1.1 To maintain the following equipment owned by the City and made available for use by Contractor: metal building 80' x 80' (irregular shape); and recycling kiosk as listed in Attachment B.
 - 8.5.1.2 To purchase Recyclables from Residential Customers at the Landfill at prices that are comparable or similar to those existing in the Las Vegas metropolitan area, to process Recyclables for transport, and to provide or arrange for the transportation of Recyclables to other markets for resale.

- 8.5.1.3 To provide qualified personnel sufficient to maintain, operate and supervise the Recycling Center's operational hours, excepting exempt holidays.
- 8.5.1.4 To provide and maintain MSW scales appropriate for weighing Recyclables with the capacity of weighing Recyclables of up to 500 pounds.
- 8.5.1.5 To maintain records, available for inspection by the City, showing the number, amount and type of single stream Recyclables and steel Recyclables.
- 8.5.1.6 To submit a quarterly report to the City prepared from the aforesaid records, as determined by the City.
- 8.5.1.7 To comply with applicable rules and regulations related to recycling as issued and promulgated by the City for the protection, furtherance and maintenance of the public health, general welfare and safety.
- 8.5.1.8 To separately account for Contractor's recycling operations and Landfill operations.
- 8.5.1.9 To provide an appropriate recycling trailer or vehicle to transport Recyclables to a processing facility.
- 8.5.1.10 To collect used motor oil that is placed at street Curbside locations that are established by Contractor during its regular Solid Waste Service. Customers shall be required to place used motor oil in leak-proof plastic containers. Contractor may refuse to collect motor oil from any Customer if such motor oil is not properly packaged by the Customer. In the event that Contractor refuses to collect used motor oil due to improper packaging, Contractor shall leave a tag with the Customer outlining the reasons for such refusal.
- 8.5.1.11 To pay all of the costs associated with the processing and delivery of used compact fluorescent lamps to an authorized disposal facility. Contractor may establish a charge, not to exceed one dollar (\$1.00) per bulb, to Commercial Customers who wish to dispose of used compact fluorescent lamps.
- 8.5.1.12 To collect, provide safe storage for, and disposition of Household Hazardous Waste brought to the Recycling Center.
- 8.5.2 Per NRS 444.509 and 444.583, it is unlawful to dispose of waste tires in a Solid Waste Landfill. Contractor will accept up to four (4) tires per year, free of charge,

from each Residential Customer at its Landfill and/or Recycling Center to be stored and transported to a permitted recycling facility.

8.5.3 Contractor shall bear all costs associated with the recycling program and receive all proceeds for its sale of Recyclables.

SECTION NINE CUSTOMER SERVICE

9.1 Office Location

9.1.1 The Contractor shall maintain a principal office at the Landfill or at another location within the City which will be staffed by a person during office hours. The Contractor's office and customer service assistance shall be accessible by a local area code phone number. The Contractor's office hours shall be operational as designated in SECTION FIVE and closed on designated holidays.

9.2 <u>Customer Service Requirements</u>

9.2.1 During office hours, the Contractor shall maintain sufficient staff to answer and handle complaints and service requests. If incoming telephone calls necessitate, the Contractor shall increase staffing levels as necessary to customer service demands. The Contractor shall also maintain sufficient staff to answer and handle complaints and service requests made by letter or e-mail. If staffing is deemed to be insufficient by the City to handle customer complaints and service requests, the Contractor shall increase staffing levels to meet performance criteria.

9.3 Service Recipient Complaints and Requests

9.3.1 The Contractor shall record all complaints and service requests, regardless of how received. Any telephone calls received via the Contractor's non-office hours' voicemail, or answering service shall be recorded the following business day. The Contractor shall make a conscientious effort to resolve all complaints within one (1) business day of the original call, e-mail, letter, or other correspondence, and Solid Waste Service requests within the times established throughout this Agreement for various requests. If a longer response time is necessary for complaints or requests, the reason for the delay shall be noted, along with a description of the Contractor's efforts to resolve the

complaint or request. The Contractor shall provide a copy of these records to the City with the monthly report.

9.4 Handling of Customer Calls

9.4.1 A Customer shall be able to talk directly with a customer service representative when calling the Contractor's customer service telephone number during office hours.

9.5 Internet Website

- 9.5.1 The Contractor shall provide a customer-friendly Internet website accessible twenty-four (24) hours a day, seven (7) days a week, containing information specific to the Contractor's Solid Waste Service programs, including at a minimum, contact information, Solid Waste preparation requirements, available services, accepted single stream recycling items, Christmas tree recycling options and other relevant service information for Customers. The website shall include an e-mail function for Customer communication with the Contractor, and the ability for Customers to submit Solid Waste Service requests on-line. E-mailed customer Solid Waste Service requests shall be answered within twenty-four (24) hours of receipt.
- 9.5.2 The Contractor shall update the website as needed and provide links to the City's website. The Contractor's website shall not include "pop-up" windows, "cookies," adware, spyware, or advertisement for products or services not directly related to this Contract.

9.6 Employee Conduct

9.6.1 The Contractor's employees shall at all times be courteous; refrain from loud, inappropriate or obscene language; exercise due care; perform their work without delay; minimize noise, and avoid damage to public or private property. If on private property, employees shall follow the regular pedestrian walkways and paths, returning to the street after replacing empty containers. Employees shall not trespass or loiter, cross flower beds, hedges, or property of adjoining Premises, or meddle with property that does not concern them or their task at hand. While performing work under the Contract, employees shall wear clean, professional, and presentable uniforms with a company emblem visible to the average observer.

- 9.6.2 The Contractor's employees shall not litter at any Premises when making collections and shall not permit Solid Waste & Recyclables to leak, blow or fall from collection vehicles or containers. Any Solid Waste & Recyclables which fall on the ground at the time of collection must be removed at the same time by the Contractor. Contractor shall exercise reasonable care with the collection containers, and shall not throw or otherwise damage the collection containers.
- 9.6.3 After removing Solid Waste & Recyclables from any container, Contractor shall use commercially reasonable efforts to replace the container in its original or designated position with its cover replaced.
- 9.6.4 If the City observes or is informed that any person employed by the Contractor has acted, in the opinion of the City, in an incompetent, disorderly, or otherwise unsatisfactory manner, the City will document the incompetent, disorderly, or unsatisfactory conduct in writing and transmit the documentation to the Contractor with a demand that such conduct be corrected. The Contractor shall investigate any written complaint from the City or a Customer regarding any unsatisfactory performance by any of its workers. The Contractor shall provide the City with a written response documenting the results of the investigation and any disciplinary actions taken regarding the employee's reported unsatisfactory conduct.
- 9.6.5 Contractor shall provide the City, upon written request, with updated lists of all employees and agrees that all employees are subject to a criminal and background history investigation by the Boulder City Police Department.

9.7 <u>Safeguarding Public and Private Facilities</u>

9.7.1 The Contractor shall use commercially reasonable efforts not to damage any public and private improvements, facilities, and utilities whether located on public or private property, including street curbs. If such improvements, facilities, or utilities are damaged as a direct result of the Contractor's operations, the Contractor shall notify the City immediately in writing of all damage, and the Contractor shall repair or replace the same within ten (10) business days. If the Contractor fails to do so promptly, as determined by the City, the City shall cause repairs or replacement to be made, and the reasonable cost of doing so shall be billed to the Contractor.

9.8 Annual Report to the City Council. Upon request of the City Council of Boulder City, the Contractor shall present a report of the prior year's activities under this contract, including but not limited to: current status of the disposal cel, estimated number of years remaining in current cel, number of customer complaints and how they were resolved, recycling efforts including participation level, and other noteworthy activities from the prior year.

SECTION TEN CUSTOMER BILLING AND EDUCATION

- 10.1 The Contractor shall be responsible for all Commercial and Landfill billing functions related to the collection services provided under this Contract. Billing and accounting costs associated with Drop-box, Commercial and Landfill billing shall be borne by the Contractor, and are included in the schedule of rates as set forth in Attachment E.
- 10.2 The Contractor shall provide and maintain a customer service software system to monitor customer subscription levels, detail any charges for additional services requested and delivered such as excess collection fees, process and post payments, implement rate changes as authorized by the City Council and include lines for customer service messages. The customer service system shall maintain a Customer's historical data for a period of at least to (2) years.
- 10.3 The Contractor shall have procedures in place for daily electronic off-site back-ups and minimize the potential for the loss or damage of the account servicing database.
- 10.4 The Contractor shall educate Customers about Solid Waste Service and Recycling guidelines and demonstrate the collection process by providing at least one paid employee or volunteer during City sponsored events. The Contractor shall utilize collection vehicles for the demonstrations, which will highlight proper set out procedures, including cart placement. Other program information such as increased recycling opportunities will be distributed to promote all program features.
- 10.5 The Contractor shall implement an outreach/education program that will be presented each year in each City school. Grade-specific persuasive and inspirational messages about the convenience and effectiveness of the recycling program, combined with the identification of the benefits of increased recycling shall be the focus of such outreach. All school outreach will revolve around the framework of aiming for zero-waste.

10.6 The Contractor shall, upon request and without additional cost, make available site planning assistance to either the City and/or owners of Premises. The site planning assistance shall be available for all new construction or remodeling of buildings and structures within the City service area and shall address the design and planning of Solid Waste & Recyclables removal areas and their location upon the site of the proposed construction or remodeling project. Contractor planning assistance for optimizing loading docks and other areas shall also be available for existing owners of Premises.

SECTION ELEVEN COLLECTION AND TRANSPORTATION

- 11.1 The City may periodically monitor Solid Waste Service parameters, such as participation, container condition, container weights, waste composition, Customer satisfaction and Landfill construction. The Contractor shall assist the City by coordinating the Contractor's operations with the City's field monitoring to minimize inconvenience to Customers, the City, and the Contractor.
- 11.2 Contractor shall indicate, on a map acceptable to the City, the Solid Waste Service schedule for each Premises. Contractor may change the day of Solid Waste Services by giving notice at least thirty (30) days prior to the effective date of the proposed change and obtaining prior written approval from the City, which shall not be unreasonably withheld. On the City's approval, the Contractor shall provide affected Customers with at least fourteen (14) days prior written notice of the pending changes, except in the case of emergencies or other force majeure events.
- 11.3 Contractor, with the prior written approval of the City, may initiate its own Solid Waste Service pilot programs. The pilot programs initiated by the Contractor shall be at no additional cost to the City or the Customers. However, the Contractor shall identify any accrued savings and share such savings equally with the City prior to the Contractor's implementation of such pilot program.
- 11.4 Contractor shall collect Solid Waste and Recyclables according to the following schedule:
 - A. Commercial Customers and public buildings shall be serviced daily, Monday through Saturday, between the hours of 5 a.m. and 5 p.m. Any Commercial

- Customers located within 300 yards of a Premises zoned residential will not be serviced before 7:00 a.m.
- B. Residential Customers shall be serviced twice weekly, Monday through Friday, between the hours of 7 a. m. and 5 p.m.
- C. Collection of Solid Waste and Recyclables shall not be performed on all holidays.
- 11.5 Contractor shall collect all Solid Waste & Recyclables placed Curbside for disposal by Residential Customers. Contractor shall offer carry-out service for Solid Waste & Recyclables to senior citizens, handicapped and disabled customers at no charge.
- 11.6 Contractor shall not be required to collect Hazardous Waste or Solid Waste that would pose a danger to collection crews. If Solid Waste is rejected for this reason, the Contractor shall leave a written notice with the rejected Hazardous Waste, listing why such waste was not collected and providing the customer with a contact number for further information about the proper disposal.
- 11.7 Contractor shall provide regular bi-weekly collection of Solid Waste and at least weekly collection of Recyclables. For purpose of clarity, Contractor must provide Solid Waste Services at least three (3) days per week, two (2) days for Solid Waste collection and one (1) day for the collection of Recyclables. In the event an additional collection of Recyclables is needed, the City may request, and the Contractor shall provide, one (1) additional weekly collection for Recyclables in lieu of one (1) of the two (2) weekly collection days for Solid Waste.
- 11.8 All collections of Solid Waste and Recyclables from Premises shall be made on Public streets and Private roads on a regular schedule on the same day and as close to a consistent time as possible. Contractor may tag inappropriately placed containers and may suspend service in the event of persistent inappropriate container placement. Contractor shall notify the City within twenty-four (24) hours, of any suspended collections and provide any back-up documentation.
- 11.9 Contractor shall collect Recyclables from all participating Premises as part of Solid Waste Services, without extra charge. Recyclables may include the following:
 - 11.9.1 Aluminum Cans and Foil: All aluminum cans and clean foil and foil trays that are placed in the Recycling Container.
 - 11.9.2 Corrugated Cardboard: All corrugated cardboard that is smaller than three (3) feet, flattened and placed in or next to the Customer's Recycling Container.

- 11.9.3 Glass Containers: All colored or clear jars and bottles that are rinsed and that have lids not greater than three (3) inches wide. Notwithstanding the foregoing, in the event that Contractor determines, in its discretion, that the collection of glass containers results in the contamination of other Recyclables in each collection load, Contractor reserves the right to terminate the collection of glass containers. Contractor shall provide written notice to the City and Customers thirty (30) days prior to Contractor's termination of the collection of glass containers.
 - 11.9.4 Mixed Paper: All mixed paper.
- 11.9.5 Newspaper: All newspaper and advertising supplements that are delivered with newspapers that are placed in the Recycling Container.
 - 11.9.6 Plastics: #1 and #2 that are placed in the Recycling Container.
- 11.9.7 Poly-coated cartons and Boxes: All plastic coated cartons and boxes that are flattened and placed in the Recycling Container.
- 11.9.8 Plastic Bags: All clean plastic shopping bags, newspaper bags, and dry cleaning bags placed in the Recycling Container.
- 11.9.9 Tin Cans: All rinsed food and beverage cans placed in the Recycling Contractor.

11.10. <u>Drop-box Container Collection</u>

- 11.10.1 Contractor shall provide Drop-box Container Solid Waste Services to Residential and Commercial Customers, at the rates approved by the City Council and in accordance with the service level selected by the Customer.
- Hazardous Waste or Solid Waste that would pose a danger to collection crews. If Solid Waste is rejected, for this reason, Contractor shall leave a prominent notice on the container listing the rejected Solid Waste, explaining why such Solid Waste was not collected, and providing the customer with a contact number for further information on proper disposal. If a Customer includes inappropriate Solid Waste in its Drop-box Container, Contractor shall photograph and otherwise document the inappropriate Solid Waste, and provide the Customer's name and address to the City for further action. The Customer shall remain responsible for all costs associated with the handling and disposal of such Hazardous Waste or Solid Waste inadvertently collected by Contractor.

11.11 Specific Collection Requirements

11.11.1 Contractor shall provide dispatch services and equipment that are capable to collect Commercial Customers' containers no later than the next business day after the Customer's initial request for Solid Waste Services. Contractor shall maintain a sufficient container inventory to provide empty containers to new and temporary Customers within three (3) business days after the Customer's initial request for Solid Waste Services.

11.12 Inclement Weather and Other Disruptions

- 11.12.1 Contractor may suspend Solid Waste Services during an emergency or a force majeure event. Contractor shall immediately notify the City of such emergency or force majeure event with as much advance warning as is reasonably possible. However, in the event that Solid Waste Services are delayed or prolonged for a period of seven (7) consecutive days after such emergency or force majeure event, it shall be considered a default of this Agreement, threatening the public health, general welfare, and safety of the City. The City shall have the right, but not the obligation, as a remedy, in addition to other remedies, to immediately assume the required Solid Waste Services and to take temporary possession of the Contractor's equipment to perform such services. In this event, the City shall be reimbursed by Contractor for the reasonable costs incurred by the City for such services as provided herein. Should the Contractor fail or neglect to provide Solid Waste Services to any Premises, as required under this Contract, the City, after giving twenty-four (24) hour notice to Contractor, may perform such service and assess Contractor with the reasonable cost thereof.
- 11.12.2 If Contractor, in its sole discretion, determines that the continued performance of Solid Waste Services during any weather condition may result in danger to the Contractor, Contractor's employees, Premises or to Customers, Contractor shall perform Solid Waste Services only in those areas that do not pose a danger. Contractor shall immediately notify the City of its Solid Waste Service plans for each day of experienced inclement weather.
- 11.12.3 The Contractor shall collect Solid Waste & Recyclables from Customers with interrupted service on the first (1st) day that regular service to a Customer resumes and shall collect reasonable accumulated volumes of Solid Waste and Recyclables equal

to what would have been collected on the missed collection day(s) from Customers at no extra charge.

- 11.12.4 If successive weather events occur on the same scheduled collection day(s) two (2) weeks in a row, an additional collection will be made on the next possible business day of that same week; i.e., not waiting for the regularly scheduled collection day for the missed area.
- 11.12.5 Inclement weather and service interruption policies shall be included in all program information provided to Customers.
- 11.12.6 When the closure of Public Streets or Private Roads or other non-weather related events, beyond the Contractor's control, prevents the timely collection on a scheduled day, Contractor shall make collections on the first (1st) day that regular service to a Customer resumes and shall collect reasonable accumulated volumes of Solid Waste and Recyclables equal to what would have been collected on the missed collection day(s) from Customers at no extra charge. Upon request to the City, Contractor may be provided temporary authorization to perform Solid Waste Services after 6:00 p.m. and/or on Saturdays following such disruptions in order to finish collection routes. Delayed or interrupted collections as described in this Section are not considered service failures for purposes of SECTION TWENTY-SIX.

11.13 Suspending Collection Resulting From Customer Account Disputes

- 11.13.1 The City and Contractor acknowledge that, from time to time, disruptions or conflicts may occur that make continued service to the Customer unreasonable. Those disruptions or conflicts may include, but not be limited to, repeated damage to Contractor-owned containers, repeated refusal to position Solid Waste & Recyclables carts properly for collection, repeated suspect claims of timely set-out followed by demands for return collection at no charge, repeated claims of Contractor damage to a Customer's property, or other problems.
- 11.13.2 Contractor shall make every reasonable effort to provide Solid Waste Services to Customers. However, Contractor may deny or discontinue Solid Waste Services to any Customer if reasonable efforts to accommodate such Customer and to provide services to such Customer fail. Contractor shall notify the City of any such denied or discontinued service, and provide back-up information to the City for potential code

enforcement purposes. If the Customer submits a written letter to the City appealing the Contractor's decision, the City may, at its discretion, intervene in the dispute. In this event, the decision of the City shall be final. The City may also require the denial or discontinuance of service to any Customer who is abusing any Solid Waste Service or is determined to be ineligible.

11.14 Missed Collections

- 11.14.1 If Solid Waste & Recyclables are set out inappropriately, improperly prepared, or contaminated with unacceptable materials by Customers, the Contractor shall place, in a prominent location, a notification tag that identifies the specific problem(s) and reason (s) for rejecting the Solid Waste for collection. Contractor's failure to provide proper notification to Customers or the reason for rejecting Solid Waste for collection shall be considered a missed collection.
- 11.14.2 The failure of the Contractor to collect Solid Waste & Recyclables that has been set out by a Customer in the proper manner shall be considered a missed pick-up, and the Contractor shall collect the materials from the Customer by the end of the same business day, if notification of the missed pick-up is received by 10:00 a.m. that same business day, or by the end of the next business day if the notification is received after 10:00 a.m. Contractor shall maintain a written record of all calls related to missed pick-ups and the response provided by the Contractor. Such records shall be made available for inspection upon request by the City and shall be included in monthly reports.
- 11.14.3 In the event that the Contractor fails to collect the missed pick-up within twenty-four (24) hours of receipt of notice (or on the following Monday in the event of notification after 5:00 p.m. on Friday), Contractor shall collect the Solid Waste the next business day.

SECTION TWELVE

12.1 Intentionally Omitted.

SECTION THIRTEEN EQUIPMENT

- 13.1 Each vehicle regularly used by Contractor for Residential Customers during the term of this Agreement shall have an exhaust system that at least meets the emissions standards for 2011. Contractor's back-up vehicles that are used fewer than thirty (30) days per year shall not be subject to the age and mileage limits that apply to the Contractor's regularly-used vehicles. However, Contractor's back-up vehicles shall be presentable, in safe working order, and subject to all other conditions of this Section.
- 13.2 In the event that Contractor has continued irresolvable operating problems with the vehicles regularly used for Residential Customers, Contractor may request permission to use alternative vehicles for Residential Customers that are older than 2011 or newer emissions standards. The City shall consider the request, provide its own investigation, and provide a response to the Contractor within thirty (30) days of receiving the Contractor's request. No approval by the City within thirty (30) days of receiving the Contractor's request will be construed as approval of the use of the alternative vehicle by the City.
- 13.3 Contractor will maintain collection equipment with the ability to service areas with limited access to ensure that all Customers receive equal service. Limited access shall be construed to mean areas where the ability to collect Solid Waste is hindered due to size, topography or some other factor that prevents the use of the approved collection vehicle.
- 13.4 Vehicles used in the performance of this Agreement shall be maintained in a clean manner, and shall be thoroughly washed as needed to maintain a clean and presentable appearance, but in any event not less than once each week. Vehicles shall be repainted as needed and/or at the request of the City.
- 13.5 Contractor shall use serviceable and safe collection equipment meeting the requirements in Chapter 445B.737 to 445B.774 (Control of Emissions: Heavy Duty Motor Vehicle) of the NAC, the operating permit issued by SNHD and the permit issued by Clark County Department of Air Quality (DAQ). Packer trucks or vehicles must completely, adequately and fully accommodate the use of approved covered, wheeled, commercial containers for collection from Commercial Customers or Multifamily Complexes.
- 13.6 Solid Waste & Recyclables shall not remain in a vehicle or other collection equipment overnight other than in a waste storage bin.
- 13.7 All collection equipment shall have appropriate safety markings, including all highway lighting, flashing and warning lights, clearance lights, warning flags and sound warning

signalization systems, all in accordance with applicable statutes, rules and regulations. All collection equipment acquired in Attachment F shall have an operating camera system. Equipment shall be maintained in good working condition at all times. All parts and systems of the collection vehicles shall operate properly and be maintained in a condition satisfactory to the City. Contractor shall maintain collection vehicles to ensure that no discharges; i.e., no liquid wastes (such as Solid Waste & Recyclables leachate) or oils (lubricating, hydraulic, or fuel), are discharged on Premises or Public Streets. Contractor shall immediately take off-line any of its vehicles that have leaks and repair them. Contractor shall report any Hazardous Waste or leachate spills within the City from Contractor's vehicles or collection operations immediately to the City.

- 13.8 Any equipment not meeting these standards shall not be operated on Public Streets until repairs are made. Contractor shall provide the City with a written report documenting any spill, including, the cause of the spill, the vehicle involved, and the remedy. The City has the right to inspect the vehicle before it is returned to service.
- 13.9 All collection vehicles shall be labeled with signs on the driver's side door that clearly indicate the vehicle inventory number. A customer service telephone number shall be labeled on the side of the vehicle. Signs shall use lettering not less than four (4) inches high and shall be clearly visible from a minimum distance of twenty (20) feet. No advertising shall be allowed on Contractor's vehicles other than the Contractor's name, logo, customer service telephone number and website address. Special promotional messages may be permitted on Contractor's vehicles, upon the City's prior written approval.
- 13.10 All collection vehicles used by Contractor under this Agreement shall meet the City's applicable street weight limits. Contractor shall not exceed any collection vehicle weight limit of the City at any time.

13.11 Spillage, Incidents

in collection vehicles at all times, except when Solid Waste is actually being loaded. Hoppers on all collection vehicles shall frequently be cleared to prevent the occurrence of unnecessary blowing or spillage. Any spillage of Solid Waste caused by Contractor that occurs during collection shall be immediately cleaned up (within one (1) hour of notification of the incident) by the Contractor at its expense.

shall be required to carry and regularly maintain spill kits. At a minimum, spill kits shall include absorbent pads or granules, containment booms, sweepers, and other similar materials sufficient to contain, control and, for minor events, appropriately clean up blowing Solid Waste, litter, leaks, and spillage of vehicle or container fluids and leachate. Spill kits shall also include employee spill containment instructions and procedures, as well as a regularly updated list of emergency contacts. Contractor shall develop spill response procedures for review and approval by the City before initiating any work under this Agreement. This plan shall include immediate notification to the City of any spill and shall be followed up by a written report to the City within three (3) business days of such spill. All of Contractor's drivers shall be trained not less than annually on the use of spill kits and associated containment and notification procedures.

13.12 Contractor Requirements and Ownership

- 13.12.1 In the event that this Agreement is terminated early due to a breach by Contractor, the City shall have the option to utilize Contractor's equipment necessary for the operation of the Landfill and the collection of Solid Waste for a period of one hundred twenty (120) days following such termination, provided that the City shall pay Contractor the monthly, reasonable rental charges as set forth in RS Means Construction Data or similar publication.
- 13.13 During the term of the Agreement, Contractor shall provide certain equipment and vehicles as set forth in Attachment F.

SECTION FOURTEEN NON-STANDARD GARBAGE CONTAINERS

14.1 Intentionally omitted.

SECTION FIFTEEN

COLLECTIONS FOR CITY AND CITY SPONSORED EVENTS

15.1 Contractor will collect and process Solid Waste & Recyclables generated or resulting from City sponsored or approved events at no charge to the City or other co-sponsors, including but not limited to: BC ACS Relay for Life, Spring Jamboree, BC Rotary Best Dam Barbeque Challenge, 4th of July Damboree Celebration, BC National Night Out, Sunrise Rotary

Annual Event, BC Homecoming Bonfire Event, Art in the Park, BC Tree Lighting and BCHS Homecoming Football Game.

- 15.2 The City may deposit at the Landfill, at no charge, Solid Waste generated by its departments or agencies. This shall include Solid Waste and Recyclables generated at the golf courses owned by the City, which may be hauled to the Landfill by either a third-party contractor or the City.
- 15.3 Contractor shall also provide weekly Solid Waste Services to all of the City's municipal facilities, whether City owned or leased, at the commercial rate established herein, which shall be subject to the annual CPI-U increases as established herein, to the City with the exception of the following city facilities which will be serviced at no additional charge: City Hall, Police Department, Fire Department and the Municipal Court.
- 15.4 Contractor will, at no additional charge, provide Solid Waste Service to one hundred seventy-four (174) Solid Waste containers that are currently being utilized by the City at its municipal facilities as listed in Attachment D. This list may be amended from time to time by the City but shall not exceed the total number of one hundred seventy-four (174).

SECTION SIXTEEN LITTER, DUST AND FIRE CONTROL AT LANDFILL

16.1 Intentionally Omitted.

SECTION SEVENTEEN

COLLECTION AND DISPOSAL OF HOUSEHOLD HAZARDOUS WASTE

- 17.1 Household Hazardous Waste is accepted at the Landfill at the times specified in SECTION FIVE, excepting the exempt holidays.
- 17.2 Contractor shall provide arrangements, subject to the reasonable approval of the City, to Customers for the disposal of Household Hazardous Waste. Contractor shall be permitted to recover reasonable costs incurred by Contractor for such disposal.
- 17.3 No Hazardous Waste, Pathological Waste, sewage, sludge or septic tank pumpings shall be permitted in or deposited in the Landfill, except for Household Hazardous Waste as provided in herein.

SECTION EIGHTEEN

COLLECTION AND DISPOSAL OF BULKY ITEMS AND WHITE GOODS

charge, to Residential Customers that have Curb service, except for items that require the removal of freon. Contractor will provide for such collection on the Thursday of each week, except for on exempt holidays. Contractor may charge for the collection and disposal of refrigerators, and air conditioners or any other item that requires the removal of freon at the rates provided in Attachment E. The collected Bulky Items, and White Goods shall be recycled by the Contractor to the extent reasonably possible. Contractor shall maintain a separate log listing the quantity of refrigerators and air conditioners units in which freon is removed and shall provide the log to the City on a monthly basis.

SECTION NINETEEN

USE OF AUTO SHREDDER WASTE AS COVER PROHIBITED

19.1 Contractor shall not use auto shredder waste, i.e., waste generated from the shredding of metallic and non-metallic materials from automobiles and appliances, for Landfill cover or permit or otherwise deposit such materials in the Landfill.

SECTION TWENTY

SERVICE AREA AND SOLID WASTE GENERATED OUTSIDE OF THE CITY

- 20.1 Contractor shall provide all services pursuant to this Agreement throughout the City Service Area.
- Service Area shall not be deposited in the Landfill, except as authorized herein. The City may authorize, in its sole discretion, the Contractor to deposit Solid Waste generated from the Township of Nelson and the Lake Mead National Recreation Area, including business enterprises located and operated within the Lake Mead National Recreation Area, and commercial businesses located in the Eldorado Valley, but outside the City's corporate limits and located in adjacent unincorporated Clark County, in the Landfill. Any Solid Waste deposited in the Landfill from areas outside the City Service Area shall have the specific approval of the City. The City's approval for depositing Solid Waste in the Landfill from the Township of Nelson and/or commercial

businesses located in the Eldorado Valley outside the City's corporate limits and located in adjacent unincorporated Clark County will remain in effect until such time as the City provides Contractor with written notice to withdraw this approval. In this event, the City shall provide Contractor a sixty (60) day notice to cease depositing Solid Waste generated from these specified areas.

- 20.3 Contractor shall supply the City on a quarterly basis the actual amount of tons of Solid Waste brought into the Landfill from areas outside of the City's corporate limits, customers listed in Attachment C. To the fullest extent permitted by applicable law, these reports shall be maintained by the Contractor and the City as confidential and proprietary business information.
- 20.4 Contractor shall collect, and remit to the City, a fee that is double the Landfill closure/maintenance fee, as established in Attachment E, for any Solid Waste that is generated and/or collected outside the City's corporate limits and deposited in the Landfill. Notwithstanding the foregoing, this Section does not apply to the Lake Mead Recreation Area and the National Park Service through the term of this Agreement.
- 20.5 The City's approval for depositing waste from the Lake Mead National Recreation Area in the Landfill shall remain in effect for the duration of this Agreement. The agreement between Contractor and the National Park Service to deposit Solid Waste at the Landfill shall not be entered into or extended without the prior approval of the City.
- 20.6 In the event that the City approves the depositing of Solid Waste from outside of the City's corporate limits in the Landfill, Contractor shall charge a disposal fee that is greater than or equal to the fee that is charged to similar Customers.
- 20.7 For any Solid Waste from the Township of Nelson, the Lake Mead National Recreation Area, and commercial businesses located in the Eldorado Valley outside the City's corporate limits that is deposited in the Landfill, Contractor shall provide recycling options to these customers that are similar to the recycling options of Commercial Customers. Contractor has the right to recover all of the costs that are associated with providing a recycling program to commercial businesses located outside of the City's corporate limits.

SECTION TWENTY-ONE LOAD CHECKING PROGRAM

21.1 Intentionally Omitted.

SECTION TWENTY-TWO LANDFILL INSPECTION

22.1 Intentionally Omitted.

SECTION TWENTY-THREE RATES

23.1 Rules for Commercial Accounts

- 23.1.1 Except as otherwise provided in this Agreement, the monthly rates for each Commercial Customer are established in accordance with and under the terms and conditions of the schedule of rates set forth in Attachment E, which is attached hereto and incorporated herein by this reference, as may be established and amended by the City Council.
- 23.1.2 The monthly rates for Solid Waste Service for Commercial Customers shall be adjusted annually based upon the percentage of change in the Consumer Price Index, All Urban Consumers, U.S. City Average (CPI-U) between zero and four percent (4%), as published by the United States Department of Labor, Bureau of Labor Statistics, Washington D.C. In the event of the discontinuance of such index, the amount of such adjustment shall thereafter be made on the basis of whatever index or economic indicator that shall replace or supersede the discontinued index reconciled in such a manner that will properly reflect relativity of said indexes or indicators. The monthly rates for collection and disposal of Solid Waste for all Customers shall be adjusted annually on July 1, based upon the percentage change in the CPI-U for the preceding year ending in the month of December. The computation of the adjustment shall be verified by the City. For purposes of clarity, annual increases to such rates in accordance with the percentage change in the CPI-U shall not be greater than four percent (4%) in any given year.
- 23.1.3 A ten percent (10%) late charge will be assessed after the fifteenth (15th) day of the following month for late payments from Commercial Customers. Contractor may terminate Solid Waste Service for any Commercial Customer that is thirty (30) days in arrears. Contractor will not reinstate Solid Waste Service until the past due amount is paid in full, including a \$45.00 fee for resuming Solid Waste Service. Contractor may bill

Customers for any non-sufficient fund fees and for debt collection costs as approved by the City.

- 23.1.4 A minimum monthly charge shall be made to all Commercial Customers, whether the Solid Waste Service is used or not, in the amount as set forth in Attachment E.
- 23.1.5 The monthly billing to Commercial Customers shall not decrease or increase based upon the Customer's participation in the Contractor's commercial recycling program. However, no Customer shall be charged more for electing to recycle. Both single stream recycling and cardboard recycling shall be free throughout the life of the Agreement.

23.2 Rates For Residential Customers

- 23.2.1 Except as otherwise provided in this Agreement, the monthly rates for each Residential Customer are established in accordance with and under the terms and conditions of the schedule of rates set forth in Attachment E, which is attached hereto and incorporated herein by this reference, as may be established and amended by the City Council.
- 23.2.2 The monthly rates for Solid Waste Service for Residential Customers shall be adjusted on the same terms as set forth in Section 23.1.2.

23.3 Adjustment of Rates

23.3.1 In any given year when the State of Nevada or Federal government enacts a law or regulation that significantly impacts the cost of operations of Contractor pursuant to this Agreement in a manner not sufficiently accounted for by changes in the CPI-U, or in the event the agreement between Contractor and the National Park Service expires or is not renewed, so that said agreement is no longer in effect, the City and Contractor shall each have the right to seek a review of the rates or fees charged for Contractor's services under this Agreement. Such a review of rates may be initiated by the Party seeking such review by furnishing thirty (30) days advance written notice to the other Party, after which time the City may consider and approve a method for adjusting rates that are not based on changes in the CPI-U. In any year following a period when the adjustment to the rates was based on some method other than CPI-U, rate adjustments shall again be based on changes in the CPI-U.

- 23.3.2 In such a review, Contractor shall furnish financial statements prepared by a certified public accountant on an accrual basis to the City for its consideration and review prior to the request for the rate increase. Said financial statements shall include a balance sheet, a statement of income, expenses and retained earnings and a statement of changes in financial position with appropriate notes or qualifications, including the same information with respect to Contractor's agreement with the National Park Service. If other operations of Contractor are included in said financial statements, then Contractor shall provide the City with a segmented financial statement that only shows the City's operation.
- 23.3.3 Following a review of the aforesaid financial statements, the City shall determine whether an increase or decrease in the rates or fees charged by Contractor under this Agreement is justified.
- 23.3.4 If the City determines that a requested rate or fee increase is not justified, or that the current rate should be decreased, Contractor may terminate this Agreement upon six (6) months written notice to the City. In that event, the City may, but shall not be obligated to, purchase or lease the equipment then owned and in use by Contractor at its fair market value, for a mutually agreeable term at a price to be determined by the then prevailing rental rates for similar equipment for use in Clark County, Nevada.
- 23.3.5 In the event that Contractor seeks a rate increase pursuant to Section 23.3, the City shall have the right to obtain competitive proposals for similar services from other Persons, enter into an agreement with said Persons for lesser rates, and thereafter terminate this Agreement upon six (6) months written notice to Contractor. Notwithstanding the foregoing, in the event that Contractor seeks a rate increase as a result of the expiration or termination of its agreement with the National Park Service, the City shall not have the rights that are set forth in this Section 23.3.5.
- 23.4 Contractor may occasionally provide other services related to Solid Waste Service in the City that are not specifically provided for under this Agreement. If the intended services are not covered by this Agreement, Contractor shall notify the City and propose a rate for the service. Upon approval by the City, Contractor may proceed to offer that service.

SECTION TWENTY-FOUR FEES TO BE PAID TO THE CITY

- 24.1 Contractor shall pay the following fees to the City for the following services or purposes:
 - 24.1.1 Five percent (5%) of revenues received by Contractor from Residential and Commercial Customers in consideration of the services provided by the City for the administration, billing and collection of amounts due to Contractor for Solid Waste Services by the Contractor from all Residential and Commercial Customers.
 - 24.1.2 Contractor shall be responsible for the administration, billing and collection from all other Customers, excepting Residential Customers.
 - 24.1.3 Except as otherwise approved by the City, Contractor may charge any Person a host fee of \$1.25 per ton of Solid Waste that is deposited in the Landfill, excepting Solid Waste that is deposited directly at the Landfill by any Person as permitted under this Agreement, collected from the City's sponsored events, or generated by the City.
 - 24.1.4 Ten percent (10%) of the gross revenues received by Contractor from the National Park Service for collection and disposal of Solid Waste in the Landfill, and from Persons located within the Lake Mead National Recreation Area collected by Contractor pursuant to the agreement existing between Contractor and the National Park Service.

SECTION TWENTY-FIVE REPORTING

25.1 Monthly Reports

- 25.1.1 On a monthly basis, by the fifteenth (15th) day of each month, Contractor shall provide a report to the City containing information for the previous month, which shall be certified to be accurate by Contractor. The reports required in this Section shall include:
 - A log of complaints and resolutions for all Customers. At a minimum, the
 complaint log shall include, for each complaint, the Customer's name or
 business name, service address, contact telephone number, date of complaint, a
 description of the complaint, how the complaint was received (phone, e-mail,
 written correspondence, other), a description of how the complaint was
 resolved, the date of resolution, and any additional notes or comments.

- A description of any vehicle accidents or infractions imposed against on-duty employee drivers.
- A description of any changes to collection routes, containers, vehicles, customer service, or other related services.
- A log of any missed collections.
- A summary of any educational workshops for Customers, including workshop outline, date, location, number of participants, and type and number of materials distributed.
- A summary of other educational efforts for Customers.
- Receipts from the Landfill gate located at Landfill available for City inspection.

25.2 Quarterly Reports

- 25.2.1 On a quarterly basis, Contractor shall provide a report containing information for the preceding quarter, which shall be certified to be accurate by Contractor. The reports required in this Section shall include:
 - A compilation of program participation statistics including, at a minimum, a summary of Customers' participation in recycling programs, number of Commercial Customers participating in recycling programs, and statistics for residential Solid Waste & Recyclables collection services.
 - A summary of the quantities of Recyclables for each type of Customer, including the processing residues disposed and market prices.
 - A map depicting the work area in the Landfill, including a depiction of the features constructed in the prior quarter, such as culverts, fences, ditches, rip rap, etc.
 - A status report of Landfill cell usage.
 - A map indicating the locations of all past, current and proposed Landfill cells, including a cross-section map of current and successor Landfill cells and their width and depth in not less than ten foot (10') increments.
 - A tabulation of Commercial Customers that includes the size of container and of frequency collection for each Commercial Customer.

- SNHD Landfill Inspection report, Contractor will submit a copy to the City upon completion by SNHD.
- National Department of Environmental Protection (NDEP) Solid Waste Disposal report, Contractor will submit a copy to the City upon completion by Contractor.

25.3 Annual Reports

- 25.3.1 On an annual basis, by the last business day of January, Contractor shall provide a report containing the following information:
 - A discussion of highlights and other noteworthy experiences, along with measures that were taken to resolve any problems, increase efficiency, and increase participation in Solid Waste & Recyclables collection programs for all Customers.
 - A discussion of the Contractor's promotion and education efforts, and accomplishments for all Customers.
 - An inventory of current collection vehicles and other major equipment.
 - SNHD Recycling Facility report, performed semi-annually, Contractor will submit a copy to the City upon completion by SNHD.
 - SNHD Recycling Survey, Contractor will submit a copy to the City upon completion by Contractor.
 - By July 1 of each year, Contractor shall, at its expense, provide a copy of its' independently audited annual financial statements for the prior year prepared by an independent certified public accountant. Said audit shall include notes, schedules, income breakdown by client and any other pertinent information related to the operation of the franchise agreement. The City shall have the right to hire, at the City's sole cost, an independent firm to prepare a formal audit of the annual financial statements of Contractor. Contractor shall cooperate fully and provide all reasonably requested information to the City's retained auditor.
- 25.4 If collection vehicles are used to service more than one (1) type of Customer or jurisdiction, Contractor shall develop an apportioning methodology that allows the accurate calculation and reporting of collection quantities. The apportioning methodology shall be subject

to prior review and approval by the City and shall be periodically verified through field testing by Contractor that is reported to the City.

SECTION TWENTY-SIX DEFAULT, REMEDIES, TERMINATION

- Agreement, the City shall give Contractor written notice specifying the breached provisions of the Agreement. Contractor shall have a reasonable period of time, as mutually agreed upon by Contractor and the City, from receipt of the written notice to cure the default or to initiate efforts satisfactory to the City to remedy the default. If Contractor wishes to contest the City's declaration of default, Contractor shall provide written notice of its intent to contest the declaration of default within ten (10) business days of receiving the written notice of default.
- 26.2 In the event that Contractor does not cure the default or does not initiate efforts to remedy the default within the agreed upon cure period, the City may either terminate this Agreement upon thirty (30) days' written notice to Contractor or may complete the services provided under this Agreement, or any part thereof, at the cost of Contractor. In the event a Contractor default results in a public health or environmental hazard, the City shall give the Contractor written notice and the City has the right, not the obligation, to act immediately to protect public health and the environment.
- 26.3 The City reserves the right to pursue any remedy available under law for any default by Contractor. The City shall be entitled to seek from Contractor, as damages, all reasonable expenses incurred, including reasonable attorneys' fees, together with all such additional sums as may reasonably be necessary to complete the services provided under this Agreement, together with any further damages sustained or to be sustained by the City. If the City's employees provide Solid Waste & Recyclables collection, the actual incremental costs of the City's labor, overhead, and administration shall serve as the basis for the reasonable expenses incurred.
- 26.4 Should a breach or default of this Agreement result from an act of God, strike, public enemy or other force majeure cause that is beyond the control of Contractor, the City shall have the right, but not the obligation, during such period to collect Solid Waste using Contractor's equipment as required, and Contractor shall thereafter reimburse the City for the services

performed in such an event in an amount equal to but not more than Contractor's cost for performing like services in the immediately preceding period.

SECTION TWENTY-SEVEN

PERMITTING AND ENGINEERING FEES

27.1 Contractor shall be responsible for the payment of the annual SNHD permit renewal fees associated with both the Landfill and the Recycling Center.

SECTION TWENTY-EIGHT CLOSURE AND POST-CLOSURE MAINTENANCE

- 28.1 The City, with the cooperation of Contractor, shall be responsible for the following: the preparation and submission of a plan to SNHD for the closure and post-closure maintenance of the Landfill; the submission for an air emissions permit; and the satisfaction of the financial assurance requirements for the Landfill as required in Chapters 444.6891, 444.6892, 444.6893, 444.6894 and 444.6895 of the NAC, and as may be amended.
- 28.2 On an annual basis, the City will provide Contractor with the appropriate documentation for the financial assurance for the Landfill to be kept on file at the Landfill.

SECTION TWENTY-NINE CONTRACTOR'S RECYCLING RESPONSIBILITIES

29.1 Intentionally Omitted.

SECTION THIRTY NO DEPOSITING OF RECYCLABLES IN LANDFILL

30.1 Intentionally Omitted.

SECTION THIRTY-ONE RECYCLING DUTIES OF THE CITY

31.1 Intentionally Omitted.

SECTION THIRTY-TWO

RECYCLING COSTS AND PROCEEDS

32.1 Intentionally Omitted.

SECTION THIRTY-THREE OPERATIONS AS A SEPARATE ENTITY

- 33.1 The operations of Contractor shall be conducted separately and independently from any other business, operation or entity of Contractor for which Contractor has an ownership or equity interest.
- 33.2 The assets, liabilities, revenues, expenses and net worth of Contractor relating to Contractor's performance under this Agreement shall not be commingled, combined, consolidated or incorporated with any other operation or business in which Contractor has an ownership or equity interest.

SECTION THIRTY-FOUR DEFAULT

34.1 Intentionally Omitted.

SECTION THIRTY-FIVE INDUSTRIAL INSURANCE

35.1 Contractor shall maintain, in full force and effect during the term of the Agreement, insurance or shall be self-insured in accordance with, or permitted by, the Employers Industrial Insurance System of Nevada, or as otherwise permitted by law, as now in force or as the same may be from time to time amended or modified. A certificate of such insurance coverage shall be provided to the City within ten (10) days after execution of this Agreement. Contractor shall provide the City with proof of continued insurance coverage.

SECTION THIRTY-SIX INDEMNIFICATION BY CONTRACTOR

36.1 Contractor shall indemnify and save harmless the City and its City Council, officers, agents and employees, for and from all loss, liability, claims, demands, actions or suits, of every kind and description, arising or resulting from, or in any way relating to, any operations

of Contractor pursuant to this Agreement, including sub-contractors, or the exercise of any right or privilege granted to Contractor under this Agreement.

SECTION THIRTY-SEVEN INDEMNIFICATION BY CITY

37.1 The City shall indemnify and save harmless Contractor and its officers, agents, employees and representatives for and from all loss, liability, claims, demands, actions or suits, of every kind and description, arising or resulting from, or in any way relating to, the negligent, careless or intentional actions or conduct of the City and its City Council, officers, agents and employees.

SECTION THIRTY-EIGHT LETTER OF CREDIT

- 38.1 Contractor shall furnish the City with a performance bond to remain in full force and effect during the term of this Agreement, as approved by the City, that is executed by Contractor, as principal, and by a corporate surety, as surety, in the sum of at least Five Hundred Thousand Dollars (\$500,000.00); Two Hundred Fifty Thousand Dollars (\$250,000.00) conditional upon the faithful performance by Contractor, including sub-contractors, and Two Hundred Fifty Thousand Dollars (\$250,000.00) for labor and materials utilized in performance of this Agreement. The City shall have no obligation to pay any remittance or moneys to Contractor until said bond is furnished to the City. In accordance with NAC 444.6854, Contractor shall notify SNHD that a copy of the performance bond has been placed in the operating records of the disposal site.
- 38.2 In lieu of Contractor providing the City with a performance bond, the City agrees to consider, in good faith, alternative means, as may be proposed by Contractor, for Contractor to provide equivalent security to the City, including the following: (1) Contractor may obtain, at its expense, guarantees of performance from third parties as approved by the City; (2) Contractor may obtain, at its expense, a stand-by letter of credit, as approved by the City, to secure Contractor's performance; or (3) a combination of the foregoing.
- 38.3 Nothing contained herein shall obligate the City to accept any other proposed alternative to the performance bond, but the City shall consider, in good faith, proposed alternatives that may be made by Contractor at any time during the term of this Agreement and

shall permit such alternative or alternatives to be implemented to the extent that equivalent security is provided to the City, and that there is no material detriment to the City from the adoption of such alternative or alternatives.

SECTION THIRTY-NINE PUBLIC LIABILITY INSURANCE

- 39.1 Contractor shall, at its cost and expense, obtain and maintain in full force and effect throughout the term of this Agreement, public liability insurance approved by the City to insure Contractor, the City, its City Council, their officers, agents and employees, and each of them, against liability for bodily injury or death to and of any person or persons and for any property damage, arising or resulting from the operations of Contractor pursuant to this Agreement. The commercial general liability insurance shall have minimum of one million dollars (\$1,000,000) for each occurrence and a general aggregate of two million dollars (\$2,000,000).
- 39.2 Policies or certificates of said insurance, approved as above-mentioned, shall be filed with the City within ten (10) days after execution of this Agreement. Contractor shall provide the City proof of continued insurance coverage.
- 39.3 The policy or policies of insurance issued hereunder shall contain a provision that said insurance is primary coverage and will not be canceled by the insurer except after filing with the City ten (10) days written notice of any cancellation so proposed.

SECTION FORTY

SALES, ASSIGNMENTS AND SUBLEASES

- 40.1 Contractor may not assign or otherwise transfer or convey this Agreement or any part thereof without the express written consent of the City. If consent is once given by the City to the assignment of this Agreement, the City shall not be barred from subsequently refusing to consent to any further assignment.
- 40.2 Any attempt to assign or otherwise transfer or convey this Agreement or any part thereof without the City's consent shall be deemed a default by Contractor.
- 40.3 When requested by Contractor, approval by the City of a subcontract or assignment shall not be unreasonably withheld, and Contractor shall pay to the City the sum of \$250,000 as a transfer fee for any such assignment. Any Change in Control of Contractor shall be defined and

considered an assignment under this Agreement, except for any transfers between different subsidiaries or branches of the parent corporation of the Contractor, or transfers to corporations, limited liability companies, limited partnerships, or any other entity owned or controlled by the Contractor upon the Effective Date of this Agreement.

40.4 In the event any assignment or conveyance of this Agreement or any part thereof occurs, all of the terms, conditions and agreements herein contained shall be binding upon and inure to the benefit of the successors and assigns of the respective Parties.

SECTION FORTY-ONE SUBCONTRACTORS

41.1 Contractor shall not subcontract any of the services required pursuant to this Agreement without the prior written consent of the City.

SECTION FORTY-TWO

SANITARY FACILITIES FOR EMPLOYEES

42.1 Contractor shall provide sanitary facilities at the Landfill for use of its employees that comply with the City's municipal code, including, but not limited to, septic tanks or other sewage facilities as approved by the City. Contractor shall be responsible for the cost of all utilities, maintenance, protection, insurance, and permitting associated with Contractor's facilities.

SECTION FORTY-THREE

INSOLVENCY

43.1 In the event Contractor becomes insolvent, or files a bankruptcy petition and such petition is not vacated or dismissed within one hundred twenty (120) days after the commencement thereof, then the City may declare that Contractor is in default of the Agreement.

SECTION FORTY-FOUR

NOTICES

44.1 Any notices to the City as required by the Agreement shall be sent by certified mail, postage prepaid, addressed to the City of Boulder City, 401 California Avenue, Boulder City, Nevada 89005 to the attention of the City Manager.

44.2 Any notices to Contractor as required by the Agreement shall be sent by certified mail, postage prepaid, addressed to Waste Logistics Nevada, Inc., 7197 Durango Street, Las Vegas, Nevada 89120 to the attention of Stephen Kalish, President.

SECTION FORTY-FIVE SECTION HEADINGS

45.1 The section headings contained in the Agreement are for convenience in reference only and are not intended to define or limit the scope of any provisions of this Agreement.

SECTION FORTY-SIX VALIDITY

46.1 In the event that any condition or provision of this Agreement is held to be invalid by any court of competent jurisdiction, the invalidity of such condition or provision shall in no way affect any other condition or provision of this Agreement.

SECTION FORTY-SEVEN CONTROLLING LAW AND JURISDICTION

47.1 This Agreement shall be construed pursuant to the laws of the State of Nevada. Any suit or action arising out of or relating to this Agreement shall be instituted in a court of competent jurisdiction in Clark County, Nevada.

SECTION FORTY-EIGHT ENTIRE AGREEMENT

48.1 This Agreement supersedes all prior agreements or contracts between the Parties or their predecessors and contains the entire Agreement between the Parties. No statement, promise, or inducement made by either Party or agent of either Party that is not contained in this Agreement shall be valid or binding. This Agreement may not be enlarged, modified or altered except in a writing signed by the Parties and endorsed hereon.

SECTION FORTY-NINE TIMELINESS OF PERFORMANCE

49.1 Time is of the essence as to all duties and obligation imposed by this Agreement.

SECTION FIFTY

AUTHORITY

50.1 The officers and representatives of the Parties hereto each warrant and represent that they are the duly appointed representatives of their Party, duly authorized to execute this Agreement on behalf of their Party, and any resolution of the City required for said authorization has been enacted or passed.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the Effective Date.

FRANCHISE AGREEMENT FOR COLLECTION AND DISPOSAL OF SOLID WASTE

THIS AGREEMENT is made and entered into on the 6th day of February, 1996, by and between the COUNTY OF CLARK, a political subdivision of the State of Nevada, hereinafter called "COUNTY" and SILVER STATE DISPOSAL SERVICE, INC., a Nevada corporation, hereinafter called "CONTRACTOR."

RECITALS:

WHEREAS, Federal and State regulations mandate environmentally sound solid waste disposal; and,

WHEREAS, the Board of County Commissioners may provide solid waste collection services within the unincorporated COUNTY; and,

WHEREAS, the Board of County Commissioners, pursuant to NRS 244.187 and 244.188 may grant an exclusive franchise to any person to perform collection and disposal of "garbage and other waste", collectively called solid waste; and,

WHEREAS, solid waste collection service and curbside recycling are presently provided by exclusive franchises in certain urban and rural solid waste service areas and,

WHEREAS, the Board of County Commissioners has determined that franchised solid waste collection service, curbside recycling and household hazardous waste collection provide the most effective approach to environmentally sound solid waste collection and disposal services; and,

WHEREAS, the Board of County Commissioners desires to provide

environmentally sound solid waste collection and disposal services for certain rural service areas of unincorporated Clark County; and,

WHEREAS, the CONTRACTOR is willing to perform solid waste collection and disposal services within the aforementioned rural service areas; and,

WHEREAS, the COUNTY and the CONTRACTOR desire to define rate-setting methodology and incorporate and merge the existing contract and amendments into a single new exclusive contract for all of the collection and disposal of solid waste, residential and multifamily recycling and household hazardous waste collection and disposal within the rural and urban solid waste service areas of unincorporated Clark County as defined in this agreement.

NOW, THEREFORE, the parties agree as follows:

For and in consideration of the demands, terms, covenants, 1. agreements and conditions herein contained, CONTRACTOR hereby agrees to collect and dispose of solid waste as described in Title 9, Chapter 9.04 of the Clark County Code and amendments thereto, and in conformity with all applicable laws, regulations and ordinances, from the receptacles kept and maintained by the places of business, public buildings, hotels, mobile home parks, multifamily dwellings and single family dwellings within boundaries of Urban Solid Waste Service the

(hereinafter referred to as the Urban Area), as more particularly described in Exhibit "A" and delineated on the maps marked Exhibits "B-1 and B-2" which exhibits are attached hereto and by this reference made a part hereof, as provided for in Chapter 9.04; and the Rural Solid Waste Service Area (hereinafter referred to as the Rural Area), as more particularly described in Exhibit "C" and delineated on the maps marked Exhibits "D-1 through D-6" which exhibits are attached hereto and by this reference made a part hereof, as provided for in Chapter 9.04 of the Clark County Code and amendments thereto. CONTRACTOR and COUNTY agree that CONTRACTOR shall continue service for existing customers as of the effective date of this contract.

- 2. CONTRACTOR and COUNTY hereby agree that the demands, terms, covenants, agreements and conditions contained in all prior solid waste collection contracts and modifications are hereby rescinded and void, such prior solid waste collection contracts are hereby rescinded and replaced in their entirety by this exclusive contract.
- 3. CONTRACTOR agrees to own, purchase, contract for the purchase of, or lease, and shall at all times during the term hereof maintain and make available for the performance of the services required herein equipment in

good operating condition sufficient in quantity and quality to satisfy the need therefor as presently exists or may hereafter arise to fulfill the terms of this Contract. CONTRACTOR agrees to guarantee solid waste disposal for all solid waste collected under the terms of this Agreement.

- 4. This Contract shall become effective on February 6, 1996, and terminate on September 30, 2010, said effective and termination dates being subject to all additional provisions for extension or early termination contained within this contract. This contract may be cancelled by the CONTRACTOR with 180 days written notice to the COUNTY.
- make solid waste collections and provide services at the service levels and rates for the solid waste service areas herein delineated and as specified within this contract and subject to the provisions in Title 9 of the Clark County Code and amendments thereto, Chapter 9.04. All solid waste so collected shall be hauled to authorized transfer stations, landfills, recycling facilities, or such other facilities which may be authorized by the Board of County Commissioners and agreed to by the CONTRACTOR. The routes requested by CONTRACTOR to be travelled within unincorporated Clark County to and from transfer stations

and landfills or other authorized facilities shall be subject to agreement by CONTRACTOR and approval by COUNTY.

- 6. CONTRACTOR shall have the right to and agrees to make available within the areas specified within this contract an exclusive environmental Curbside Recycling Collection Program and an exclusive Household Hazardous Waste Collection Program for its residential customers in the Urban Solid Waste Service Areas and Rural Solid Waste Service Areas of Clark County. Under these programs:
 - CONTRACTOR shall make collections of recyclable materials from residences biweekly on regularly scheduled solid waste pickup days as designated by CONTRACTOR. Curbside recycling collections shall be not less than two weeks apart. Recyclable materials collected shall include but not be limited to tin and aluminum cans, newspapers and magazines, glass and plastic bottles, cardboard (if broken down stacked) and used or waste motor oil in containers provided by the customers, that do not leak and are not more than one (1) gallon capacity. Additional recyclable materials may be accepted at future dates. Recyclable materials collected under curtside recycling program provisions of this contract shall not be deposited in any landfill or other disposal

08/27/2007 17:57 FAX 702 386 2168

- All recyclable material so collected shall be hauled to CONTRACTOR'S Recycling Center. In addition, selected loads of commercial solid waste may be transported in collection trucks to CONTRACTOR's Recycling Center, at CONTRACTOR's discretion. The recyclable materials shall then be separated and the remaining refuse shall then be hauled to a solid waste transfer station or the Apex landfill, or such other facilities as may be requested by CONTRACTOR and approved by the Board of County Commissioners for disposition. The routes to be travelled within unincorporated Clark County between the CONTRACTOR'S Recycling Center, Transfer Stations, and the disposal site or sites shall be subject to agreement by CONTRACTOR and approval by COUNTY.
- c. CONTRACTOR shall provide for and have the exclusive right for collection of household hazardous waste from residents. Collection shall be offered at least four (4) times per year for one (1) day during the second week of January, April, September, and November. Household hazardous waste that shall be accepted, up to five (5) gallons or forty (40) pounds per household per period, shall include paints, varnishes, stains,

thinners, household cleaners, furniture or metal. polishes, liquid automotive products, pesticides, pool chemicals, photographic chemicals, art and hobby supplies, adhesives, batteries, and used or waste motor oil or other acceptable household hazardous Waste that shall not be accepted includes radioactive materials, explosives, water reactives, compressed gases, business or commercial waste, infectious waste, unlabeled/unknown materials, other materials or products as may, due to safety, health, similar concerns, orbe designated by governmental authority and agreed to by CONTRACTOR as unacceptable household hazardous Waste items. CONTRACTOR shall accept household hazardous waste materials at collection locations established by the CONTRACTOR, and shall inform customers of the dates, times and locations of pickups either by mail or by announcements in the local media.

7. CONTRACTOR shall maintain and operate their Silver State Recycles Nevada recycling facility in North Las Vegas for the duration of this Contract unless said facility shall be closed by an act of God, or other unforeseen act or condition necessitating closure beyond the control of CONTRACTOR.

- CONTRACTOR shall maintain and operate 8. the existing Shelbourne, Black Mountain (Henderson), and Cheyenne (North Las Vegas) transfer stations for the duration of this Contract unless said facilities shall be closed by an act of God, or other unforeseen act or condition necessitating closure beyond the control of CONTRACTOR. COUNTY and CONTRACTOR further agree that in the event the Board of County Commissioners determines that subsequent relocation of the Shelbourne transfer station is required by COUNTY, COUNTY and CONTRACTOR agree to relocation subject to payment by COUNTY of moving costs for non-real property used by CONTRACTOR as required by this Contract, and costs for required improvements necessary to provide equivalent operational facilities and capabilities, without cost to CONTRACTOR.
- 9. At its discretion, COUNTY shall make available to CONTRACTOR a site acceptable to CONTRACTOR and COUNTY within the Las Vegas Urban Solid Waste Collection Area of unincorporated Clark County for CONTRACTOR to develop and use for an additional transfer station. CONTRACTOR shall develop and place into operation said additional transfer station on said site, CONTRACTOR shall so do in accordance with the following conditions:
 - a. Plans and specifications for said additional transfer

station shall be approved by the Board of County Commissioners.

- b. Capacity of said additional transfer station shall be equal to or greater than the capacity of the Shelbourne Transfer Station as of January 1, 1993.
- c. CONTRACTOR shall make all required site improvements for installation and operation of said additional transfer station without cost to the COUNTY, including but not limited to necessary roads, paving, utilities, landscaping and other improvements required as a condition of this contract and any zoning, licensing, or permitting for the site without cost to the COUNTY.
- d. In the event the Board of County Commissioners determines that subsequent relocation of said additional transfer station is required by COUNTY, COUNTY and CONTRACTOR agree to relocation subject to payment of all moving costs and required improvements without cost to CONTRACTOR.
- e. CONTRACTOR shall have the sole right to set rates and collect fees for operation of said transfer station. CONTRACTOR further agrees that the provisions of this Contract for payment of franchise fees shall apply to said transfer station.
- f. CONTRACTOR agrees to complete and place said transfer

station into operation within eighteen months after a site is made available to CONTRACTOR by COUNTY, and COUNTY has approved the plans and specifications submitted bу CONTRACTOR at COUNTY's request. CONTRACTOR further agrees to operate said transfer station for the duration of this Contract unless said facility shall bе closed by an act OΕ governmental action or other unforeseen act or condition necessitating closure beyond the control of CONTRACTOR.

- g. COUNTY warrants that said transfer station site shall be free of waste materials deemed hazardous or toxic under provision of Federal, State or local law when said site is made available to CONTRACTOR.
- 9.1 In addition to maintaining and operating the transfer stations as specified in Sections 8 and 9, CONTRACTOR shall maintain and operate an additional transfer station for the duration of this Agreement unless said facility shall be closed by an act of God, or other unforeseen act or condition necessitating closure beyond the control of CONTRACTOR.

At its discretion, the COUNTY shall make available to CONTRACTOR a site acceptable to CONTRACTOR and COUNTY within the Las Vegas Urban Solid Waste collection area of

unincorporated Clark County for CONTRACTOR to develop and use for said additional transfer station. Such site shall be within the unincorporated area of Clark County within the vicinity of Vegas Valley Drive and Hollywood Boulevard. CONTRACTOR shall develop and place into operation said additional transfer station on said site in accordance with the following conditions:

- a. Plans and specification for said additional transfer station shall be approved by the Board of County Commissioners.
- b. Capacity shall be of a size to accommodate the needs of the area residents and the CONTRACTOR at said transfer station.
- c. CONTRACTOR shall have the sole right to set rates and collect fees for the operation of said transfer station, including establishing policies for acceptance and receipt of materials during the operation of the transfer station.
- d. CONTRACTOR agrees to complete and place said transfer station into operation as soon as practicable, but in any case within eighteen months, after a site is made available to CONTRACTOR by COUNTY and COUNTY has approved plans and specifications as submitted by CONTRACTOR pursuant to COUNTY'S request and CONTRACTOR

has been issued all permits pertaining thereto. Contractor will apply for all permits within sixty (60) days after COUNTY has approved site plans and specifications.

- e. COUNTY warrants that said transfer station site which it provides to CONTRACTOR shall be free of waste materials deemed hazardous or toxic under provisions of Federal, State, or local law when said site is made available to CONTRACTOR, and CONTRACTOR warrants that said site shall be returned to COUNTY in reasonably similar condition, free of waste materials deemed hazardous or toxic under provisions of Federal, State, or local law.
- f. In the event that the need for said additional transfer station shall diminish over the years, as indicated by a significant decrease in use, the CONTRACTOR shall have the right to request discontinuance of operation of said transfer station by giving the COUNTY notice One Hundred and Twenty (120) days prior to closure, and such closure being approved by the Board of County Commissioners.
- 10. CONTRACTOR agrees to establish and place into operation a minimum of seven solid waste disposal convenience centers or transfer stations, one to serve each of the communities

within rural solid waste service areas as delineated in the attached Exhibits "C" and "D-1 through D-6"; specifically one site for each of the following: communities: Mt. Charleston, Indian Springs, Overton/Logandale, Moapa/Glendale, Bunkerville, Searchlight, and Sandy Valley/Goodsprings. These centers shall provide residents of the area with alternative solid waste disposal, and at CONTRACTOR'S discretion, may be used as solid waste transfer stations for transshipment of solid waste to authorized landfills.

- a. Said rural convenience centers or transfer stations shall be located on mutually acceptable sites owned or controlled by the COUNTY or the CONTRACTOR and approved by the Board of County Commissioners.
- b. COUNTY and CONTRACTOR agree that CONTRACTOR shall have the right, subject to existing laws and codes, to determine physical layout, construction and operational characteristics of the sites. However, CONTRACTOR agrees to meet with COUNTY and local town advisory boards and citizens advisory committees within each area to obtain inputs and ascertain the desires of the residents for this service. CONTRACTOR agrees to operate convenience centers for public access a minimum of four (4) hours per day, a minimum

- of three (3) days per week, one such day being on a weekend.
- c. CONTRACTOR agrees to assume full costs and responsibility for site improvements, construction, operations, maintenance, and liability for operation of each convenience center or transfer site.
- d. CONTRACTOR shall have the sole right to establish rates and collect fees from customers for disposal of solid waste at these centers.
- e. CONTRACTOR and COUNTY agree that all such permanent or temporary convenience centers or transfer stations shall be placed in operation not later than one year after such sites are made available to CONTRACTOR by COUNTY or to COUNTY by CONTRACTOR. COUNTY agrees to provide paved ingress and egress to the sites from existing paved roads.
- f. COUNTY and CONTRACTOR agree that upon CONTRACTOR's placing in operation all rural area convenience centers required by this contract or, in the alternative, the receipt by CONTRACTOR of a written declination of the Board of County Commissioners to have a convenience center or transfer station in a specified rural area, the termination date of this contract as specified in Paragraph 4, above, shall be

amended by contract modification to reflect an expiration date of September 30, 2020. Sites must be recommended by town advisory boards, and approved by the Board of County Commissioners no later than December 31, 1997, or CONTRACTOR will be excused from performance at that particular site.

- 11. CONTRACTOR shall have the exclusive right to collect and haul solid waste within unincorporated Clark County. CONTRACTOR shall have the exclusive right to operate a curbside recycling collection program for CONTRACTOR'S single and multi-family residential customers during the period this contract is in force, subject to the provisions contained in this Contract and in Chapter 9.04 of the Clark County Code and amendments therete, and except in instances where by reason of the provision of this Contract or by mutual agreement between COUNTY and CONTRACTOR the CONTRACTOR is excused and/or not required to make any collection.
- 12. CONTRACTOR shall make all collections of rates, fees and charges subject to provisions in Chapter 9.04 of the Clark County Code and amendments thereto, and shall establish and maintain an accounting system acceptable to COUNTY Director of Business License to insure full and complete records so as to reflect correctly and accurately the

gross receipts from the collection of solid waste under this contract, and full and complete records of the collection and disposition of quantities of recyclable materials under this Contract, shall also file with the COUNTY Director of Business License, within thirty (30) days after the end of the preceding quarter, a statement of the gross receipts derived from the collection of solid waste including curbside recycling under this contract, during the quarter next preceding the date of such statement, sworn to before a Notary Public. Such records and statements are, at the option and expense of the Director of Business License, subject to audit. All payments made to CONTRACTOR by users of CONTRACTOR' solid waste service provided under this Contract shall be evidenced by written receipts and shall be properly accounted for as revenue items. The books and records shall be produced for inspection at any time during normal business hours and shall be made available for auditing purposes at any time during normal business hours upon the request of the COUNTY Director of Business License.

13. CONTRACTOR shall provide for the payment on a quarterly basis, of a franchise license fee to COUNTY of five percent (5%) of the gross receipts derived from the collection of solid waste including curbside recycling

under this agreement, to include gross receipts for any additional services or service levels negotiated separately with customers from the rates contained in Chapter 9.04 of the Clark County Code and amendments thereto. Gross receipts mean cash collections on customer accounts less cash refunds. CONTRACTOR shall provide for payment on a quarterly basis of a franchise license fee to COUNTY of five percent (5%) of the gross receipts derived from fees paid by customers to deposit solid waste at transfer stations and solid waste convenience centers required by provisions of this Contract and operated by CONTRACTOR within unincorporated Clark County.

- County Director of Business License a surety bond, or cash, or its equivalent, in the amount of Two Hundred Fifty Thousand Dollars (\$250,000.00), to be in a form acceptable to the Director of Business License to insure the collection of solid waste and its disposal as specified herein. Such bond shall be conditioned upon the faithful performance of this Contract and compliance with all applicable ordinances and laws of Clark County and the State of Nevada, and regulations of the Clark County Health District.
 - a. In the event of a breach, for the time hereinafter

specified, said bond or cash shall be forfeited. order that the public health and safety shall not be endangered thereby, CONTRACTOR agrees that after a hearing and determination thereof by the Board of County Commissioners if there is clear and convincing evidence to that a breach has occurred, the COUNTY shall have the right immediately to take over the collection of all solid waste and to take possession of such private land and equipment owned or leased by CONTRACTOR, and used by it in the performance of solid waste collection pursuant to this Contract, only to the extent that it may be necessary for COUNTY to temporarily provide such collection of solid waste. This possession by the COUNTY shall be limited to a period not to exceed three (3) months and during said period COUNTY shall pay to CONTRACTOR the reasonable rental value of similar private land and equipment.

b. Should a breach of this Contract result from an act of God, public enemy, or similar cause beyond CONTRACTOR'S control as determined by a hearing by the Board of County Commissioners, COUNTY shall have the right during such period to take over the collection of solid waste and equipment owned or leased by CONTRACTOR, and used by it in the performance of this

COUNTY shall be reimbursed therefor by Agreement. CONTRACTOR on a cost basis during the period of time that said solid waste collections are made by the COUNTY. Such reimbursement shall not exceed one Hundred Twenty-Five percent (125%) of CONTRACTOR'S costs for a like period of time immediately preceding said breach, such like period of time to be based upon the entire period said breach shall continue, notwithstanding the fact that such collections by COUNTY may not have commenced immediately upon the occurrence of said breach.

- c. In the event COUNTY shall take over the collection of solid waste, as in this paragraph provided, CONTRACTOR agrees to manage the office, including the preparation and mailing of bills and the collection of accounts receivable, with its administrative personnel and shall cooperate fully with COUNTY in facilitating the collection of solid waste.
- d. COUNTY waiver of any breach shall not constitute a waiver of any subsequent breach, either of the same or any other provisions herein.
- 15. Not later than ten (10) calendar days after approval of this Agreement by the Board of County Commissioners the CONTRACTOR shall furnish the COUNTY Director of Business

License a policy or certificate of protective liability insurance in which the COUNTY shall be named as an additional insured with the CONTRACTOR as follows:

Comprehensive General Liability Insurance with a minimum limit of One Million Dollars (\$1,000,000) for bodily injury and property damage, including automobile and other than automobile and including accidental death.

- 16. The CONTRACTOR shall furnish and maintain in full force and effect during the term hereof, or any extension of this Contract, full compensation insurance in accordance with the Nevada Industrial Insurance Act and/or other State laws now in force, as the same may from time to time be amended.
- The CONTRACTOR will be required by this Contract to appear 17. in, and defend, all actions against the County of Clark arising out of the privileges conferred by this Contract, and CONTRACTOR agrees to hold the COUNTY harmless from all claims, damages or loss from any and all exclusively arising under performance of this contract for the duration of this Contract, unless such claims, damages or loss are directly attributable to the negligence or omission of the COUNTY or its other agents, servants or employees. The CONTRACTOR shall pay all other such losses, damages or claims for which the COUNTY may be

liable and save the COUNTY harmless from any accident or casualty, damages, losses, or claims which may happen or arise in conjunction with the performance of this Contract.

- CONTRACTOR shall cause to be performed an annual financial 18. audit in accordance with generally accepted auditing standards as of and for the year ended September 30 to be conducted by a licensed Certified Public Accountant selected by the CONTRACTOR. Such audit shall contain financial statements and note disclosures in conformity with generally accepted accounting principles. conjunction with this audit, the auditor shall perform agreed-upon-procedures to attest to (1) the accuracy of the rate calculation as shown in Attachment "A" and (2) the accuracy of performance indicators shown in Attachment "B." CONTRACTOR records pertaining to the aforementioned Attachments shall, at the option and expense of the COUNTY, be subject to review by COUNTY personnel qualified in audit techniques and procedures. The financial audit and related agreed-upon-procedure reports shall be filed with the Director of Business License within the second quarter of the CONTRACTOR'S fiscal year.
- 19. It is mutually agreed that COUNTY and CONTRACTOR shall have the right to review the collection rates as contained

☑ 022/031

in Chapter 9.04 of the Clark County Code and amendments thereto not more frequently than once each year during the first quarter of each calendar year, at which time the Board of County Commissioners shall determine whether an increase or decrease in rates charged to customers should be made.

The following methodology will be used in determining proposed rate changes commencing with the year ending September 30, 1996:

- The CONTRACTOR'S income and expense accounts shall be allocated between (1) those amounts attributable to the exercise and performance of this exclusive solid waste disposal contract by and between the CONTRACTOR and the COUNTY and other exclusive municipal solid Waste disposal contracts and (2) those not attributable to this and the other municipal contracts. Such income and expense accounts shall be known as contract and non-contract.
- b. The income and expense allocations shall be made in accordance with the following guidelines:
 - 1) Nellis Air Force Base Revenue and Incentive Store Revenue will be considered as non-contract revenue.
 - 2) The Cost of Premises at 770 East Sahara Avenue,

for contract purposes, will be calculated at fair rental value as determined by the CONTRACTOR and verified by the COUNTY to be reasonable. Such rental will be for actual square footage utilized and will be adjusted annually for current rental rates. The balance of costs will be allocated to non-contract revenues.

- 3) The computation for allocation of Nellis Air Force Base Costs will be based upon hours of operation of disposal trucks and personnel on a cost-perhour basis.
- 4) Disposal personnel costs and operating costs, as well as Cheyenne vehicle maintenance costs, recycling costs, and hazardous waste removal costs are to be allocated on the relationship of Nellis Air Force Bases revenue to total disposal service revenues.
- Administrative Expenses (as defined in Attachment "A") are allocated on the ratio of contract revenue and non-contract revenue to total revenue.

 Administrative Expenses will not exceed 15% of gross contract revenues. Any excess Administrative Expenses will reduce the expenses allowable for rate-making purposes, and actual

Administrative Expenses below 12% of gross contract revenues will be added to allowable income as an incentive to the CONTRACTOR.

- 6) Federal income taxes will be allocated as to the estimated amount attributable to the non-contract portion of net income, with the balance to be allocated to the contract category. Attachment "A" is an example of the aforementioned allocations and computations for the fiscal year ended September 30, 1995.
- c. Contract net income after taxes and franchise fees paid to the COUNTY will be used to determine if the desired rate of return has been realized during the CONTRACTOR'S most recent fiscal year. CONTRACTOR'S and COUNTY'S desired rate of return is 7% of contract revenues after Federal taxes and franchise fees paid to the COUNTY. In order to make a determination on the net income as computed in Attachment "A," net income must be adjusted for Administrative Expense excesses or for the CONTRACTOR'S incentive. The adjusted net income will be compared to 7% of contract revenues and the shortfall, if any, may be requested by the CONTRACTOR in addition to amounts required to result in a 7% return, provided that the CONTRACTOR

meets the performance standards to be set forth herein.

- d) CONTRACTOR agrees to provide to the COUNTY on an annual basis the following supplemental information (Attachment "B"), so that the COUNTY may determine the various performance indicators as it deems appropriate in the evaluation of the CONTRACTOR as it applies to increases in solid waste disposal rates:
 - Current year budget and actual expenses in prior year (Attachment "A")
 - 2) Number of collection vehicles
 - 3) Number of collection personnel
 - Number of customers
 - 5) Tons of solid waste deposited in the landfill
 - 6) Number of collection man-hours paid
 - 7) Residential and multifamily recycling indicators
 - a. Tons of glass sold
 - b. Tons of paper sold
 - c. Tons of aluminum sold
 - d. Tons of steel/tin cans sold
 - e. Gallons of used motor oil sold
 - f. Tons of cardboard sold
 - g. Tons of plastic sold
- 8) Landfill facilities

- Number of personnel
- b. Schedule of significant equipment used

 Performance indicators will be monitored by the COUNTY for an
 initial period of three (3) years. Material negative
 deviations subsequent to the initial three (3) year period may
 be considered in determining future rate increases.
 - e. It is further mutually agreed that in the event the general wage scale in the vicinity of Clark County shall be materially increased or decreased during the term of this Contract, by reason of war, inflation, depression or other unavoidable happening, the parties hereto may, upon either party giving thirty (30) days notice in writing to the other, re-negotiate the rates and service levels as specified in Chapter 9.04 of the Clark County Code and amendments thereto to provide for such raising or lowering of wages.
 - f. In the event the County Commissioners determine, based upon sound and legitimate business and economic factors, that a requested rate increase should not be made or that the current rates then in existence should be lowered, CONTRACTOR shall have the right to terminate this Contract upon giving ninety (90) days written notice to the Board of County Commissioners of its intention so to do. In that event the Board of

County Commissioners may purchase or lease the equipment and property then owned and in use by said CONTRACTOR in accordance with the terms and conditions contained within this Contract to relating to Contract termination.

- g. In the event the COUNTY elects to rent said equipment, the period of rental shall be for a period of time mutually agreeable to the parties hereto. In the event the parties cannot agree as to matters in this paragraph contained, then the other provisions of this Contract shall apply.
- 20. CONTRACTOR agrees to provide data and reports necessary to fulfill requirements of the COUNTY and/or the Solid Waste Management Authority for assessing and reporting recycling and hazardous waste collection program results in conformance with applicable federal and state laws and regulations.
- 21. The rights and privileges granted by this Agreement are not assignable, either voluntarily or by operation of law without the consent of the Board of County Commissioners. In the event CONTRACTOR becomes insolvent or bankrupt, the rights or privileges granted hereby shall then be immediately cancelled and annulled, and COUNTY shall have the right to take over said business or substitute another

- contractor in its place and stead as provided by law.
- 22. Should CONTRACTOR fail or neglect to make any solid waste collections as required by this Contract within the time herein provided, the COUNTY shall, after two working days, have the right to temporarily make collection thereof and charge CONTRACTOR with the cost thereof.
- 23. CONTRACTOR agrees to make collections as quietly as possible giving due consideration to residential areas in their route scheduling.
- 24. CONTRACTOR shall indemnify and hold COUNTY harmless from any and all claims, demands, damages, costs, expenses and attorney fees to the extent based upon or arising out of the acts of omissions of CONTRACTOR, its officers, employees, subcontractors and other agents in equipping, maintaining, or servicing transfer stations and convenience centers unless such claims, damages or loss are directly attributable to the negligence or omission of the COUNTY or its other agents, servants or employees.
- 25. In the event the Board of County Commissioner determines that the CONTRACTOR is in default under any of the provisions hereof, the Board of County Commissioners shall give the CONTRACTOR written notice thereof, specifying the provisions hereof under which the default has been

determined to exist and give the CONTRACTOR sixty (60) days within which to commence correction of any such default. In the event CONTRACTOR does not commence correction of any such default within said sixty days, as in this paragraph provided, then the COUNTY may terminate this Contract upon giving of thirty (30) days written notice to CONTRACTOR; and COUNTY may take possession of the equipment and other property of the CONTRACTOR as hereinbefore provided, and the bond deposited CONTRACTOR in conformity with the provisions contained within this Contract shall be forfeited.

26. At the end or sooner termination of this Contract, COUNTY agrees to lease all usable equipment and other property belonging to and used exclusively by CONTRACTOR for solid waste collection required under terms of this contract, provided mutually satisfactory terms can be agreed upon between the parties. In the event the parties are unable to agree as to rental and other lease terms, COUNTY hereby shall then be entitled to buy all aforesaid usable equipment and other property owned and used by CONTRACTOR in the operation of its solid waste business within unincorporated Clark County at the fair market value as determined by an appraisal by an independent and mutually agreed upon appraiser.

08/27/2007 18:00 FAX 702 386 2168

- 27. CONTRACTOR and COUNTY agree that in the event any of the area delineated in the attached exhibits hereto shall subsequently be annexed or otherwise incorporated, this Contract shall abate to the extent of any such annexation or incorporation, and thereafter service to such area or areas shall be governed by the provisions of any solid waste collection and disposal franchise granted by such incorporated city.
- 28. CONTRACTOR and COUNTY agree that in the event any area or areas not within the Urban or Rural Service Areas as delineated in the attached Exhibits shall subsequently be provided solid waste collection service by CONTRACTOR, said area or areas shall be incorporated into the franchised Urban or Rural Service Areas or shall be designated as a Special Service Area as appropriate and as mutually agreed to by CONTRACTOR and COUNTY.
- 29. If any provision hereof shall, for any reason, be held to be invalid, such fact shall not be deemed to invalidate any other provision herein.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

CLARK COUNTY AMENDMENT 1

AGREEMENT REGARDING SUNRISE LANDFILL AND EXTENSION OF FRANCHISE AGREEMENT

This Agreement Regarding Sunrise Landfill (this "Agreement") is entered into this 15th day of June, 1999 ("Effective Date") by and among the County of Clark, a political subdivision of the State of Nevada (the "County" or "Clark County"), Republic DUMPCO, Inc., a Nevada corporation, d/b/a DUMPCO ("Republic DUMPCO"), Republic Silver State Disposal Inc., a Nevada corporation, d/b/a Silver State Disposal Service ("RSSD"), and Republic Services, Inc., a Delaware corporation ("Republic").

RECITALS

WHEREAS, the County, RSSD, and Republic DUMPCO and Republic have entered into this Agreement to define the rights and liabilities as between them pertaining to the Sunrise Regional Landfill, a former operating landfill generally situated within portions of Sections 1 and 12, Township 21 South, Range 62 East, Mount Diablo Meridian, which for purposes of this Agreement includes disposal areas adjacent to the permitted landfill area (collectively, "Sunrise Landfill"), and to further define the rights and liabilities of the parties with respect to certain administrative enforcement orders issued to Clark County, RSSD, Republic DUMPCO and others by the United States Environmental Protection Agency (EPA) on April 26, 1999; and

WHEREAS, the Sunrise Landfill is located upon real property owned by the federal Bureau of Land Management (BLM);

NOW, THEREFORE, the Parties do agree as follows:

I.

RECITALS AND FACTUAL BACKGROUND FOR THE AGREEMENT

- 1.01 August 31, 1993 MOU and October 5, 1993 Modification Agreement. On August 31, 1993, the County, Silver State Disposal Urban Maintenance Company (DUMPCO, Republic DUMPCO's predecessor in interest) and Silver State Disposal (RSSD's predecessor in interest) entered into a Memorandum of Understanding (MOU) which set forth certain terms and conditions for the closure of Sunrise Landfill and the opening of the Apex Regional Landfill. A true and correct copy of the MOU is attached hereto as Exhibit "A" and incorporated by reference as though fully set forth herein. On October 5, 1993, Clark County and Republic DUMPCO entered into a Modification Agreement to Franchise Agreement for Collection and Disposal of Solic. Waste ("Modification Agreement"). The Modification Agreement implemented the MOU and established certain terms and conditions for closure of the Sunrise Landfill and the opening of the Apex Regional Landfill. Republic DUMPCO owns, operates, and maintains a landfill generally known as Apex Regional Landfill, generally situated near the intersection of Interstate 15 and U.S. Eighway 93 in Clark County, Nevada. A true and correct copy of the Modification Agreement is attached hereto as Exhibit "B" and incorporated by reference as though fully set forth herein.
- 1.02 Franchise Agreement. On February 6, 1996, the County and RSSD's predecessor executed a Franchise Agreement for Collection and Disposal of Solid Waste ("Franchise

Agreement"). Pursuant to Paragraph 4 of the Franchise Agreement, RSSD owns the exclusive right to perform collection and disposal of solid waste in Clark County until September 30, 2010. Pursuant to Paragraph 10(f) of the Franchise Agreement, RSSD's exclusive right to perform collection and disposal of solid waste in Clark County is extended until September 30, 2020, provided RSSD establishes and places into operation at least seven (7) solid waste disposal convenience centers or transfer stations, as provided in Paragraph 10 of the Franchise Agreement.

- 1.03 Assignment of Modification Agreement to Republic DUMPCO. On August 5, 1997, RSSD was assigned the obligations and responsibilities of the 1993 Modification Agreement between Clark County and DUMPCO, as well as all right title and interest in the 1994 Closure Plan for the Sunrise Landfill. RSSD assumed the obligations of the Modification Agreement, including the obligation to close the Sunrise Landfill in compliance with all applicable federal, state, and local laws and regulations, existing at the time of closure, at no cost to the County, and to comply with the closure requirements of the BLM, as set forth in the lease documents between the County and BLM.
- 1.04 Rainfall Event. On September 11, 1998, a greater than 100-year rainstorm event concentrated over the Sunrise Mountain area exposed significant quantities of solid waste buried adjacent and northeast of the 720-acre Sunrise Landfill (the "Northeast Canyon Area"). The resulting flood waters carried solid waste from the Northeast Canyon Area, through the Sunrise Landfill surface drainage structures, and into the unnamed tributary to the Las Vegas Wash. The flood waters also breached certain surface drainage structures, compromised cells within the Sunrise Landfill itself, and caused small quantities of solid waste to be released from Sunrise Landfill to the unnamed tributary.
- 1.05 RCRA Order. On April 26, 1999, the U.S. Environmental Protection Agency ("EPA") issued RCRA Order, Docket No. 7003-09-99-0005 ("RCRA Order"), naming DUMPCO, RSSD, Republic Industries, Inc. ("RII"), SSDS Liquidating Corporation, and Clark County Public Works as Respondents. The effective date of the RCRA Order was May 6, 1999. EPA issued the RCRA Order, in part, because the September, 1998, rainfall event caused the discharge of solid waste into a tributary leading to the Las Vegas Wash. The RCRA Order, which is attached hereto as Exhibit "C" and incorporated herein by this reference, compels performance of action items, among others, relating to "Run-on/Run-off Controls," "Facility Assessment and Corrective Measures," and "Long-Term Operation and Maintenance Requirements." The RCRA Order requires performance of action items for the 720-acre Sunrise Landfill, as well as areas denoted as the "Eastern Perimeter Area," "Southern Wash Area," and "Western Burn Pit Area," all as illustrated on an exhibit to the RCRA Order.
- 1.06 CWA Order. On April 26, 1999, the EPA issued CWA Order, Docket No. CWA-309-9-99-14 (the "CWA Order"), attached hereto as Exhibit "D" and incorporated herein by this reference, naming DUMPCO, RSSD, RII, and Clark County Public Works as Respondents. The effective date of the CWA Order was April 26, 1999. EPA issued the CWA Order, in part, because the September, 1998, rainfall event caused the discharge of solid waste into a tributary leading to the Las Vegas Wash. The CWA Order details action items to be performed in and around the Sunrise Landfill Area, including a full report on the hydrologic and hydrogeological site conditions, interim plans for repairs to surface water controls and for additional storm water controls, clean up of debris in the area, compliance with Industrial Storm Water General Permit No. GNV0022233, and other measures.

- Republic DUMPCO to fully comply with the RCRA Order and the CWA Order (collectively referred to herein as the "EPA Orders"). In particular, the County has entered into this Agreement to obtain services from RSSD and Republic DUMPCO to permit it to fully comply with EPA Orders in the event the Sunrise Landfill was closed in accordance with the MOU and the Modification Agreement ("Proper Closure"). RSSD and Republic DUMPCO have agreed to provide such services as documented in the EPA Orders which, in the event of Proper Closure, they would not otherwise be liable for, in exchange for the other promises and agreements contained herein.
- 1.08 Reservation of Rights. Each party expressly reserves its rights as against the other with respect to any claims not specifically addressed by this Agreement, and nothing in this Agreement shall be read to preclude or waive any claims by the respective parties to this Agreement as against other persons or entities not a party to this Agreement, including, without limitation, BLM, Silver State Disposal Service, Inc. and former officers, directors and shareholders of Silver State Disposal Service, Inc. as well as affiliated entities of former Silver State Disposal Service, Inc.

II. AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties hereto agree as follows:

2.01 Compliance with the EPA Orders.

- a. RSSD and Republic DUMPCO shall take all actions necessary to comply fully with all terms and conditions of the EPA Orders (for purposes of this Agreement, "the Project") which includes closure and post-closure care to the extent necessary for compliance with the EPA Orders and state and federal regulations. RSSD and Republic DUMPCO shall undertake the Project in a manner within the discretion of RSSD and Republic DUMPCO, provided the Project complies with the Orders as determined by EPA. The foregoing notwithstanding, RSSD and Republic DUMPCO shall provide Clark County with the opportunity to undertake advance review and comment with respect to any proposed submittal to any regulatory agency in connection with RSSD and Republic DUMPCO's compliance with the EPA Orders.
- b. In the event that RSSD and Republic DUMPCO fail to perform the Project in a manner consistent with the Orders, the County is entitled to perform the compliance action on behalf of RSSD and Republic DUMPCO, and shall be reimbursed by RSSD and Republic DUMPCO for all costs associated with such actions, including the costs of consultants, engineers, coursel and administrative staff time in connection with the action. Prior to initiating any compliance action on behalf of RSSD and Republic DUMPCO, the County shall notify RSSD and Republic DUMPCO in writing of the non-compliance, stating with particularity the nature of any alleged failure to meet the requirements of the Orders, as well as EPA standards and guidelines. The

County shall then allow RSSD and Republic DUMPCO thirty (30) days from receipt of the notice to correct the non-compliance or obtain EPA approval for the RSSD and Republic DUMPCO action that is alleged to be non-compliant. Failure of RSSD and/or Republic DUMPCO to comply with the EPA Orders shall be grounds for the County to pursue Financial Assurance provisions set forth in 2.05 herein.

- c. RSSD and Republic DUMPCO shall provide Clark County with a quarterly report of expenditures made for compliance with the EPA Orders on the 15th day after the end of each quarter following execution of this Agreement, commencing with the quarter ending September 30, 1999. The first report is due on October 15, 1999. An annual report shall specify the amount of expenses, by category and type with a detailed explanation, for the four (4) quarters, and must be signed by an independent auditor licensed to practice in the state of Nevada selected by the County in its sole discretion. The quarterly and annual reports shall also state the cumulative total of costs to date as of the date of the report.
- 2.02 Cooperation and Communication. The parties agree to cooperate as necessary to effectuate the purposes of this Agreement, and to respond efficiently to the EPA Orders. The Parties agree to provide each other with informational resources helpful to the cooperative effort. The parties shall provide each other with a copy of all correspondence, reports, or other documentation submitted to EPA or the Nevada Division of Environmental Protection, at the following addresses:

John Schlegel Director, Comprehensive Planning 500 S. Grand Central Parkway Las Vegas Nevada 89155 Stephen Kalish, Vice President Republic Silver State Disposal Service, Inc. 770 E. Sahara Avenue Las Vegas, Nevada 89104

2.03 Indemnity, Defense, and Hold Harmless.

- Except as specifically provided in sub-paragraph 2.03 b. below, RSSD and Republic DUMPCO, as well as their successors, parents, subsidiaries and affiliates (collectively RSSD and Republic DUMPCO) agree to defend, fully indemnify and hold harmless the County, its commissioners, departments, employees, agents, consultants and attorneys from and against all claims, demands or causes of action, including without limitation, claims and demands brought pursuant to the Resource Conservation and Recovery Act (RCRA), the laws, rules and regulations of the State of Nevada Department of Conservation and Natural Resources, Division of Environmental Protection (NDEP), and the laws, rules and regulations of the Clark County Health District (CCHD), arising from or related to any failure of RSSD or Republic DUMPCO to comply with the EPA Orders.
- b. RSSD and Republic DUMPCO agree to indemnify, defend, protect and hold harmless the County and the County's officers, agents, employees, contractors and subcontractors upon and against any claims, suits or demands for personal injury, death or property damage (but not including any claims for damages to natural resources), arising out of or related to RSSD's and Republic

DUMPCO's compliance with the EPA Orders, where it is established that the injury, death or damage was the result of negligence, whether active or passive, or an omission, whether active or passive, or the intentional conduct of RSSD, Republic DUMPCO or its officers, agents, employees, contractors and subcontractors. RSSD and Republic DUMPCO shall have the right, when acting under this paragraph 2.03 b. to select counsel and to direct the course of the proceeding, including the settlement thereof provided that: (1) Silver State does not dispute the indemnity, defense or hold harmless obligation; (2) the counsel selected has experience in this type of proceeding; and (3) the County shall be kept apprised of the progress of the proceeding.

2.04 Modification of Franchise Agreement. Pursuant to NRS 244.187 and 244.188, the Board of County Commissioners of Clark County, Nevada, is authorized to extend the exclusive franchises now held by RSSD and Republic DUMPCO to perform collection and disposal of "garbage and other waste" as contemplated herein. In consideration of the mutual provisions and covenants herein, RSSD and Republic DUMPCO shall have the exclusive right to perform collection and disposal of solid waste in Clark County for an additional 15 year period following the current termination date of the Franchise Agreement. Paragraphs 4 and 10(f) of the Franchise Agreement shall be and, upon execution of this Agreement, hereby are modified as follows:

Paragraph 4

This Contract shall become effective on February 6, 1996, and terminate on September 30, 2025, said effective and termination dates being subject to all additional provisions for extension or early termination contained within this contract. This Contract may be canceled by the CONTRACTOR with 180 days written notice to the COUNTY.

Paragraph 10(f)

COUNTY and CONTRACTOR agree that upon CONTRACTOR's placing in operation all rural area convenience centers as may be required by this Contract or, in the alternative, the receipt by CONTRACTOR of a written declination of the Board of County Commissioners to have a convenience center or transfer station in a specified rural area, the termination date of this Contract as specified in Paragraph 4, above, shall be amended to reflect a termination date of 2035.

2.05 Financial Assurances

a. Financial Assurances For Project Costs. RSSD and Republic DUMPCO and/or Republic Services, Inc. shall provide financial assurances in the form of a performance bond for the full costs of compliance with the EPA Orders, in the amount of the costs of compliance estimated by a civil engineer with solid waste engineering experience, licensed in the State of Nevada. The cost estimate is attached hereto as Exhibit "E" and incorporated by reference as though fully set forth herein. The terms of the financial assurance shall authorize Clark County to draw upon the bond without the coasent or authorization of RSSD or Republic DUMPCO in accordance with the provisions of paragraph 2.01(b). A performance bond secured by RSSD and

Republic DUMPCO and/or Republic Services, Inc., in accordance with this paragraph must name Clark County as the direct and sole beneficiary, must be for the amount described in Section 2.05(b) of this Agreement, must be secured from a provider that is "A" rated or better from Standard & Poors and/or Moody's Investors Service, must be bankruptcy remote (including a clear preference opinion as to the County's ability to access the performance bond proceeds), must be in force for the full term of the Agreement, and must be secured from a provider that is unrelated to RSSD and Republic DUMPCO and/or Republic Services, Inc.

- Estimated "Project" Costs. RSSD and Republic DUMPCO estimate that b. approximately \$36 Million Dollars (\$36,000,000) in expenditures will be required to perform the Project tasks outlined by the EPA Orders. If, beginning on the Effective Date, at any time during the term of the Franchise Agreement or any extension thereof, RSSD's and Republic DUMPCO's total costs to comply with the Orders exceed \$36 Million Dollars, nothing herein shall preclude RSSD and Republic DUMPCO from seeking additional sources of funding, including, without limitation, applying for collection rate increases or requesting extensions of the term of the Franchise Agreement. RSSD and Republic DUMPCO shall track cumulative Project costs pursuant to paragraph 2.01(d). RSSD and Republic DUMPCO acknowledge that any applications for rate increases or requests for Franchise Agreement extensions are discretionary determinations within the exclusive jurisdiction and authority of the Clark County Board of Commissioners (Board), which must be based on the facts and circumstances presented to the Board in cornection with any such application or request. No approval of any prospective rate increase or Franchise Agreement extension shall nor can be inferred or implied by reason of the provisions of this paragraph.
- 2.06 Sunrise Landfill Ownership. BLM is the fee owner of the Sunrise Landfill that is subject to the EPA Orders. BLM ownership of the these lands may present an impediment to efficient compliance with the Orders, and make the long term productive use of lands more difficult. The County agrees to initiate the appropriate Federal Land Policy Management Act process (either public land sales under Section 203 or through the R&PP Act) to obtain full fee title to the Sunrise Landfill property. The County acknowledges that RSSD and Republic DUMPCO are interested in securing fee ownership in these lands and will work with RSSD and Republic DUMPCO, within the limits of County ordinances, policies, and procedures, to secure an interest.
- 2.07 County's Employment of Consultants and Experts. Clark County shall have the right to employ counsel and experts of its own choosing at its cost to defend against any action concerning the Sunrise Landfill, or to address Sunrise Landfill compliance requirements. RSSD and F.epublic DUMPCO agree that any submittal concerning the Sunrise Landfill required by a federal, state or local regulatory agency must be provided to Clark County at least ten (10) days in advance of the agency's submittal date, to facilitate Clark County's review and comment on the proposed submittal.
- 2.08 Acknowledgments. The parties mutually understand and agree, not withstanding any provision to the contrary, that: (i) each of the parties deny the legal responsibility or liability for the matters set forth in the RCRA Order and CWA Order and that execution of this Agreement is

not to be construed as an admission of liability on the part of any party to this Agreement: (ii) no promise or inducement has been offered except as herein set forth; (iii) this Agreement is rnade in good faith and in conformance with all applicable law; and (iv) the parties are legally competent to execute this Agreement and to accept full responsibility therefore.

- 2.09 Integration. This Agreement represents the full and complete integration of the agreement between the parties pertaining to compliance with the EPA Orders and is the complete expression thereof. This Agreement may not be amended or modified except in writing and signed by each of the parties. All other agreements, negotiations, and representations between the parties, whether orally or in writing, pertaining to compliance with the EPA Orders, and to the extent not expressly set forth herein, are void and of no force or effect whatsoever. Provided, however, that this Agreement shall not modify the terms of or affect the force or validity of prior written agreements between the parties, including the Franchise Agreement, except as expressly set forth here n.
- 2.10 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Nevada.
- 2.11 Counterparts. This Agreement may be executed in any number of counterparts confirmed by facsimile signatures transmitted by telephone, each of which shall be deemed a duplicate original. The original signatures shall be forwarded the same business day as the confirmation facsimile.
- 2.12 Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid, illegal, or unenforceable to any extent, the remainder of this Agreement and the application thereof shall not be affected and shall be enforceable to the fullest extent permitted by law. Notwithstanding the foregoing, in the event the extension of the Franchise Agreement as contemplated herein is deemed unenforceable, illegal, or unconstitutional by a court of competent jurisdiction, this Agreement shall be null and void, and of no force or effect whatsoever.
- Binding Effect of Agreement/Restriction On Assignment. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors, or assigns, as the case may be. No change in the ownership or corporate, partnership or other legal status of RSSD and/or Republic DUMPCO shall in any way alter RSSD's and Republic DUMPCO's obligations and responsibilities under this Agreement. No assignment of any responsibilities under this Agreement may be made by RSSD and/or Republic DUMPCO without the express written consent of the County. Consent shall not be unreasonably withheld. Clark County shall have the right to require any reasonable condition on any proposed assignment to effectuate the purposes of this agreement, including a requirement that RSSD and/or F.epublic DUMPCO remain responsible for the Sunrise Landfill in addition to a proposed assignee. Clark County shall have the right to determine whether any prospective assignee has the financial and technical expertise to perform as required by this Agreement. "Assignment" includes any change in ownership involving 50% or more of the outstanding shares of RSSD, Republic DUMPCO, or any of their parent corporations or wholly-owned subsidiaries.
- 2.14 <u>Guaranty By Parent Corporation</u>. RSSD and Republic DUMPCO are wholly owned subsidiaries of Republic, a publicly traded company listed on the New York Stock Exchange. Each and every obligation of RSSD and Republic DUMPCO under this Agreement, including without

limitation the obligation to comply with the EPA Orders for Sunrise Landfill, including any required closure and post-closure care and monitoring, is guaranteed by Republic, who stands as guarantor under this Agreement. In the event that RSSD and/or Republic DUMPCO are unable or unwilling to comply with the terms and conditions of this Agreement for any reason, then Republic shall be responsible for compliance with all terms and conditions of this Agreement in place and instead of RSSD and/or Republic DUMPCO. The written Guaranty of Republic is attached as Exhibit 'F' and incorporated by reference as though fully set forth herein.

2.15 Attorney's Fees. In the event any legal action is necessary to enforce the terms of this Agreement, the prevailing party shall be entitled to an award of reasonable attorneys's fees and costs, including expert fees, consultant expenses and administrative staff time.

CLARK COUNTY BOARD OF COMMISSIONERS AGENDA ITEM

Garden je

! _		The state of the s
Issue:	Republic Services Franchise Amendment	Back-up:
Petitioner:	Donald G. Burnette, Chief Administrative Officer	Gerk Ref. #
373		

Recommendation:

That the Board of County Commissioners approve and authorize the Chairman to sign the Second Amendment to the Franchise Agreement between Clark County and Republic Services providing for companies other than Republic to operate as materials recovery facilities; providing for the County Manager to adjust hours of operation at specific solid waste convenience centers in exchange for waiver of rates; and amending Republic's service area to delete the Town of Bunkerville.

FISCAL IMPACT:

None

BACKGROUND:

Nevada Construction Cleanup, Inc. (NCCI), a construction cleanup company that hauls construction or demolition waste, filed a suit in April 2002 against the County, Health District and Republic challenging County and Health District solid waste management laws and regulations and Republic's exclusive franchise. Lunas, also a construction cleanup company, filed to intervene in that suit in August 2004, but voluntarily withdrew.

Settlement discussions have been underway to allow NCCI and Lunas to operate as materials recovery facilities in addition to hauling construction or demolition waste. Recently the Board adopted ordinance amendments creating a materials recovery facility category in County Code and paving the way for the companies to apply for a permit to operate as such. This type of business would allow them to haul construction or demolition waste back to their permitted facility, sort out recyclables and take the remaining waste to the authorized landfill, subject to regulation by the County and Health District.

This franchise amendment will amend Republic's franchise agreement with the County to allow for companies other than Republic to operate materials recovery facilities, and has been approved as to form by the District Attorney's Office. The amendment also authorizes the County Manager to work with Republic to change hours of operation at rural solid waste convenience centers in exchange for allowing the public to use the facilities for free. In addition, the amendment removes Bunkerville from Republic's service area as Virgin Valley Disposal currently services Bunkerville; the County will enter into a franchise agreement with Virgin Valley Disposal for that service.

There is a companion item on this agenda to approve a settlement agreement with Lunas Construction.

Respectfully submitted,

DONALD G. BURNETTE

Chief Administrative Officer

Agenda //____

SECOND AMENDMENT TO FRANCHISE AGREEMENT FOR COLLECTION AND DISPOSAL OF SOLID WASTE

These Amendments to the Franchise Agreement are made and entered into this 2ND day of AUGUST, 2005, by and between the COUNTY OF CLARK, a political subdivision of the State of Nevada, hereinafter referred to as "County," and REPUBLIC SILVER STATE DISPOSAL, INC., a Nevada corporation d/b/a Republic Services, Inc., a wholly-owned subsidiary of Republic Industries, Inc., duly authorized to do business under the laws of the State of Nevada, hereinafter referred to as "Franchisee."

WITNESSETH:

WHEREAS, on February 6, 1996, the County entered into a Franchise Agreement with Silver State Disposal Services, Inc., to provide solid waste collection, transportation and disposal services in unincorporated Clark County; and

WHEREAS, on August 5, 1997, the Franchise Agreement was transferred and assigned to Republic Silver State Disposal, Inc., a wholly-owned subsidiary of Republic Industries, Inc.; and

WHEREAS, on June 15, 1999, the County and Franchisee entered into an Agreement Regarding Sunrise Landfill and Extension of Franchise Agreement (the first amendment to the Franchise Agreement) which modified the term of the Franchise Agreement by adding 15 years.

NOW, THEREFORE, the parties agree to amend the following sections of the Franchise Agreement as follows:

 Section 1 of the Franchise Agreement is hereby amended by replacing the Section in its entirety with the following Section 1, to read as follows:

For and in consideration of the demands, terms, covenants, agreements and conditions herein contained, and with the construction or demolition waste exception noted in Section 2 below, CONTRACTOR hereby agrees to collect and dispose of solid waste as described in Title 9, Chapter 9.04 of the Clark County Code and amendments thereto, and in conformity with all applicable laws, regulations and ordinances, from the receptacles kept and maintained by the places of business, public buildings, hotels, mobile home parks, multifamily dwellings and single family dwellings within the boundaries of the Urban Solid Waste Service Area (hereinafter referred to as the Urban Area), as more particularly described in Exhibit "A" and delineated on the maps marked Exhibits "B-1 and B-2" which exhibits are attached hereto and by this reference made a part hereof, as provided for in Chapter 9.04; and the Rural Solid Waste Service Area (hereinafter referred to as the Rural Area), as more particularly described in

Exhibit "C" and delineated on the maps marked Exhibits "D-1 through D-[6] 5" which exhibits are attached hereto and by this reference made a part hereof, as provided for in Chapter 9.04 of the Clark County Code and amendments thereto. CONTRACTOR and COUNTY agree that CONTRACTOR shall continue service for existing customers as of the effective date of this contract.

II. A new Section 2 is hereby added to read as follows:

CONTRACTOR has the right, though not the exclusive right, to collect, transport and dispose of construction or demolition waste, and haul such waste to an authorized materials recovery facility ("MRF"), transfer station or landfill. A MRF operating pursuant to a permit issued by the Clark County Health District may also collect and transport construction or demolition waste to a MRF, and transport the remaining non-recyclable waste to a disposal site authorized by the solid waste management authority.

- III. Remaining Sections 2 through 29 are hereby renumbered 3 through 30.
- IV. Section 6 (formerly Section 5) is hereby amended by replacing the Section in its entirety with the following Section 6, to read as follows:

CONTRACTOR shall have the exclusive right and agrees to make solid waste collections and provide services at the service levels and rates for the solid waste service areas herein delineated and as specified within this contract, and subject to the exception in Section 2 of this Franchise Agreement and to the provisions in Title 9 of the Clark County Code and amendments thereto, Chapter 9.04. All solid waste so collected shall be hauled to authorized transfer stations, landfills, recycling facilities, MRFs, or such other facilities which may be authorized by the Board of County Commissioners and agreed to by the CONTRACTOR. The routes requested by CONTRACTOR to be traveled within unincorporated Clark County to and from transfer stations and landfills or other authorized facilities shall be subject to agreement by CONTRACTOR and approval by COUNTY.

V. Subsection 7.b (formerly Subsection 6.b) is hereby amended by replacing the Subsection in its entirety with the following Subsection 7.b, to read as follows:

All recyclable material so collected shall be hauled to CONTRACTOR'S Recycling Center. In addition, selected loads of commercial solid waste may be transported in collection trucks to CONTRACTOR'S Recycling Center or CONTRACTOR'S MRF, at CONTRACTOR'S discretion. The recyclable materials shall then be separated and the remaining refuse shall then be hauled to a solid waste transfer station or the Apex landfill, or such other facilities as may be requested by CONTRACTOR and approved by the Board of County Commissioners for disposition. The routes to be traveled within unincorporated Clark County between the CONTRACTOR'S Recycling Center, MRF, Transfer

Station, and the disposal site or sites shall be subject to agreement by CONTRACTOR and approval by COUNTY.

VI. Subsection 11.b (formerly Subsection 10.b) is hereby amended by replacing the Subsection in its entirety with the following Subsection 11.b, to read as follows:

COUNTY and CONTRACTOR agree that CONTRACTOR shall have the right, subject to existing laws and codes, to determine physical layout, construction and operational characteristics of the sites. However, CONTRACTOR agrees to meet with COUNTY and local town advisory boards and citizens advisory committees within each area to obtain inputs and ascertain the desires of the residents for this service. CONTRACTOR agrees to operate convenience centers for public access a minimum of four (4) hours per day, a minimum of three (3) days per week, one such day being on a weekend; provided, however, that for specific locations the County Manager and CONTRACTOR may agree upon other hours of operation in exchange for the waiving of all rates and fees charged to the public by CONTRACTOR pursuant to Subsection 11.d.

VII. Section 12 (formerly Section 11) is hereby amended by replacing the Section in its entirety with the following Section 12, to read as follows:

CONTRACTOR shall have the exclusive right, subject to the exception in Section 2 of this Franchise Agreement, to collect and haul solid waste within unincorporated Clark County. CONTRACTOR shall have the exclusive right to operate a curbside recycling collection program for CONTRACTOR's single and multi-family residential customers during the period this contract is in force, subject to the provisions contained in this Contract and in Chapter 9.04 of the Clark County Code and amendments thereto, and except in instances where by reason of the provision of this Contract or by mutual agreement between COUNTY and CONTRACTOR the CONTRACTOR is excused and/or not required to make any collection.

- VIII. In Exhibit C, the last section on page 36 is hereby deleted, removing the legal description of Bunkerville from the Service Area.
- IX. Exhibit D-6 is hereby deleted in its entirety, removing the map of Bunkerville from the Service Area.
- X. The remainder of the Franchise Agreement dated February 6, 1996, remains unchanged.

IN WITNESS WHEREOF the parties hereto have set their hands the day and year first above written.

ROBERT COYLE

Area President

THIRD AMENDMENT TO FRANCHISE AGREEMENT FOR COLLECTION AND DISPOSAL OF SOLID WASTE

These amendments to the Franchise Agreement are made and entered into this _19th day of _November_, 2013, by and between the COUNTY OF CLARK, a political subdivision of the State of Nevada, hereinafter referred to as "County," and REPUBLIC SILVER STATE DISPOSAL, INC., a Nevada corporation duly authorized to do business under the laws of the State of Nevada, hereinafter referred to as "Contractor", a wholly-owned subsidiary of Republic Services, Inc.

WITNESSETH:

WHEREAS, on February 5, 2013, The Clark County Board of County Commissioners (Board) approved an ordinance providing for the implementation of a single-stream recycling program throughout the County and delayed the consideration of this Third Amendment until such time as certain information be presented to the Board regarding the single-stream recycling program; and

WHEREAS, the information requested by the Board at its February 5, 2013, meeting regarding the single-stream recycling program has been completed and will be presented in conjunction with this agenda item; and

WHEREAS, the parties wish to further amend the Franchise Agreement to provide for single-stream recycling collection to curbside residential customers within unincorporated Clark County.

NOW, THEREFORE, the parties agree to amend the following sections of the Franchise Agreement as follows:

- I. Subsection 7a (formerly Subsection 6a of the 1996 Franchise Agreement) is hereby amended by replacing the Subsection in its entirety with the following Subsection 7a, to read as follows:
- 7a. CONTRACTOR shall make collections of recyclable materials from residences no less frequently than biweekly on regularly scheduled solid waste collection days as designated by CONTRACTOR. Curbside recycling collection days shall be no more than two weeks apart. Recyclable materials collected shall include but not be limited to tin and aluminum cans, newspapers and magazines, glass and plastic bottles and cardboard (if not receiving single-stream recycling collection service, cardboard must be broken down and stacked). Additional recyclable materials may be accepted at future dates. Recyclable materials collected under curbside recycling program provisions of this contract shall not be deposited in any landfill or other disposal site without specific approval of COUNTY.

II. The remainder of the Franchise Agreement dated February 6, 1996, as amended, remains unchanged.

IN WITNESS WHEREOF the parties hereto have set their hands the day and year first above written.

TIMOTHY S. POWELL

Vice President

CLARK COUNTY BOARD OF COMMISSIONERS AGENDA ITEM

Issue:	Apex Landfill	Back-up:
Pctitioner:	M. J. Manning, Director of Public Works	Clerk Ref.#

Recommendation:

That the Board of County Commissioners approve and authorize the Chairman to sign a solid waste disposal agreement among Clark County, Disposal Urban Maintenance Processing Company, Inc. (Dumpco) and Silver State Disposal, Inc. for guaranteed disposal of municipal solid waste in the Apex Regional Landfill.

FISCAL IMPACT:

License fees to be paid to Clark County in the amount of 5 percent of the gross receipts, currently approximating \$80,000 per year.

BACKGROUND:

On August 31, 1993, the Board of County Commissioners approved a Memorandum of Understanding (MOU) in which the County, Silver State Disposal Service and Disposal Urban Maintenance Processing Company, Inc. (Dumpco) agreed to negotiate an agreement that will guarantee sufficient capacity and access within the Apex Regional Landfill for disposal of the solid waste generated within Clark County. Within the MOU, the parties also agreed to negotiate to establish relationships between Dumpco tipping fees and Silver State collection rates.

The attached agreement provides for:

- * Guaranteed capacity within the Apex Regional Landfill and services necessary to dispose of the solid waste generated within Clark County until September 30, 2020, the termination date of the Silver State collection agreement.
- * Payment to the County of a license fee of five percent of the gross monthly receipts for the disposal of solid waste, excluding hazardous waste, industrial waste and septic waste, to include any solid waste imported from out of State. It should be noted that the MOU contained language indicating a three percent licensing fee. County staff recommends that five percent be used because that is what we are currently receiving.

The agreement has been reviewed and approved as to form by the District Attorney's Office.

APPROVED/AUTHORIZED AS AMENDED

Respectfully submitted,

Bleared for Agenda

OONALD L. SHALMY County Manager

Agenda Item #

AGREEMENT FOR DISPOSAL OF SOLID WASTE AT THE APEX REGIONAL LANDFILL

This Agreement is made and entered into on the Fifth day of October, 1993, by and between the County of Clark, a political subdivision of the State of Nevada, (hereinafter called "CCUNTY") and Disposal Urban Maintenance Processing Co. Inc, a Nevada Corporation, (hereinafter called "DUMPCO") and Silver State Disposal Service, Inc., a Nevada Corporation, (hereinafter called "SILVER STATE DISPOSAL").

RECITALS

Whereas, Federal and State regulations mandate environmentally sound solid waste disposal; and

Whereas, the Environmental Protection Agency, (EPA) has initiated Subtitle D regulations, 40 CFR Part 258, which provide that landfills that stop receiving solid waste prior to October 9, may be closed using simplified closure criteria. Those landfills that remain open after this date must meet stringent operational requirements and future closures must meet more stringent requirements, and that future closure and post-closure costs (30 years of post-closure monitoring and care) must be provided for through an approved financial assurance mechanism. The Sunrise Landfill will be required to comply with full Subtitle D Regulations if it accepts any municipal solid waste after October 8, 1993; and

Whereas, the COUNTY approved a Memorandum of Understanding on

August 31, 1993 with SILVER STATE DISPOSAL and DUMPCO regarding closure of the existing Sunrise landfill and the opening and operation of the proposed Apex Regional Landfill; and

Whereas, COUNTY and DUMPCO entered into an agreement entitled "CONTRACT FOR MAINTENANCE AND OPERATION OF SANITARY FILL FACILITY OR FACILITIES dated February 5, 1975, which was previously modified by agreements dated February 5, 1980, August 18, 1981, May 7, 1985, January 21, 1986, February 2, 1988, and December 19, 1989, hereinafter collectively called "the Sunrise Landfill Contract"; and

Whereas, the Sunrise Landfill Contract was assigned to DUMPCO on May 7, 1985; and

Whereas, the Board of County Commissioners approved closure of the sanitary fill facility known as the Sunrise Landfill so that said landfill shall stop receiving solid waste prior to October 9, 1993; and

Whereas, the COUNTY desires to insure the long term continuing availability of solid waste disposal services for unincorporated Clark County; and

Whereas, DUMPCO is willing to establish, operate and maintain a regional solid waste landfill at the Apex Waste Management Center, for disposal of solid waste.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. GENERAL PROVISIONS

1.1 For and in consideration of the demands, terms, covenants, agreements and conditions herein contained, DUMPCO

hereby agrees to:

- a. Dispose of all solid waste in conformity with applicable federal and state laws and regulations.
- b. Make available at the Apex Regional Landfill, during such times as the landfill is open, for the residents of Clark County the opportunity to dispose of household hazardous waste materials as designated by DUMPCO.

1.2. DEFINITIONS:

- a. "Apex Waste Management Center" means the total of all separate and discreet landfills located within the Apex property as defined in Section 1.B., below, to include all Class I, Class III, and hazardous waste landfills within the boundaries of the property.
- b. "Apex Regional Landfill" means that discreet portion of the Apex Waste Management Center, as indicated on the attached map as Exhibit A, which is a Class I Municipal Solid Waste Landfill for disposal of non-hazardous municipal solid waste and is operated under regulations contained in 40 CFR Part 258, Clark County Health District regulations, and the Clark County Code in effect on the date of this agreement.
- c. "Generated Waste" means the total quantity of solid waste, expressed in tons or cubic yards.
- d. "Hazardous waste" means those solid wastes, under Section 3003 of RCRA and EPA implementing regulations, that either exhibit a hazard "characteristic" or have been specifically listed

as hazardous waste by EPA, but not including any waste the regulation of which under the Solid Waste Disposal Act has been suspended by an Act of Congress.

- e. "Industrial solid waste" means solid waste generated by manufacturing or industrial processes that is not a hazardous waste regulated under Subtitle C of RCRA.
- f. "Solid waste" has the meaning ascribed to it in Clark County Code, Section 9.04.010(17).
- g. "Tipping fees" means the unit prices for the disposal of solid waste which shall be paid to DUMPCO for the disposal of solid waste in the Apex Regional Landfill expressed in price per cubic yard and/or price per ton as established by Dumpco.
- 1.3. OWNERSHIP OF PROPERTY: DUMPCO represents and covenants that it is a principal owner of a site of approximately 2560 acres of land generally located on the east side of Interstate 15, north and south of the intersection of U.S. Highway 93 and Interstate 15, in Apex, County of Clark, Nevada. The general Legal Description is: Sections 18, 19 and a portion of Sections 7 and 20, Township 18 South, Range 64 East and portions of Sections 13 and 24, Township 18 South, Range 63 East (Exact legal description on file). Said property shall be generally known as the Apex Waste Management Center. A portion of the property was acquired by DUMPCO through SILVER STATE DISPOSAL with the acquiescence and assistance of the COUNTY for use as a regional solid waste, industrial waste and hazardous waste landfill sites.
 - 1.4. USE OF PROPERTY: DUMPCO represents and covenants that

the Apex Waste Management Center will be used for permitted municipal solid waste, industrial waste, and hazardous waste landfills with accessory uses for which a use permit is granted by the COUNTY.

2. DURATION OF CONTRACT

2.1. This disposal Agreement beginning from the date of execution and in the terms contained herein, shall remain in effect until September 30, 2020, provided however that if the termination date of the Franchise Agreement for Collection and Disposal of Solid Waste entered into by the COUNTY and SILVER STATE DISPOSAL on April 20, 1993, should be extended beyond September 30, 2020, the duration of this Agreement shall be likewise extended.

3. CAPACITY GUARANTEES

- 3.1. DUMPCO guarantees that during the term of this Agreement, DUMPCO will maintain adequate landfill capacity at the Apex Regional Landfill and will accept and dispose of all solid waste as regulated and delineated in Chapter 9.04 of the Clark County Code and generated within the geographical boundaries of unincorporated Clark County. DUMPCO agrees that disposal of all solid waste at the Apex Regional Landfill shall be in accordance with Clark County Health District regulations, and other federal, state, and local laws.
- 3.2. Unless provided to the contrary herein, DUMPCO guarantees that during any extension of this Agreement, DUMPCO will maintain adequate landfill capacity at the designated Apex Regional Landfill to accept all solid waste generated within Clark County.

, , , ,

4. LICENSE FEE

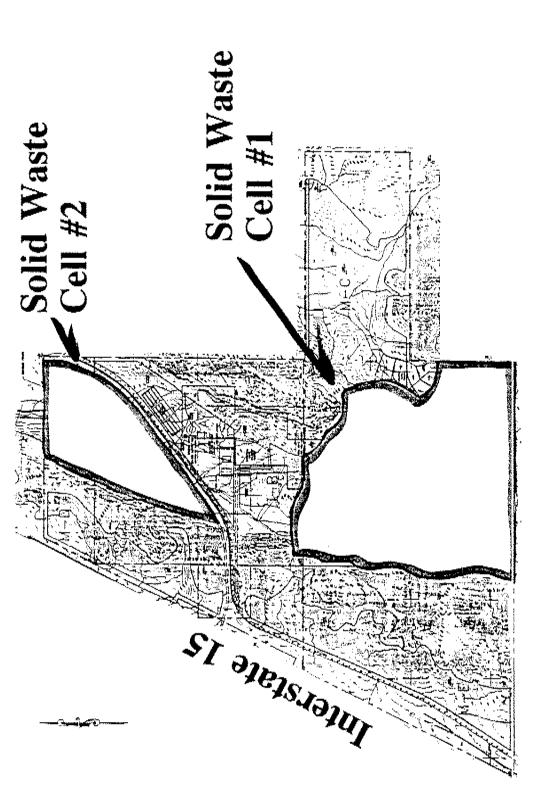

4.1. DUMPCO shall pay to COUNTY Director of Business License on a quarterly basis a license fee of four percent (4%) of the gross monthly revenue derived from the disposal of solid waste in the Apex Regional Landfill. Gross receipts mean cash collections on customer accounts less cash refunds. The gross monthly revenue upon which the license fee shall be computed shall not include revenue collected by DUMPCO from the SILVER STATE DISPOSAL under solid waste collection franchises with the COUNTY of the cities of Henderson, Las Vegas and North Las Vegas. For the purpose of this section, solid waste does not include hazardous waste, septic waste, industrial waste and recyclable.

5. ACCOUNTING SYSTEM

5.1. DUMPCO shall establish and maintain an accounting system pursuant to generally accepted accounting procedures and practices consistently applied to reflect correctly and accurately the gross monthly receipts derived from the disposal of solid waste in the Apex Regional Landfill pursuant to Section 4, above.

6. AUDITED FINANCIAL STATEMENT

6.1. DUMPCO shall each year on the anniversary date of this contract submit an audited financial statement to the Director of Business License.

Inly areas indicated in blue are part of the agreement

XHIBIT "A"

7. LICENSES AND PERMITS

7.1. DUMPCO shall, at its sole cost and expense, be responsible for obtaining and maintaining all Federal, State and local permits and approvals necessary to commence and continue operations of the Apex Regional Landfill.

8. RATES AND FEES.

- 8.1. COUNTY, SILVER STATE DISPOSAL and DUMPCO agree that DUMPCO shall have the sole right to set and collect tipping fees for disposal of solid waste in the Apex Regional Landfill, provided that in setting tipping fees for disposal of solid waste at the Apex Regional Landfill, DUMPCO and SILVER STATE DISPOSAL shall give due consideration to setting tipping fees, and the COUNTY shall give due consideration to approving collection rates and rate increases which shall afford the parties the opportunity to provide cost effective solid waste collection service rates and which further provide DUMPCO and SILVER STATE DISPOSAL the ability to recover the following:
- a. Reasonable costs of operations and maintenance of the Apex Municipal Solid Waste Landfill and
- b. Capital costs for the Apex Regional Landfill and a prorated share of the costs of other Apex Waste Managaement Center capital improvements directly related to the Apex Regional Landfill, and costs associated with closure and post-closure care for the Sunrise Landfill as detailed in the October 5, 1993 modification agreement for the Sunrise Landfill amortized over an eight (8) year period. The parties agree that these costs shall be

recoverable by DUMPCO regardless of the date of closure of the Sunrise Landfill; and

- c. A reasonable profit.
- 8.2. It is agreed that SILVER STATE DISPOSAL'S residential customers who subscribe to single-family residential pickup service, under the current franchise agreement for such service shall not pay a fee to dispose of solid waste at the Apex Regional Landfill in accordance with Chapter 9.04.215 of the Clark County Code.
- 8.3. DUMPCO further agrees that there will be no charge to COUNTY for its disposal of solid waste collected in the normal and customary course of official COUNTY business that is not in competition with SILVER STATE DISPOSAL and is brought to the Apex Regional Landfill in official COUNTY service vehicles. For the purposes of this section COUNTY excludes the Clark County Sanitation District.

9. PROVISION AND MAINTENANCE OF EQUIPMENT

- 9.1. DUMPCO shall provide and maintain at all times such appropriate and adequate equipment and other resources required to fulfill this agreement.
- 9.2. Any and all costs entailed or required for proper maintenance and operation of the Apex Regional Landfill and equipment shall be the sole obligation of Dumpco, who shall be entitled to recover such reasonable costs pursuant to Section 8, above.

10. PERFORMANCE BOND

10.1. DUMPCO shall deliver to the COUNTY Director of Business License a performance bond in the principal sum of Two Hundred Fifty Thousand dollars (\$250,000.00) to guarantee the performance of its obligations under this agreement.

11. BUSINESS HOURS

11.1. It is agreed that DUMPCO shall operate the Apex Regional Landfill a minimum of eight (8) hours per day, seven (7) days per week, excluding, at DUMPCO'S discretion, legal holidays.

12. BREACH OF AGREEMENT

12.1. Should a breach of this Agreement result from an act of God, public enemy, or similar cause beyond DUMPCO'S control, and with a declaration of emergency consisting of a health hazard by the Board of County Commissioners and the Chief Health Officer of the County Health District, COUNTY shall have the right during such period to take over the disposal of solid waste and to take possession of land and equipment owned or leased by DUMPCO and used by it in the performance of this agreement. The COUNTY shall be reimbursed therefor by DUMPCO on a cost basis during the period of time that solid waste disposal services is performed by the COUNTY. However, such reimbursement shall not exceed One Hundred Twenty-Five percent (125%) of DUMPCO'S costs for a like period of time immediately preceding said breach. In the event COUNTY shall take over disposal of solid waste as in this paragraph provided, DUMPCO agrees to manage the administrative processes associated with waste disposal and shall cooperate fully with the COUNTY in facilitating

such disposal.

13. LIABILITY INSURANCE

13.1. No later than ten (10) calendar days after approval of this agreement by the COUNTY, DUMPCO shall furnish the CCUNTY a policy or certificate of protective liability insurance in which the COUNTY shall be named as an additional insured with the Dumpco as follows:

Comprehensive General Liability Insurance with a minimum limit of \$ 1,000,000.00 for bodily injury and property damage.

14. INSPECTION AND RECORDS

- 14.1. COUNTY shall have the right to inspect the Apex Regional Landfill upon giving two (2) hours notice of intent.
- 14.2. COUNTY shall have access to records pertaining to COUNTY waste disposal at the designated Apex Regional Solid Waste Landfill. COUNTY agrees to keep all records confidential unless otherwise required by law.

15. DEFAULT, CURE AND REMEDY PROVISIONS

15.1. In the event the COUNTY determines that DUMPCO is in default under any of the provisions hereof, the COUNTY shall give DUMPCO written notice thereof, specifying the provisions hereof under which the default has been determined to exist, and give DUMPCO sixty (60) days within which to commence correction of any such default. In the event DUMPCO does not commence correction of any such default within said sixty days, as in this paragraph provided, then the COUNTY may terminate this Agreement upon giving of thirty (30) days written notice to DUMPCO.

16. INDEMNIFICATION AND HOLD HARMLESS

16.1. DUMPCO agrees to indemnify, defend and hold harmless the COUNTY, its officers, employees, and agents from and against any and all liability, claims, demands, actions or suits, of whatsoever character or kind, arising or resulting from, or in any way connected with, DUMPCO'S performance, its operations, its agents, employees or sub-contractors, or the failure of DUMPCO to comply with the provisions and requirements of all applicable permits, licenses, laws or regulations, unless such claims, damages, or loss are directly attributable to the negligence or omission of the COUNTY or its officers or employees.

17. ASSIGNMENT.

- 17.1. Should DUMPCO sell, transfer or assign its interest to the Apex Regional Landfill property as defined in Section 1.2.b. in whole or in part to any person, partnership, firm or corporation at any time during the term of this Agreement, the COUNTY shall be presented with a document by the purchaser, transferee or assignee providing therein that the purchaser, transferee or assignee assumes all the rights, duties and obligations of DUMPCO under this Agreement.
- 17.2. Any subsequent sale, transfer or assignment after an initial sale, transfer or assignment shall be made only in accordance with and subject to the terms and conditions of Section 17.1.

18. FORCE MAJEURE

18.1 The obligations of the parties under this Agreement

shall be suspended during the period of time performance is rendered impossible by a cause or causes beyond the reasonable control of the parties.

19. NOTICES TO BE SENT

19.1. All reporting and notices sent or required to be sent by either party to this Agreement to the other party shall be deemed to have been given when received by the party to whom directed by United States mail, personal service or hand delivery at the following addresses:

AGREEMENT FOR DISPOSAL OF SOLID WASTE AND OPERATION OF THE LAUGHLIN LANDFILL

This agreement regarding the disposal of solid waste and operation of the Laughlin Landfill (this "Agreement") is made and entered into on the <u>6th</u> day of <u>October</u>, 2009 ("<u>Effective Date</u>"), by and between the County of Clark, a political subdivision of the State of Nevada (the "<u>County</u>" or "<u>Clark County</u>"), and Republic Dumpco, Inc., a Nevada corporation ("<u>Contractor</u>"). The Contractor and County may herein be referred to collectively as the "<u>Parties</u>."

RECITALS:

WHEREAS, federal and state regulations mandate environmentally sound solid waste disposal; and

WHEREAS, it is declared to be the policy of the County to regulate the disposal of solid waste and recyclables in a manner consistent with federal and state laws; and

WHEREAS, the Board of County Commissioners is authorized pursuant to NRS 244.187 to provide services for the disposal of "garbage and other waste," which collectively refer to solid waste herein, and for the operation of landfills within the County; and

WHEREAS, the Board of County Commissioners, pursuant to NRS 244.188 may grant an exclusive franchise to any person to perform those services set forth in NRS 244.187; and

WHEREAS, on April 15, 1986, the U.S. Department of the Interior, Bureau of Land Management ("BLM") granted the County a 20-year Recreation or Public Purpose Lease, No. NVN-39878 (the "BLM Lease"), to operate a sanitary landfill at a 40-acre site in Laughlin, Nevada (the "Laughlin Landfill"); and the BLM awarded a one-year extension, through April 15, 2007, and a second one-year extension, through April 15, 2008, while the County processes the necessary documents to acquire the 40-acre landfill property from BLM, along with an abutting 40-acres to increase the capacity of the Laughlin Landfill; and

WHEREAS, on April 21, 1987, the Board of County Commissioners awarded an exclusive agreement to Clark Sanitation, Inc. to establish, operate and maintain the Laughlin Landfill for the disposal of solid waste from Laughlin, Nevada, for the duration of the BLM Lease (the "1987 Agreement"); and

WHEREAS, the 1987 Agreement was legally transferred and assigned from Clark Sanitation, Inc. to Disposal Urban Maintenance Processing Company, Inc., a whollyowned subsidiary of Silver State Disposal Service, Inc., in 1989; and then from Disposal Urban Maintenance Processing Company, Inc. to Contractor, a wholly-owned subsidiary of Republic Industries, Inc., in 1997; and

WHEREAS, Clark County and Contractor extended the 1987 Agreement beginning on the date that the BLM Lease expired or July 3, 2007, whichever occurred

sooner, for a period not to exceed six months until January 3, 2008, under the same terms and conditions as the 1987 Agreement to allow sufficient time to consider aspects of a proposed renewal agreement; and

WHEREAS, on February 6, 1996, the County entered into a franchise agreement with Silver State Disposal Service, Inc., which was transferred to Republic Silver State Disposal Service, Inc., a wholly-owned subsidiary of Republic Industries, Inc. and an affiliate of the Contractor, on August 5, 1997, for the provision of solid waste collections services within the Urban Solid Waste Service Area, that includes the unincorporated Town of Laughlin, and the Rural Solid Waste Service Area as further defined in that franchise agreement; and

WHEREAS, on August 24, 2007, Patent No. 27-2007-0032 (the "Patent," attached hereto as Exhibit "A") that was issued by the BLM was filed with the Clark County Recorder granting the land identified in the BLM Lease to Clark County to operate as a solid waste disposal site, thereby terminating the BLM Lease; and

WHEREAS, Clark County and Contractor executed a second extension of the 1987 Agreement on December 4, 2007, for a period not to exceed an additional three months until April 3, 2008, or until a new agreement for the operation of the Laughlin Landfill is granted to Contractor by the Clark County Board of County Commissioners, whichever occurs first, during which time the parties agree to work together to develop a new agreement.

WHEREAS, Clark County and Contractor executed a third extension of the 1987 Agreement on April 1, 2008, for a period not to exceed an additional six months and four days until October 7, 2008, or until a new agreement for the operation of the Laughlin Landfill is granted to Contractor by the Clark County Board of County Commissioners, whichever occurs first, during which time the parties agree to work together to develop a new agreement.

WHEREAS, Clark County and Contractor executed a fourth extension of the 1987 Agreement on September 16, 2008, for a period not to exceed an additional six months until April 7, 2009, or until a new agreement for the operation of the Laughlin Landfill is granted to Contractor by the Clark County Board of County Commissioners, whichever occurs first, during which time the parties agree to work together to develop a new agreement.

WHEREAS, Clark County and Contractor executed a fifth extension of the 1987 Agreement on April 7, 2009, for a period not to exceed an additional six months until October 7, 2009, or until a new agreement for the operation of the Laughlin Landfill is granted to Contractor by the Clark County Board of County Commissioners, whichever occurs first, during which time the parties agree to work together to develop a new agreement.

WHEREAS, the Board of County Commissioners desires to continue providing environmentally sound solid waste disposal and operation of the Laughlin Landfill; and

WHEREAS, Contractor represents it is willing and able to continue to provide environmentally sound solid waste disposal services and to operate and maintain the Laughlin Landfill in accordance with the terms of this Agreement.

NOW, THEREFORE, in consideration of the mutual promises and agreements contained herein and other good and valuable consideration, the receipt of which the Parties acknowledge, the Parties hereto agree to an exclusive agreement for the operation and maintenance of the Laughlin Landfill and the disposal of solid waste at the Laughlin Landfill as follows:

1. Definitions.

1.01 <u>Definitions</u>. Unless otherwise specified herein, definitions of terms in this Agreement shall be the same as those definitions listed in Chapter 9.04 of the Clark County Code (the "<u>Code</u>"), and amendments thereto.

2. Laughlin Landfill.

2.01 <u>Laughlin Landfill</u>. Contractor currently operates and maintains the Laughlin Landfill on that property described as Mount Diablo Meridian, Nevada, Township 32 South, Range 66 East, Section 8, Lot 1, granted to the County by the Patent (Assessor Parcel Number 264-08-000-002) consisting of 47.61 acres, more or less.

3. Right-of-Way Grant.

- 3.01 <u>Right-of-Way Grant</u>. Contractor shall continue to operate, and maintain access to the Laughlin Landfill over the right-of-way described in Right-of-Way Grant number N-39917 dated April 15, 1986 (the "<u>Right-of-Way Grant</u>," attached hereto as <u>Exhibit "B"</u>). Contractor shall establish, operate, and maintain the right-of-way in compliance with
 - (i) The terms and conditions of the Right-of-Way Grant and all statutes and regulations referred to in the Right-of-Way Grant; and
 - (ii) All other applicable federal, state, and local laws and regulations.

4. Operation of the Laughlin Landfill.

- 4.01 <u>Compliance with Laws</u>. Contractor shall continue to operate, and maintain the Laughlin Landfill and dispose of all solid waste generated within the boundaries of the Town of Laughlin, as delineated on the map marked Exhibit "C", which is attached hereto and by this reference made a part hereof, at the Laughlin Landfill in compliance with:
 - (i) This Agreement;
 - (ii) The Patent;
 - (iii) The Right-of-Way Grant; and

- (iv) The Laughlin Landfill operating permit number LF004-IMP-01 issued by the Southern Nevada Health District dated November 8, 1994 (the "Operating Permit") and any amendments thereto;
- (v) All other applicable federal, state, and local laws and regulations, including but not limited to Chapter 9.04 of the Code, as amended.
- 4.02 Except as otherwise provided in this Agreement, Contractor shall only accept solid waste that is generated in the area shown on Exhibit "C" for disposal at the Landfill.
- 4.03 <u>Equipment</u>. Contractor agrees to own, purchase, contract for the purchase of, or lease, and shall at all times during the term of this Agreement maintain and make available for the performance of the services required herein, equipment in good operating condition and sufficient in quantity and quality to satisfy the needs as presently exist or may hereafter arise to fulfill the terms of this Agreement.
- 4.04 <u>Maintenance Expenses</u>. Any and all costs or expenses entailed or required for proper maintenance and operation of the Laughlin Landfill shall be the sole obligation of Contractor, who shall save County harmless from any and all claims, demands, and liability therefor.
- 4.05 <u>Licenses and Permits</u>. Contractor shall, at its sole cost and expense, be responsible for obtaining and maintaining all federal, state, and local licenses, permits and approvals necessary to continue operations of the Laughlin Landfill.
- 4.06 <u>Landfill Gas.</u> Contractor shall, whenever economically feasible, recapture and use or recycle any landfill gas that may be generated at the landfill.

5. Improvements.

- 5.01 <u>On-Site Improvements</u>. Contractor has and shall continue, at no expense to County, to construct or install all on-site improvements to the Laughlin Landfill required by:
 - (i) The Patent;
 - (ii) The Operating Permit;
 - (iii) The conditions attached to approval by the Board of County Commissioners of ZC-153-86; and
 - (iv) All other applicable federal, state, and local laws and regulations;

All on-site improvements shall become property of the County upon expiration or termination of this Agreement.

5.02 <u>Off-Site Improvements</u>. Contractor has and shall continue, at no expense to County, to construct or install all off-site improvements to the Laughlin Landfill required by:

- (i) The Patent;
- (ii) The Right-of-Way Grant;
- (iii) The Operating Permit;
- (iv) The conditions attached to approval by the Board of County Commissioners of ZC-153-86; and
- (v) All other applicable federal, state, and local laws and regulations.

All off-site improvements shall become property of the County upon expiration or termination of this Agreement.

6. Term.

- 6.01 Term. The Franchise Agreement for Collection and Disposal of Waste dated February 6, 1996, and any amendments thereto including the Agreement Regarding Sunrise Landfill and Extension of Franchise Agreement dated June 15, 1999 ("collectively referred to as the "Collection Franchise Agreement"), govern the collection of solid waste within all areas of unincorporated Clark County including the Township of Laughlin. This Agreement shall commence on the date of approval by the Board of County Commissioners and shall run concurrent with the Collection Franchise Agreement.
- 6.02 <u>Closure of Laughlin Landfill</u>. Should the Laughlin Landfill reach capacity or is closed for any reason prior to the expiration of the Collection Franchise Agreement, this Agreement shall terminate. If the Laughlin Landfill reaches capacity or is closed prior to the expiration of this Agreement the Contractor will be responsible for the closure in compliance with federal, state and local laws and regulations and for all costs associated with such closure, including, but not limited to, the cover of the landfill, installation of any monitoring wells that may be required and any other remediation that is required by any federal, state or local governmental agency having jurisdiction and regulatory authority over the Laughlin Landfill. Should this Agreement be terminated by the County pursuant to Section 11 prior to the Landfill reaching capacity, the Contractor's responsibility for the costs associated with the closure and post-closure of the Laughlin Landfill shall be prorated to a percentage reflective of the period Contractor operated and maintained the Laughlin Landfill.

7. License Fee.

- 7.01 <u>License Fee</u>. Contractor shall pay to the County Director of Business License on a quarterly basis a fee of five percent (5%) of the Gross Receipts derived from the disposal of solid waste in the Laughlin Landfill (the "License Fee"). For purposes of this Section 7.01,
 - (i) Gross Receipts upon which the License Fee shall be computed shall not include receipts collected by Contractor or Contractor's affiliates under the solid waste collection franchise agreement with the County; and

- (ii) The term solid waste does not include hazardous waste, septic waste, industrial waste, and source-separated recyclables.
- 7.02 <u>Disposal of Solid Waste by Contractor</u>. There shall be no rate charge or license fee to Contractor for disposal at the Laughlin Landfill of solid waste, hazardous waste, construction and demolition waste, agricultural waste, mining waste, or source-separated recyclables collected by Contractor.
- 7.03 Accounting System. Contractor shall establish and maintain an accounting system pursuant to generally accepted accounting principles and applicable state regulations to reflect correctly and accurately the Gross Receipts and shall also file with the County, within thirty (30) days after the end of the preceding quarter, a statement of the Gross Receipts from the disposal of solid waste during the quarter next preceding the date of such statement. Contractor shall retain revenue books and records for the Laughlin Landfill for a period of five (5) years and upon written request, at the option of the County, such books and records shall be produced for inspection made available for auditing purposes. County agrees to keep all such books and records confidential unless otherwise required by law.
- 7.04 Payment. Checks for the License Fee payments should be made payable to Clark County and mailed or delivered to the County at the address for notice in Section 18.09 within thirty (30) days after the end of each preceding quarter. The place and time of payment may be changed at any time by the County upon 30 days written notice to Contractor. Mailed payments shall be deemed paid upon the date such payment is postmarked by the postal authorities.

8. Fees for Disposal of Waste.

- 8.01 <u>Urban Solid Waste Service Area.</u> The Laughlin Landfill is considered an urban solid waste service area as defined by Section 9.04.010(a)(43) of the Code.
- 8.02 <u>Residential Customers</u>. Contractor agrees that residential customers of the Town of Laughlin and the Town of Searchlight who subscribe to single-family residential pickup service under the Collection Franchise Agreement shall not pay a fee to dispose of solid waste in accordance with Section 9.04.300(a) of the Code. To obtain the fee exemption under 9.04.300(a) for disposal at the Laughlin Landfill, residential customers must (1) provide a current residential pickup account bill stub and a valid government-issued photo identification, such as a current Nevada driver's license, and (2) have no past due charges on their residential pickup account.
- 8.03 <u>County Disposal</u>. There shall be no charge to the County for its disposal of solid waste collected in the normal and customary course of official County business that is not in competition with Contractor or the Collection Franchise Agreement and is brought to the Laughlin Landfill in official County service vehicles. Notwithstanding the foregoing, for purposes of this Section 8.03, the term "County" excludes the Clark County Water Reclamation District and Contractor retains the right to charge the County for the disposal of construction or demolition waste and sludge. The term "sludge" means any wastewater of any type that is generated by a municipal,

commercial or industrial wastewater treatment plant, water supply treatment plant or air pollution control facility, other than the treated effluent from a wastewater treatment plant.

- 8.04 Fees for Disposal at the Landfill. Contractor shall have the sole right to set and collect tipping fees for disposal of solid waste in the Laughlin Landfill, provided that in setting the tipping fees for disposal of solid waste at the Laughlin Landfill Contractor shall give due consideration to setting tipping fees which shall afford the Contractor the ability to recover the following:
- (i) Reasonable costs of operations and maintenance of the Laughlin Landfill; and
 - (ii) Capital costs for the Laughlin Landfill; and
 - (iii) A reasonable profit.

9. Surety Bond.

9.01 <u>Surety Bond</u>. Contractor shall at all times keep on file with the County Clerk a surety bond, cash, or its equivalent, in the amount of twenty-five thousand dollars (\$25,000.00) (the "<u>Surety Bond</u>") (to be in a form acceptable to the County) to insure proper maintenance and operation of the Laughlin Landfill in conformity with this Agreement. Any or all of the Surety Bond may be claimed by the County as payment for damages, costs, or expenses the County suffers or incurs by reason of any act or omission of the Contractor in connection with this Agreement or its enforcement, including failure to compensate the County within ninety (90) days such compensation is due.

10. Default by Contractor.

shall not be endangered, in the event the Board of County Commissioners determines after a hearing and based upon clear and convincing evidence that the Contractor is in default under any of the provisions of this Agreement, the County shall give the Contractor written notice thereof, specifying the provisions of this Agreement under which the default has been determined to exist, and give the Contractor sixty (60) days within which to provide a plan to correct any such default. In the event Contractor does not provide a plan to correct any such default within said sixty (60) days, then the County may terminate this Agreement upon giving thirty (30) days written notice to the Contractor. If the County terminates this Agreement under this Section 10.01, the Contractor shall forfeit the Surety Bond deposited in conformity with Section 9.01.

10.02 <u>Force Majeure</u>. Should a breach of this Agreement result from an act of God, public enemy, terrorist act, or similar cause beyond Contractor's control as determined by a hearing by the Board of County Commissioners, the County shall have the right during such period to take over the operation and maintenance of the Laughlin Landfill, as the case may be, and the disposal of solid waste at the Laughlin Landfill, as the case may be, and to take possession of the land and equipment owned or leased by Contractor, and used by it in the performance of this Agreement. County shall be

reimbursed therefor by Contractor on a cost basis during the period of time that solid waste disposal service is performed by the County. However, such reimbursement shall not exceed One Hundred Twenty-Five percent (125%) of Contractor's costs for a like period of time immediately preceding the said breach, such like period of time to be based upon the entire period said breach shall continue, notwithstanding the fact that such collections by the County may not have commenced immediately upon the occurrence of said breach.

10.03 <u>Administrative Personnel</u>. In the event the County takes over the disposal of solid waste as provided in Section 10.02, Contractor agrees to manage the office, including the preparation and mailing of bills and the collection of accounts receivables with its administrative personnel and shall cooperate fully with County in facilitating the operation and maintenance of the Laughlin Landfill, as the case may be.

11. <u>Liability Insurance</u>.

11.01 <u>Liability Insurance</u>. Not later than ten (10) calendar days after approval of this agreement by the Board of County Commissioners the Contractor shall furnish the County a policy or certificate of comprehensive general liability insurance with a minimum limit of One Million dollars (\$1,000,000.00) for bodily injury and property damage in which the County shall be named as an additional insured with the Contractor.

12. <u>Indemnity</u>.

12.01 <u>Indemnity</u>. The Contractor agrees to indemnify, defend, and hold harmless the County, its officers, employees, and agents from any and all liability, claims, demands, actions, or suits, resulting from Contractor's performance, its operations, its agents, employees or sub-contractors, or the failure of Contractor to comply with the provisions and requirements of all applicable permits, licenses, laws or regulations, unless such claims, damages, or loss are directly attributable to the negligence or omission or unlawful act of the County or its officers, employees or agents.

13. Independent Contractor.

13.01 <u>Independent Contractor</u>. Contractor is an independent contractor and not an employee of the County for any purpose.

14. No Third Party Beneficiaries.

14.01 No Third-Party Beneficiaries. It is not intended by this Agreement to, and nothing contained in this Agreement shall create for the public, or any member thereof, a third-party beneficiary right or remedy, or to authorize anyone to maintain a suit for personal injuries or property damage pursuant to the provisions of this Agreement. The duties, obligations, and responsibilities of the County with respect to third parties shall remain as imposed by Nevada law.

15. Transfers and Assignments.

15.01 <u>Transfers.</u> The Contractor may not transfer this Agreement to any other person without review and approval by the Board of County Commissioners. The Contractor must give written notice to the director of business license of its intent to transfer and assign the agreement and must name the intended transferee and assignee. The intended transferee and assignee must hold a valid county business license pursuant to Clark County Code Title 6 and submit the same information to the director of business license as is required for any applicant for a landfill agreement. Consent to a transfer and assignment by the Board of County Commissioners shall not be unreasonably withheld.

15.02 <u>Assignments</u>. The rights and privileges granted by this Agreement are not assignable, either voluntarily or by operation of law without the consent of the Board of County Commissioners, except that Contractor may assign the Agreement to other subsidiaries of Republic Services, Inc. without the approval of the Board of County Commissioners.

16. Nevada Public Records Law.

Contractor acknowledges that 16.01 Nevada Public Records Law. information submitted to the County is open to public inspection and copying under Nevada Public Records Law, Chapter 239 of the Nevada Revised Statutes. Contractor is responsible for becoming familiar and understanding the provisions of the Nevada Public Records Law. Contractor may identify information, such as trade secrets, proprietary financial records, customer information, or technical information, submitted to the County as confidential. Contractor shall prominently mark any information for which it claims confidentiality with the word "Confidential" on each page of such information prior to submitting the information to the County. The County shall treat any information so marked as confidential until the County receives any request for disclosure of such information. Within two (2) working days of receiving any such request, the County shall provide Contractor with written notice of such request, including a copy of the request. Contractor shall have two (2) working days within which to provide a written response to the County including a citation to the specific statute or other legal authority that makes the information, or a part thereof, confidential, before the County will disclose any of the requested confidential information.

17. Mutual Agreements.

The parties hereby mutually agree:

- 17.01 <u>Time</u>. Time is of the essence of this Agreement.
- 17.02 <u>Entire Agreement</u>. This Agreement, which includes the exhibits attached hereto:
 - (i) Constitutes the entire agreement between the Parties with respect to the operation of the Laughlin Landfill and supersedes and takes the place of all prior contracts, understandings, representations, or warranties relating to the operation of the Laughlin Landfill,

- including the 1987 Agreement and any amendments or modifications thereto, which shall have no further force or effect; and
- (ii) May not be amended unless such amendment is in writing and signed by both Parties to this Agreement. This subsection (ii) does not abrogate the requirements of Section 4.01 (v) requiring compliance with federal, state or local laws, as such laws may be amended from time to time.
- 17.03 <u>Construction</u>. Wherever possible, each term, covenant, and condition of this Agreement shall be interpreted in such manner as to be valid under applicable law. This Agreement shall be construed as a whole and in accordance with its fair meaning and without regard to any presumption or other rule requiring construction against the party causing this Agreement or any part of this Agreement to be drafted. The Parties acknowledge that each party has reviewed this Agreement and has had the benefit of legal counsel or the opportunity to consult with legal counsel prior to entering into this Agreement.
- 17.04 <u>Waiver</u>. A waiver by either party of any breach of any of the provisions of this Agreement shall be limited to such particular instance and shall not operate as a waiver of, or be deemed to waive, any other or future breaches of the same or any other provisions hereof.
- 17.05 <u>Severability</u>. Should any section of this Agreement be rendered void, invalid, ineffective, or unenforceable by any court of competent jurisdiction, such a determination shall not render void, invalid, ineffective, or unenforceable the remainder of the terms.
- 17.06 <u>Jurisdiction</u>. This Agreement is made under and subject to laws of the State of Nevada. Any dispute arising under this Agreement shall be determined by a court of competent jurisdiction sitting in Clark County, Nevada, and will be construed in accordance with the laws of the State of Nevada.

17.07 Survival of Provisions.

All provisions, conditions and requirements of this Agreement that may be reasonably construed to survive the termination or expiration of this Agreement shall survive the termination or expiration of this Agreement, including, but not limited to, all of Franchisee's obligations under Sections 6.02, 7.04 and 12.01 of this Agreement.

17.08 Agreement and Prior Agreement Survival Requirements. The grant of this Agreement shall have no effect on the Contractor's duty under its prior agreement with the County to indemnify, defend, hold harmless and insure the County against acts or omissions occurring during the period that the prior agreement was in effect. The provisions of this Agreement relating to indemnification or which require performance subsequent to the expiration or termination of this Agreement shall survive such expiration or termination. Contractor is entitled to all of the rights and remedies it may have pursuant to its prior agreement with respect to its duty to continue to

indemnify, defend, hold harmless and insure the County. Contractor does not waive and is entitled to assert all defenses, claims and actions it may have against other parties while fulfilling its obligations under the prior agreement to indemnify, defend, hold harmless and insure the County.

17.09 <u>Gender</u>. As used in this Agreement, the masculine, feminine, or neuter gender and the singular or plural numbers shall each be deemed to include the other whenever the context so requires.

17.10 Notices. All notices, requests, demands, or other communications hereunder shall be in writing, and shall be deemed to have been duly given as if delivered in person, when received by certified mail with return receipt requested, or otherwise actually delivered.

Notice to the County shall be sent to:

County Manager Clark County 500 S. Grand Central Parkway P.O. Box 551810 Las Vegas, NV 89155-1810

AND

Director Clark County Department of Business Licenses 500 S. Grand Central Parkway P.O. Box 551810 Las Vegas, NV 89155-1810

Notice to Contractor shall be sent to:

Area President Republic Dumpco, Inc. 770 East Sahara Avenue Las Vegas, NV 89104

AND

General Counsel Republic Services, Inc. 18500 N. Allied Way Phoenix, AZ 85054

Either party may change the address at which it receives written notice by so notifying the other party in writing.

18. Authority.

18.01 <u>Authority</u>. Each of the Parties to this Agreement represents and warrants that it has the full right, power, legal capacity, and authority to enter into and perform the Parties' respective obligations hereunder and that such obligations shall be binding upon such party without the requirement of the approval or consent of any other person or entity in connection therewith.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed the day and year first above written.

APPROVED this 6th day of October, 2009.

EXHIBIT A

Form 1860-9 (January 1988)

The United States of America

To all to whom these presents shall come, Greeting:

Poetion of - 264-08-000-001 Patent

WHEREAS

County of Clark, a political subdivision of the State of Nevada

is entitled to a land patent pursuant to the Act of June 14, 1926, as amended (43 U.S.C. 869 – 869-4), for the following described land:

Mount Diablo Meridian, Nevada

T. 32 S., R. 66 E., sec. 8, Lot 1.

Containing 47.21 acres, more or less.

NOW KNOW YE, that there is, therefore, granted by the UNITED STATES OF AMERICA, unto the County of Clark, a political subdivision of the State of Nevada, the land described above; TO HAVE AND TO HOLD the said land with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the County of Clark, a political subdivision of the State of Nevada, its successors and assigns, forever; and

EXCEPTING AND RESERVING TO THE UNITED STATES:

- 1. A right-of-way for ditches or canals by the authority of the United States pursuant to the Act of August 30, 1890 (43 U.S.C. 945);
- 2. All mineral deposits in the land so patented, and to it, or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same under applicable law and regulations to be established by the Secretary of the Interior.

SUBJECT TO:

1. Valid existing rights;

Patent Number 27 - 2007 - 0032

N-39878 Page 2 of 4

 County of Clark, a political subdivision of the State of Nevada, its successors or assigns, shall comply with all federal and state laws applicable to the disposal, placement, or release of hazardous substances (substance is defined in 40 CFR Part 302);

3. The public land is recommended for conveyance in accordance with Section 211 of the Act of October 21, 1976 (43 U.S.C. 1713 and 1719) as amended, and with Section 3 of the Act of June 14, 1926 (43 U.S.C. 869 et seq.), as amended by the Recreation and Public Purposes Amendment Act of 1988. On April 15, 1986, a Recreation and Public Purposes lease was issued to Clark County for a Class I Solid Waste Disposal facility. The Laughlin Landfill has been receiving waste since 1987. A Land Transfer Audit (LTA) has been prepared by Converse Consultants. The LTA concluded that the lands involved contain only those quantities and type of hazardous substances consistent with household waste, or wastes from conditionally exempt small quantity generators and there is a reasonable basis to believe that the contents of the site do not pose a threat to human health or the environment. The Laughlin Landfill lands have been examined in accordance with Section 120(h) of CERCLA. No evidence or recorded information was found to indicate that any hazardous substance was stored for one year or more, disposed of, or released on the property.

By accepting this patent subject to the limitations established by law, the patentee, County of Clark, a political subdivision of the State of Nevada, agrees to indemnify, defend and hold the United States harmless from any costs, damages, claims, causes of action, penalties, fines, liabilities, and judgment of any kind or nature caused by the patentee arising out of, or in connection with, the patentee's use, occupancy or operation on the patented real property. Notwithstanding, the County's ability to indemnify, defend or hold harmless the United States as set forth herein, Clark County agrees that as the lessee of the R&PP Lease N-39878, Clark County will be to the extent required by law, cleanup or remediate any solid waste or hazardous substances on the site, or perform any reclamation work, incident to the use of the site as a landfill. This covenant shall be construed as running with the patented real property, and may be enforced by the United States in a court of competent jurisdiction.

4. The above described land has been conveyed for utilization as a solid waste disposal site. Upon closure, the site may contain small quantities of commercial and household hazardous waste as determined in the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. 6901), and defined in 40 CFR 261.4 and 261.5. Although there is no indication these materials pose any significant risk to human health or the environment, future land uses should be limited to those which do not penetrate the liner or final cover of the landfill unless excavation is conducted subject to applicable state and federal requirements;

Patent Number 27 - 2007 - 0032

N-39878 Page 3 of 4

5. Provided, that the title shall revert to the United States upon a finding, after notice and opportunity for a hearing, that the patentee has not substantially developed the lands in accordance with the approved plan of development on or before the date five years after the date of conveyance. No portion of the land shall under any circumstances revert to the United States if any such portion has been used for solid waste disposal or for any other purpose which may result in the disposal, placement, or release of any hazardous substance;

6. If, at any time, the patentee, or its successor in interest, transfers to another party title to, or control over, any portion of the land not used for the purpose(s) specified in the application and approved plan of development, the patentee shall pay the Secretary of the Interior, or his/her delegate, the fair market value, as determined by the authorized officer, of the transferred portion as of the date of transfer, including the value of any improvements thereon.

The grant of the herein described lands is subject to the following reservations, conditions, and limitations:

- 1. The patentee, or its successor in interest, shall comply with and shall not violate any of the terms or provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 241), and the requirements of the regulations, as modified or amended, of the Secretary of the Interior issued pursuant thereto (43 CFR 17) for the period that the lands conveyed herein are used for the purpose for which the grant was made pursuant to the act cited above, or for another purpose involving the provision of similar services or benefits.
- 2. The United States shall have the right to seek judicial enforcement of the requirements of Title VI of the Civil Rights Act of 1964, and the terms and conditions of the regulations, as modified or amended, of the Secretary of the Interior issued pursuant to said Title VI, in the event of their violation by the patentee.
- 3. The patentee or its successor in interest will, upon request of the Secretary of the Interior or his/her delegate, post and maintain on the property conveyed by this document signs and posters bearing a legend concerning the applicability of Title VI of the Civil Rights Act of 1964 to the area or facility conveyed.
- 4. The reservations, conditions, and limitations contained in paragraphs 1 through 3 shall constitute a covenant running with the land, binding on the patentee and its successors in interest for the period for which the land described herein is used for the purpose for which this grant was made, or for another purpose involving the provision of similar services or benefits.

Patent Number 27 - 2007 - 0032

N-39878

Page 4 of 4

5. The assurances and covenant required by sections 1 - 4 above shall not apply to ultimate beneficiaries under the program for which this grant is made. "Ultimate beneficiaries" are identified in 43 CFR 17.12(h).

PURSUANT to the requirements established by section 120(h) of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), (42 U.S.C. 9620(h)), as amended by the Superfund Amendments and Reauthorization Act of 1988, (100 Stat. 1670), notice is hereby given that the above-described lands have been examined and no evidence was found to indicate that any hazardous substances had been stored for one year or more, nor had any hazardous substances been disposed of or released on the subject property.

WHEN RECORDED RETURN TO: Clark County RPM 500 S. Grand Central Pkwy 4th fir Las Vegas, NV 89155 Attn: Krynn Williams

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat. 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

GIVEN under my hand, in RENO, NEVADA, the TWENTY-THIRD day of JULY in the year of our Lord TWO THOUSAND and SEVEN and of the Independence of the United States the Two Hundred and Thirty-Second.

CLARK COUNTY THE WARREN

DECISION

:

:

Clark County Department of Public Works c/o Senior Right-of-Way Agent 401 South Fourth Street Las Vegas, Nevada 89101

Right-of-Way

RIGHT-OF-WAY

Section A

- 1. There is hereby granted, pursuant to Title V of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1761) a nonexclusive, nonpossessory right-of-way to: County of Clark, a political subdivision of the State of Nevada, hereinafter referred to as the Holder.
- The right-of-way is for the following purpose(s): construction, operation and maintenance of an access road to the Laughlin Sanitary Landfill (Recreation and Public Purposes Lease N-39878), being 2,640 feet in length and 50 feet wide, containing 3.03 acres more or less.
- 3. The right-of-way crosses the following described public land: within the MighPaNWig, sec. 9, T.32S., R.66E., M.D.M.

A map showing the location of the right-of-way is on file with the Bureau of Land Hanagement, Las Vegas District Office (N-39917).

Section 8

- This right-of-way grant shall terminate 20 years from the effective date of this grant, unless prior thereto it is relinquished, abandoned, terminated, or otherwise modified pursuant to the terms and conditions of this grant or of any applicable Federal law or regulation.
- 2. This right-of-way grant may be renewed. If renewed, the right-of-way will be subject to regulations existing at the time of renewal, and other terms and conditions deemed necessary to protect the public interest.

Exhibit "D"

- 3. This right-of-way grant may be relinquished. It is to the Holder's benefit to relinquish this right-of-way if it is no longer needed, since it will be subject to rental charges until it is either relinquished or declared abandoned, pursuant to 43 CFR 2803.4(c).
- 4. In case of change of address, the Holder shall immediately notify the Las Vegas District Manager, hereinafter referred to as the Authorized Officer.

Section C

- This grant is subject to all valid rights existing on the effective date of this grant.
- This grant is subject to all the applicable regulations contained in 43 CFR 2800.
- This grant is subject to review after twenty years and at regular intervals thereafter not to exceed ten years.
- 4. There is reserved to the Authorized Officer, the right to grant additional rights-of-way or permits for compatible use on, over, under, or adjacent to the land involved in this grant.
- 5. Holder shall comply with the applicable Federal and State laws and regulations concerning the use of pesticides (i.e., insecticides, herbicides, fungicides, rodenticides, and other similar substances) in all activities/operations authorized under this grant. The Authorized Officer shall approve a written plan prior to the use of such substances. The plan must provide the type and quantity of material to be used; the pest, insect and fungus to be controlled; the method of application; the location of or storage and disposal of containers; and other information that the Authorized Officer may require. The plan should be submitted no later than December 1 of any calendar year that covers the proposed activities for the next fiscal year (i.e., December 1, 1986, deadline for a fiscal year 1988 action). Emergency use of pesticides may occur. The use of substances on or near the right-of-way shall be in accordance with the approved plan. A pesticide shall not be used if the Secretary of the Interior has prohibited its use. A pesticide shall be used only in accordance with its registered uses and within other limitations if the Secretary has imposed limitations. Pesticides shall not be permanently stored on public lands authorized for use under this grant.
- 6. All construction activities shall be confined to the minimum area necessary and shall not exceed the width of the right-of-way granted herein. The exterior boundaries of the right-of-way shall be clearly flagged prior to any surface disturbing activities.

- 7. If cultural resources are discovered during operations under this grant, the Holder shall immediately bring them to the attention of the Authorized Officer. The Holder shall not disturb such resources except as may be subsequently authorized. Within two working days of notification, the Authorized Officer will evaluate or have evaluated any cultural resources discovered and will determine if any action may be required to protect cultural resources discovered. The cost of data recovery for cultural resources discovered during operations shall be borne by the BLM unless otherwise specified by the Authorized Officer of the BLM. All cultural resources shall remain under the jurisdiction of the United States until ownership is determined under applicable law.
- 8. Holder shall file proof of construction within 90 days of completion of construction. Filing of proof of construction shall not exceed five years from the date of this grant in accordance with 43 CFR 2803.2(d).

Section D

- 1. The effective date of this right-of-way grant is the date of execution by the Authorized Officer.
- 2. If the Holder violates any of the terms and conditions to this grant, the Authorized Officer, after giving written notice, may declare the grant terminated.

The undersigned agrees to all of the foregoing terms and conditions of this right-of-way grant:

Authorized Officer for the County of Clark

0 8 APR 1996

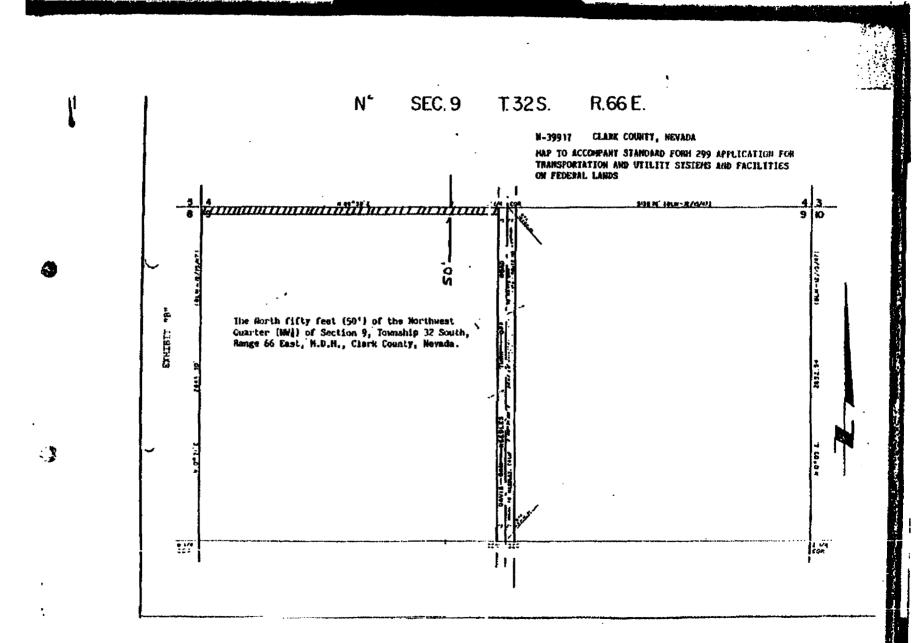

(Data)

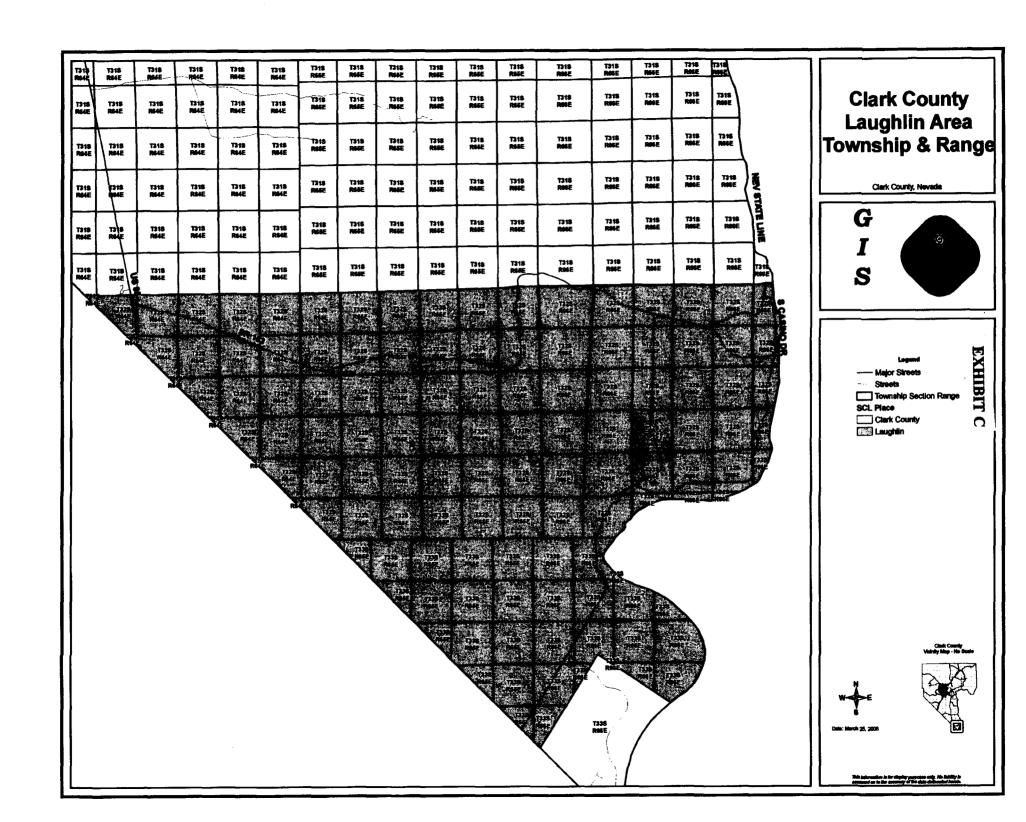

The right-of-way grant is executed this for day of the last.

Authorized Officer for the Bureau of Land Hanagement

Las Vegas Office

District Manager

AGREEMENT FOR COLLECTION AND DISPOSAL OF SOLID WASTE

THIS SOLID WASTE COLLECTION AND DISPOSAL AGREEMENT (this "Agreement") is made and entered by and between the City Council, City of Henderson, a municipal corporation of the State of Nevada, hereinafter called the "City", and Republic Silver State Disposal, Inc., a Nevada corporation, hereinafter called "Contractor".

RECITALS:

WHEREAS, federal and state regulations mandate environmentally sound solid waste collection and disposal; and

WHEREAS, it is declared to be the policy of the City to regulate the collection and disposal of solid waste and recyclables in a manner consistent with federal and state laws; and

WHEREAS, the City is authorized, pursuant to the Charter of the City of Henderson and applicable provisions of general laws of the State of Nevada, to enter into this Agreement and may, pursuant to NRS 268.081, grant an exclusive contract to any person to perform collection and disposal of "garbage and other waste", which collectively refer to solid waste herein; and

WHEREAS, solid waste collection and disposal service and curbside recycling are presently provided by Contractor within the City; and

WHEREAS, the City Council of the City has determined that franchised solid waste collection, transportation, and disposal service and curbside recycling and household hazardous waste collection provide the most effective approach to environmentally sound and economical solid waste collection and disposal services; and

WHEREAS, the City desires to continue providing environmentally sound solid waste collection and disposal services to residents and businesses within the municipal boundaries of the City; and

WHEREAS, Contractor represents it is willing and able to perform environmentally

2100

sound solid waste collection and disposal services within the municipal boundaries of the City; and

WHEREAS, the City has assumed responsibilities in connection with the closure of the Henderson Landfill (the "Landfill"), in accordance with the Landfill Response Program Agreement (the "Landfill Agreement") between the City and the Nevada Division of Environmental Protection and the Clark County Health District; and

WHEREAS, the City is obligated under the Landfill Agreement to provide maintenance and closure oversight to the Landfill for a period of thirty (30) years from the date of closure (the "Closure Period"); and

WHEREAS, the City will incur long-term costs to provide the required maintenance and oversight to the Landfill during the Closure Period ("Closure Costs"); and

WHEREAS, Contractor, as a community partner, and not by way of any admission of liability whatsoever, will contribute Seven Million Eight Hundred Thousand Dollars (\$7,800,000) to the City, to aid the City in meeting such Closure Costs and other post-closure obligations as determined by the City under the Landfill Agreement, which contribution shall be payable to the City as set forth below; and

WHEREAS, the City and Contractor desire to incorporate and merge all existing solid waste collection contracts into a single new exclusive contract for collection and disposal of solid waste, residential recycling, and household hazardous waste collection and disposal within the municipal boundaries of the City.

NOW, THEREFORE, in consideration of the covenants and agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby covenant and agree as follows:

1. Definitions of terms in this Agreement shall be the same as those definitions listed in Title 5, Chapter 5.17 of the Henderson Municipal Code (the "Code"), and amendments

thereto.

- 2. For and in consideration of the demands, terms, covenants, agreements, and conditions herein contained, Contractor hereby agrees to collect and dispose of solid waste as described in the Code and amendments thereto, and in conformity with all applicable laws, regulations and ordinances existing and hereafter enacted or established. All provisions of the Code, and amendments thereto, shall be binding upon the Contractor, its successors and assigns. In the event of any conflict between any provisions of the Code and amendments thereto, and any provisions of this Agreement, the Code provision shall control.
- 3. Contractor and the City hereby agree that the demands, terms, covenants, agreements, and conditions contained in all prior solid waste collection contracts between the parties, and modifications thereto, are hereby terminated by mutual agreement and shall have no further force or effect, and that each party is released from any liability or obligation to the other party thereunder; except that the Sludge Hauling Agreement between City and Contractor shall remain in effect according to its terms.
- 4. Contemporaneous with the full execution of this Agreement, Contractor shall pay to the City the amount of Seven Million Eight Hundred Thousand Dollars (US\$7,800,000) by wire transfer of immediately available funds to a bank named and account designated by the City. This payment is to aid the City in meeting such Closure Costs and other post-closure obligations as determined by the City under the Landfill Agreement and shall not be construed as an admission of liability by Contractor. This Agreement is conditioned upon the City's receipt of such payment in full, execution of the Guaranty By Parent Corporation, attached hereto as Exhibit A and incorporated by reference herein, and execution of the Environmental Indemnification and Release Agreement, attached hereto as Exhibit B and incorporated by reference herein, as further provided in Section 37 hereunder.
 - 5. Contractor agrees to own, purchase, contract for the purchase of, or lease, and

shall at all times during the term hereof maintain and make available for the performance of the services required herein, equipment in good operating condition and sufficient in quantity and quality to satisfy the need thereof as presently exists or may hereafter arise to fulfill the terms of this Agreement.

- 6. Subject to the payment described Section 4, this Agreement shall become effective as provided in Section 37 hereunder, and shall terminate on December 31, 2025, said termination date being subject to all additional provisions for extension or early termination contained herein. The aforementioned term shall be renewable for two (2) additional five (5) years terms, at the option of Contractor, upon the same terms and conditions, provided Contractor is not then in default of this Agreement and provided that Contractor gives written notice of its election to the City one hundred eighty (180) days or more prior to the expiration of this Agreement.
- 7. Contractor shall have the exclusive right to collect, transport and dispose of solid waste and agrees to make solid waste collections and provide services at the service levels and rates set forth in this Agreement and the Code, and amendments thereto. All solid waste so collected shall be transported to authorized and permitted transfer stations, landfills, recycling facilities, or such other facilities as permitted by the Southern Nevada Health District or any successor solid waste management agency (the "Solid Waste Management Authority").
- a. Contractor will provide solid waste collection and disposal to all Cityowned facilities and public buildings at service levels set forth in the Code, without charge to the City.
- b. City vehicles may dispose of solid waste at any authorized transfer station, landfill, recycling facility, or such other facility or other disposal site owned or operated by Contractor within the City or Clark County, without charge to the City.
 - 8. Except as otherwise provided in the Code, Contractor shall have the right

and agrees to make available within the municipal boundaries of the City, an exclusive environmental curbside recycling collection program and an exclusive household hazardous waste drop-off program for its residential customers, except in instances where by reason of the provisions of this Agreement or by mutual agreement between the City and Contractor, the Contractor is excused and/or not required to make any collection. Under the programs:

- a. All recyclable material so collected shall be transported to Contractor's designated facility. In addition, selected loads of commercial solid waste may be transported in collection trucks to Contractor's recycling facility, at Contractor's discretion. The recyclable materials shall then be separated and the remaining refuse shall then be transported to a solid waste transfer station or the Apex Regional Landfill facility.
- b. Contractor shall provide for and have the exclusive right for drop-off of household hazardous waste from residents. Drop-off shall be offered every quarter, on a Saturday. Household hazardous waste shall be accepted at drop-off locations established by Contractor, and Contractor shall inform customers of the dates, times, and locations of pick-ups either by mail, inserted into billing statements, or by announcements in the local media at least quarterly. Household hazardous waste that shall be accepted includes up to five (5) gallons or forty (40) pounds per household per collection period, and may include paints, varnishes, stains, thinners, household cleaners, furniture or metal polishes, liquid automotive products, pesticides, pool chemicals, photographic chemicals, art and hobby supplies, adhesives, batteries, and used oil or other acceptable household hazardous waste. Waste that shall not be accepted include radioactive materials, explosives, water reactives, compressed gases (including freon), business or commercial waste, infectious waste, unlabled/unknown materials, or other materials or products as may, due to safety, health, or similar concerns, be designated by the City or other recognized governmental authority and agreed to by Contractor as unacceptable household hazardous waste materials.

- 9. Contractor shall maintain and operate its Republic Services Recycling Center in North Las Vegas for the duration of this Agreement unless said facility shall be closed by an act of God, governmental action, or other unforeseen act or condition necessitating closure or relocation beyond the control of Contractor.
- 10. Contractor shall maintain and operate the existing Henderson Transfer Station through the duration of this Agreement unless said facility shall close by an act of God, governmental action, or other unforeseen act or condition necessitating closure or relocation beyond the control of Contractor. In the event the City determines that subsequent relocation of the Henderson Transfer Station is required by the City, and Contractor agrees to such relocation, the City and Contractor shall meet to determine anticipated costs directly attributable to such relocation, including the cost of required site improvements, which shall be the responsibility of the City. Contractor shall have the exclusive right to set rates and collect fees for operation of the Henderson Transfer Station, or any future transfer stations which may be constructed within the City during the term of this Agreement or extensions. Contractor further agrees that the provisions of this Agreement for payment of license fees shall apply to the existing Henderson Transfer Station, and any other which may be constructed in the City of Henderson.
- 11. Contractor agrees to establish and place into operation additional transfer stations based upon the service requirements as determined by Contractor.
- a. Said future transfer stations shall be located on mutually acceptable sites owned or controlled by the City or the Contractor and as approved by the City Council.
- b. City and Contractor agree that Contractor shall have the right, subject to applicable laws, regulations and ordinances existing and hereafter enacted or established, to determine physical layout, construction, and operational characteristics of the sites. However, Contractor agrees to meet with the City and/or its designees or designated working groups

within the area of each proposed site to obtain site and service level information and feedback.

- c. Contractor agrees to assume responsibility for all costs associated with site improvements, construction, operation, and maintenance, and liability for operation, of each transfer site.
- 12. Contractor shall make all collections, and set rates, fees, and charges subject to the provisions in the Code and amendments thereto, and shall establish and maintain an accounting system and full and complete records in accordance with generally accepted accounting principles and applicable state regulations, and acceptable to the City's Director of Finance, to reflect correctly and accurately the gross receipts from the collection of solid waste under this Agreement and the records of the collection and disposition of all recyclable materials of the Regional Franchise Jurisdiction service areas within Clark County, and will file with the City's Director of Finance, within thirty (30) days after the end of each preceding calendar quarter during the term of this Agreement, a sworn statement of the gross receipts derived from the collection of solid waste and curbside recycling during the quarter next preceding the date of such sworn statement. At the option and expense of the City, such records and statements, receipts, contracts, records of requests for service, computer records, legends, or any other records used in the normal course of business and disks or other storage media and other like material which are appropriate to monitor compliance with the terms of this Agreement are subject to audit. All payments made by solid waste services customers of Contractor for services provided herein shall be properly accounted for as revenue items. Such books and records shall be retained for a period of five (5) years, and shall be produced to the City upon request for inspection at any time during normal business hours and shall be made available for auditing purposes, including the right to inspect, copy and audit at Contractor's office in the greater Las Vegas Valley at any time during normal business hours.
 - 13. Contractor shall pay on a quarterly basis, a license fee to the City of five percent

(5%) of the gross receipts derived from the collection of solid waste and curbside recycling material under this Agreement, to include gross receipts for any additional services or service levels negotiated separately with customers from the rates contained in Chapter 5 of the Code and amendments thereto. Contractor shall further provide for payment on a quarterly basis of a license fee to the City of five percent (5%) of the gross receipts derived from fees paid by customers (excluding waste collected by Contractor) to deposit solid waste at Contractor's transfer station (or subsequent transfer stations or convenience centers) operated within the municipal boundaries of the City. Checks should be made payable to the City of Henderson and mailed or delivered to the City at the address for notice in Section 26. The place and time of payment may be changed at any time by City upon 30 days' written notice to Contractor. Mailed payments shall be deemed paid upon the date such payment is postmarked by the postal authorities.

- 14. Contractor shall at all times during the term of this Agreement keep on file with the City's Director of Finance a surety bond, or cash, or its equivalent, in the amount of Ten Million Dollars (\$10,000,000), in a form acceptable to the City, as security for compliance with the terms of this Agreement and applicable Code provisions and to insure the collection of solid waste and its disposal as specified herein. Such bond shall be conditioned upon the faithful performance of this Agreement and compliance with all applicable ordinances and laws of the City, the State of Nevada, and regulations of the Solid Waste Management Authority. Any or all of such bond may be claimed by the City as payment for damages, costs, or expenses the City suffers or incurs by reason of any act or omission of the Contractor in connection with this Agreement or its enforcement, including failure to compensate the City within ninety (90) days such compensation is due.
- a. In order that the public health and safety shall not be endangered in the event of an uncured breach of Contractor's obligation to collect and dispose of solid waste,

Contractor agrees that after a hearing and determination upon clear and convincing evidence by the City Council that such a breach has occurred, which breach has not been cured in accordance with Section 23 hereof, said bond or cash shall be forfeited. City shall have the right to immediately take over the collection of all solid waste and to take possession of such private land and equipment owned or leased by Contractor, and used by it in the performance of solid waste collection pursuant to this Agreement, that may be necessary for the City to provide such collection of solid waste. This possession by the City shall be limited to a period not to exceed three (3) months and during said period the City shall pay to Contractor the reasonable rental value of similar private land and equipment.

- b. Should a breach of this Agreement result from an act of God, public enemy, terrorist act, or similar cause beyond Contractor's control as determined by a hearing by the City Council, the City shall have the right during such period to take over the collection of solid waste and equipment owned or leased by Contractor, and used by it in the performance of this Agreement. The City shall be reimbursed therefor by Contractor on a cost basis during the period of time that said solid waste collections are made by the City. Such reimbursements shall not exceed one hundred twenty-five percent (125%) of Contractor's costs for a like period of time immediately preceding said breach, such like period of time to be based upon the entire period said breach shall continue, notwithstanding the fact that such collections by the City may not have commenced immediately upon the occurrence of said breach.
- c. In the event the City shall take over the collection of solid waste, as in this paragraph provided, Contractor agrees to manage the office, including the preparation and mailing of bills and the collection of accounts receivable with its administrative personnel and shall cooperate fully with the City in facilitating the collection of solid waste.
- d. The City's waiver of any breach, shall not constitute a waiver of any subsequent breach, either of the same or any other provisions herein

- e. If bonds are used to satisfy the requirements of this Section12, they shall be in accordance with the following:
 - (i) All bonds shall, in addition to all other costs, provide for payment of reasonable attorneys' fees.
 - (ii) All bonds shall be issued by a surety company authorized to do business in the State of Nevada, and which is listed in the U.S. Department of the Treasury Fiscal Service (Department Circular 570, Current Revision): companies holding certificates of authority as acceptable sureties on federal bonds and as acceptable reinsuring companies.
 - (iii) Contractor shall require the attorney-in-fact who executes the bonds on behalf of the surety to affix thereto a certified and current copy of his or her power of attorney.
 - (iv) All bonds prepared by a licensed nonresident agent must be countersigned by a resident agent per NRS 680A.300.
 - (v) All bonds shall guarantee the performance of all of Contractor's obligations under this Agreement and all applicable laws.

If this Agreement is renewed or otherwise extended beyond its original term, the bond amount required by this Section 12 shall be adjusted based upon the percentage of change in the CPI-U. Bond amount changes shall be effective as of July 1 following the tenth anniversary date of this Agreement, and shall be based upon the percentage change in the CPI-U for the preceding ten calendar years.

15. Not later than ten (10) calendar days after approval of this Agreement by the City Council, Contractor shall obtain and maintain at all times during the term of this Agreement insurance, and shall furnish the City's Director of Finance with a policy or original certificate of such insurance with endorsements in which the City, its council members, officers, and

employees shall be named as an additional insureds with Contractor, substantially as follows:

Comprehensive General Liability Insurance protecting City with a minimum limit of One Million Dollars (\$1,000,000) per occurrence (combined single limit) for bodily injury and property damage, including automobile and other than automobile and including accidental death, and in an amount not less than Two Million Dollars (\$2,000,000) annual aggregate for each personal injury liability

Such insurance shall not be canceled, nor shall the occurrence or aggregate limits set forth above be reduced, until the City has received at least thirty (30) days' advance written notice of such cancellation or change. Contractor shall be responsible for notifying the City of such change or cancellation.

- 16. Contractor shall furnish and maintain in full force and effect during the term hereof, or any extension of this Agreement, full worker's compensation insurance in accordance with the Nevada Industrial Insurance Act, as amended, and other applicable state and federal laws.
- 17. Contractor will be required by this Agreement to appear in and defend all actions against the City arising out of the privileges conferred herein, and Contractor agrees to indemnify, protect, and hold the City, its council members, officers, and employees harmless from all claims, damages, liabilities, fines, losses, charges, penalties, administrative and judicial proceedings and orders, judgments, and all costs and expenses incurred in connection therewith, including reasonable attorney's fees and costs of defense (collectively, the "Losses") from any and all causes directly or proximately arising from Contractor's performance of, or activities undertaken pursuant to, this Agreement including equipping, operating, or maintaining its facilities and Transfer Stations, unless such Losses are directly attributable to the sole negligence or omission of the City or its agents, employees, or representatives. Contractor shall pay all other such Losses for which the City may be liable and hold the City harmless from any

accident, casualty, damages, losses, or claims which may happen or arise in conjunction with the performance of this Agreement.

- 18. Contractor shall charge the collection rates and charges contained in Chapter 5 of the Code, and such rates and charges shall be adjusted as set forth therein. City and Contractor shall have the right to review the collection rates as contained in Chapter 5 of the Code and amendments thereto not more frequently than once each year.
- a. In the absence of unforeseen economic circumstances, the City will authorize an adjustment in the rates to be charged for the collection, removal, and disposal of solid waste as contained in Chapter 5 of the Code and amendments thereto based on the percentage change in the Consumer Price Index, All Urban Consumers for All Items, U.S. City Average (1982–84=100), as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. ("CPI-U"), for the calendar year immediately preceding, as provided in Chapter 5 of the Code. Contractor will submit the CPI-U adjustment calculation to the City Manager each year by February 1, for the period of December of the year preceding the prior year to December of the prior year. Contractor will also submit new rates increased at the same percentage increase as the CPI-U increase. The City Manager will verify the accuracy of the increase in the CPI-U and the increase in the rates and will notify Contractor of the approval of the new rates by April 1 each year, which shall then become effective on July 1 of each year during the term of this Agreement, and any renewal thereof.
- b. In the event an unforeseen economic circumstance has occurred during the preceding calendar year, Contractor may request a rate adjustment which is not based on changes to the CPI-U. Contractor will submit verification of the unforeseen economic circumstance in writing to the City Manager with documentation supporting the rate increase request. Any rate adjustment based upon an unforeseen economic circumstance will require approval of the City Council.

- 19. Contractor agrees to provide data and reports necessary to fulfill the requirements of the City and/or the Solid Waste Management Authority for assessing and reporting of recycling and hazardous waste collection program results in conformance with applicable federal and state laws and regulations.
- 20. The rights and privileges granted by this Agreement are not assignable, either voluntarily or by operation of law, without the consent of the City Council. In the event Contractor becomes insolvent or bankrupt, the rights or privileges granted hereby shall then be immediately cancelled and annulled, and the City shall have the right to take over said business or substitute another contractor in its place and stead as provided by law.
- 21. Should Contractor fail or neglect to make any solid waste collections as required by this Agreement within the time herein provided, the City shall, after two working days, have the right to make collection thereof and charge Contractor with the cost thereof.
- 22. Contractor agrees to make collections as quietly as possible, giving due consideration, to residential areas in its route scheduling, as well as weather considerations, allowing for early daily start times from June 1 through September 30 due to excessive daytime heat.
- 23. In the event the City determines that Contractor is in default under any of the provisions hereof, the City Council (and/or its manager) shall give Contractor written notice thereof, specifying the provisions hereof (and/or the Code) under which the default has been determined to exist and give Contractor sixty (60) days within which to correct any such default. In the event Contractor does not correct any such default within the applicable cure period, the City may enforce its rights against Republic Services, Inc., a Delaware corporation, as expressed in the "Guaranty By Parent Corporation" (attached hereto as Exhibit A), terminate this Agreement upon thirty (30) days' written notice to Contractor, the City may take possession of the equipment and other property of Contractor as hereinbefore provided, and the bond

deposited by Contractor in conformity with the provisions contained within this Agreement shall be forfeited.

- 24. Upon termination of this Agreement, the City agrees to lease all usable equipment and other property belonging to and used exclusively by Contractor for solid waste collection in the municipal boundaries of the City, provided the parties can mutually agree upon satisfactory terms. In the event the parties are unable to agree as to rental and other lease terms, the City shall be entitled to purchase and/or lease all aforesaid usable equipment and other property owned and used by Contractor in the operation of its solid waste business within the municipal boundaries of the City at the fair market value as determined by an appraisal by an independent and mutually agreed upon appraiser; however, the City's rights to purchase and/or lease may be assigned by City without consent.
- 25. The failure of either party to insist upon the strict performance of any of the provisions of this Agreement or any extension thereof, or the failure of either party to exercise any right, option, or remedy hereby reserved, shall not be construed as a waiver for the future of any such provision, right, option, or remedy, or as a waiver of any subsequent breach thereof.
- 26. Contractor is an independent contractor and not an employee of the City for any purpose.
- 27. All notices, requests, demands, or other communications hereunder shall be in writing, and shall be deemed to have been duly given as if delivered in person, when received by certified mail with return receipt requested, or otherwise actually delivered.

Notice to the City shall be sent to:

City Manager City of Henderson 240 Water Street Henderson, NV 89015

Notice to Contractor shall be sent to:

Area President
Republic Silver State Disposal, Inc.
770 East Sahara Avenue
Las Vegas, NV 89104

with a copy to:

General Counsel
Republic Services, Inc.
110 SE 6th Street
28th Floor
Fort Lauderdale, FL 33301

Either party may change the address at which it receives written notice by so notifying the other party in writing.

- 28. Should any section or any part of any section of this Agreement be rendered void, invalid, or unenforceable by any court of law, for any reason, such a determination shall not render void, invalid, or unenforceable any other section or any other part of any section of this Agreement.
- 29. This Agreement has been made and entered into in the State of Nevada, and the laws of the State of Nevada shall govern the validity and interpretation of this Agreement and the performance due hereunder. If suit is brought by a party to this Agreement, the parties agree that trial of such action shall be vested exclusively in the state courts of Nevada.
- 30. The drafting, execution, and delivery of this Agreement by the parties have been induced by no representations, statements, warranties, or agreements other than those expressed herein. This Agreement embodies the entire understanding of the parties, and there are no further or other agreements or understandings, written or oral, in effect between the parties relating to the subject matter hereof unless expressly referred to herein or expressly incorporated herein by reference thereto. This Agreement was drafted by both of the parties and, thus, shall not be construed against any party because that party initially drafted any particular provision.

- 31. Should either party bring suit to enforce any of the terms of this Agreement, the prevailing party shall be entitled to recover expenses of suit, including court costs and reasonable attorneys' fees.
- 32. This Agreement shall not be modified unless such modification is in writing and signed by both parties to this Agreement.
- 33. Each of the parties to this Agreement represents and warrants that it has the full right, power, legal capacity, and authority to enter into and perform the parties' respective obligations hereunder and that such obligations shall be binding upon such party without the requirement of the approval or consent of any other person or entity in connection herewith.
- 34. Contractor acknowledges that information submitted to the City is open to public inspection and copying under Nevada Public Record Law, Chapter 239 of the Nevada Revised Statutes. Contractor is responsible for becoming familiar and understanding the provisions of the Nevada Public Records Law. Contractor may identify information, such as trade secrets, proprietary financial records, customer information or technical information, submitted to the City as confidential. Contractor shall prominently mark any information for which it claims confidentiality with the word "Confidential" on each page of such information prior to submitting such information to the City. The City shall treat any information so marked as confidential until the City receives any request for disclosure of such information. Within five working days of receiving any such request, the City shall provide Contractor with written notice of the request, including a copy of the request. Contractor shall have five working days within which to provide a written response to the City, before the City will disclose any of the requested confidential information. The City retains the final discretion to determine whether to release the requested confidential information, in accordance with applicable laws.
- 35. It is not intended by any of the provisions of this Agreement to create for the public, or any member thereof, a third-party beneficiary right or remedy, or to authorize anyone

to maintain a suit for personal injuries or property damage pursuant to the provisions of this Agreement. The duties, obligations, and responsibilities of the City with respect to third parties shall remain as imposed by Nevada law.

- 36. Time is of the essence with regard to the performance of all of Contractor's obligations under this Agreement.
- 37. This Agreement shall become effective when each of the following five conditions is met:
 - (i) execution hereof by the authorized representative of the Contractor;
- (ii) execution of the Guaranty By Parent Corporation, attached hereto as Exhibit A and incorporated by reference herein;
- (iii) execution of the Environmental Indemnification and Release Agreement, attached hereto as Exhibit B and incorporated by reference herein;
 - (iv) approval hereof by the City Council and execution by the Mayor of the City; and
- (v) payment confirmation by the City of the full amount due under Section 4, which the City shall promptly determine following notification by Contractor that such payment has been made.

EXHIBIT A

GUARANTY BY PARENT CORPORATION

WHEREAS, Republic Services, Inc., a Delaware corporation (the "Guarantor"), is the ultimate shareholder of Republic Silver State Disposal, Inc., a Nevada corporation (the "Company"); and

WHEREAS, the Company and the City Council, City of Henderson, a municipal corporation of the State of Nevada (the "City"), desire to enter into an Agreement for Collection and Disposal of Solid Waste, dated on or about the date of this Guaranty (the "Collection and Disposal Agreement"); and

WHEREAS, the City is unwilling to enter into the Collection and Disposal Agreement unless it receives a guaranty from the undersigned Guarantor with respect to the obligations of the Company to the City under the Collection and Disposal Agreement;

NOW, THEREFORE, in consideration of the premises and of other good and valuable consideration, the Guarantor hereby irrevocably covenants and guarantees the performance of all of the Company's obligations to the City under the Collection and Disposal Agreement, including the full and punctual payment of all monetary obligations required to be paid by the Company, their respective successors and assigns, to the City as expressed in the Collection and Disposal Agreement.

As set forth in Section 27 of the Collection and Disposal Agreement, Guarantor, at the address specified therein, shall be furnished with a duplicate copy of any notices, requests, demands, or other communications, including notices of default, to which the Company is entitled or which is served upon the Company at the time the same is sent to or served upon the Company. Guarantor hereby waives demand, protest, notice of any indulgences, or extensions granted of the Company provided a duplicate copy of any said notices, default, request, demand, or other communication be furnished to Guarantor at the time the same is sent to or served upon Republic Silver State Disposal, Inc.

In the event the Company does not correct any default within the applicable cure period expressed in the Collection and Disposal Agreement, Guarantor shall be granted ten (10) business days following receipt of written notice of any unresolved monetary defaults, thirty (30) days following receipt of written notice of any unresolved non-monetary defaults, to correct or remedy such defaults or cause such default to be corrected or remedied on behalf of the Company.

If any non-monetary default by the Company cannot reasonably be remedied within thirty (30) days after written notice of such non-monetary default, then Guarantor shall have such additional time as shall be reasonably necessary to remedy such non-monetary default, provided, however, that Guarantor shall pursue cure within the thirty (30) day period and shall be diligently prosecuting such cure to completion.

Notwithstanding anything herein to the contrary, any and all obligations of the Guarantor hereunder shall be subject to any defenses or rights of the Company under the Collection and

Disposal Agreement.

The provisions of this Guaranty shall be governed by the laws of the State of Nevada. This Guaranty, when executed and delivered by the Guarantor, will constitute the legal, valid and binding obligation of the Guarantor. No delay on the part of the City in exercising any rights hereunder or failure to exercise the same shall operate as a waiver of such rights. This Guaranty may not be modified except in a writing signed by the person(s) against whose interest such modification shall operate.

For purposes of providing Guarantor with written notice hereunder, Guarantor shall be furnished with a duplicate copy at the address set forth in the Collection and Disposal Agreement, as it may be amended from time to time.

IN WITNESS WHEREOF, the undersigned has executed this Guaranty as of this Act day of December, 2006.

REPUBLIC SERVICES, INC. A Delaware Corporation

Title: Sr. Vice President & General Counsel

Date: 12/22/06

EXHIBIT B

ENVIRONMENTAL INDEMNIFICATION AND RELEASE AGREEMENT

THIS ENVIRONMENTAL INDEMNIFICATION AND RELEASE AGREEMENT ("Agreement") is made effective as of this ____ day of _____, 2006, by and between the CITY OF HENDERSON, NEVADA, a Nevada municipal corporation ("City") and REPUBLIC SILVER STATE DISPOSAL, INC., a Nevada corporation ("Republic") (individually a "Party" and collectively the "Parties").

Recitals

WHEREAS, the City has assumed responsibilities in connection with the closure of the Henderson Landfill, in accordance with the Landfill Response Program Agreement (the "LRPA") between the City and the Nevada Division of Environmental Protection and the Clark County Health District; and

WHEREAS, the City is obligated under the LRPA to provide maintenance and closure oversight to the Henderson Landfill for a period of thirty (30) years from the date of closure (the "Closure Period"); and

WHEREAS, the City will incur long-term costs to provide the required maintenance and oversight to the Henderson Landfill during the Closure Period ("Closure Costs"); and

WHEREAS, Republic, as a community partner, and not by way of any admission of liability whatsoever, will contribute Seven Million Eight Hundred Thousand Dollars (\$7,800,000) to the City, to aid the City in meeting such Closure Costs and other post-closure obligations as determined by the City under the LRPA; and

WHEREAS, Republic is a respondent to Administrative Order RCRA 7003-09-99-0005 with respect to the Sunrise Landfill issued by the United States Environmental Protection Agency and Findings of Violation and Order for Compliance Docket No. CWA-309-9-99-14 issued by the EPA, and includes respectively any amendment(s) or superseding order(s) ("Sunrise Landfill Orders") and owns and operates the Apex Landfill.

NOW, THEREFORE, in consideration of the foregoing recitals, the terms and conditions of this Agreement and other consideration, the sufficiency of which is hereby acknowledged, City and Republic agree as follows:

<u>Definition of Terms</u>. The following capitalized terms shall have the following meanings for purposes of this Agreement:

The term "Apex Landfill" means the real property and associated waste management and disposal facilities generally known as the Apex Regional Landfill and generally situated near the intersection of Interstate 15 and U.S. Highway 93 in Clark County, Nevada and within portions of Sections 7, 18, 19, and 20, Township 18 South, Range 64 East and Sections 13 and 24, Township 18 South, Range 63 East, Mount Diablo Meridian, comprising approximately 2,580 acres of property owned by Republic Dumpco, Inc., and all

related facilities including without limitation all solid waste transfer stations, convenience stations, and recycling facilities as they now exist or may hereafter be established.

The term "Costs" means all past, current, future, and contingent liability of any and every kind and nature, whether currently known or unknown including, without limitation, (i) liability resulting from or by reason of any conduct, cause or course of action whatsoever which has been done or omitted by a Party; (ii) any claims sounding in tort, negligence, contract, environmental or statutory liability or otherwise, including without limitation, claims by: (a) any third-party alleging claims for contribution, personal injury or real or personal property damage or by any other third-party or parties, including adjacent or non-adjacent property owners; or (b) any governmental authority, including, but not limited to, the State of Nevada or the United States Environmental Protection Agency, and any successor agencies; (iii) actions (including without limitation any citation, directive, order or investigation), administrative proceedings (including without limitation both formal and informal proceedings), judgments, damages, punitive damages, penalties, fines, fees (including without limitation reasonable attorneys' fees and expenses, consultant fees, and expert fees); (iv) liabilities (including without limitation sums paid in settlements of claims), or losses, together with all other costs and expenses of any kind or nature (including without limitation the cost of any environmental investigation or remediation required under any federal, state or local laws, ordinances, or regulations, or under any existing or future reported decision of a state, local or federal court); (v) liability related to any substances, materials and wastes imposing liability, including strict liability, for cleanup or response costs or expenses on any person or entity under any existing or future statutory or common law theory, all as amended, replaced or succeeded; (vi) liability for releases, seepages, migrations, discharges or spills of any Hazardous Material; (vii) liability for claims brought by or on behalf of any past or present tenants, occupants, or other users of the Sunrise Landfill, Apex Landfill or Henderson Landfill, as applicable.

The term "Environmental Contamination" means the presence, disposal, or release of any Hazardous Material at, on, above, under, within, or from the Sunrise Landfill, Apex Landfill or Henderson Landfill, as applicable, or any portion respectively thereof, whether past, present or future, including without limitation the presence or release of Hazardous Material in or into the air, soil, groundwater, or surface water at, on, above, under, within, or from the Sunrise Landfill, Apex Landfill or Henderson Landfill, as applicable, or any portion respectively thereof, and Hazardous Material that is transported or migrates from either property to other property. Without limiting the generality of the foregoing, the term Environmental Contamination shall include, without limitation, any and all Hazardous Material that is present at the Sunrise Landfill, Apex Landfill or Henderson Landfill, as applicable, or in the air, soil, groundwater, or surface water at, on, above, under, or within the applicable property, or any portion thereof, before, on, or after the date of this Agreement and that migrates, flows, percolates, diffuses, or in any way moves onto, into, or under the air, soil, groundwater or surface water at, on, above, under, or within other property, or any portion thereof, before, on, or after the date of this Agreement, irrespective of whether such Environmental Contamination shall be present or suspected to be present on or at the applicable property or in the air, soil, groundwater, or surface water at, on, about, above, under, or within the applicable property or other property, or any portion thereof, as a result of any release, discharge, disposal, dumping, spilling, or leaking (accidental or otherwise) onto the applicable property, or any portion thereof, occurring before, on, or after the date of this Agreement or caused by any person or entity.

The term "Hazardous Material" means any substance, material or waste, or combination thereof, the presence of which is regulated under any existing or future federal, state or local laws, consent agreements, unilateral administrative orders, ordinances or regulations, or under any existing or future reported decision of a state, local or federal court, including, but not limited to: (i) substances, materials and wastes that are now or become listed in the United States Department of Transportation Hazardous Materials Table (49 CFR 172.101) or by the United States Environmental Protection Agency (40 CFR Part 302), and amendments thereto, as hazardous substances; (ii) substances, materials and wastes designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C. § 1251 et seg. (33 U.S.C. § 1321) or listed pursuant to Section 307 of the Clean Water Act (33 U.S.C. § 1317); (iii) substances, materials and wastes defined as a "hazardous waste" or "solid waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. § 6903); (iv) substances, materials and wastes defined as a "hazardous substance" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. § 9601, et seq. (42 U.S.C. § 9601); (v) substances, materials and wastes defined as a "hazardous substance," "hazardous waste" or "dangerous waste" under the laws of the State of Nevada; (vi) petroleum and petroleum products; (vii) asbestos; (viii) polychlorinated biphenyls; and (ix) any substances, materials and wastes that are or become defined as a toxic or hazardous substance, material, pollutant or contaminant under any existing or future federal, state or local laws, consent agreements, unilateral administrative orders, ordinances or regulations, or under any existing or future reported decision of a state, local or federal court, or (x) any substances, materials and wastes, the presence of which requires or may require investigation or remediation under any existing or future statutory or common law theory, all as amended replaced or succeeded.

The term "Henderson Landfill" means the real property and associated waste management and disposal facilities generally known as the Henderson Landfill and generally situated within the S½NW¼SW¼, and SW¼SW¼ of Section 28, and the S½SE¼ of Section 29, Township 21 South, Range 63 East, Mount Diablo Meridian, comprising approximately 145 acres of property owned by the City by United States land patent Number 27-97-0010.

The term "LRPA" means the Landfill Response Program Agreement entered into among the State of Nevada, the Southern Nevada Health District and the City in March 1997.

The term "Sunrise Landfill" means the real property and associated waste management and disposal facilities generally known as the Sunrise Regional Landfill and generally situated within portions of Sections 1 and 12, Township 21 South, Range 62 East, Mount Diablo Meridian, comprising approximately 720 acres of federal public lands currently administered by the federal Bureau of Land Management as well as: (i) appurtenant waste management or disposal areas including the areas denoted as the "Eastern Perimeter Area," "Northeast Canyon Area," "Southern Wash Area," and "Western Burn Pit Area" in the RCRA Order; and (ii) any release or threatened release of any Hazardous Material associated in any manner with waste management or disposal activities at such areas.

Indemnification by Republic of City. Republic shall be responsible for and shall indemnify, protect, defend and hold harmless City and City's council members, officers, employees, agents, attorneys, representatives and contractors, and their successors and assigns from and against any and all Costs that arise directly or indirectly from, out of, or in

connection with any actual, alleged or suspected Environmental Contamination at or associated with Sunrise Landfill and Apex Landfill.

Release by Republic of City. Republic, for itself and its affiliates, directors, officers, shareholders, members, managers, employees, trustees, beneficiaries, agents, attorneys, representatives and contractors, and their successors and assigns, does hereby completely and irrevocably release and forever discharge City and its successors and assigns from any and all Costs that arise directly or indirectly from, out of, or in connection with any actual, alleged or suspected Environmental Contamination at or associated with Sunrise Landfill and Apex Landfill.

Indemnification by City of Republic Effective upon the receipt by the City from Republic of seven-million-eight-hundred-thousand dollars (\$7,800,000), City shall be responsible for and shall indemnify, protect, defend and hold harmless Republic and Republic's directors, officers, shareholders, employees, agents, attorneys, representatives and contractors, and their successors and assigns from and against any and all Costs that arise directly or indirectly from, out of, or in connection with any actual, alleged or suspected Environmental Contamination at or associated with the Henderson Landfill.

Release by City of Republic. Effective upon the satisfaction of the condition specified hereinabove in Section 4, City, for itself and its council members, officers, employees, agents, attorneys, representatives and contractors, and their successors and assigns, does hereby completely and irrevocably release and forever discharge Republic and its successors and assigns from any and all Costs that arise directly or indirectly from, out of, or in connection with any actual, alleged or suspected Environmental Contamination at or associated with the Henderson Landfill.

Performance Obligations. Performance of the obligation to indemnify shall be in conformance with all applicable federal, state and local laws, regulations, judicial orders, and all agreements affecting the Sunrise Landfill, Apex Landfill or Henderson Landfill, as applicable. In the event the relevant indemnitor shall fail to timely commence, cause to be commenced, or fail to diligently prosecute to completion its obligations under this Agreement, the indemnitee may, but shall not be required to, cause such obligations to be performed for the account of the relevant indemnitor, and all Costs thereof, or incurred in connection therewith, shall be covered as part of the environmental indemnification and paid by the relevant indemnitor. All such Costs shall be due and payable by the indemnitor upon demand therefor by the indemnitee.

<u>Request for Information</u>. Each idemnitor shall timely respond to an indemnitee's reasonable requests for information regarding its obligations under this Agreement.

Miscellaneous.

Subrogation of Rights. If a Party fails to perform its obligations under this Indemnification Agreement, the other Party shall be subrogated to any rights the defaulting Party may have against any present, future or former owners, tenants, occupants, or other users of the Sunrise Landfill, Apex Landfill or Henderson Landfill, as applicable (or any portion respectively thereof), relating to the matters covered by this Indemnification Agreement.

Independent Obligations; Survival. The obligations of the under this Agreement are separate and distinct from the obligations of the Parties under any other agreement and other documents referenced respectively therein and executed in connection respectively therewith. This Indemnification Agreement may be enforced by a Party without regard to any other rights and remedies a Party may have against the other Party under any other agreement and other documents referenced respectively therein and executed in connection respectively therewith.

Default Interest. Any Costs and other payments required to be paid by a Party under this Agreement that are not paid on demand therefor shall thereupon be considered delinquent. In addition to all other rights and remedies of a Party against the other Party as provided herein, or under applicable law, the defaulting Party shall pay to the other Party, immediately upon demand therefor, interest on any such payments that are or have become delinquent at a rate that is the lesser of nine percent (9%) or the highest rate allowed under applicable laws. The interest shall be paid by the defaulting Party from the date such payment becomes delinquent through and including the date of payment of such delinquent sums.

<u>Time</u>. Time is of the essence of every provision contained in this Agreement. If the time for performance of any obligation hereunder shall fall on a Saturday, Sunday or Nevada or federal holiday, the time for performance shall be extended to the next day which is not a Saturday, Sunday or holiday.

Further Assurances. Each of the Parties shall execute and deliver any and all additional papers, documents and other assurances, and shall do any and all acts and things reasonably necessary in connection with the performance of its obligations hereunder in good faith to carry out the intent of the parties herein so long as such are consistent with the terms of this Agreement and impose no greater duties on the Party.

Attorneys' Fees. In the event suit or action is instituted to interpret or enforce the terms of this Agreement, or in connection with any arbitration or mediation of any dispute, the prevailing Party shall be entitled to recover from the other Party such sum as the court, arbitrator or mediator may adjudge reasonable as such Party's costs and attorney's fees, including such costs and fees as are incurred in any trial, on any appeal, in any bankruptcy proceeding (including the adjudication of issues peculiar to bankruptcy law) and in any petition for review.

Construction. Each Party acknowledges that: (a) it has been represented by independent counsel in connection with this Agreement; (b) it has executed this Indemnification Agreement with the advice of such counsel; and (c) this Agreement is the result of negotiations between the Parties and the advice and assistance of their respective counsel. Any uncertainty or ambiguity in this Agreement shall not be construed against the Party that drafted the

Agreement because that Party's counsel prepared this Agreement. The section headings contained in this Agreement are for convenience only and shall in no way enlarge or limit the scope or meaning of the various and several sections hereof. In the event of a conflict in the terms and conditions of this Agreement and any other agreement, the terms and conditions of this Agreement shall govern and control.

No Joint Venture; Benefit. This Indemnification Agreement is for the benefit of the Parties hereto, and except for the named indemnitees and their successors and assigns, no other person or entity will be entitled to rely on this Agreement, receive any benefit from it or enforce any provisions of it against either Party. Neither this Agreement nor anything contained in this Agreement shall create, or be deemed to create, a partnership, joint venture or other joint or equity type agreement between City and Republic.

Governing Law. This Agreement shall be construed and interpreted in accordance with and shall be governed and enforced in all respects according to the laws of the State of Nevada without regard to conflict of law principles.

<u>Counterparts</u>. This Agreement may be executed in one or more counterparts. All counterparts so executed shall constitute one contract, binding on all Parties, even though all Parties are not signatory to the same counterpart.

No Waiver. No covenant, term or condition of this Agreement, other than as expressly set forth herein, shall be deemed to have been waived by any Party hereto unless such waiver is in writing and executed by such Party.

Successors and Assigns. Neither City nor Republic shall assign this Agreement without the other Party's prior written consent, which consent such Party may withhold in its sole discretion. Subject to the previous sentence, this Agreement shall inure to the benefit of and be binding upon and enforceable against the Parties hereto and their respective successors and assigns. No assignment hereunder, whether consented to or not, shall be deemed to relieve either Party from any liability or obligation under this Agreement. The giving of consent to any assignment hereunder shall not release either Party from obtaining consent to any other assignment hereunder.

Notices. All notices, demands, deliveries and communications under this Agreement shall be in writing and shall be sent by (i) first class, registered or certified U.S. mail, postage prepaid, return receipt requested, (ii) nationally recognized overnight carrier, (iii) facsimile (provided the original notice is also sent via a nationally recognized overnight carrier on the next business day and received within three business days from deposit with the carrier), or (iv) personal delivery. All notices shall be deemed to have been given: three (3) business days following deposit of first class, registered or certified U.S. mail, one (1) business day following deposit with a nationally recognized overnight carrier, or upon receipt by facsimile or personal delivery, whichever occurs first. All notices shall be addressed to the relevant Party at the address below or to such other address as either Party may designate by notice pursuant to this Section:

Notice to the City shall be sent to:

City Manager City of Henderson 240 Water Street Henderson, NV 89015

Notice to Republic shall be sent to:

Area President
Republic Silver State Disposal, Inc.
770 East Sahara Avenue
Las Vegas, NV 89104

with a copy to:

General Counsel
Republic Services, Inc.
110 SE 6th Street
28th Floor
Fort Lauderdale, FL 33301

Entire Agreement. This Agreement contains the entire agreement of the Parties with respect to the subject matter hereof and supersedes any and all other written or oral understanding or agreement with regard to the subject matter hereof. No amendment, change or modification of this Agreement shall be valid, unless in writing and signed by City and Republic.

Authority. Each Party represents and warrants that it has the power and authority to enter into this Agreement and consummate the transactions contemplated herein, and the signatory or signatories hereto is or are duly authorized to execute and deliver this Agreement and perform all of such Party's obligations hereunder. By executing and delivering this Agreement, each Party represents and warrants that no further approval, authorization, or order of (or filing with) any court is required in connection with such Party's execution and delivery of this Agreement and no consent, approval, or order of any other body, entity or third party is required in connection with such Party's execution and delivery of this Agreement. Further, each Party acknowledges that it has voluntarily executed this Agreement upon its own behalf, with opportunity for advice of counsel of its own choosing, for the purpose of making a full and final compromise, adjustment and settlement of all claims and matters described above, and for the express purpose of forever precluding any controversy, litigation or expense relating thereto or arising therefrom. EACH PARTY WARRANTS THAT IT HAS COMPLETELY READ THIS INDEMNIFICATION, AND SPECIFICALLY THE RELEASE, ASSUMPTION OF RISK AND LIABILITIES AND INDEMNIFICATION PROVISIONS, AND FULLY UNDERSTANDS EACH AND EVERY SUCH PROVISION.

[END OF TEXT. SIGNATURES APPEAR ON NEXT PAGE]

IN WITNESS WHEREOF, City and Republic have executed this Agreement as of the day and year first written above.

Monthly Charges

All other charges shall be calculated as follows:

All other charges shall be calculated as follows:

(Base Charge x number of yards of capacity x number of collections per week x 52 weeks per year, divided by 12 months per year) + Daily Rent Charges = total monthly charge, where:

"Base Charge" for Monday - Saturday collections = \$10.20 per cubic yard.

"Base charge" for Sunday collections = \$15.31 per cubic yard.

"Daily Rent Charges" = \$22.80 per 24 hours or any part thereof after the first 72 hours, excluding Sundays.

Daily Refit Charges = \$22.00 per 24 hours or any part	thereof after the	ilist /2 flours,	excluding Sun	uays.

FRANCHISE AGREEMENT FOR COLLECTION, TRANSPORTATION AND DISPOSAL OF SOLID WASTE

RECITALS

WHEREAS, the City is authorized to enter into this Franchise Agreement pursuant to its City Charter and the Nevada Revised Statutes ("NRS"), and the City may, pursuant to NRS 268.081, grant an exclusive contract, in whole or in part, to any person to collect and dispose of solid waste; and

WHEREAS, federal and state regulations mandate environmentally sound solid waste collection, transportation and disposal; and

WHEREAS, it is declared to be the policy of the City to regulate the collection, transportation and disposal of solid waste, sewage waste, residential recycling and household hazardous waste drop-off in a manner consistent with federal and state laws; and

WHEREAS, the City is authorized, pursuant to the Charter of the City of Las Vegas and applicable provisions of general laws of the State of Nevada, to enter into this Franchise Agreement and may, pursuant to NRS 268.081, grant an exclusive contract to any person to perform collection, transportation and disposal of "garbage and other waste", which collectively refer to solid waste herein; and

WHEREAS, solid waste and sewage waste collection, transportation and disposal service and curbside recycling are presently provided by Franchisee within the City under the "Garbage Disposal Agreement" dated December 31, 1985, as amended by that certain Memorandum of Understanding Amending the Garbage Disposal Agreement dated July 12, 1999 (the "Existing Franchise"); and

WHEREAS, although the Existing Franchise constitutes a binding contract between City and Franchisee which will remain in effect through February 1, 2021, the parties now desire to terminate all prior agreements, including the Existing Franchise, and enter into this Franchise Agreement; and

WHEREAS, the City Council has determined that franchised solid waste service, sewage waste, residential recycling service, and household hazardous waste service provide the most effective approach to environmentally sound and economical solid waste collection and disposal services; and

WHEREAS, the City desires to continue providing environmentally sound solid waste, sewage waste, residential recycling and household hazardous waste collection, transportation and disposal services to residents and businesses within the municipal boundaries of the City; and

WHEREAS, Franchisee represents it is willing and able to continue to perform environmentally sound solid waste, sewage waste, residential recycling and household hazardous waste collection, transportation and disposal services within the municipal boundaries of the City; and

WHEREAS, the City and Franchisee desire to replace the Existing Franchise in its entirety to make it consistent with the City's solid waste ordinance and to include implementation of residential recycling through single stream recycling; and

WHEREAS, the City Council has determined that it is in the best interests of the residents of the City that the Existing Franchise be replaced in its entirety with the terms and conditions of this Franchise Agreement.

NOW THEREFORE, for and in consideration of the agreements and mutual covenants hereinafter set forth, and other good and valuable consideration, the receipt and sufficiency of which each party hereto acknowledges, the parties hereby agree to the following terms and conditions:

SECTION 1: CHAPTER 9.08 OF THE LAS VEGAS MUNICIPAL CODE

All terms, phrases, words and derivations of such words used in this Franchise Agreement shall be defined as provided by Chapter 9.08 (Solid Waste) of the Las Vegas Municipal Code (the "Code") or as specifically provided by this Franchise Agreement. If there is a conflict between a term defined

specifically by this Franchise Agreement and the Code, the definition as provided by Section 9.08 shall prevail except as set forth below. After the Effective Date, both parties agree that the City may amend sections in Chapter 9.08; however, Franchisee is not required to comply with any such amended sections if those changes are in conflict with this Franchise Agreement or the operation of this Franchise Agreement.

SECTION 2: DURATION

This Franchise Agreement replaces the Existing Franchise in its entirety upon the Effective Date, and the term and conditions of this Franchise Agreement are operative from July 1, 2016 until 11:59 p.m. on June 30, 2031, unless otherwise terminated, amended or extended pursuant to the terms of this Franchise Agreement or the Code.

SECTION 3: EXISTING FRANCHISE SUPERSEDED; EXCLUSIVITY

As of the Effective Date, the terms, conditions, covenants and agreements contained in Α. the Existing Franchise are superseded by the terms, conditions, covenants and agreements contained in this Franchise Agreement, and this Franchise Agreement shall become the sole exclusive contract between the parties for the collection, transportation and disposal of solid waste, residential recycling and household hazardous waste drop-off service within the City. Furthermore, City and Franchisee agree to extinguish, void or terminate all prior agreements that exist between the parties outside of the Existing Franchise should such action be required within ninety (90) days of the Effective Date. The following is a list of the existing agreements: Garbage Disposal Agreement dated December 31, 1985; 1994 Tipping Fees Agreement; 1997 City Council Consents to Assignments; 1999 Memorandum of Understanding Amending December 31, 1985 Garbage Disposal Agreement; 2005 Sewage Waste Disposal Services Contract; 2010 Sewage Waste Disposal Services Contract Extension Letter; 2010 Amended Tipping Fees Agreement; 2015 Sewage Waste Disposal Contract Modification No. 1; 2015 Sewage Waste Disposal Contract Modification No. 2; and 2016 Sewage Waste Disposal Contract Modification No. 3 (collectively, the "Existing Agreements"). If formal action to extinguish, void or terminate the Existing Agreements is not required, both parties agree that the Existing Agreements are

terminated and replaced by this Franchise Agreement.

B. Subject to the terms and conditions contained in this Franchise Agreement and the Code, the City hereby grants to Franchisee the exclusive right to collect, transport, and dispose of all solid waste, residential recycling and household hazardous drop off service, except as otherwise provided by this Franchise Agreement or Section 9.08.060 of the Code, within the corporate boundaries of the City, as the same now exists or may be annexed in the future. The City further grants the Franchisee the exclusive right to collect, transport, and dispose of all sewage waste as set forth in Section 5 of this Franchise Agreement.

SECTION 4: TIPPING FEES; ANNUAL CREDIT; CODE ENFORCEMENT ALLOWANCE

- A. As of the Effective Date, tipping fees shall be calculated at the rate of \$35.28 per ton and will increase annually based upon the CPI-U calculation set forth in this Franchise Agreement and the Code. Adjustments shall be effective on July 1 of each year. Tipping fees are hereinafter defined as the fees charged by Franchisee to City to dispose of each ton of solid waste at the Apex Regional Landfill ("Apex") operated by Franchisee within Clark County, Nevada ("City Tipping Fees"). Franchisee has the sole right to determine how solid waste is measured and the amount of tipping fees charged to any party other than the City in compliance with this Franchise Agreement. However, Franchisee must comply with the rate for City Tipping Fees charged to the City as set forth in this Franchise Agreement.
- B. City vehicles may dispose of solid waste, including construction and demolition waste collected in the normal and customary course of City business that is not in competition with Franchisee, its affiliates or this Franchise Agreement at Apex. Franchisee shall provide City with an annual credit amount for Tipping Fees and solid waste service fees (the "Annual Credit"). Beginning on July 1, 2016, Franchisee agrees to provide the City an Annual Credit of \$500,000. Thereafter, on each successive date of July 1st for the next four (4) years, the Annual Credit will increase by \$200,000 each year such that on July 1, 2020, the maximum amount of the Annual Credit paid by Franchisee to City will be \$1,300,000. Beginning on July 1, 2021, the Annual Credit of \$1,300,000 will increase by the

amount of the CPI-U provided for in this Franchise Agreement and Section 9.08.240 of the Code. The Annual Credit shall be: (a) adjusted upwards annually based upon the percentage change in the CPI-U in accordance with this Franchise Agreement and Section 9.08.240 of the Code; and (b) pro-rated on a per diem basis, when applicable. The Annual Credit may be utilized to offset charges by the Franchisee for the following services provided to the City: solid waste collection for small containers, industrial accounts, commercial services, recycling collection accounts, street sweeping and disposal services at Apex. The Annual Credit is for the exclusive use of the City and is not transferable to any other party, entity or operator or other government agency. Furthermore, City agrees to utilize Franchisee's services for collection, transportation, and disposal of all solid waste; sewage waste that is transported and disposed by Franchisee; and recyclables generated by City which are transported by Franchisee during the term of this Franchise Agreement. For any amount of the Annual Credit that is not used by City by June 30th of each year Franchisee agrees to pay City the difference between the used Annual Credit and the unused Annual Credit. The amount owed to City, if any, will be paid by Franchisee within sixty (60) days of receiving an invoice from City. In no event shall the total of used Annual Credit and unused Annual Credit exceed the annual amounts set forth in this Section 4(B) unless adjusted for CPI-U pursuant to this Franchise Agreement and Section 9.08.240 of the Code. Franchisee shall submit an itemized statement to the City on a quarterly basis which shows the current Tipping Fees, the number of tons tipped, and solid waste collection, transportation and disposal fees which will reflect the services provided to the City, the Annual Credit allotted to the City, and the amount of the Annual Credit that has been used. The Annual Credit shall not extend to transportation and disposal of sewage waste and waste from the Clark County Regional Flood Control District serviced by the City or any other entity that the City is acting as an agent for or entity that the City has contracted with for City services. The Clark County Regional Flood Control District serviced by the City shall be subject to Franchisee's, and its affiliates, standard tipping and solid waste service fees. The City agrees that it shall not use the Annual Credit to pay any third parties for collection, transportation or disposal of solid waste, sewage waste or recyclables in connection with any program, service or pilot

program implemented by the City.

C. Beginning on July 1, 2016 and by no later than July 1 of each calendar year, Franchisee shall pay the City three hundred thousand dollars (\$300,000.00) to offset the cost of code enforcement services ("Code Enforcement Allowance"). The Code Enforcement Allowance shall be (a) pro-rated on a per diem basis, when applicable; and (b) adjusted upwards annually based upon the percentage change in the applicable CPI-U in accordance with this Franchise Agreement and Section 9.08.240 of the Code. If Franchisee determines that its code enforcement issues are not being adequately addressed, the City agrees to meet with Franchisee and develop a plan to ensure that this Franchise Agreement and Chapter 9.08 of the Code is being enforced to the satisfaction of Franchisee and City. As part of the plan, Franchisee may ask the City to dedicate an average of up to forty (40) hours of time on a weekly basis to resolve any solid waste code enforcement or Franchise Agreement issues.

SECTION 5: SEWAGE WASTE COLLECTION

- A. The Parties acknowledge that sewage waste, and the collection, transportation and disposal of such waste, is part of this exclusive Franchise Agreement. However, the Franchisee acknowledges that the City may exclude up to a specified amount of the daily volume of sewage waste produced by the City from this Franchise Agreement as provided in this Section 5(G).
- B. The Franchisee shall collect, transport and dispose of one-hundred percent (100%) of the Non-Excluded Sewage Waste as defined in Section 5(G) of this Franchise Agreement, produced by the City during the term of this Franchise Agreement.
- C. The City shall pay Franchisee \$20.31 per wet ton for sewage waste disposal services. A Wet Ton means 2,000 pounds of sewage waste. The total estimated annual requirement is approximately 57,000 Wet Tons (average 155 tons per day). Except as set forth in this Franchise Agreement, Franchisee shall collect, transport and dispose of the City's sewage waste at this price regardless of whether the actual requirement is higher or lower than the estimate.

- D. The unit price set forth in Section 5 (C) above shall be subject to applicable CPI-U increases made pursuant to the Code and this Franchise Agreement. Increases shall be effective on July 1 of each year.
- E. As provided by this Franchise Agreement, Franchisee shall pay a franchise fee on its cash receipts from collection, transportation and disposal of the City's sewage waste. If any jurisdiction other than the City imposes a franchise fee on Franchisee based on its sewage waste service required by this Section 5, Franchisee shall be solely responsible for such franchise fee and shall not pass it through to the City.
- F. The City shall pay reasonable costs incurred by Franchisee as a result of non-conforming sewage waste as described in subsection (T) of Section 5 of this Franchise Agreement. Costs may include but are not limited to, transporting costs, preparing to transport costs, and any disposal costs associated with the non-conforming sewage waste, provided that Franchisee shall obtain approval from the Project Manager before incurring additional costs associated with non-conforming sewage waste. For purposes of this Franchise Agreement, a "Project Manager" means the City representative who is responsible for the coordination of performance between City and Franchisee.
- G. The City reserves the right to exclude from this Franchise Agreement up to 50% of the daily volume of sewage waste up to a maximum of 30% of the annual volume of sewage waste produced by the City (the "Excluded Sewage Waste"). The remaining sewage waste shall be considered non-excluded sewage waste ("Non-Excluded Sewage Waste"). The daily volume of sewage waste shall be determined by the total volume of the prior calendar year's total sewage waste produced by the City and divided by 365 ("Daily Volume"). The City shall calculate and notify Franchisee of the tonnage available for Excluded Sewage Waste on an annual basis. Should the City choose to enter into a contract whereby the terms of such contract for the collection of Excluded Sewage Waste allow a company to haul up to a maximum of 50% of the Daily Volume, the parties will comply with the procedures set forth in Section 5 (MM) and Section 5 (NN). Excluded Sewage Waste shall not be considered sewage waste for any purpose. The City and Franchisee shall agree upon a schedule for

the Franchisee's collection of the remaining Non-Excluded Sewage Waste thereafter as set forth in Section 5 (MM) and Section 5 (NN). The parties agree that all Non-Excluded Sewage Waste and Excluded Sewage Waste is not a service that is included in the Annual Credit more fully described in Section 4 of this Franchise Agreement. City agrees that it will not transfer the right to dispose of any Excluded Sewage Waste to another solid waste transportation company or any other company for disposal at a location in Clark County, Nevada at any location other than Apex.

- Н. The Parties shall review the Daily Volume of sewage waste that may be declared as Excluded Sewage Waste every five (5) years on the anniversary of the Effective Date of this Franchise Agreement, but the City has the right to declare any portion of its sewage waste as Excluded Sewage Waste up to the maximum amount permitted by this Franchise Agreement upon sixty (60) days notice to the Franchisee, and the City has the right to make such declaration in its sole discretion, whether at one time or multiple times during any given period of time as delineated herein. At any time on or before July 1, 2021, City has the right to declare any amount up to a maximum of 30% of the annual sewage waste as Excluded Sewage Waste. At any time between July 1, 2021 and July 1, 2026, City has the right to declare any amount up to a maximum of 40% of the annual sewage waste as Excluded Sewage Waste. At any time between July 1, 2026 and the termination of this Franchise Agreement, City has the right to declare any amount up to a maximum of 50% of the annual sewage waste as Excluded Sewage Waste. Should the City exercise its right to declare any portion of its sewage waste as Excluded Sewage Waste as indicated above, City will provide Franchisee with a minimum of sixty (60) days prior written notice. Both parties must agree on the collection process for Excluded Sewage Waste and Non-Excluded Sewage Waste as set forth in Section 5 (MM) and Section 5 (NN). The written notice must include how much of the remaining volume of Non-Excluded Sewage Waste may be declared as Excluded Sewage Waste.
- I. Franchisee shall submit invoices to the City by the twentieth (20th) of each month for the previous month's charges for services. All invoices should identify the performance dates covered, identify the item against which charges are made, state the date of the invoice and reference the

associated purchase order number. Upon reconciliation of all errors, corrections, credits, and disputes, payment to Franchisee will be made in full within thirty (30) calendar days.

- J. The services contemplated in this Section 5 are not "regular or periodic services" under Las Vegas Municipal Code Chapter 9.08 and are not subject to advance payment.
- K. Franchisee shall load its vehicles with sewage waste directly from the sludge cake hoppers in the Mechanical Sludge Dewatering Building at the Water Pollution Control Facility ("WPCF"). Franchisee's drivers shall operate the City's loading equipment at the WPCF. The City shall provide Franchisee with a written standard operating procedure ("SOP") for the equipment. Franchisee is responsible for ensuring that all Franchisee operators are provided with the SOP and are familiar with it. If a Franchisee employee working at the WPCF is unsure of proper operating procedures, he or she shall advise WPCF operators before beginning loading operations.
- L. Sewage waste shall be transported by the Franchisee from the WPCF to Apex where it shall be properly and legally disposed. The primary method of disposal shall be sanitary landfilling; however, Franchisee may use alternative methods of disposal that are approved by the Southern Nevada Health District and are in full compliance with all federal, state and local regulations. Prior to implementing an alternative method, Franchisee and City shall meet and confer for approval of an alternate method.
- M. If the Franchisee, or its consultants, agents, affiliates or contractors process the sewage waste in such a manner as to extract precious metals and rare elements, including, but not limited to copper, gold, silver, palladium, platinum or vanadium, or any other substance of substantial value, notwithstanding any provision of the Franchise Agreement, the Franchisee shall pay to the City 50% of the net proceeds of the sale of such metals and substances, instead of the baseline franchise fee on the net proceeds of the sale of such metals or substances. If the Franchisee disposes of the sewage waste by selling the sewage waste to a third party, instead of using the sewage waste for sanitary landfilling, notwithstanding any provision of the Franchise Agreement herein, the Franchisee shall pay the franchise fee on the gross proceeds of such sale.

- N. The City's capacity to store sewage waste is finite and it is of prime importance to remove the sewage waste at a rate that will not delay or hamper WPCF's operations. Therefore, subject to the limitations set forth in Section 5(H), and subject to the provisions of 5(NN) herein, Franchisee shall empty and remove all Non-Excluded Sewage Waste from the WPCF at least once each day, seven days per week; provided, however, this requirement does not apply during periods of construction or other activities at the City's WPCF which stop the production of sewage waste. The WPCF will notify Franchisee of requirements twice each day, once early in the morning and again in the early afternoon. As needed, the Project Manager and Franchisee Representative may develop a different, mutually acceptable method of notification to alert the Franchisee when pickups should be made.
- O. From time to time, the City's daily production of sewage waste will be significantly greater than the "average" production. The projected maximum production at the time of the Effective Date is 250 tons per day. This maximum will increase over the term of this Franchise Agreement. Franchisee shall ensure that the maximum production can be disposed of in a timely manner so as not to interfere with WPCF operations. The City shall work with the Franchisee to establish schedules that are mutually acceptable.
- P. In the event sewage waste production is greater than 15 percent more than the maximum requirement of 250 tons per day, the City shall give Franchisee a minimum of seven (7) days advance notification. If the City fails to provide timely notification and Franchisee is unable to dispose of the excess sewage waste above 115 percent of the maximum, Franchisee shall not be liable for any costs incurred if the City elects to utilize its own resources as detailed in this section.
- Q. The City shall notify Franchisee at least every six (6) months of any increase in the average and maximum daily requirements in order that Franchisee can make arrangements to have resources available to perform under the terms of this Franchise Agreement.
- R. In the event WPCF operations are jeopardized by Franchisee's failure to timely remove sewage waste, the City reserves the right to utilize its own resources to dispose of sewage waste and

to invoice Franchisee for costs incurred in excess of the costs which would have been incurred had Franchisee removed the waste. Franchisee shall remit payment of such costs to the City within thirty (30) calendar days of its receipt of the invoice for such costs.

- S. Franchisee shall provide sufficient personnel and equipment necessary to perform services in full compliance with this Franchise Agreement.
- T. Franchisee shall provide the City with annual scale calibration certificates for the scales used to determine the weight of sewage waste. Franchisee shall also provide each month the records (weight slips) of the daily measurements of the weight of sewage waste it transports.
- U. Upon written request, the City shall provide Franchisee with the results of sewage waste testing that is required under the City's discharge permit. Franchisee shall provide the City with a split of any and all samples taken by Franchisee of the City's sewage waste unless the City waives in writing its right to receive a split of any or all samples. No mixing of sewage waste with any other material shall be permitted prior to testing.
- V. Franchisee shall notify the Project Manager if the City's sewage waste is discovered to be non-conforming with the limits set forth in 40 CFR 258.20 and 40 CFR 258.28.
- W. City will provide in writing to Franchisee the name, telephone number and mailing address of the designated Project Manager. The City will provide written notice to Franchisee, should there be a subsequent Project Manager change. The Project Manager will be Franchisee's principal point of contact at the City regarding any matters relating to sewage waste, will provide all general direction to Franchisee regarding performance, and will provide guidance regarding the City's goals and policies. The Project Manager is not authorized to waive or change any material terms of this Section. Franchisee will provide in writing to the City the name, telephone number and mailing address of the designated Franchisee Representative. Franchisee will provide written notice to the City, should there be a subsequent Franchisee Representative change. The City has the right to assume that Franchisee Representative has full authority to act for Franchisee on all matters arising under or relating to sewage waste.

- X. Franchisee warrants that the services shall be performed in full conformity with this Section 5, with the professional skill and care that would be exercised by those who perform similar services in the commercial marketplace, and in accordance with accepted industry practice. In the event of a breach of this warranty and/or in the event of non-performance and/or failure of Franchisee to perform the services in accordance with this Section 5, Franchisee shall, at no cost to the City, reperform or perform the services so that the services conform to the warranty.
- Y. During the entire performance period of this Section 5, Franchisee shall maintain all federal, state, and local licenses and registrations applicable to the work performed under this Section
- Z. The City grants to Franchisee the right of ingress, egress and access onto designated areas at the WPCF premises 24 hours a day, 7 days a week in order to perform its sewage waste disposal services. The City warrants that any right-of-way provided by the City is sufficient to bear the weight of all Franchisee vehicles required to perform sewage waste services. The City shall maintain at its expense the rights-of-way in good condition and fully paved for the Franchisee's ingress.
- AA. Franchisee shall be liable for any intentional or negligent damage to City property directly resulting from its performance of services for all sewage waste or Non-Excluded Sewage Waste. Franchisee will pay for any damage as invoiced by the City within thirty (30) days from the receipt of the invoice. Franchisee will not be liable for any damage caused by a third party hauling Excluded Sewage Waste.
- BB. Franchisee shall comply with all security requirements governing access to and operations at the WPCF, including any new requirements that may be imposed during the term of this Section 5. The City shall provide reasonable notification to Franchisee of any changes and shall work with Franchisee to minimize any disruption to services if security requirements change.
- CC. Notwithstanding any provision of Las Vegas Municipal Code 9.08, no lien may be recorded against City property on any matter related to or arising under this Section 5.
- DD. For each claim or dispute arising between the parties under this Section 5, the parties shall attempt to resolve the matter through escalating levels of management. In the event the matter

cannot be successfully resolved in this manner, the City and Franchisee may resolve the claim or dispute through litigation as set forth in Section 28 of the Franchise Agreement.

- EE. Should the timely performance of this Section 5 be jeopardized by the non-availability of City provided personnel, data, or equipment, Franchisee immediately shall notify the City in writing of the facts and circumstances that are contributing to such delay. Upon receipt of this notification, the City will advise Franchisee in writing of the action which will be taken to remedy the situation.
- FF. Franchisee shall advise the City in writing of an impending failure to perform its obligations under the terms of this Section 5. Notice shall be provided as soon as Franchisee is aware of the situation; however, such notice shall not relieve Franchisee from any existing obligations regarding performance or delivery, provided that such failure to perform is not caused by the City's actions.
- GG. Franchisee shall procure and maintain, at its own expense, during the entire term of this Section 5, the insurance set forth in Sections 11 and 12 of this Franchise Agreement.
- HH. Neither party may assign their rights nor delegate their duties under this Section 5 without the written consent of the other party. Such consent shall not be withheld unreasonably. Any assignment or delegation shall not relieve any party of its obligations under this Section 5.
- II. The failure of the City to enforce any of the provisions of this Section 5, or to require performance of any of the provisions herein, shall not in any way be construed as a waiver of such provisions or to affect the validity of any part of this Section 5, or to affect the right of the City to thereafter enforce each and every provision of this Section 5. Waiver of any breach of this Section shall not be held to be a waiver of any other or subsequent breach of this Section 5.
- JJ. The City reserves the right to reduce estimated or actual quantities, in whatever amount necessary, without prejudice or liability to the City, if funding is not available or if legal restrictions are placed upon the expenditure of monies for the services required under this Section 5.
- KK. For all Non-Excluded Sewage Waste, the City may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this Section 5 in any

one or more of the following:

- i. Description of services to be performed.
- ii. Timing of performance (i.e., hours of the day, days of the week, etc.).
- iii. Place of performance of the services.
- LL. If any such change causes an increase in the cost of, or the time required for, performance of any part of the work under this Section 5, whether or not changed by the order, the City shall make an equitable adjustment in the sewage waste price, the delivery schedule, or both, and shall modify this Section 5 accordingly.
- MM. The parties desire to maintain continuity of sewage waste collection service from WPCF on a daily basis. Therefore, Franchisee and City will meet and agree upon the schedule whereby a third party can collect up to a certain percentage of the Excluded Sewage Waste from the WPCF on a daily basis. In order for Franchisee to remain available at all times to collect all Emergency Excluded Sewage Waste as set forth in Section 5 (NN), City agrees to develop a schedule that only allows a third party to collect up to fifty percent (50%) of the daily volume of Excluded Sewage Waste from WPCF. Franchisee will then collect the remaining percentage of Non-Excluded Sewage Waste from the WPCF on a daily basis.
- NN. If the third party transporting the Excluded Sewage Waste fails to collect and transport any Excluded Sewage Waste, the City may ask Franchisee for an emergency collection, transportation and disposal of any or all of the Excluded Sewage Waste from the WPCF ("Emergency Excluded Sewage Waste"). Franchisee agrees to collect and transport all Emergency Excluded Sewage Waste within six (6) hours of notification from City. Upon the City's notification to Franchisee to begin transporting and disposing of Excluded Sewage Waste, Franchisee will charge the City the existing Non-Excluded Sewage Waste rate at the time of notification plus an additional \$2.50 per wet ton which will increase based upon the CPI adjustment set forth in Section 16 of this Franchise Agreement and Section 9.08.240 of the Code, to cover increased labor and depreciation costs incurred by Franchisee. Franchisee will send City an invoice within thirty (30) days of collection, transportation and disposal of

the Emergency Excluded Sewage Waste. City agrees to pay Franchisee in full within thirty (30) days of receipt of such invoice.

- OO. Franchisee must assert its right to an adjustment under this Section 5 within thirty (30) days from the date of receipt of the written order; however, if the City decides that the facts justify, the City may receive and act upon a proposal submitted by Franchisee before final payment.
- PP. If Franchisee's proposal includes the cost of property made obsolete or excess by the change, the City shall have the right to prescribe the manner of the disposition of the property.
- QQ. Failure to agree to any adjustment shall be a dispute; however, nothing in this clause shall excuse Franchisee from proceeding with this Section 5 as changed.
- RR. Franchisee shall provide current, complete, and accurate documentation to the City in support of any equitable adjustment. Failure to provide adequate documentation, within a reasonable time after a request from the City, will be deemed a waiver of Franchisee's right to dispute the equitable adjustment proposed by the City, where such equitable adjustment has a reasonable basis at the time it is determined by the City.
- SS. The parties may amend the terms of this Section 5 by mutual consent in writing without seeking an amendment to this Franchise Agreement.

SECTION 6: REQUIRED SERVICES; LOCAL OFFICE; CUSTOMER SERVICE; RECYCLING; HOUSEHOLD HAZARDOUS WASTE; TRUCK REPLACEMENT

A. Franchisee shall make solid waste collections from all persons that are required to subscribe for solid waste collection services pursuant to the Code, whether for residential, commercial or industrial service, and provide such services in accordance with the service levels and rates set forth in this Franchise Agreement and the Code. All solid waste collected shall be transported to transfer stations, recycling facilities, Apex or other facilities operated in accordance with all applicable laws, rules and regulations. For collection—related services not specifically set forth in this Franchise Agreement or the Code and which also may be provided by other parties, Franchisee shall submit an informational list of services and rates for collection-related services by July 1 of each year to the City

Manager for review ("Special Collection Related Services"). Franchisee shall pay the City the prevailing franchisee fee as provided by this Franchise Agreement on all Special Collection Related Services; however, City shall have no authority to deny a rate charged or service offered by Franchisee for Special Collection Related Services.

- B. Franchisee shall implement single stream recycling collection as set forth in this Franchise Agreement and the Code, as well as a household hazardous waste drop-off program for its residential customers in the City living in single-family residences, duplexes, and multiple dwellings or mobile home parks, with individual curbside service, which programs shall be exclusive to Franchisee except as otherwise provided in this Franchise Agreement or the Code. If there are any operational issues with implementation of single stream recycling, Franchisee may work with the City on modifications to the implementation process and without any need to amend or modify this Franchise Agreement. Additionally, Franchisee will make every effort to comply with the implementation date of December 31, 2018; however, if Franchisee is unable to convert all single-family residences, duplexes and multiple dwellings or mobile park home parks with individual curbside service by this date, Franchisee shall not be considered in breach of this Franchise Agreement.
- 1. By December 31, 2018, Franchisee shall provide collection services for recyclables once per week and collection services for solid waste once per week to all single-family residences, duplexes, and multiple dwellings or mobile home parks with individual curbside service ("Single Stream Recycling"). Franchisee will provide each residence with Single Stream Recycling, one (1) wheeled cart for recyclables and one (1) wheeled cart for solid waste. Residents may request one (1) additional solid waste or recyclables wheeled cart at no charge. Wheeled carts will be available in 35 gallon, 65 gallon or 95 gallon capacities and determination of each wheeled cart is at sole discretion of Franchisee during implementation. After implementation, Residents may contact Franchisee for a different capacity container, and Franchisee shall comply with such request within a reasonable period of time. Franchisee will provide bulky item collection for items that do not fit into a wheeled cart once every two (2) weeks, on the Resident's regularly-scheduled service day, unless otherwise amended by

mutual consent of Franchisee and City. Franchisee shall collect recyclables on a regularly scheduled collection day for solid waste. All recyclables shall be separated and processed for sale and the residual solid waste shall be transported to a solid waste transfer station, Apex or other recycling facility in accordance with all applicable laws, rules and regulations.

- 2. Franchisee will offer to single-family residences, duplexes, multiple dwellings or mobile home parks with individual curbside service an optional second trash collection service per week. The rate will be \$13.15 per month for each single family residence and each duplex unit, multiple dwellings unit or mobile home park unit with individual curbside service that elects to sign up for the optional second trash collection service per week and will be adjusted upwards annually based upon the percentage change in the applicable CPI-U in accordance with this Franchise Agreement and Section 9.08.240 of the Code. This rate excludes a second recycling collection service per week and is predicated upon certain participation assumptions by Franchisee. If the number of single-family residences, duplexes, multiple dwellings or mobile home parks with individual curbside service signing up for the second trash collection service per week deviates from the participation assumptions, Franchisee reserves the right to meet and confer with the City Manager and establish a new monthly charge for this optional service.
- 3. Upon written request by the City, Franchisee agrees to provide the City Manager or designee, a status report of the implementation schedule for Single Stream Recycling for all single-family residences, duplexes, and multiple dwellings or mobile home parks with individual curbside service. Franchisee will provide such report within thirty (30) days of receiving the written request unless otherwise mutually agreed upon by both parties.
- 4. By October 1, 2017, Franchisee agrees to provide the City Manager or designee with a memo that outlines Franchisee's community outreach program that will educate residents on implementation of Single Stream Recycling.
- 5. Franchisee agrees to offer recycling programs to multiple dwellings that receive commercial service.

- C. City and Franchisee may work together to develop a pilot program that utilizes call in requests for bulky item pick up service. The pilot program will evaluate customer satisfaction with call in bulky item collection instead of using a fixed schedule for bulky item collection. After consultation with City, Franchisee will select approximately 5000 homes in which to implement the pilot program. The pilot program will include brochures and notification information at the expense of Franchisee to be mailed to the residents selected to participate in the pilot program. There will be no additional charge to those residents selected to participate in the pilot program. At the conclusion of the pilot program, Franchisee will mail a survey to measure customer satisfaction with the call in bulky item collection versus the fixed schedule for bulky item collection. City and Franchisee will mutually agree on whether to implement the call in bulky item collection to all residents in the City. Should City and Franchisee later decide not to implement the call in bulky item collection pilot program, the City agrees that Franchisee is not in breach of this Franchise Agreement.
- D. Franchisee agrees to undertake all reasonable efforts to avoid any conflict with scheduled City street sweeping routes and will coordinate proposed changes in curbside pickup collection days with City subject to mutual agreement which shall not be unreasonably withheld by either party. Franchisee agrees to reimburse City, for its actual costs, up to twenty thousand dollars (\$20,000) for each request to change the City's street sweeping schedule.
- E. Franchisee shall maintain and operate a recycling center in Clark County, Nevada for the duration of this Franchise Agreement unless such facility shall be closed by an act of God, labor strike, governmental action, or other unforeseen act or condition necessitating closure or relocation beyond the control of Franchisee.
- F. City and Franchisee recognize both parties have a history of coordinating activities during City "Slurry Seal" applications to provide for solid waste collection service while providing for protection of freshly placed Slurry Seal product. City will notify Franchisee prior to beginning semi-annual application period, and request meeting for review and coordination of Slurry Seal activities. For neighborhoods with twice weekly service, Franchisee will suspend the next regularly scheduled service

following placement of Slurry Seal product. Franchisee agrees to provide City with a route map that shows collection service days within the City.

- G. At no cost or expense to residents, Franchisee shall provide for and have the exclusive right for drop-off of household hazardous waste from residents, which shall be accepted at drop-off locations established by Franchisee. Unless otherwise agreed to by the City Manager and Franchisee, drop-offs shall be offered every quarter, on a Saturday. Household hazardous waste shall be accepted at drop-off locations established by Franchisee. Franchisee shall inform customers of the dates, times and locations of pick-ups either by mail, on its website, inserted into billing statements, or by announcements in the local media at least quarterly. Consistent with the EPA definition of household hazardous waste and any regulations by the State of Nevada or Southern Nevada Health District, household hazardous waste that can be accepted includes up to fifteen (15) gallons of liquid paint, per household per collection period, and may include paints, varnishes, stains, thinners, household cleaners, furniture or metal polishes, liquid automotive products, pesticides, herbicides, pool chemicals, photographic chemicals, art and hobby supplies, adhesives, batteries, used oil or other acceptable household hazardous waste. Waste that shall not be accepted include radioactive materials, explosives, water reactives, compressed gases (including Freon), business or commercial waste, infectious waste, unlabeled/unknown materials, or other materials or products as may, due to safety, health or similar concerns, be designated by the City or other recognized governmental authority and agreed to by Franchisee as unacceptable household hazardous waste materials. Franchisee may accept refrigerators containing Freon as household hazardous waste, provided that Franchisee has the right to establish and charge reasonable fees for such service sufficient to recover its costs of handling Freon removal.
- H. The City Manager and Franchisee may agree upon alternative collection schedules for specified periods for purposes of testing recycling options pursuant to Section 9.08.295 of the Code.
- I. Franchisee shall maintain an office conveniently located in the Las Vegas Valley area with a listed telephone number for general customer service, and shall keep such office open during

normal business hours for purposes of dealing with the City and its residents. Franchisee shall keep an authorized management representative at such local office during normal business hours. Notwithstanding the foregoing, Franchisee may also operate other offices or call centers not necessarily located in the Las Vegas Valley area.

- J. Upon the City's written request, Franchisee will provide an annual report to the City that will outline Franchisee's customer service training programs for its employees during that year, and summarize the customer service training provided to employees for the preceding year. At a minimum, the annual report will include a list of training courses and the manner in which they are assigned to employees. The annual report will also include the syllabus for entry level training for new employees, as well as the syllabus for all ongoing and refresher training. Franchisee will provide the report within thirty (30) days of receiving the written request unless otherwise mutually agreed upon by both parties.
- K. Franchisee shall be required to implement a complaint resolution procedure to handle all complaints received by either the City or Franchisee. The complaint resolution procedure shall include the following:
- (1) Franchisee shall be required to record all complaints and if possible resolve them within forty-eight (48) hours of their receipt. For solid waste collection, if Franchisee misses a collection, Franchisee shall resolve the missed collection within (24) hours of notification.
- (2) If Franchisee cannot resolve a complaint within forty-eight (48) hours of its receipt, Franchisee shall within that period, provide the City with a written report detailing why resolution could not be reached within that period, the actions that will be taken to resolve the complaint and the timeline to reach a resolution of the complaint.
- (i) If the City is not satisfied with Franchisee's proposed resolution of a complaint, the City shall have the authority to direct Franchisee to resolve the complaint in a manner that is satisfactory to the City provided such resolution does not result in the imposition of an unreasonable expense by Franchisee or cause Franchisee to be in violation of law or this Franchise Agreement.

- (ii) Upon the City's written request, Franchisee shall provide the City with a written monthly report, in a form satisfactory to the City, summarizing the complaints received by Franchisee and the resolutions thereof for the preceding month. Franchisee will provide the report within thirty (30) days of receiving the written request unless otherwise mutually agreed upon by both Parties.
 - L. Franchisee agrees to the following telephone procedures:
- (1) Customer service telephone operators shall be trained to screen requests and assist in solving problems and shall identify themselves by at least their first names immediately upon initial contact with a customer.
- (2) A customer shall be transferred to a supervisor upon request or, if none is available, receive a return call from a supervisor within one working day of the request.
- (3) Unless otherwise agreed to by the City, customer service operators shall be available to answer telephone calls from customers during normal business hours, which shall be from at least eight a.m. to six p.m. each Monday through Friday and for at least four (4) hours each Saturday, except for any Monday through Saturday that falls on any of the following holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving and Christmas. When customer service operators are not available to answer telephone calls from customers, Franchisee shall employ an answering service capable of receiving and recording calls from customers. Calls received by such answering service shall be returned on the next business day.
- (4) Franchisee shall at all times maintain a telephone answering system that measures the:
- (i) Average wait time from the time that customer calls reach Franchisee to the time that such calls are answered by a person (not a machine);
- (ii) Number of calls that reach Franchisee but are dropped before a representative of Franchisee answers such calls: and
 - (iii) Percentage of time during which all of Franchisee's customer service

telephone lines are busy.

- (5) Upon the City's written request, Franchisee shall provide the City with a written monthly report regarding its telephone answering system, in a form satisfactory to the City, summarizing the average wait time, the number of dropped calls and the percentage of time during which all lines were busy during the preceding month. Franchisee will provide the report within thirty (30) days of receiving the written request unless otherwise mutually agreed upon by both parties.
- (6) During normal business hours as specified in Subsection (3) of this Section 6, Franchisee shall meet the following minimum standards for its telephone answering system at least ninety percent (90%) of the time, measured monthly:
- (i) Telephone answering time, including wait time, shall not exceed sixty (60) seconds.
- (ii) No more than five percent (5%) of incoming customer service callers shall receive a busy signal.
- (7) Each monthly report required by Subsection (L)(5) of this Section 6 shall include a summary of whether Franchisee is or is not in compliance with the standards established pursuant to Subsection (L) of this Section 6 and, if Franchisee is not in compliance, what actions Franchisee will take to meet the standards in future months.
- M. For purposes of this Section 6, a "container damaged beyond proper use" shall mean a solid waste container used by a customer that has been damaged to such an extent that it can no longer be properly used for solid waste collection, including, but not limited to a container that has broken wheels so that it cannot be rolled in and out of an enclosure in which it is stored, or a lid that does not properly shut when closed.
- (1) For purposes of this Section 6, Franchisee shall be deemed to have notice that a container has been damaged beyond proper use no later than the earlier of the following dates:
- (i) The date on which Franchisee receives oral or written notice of the damage; or

- (ii) The first regularly scheduled collection day after the damage has occurred.
- (2) If Franchisee provides a container to a customer and such container is damaged beyond proper use through Franchisee's own actions or through normal wear and tear, or if Franchisee damages any other container that is used by a customer through Franchisee's own negligence or misconduct, Franchisee shall:
- (i) Fix or repair such container, at its own cost, no later than seven (7) calendar days after it has notice of the damage;
- (ii) Be deemed to have missed each collection that is regularly scheduled from the date on which Franchisee has notice of the damage until such time as the container is fixed or replaced; and
- (iii) May issue a credit to the customer for each missed pickup in accordance with this Section 6.
- (3) If Franchisee misses or improperly performs a collection for a customer for any reason other than a container being damaged beyond proper use, resulting in solid waste that the customer has properly put out for collection not being collected, Franchisee shall, within twenty-four (24) hours of receiving notice of such missed or improper collection, send a second truck to the premises to properly collect such solid waste.
- (4) If Franchisee fails to fix or replace a container damaged beyond proper use as required by this Section 6, or fails to correct a missed or improper collection for a customer as required by this Section 6, Franchisee may issue a prorated credit to such commercial customer's account, based on the charges for regularly scheduled collection service to the premises for the applicable billing period, if the commercial customer makes any request for such a credit.
- N. Franchisee will implement a truck replacement schedule and will provide the replacement schedule to City upon written request. Franchisee will provide the replacement schedule within thirty (30) days of receiving the written request unless otherwise mutually agreed upon by both

parties. Franchisee agrees that no automated residential route trucks will be older than fourteen (14) years unless Franchisee notifies City in writing. Franchisee will implement a preventive truck maintenance program and maintain records of ongoing maintenance for each truck. Franchisee will allow City to audit the maintenance program and preventive maintenance program upon ten (10) days written notice. Such audit must be performed during regular and customary business hours.

- O. Franchisee agrees to convert its automated residential truck fleet to Compressed Natural Gas within five (5) years of the Effective Date of this Franchise Agreement.
- P. Franchisee shall at all times during the term of this Franchise Agreement maintain and make available for the performance of the services required herein, equipment in good operating condition and sufficient in quantity and quality to fulfill the terms of this Franchise Agreement.

SECTION 7: TRANSFER STATIONS

- A. Franchisee may establish and place into operation new transfer stations based upon the service requirements determined by Franchisee. Franchisee shall be responsible for all costs associated with site improvements, construction, operation and maintenance of each transfer station, and with all liabilities resulting from the operation thereof.
- B. Any future transfer stations in the City shall be located on mutually acceptable sites owned or controlled by the City or Franchisee, and as approved by the City Council.
- C. Franchisee shall have the right, subject to applicable laws, rules and regulations existing and hereafter enacted or established, to determine the physical layout, construction and operational characteristics of the sites; provided that Franchisee shall meet with the City or its designees within the area of each proposed site to obtain site and service level information and feedback.
- D. Subject to the terms of this Franchise Agreement, Franchisee shall have the exclusive right to set rates and collect fees for any transfer stations that may be constructed in the City during the term of this Franchise Agreement.

SECTION 8: BUSINESS LICENSES; FRANCHISE AND LICENSE FEES; PASS THROUGH CHARGES

A. At all times during the term of this Franchise Agreement, Franchisee shall maintain a Page 25 of 53

valid unexpired business license specific to its solid waste service business. The baseline franchise fee and, if applicable, the augmented franchise fee required by this Franchise Agreement and/or the Code, shall be deemed to be the business license fee for Franchisee's solid waste business and all Special Collection Related Services. In addition to its business license for solid waste service which includes Special Collection Related Services, Franchisee shall maintain all other business licenses specific to any of Franchisee's business activities other than those of providing solid waste service and Special Collection Related Services, as such other business activities are specified in the Code. Franchisee shall pay all license fees due from such other business activities separately from the payment of fees due for its solid waste service and Special Collection Related Services business.

- B. Franchisee shall pay, on a quarterly basis, the baseline quarterly franchise fee to the City of five percent (5%) based on its cash receipts derived from the collection of solid waste and residential curbside recyclables collection services and includes, by way of illustration and not limitation, all cash, credits, property or other consideration of any kind derived directly or indirectly by the Franchisee (or any of its authorized agents or affiliates), for the collection, transportation and disposal of solid waste, including all revenue received from residential service, (including any charges attributable to curbside residential recyclables collection services), commercial and industrial service, medical-waste service, sewage waste service, and Special Collection Related Services, provided under the authority of this Franchise Agreement and Chapter 9.08 of the Code, container rentals including delivery, removal and exchange fees, packaging, shipping, late fees, and lien fees. Excluding Revenues from the following:
 - (i) the sale of recyclables; and
- (ii) any taxes on services furnished by Franchisee that are imposed by any governmental entities, that are passed through to and collected from Franchisee's customers, and that are separately itemized on customer's bills in accordance with Section 8(D) of this Franchise Agreement. All baseline quarterly franchise fees shall be due no later than forty five (45) days after the end of each calendar quarter. Franchisee shall also pay, on a quarterly basis, a baseline quarterly

franchise fee to the City of five percent (5%), of the cash receipts derived from fees paid by customers (excluding waste collected by Franchisee) to deposit solid waste at any transfer station or convenience centers that may be constructed or operated in the City and owned by Franchisee. The baseline quarterly franchise fee has been embedded in the solid waste collection rates charged to each customer.

- C. In addition to the baseline franchise fee, Franchisee may be required to pay an augmented quarterly franchise fee to the City, at the discretion of the City, at a percentage to be determined by the City Council, pursuant to formal action of the City Council. This fee is based on a percentage of Franchisee's cash receipts derived from the collection of solid waste and residential curbside recyclables collection services and includes, by way of illustration and not limitation, all cash, credits, property or other consideration of any kind derived directly or indirectly by the Franchisee (or any of its authorized agents or affiliates), for the collection, transportation and disposal of solid waste, including all revenue received from residential service, (including any charges attributable to curbside residential recyclables collection services), commercial and industrial service, medical-waste service, sewage waste service, and Special Collection Related Services, provided under the authority of this Franchise Agreement and Chapter 9.08 of the Code, container rentals, including delivery, removal and exchange fees, packaging, shipping, late fees and lien fees. Excluding Revenues from the following:
 - (i) the sale of recyclables; and
- (ii) any taxes on services furnished by Franchisee that are imposed by any governmental entities, that are passed through to and collected from Franchisee's customers, and that are separately itemized on customer's bills in accordance with Section 8(D) of this Franchise Agreement.
- D. Except for the baseline quarterly franchise fee set forth in subsection (B) of this Section 8, Franchisee may, in its sole discretion, pass through to its customers such current, future or past charges as are necessary for Franchisee to recoup any or all of the following that have been imposed upon and paid by Franchisee, including; (1) State business license taxes; (2) Other taxes on a

franchisee's provision of the services authorized by the franchise agreement that may be imposed by the Nevada Legislature, by ballot initiative or by a local political subdivision, excluding income taxes; (3) Augmented City franchise fees described in Subsection (C) of Section 8 and Section 9.08.250 of the Code; or (4) Any environmental surcharges imposed by the City. Such pass through charges shall not be subject to baseline or augmented quarterly franchise fees and will be passed through to each customer as a separate line item on the Franchisee's billing to each customer. If the City Council approves an augmented quarterly franchise fee, the augmented quarterly franchise fee will also be passed through to each customer as a separate line item on the Franchisee's billing to each customer.

- E. Each payment of franchise fees, whether the baseline franchise fee or the augmented franchise fee, shall be due no later than forty-five (45) days after the end of each calendar quarter. If either franchise fee is received by the City after such due date, a late fee of two percent (2%) per month (or fraction thereof) of the delinquent amount will be assessed to Franchisee for such franchisee fee that was delinquent.
- F. Checks for Franchisee's franchise fees, whether baseline or augmented, shall be made payable to the City of Las Vegas and mailed or delivered to the City's Finance Department. The place and time of payment may be changed at any time by City upon thirty (30) days' written notice to Franchisee.
- G. Acceptance by the City of any payment due under this Franchise Agreement or the Code shall not be deemed a waiver by the City of any breach of Franchisee's obligations under this Franchise Agreement or applicable law, and such acceptance shall not preclude the City from later collecting a larger amount that was due in accordance with state and local laws.

SECTION 9: BOOKS, RECORDS AND AUDITS

A. Franchisee shall establish and maintain an accounting system and full and complete records in accordance with generally accepted accounting principles and applicable state regulations, and acceptable to the City to reflect correctly and accurately the financials from the collection of solid waste and Single Stream Recycling under this Franchise Agreement. Such books and records shall be

produced to the City reasonably promptly upon request for inspection at a time during normal business hours.

- B. Franchisee shall file with the City, within forty-five (45) days after the end of each preceding calendar quarter, a sworn statement of the cash receipts derived from the collection of solid waste and Single Stream Recycling during such quarter, with a delineation of cash receipts by category, including, but not limited to, categories for residential service, commercial service, industrial service, sewage waste service, medical waste service and Special Collection Related Services provided under the authority of this Franchise Agreement and Chapter 9.08 of the Code, and any credits or deductions for refunds or bad checks.
- C. Franchisee shall file with the City an annual cash receipts audit, prepared by a certified public accountant, within one hundred and eighty (180) days after the end of each fiscal year for the Franchisee during the term of this Franchise Agreement. Franchisee shall also file a full financial audit with the City on an annual basis within one hundred and eighty (180) days after the end of each year for the Franchisee, until such time that Franchisee is relieved of its obligation to file such an annual audit with any and all other local political subdivisions located in Clark County, Nevada. Once Franchisee is completely relieved of such obligation, the Franchisee shall complete a full financial audit, at the Franchisee's cost, once every three years, if such an audit is requested by the City. If the City desires to complete a full financial audit during a period of time when the Franchisee is not obligated by the terms of this Franchise Agreement to do so, the Franchisee will cooperate with the City and comply with all requests for information relevant to the audit in a reasonable time so the City can complete such a full financial audit at its cost.
- D. At the option and expense of the City, all records, statements, receipts, contracts, requests for service, computer records, or any other records covered by this Section 9 and used in the normal course of business, and disks or other storage media and other like material which are appropriate to monitor compliance with the terms of this Franchise Agreement, are subject to audit. Such books and records shall be retained for a period of five (5) years, shall be produced for the City or

its representative upon request for inspection at any time during normal business hours, and shall be made available for auditing purposes, including the right to inspect, copy and audit at Franchisee's office in the Las Vegas Valley area at any time during normal business hours. The right to copy includes the right of the City or its representative to hire a reproduction company to take such books and records off-premises, and copy such books and records on behalf of the City.

- E. The City shall give written notice to Franchisee of any additional amount claimed to be due to the City as a result of the City's review. Any amount due shall be paid within forty-five (45) days following the City's notification that such amount is due and payable. If the City's review shows that Franchisee has overpaid, such overpayment shall be reimbursed to Franchisee by the City within forty five (45) days of such determination.
- F. Effective July 1, 2016, Franchisee agrees to pay to the City the sum of forty thousand dollars (\$40,000) each year as an administrative fee, to cover costs incurred by the City to administer this Franchise Agreement and ensure compliance. Franchisee shall pay the annual administrative fee within thirty (30) days after receiving a written request from City.

SECTION 10: SECURITY FOR PERFORMANCE

- A. As security for performance of its obligations under this Franchise Agreement and the Code, Franchisee shall at all times provide security in the form of a corporate guaranty, a copy of which is attached hereto as Exhibit "B" and a performance bond, delivered to the City, in the amount of Ten Million Dollars \$10,000,000 to remain in force during the term of this Franchise Agreement, any or all of which may be claimed by the City as payment for fees and damages, and to recover losses resulting to the City from Franchisee's failure to perform.
 - B. Any bond provided pursuant to Subsection (A) shall:
 - 1. Be in a form acceptable to the City Attorney;
- 2. In addition to all other costs, provide for payment of reasonable attorney's fees incurred by the City;
 - 3. Be issued by a surety company authorized to do business in the State of Nevada

and listed in Department Circular 570 of the U. S. Department of the Treasury Fiscal Service (Current Revision);

- 4. Require the attorney-of-fact who executes the bond on behalf of the surety to affix thereto a certified and current copy of his or her power of attorney; and
- 5. Guarantee the performance of all of Franchisee's obligations under this Franchise Agreement and the Code. Any or all of such bond may be claimed by the City as payment for damages, costs or expenses the City suffers or incurs by reason of any act or omission of Franchisee in connection with this Franchise Agreement by Franchisee or its enforcement including any prepayment amounts received by Franchisee.
 - C. The following procedures shall apply to drawing on the security required herein:
- 1. If Franchisee fails to make timely payment to the City of any amount due under this Agreement or the Code, or fails to compensate the City within thirty (30) days of written notification that such compensation is due for any damages, costs or expenses the City suffers or incurs by reason of any act or omission of Franchisee in connection with this Franchise Agreement by Franchisee or its enforcement, or fails, after thirty (30) days written notice, to comply with any provision of this Agreement or the Code that the City determines can be remedied by drawing on the security, the City may withdraw the amount thereof, with interest and any damages assessed in accordance with the provisions hereof, from the security.
- 2. Within three (3) days of a withdrawal from the security, the City shall deliver or mail, by certified mail, return receipt requested, written notification of the amount, date and purpose of such withdrawal to Franchisee.
- 3. If at the time of a withdrawal from the security by the City, the amounts available are insufficient to provide the total payment towards which the withdrawal is directed, the balance of such payment shall continue as the obligation of Franchisee to the City until it is paid. Any withdrawal by City cannot be unreasonable.
 - 4. No later than thirty (30) days after the mailing of notification to Franchisee of a

withdrawal from the security, Franchisee shall restore the security to the total amount specified in Section 10 (A) above.

- D. Failure to maintain or restore the security shall constitute a material breach of this Franchise Agreement.
- E. Recovery by the City of any amounts from the security required by this Section 10 shall not limit Franchisee's obligations to provide insurance or to indemnify the City as otherwise required by this Franchise Agreement.
- F. Should Franchisee object to City exercising its rights in this Section 10, nothing in this Section 10 shall limit Franchisee's ability to seek legal or equitable relief as set forth in Section 27 of this Franchise Agreement.

SECTION 11: INSURANCE

- A. Franchisee shall at all times during the term of this Franchise Agreement maintain in full force and effect, at its own cost, a commercial general liability insurance policy for the protection of the City, which shall:
- 1. Be issued by an insurance company rated A- or better by Bests' Insurer Ratings reports, in a form reasonably satisfactory to the City Attorney;
 - 2. Provide coverage on an occurrence, and not on a claims-made, basis;
- 3. Name the City and its elected and appointed officers, boards, commissions and employees as additional insureds;
- 4. Insure against liability for loss or damage for personal injury, death and property damage occasioned by Franchisee's operations under this Franchise Agreement, with minimum liability limits of ten million dollars (\$10,000,000) for personal injury or death of any one person and ten million dollars (\$10,000,000) for personal injury or death of two or more persons in any one occurrence and ten million dollars (\$10,000,000) for damage to property resulting from any one occurrence; and
- 5. Contain a provision that the insurance company issuing the policy will deliver a written notice of cancellation to the City at least thirty (30) days in advance of the effective date.

B. Recovery of any amount by the City from the insurance required by this Section 11 shall not limit Franchisee's obligations to provide security or to indemnify the City as otherwise required by this Franchise Agreement.

C. At any time during the Term of this Franchise Agreement or any extensions thereof, the City Manager in his or her sole discretion may require Franchisee to maintain higher minimum liability limits on any insurance policy required by this Franchise Agreement as long as such liability limits are commercially available and the increase is based on changes in statutory law, court decisions or circumstances surrounding either. Franchisee may, in its sole discretion, pass through any documented cost increase for the increase of liability limits to its customers, provided that the requested increase in liability limits is not based upon changes in statutory law, court decisions or circumstances surrounding either.

D. At any time during the term of this Franchise Agreement or any extensions thereof, the City Manager in his or her sole discretion may require Franchisee to maintain such additional insurance coverage or policies as he or she deems necessary and proper to protect the health, safety, and welfare of the citizens of the City as long as such additional insurance coverage or policies are commercially available and the increase is based on changes in statutory law, court decisions or circumstances surrounding either. Franchisee may, in its sole discretion, pass through any documented cost increase for the additional insurance coverage or policies to its customers, provided that the requested increase in liability limits is not based upon changes in statutory law, court decisions or circumstances surrounding either.

SECTION 12: INDUSTRIAL INSURANCE

Franchisee shall furnish and maintain in full force and effect during the term of this Franchise Agreement, or any extension of this Franchise Agreement, full worker's compensation insurance in accordance with the Nevada Industrial Insurance Act, as amended, and other applicable state and federal laws.

SECTION 13: INDEMNIFICATION

- A. Franchisee shall appear in and defend all actions against the City arising out of the privileges conferred by this Franchise Agreement, and Franchisee shall indemnify, protect, and hold the City, its council members, officers, and employees harmless from all claims, damages, liabilities, fines, losses, charges, penalties, administrative and judicial proceedings and orders, judgments, and all costs and expenses incurred in connection therewith, including reasonable attorney's fees and costs of defense (collectively, the "Losses") from any and all causes arising from Franchisee's performance of, or activities undertaken pursuant to this Franchise Agreement, except to the extent such Losses are directly attributable to the sole negligence or omission of the City or its agents, employees, or representatives. Franchisee shall pay all other such Losses for which the City may be liable and hold the City harmless from any accident, casualty, damages, losses, or claims which may happen or arise in conjunction with the performance of this Agreement.
- B. Any money due Franchisee under and by virtue of this Franchise Agreement which is considered necessary by the City for such purpose of indemnification, may be retained by the City for its protection; or in case no money is due, Franchisee's surety may be held until all such claims, damages, losses, suits, actions, decrees, judgments, attorney's fees, court costs and other expenses of any kind or character as aforesaid shall have been settled and suitable evidence to that effect has been furnished to the City. Any monies retained by City must be reasonable. Should Franchisee object to City's retention of monies as set forth in this subsection (B), Franchisee may seek appropriate legal or equitable remedies as set forth in Section 27 of this Franchise Agreement.
- C. Section 3(A) of this Franchise Agreement intends for this agreement to be the sole operating document between the parties, and as such, directs the parties to terminate those existing agreements outside of the current franchise ("Miscellaneous Agreements") between the parties within ninety (90) days of the effective date of this Franchise Agreement. One particular Miscellaneous Agreement was that certain Memorandum of Understanding Amending December 31, 1985 Garbage Disposal Agreement dated July 12, 1999 ("1999 MOU"), which set forth an agreement between the Franchisee and the City which provides, among other provisions, for Franchisee's full release and

indemnity of the City in the event of any future liability of the City related to Sunrise Regional Landfill under various environmental statutes and common law and full compliance with the RCRA Order and the CWA Order. The 1999 MOU also set forth additional requirements of Franchisee which the parties now hereby agree to be terminated with this Franchise Agreement since those requirements have either been complied with or are no longer applicable to this Franchise Agreement. The parties agree that Franchisee has complied with the 1999 MOU requirement to pay the City \$5,500,000.00 to be used for the construction of a transfer station, other capital improvements, or other public uses that the City deems appropriate. The 1999 MOU described DUMPCO as the maintenance contractor of the 720-acre area generally known as the Sunrise Regional Landfill which is generally situated within portions of Sections 1 and 12, Township 21 South, Range 62 East, Mount Diablo Meridian ("Sunrise Landfill"). The 1999 MOU required Franchisee to fully comply with RCRA Order Docket No. 7003-09-99-0005, dated May 6, 1999 ("RCRA Order") and CWA Order Docket No. CWA-309-9-99-14, dated April 26, 1999 ("CWA Order," together with the RCRA Order, the "EPA Orders"), and to pay for all costs associated with the breach and the above-referenced U.S. Environmental Protection Agency orders. The parties fully intend for Section 13(D) of this Franchise Agreement to restate and replace only the continuing obligations of Franchisee to the City pursuant to the 1999 MOU, since the 1999 MOU will be terminated after this Franchise Agreement is effective.

- D. Continuing Obligations of Franchisee relating to the 1999 MOU:
 - 1. The Franchisee shall take all necessary actions to fully comply with all terms and conditions of the EPA Orders (the "Project") and shall be solely responsible for all associated costs.
 - 2. In the event, however, the City is found to also be liable for any or all of those matters contained in the EPA Orders, and Franchisee fails to perform the Project in a manner consistent with the EPA Orders, the City is entitled to perform the compliance action on behalf of Franchisee, and shall be reimbursed for the cost of the action by Franchisee, including the costs of consultants, engineers, counsel and administrative

staff time in connection with the action. Notwithstanding the general default and cure provisions in Section 18 of this Franchise Agreement, the following notice and cure provision shall apply specifically to any non-compliance contemplated by this Section 13(D), and prior to initiating any compliance action as relating to this Section 13(D) on behalf of Franchisee, City shall notify Franchisee in writing of the non-compliance, stating with particularity the exact nature of any alleged failure to meet EPA standards and guidelines. City shall then allow Franchisee thirty (30) days from receipt of the notice to correct the noncompliance or obtain EPA approval for Franchisee's action that is alleged to be non-compliant.

- 3. In the event the City is found in the future to also be liable for any or all of those matters contained in the EPA Orders, the parties agree to cooperate as necessary to respond to the EPA Orders. City agrees to provide Franchisee with any informational resources within the City at its various districts and departments that might be helpful to the cooperative effort. The parties shall provide each other with a copy of all correspondence, reports or other documentation submitted to EPA or the Nevada Division of Environmental Protection.
- 4. Notwithstanding this Section13(A), which acts to limit Franchisee's indemnification obligations to the performance of, or activities undertaken pursuant to this Franchise Agreement, the following provisions relate to and control any and all actions, claims or demands relating to the Sunrise Landfill issues and the EPA Orders from the 1999 MOU:
 - a. Franchisee, as well as its successors, parents, subsidiaries and affiliates agree to defend, fully indemnify and hold harmless the City, its City Council members, departments, employees, agents, consultants and attorneys from and against all claims and demands or causes of action related to the Sunrise Landfill including without limitation, claims and demands brought pursuant to the

Resource Conservation and Recovery Act (hereinafter "RCRA"), the laws, rules and regulations of the State of Nevada Department of Conservation and Natural Resources, Division of Environmental Protection (hereinafter "NDEP") and the laws, rules and regulations of the Southern Nevada Health District (hereinafter "SNHD"), arising from or related to any failure of Franchisee to comply with the EPA Orders.

- b. Franchisee agrees to indemnify, defend, protect and hold harmless, to the extent allowed by Nevada law, City and the City Council members, officers, agents, departments, employees, contractors and subcontractors upon and against any claims for damage, suits and other claims arising out of or related to the Project, which damages, suits, or claims are either (1) for personal injury, including death, or (2) for property damage, and where it is established that the injury or damage was the result of negligence, active or passive, or omission, active or passive, or intentional conduct of Franchisee.
- c. Franchisee shall have the right, when acting under this provision, to select counsel and to direct the course of the proceeding including the settlement thereof provided that: (1) Franchisee does not dispute the indemnity, defense or hold harmless obligation; (2) the counsel selected has experience in this type of proceeding; and (3) City shall be kept apprised of the progress of the proceeding.
- d. The parties further agree that the hold harmless and indemnification provisions of Paragraph 19 of the 1985 Garbage Disposal Agreement, as set forth below, are controlling for the purposes of this Section 13(D) in the event the provisions below conflict with any provision of this Section 13(D):

"Contractor shall protect, indemnify, and hold the City, its officers, employees, agents and servants harmless from and against any and all claims, damages, losses, suits, actions, decrees, judgments, attorney's

fees, court costs and other expenses of any kind or character which the City, its officers, employees, agents or servants may suffer, or which may be sought against, recovered from or obtainable against the City of Las Vegas, its officers, employees, agents or servants (i) as a result of, or by reason of, or arising out of, or on account of or in consequence of the operations of Contractor, its officers, employees, servants or agents, or anyone directly or indirectly employed by Contractor, its officers, employees, contractors, servants or agents, in the fulfillment or performance of the terms of this Agreement, regardless of whether or not the occurrence which gave rise to such claim, damage, loss, suit, action, judgment or expense was caused, in part, by the City; or (ii) as a result of, or by reason of, or arising out of, or on account of, or in consequence of, any neglect in performing this Agreement; or (iii) because of any claim or amount recovered under any statute, law, ordinance, order or decree. Any money due Contractor under and by virtue of this Agreement which is considered necessary by the City for such purpose, may be retained by the City for its protection; or in case no money is due. Contractor's surety may be held until all such claims, damages, losses, suits, actions, decrees, judgments, attorney's fees and court costs and other expenses of any kind or character as aforesaid shall have been settled and suitable evidence to that effect furnished to the City.

In this connection, it is expressly agreed that Contractor shall, at its own expense, defend the City, its officers, employees, agents and servants against any and all claims, suits or actions which may be brought against them, or any of them, as a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or omission against which

Contractor has indemnified the City. If Contractor shall fail to do so, the City may undertake to do the same and to charge all direct and incidental costs of such defense to Contractor, including attorney's fees, court costs and other expenses."

E. The parties mutually understand, and agree, and warrant: (i) that Franchisee denies the legal liability and damages alleged in the RCRA Order and CWA Order and that execution of the 1999 MOU and Section 13 (C) and (D) of this Franchise Agreement are not to be construed as an admission of liability on the part of any party to this Franchise Agreement or 1999 MOU; (ii) that no promise or inducement has been offered except as herein set forth; (iii) that Section 13(D) of this Franchise Agreement and 1999 MOU is made in good faith and in conformance with all applicable law; and (iv) the parties are legally competent to execute this Franchise Agreement and to accept full responsibility of Section 13(D) of this Franchise Agreement.

SECTION 14: NOISE

Franchisee shall make collections as quietly as possible, giving due consideration to residential areas in its route scheduling, as well as weather considerations, allowing for early start times from June 1 through September 30 due to excessive daytime heat. Furthermore, Franchisee agrees that no solid waste collection service will begin before 4:30 a.m. for commercial accounts and 6:00 a.m. for single family residences, duplexes, multiple dwellings or mobile home parks. For commercial properties abutting single-family residential homes, Franchisee will make its best efforts to route solid waste collection service for these commercial projects after 6:00 a.m. If the City receives complaints and requests Franchisee to make a route change for commercial properties abutting single-family homes to be 6:00 a.m. or later, Franchisee shall comply.

SECTION 15: RIGHT TO CURE MISSED COLLECTIONS

If Franchisee fails or neglects to make any solid waste collection as required by this Franchise Agreement and the Code within the required time, the City shall, after two (2) working days, have the right to make collection thereof and charge Franchisee with the cost thereof. Franchisee shall remit

payment of such costs to the City within thirty (30) calendar days of its receipt of the invoice for such costs.

SECTION 16: RATES; ADJUSTMENTS; TERMINATION BY FRANCHISEE

A. Franchisee shall charge the collection rates and charges contained in Chapter 9.08 of the Code, and such rates and charges shall be adjusted upwards as set forth in this Franchise Agreement and the Code. Attached hereto as Exhibit "A" is a copy of the base rates as of the Effective Date of this Franchise Agreement for solid waste service fees charged by Franchisee (the "Base Rates"). The Base Rates shall only be adjusted upwards on an annual basis in conjunction with the CPI-U as set forth in this Franchise Agreement and the Code. Franchisee shall submit new proposed rate sheets to the City, based on applicable CPI-U increases and any other adjustments authorized by the Code, no later than April 1 of each year. The City will verify the accuracy of Franchisee's proposed new rates and will notify Franchisee of the City's approval of the proposed rates or of any discrepancies between Franchisee's proposed rates and the City's calculations. By May 1 of each year, the City and Franchisee shall take all actions necessary to reconcile any such discrepancies and to agree on Franchisee's new rate schedules, to be effective as of July 1. Once the rates are approved by City, the rates as adjusted upwards for CPI-U are not required to be updated in Chapter 9.08 of the Code and the City may post adjusted rates on its website.

B. Effective July 1, 2017, the charges established by the Code and fees set forth in this Franchise Agreement shall be increased annually based on the CPI-U All Urban Consumers, Bureau of Labor Statistics Series ID: CUUR0000SA0. The increase in charges shall be made effective on July 1 of each year during the term of this Franchise Agreement. The increase shall be based upon the five (5) year average change in the CPI-U or the prior year's CPI-U, whichever is greater. By way of example for the five (5) year average calculation: Use CPI-U data from the 2010 to 2015 period. Take the CPI-U Annual Index for 2015 of 237.017 and subtract the CPI-U Annual Index from 2010 of 218.056 resulting in a CPI-U Index change of 18.961. The CPI-U Index change of 18.961 is then divided by the CPI-U Annual Index for 2010 of 218.056. This results in the percentage change in the CPI-U Index of

8.695% over the five (5) year period. This percentage change of 8.695% is then divided by five (5) to arrive at the average annual increase in the CPI-U Annual Index of 1.74%. The same calculation is also used for the prior year analysis. By way of example, use the prior year of 2014 to 2015. Take the prior year CPI-U Annual Index for 2015 of 237.017 and then subtract the CPI-U Annual Index from the year before (2014) of 236.736 which results in an index change of 0.281. The index change of 0.281 is then divided by the CPI-U Annual index for the previous year (2014) of 236.736 which results in a percentage change of 0.12%. The results of the two calculations are compared and the higher of the two percentage increases applies to the rate adjustment. In this example, the rate would be increased by 1.74%.

- C. In the event that an unforeseen economic circumstance has occurred, Franchisee may request a rate adjustment that is not based on CPI-U changes. Franchisee shall submit verification of the unforeseen economic circumstance in writing to the City Manager with documentation supporting the rate increase request. The City may require Franchisee to provide, at Franchisee's expense, a certified audit of the books and records of account of Franchisee if the City determines that such an audit is required to substantiate the request for a rate increase. Any rate adjustment based upon an unforeseen economic circumstance will require an amendment of this Franchise Agreement and the Code.
- D. Franchisee may request a change in any solid waste collection charges set forth in Chapter 9.08 of the Code. If the City denies a request by Franchisee for an increase in solid waste collection charges made pursuant to this Section 16, Franchisee shall have the right to terminate this Franchise Agreement by giving the City at least twelve (12) months written notice of such termination.

SECTION 17: RECORDS AND REPORTS FOR RECYCLING

Franchisee shall provide data and reports necessary to fulfill the requirements of the City and the Southern Nevada Health District for assessing and reporting of recycling collection program results, in conformance with all applicable laws, rules and regulations. City recognizes that any reports provided will include recycling and solid waste as measured in tons collected from Clark County residents

together with City residents due to overlapping boundaries between the jurisdictions and collection routes by Franchisee. Franchisee expects the new single stream recycling program to improve recycling effectiveness in the City. Franchisee will strive to achieve a twenty-five percent (25%) recycling goal by June 30, 2019, and increase that goal by one percent (1%) per year for the next five (5) years, to reach a 26% recycling goal by June 30, 2020, 27% by June 30, 2021, 28% by June 30, 2022, 29% by June 30, 2023, and 30% by June 30, 2024. [Calculation of recycling goal: Total annual recycling tons collected divided by total annual trash and recycling tons collected equals recycling rate.] If the recycling goal is not achieved by these dates, Franchisee and City will meet and agree upon additional education measures to encourage City residents to recycle more. Both parties agree that if Franchisee has implemented single stream recycling in accordance with this Agreement and the recycling goal is not achieved, Franchisee is not in violation of this Agreement.

SECTION 18: DEFAULT; CURE; TERMINATION FOR CAUSE

- A. If the City determines that Franchisee is in default under any of the provisions of this Franchise Agreement or the Code, other than a breach which results from an Act of God, labor dispute, action of public enemy, act of war, terrorist attack or force majeure, the City shall give Franchisee written notice thereof, specifying the provisions under which the default has been determined to exist and giving Franchisee sixty (60) days within which to correct any such default. If Franchisee fails to correct any such default within the applicable sixty (60) day period or in good faith take commercially reasonable measures to rectify such default as soon as reasonably possible and provide City with written notice of such measures, the City may:
- 1. Terminate this Franchise Agreement upon thirty (30) days written notice to Franchisee; and
 - 2. Withdraw the security provided by Franchisee in accordance with Section 10 above.
- B. For the sole purpose of this Section 18, if the Franchisee fails to correct a default within sixty (60) days, but Franchisee has provided the City written notice prior to the expiration of the sixty (60) day cure period that it intends to rectify such default "as soon as reasonably possible," the City

Council shall be the sole arbiter of whether the measures taken are "commercially reasonable." If the City Council intends to do so, the City shall so indicate its decision at a public hearing and shall provide Franchisee at least fourteen (14) days written notice of such hearing. If the City Council determines that the Franchisee's means and methods of curing such default are not commercially reasonable, the Franchisee shall have thirty (30) days from the actual date of the City Council decision on the matter to cure such default prior to either taking action as provided above.

SECTION 19: SUCCESSORS AND ASSIGNS

The rights and privileges granted by this Agreement are not assignable to any party other than an affiliate of Franchisee, either voluntarily or by operation of law, without the consent of the City Council, which consent shall not be unreasonably withheld. In the event Franchisee becomes insolvent or bankrupt, the rights and privileges granted hereby shall then be immediately cancelled and annulled, and the City shall have the right to take over Franchisee's business or substitute another Contractor in its place and stead in the manner provided by law. Any takeover or substitution in the event of insolvency or bankruptcy must comply with Section 20 of this Franchise Agreement.

SECTION 20: TERMINATION; OPTION TO LEASE FACILITIES AND EQUIPMENT

- A. If this Franchise Agreement is terminated pursuant to Section 18 or in the event Franchisee or Dumpco becomes insolvent or bankrupt, the City, or its designated agent, may, at its option, enter into a lease for any and all of Franchisee's or Dumpco's assets, facilities or equipment that are necessary to provide solid waste services to customers within the City by giving Franchisee written notice of its election to lease such assets, facilities and equipment.
- B. The City's option to lease such assets, facilities or equipment will not exceed the time reasonably necessary for the City to arrange for alternative permanent franchised solid waste services. Immediately upon the termination of any lease created pursuant to this Section 20, the City will, at its own cost and expense, return to Franchisee and/or Dumpco all assets, facilities or equipment in the condition as when received, ordinary wear and tear excepted.
 - C. Such lease shall document: 1) the assets, facilities or equipment to be leased by the City

from Franchisee and/or Dumpco; 2) the monthly cost of the lease to the City, which shall not exceed the actual monthly cost of the assets, facilities or equipment to Franchisee and/or Dumpco including depreciation, depletion, amortization and a reasonable amount of wear and tear; 3) a license to enter all property otherwise owned by Franchisee and/or Dumpco not leased by the City; and 4) any other conditions outlined in this Section 20.

- D. During the term of any lease created pursuant to this Section, the City will be responsible for its own cost and expense, for all maintenance, repairs, operational and insurance costs associated with all leased assets, facilities or equipment. The City will at all times during the term of the lease have the sole responsibility of maintaining the leased assets, facilities or equipment in good operating condition and appearance, ordinary wear and tear excepted, and in accordance with all applicable laws, regulations and other requirements.
- E. Within ten (10) days following the expiration of each thirty (30) day period during the term of any lease created pursuant to this Section 20, Franchisee and/or Dumpco will deliver an invoice to the City itemizing such costs, and the City will make payment to Franchisee and/or Dumpco, as applicable, no later than ten (10) days following receipt of the invoice. If the City fails to make any monthly payment within five (5) days after the due date, Franchisee and or Dumpco, as applicable, will have the right to charge the City a late fee in the amount of five percent (5%) of the unpaid balance of the lease.
- F. The City's failure to make any monthly payment when due or otherwise comply with the provisions of any lease created pursuant to this Section 20 will constitute a material breach and default of this lease, and Franchisee and/or Dumpco, as applicable, may repossess all assets, facilities or equipment. Upon the occurrence of such a default, Franchisee and/or Dumpco may take any legal action deemed necessary to collect the full amount of any remaining payments due under the lease.
- G. The City acknowledges and agrees that neither it nor its designated agent have obtained and will not obtain any title to any of the assets, facilities or equipment subject to any lease created pursuant to this Section 20, nor any property right or interest, legal or equitable therein, except solely as

the lessee under such lease.

- H. If either party institutes any lawsuit or legal action of any kind against the other party, related in any way to the enforcement of the terms of this Section 20, the losing party agrees to pay to the prevailing party, in addition to all amounts awarded in any suit or action, reasonable attorney's fees and costs incurred by such action.
- I. The City will not assign or sublease its interest under any lease created pursuant to this Section to any other person or entity without the express written permission of Franchisee, as applicable. Such assignment or sublease without Franchisee's permission will be deemed an immediate event of default under such lease. Should Franchisee allow the City to assign or sublease its interest, such act will not be deemed a waiver of Franchisee's right to prevent such assignment or sublease in the future.
- J Nothing contained in this Section 20 will be construed as constituting a partnership between the City and Franchisee, or as creating a joint venture or the relationship of principal and agent between the parties.

SECTION 21: CONFLICTS WITH EXISTING CODE PROVISIONS

The provisions of this Franchise Agreement and the Code are intended to be and shall be construed, to the maximum extent possible, to be consistent with and/or supplemental to each other. Except as otherwise set forth in Section 1 of this Franchise Agreement, in the event of any irreconcilable conflict between any provisions of the Code and any provisions of this Franchise Agreement, the Code provisions shall control.

SECTION 22: WAIVERS

The failure of either party to insist upon the strict performance of any of the provisions of this Franchise Agreement, or the failure of either party to exercise any right, option or remedy hereby reserved, shall not be construed as a waiver for the future of any such provision, right, option or remedy, or as a waiver of any subsequent breach thereof.

SECTION 23: INDEPENDENT CONTRACTOR

Franchisee is an independent contractor under this Franchise Agreement and is not an agent or employee of the City for any purpose.

SECTION 24: NOTICES

Any notice or other communication required or permitted to be given under this Franchise Agreement ("the Notice") shall be in writing and shall be personally delivered, or delivered by certified mail, return receipt requested, and deposited in the U. S. Mail, postage prepaid. The Notice shall be deemed received on the earlier of the date of actual receipt or three days after mailing. The Notice shall be directed to the parties at their respective addresses shown below, or such other address as either party may, from time to time, specify in writing to the other party in the manner described above.

SECTION 25: SEVERABILITY

If any provision of this Franchise Agreement is for any reason determined to be invalid,

unenforceable or unconstitutional, such provision shall be deemed a separate, distinct and independent provision, and such determination shall not affect the validity or enforceability of the remaining provisions of this Franchise Agreement. With respect to any provision of this Franchise Agreement determined to be invalid, unenforceable or unconstitutional, the parties shall promptly use their best reasonable efforts to negotiate an amendment to this Franchise Agreement that is valid and enforceable and that is consistent with the parties' original intent. The City hereby declares that it would have approved this Franchise Agreement and each provision thereof irrespective of any provision being declared invalid, unenforceable or unconstitutional.

SECTION 26: PUBLIC PURPOSE

All of the regulations provided in this Franchise Agreement are hereby declared to be for a public purpose and the health, safety and welfare of the general public. Any member of the governing body or City official or employee charged with the enforcement of this Franchise Agreement, acting for the City in the discharge of his or her duties, shall not thereby render such person personally liable; and he or she is hereby relieved from all personal liability for any damage that might accrue to persons or property as a result of any act required or permitted in the discharge of said duties.

SECTION 27: REMEDIES; INJUNCTIVE RELIEF

Neither the City nor Franchisee by accepting this Franchise Agreement waives its right to seek any appropriate legal and equitable remedies as allowed by law upon violation of the terms of this Franchise Agreement, including seeking injunctive relief in a court of competent jurisdiction. Such right to injunctive relief is expressly reserved, and all terms and provisions hereof shall be enforceable through injunctive relief.

SECTION 28: GOVERNING LAW; JURISDICTION; ATTORNEY'S FEES

A. This Franchise Agreement has been made and entered into in the State of Nevada, and the laws of the State of Nevada shall govern the validity and interpretation of this Franchise Agreement and the performance due hereunder. If legal action is initiated relative to this Franchise Agreement or the rights or obligations of any party hereunder, such action must be initiated and maintained in Clark

County, Nevada.

B. In the event of any litigation arising out of this Franchise Agreement, the prevailing party in such litigation shall be entitled to recover all of its costs incurred in such litigation, including all court costs, expert witness fees and reasonable attorney's fees. Reasonable attorney's fees include the reasonable fees and expenses of the City Attorney's Office.

SECTION 29: NO THIRD-PARTY BENEFICIARIES

It is not intended by any of the provisions of this Franchise Agreement to create for the public, or any member thereof, a third-party beneficiary right or remedy, or to authorize anyone to maintain a suit for personal injuries or property damage pursuant to the provisions of this Franchise Agreement. The duties, obligations and responsibilities of the City with respect to third parties shall remain as imposed by Nevada law.

SECTION 30: PUBLIC RECORDS

Franchisee acknowledges that information submitted to the City is open to public inspection and copying under Nevada Public Records Law, Chapter 239 of the NRS. Franchisee is responsible for becoming familiar with and understanding the provisions of the Nevada Public Records Law. While Nevada law does not recognize Franchisee-provided information as "confidential," Franchisee may identify information, such as trade secrets, proprietary financial records, customer information or technical information, submitted to the City as confidential. Franchisee shall prominently mark any information for which it claims confidentiality with the word "Confidential" on each page of such information prior to submitting such information to the City. City will make its best efforts to provide Franchisee with advance notice before any Franchisee-provided information marked as "confidential" is released. The City retains the final discretion to determine whether to release the requested confidential information, in accordance with applicable laws.

SECTION 31: TIME IS OF THE ESSENCE

Time is of the essence with regard to the performance of all of Franchisee's obligations under this Franchise Agreement.

SECTION 32: CONSTRUCTION OF AGREEMENT

The terms and provisions of this Franchise Agreement are the result of negotiations by and between the Parties hereto and shall not be interpreted or construed in favor of or with prejudice against any Party, but fairly in accordance with the general tenor of the language used.

SECTION 33: COMPLETE AGREEMENT; MODIFICATION

A. The drafting, execution and delivery of this Franchise Agreement by the Parties have been induced by no representations, statements, warranties or agreements other than those expressed herein. This Franchise Agreement embodies the entire understanding of the Parties, and there are no further or other agreements or understandings, written or oral, in effect between the Parties relating to the subject matter hereof, except as expressly referenced herein or as may exist solely in the City's capacity as a solid waste customer of Franchisee.

B. This Franchise Agreement shall not be amended or modified except as approved by the governing body of the City and Franchisee.

SECTION 34: FORCE MAJEURE

A. In the event that Franchisee is prevented from performing or is unable to perform any of its obligations under this Franchise Agreement due to any Act of God, fire, casualty, flood, earthquake, war, labor strike, lockout, epidemic, destruction of production facilities, riot, insurrection, material unavailability, or any other cause beyond the reasonable control of Franchisee, and if Franchisee shall have used its best efforts to mitigate its effects, and if Franchisee shall give prompt written notice to City, Franchisee's performance under this Franchise Agreement shall be excused, and the time for the performance shall be extended for the period of delay or inability to perform due to such occurrences.

SECTION 35: COUNTERPARTS

This Franchise Agreement may be executed in one or more counterparts. All counterparts so executed shall constitute one contract, binding on all Parties, even though all Parties are not signatory to the same counterpart.

Corporate Guaranty

GUARANTY

THIS GUARANTY is made and entered into as of October 12, 2016, by Republic Services, Inc., a Delaware corporation ("Guarantor"), in favor of the City of Las Vegas, a municipal corporation of the State of Nevada (the "Guaranteed Party").

Recitals

- A. Republic Silver State Disposal, Inc., a Nevada corporation d/b/a Republic Services of Southern Nevada and Republic Dumpco, Inc., a Nevada corporation (each a "Subsidiary"), and the Guaranteed Party are parties to that certain Franchise Agreement for Collection, Transportation and Disposal of Solid Waste Agreement, dated as of April 5.2517 (the "Agreement").
- B. As an inducement to the Guaranteed Party to enter into the Agreement, Guarantor has agreed to guarantee the performance of Subsidiary's obligations under the Agreement.

In consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Agreement

Guaranty. Guarantor irrevocably and unconditionally guarantees to the Guaranteed 1. Party the due and punctual performance of each obligation of Subsidiary contained in the Agreement in accordance with its terms and conditions. Guarantor agrees that if Subsidiary shall fail to perform any of its obligations under the Agreement when due in accordance with the terms of the Agreement, it shall, upon demand made by the Guaranteed Party, immediately perform the obligation, to the extent that such performance is required to be made or performed by Subsidiary. Notwithstanding anything to the contrary contained in this Guaranty, this Guaranty pertains only to those obligations owed by Subsidiary under the Agreement, and shall in no way alter or expand any obligation owing under the Agreement or diminish any defense available to Subsidiary under the Agreement. This Guaranty in no way alters the respective obligations, rights, defenses, setoffs, counterclaims, or privileges of the parties to the Agreement, all of which shall be equally available to Guarantor as to Subsidiary in the event the Guaranteed Party makes a claim under this Guaranty. The Guaranteed Party, however, may commence any action or proceeding based upon this Guaranty directly against Guarantor without making Subsidiary a party defendant in such action or proceeding and it shall not be necessary for the Guaranteed Party to bring any action or proceeding first against Subsidiary to recover from the Guarantor.

Guarantor agrees that the obligations of Guarantor pursuant to this Guaranty shall remain in full force and effect without regard to, and shall not be released, discharged or affected in any way by any of the following (whether or not Guarantor shall have any knowledge thereof):

(a) any termination, amendment, modification or other change in the Agreement;

- (b) any failure, omission or delay on the part of Subsidiary, Guarantor, any or any other guarantor of Subsidiary's obligations to conform or comply with any term of the Agreement;
- (c) any waiver, compromise, release, settlement or extension of time of performance or observance of any of the obligations or agreements contained in the Agreement;
- (d) any dissolution of Guarantor or any voluntary or involuntary bankruptcy, insolvency, reorganization, arrangement, readjustment, assignment for the benefit of creditors, composition, receivership, liquidation, marshalling of assets and liabilities or similar events or proceedings with respect to Subsidiary, Guarantor or any other guarantor of Subsidiary's obligations, as applicable, or any of their respective property or creditors, or any action taken by any trustee or receiver or by any court in any such proceeding:
- (e) any merger or consolidation of Subsidiary, Guarantor or any other guarantor of Subsidiary's obligations into or with any person, or any sale, lease or transfer of any of the assets of Subsidiary, Guarantor or any other guarantor of Subsidiary's obligations to any other person; or
- (f) any change in the ownership of the capital stock of Subsidiary, Guarantor or any other guarantor of Subsidiary's obligations or any change in the relationship between Subsidiary, Guarantor or any other guarantor of Subsidiary's obligations, or any termination of any such relationship.
- 2. Representations and Warranties. Guarantor represents and warrants to the Guaranteed Party that this Guaranty has been duly executed and delivered by Guarantor and constitutes the legal, valid and binding obligation of Guarantor, enforceable against Guarantor in accordance with its terms.

3. Miscellaneous

- (a) Governing Law. This Guaranty shall be governed by and construed in accordance with the laws of the State of Nevada without reference to the choice of law principles thereof. Any legal action, suit or proceeding arising out of or relating to this Agreement shall be instituted exclusively in the state or federal courts of the State of Nevada.
- (b) No Third Party Benefits. Nothing in this Guaranty is intended, and it shall not be construed, to confer any rights or benefits upon any person other than the Guaranteed Party and no other third party shall have any rights or remedies hereunder.
- (c) Notices. All notices and other communications to Guarantor under this Guaranty shall be sufficiently given for all purposes hereunder if in writing and: (i) delivered personally, or (ii) sent by documented overnight delivery service, in each case, to the following:

Republic Services, Inc. 18500 North Allied Way Phoenix, AZ 85054 Attn: General Counsel

or to such other address and/or to the attention of such other person as Guarantor may designate by written notice to the Guaranteed Party.

- (d) <u>Binding Effect: Assignment.</u> This Guaranty shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns; provided, however, that no party hereto may assign its rights or delegate its obligations under this Guaranty without the express written consent of the other party hereto.
- (e) <u>Headings</u>. The headings contained in this Guaranty are inserted for convenience only and will not affect the meaning or interpretation of this Guaranty.
- (f) <u>Amendment: No Waiver</u>. This Guaranty may not be modified or amended except by an instrument in writing signed by the party against whom enforcement of any such modification or amendment is sought. Any party hereto may, only by an instrument in writing, waive compliance by the other party hereto with any term or provision of this Guaranty. The waiver by any party hereto of a breach of any term or provision of this Guaranty shall not be construed as a waiver of any subsequent breach.

IN WITNESS WHEREOF, Guarantor has executed this Guaranty as of the date first above written.

CITY OF MESQUITE SOLID WASTE COLLECTION AGREEMENT

This agreement made and entered into this <u>26</u> day of <u>April</u> 1995, by and between the CITY OF MESQUITE, whose address is P.O. Box 69, Mesquite, Nevada, 89024 hereinafter sometimes referred to as the City and VIRGIN VALLEY DISPOSAL INC., whose address is Box 129, Mesquite, Nevada, 89024, hereinafter referred to as the "Contractor."

WHEREAS, the Contractor is qualified to provide solid waste collection services in compliance with Nevada State law requirements for "Solid Waste Management System"; and WHEREAS, the City is empowered by Nevada State law to contract with the Contractor for the collection of solid waste as defined in this document within the present boundaries of the City; and

WHEREAS, the City declares that for reasons of public health and safety it is in the best interest of the residents and commercial entities of the City to contract with the Contractor, granting exclusive rights to the Contractor for the operation of a solid waste management system as defined below within the boundaries of the City and requiring the mandatory use of said system by all residents and commercial entities located within the City boundaries, pursuant to the terms and requirements of this Agreement.

NOW THEREFORE, in consideration of the mutual promises and undertakings contained herein, the City and the Contractor agree as follows:

1. Service. All residences and commercial users within the jurisdiction of the City, located on streets, roads or

thoroughfares maintained by the City, County, State or Federal government, shall be provided minimum service under this Agreement. For purposes of this Agreement apartment complexes are considered commercial users rather than residential users.

- 2. Term. The term of this contract for Residential and Commercial collections shall be for 10 years with an option to renew for 10 years, commencing May 1, 1995.
- 3. Minimum Service. The Contractor shall make at least one weekly collection from Commercial Users and Residences within the jurisdiction of the City on a schedule and route to be determined by the Contractor, in the reasonable exercise of the Contractor's judgment consistent with the needs of the City and persons residing and doing business therein.
- 4. Litter. The Contractor shall not litter premises in the process of making collections, but the Contractor shall not be required to collect or clean up material that has not been properly placed in an approved garbage container or in a manner herein provided. Trash must be contained within the container so that it will not spill out during pick up.
- 5. The City's Garbage Collection Ordinance is incorporated herein by reference.
- 6. Unapproved Container. The Contractor shall not be required to collect solid waste unless it is in an approved garbage container, and brought to a public access, except as otherwise provided for in this Agreement.
 - 7. Office. The Contractor shall establish and maintain a

local office or such other facilities as necessary through which the Contractor can be contacted, where service may be applied for, and complaints can be made. It shall be equipped with adequate telephone lines and be staffed in a manner that provides reasonable access.

- 8. Hauling. All solid waste hauled by the Contractor shall be so contained, tied, or enclosed so that leaking, spilling, or blowing of the material is prevented. In the event of any spillage by the Contractor, the Contractor shall clean up the litter as soon as practicable.
- 9. Disposal. All solid waste for disposal shall be hauled by the Contractor to the landfill site provided by the City, except that Commercial Users are permitted to haul their own solid waste. The Contractor shall abide by all rules, regulations, City ordinances, State and Federal regulations related to the use and maintenance of the land fill. The parties acknowledge that the future enactment of City, State or Federal laws relating to the handling and disposal of solid waste or future court decisions regarding the interpretation of present laws may substantially affect the cost of services provided by the Contractor to the City and may require appropriate adjustments in the fees charged or the services provided by the Contractor. Should any of the foregoing contingencies occur the Contractor may seek modification of the fee structure and if agreement cannot be reached with the City within 45 Calendar days following receipt by the City of written notice by the Contractor of the request

for modification, the Contractor shall have the right to terminate this Agreement within 30 Calendar days following receipt by the City of written notice thereof.

- A. The present rate collected by the City is six dollars and ninety cents (\$6.90) per month per single family residence, of which the Contractor is paid five dollars and ninety cents (\$5.90) per month per single family residence. Effective July 1, 1995 the monthly residential rate will increase to ten dollars (\$10.00) per month per single family residence. The City and the Contractor will split the increase as follows: the City shall receive 50 % of the increase and the Contractor shall receive five dollars and ninety cents (\$5.90) per month per single family residence and 50 % of the increase.
- B. Commercial Users and Rates. Due to the varying needs and requirements of commercial users, charges shall be negotiated between the Contractor and the Commercial User. If agreement cannot be reached, the matter shall be submitted to the City Council and the decision of the Council shall be binding.
- C. Container. The Contractor shall provide sufficient
 Garbage Containers for the use of all Commercial Users and
 Recycling Containers. Commercial Users must provide adequate
 space and accessibility for trucks and containers, in accordance
 with Contractor's requirements. Approved Garbage Containers
 during the term of this Agreement shall be repaired or replaced
 by the Contractor provided such Containers have been used
 exclusively for their intended purpose. In cases where Containers

have been lost, damaged, destroyed by reason of misuse or use for which they are clearly not intended, the Contractor may seek reimbursement directly from the user and may pursue its rights through appropriate judicial proceedings. In no event, however, may the Contractor refuse to provide service to residential users, but may do so in respect to Commercial Users where a claim for reimbursement is in dispute.

10. Landfill Station. Collection of Refuse Outside the City Limits of Mesquite. Fees for dumping at the City landfill site shall be collected by the Contractor at the rate established by the City. Said rate will be set by City Ordinance but shall be waived for normal household and landscape refuse for all paid residential subscribers with proper identification and a valid Drivers License. The parties acknowledge that the Garbage Ordinance may be amended to provide for a higher dump fee for refuse that originates outside the City of Mesquite and also for higher collection fees for refuse originating outside the City of Mesquite. In the event the City increases fees for garbage service to residences and businesses outside the City of Mesquite, or increases the dump fee for refuse which originates outside the City of Mesquite, the City shall be entitled to 100% of that increased charge, payable to the City, within fifteen (15) days of the close of each collection quarter. For all other fees collected for dumping in the landfill, the Contractor shall pay ten percent (10%) of the collected fees to the City within fifteen (15) days of the close of each collection quarter.

The City landfill shall be open to the public and manned at the Contractor's expense from 8:00 a.m. to 4:00 p.m. on Monday through Saturday, but shall not be open on the following days:

New Years Day, President's Day, Independence Day (July 4th),

Veterans Day, Thanksgiving Day, the Day after Thanksgiving and

Christmas Day. Each Wednesday, during the months of April 1st through September 30, said landfill will be open from 10:00 a.m. to 6:00 p.m.. This service is available for all residents who have a current paid City Service fee receipt for normal household and landscape refuse, and a valid Drivers License. The Contractor shall be responsible for the operation of the landfill site, but the City shall be responsible for the closure of the site and the monitoring wells. The City shall provide treated water in which to maintain the landfill.

- 11. City Dumping Fee. The City shall pay the Contractor \$2.00 per cubic yard for all garbage, rubbish, etc. the City dumps at the City landfill, regardless of whether the City or the Contractor hauls the same.
- 12. Compactor. The Contractor shall obtain a compactor for the City landfill by August 1, 1995.
- 13. Changes in Fees. The City will, from time to time, consider a price adjustment to reflect changes in the cost of the Contractor's operations. The Contractor must fully justify increases in the actual cost of doing business by substantiating his request with data, such as the wholesale price index, consumer price index, price index for diesel fuel, materials,

labor and other factors which contribute to the cost of conducting its business. In addition, the Contractor may petition the City at any time for price adjustments. The City shall make the final determination of the amount of any contract price adjustment and will not unreasonably withhold approval of a contract price adjustment request.

- 14. Compensation. The City shall pay the Contractor quarterly, within fifteen (15) days of the close of each quarter. The fees paid to the Contractor shall include monies received from all City Residences as defined herein, less ten percent (10%) of the gross receipts derived from the collection of garbage which the City shall retain as the franchise fee charged to the Contractor.
- 15. Residential Accounts. The City will provide a current list of all residential accounts to the Contractor. That list containing the name, address and serial numbers of all containers assigned, will be updated monthly to coincide with the City's master list.
- 16. Compliance with Laws. The Contractor shall conduct operations under this Agreement in compliance with all applicable law.
- 17. Performance Bond. The Contractor shall maintain on file with the City a Performance Bond in the amount of \$5000.00 in favor of the City, conditioned upon the faithful performance of this Agreement and compliance with the provisions of all ordinances of the City. The bond shall indemnify the City against

- all losses resulting from any failure of performance by the Contractor not exceeding the penal sum of the bond.
- 18. Indemnity. The Contractor will indemnify, save harmless, and insulate the City, its officials, agents and employees in respect to demands, damages, costs, expenses, including attorneys fees, arising out of acts or omissions of the Contractor in the performance of this Agreement. The City reserves the right to approve counsel obtained by the Contractor for defense of any third party lawsuit or action brought against the Contractor or the City based upon such claims, demands or damages. The Contractor shall furnish to the City evidence of a current policy of insurance naming the City as a co-insured, if practicable, verifying adequate insurance to indemnify the City providing coverage of at least one million (\$1,000,000.00) dollars, for the death or injury of one or more persons and for property damage in the amount of at least one million (\$1,000,000.00) dollars. If a change in insurance coverage should occur, the Contractor shall notify the City within thirty (30) days of such change.
- 19. Assignment. Upon written request and with prior approval of the City Council, the Contractor shall have the right to assign or transfer this Agreement in any manner whatsoever including sale, lease, license as to its interest in all or any part of the Contractor's equipment or facilities that are installed or in the performance of this Agreement. The City Council may, however, deny Contractor's right to Assign without cause.

- 20. Books, Records, and Contract Confidentiality. The Contractor shall keep records of wastes collected and charges therefore, and the City shall have the right to review those records which pertain to the payments due to the Contractor; however, all information gained by the City through access to the Contractor's records shall be considered confidential and shall not be released by the City to any third parties, unless required by law or legal process.
- 21. Permits and Licenses. The Contractor shall obtain at its own expense all permits and licenses required by law or ordinance and maintain same in full force and effect.
- 22. Arbitration. Any controversy or claim arising out of or relating to this Agreement, or breach thereof, shall be resolved by arbitration in accordance with the Commercial rules of the American Arbitration Association, and Judgment upon the award rendered by the arbitrators may be entered in any Court having jurisdiction thereof. Such controversy or claim shall be submitted to one arbitrator selected from the National Panel of the American Arbitration Association. The cost incurred in Arbitration, including administrative and arbitrator's fees, attorneys fees and expenses related to the arbitration, including but not limited to expert witness fees and costs recoverable pursuant to Nevada law shall be borne by the party designated by the Arbitrator as the loser; or if neither party is so designated because relief is awarded to both, each party shall bear their own attorneys fees, expenses and costs, and administrative and

arbitrator's fees shall be borne equally.

- 23. Standard of Performance. Garbage shall be collected from residents of the City no less than weekly. Should the Contractor fail to satisfy this requirement for one (1) week, the City may employ the services of another Contractor to fulfill that obligation and the Contractor shall be liable for the cost incurred by the City. Should the Contractor fail to collect the garbage for a period in excess of 30 days, this contract may be terminated by the City, by giving the Contractor written notice thereof and the Contractor shall have no further rights under this Agreement except payment for services previously rendered. Should the City elect to terminate this Agreement for any reason, each party reserves its right to pursue available legal remedies.
- 24. Law to Govern. This Agreement shall be governed by the laws of the State of Nevada both as to interpretation and performance.
- 25. Modification. This Agreement constitutes the entire Agreement and understanding between the parties hereto, and it shall not be considered modified, altered, changed, or amended in any respect unless in writing and signed by the parties hereto. The parties have the right to extend or renew the term of this Agreement by mutual written agreement at any time prior to the termination thereof.
- 26. Point of Contact. All dealings, contracts, etc., between the Contractor and the City shall initially be directed by the Contractor to the City Manager.

- 27. Illegal Provisions. If any provision of this Agreement shall be declared illegal, void, or unenforceable, the other provisions shall not be affected but shall remain in full force and effect.
- 28. Notice. A letter addressed and sent by certified United States mail to either party at its business address shown here above shall be sufficient notice whenever required for any purpose in this Agreement.
- 29. Attorneys Fees. In case of failure to faithfully perform the terms and covenants herein set forth, the defaulting party shall pay all costs, expenses, and reasonable attorneys fees resulting from the enforcement of this Agreement or any right arising out of such breach, including all costs, expenses and reasonable attorneys fees incurred in any bankruptcy proceeding.
- 30. Effective Date. This Agreement shall become effective and the Contractor shall begin collection of solid wastes pursuant to this contract on the <u>1st</u> day of <u>May</u> 1995.

CONTRACTOR'S REPRESENTATIVE

CITY'S REPRESENTATIVE

MESQUITE ADDENDUM 1

Addendum to City of Mesquite Solid Waste Collection Agreement Dated April 26, 1995

This addendum entered into this first day of July, 1996, by and between the City of Mesquite, hereinafter referred to as City, and Virgin Valley Disposal, Inc., hereinafter referred to as Contractor,

WITNESSETH:

WHEREAS, the City and the Contractor entered into a Solid Waste Collection Agreement dated April 26, 1995; and

WHEREAS, the parties acknowledge that each party has complied with said Agreement; and

WHEREAS, the parties recognize the need to supplement said Agreement;

THEREFORE, the parties mutually agree that the following Sections replace the corresponding Sections in the April 26, 1995 Agreement.

1. Service. All residences and commercial users within the jurisdiction of the City, located on streets, roads or thoroughfares approved by the City, County, State or Federal government, shall be provided minimum service under this Agreement. For the purposes of this Agreement, apartments shall be classified commercial. Multi family dwellings will be served by the ninety (90) gallon container automated system at the discretion of the Contractor with the concurrence of the Sanitation Director. Appeal of such administrative decisions may be made to the City Council whose decision will be final and binding upon the parties in dispute. Individuals living in multi family dwellings served by the ninety (90) gallon container automated system have the same rights to dump at the landfill as those living in single family residences in the City of Mesquite.

- 9. Disposal. All putrescent solid waste intended for disposal at the landfill shall be hauled by the Contractor, except that Commercial generators and multiple dwellings not served by the ninety (90) gallon container automated system may haul their own solid waste as permitted by applicable Mesquite Garbage Ordinances. The contractor shall abide by all rules, regulations, City Ordinances, State and Federal regulations relating to the use and maintenance of the landfill. The parties acknowledge that future enactment of City, State or Federal laws relating to the handling and disposal of solid waste or future court decisions that interpret present laws may have a substantial affect on the cost of services rendered by the Contractor to the City and may require adjustments of fees charged or services provided by the Contractor. Should any of the foregoing contingencies occur the Contractor may seek modification of fee structure and if agreement cannot be reached by the parties within forty-five (45) calendar days following receipt by the City of written notice of the request for modification, the Contractor may elect to terminate this Agreement by giving thirty (30) days additional written notice.
- A. The present monthly rate for single family residences and multiple dwellings participating in the ninety (90) gallon automated system is ten dollars (\$10.00) per month for the first container. Contractor shall be entitled to seven dollars and forty-five cents (\$7.45) of this amount. The City shall be entitled to the remainder, which includes a 10% franchise fee. If a resident requests any additional containers, the present monthly residential rate for each of those containers is six dollars and twenty-five cents (\$6.25) per month. The Contractor shall be entitled to four dollars and thirty-five cents (\$4.35) of this amount. The City shall be entitled to the remainder, which includes a 10% franchise fee. The above rates do not include the can rental fee of \$1.25 per month. (The percentage VV Disposal would receive is 74.5% of the first container charge and 69.6% for each additional container.)

The present rate the Contractor charges persons living outside of the City of Mesquite in residences, and who participate in the ninety (90) gallon automated system, is fifteen dollars (\$15.00) per container per month. The Contractor shall be entitled to ten dollars

(\$10.00); the City shall be entitled to the remainder. There shall be no franchise fee for refuse originating outside of the City of Mesquite.

- B. Commercial Users and Multiple Dwellings Not Served by the Ninety (90) Gallon Container Automated System. Due to the varying needs and requirements of commercial generators and multiple dwellings not served by the ninety (90) gallon container automated system, charges shall be negotiated between the Contractor and the Commercial generator or property owner. If agreement cannot be reached, service charges shall be set by the City Council whose decision shall be final and binding upon the parties in dispute.
- C. Container. The Contractor shall provide garbage containers of sufficient capacity for the use of all Commercial generators, multiple dwellings not served by the ninety (90) gallon container automated system and for all persons living outside of the City of Mesquite who retain the Contractor to serve their respective disposal needs. At a charge established by the Contractor, approved garbage containers will be repaired or replaced during the term of this Agreement by the Contractor, provided such containers have been used exclusively for their intended purpose. In cases where Containers have been lost, damaged, destroyed by reason of misuse or use for which they are clearly not intended, the Contractor may seek reimbursement directly from the user and may pursue its rights through appropriate judicial proceedings. However, in no event, may the Contractor refuse to provide service to residential generators served by the ninety (90) gallon container automated system. The contractor may refuse service to Commercial generators and multiple dwellings not served by the ninety (90) gallon container automated system if a claim for reimbursement is in dispute, or if a charge for services is in dispute.

All persons using the Contractor's services must provide adequate space for containers and accessibility to collection trucks in accordance with the applicable Mesquite Garbage Ordinance or the Contractor's requirements. The Contractor may refuse service to such persons who do not provide adequate space for containers or accessibility to them by

collection trucks. If agreement cannot be reached, the Sanitation Director shall make the determination and if either the property owner or the Contractor is dissatisfied, the matter may be appealed to the City Council whose decision shall be final and binding upon the parties in dispute.

Fees for dumping at the City Landfill site shall be collected by the Contractor at the rate established by the City. This rate will be set by City Ordinance, but shall be waived for those persons living within or outside the City of Mesquite in single family residences or in multiple dwellings served by the ninety (90) gallon container automated system, if identification showing the container number and/or valid driver's license is shown to the landfill operator. The parties acknowledge that the Garbage Ordinance has been amended to provide for a higher dump fee for refuse generated outside of the City of Mesquite, and that further adjustment may be needed. For refuse generated outside the City of Mesquite, the City is entitled to 100% of any increase over the present dump fee as provided by the Garbage Ordinances, payable to the City, within thirty (30) days of the end of the previous month.

For refuse originating in the city, the Contractor will pay 10% of the gross amount collected at the landfill as a franchise fee.

The Contractor will pay the City at the same rate for compacted garbage as paid for uncompacted garbage from collections at the landfill.

The City will be paid 100% of penalty fees collected at the landfill for uncovered loads or those not properly secured to prevent litter as required by City ordinance.

There shall be no franchise fee for refuse generated outside of the City of Mesquite.

The City landfill shall be open to the public and manned at the Contractor's expense

from 8:00 a.m. to 4:00 p.m. on Monday through Saturday, but shall not be open on the following days: New Years Day, President's Day, Independence Day (July 4), Veterans Day, Thanksgiving Day, the Day after Thanksgiving and Christmas Day. Each Wednesday, from April 1st through September 30, the landfill will be open from 10:00 a.m. to 6:00 p.m. The Contractor shall be responsible for the operation of the landfill site, but the City shall be responsible for the closure of the site, monitoring wells, or other post closure expense. The City shall provide treated wastewater for use in maintaining the landfill.

- 11. City Dumping Fee. The City shall pay the contractor two dollars (\$2.00) per cubic yard for all garbage, rubbish, etc. the City hauls and dumps at the landfill. The City shall pay the Contractor three dollars (\$3.00) per cubic yard for all garbage, rubbish, etc. that the City retains the Contractor to haul and dump at the landfill.
- 14. Compensation. Upon timely and proper invoicing, the City shall pay the Contractor quarterly, within thirty (30) days of the close of each quarter. The fees paid to the Contractor shall include monies received from all refuse that originates within the City from persons living within the City of Mesquite in single family residences or in multiple dwellings served by the ninety (90) gallon container automated system.

AGREED TO THIS 12 DAY OF Jun, 1996.

CONTRACTOR REPRESENTATIVE

CITY REPRESENTATIVE

ORIGINAL

ADDENDUM TO SOLID WASTE COLLECTION AGREEMENT

This Addendum ("the Second Addendum") is entered into this by and between the City of
Mesquite ("City") and Virgin Valley Disposal, Inc. ("Contractor"), hereinafter referred to as the
Parties and is legally effective when signed by the Parties below.

Witnesseth:

WHEREAS, the Parties entered into an agreement entitled: "CITY OF MESQUITE SOLII
WASTE COLLECTION AGREEMENT" ("the Agreement") on April 26, 1995; and

WHEREAS, the Parties entered into an agreement entitled: "Addendum to City of Mesquite Solid Waste Collection Agreement" ("the First Addendum") on July 1, 1996; and

WHEREAS, the Parties acknowledge that each party has fully complied with all of the terms and conditions of the Agreement and the First Addendum; and

WHEREAS, the City of Mesquite is required by law to consider implementing recycling programs for certain disposable solid waste; and

WHEREAS, the Mesquite City Council has amended the Mesquite Municipal Code to permit an amendment of the Agreement in order to enable Contractor to assist the City of Mesquite with the implementation and maintenance of a solid waste recycling program; and

WHEREAS, the City has requested Contractor to consider the establishment of a recycling program which would be available to all account holders in the service area; and

WHEREAS, it is understood by the Parties that the establishment and maintenance of a recycling program will of necessity cause the Contractor to incur additional expenses for equipment, supplies and services beyond those which are required to be borne by Contractor pursuant to the Agreement and the First Addendum; and

WHEREAS, the goal of the City Council of Mesquite is to establish and maintain a recycling program in the City of Mesquite with the least financial impact as possible on the residents of Mesquite and all account holders in the service area; and

WHEREAS, in order for Contractor to incur the expense of implementing and maintaining a community recycling program it is necessary to extend the term of the Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and the following terms and conditions, the Parties agree as follows:

- 1. Reaffirmation of Agreement and First Addendum. The Parties hereby reaffirm all of the terms and conditions of the Agreement dated April 26, 1995 and the Addendum dated July 1, 1996 to the extent that they do not conflict with the terms and conditions of this agreement. In the event of a conflict between language in this agreement and a conflicting provision in the Agreement or the First Addendum, the language in this agreement will prevail.
- 2. Purpose of Second Addendum. The purpose of this Addendum ("the Second Addendum") is to obtain the services of Contractor to implement and maintain a solid waste recycling program in the City of Mesquite. It is understood by the Parties that in order to absorb the costs involved with the implementation and maintenance of such a program, it is necessary to extend the term of Contractor's Agreement with the City. It is understood by the Parties that any account holder within the service area may transport his or her own solid waste to the Mesquite Landfill as currently permitted pursuant to the Mesquite Municipal Code. Additionally, any account holder within the service area may transport his or her own recyclable materials to either a City of Mesquite recycling center or the Mesquite Landfill so long as solid waste is separated from recyclable materials at the source before transporting the same to the Mesquite Landfill or a City recycling center. As is currently required for account holder taking his or her own solid waste to the Mesquite Landfill, any account holder within the service area transporting recyclable materials to the Mesquite Landfill or a City of Mesquite recycling center will be required to identify the exact source and location from which the recyclable materials have been hauled. It is also understood by the Parties that as with solid waste, the right of an account holder to transport recyclable materials to a City landfill or recycling center is only the right of the specific account holder for the account property in question.
- 3. Right and Obligation of Contractor to Dispose of Solid Waste and Recycled Materials. It is understood by the Parties that once solid waste and recyclable materials are placed in containers or bins for collection or at curbside they become the property of the City of Mesquite

23

24

25

26

and they may be only thereafter be disposed of by Contractor and that Contractor by this Agreement has the right and obligation to recycle, compose, dispose of and otherwise use such solid waste or recyclable material in any lawful fashion or for any lawful purpose desired by Contractor. Any income derived by Contractor for the disposal of recycled materials will be retained by Contractor to defray the expenses incurred by Contractor for the implementation and maintenance of a solid waste recycling program.

4. Right of First Refusal. Contractor shall have the right of first refusal to provide any other exclusive services concerning solid waste, recyclable material or any other classification of waste or recyclable/reusable materials not included by the terms of the Agreement, the First Addendum or this Second Addendum. Any request by the City of Mesquite that Contractor perform services in addition to those required of Contractor by the Agreement or this Addendum shall be made subject to the terms of the Agreement, the First Addendum, this Second Addendum shall be Mesquite Municipal Code. Also, any agreement by the Parties that Contractor provide additional services will based on an agreement by the Parties to the amount of fair and adequate additional compensation for such additional services.

Contractor bearing the responsibility of implementing and maintaining a solid waste recycling program, the term of the Agreement should be extended. When signed by the Parties, Paragraph 2 of the Agreement is amended and the Agreement will begin a new term of twenty (20) years, with an option to renew for an additional twenty (20) years.

5. Extension of Term of the Agreement. The Parties agree that in consideration for the

6. Incorporation of Other Ordinances. When signed by the Parties, Paragraph 5 of the Agreement is amended by this Second Addendum. The City's Garbage Collection Ordinance, the

hereby incorporated in this Second Addendum and the Agreement by reference.

7. Compacted Garbage Rate. The Contractor will pay the City a rate of 3:1 ratio for

City's Recycling Ordinance and all other relevant provisions of the Mesquite Municipal Code are

compacted garbage as paid for garbage that is not compacted from collections at the landfill.

8. Hours and Days of Operation of Mesquite Landfill. The Mesquite Landfill shall be

ORIGINAL

ADDENDUM TO SOLID WASTE COLLECTION AGREEMENT

This Addendum ("the Third Addendum") is entered into this by and between the City of Mesquite ("City") and Virgin Valley Disposal, Inc. ("Contractor"), hereinafter referred to as the Parties and is legally effective when signed by the Parties below.

Witnesseth:

WHEREAS, the Parties entered into an agreement entitled: "CITY OF MESQUITE SOLID WASTE COLLECTION AGREEMENT" ("the Agreement") on April 26, 1995; and WHEREAS, the Parties entered into an agreement entitled: "Addendum to City of Mesquite Solid Waste Collection Agreement" ("the First Addendum") on July 1, 1996; and WHEREAS, the Parties entered into an agreement entitled: "Addendum to City of Mesquite Solid Waste Collection Agreement" ("the Second Addendum") on June 14, 2001; and WHEREAS, the Parties acknowledge that each party has fully complied with all of the terms and conditions of the Agreement, the First Addendum and the Second Addendum; and

WHEREAS, the City of Mesquite and Contractor mutually desire to make modifications to the collection and fee relating to the Landfill Station "Dump Fee," referred to in the Agreement and the First Addendum.

NOW, THEREFORE, in consideration of the foregoing premises and the following terms and conditions, the Parties agree as follows:

1. Reaffirmation of Agreement, First Addendum and Second Addendum. The

Parties hereby reaffirm all of the terms and conditions of the Agreement dated April
26, 1995, the First Addendum dated July 1, 1996 and the Second Addendum dated

June 14, 2001 to the extent that they do not conflict with the terms and conditions of
this Addendum ("the Third Addendum"). In the event of a conflict between language

- in this agreement and a conflicting provision in the Agreement, the First Addendum or the Second Addendum, the language in this Addendum will prevail.
- 2. Purpose of Third Addendum. The purpose of this Addendum is to modify the collection and fee of the Landfill Station "Dump Fee."
- 3. Landfill Station. The Parties agree that Section 10 of the First Addendum shall be amended as follows:
- 10. Landfill Station. Collection of Refuse Outside of the City Limits of Mesquite. Fees for dumping at the City Landfill site shall be collected by the Contractor at the rate established by the City. This rate will be set by City Resolution, but shall be waived for those persons living within or outside the City of Mesquite in single family residences or in multiple dwellings served by the ninety (90) gallon container automated system, if identification showing the container number and/or valid driver's license is shown to the landfill operator. The parties acknowledge that the Garbage Ordinance has been amended to provide for a higher dump fee for refuse generated outside of the City of Mesquite, and that further adjustment may be needed. For refuse generated outside the City of Mesquite, the Contractor will pay City two-dollars and seventy-seven cents (\$2.77) per cubic yard, City is entitled to 100% of any increase over the present dump fee as provided by the Garbage Ordinances, payable to the City, within thirty (30) days of the end of the previous month. Included in this payment is the franchise fee charged by the City.

For refuse originating in the City, the Contractor will pay City 10% of the gross amount ninety-five cents (\$0.95) per cubic yard collected at the Landfill as a franchise fee, payable to the City within thirty (30) days of the end of the previous month. Included in this payment is the franchise fee charged by the City. The Mesquite City Council may modify this amount from time to time by Resolution.

The Contractor will pay the City a rate of 3:1 ratio for compacted garbage as paid for uncompacted garbage from collections at the landfill. The City will be paid 100% of penalty fees collected at the landfill for

uncovered loads or those not properly secured to prevent litter as required by City ordinance There shall be no franchise fee for refuse generated outside of the City of Mesquite.

IN WITNESS WHEREOF, the Parties have affixed their signatures and the dates of their signatures below:

WARNING: THIS POWER OF ATTORNEY IS INVALID WITHOUT THE RED BORDER

This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of Farmington Casualty Company, Fidelity and Guaranty Insurance Company, Fidelity and Guaranty Insurance Underwriters, Inc., Seaboard Surety Company, St. Paul Fire and Marine Insurance Company, St. Paul Guardian Insurance Company, St. Paul Mercury Insurance Company, Travelers Casualty and Surety Company, Travelers Casualty and Surety Company of America, and United States Fidelity and Guaranty Company, which resolutions are now in full force and effect, reading as follows:

RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors at any time may remove any such appointee and revoke the power given him or her; and it is

FURTHER RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary; and it is

FURTHER RESOLVED, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority; and it is

FURTHER RESOLVED, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Assistant Vice President, any Secretary, and Assistant Secretary, and the seal of the Company may be affixed by facsimile to any power of attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such power of attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, Kori M. Johanson, the undersigned, Assistant Secretary, of Farmington Casualty Company, Fidelity and Guaranty Insurance Company, Fidelity and Guaranty Insurance Underwriters, Inc., Seaboard Surety Company, St. Paul Fire and Marine Insurance Company, St. Paul Guardian Insurance Company, St. Paul Mercury Insurance Company, Travelers Casualty and Surety Company and Surety Company of America, and United States Fidelity and Guaranty Company do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this Hu day of Lebuce

Bob,

According to Section XII of the our franchise agreement, "The Contractor shall at all times keep on file with the City Clerk of the City of North Las Vegas a surety bond, or cash, or its equivalent, in the amount of Twenty-Five Thousand Dollars (\$25,000.00), to be in a form acceptable to the City Clerk to insure the collection of solid waste and its disposal...".

The City Clerk's office received the attached letter from Frontier Insurance Company indicating the bond (No. 81815) has been replaced. The problem is that the Clerk's office has not yet received said replacement bond.

Would it be possible for you to look into this for me so that we can ensure that there is no lapse in your bond?

Fwd: Re: Silver State Disposal, Inc.

Barbara,

I'm finally getting around to emailing Republic Services on this bond issue. However, I wanted to check with you one last time to find out if you have received the 'replacement bond'.

Please advise...thanks!

S.

>>> Barbara Andolina 2/11/2009 10:54 AM >>>

The letter does imply that the bond was replaced, but I have not seen anything come through on my desk. So at this point we only have the Bond No. 81815.

>>> Sonya Goetz 2/11/2009 10:19 am >>>

Barbara,

One more question. The letter indicates that bond number 81815 was replaced. Is this true? And if so, was the bond issued in the proper amount and by whom??

Please advise at your convenience. I think it would be better for me to have this information before I contact Republic Services.

Thanks again!

S

Sonya,

Please see attached notice from Frontier Insurance advising that Bond No. 81815 (\$25,000) will be closing their bond. I'm not sure what to do with this. We will of course file the original letter if the Franchise agreement, but I wanted you to see. The attached file contains the Letter we received and I made a copy of the Bond that was in our files.

Please advise if anything additional needs to happen on this.

Thanks, Barbara

INSURANCE COMPANY OF NEW YORK

MONTICELLO, NEW YORK (A Stock Company)

KNOW ALL MEN BY THESE PRESENTS:

That SILVER STATE DISPOSAL SERVICE, INC.

(hereinafter called Principal), as Principal, and the FRONTIER INSURANCE COMPANY OF NEW YORK, a corporation of the State of New York, with its Executive Office in Monticello, New York, (hereinafter called Surety), as Surety, are held and firmly bound unto CITY OF NORTH LAS VEGAS, NEVADA

(hereinafter called Obligee), in the full and just sum

of TWENTY-FIVE THOUSAND AND NO/100------- Dollars (\$ 25,000.00-------

To the payment of which sum, well and truly to be made, the Principal and Surety bind themselves, their and each of their heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

Signed, sealed and dated this 28TH

JUNE

, 19 95 .

WHEREAS, the Principal has entered into a certain written contract, dated the

day of

JUNE

. A.D. 19 95 , with the Obligee for

NOW, THEREFORE, THE CONDITION OF THIS OBLIGATION IS SUCH, That, if the Principal shall indemnify the Obligee against any and all loss or damage directly arising by reason of the failure of the Principal to faithfully perform said contract, then this obligation shall be void; otherwise to remain in full force and effect.

This bond is executed and accepted upon the following express conditions precedent

- 1. That the Obligee shall laithfully and punctually perform all the terms and conditions of said contract to be performed by the Obligee.
- 2. That if the Principal shall abandon said contract or be lawfully compelled by reason of a default to cease operations thereunder, the Surety shall have the right at its option to complete said contract or to sublet the completion thereof.
- 3. That the Obligee shall notify the Surety by registered letter, addressed and mailed to it at its Executive Office, of any breach of said contract within a reasonable time after such breach shall have come to the knowledge of the Obligee, or the Architect, or Engineer.
- 4. That the Surety shall not be liable for any provisions of the contract or specifications respecting guarantees of efficiency or wearing qualities, or for maintenance or repairs, nor is the Surety obligated to furnish any other bond covering such provisions of the contract or specifications.
- 5. All suits at law or proceedings in equity to recover on this bond must be instituted within twieve months after the completion of said contract, and in any event within twelve months from the date fixed in said contract for its completion.

Dear Gregory,

In accordance with Section II of the Refuse Removal Agreement between the City of North Las Vegas and Republic Silver State Disposal, Inc. dated April 3, 1996 Republic Silver State Disposal, Inc. is required to give the City notice of its intent to renew the contract for a term of 5 years from April 3, 2006 through April 2, 2011. This letter will serve to notify the City of North Las Vegas that we want to renew the contract for the period April 3, 2006 through April 2, 2011.

We look forward to continuing to provide solid waste collection and recycling services to the residents and businesses of North Las Vegas. We intend to provide the outstanding level of service the City has come to expect from us, a level of service that will continue to make North Las Vegas a great place to live, work and play.

г.					_	т.	
	L B	О		С	٠.	T:	

ACQUISITION OF SILVER STATE DISPOSAL SERVICE, INC. ASSETS BY REPUBLIC INDUSTRIES, INC. AND CORRESPONDING ASSIGNMENT OF CONTRACTS.

REQUESTED BY:

John Moran, Jr., Attorney for and on behalf of Silver State Disposal Service, Inc.

RECOMMENDATION OR RECOMMENDED MOTION:

That the City Council consider the subject transaction, after a presentation by Silver State representatives, and authorize the Mayor to sign appropriate documents pending review by the City Attorney.

FISCAL IMPACT: None on the basis of this action.

STAFF COMMENTS AND BACKGROUND INFORMATION:

By letter of July 30, John Moran, Jr. requested that the subject transaction be placed on the next immediate agenda for consideration and approval.

Representatives of Silver State will make a presentation explaining the transaction and assuring that the current excellent level of service will be maintained and that all contractual responsibilities will continue to be fulfilled.

The City Council will be asked to approve the assignment of Silver State's contract with the City and authorize the Mayor to sign a form to that effect. The form was not available at the time the agenda was prepared. It should, however, be available prior to the City Council meeting.

The City currently has contracts effectively allowing Silver State Disposal Service to provide refuse removal in North Las Vegas through 2018. The current contract expires December 31, 1997. A ten-year contract (effective January 1, 1998) was approved by the City Council at its meeting of June 21, 1995. The latter further provides for two five-year renewal options.

Re: Assignment of Silver State Disposal Service, Inc. ("SSDS") Refuse Removal Contract

Dear Ms. Sevigny:

Enclosed herewith, please find two originals of the aforementioned Assignment for execution by you and Mayor Montondan.

As you will recall, assignment of the Refuse Removal Contract was unanimously approved by the City Council at its August 6 meeting.

Please contact my office after this document has been fully executed, and I will send a runner over immediately for pickup. I will forward one of the originals back to your office after I have obtained the remaining signatures.

Should you have any questions concerning the above, the enclosed, or this matter in general, please do not hesitate to give me a call at 734-5427. On behalf of the Boards of Directors of SSDS and Republic Industries, Inc., I want to extend my sincere thanks to the City Council and staff for their assistance in expediting this matter.

Sincerely,

Robert A. Groesbeck

General Counsel

RE: SILVER STATE DISPOSAL SERVICE, INC. ASSETS
ACQUISITIONS/MERGER REPUBLIC INDUSTRIES, INC.

Dear Linda:

It was a pleasure to have the opportunity to meet with you this date together with Mr. Steve Kalish and Mr. Bob Groesbeck concerning the above mentioned transaction. This exciting development will ensure the continued contractual service to Silver State Disposal Service, Inc.'s customers in all municipalities in the entire area of our agreements. The ability to service our customers is of paramount value and under the agreement entered into with Republic Industries, the current excellent level of commercial and residential service will be maintained and all contractual responsibilities, duties, and obligations will continue to be fulfilled.

As we further discussed, it is essential that this matter be placed before the City Council for approval of the assignment of the franchise agreement without any delay. We would appreciate this matter coming before the Council on its next immediate Council date of August 6, 1997 for consideration. One of the primary reasons for this immediate hearing is not only a continuation and smooth transition of company services and operations, but also necessitated by the acquisition of documents and deadlines contained therein. The agenda item proposed language should include, subject to your approval, the following:

"Silver State Disposal Service, Inc. assignment of contracts/Republic Industries, Inc. acquisition of assets and merger"

Ms. Linda Hinson July 30, 1997 Page 2

On behalf of Silver State Disposal Service, Inc., its Officers, and employees, your cooperation from the City Council is greatly appreciated and accommodating our time schedule and timely placing this on the City's agenda for its August 6th meeting.

Should you have any questions, please do not hesitate to contact me personally, or Mr. Groesbeck and Mr. Kalish as you deem appropriate. I remain,

Very truly yours,

John T. Moran, Jr.

REFUSE REMOVAL AGREEMENT

THIS AGREEMENT, made and entered into this <u>Bil</u> day of <u>Opril</u>, 1996, by and between the City of North Las Vegas, a municipal corporation of the State of Nevada (hereinafter called the "City") and Silver State Disposal Service, Inc., a Nevada corporation (hereinafter called the "Contractor");

WITNESSETH:

WHEREAS, the Contractor is the successor-in-interest to all of the rights of Disposal Transportation, Inc., a Nevada corporation, granted pursuant to that certain Contract entered into between the City and Disposal Transportation, Inc., dated the 4th day of January, 1978, and all of the rights, title and interest of said Disposal Transportation, Inc., having been assigned to the Contractor herein on or about the 15th day of February, 1989; and

WHEREAS, said Contract provided that the term thereof was to commence on the 1st day of January, 1978 and was to continue for a period of ten (10) years, and shall be renewable for two (2) terms of five (5) years upon written notice to the City at least one hundred twenty (120) days prior to the expiration of said period of years; and

WHEREAS, the Contractor duly exercised its option to renew said Contract for said additional five (5) year term by letter to the City dated June 18, 1987; and

WHEREAS, the Contractor duly exercised its option to

renew the Contract for said additional five (5) year term by letter to the City dated June 8, 1992; and

WHEREAS, the City desires to provide adequate, economical and efficient services to the inhabitants of the City relating to the collection and disposal of garbage and other waste to promote the general welfare of those inhabitants; and

WHEREAS, the Contractor has been collecting and disposing of garbage and other waste within the City in an adequate, economical and efficient manner for a considerable number of years; and

WHEREAS, it is the mutual desire of the parties to renew and continue their relationship and therefore promote the general welfare of the inhabitants of the City.

NOW, THEREFORE, for and in consideration of the premises and of the mutual covenants and agreements hereinafter contained, the parties do hereby agree as follows:

I.

The Contractor shall collect and dispose of garbage, rubbish, dirt and small dead animals and other refuse from residences, multiple dwellings with or without kitchen facilities, places of business and public buildings within the corporate boundaries of the City.

II.

This Agreement shall commence as of the Brd day of prid , 1996, and shall continue for a period of ten (10)

years, and shall be renewable for two (2) terms of five (5) years each at the option of the Contractor upon the same terms and conditions described herein, provided (1) the Contractor is not then in breach of this Agreement, and (2) provided the Contractor gives notice of such election to the City in writing at least four months, but not more than nine months, prior to the expiration of this Agreement. This Agreement may be canceled by the Contractor with one hundred eighty (180) days' written notice to the City.

III.

Garbage collections from places of business and public buildings shall be made daily except Sunday, or daily including Sunday, or bi-weekly, according to the service ordered and paid for by each place of business or public building; garbage collection from residences and multiple dwellings shall be made twice each week.

IV.

at the Apex Regional Landfill presently in operation in Clark County, Nevada, or at whatever landfill site may be furnished by or to the Contractor (provided that any such alternate dump ground must be approved by the City) and the route to be travelled to and from the landfill site shall be subject to approval of the City Council. The Contractor agrees to maintain the said landfill in accordance with all appropriate rules, regulations or ordinances of

the City, the County of Clark, and the Clark County District Board of Health. The Contractor further agrees to dispose of wet garbage, and to accept sole responsibility for the same and hold the City harmless from all claims, demands or otherwise.

v.

The Contractor shall have the exclusive right and agrees to make solid waste collections and provide services at the service levels and rates for the solid waste service areas herein delineated and as specified within this Agreement and subject to the provisions in Resolution No. 1724 of the City dated March 16, 1994 and amendments thereto. All solid waste so collected shall be hauled to authorized transfer stations, landfills, recycling facilities, or such other facilities which may be authorized by the City Council and agreed to by the Contractor. The routes requested by the Contractor to be travelled within the city limits of the City to and from transfer stations and landfills or other authorized facilities shall be subject to agreement by the Contractor and approval by the City.

VI.

The Contractor shall have the right to and agrees to make available within the areas specified within this Agreement an exclusive environmental Curbside Recycling Collection Program and an exclusive Household Hazardous Waste Collection Program for its residential customers. Under these programs:

- a. The Contractor shall make collections of recyclable materials from residences bi-weekly on regularly scheduled solid waste pickup days as designated by the Contractor. Curbside recycling collections shall be not less than two weeks apart. Recyclable materials collected shall include but not be limited to tin and aluminum cans, newspapers and magazines, glass and plastic bottles, cardboard (if broken down and stacked) and used or waste motor oil in containers provided by the customers, that do not leak and are not more than one (1) gallon capacity. Additional recyclable materials may be accepted at future dates. Recyclable materials collected under curbside recycling program provisions of this Agreement shall not be deposited in any landfill or other disposal site without specific approval of the City.
- b. All recyclable material so collected shall be hauled to the Contractor's Recycling Center. In addition, selected loads of commercial solid waste may be transported in collection trucks to the Contractor's Recycling Center, at the Contractor's discretion. The recyclable materials shall then be separated and the remaining refuse shall then be hauled to a solid waste transfer station or the Apex Landfill, or such other facilities as may be requested by the Contractor and approved by the City Council for disposition. The routes to be travelled within the City between the Contractor's Recycling Center, Transfer Stations, and the disposal site or sites shall be subject to agreement by the

Contractor and approval by the City.

The Contractor shall provide for and have the exclusive right for collection of household hazardous waste from residents. Collection shall be offered at least four (4) times per year for one (1) day during the second week of January, April, September, and November. Household hazardous waste that shall be accepted, up to five (5) gallons or forty (40) pounds per household per period, shall include paints, varnishes, stains, thinners, household cleaners, furniture or metal polishes, liquid automotive products, pesticides, pool chemicals, photographic chemicals, art and hobby supplies, adhesives, batteries, and used or waste motor oil or other acceptable household hazardous waste. Waste that shall not be accepted includes radioactive materials, explosives, water reactives, compressed gases, business or commercial waste, infectious waste, unlabeled/unknown materials, or other materials or products as may, due to safety, health, or similar concerns, be designated by governmental authority and agreed to by the Contractor as unacceptable household hazardous waste items. The Contractor shall accept household hazardous waste materials at collection locations established by the Contractor, and shall inform customers of the dates, times and locations of pickups either by mail or by announcements in the local media.

. . .

VII.

The Contractor shall maintain and operate its Silver State Recycles Nevada recycling facility in the City for the duration of this Agreement unless the facility shall be closed by an act of God, or other unforeseen act or condition necessitating closure beyond the control of Contractor.

VIII.

The Contractor shall have the exclusive right to collect garbage during the period this Agreement is in force; except in instances whereby under the provisions of this Agreement, the Contractor is not required to make any collections. The Contractor acknowledges that he has read all the ordinances and amendments thereto of the City pertaining to the method of collecting garbage, and the rates charged therefor, and agrees to abide by such ordinances.

IX.

The Contractor shall cause to be performed an annual financial audit in accordance with generally accepted auditing standards as of and for the year ended September 30 to be conducted by a licensed Certified Public Accountant selected by the Contractor. Such audit shall contain financial statements and note disclosures in conformity with generally accepted accounting principles. In conjunction with this audit, the auditor shall perform agreed-upon-procedures to attest to (1) the accuracy of the

rate calculation as shown in Attachment "A" and (2) the accuracy of performance indicators shown in Attachment "B." Contractor records pertaining to the aforementioned Attachments shall, at the option and expense of the City, be subject to review by City personnel qualified in audit techniques and procedures. The financial audit and related agreed-upon-procedure reports shall be filed with the Director of Business License within the second quarter of the Contractor's fiscal year.

х.

The Contractor shall pay as a fee to the City five percent (5%) of the gross receipts derived from the collection of garbage. Gross receipts mean cash collections on customer accounts less cash refunds. This payment shall be made to the City on a monthly basis.

XI.

The City agrees to render, on behalf of the Contractor, all billings for garbage service to the customers of the Contractor and to make all collections on account derived from said billings, reporting the aforementioned data to the Contractor, accompanied by a draft equal in amount to the cash collected during each month. The financial report and draft shall be submitted to the Contractor no later than the 15th day of the month following the reportable month. The Contractor shall pay to the City an administrative billing and collection fee based upon five (5%) percent of the

gross monthly collections of all the rates, fees and charges derived from the exercise of the privilege of collecting garbage, payable monthly.

XII.

The Contractor shall at all times keep on file with the City Clerk of the City of North Las Vegas a surety bond, or cash, or its equivalent, in the amount of Twenty-Five Thousand Dollars (\$25,000.00), to be in a form acceptable to the City Clerk to insure the collection of solid waste and its disposal as specified herein. Such bond shall be conditioned upon the faithful performance of this Agreement and compliance with all applicable ordinances and laws of the City of North Las Vegas and the State of Nevada, and regulations of the Clark County Health District.

a. In the event of a breach, for the time hereinafter specified, said bond or cash shall be forfeited. In order that the public health and safety shall not be endangered thereby, the Contractor agrees that after a hearing and determination thereof by the City Council if there is clear and convincing evidence that a breach has occurred, the City shall have the right to immediately take over the collection of all solid waste and to take possession of such private land and equipment owned or

leased by the Contractor, and used by it in the performance of solid waste collection pursuant to this Agreement, only to the extent that it may be necessary for the City to temporarily provide such collection of solid waste. This possession by the City shall be limited to a period not to exceed three (3) months, and during said period, the City shall pay to the Contractor the reasonable rental value of similar private land and equipment.

b. Should a breach of this Agreement result from an act of God, a public enemy, or similar cause beyond the Contractor's control determined by a hearing by the City Council, the City shall have the right during such period to take over the collection of solid waste and equipment owned or leased by the Contractor, and used by it in the performance this Agreement. The City shall reimbursed therefor by the Contractor on a cost basis during the period of time that said solid waste collections are made by the City. Such reimbursement shall not exceed one hundred twenty-five percent (125%) of the

Contractor's costs for a like period of time immediately preceding said breach, such like period of time to be based upon the entire period said breach shall continue, notwithstanding the fact that such collections by the City may not have commenced immediately upon the occurrence of said breach.

- c. In the event the City shall take over the collection of solid waste, as in this paragraph provided, the Contractor agrees to manage the office, including the preparation and mailing of bills and the collection of accounts receivable, with its administrative personnel and shall cooperate fully with City in facilitating the collection of solid waste.
- d. Waiver of any breach by the City shall not constitute a waiver of any subsequent breach, either of the same or any other provisions herein.

XIII.

The Contractor agrees to file with the City Clerk and to keep in force during the initial or extended term hereof, public liability insurance covering the City and the Contractor in the amount of \$1,000,000.00 per occurrence and \$1,000,000.00 annual

aggregate for the death or injury of one or more persons, and property damage insurance to the extent of \$25,000.00 upon each of the trucks or other vehicles used by the Contractor in carrying out the provisions of this Agreement. The City shall be made an additional insured on all of such policies of insurance relevant to this Agreement procured by the Contractor.

XIV.

The Contractor shall furnish and maintain in full force and effect during the term of this Agreement, or any extension hereof, full compensation insurance in accordance with the Nevada Industrial Insurance Act and/or other State laws, as the same may from time to time be amended.

XV.

The Contractor shall appear in and defend all actions against the City arising out of the privileges conferred by this Agreement; and the Contractor shall, and hereby does, indemnify and save the City harmless of and from all claims, demands, actions or causes of action, of every kind and description arising out of or in anyway connected with the exercise of the privileges conferred hereby.

XVI.

The Contractor shall maintain an office conveniently located and furnished with a listed telephone, and shall keep that office open during usual business hours with an accredited

representative of the Contractor, who shall have authority to represent and bind the Contractor in its relations with the City, and with the patrons of the Contractor.

XVII.

The right or privilege authorized by this Agreement is not assignable, either voluntarily or by operation of law, without the consent of the City Council. In the event the Contractor becomes insolvent or bankrupt, then the rights or privileges authorized hereby shall be immediately canceled and annulled and the City shall have the right to take over the Contractor's business or substitute another Contractor in its place and stead in the manner provided by law.

XVIII.

The Contractor shall use enclosed trucks for the purpose of making garbage pickups in residential areas. The Contractor shall be permitted to use flat trucks for the collection of brush and other similar forms of garbage and for using exchange cans for the pickup of wet garbage.

All flat trucks loaded with garbage or refuse shall, except when moving along a collection route in the course of collection, be covered with wire netting or tarpaulin. Any material that falls or spills onto city streets or alleys, either during the loading of the trucks or from the trucks during transit shall be immediately picked up. All collections shall be made as

quietly as possible and no unnecessarily noisy trucks or equipment shall be used.

Any truck or other equipment used in collecting garbage shall be thoroughly cleaned by flushing with water, or by equivalent processes, at least once each week and shall be deodorized or disinfected when necessary to maintain such equipment in a sanitary and non-offensive condition.

XIX.

The Contractor hereby states that it has read all the ordinances of the City pertaining to the method of collecting garbage, and the rates charged therefor, and agrees to be bound by the same or any amendments thereto.

XX.

It is further mutually agreed that the City and the Contractor shall have the right to review the collection rates as contained in Resolution No. 1724 and amendments thereto not more frequently than once each year during the first quarter of each calendar year, at which time the City Council shall determine whether an increase or decrease in rates charged to customers should be made.

The following methodology will be used in determining proposed rate changes commencing with the year ending September 30, 1996.

a. The Contractor's income and expense accounts

shall be allocated between (1) those amounts attributable to the exercise and performance ofthis exclusive solid waste disposal contract by and between the Contractor and the City and other exclusive municipal solid waste disposal (2) those contracts and not attributable to this and the other municipal Such income and expense accounts contracts. shall be known as contract and non-contract.

- b. The income and expense allocations shall be made in accordance with the following guidelines:
 - 1) Nellis Air Force Base Revenue and
 Incentive Store Revenue will be
 considered as non-contract revenue.
 - Avenue, for contract purposes, will be calculated at fair rental value as determined by the Contractor and verified by the City to be reasonable. Such rental will be for actual square footage utilized and will be adjusted annually for current rental rates. The balance of costs will be allocated to non-contract

revenues.

- The computation for allocation of Nellis
 Air Force Base Costs will be based upon
 hours of operation of disposal trucks and
 personnel on a cost-per-hour basis.
- Disposal personnel costs and operating costs, as well as Cheyenne vehicle maintenance costs, recycling costs, and hazardous waste removal costs are to be allocated on the relationship of Nellis Air Force Base's revenue to total disposal service revenues.
- Administrative Expenses (as defined in 5) Attachment "A") are allocated on the ratio of contract revenue and total to revenue. contract revenue Administrative Expenses will not exceed 15% of gross contract revenues. Any Expenses Administrative excess reduce the expenses allowable for ratemaking purposes, and actual Administrative Expenses below 12% of gross contract revenues will be added to allowable income as an incentive to the Contractor.

- 6) Federal income taxes will be allocated as to the estimated amount attributable to the non-contract portion of net income, with the balance to be allocated to the contract category. Attachment "A" is an example of the aforementioned allocations and computations for the fiscal year ended September 30, 1995.
- C. Contract net income after taxes and franchise fees paid to the City will be used to determine if the desired rate of return has been realized during the Contractor's most recent fiscal year. Contractor's and City's desired rate of return is 7% of contract revenues after Federal taxes and franchise fees paid to the City. In order to make a determination on the net income as computed in Attachment "A," net income must be adjusted for Administrative Expense excesses or for the Contractor's incentive. The adjusted net income will be compared to 7% of contract revenues and the shortfall, if any, may be requested by the Contractor in addition to amounts required to result in a 7% return,

- provided that the Contractor meets the performance standards to be set forth herein.
- d) Contractor agrees to provide to the City on an annual basis the following supplemental information (Attachment "B"), so that the City may determine the various performance indicators as it deems appropriate in the evaluation of the Contractor as it applies to increases in solid waste disposal rates:
 - 1) Current year budget and actual expenses in prior year (Attachment "A")
 - 2) Number of collection vehicles
 - 3) Number of collection personnel
 - 4) Number of customers
 - 5) Tons of solid waste deposited in the landfill
 - 6) Number of collection man-hours paid
 - 7) Residential and multi-family recycling indicators
 - a. Tons of glass sold
 - b. Tons of paper sold
 - c. Tons of aluminum sold
 - d. Tons of steel/tin cans sold
 - e. Gallons of used motor oil sold

- f. Tons of cardboard sold
- g. Tons of plastic sold
- 8) Landfill facilities
 - a. Number of personnel
 - Schedule of significant equipment used

Performance indicators will be monitored by the City for an initial period of three (3) years. Material negative deviations subsequent to the initial three (3) year period may be considered in determining future rate increases.

- It is further mutually agreed that in the event the general wage scale in the vicinity shall be materially North Las Vegas increased or decreased during the term of this Agreement, by reason of war, inflation, depression or other unavoidable happening, the parties hereto may, upon either party, give thirty (30) days' notice in writing to the other, re-negotiate the rates and service levels as specified in Resolution No. 1724 of the North Las Vegas City Code and amendments thereto to provide for such raising lowering of wages.
- f. In the event the City Council determines,

based upon sound and legitimate business and economic factors, that a requested rate increase should not be made or that the current rates then in existence should be lowered, the Contractor shall have the right to terminate this Agreement upon giving ninety (90) days' written notice to the City Council of its intention to do so. In that event the City Council may purchase or lease the equipment and property then owned and in use by the Contractor in accordance with the terms and conditions contained within this Agreement relating to Contract termination.

g. In the event the City elects to rent said equipment, the period of rental shall be for a period of time mutually agreeable to the parties hereto. In the event the parties cannot agree as to matters in this paragraph contained, then the other provisions of this Agreement shall apply.

XXI.

In the event the City Council determines that the Contractor is in breach of this Agreement with regard to any of the provisions hereof, other than a breach which results from an act of

God, a labor dispute, action of the public enemy or other force majeure, the City Council shall give the Contractor written notice specifying the provisions hereof under which the City Council has determined that a breach exists, and giving the Contractor sixty (60) days within which to correct the breach. In the event the Contractor does not correct the breach within this sixty (60) day period, then the City may terminate the Agreement by giving written notice to the Contractor, and may take possession of the equipment and other property of the Contractor as provided in Paragraph XII hereof, and the bond deposited by the Contractor pursuant to Paragraph XII hereof shall be forfeited.

XXII.

Extension thereof to appear in, and defend, all actions against the City arising out of the privileges conferred by this Agreement, and Contractor agrees to hold the City harmless from all claims, damages or loss from any and all causes exclusively arising under performance of this Agreement for the duration of this Agreement, unless such claims, damages or losses are directly attributable to the negligence or omission of the City or its other agents, servants or employees. The Contractor shall pay all other such losses, damages or claims for which the City may be liable and save the City harmless from any accident or casualty, damages, losses, or claims which may happen or arise in conjunction with the

performance of this Agreement.

XXIII.

The failure of either party to insist upon the strict performance of any of the provisions of this Agreement or the extension thereof, or the failure of either party to exercise any right, option or remedy hereby reserved, shall not be construed as a waiver for the future of any such provision, right, option, or remedy, or as a waiver of any subsequent breach thereof.

XXIV.

Contractor is an independent contractor and not an employee of the City for any purpose.

. VXX

All notices, requests, demands or other communications hereunder shall be in writing, and shall be deemed to have been duly given as if delivered in person, or when received if mailed by certified mail with return receipt requested, or otherwise actually delivered.

Notice to City shall be sent to:

CITY MANAGER City of North Las Vegas 2200 Civic Center Drive North Las Vegas, NV 89030

Notice to Contractor shall be sent to:

SILVER STATE DISPOSAL SERVICE, INC. P.O. Box 98508
Las Vegas, NV 89193-8508

Either party may change the address at which it receives written notice by so notifying the other party in writing.

XXVI.

Should any section or any part of any section of this Agreement be rendered void, invalid or unenforceable by any court of law, for any reason, such a determination shall not render void, invalid or unenforceable any other section or any other part of any section in this Agreement.

XXVII.

This Agreement has been made and entered into in the State of Nevada, and the laws of the State of Nevada shall govern the validity and interpretation of this Agreement and the performance due hereunder.

XXVIII.

The drafting, execution and delivery of this Agreement by the parties have been induced by no representations, statements, warranties or agreements other than those expressed herein. This Agreement embodies the entire understanding of the parties, and there are no further or other agreements or understandings, written or oral, in effect between the parties relating to the subject matter hereof unless expressly referred to herein or expressly incorporated herein by reference thereto.

XXIX.

Should either party bring suit to enforce any of the terms of this Agreement, the prevailing party shall be entitled to recover expenses of suit, including court costs and reasonable attorney's fees.

NORTH LAS VEGAS CITY COUNCIL AGENDA ITEM

Number:

SUBJECT:

REFUSE REMOVAL CONTRACT

REQUESTED BY:

Joseph L. Anstett, President, Silver State Disposal Service. Inc.

RECOMMENDATION OR RECOMMENDED MOTION:

That the City Council approve, and authorize the Mayor to sign, the subject contract thereby extending the agreement with Silver State Disposal Service.

FISCAL IMPACT:

None

STAFF COMMENTS AND BACKGROUND INFORMATION:

By letter of June 7, Silver State Disposal Service requested that the City extend its contract for garbage removal service. The current contract is scheduled to expire on December 31, 1997.

So that Silver State Disposal Service may commit financial reserves and formulate long-range plans for capital acquisitions it needs assurance that it will be providing refuse removal in the future. The proposed contract, to be effective January 1, 1998, would be for a ten year period with two five-year renewal options thus effectively allowing Silver State Disposal Service to provide refuse removal in North Las Vegas through the year 2018.

Contracts currently in effect in other entities expire in the years indicated:

Henderson 2002 Las Vegas 2006 Clark County 2020

The proposed contract continues the present terms and conditions in force.

PREPARED BY: Vytas Vanykus
Vytas Vaitkus Finance Director

CITY MANAGER APPROVAL:

CITY COUNCIL **MEETING DATE:** 6/21/95

REFUSE REMOVAL CONTRACT

THIS CONTRACT, made and entered into this 21st day of June, 1995, by and between the City of North Las Vegas, a municipal corporation of the State of Nevada (hereinafter called the "City") and Silver State Disposal Service, Inc., a Nevada corporation (hereinafter called the "Contractor");

WITNESSETH:

WHEREAS, the Contractor is the successor-in-interest to all of the rights of Disposal Transportation, Inc., a Nevada corporation, granted pursuant to that certain Contract entered into between the City and Disposal Transportation, Inc., dated the 4th day of January, 1978, and all of the rights, title and interest of said Disposal Transportation, Inc., having been assigned to the Contractor herein on or about the 15th day of February, 1989; and

WHEREAS, the Contract provided that the term thereof was to commence on the 1st day of January, 1978 and was to continue for a period of ten (10) years, and shall be renewable for two (2) terms of five (5) years upon written notice to the City at least one hundred twenty (120) days prior to the expiration of said period of years; and

WHEREAS, the Contractor duly exercised its option to renew the Contract for said additional five - (5) year term by letter to the City dated June 18, 1987; and

WHEREAS, the Contractor duly exercised its option to renew the Contract for said additional five - (5) year term by letter to the City dated June 8, 1992;

NOW, THEREFORE, for and in consideration of the premises and mutual covenants and agreements hereinafter contained, the parties hereby agree as follows:

I.

The Contractor agrees to collect all garbage, rubbish, dirt and dead animals (hereinafter collectively called garbage) within the City from the receptacles kept and maintained by the places of business, public buildings, multiple dwellings and residences as provided for in the ordinances and resolutions of the City pertaining to the collection and disposal of garbageor any amendments thereto, and dispose of the same upon the terms and conditions hereinafter stated.

II.

This Contract supersedes and replaces all prior Contracts and assignments and renewals thereof, and shall commence as of July 1, 1995, and continue for a period of ten (10) years, and shall be renewable for two terms of five (5) years, at the option of the Contractor, upon the same terms and conditions, provided the Contractor is not then in default, and provided the Contractor gives notice of such election to the City in writing one hundred twenty (120) days or more prior to the expiration of this Contract.

III.

Collections from places of business and public buildings shall be made daily except Sunday, or daily including Sunday, or bi-weekly, according to the service ordered and paid for by each place of business or public building; collection from residences

shall be made twice each week. The Contractor will pick up heavy and/or bulk articles once per month from single-family residences and multiple units, eight (8) in number or less, and service users shall be notified of the dates of such pick-ups.

IV.

Regional Landfill presently in operation in Clark County, Nevada, or at whatever landfill site may be furnished by or to the Contractor (provided that any such alternate dump ground must be approved by the City) and the route to be travelled to and from the landfill site shall be subject to approval of the City Council. The Contractor agrees to maintain the landfill in accordance with all appropriate rules, regulations or ordinances of the City, the County of Clark, the Clark County District Board of Health and the United States Environmental Protection Agency. The Contractor further agrees to dispose of wet garbage, and to accept sole responsibility for the same and hold the City harmless from all claims, demands or otherwise.

V.

Contractor shall have the exclusive right and agrees to make solid waste collections and provide services at the service levels and rates for the solid waste service areas herein delineated and as specified within this Contract and subject to the provisions in Resolution No. 1724 of the City dated March 16, 1994, and amendments thereto. All solid waste so collected shall be hauled to authorized transfer stations, landfills, recycling

facilities, or such other facilities which may be authorized by the City Council and agreed to by the Contractor. The routes requested by the Contractor to be travelled within the city limits of the City to and from transfer stations and landfills or other authorized facilities shall be subject to agreement by the Contractor and approval by the City.

VI.

The Contractor shall have the right to and agrees to make available within the areas specified within this Contract an exclusive environmental Curbside Recycling Collection Program and an exclusive Household Hazardous Waste Collection Program for its residential customers. Under these programs:

The Contractor shall make collections of recyclable a. materials from residences twice each month on regularly scheduled solid waste pickup days as designated by the Contractor. Curbside recycling collections shall be not less than two weeks apart. Recyclable materials collected shall include but not be limited to tin and aluminum cans, newspapers and magazines, glass and plastic bottles, cardboard (if broken down and stacked) and used or waste motor oil in containers provided by the customers, that do not leak and are not more than one (1) gallon capacity. Additional recyclable materials may be accepted at future dates. Recyclable materials collected under curbside recycling program provisions of this Contract shall not be deposited in any landfill or other disposal site without specific approval of the City.

- b. All recyclable material shall be hauled to the Contractor's Recycling Center. In addition, selected loads of commercial solid waste may be transported in collection trucks to the Contractor's Recycling Center, at Contractor's discretion. The recyclable materials shall then be separated and the remaining refuse shall then be hauled to a solid waste transfer station or the Apex Regional Landfill, or such other facilities as may be requested by the Contractor and approved by the City Council for disposition. The routes to be travelled within the City between the Contractor's Recycling Center, Transfer Stations, and the disposal site or sites shall be subject to agreement by the Contractor and approval by the City.
- The Contractor shall provide for and have the exclusive right for collection of household hazardous waste from residents. Collection shall be offered at least four (4) times per year for one (1) day during the second week of January, April, September, and November. Household hazardous waste that shall be accepted, up to five (5) gallons or forty (40) pounds per household per period, shall include paints, varnishes, stains, thinners, household cleaners, furniture or metal polishes, liquid automotive products, pesticides, pool chemicals, photographic chemicals, art and hobby supplies, adhesives, batteries, and used oil or other acceptable household hazardous waste. Waste that shall not be accepted includes radioactive materials, explosives, water reactives, compressed gases, business orcommercial infectious waste, unlabeled/unknown materials, or other materials

or products as may, due to safety, health, or similar concerns, be designated by governmental authority and agreed to by the Contractor as unacceptable household hazardous waste items. The Contractor shall accept household hazardous waste materials at collection locations established by the Contractor, and shall inform customers of the dates, times and locations of pickups either by mail or by announcements in the local media.

VII.

The Contractor shall maintain and operate its Silver State Recycles Nevada recycling facility in the City for the duration of this Contract unless the facility shall be closed by an act of God, governmental action or other unforeseen act or condition necessitating closure beyond the control of the Contractor.

VIII.

The Contractor shall provide for the payment of a license fee to the City based upon five (5%) percent of the gross monthly collections of all the rates, fees and charges derived from the exercise of the privilege of collecting garbage, payable monthly. The Contractor shall collect, remove and dispose of the garbage in accordance with the provisions hereof, and all the ordinances pertaining thereto during the continuance of this Contract.

TX.

The City agrees to render, on behalf of the Contractor, all billings for garbage service to the customers of the Contractor and to make all collections on account derived from the billings,

reporting the aforementioned data to the Contractor, accompanied by a draft equal in amount to the cash collected during each month. The financial report and draft shall be submitted to the Contractor no later than the 15th day of the month following the reportable month. The Contractor shall pay to the City an administrative billing and collection fee based upon five (5%) percent of the gross monthly collections of all the rates, fees and charges derived from the exercise of the privilege of collecting garbage, payable monthly.

Χ.

The Contractor shall at all times keep on file with the City Clerk a Surety Bond, cash or its equivalent, in the amount of \$25,000.00 to insure the collection of garbage, said bond to be in a form satisfactory to the City Attorney and approved by the City Council, conditioned upon the faithful performance of the Contract and compliance with the provisions of all ordinances of the City of In the event of a breach, for the time North Las Vegas. hereinafter specified, the bond shall be forfeited. In order that the public health and safety shall not be endangered thereby, the Contractor agrees that after a hearing and upon determination thereof, if there is sufficient evidence to believe that a breach of this Contract has occurred, the City shall have the right to immediately take over the collection of all garbage and to take possession of the land and equipment owned by the Contractor and used by it in the performance of this Contract. This possession by shall be limited to a period not exceeding three (3) the City

months, during which period the City shall pay to the Contractor the reasonable rental value of the land and equipment to be taken. Should a breach of this Contract result from an act of God, strike, public enemy or similar causes beyond the control of the Contractor, the City shall have the right during such period to take possession of the land and equipment owned by the Contractor, and use it in the performance of this Contract. The City is to be reimbursed by the Contractor on a cost basis during the period of time that collections are made by the City. However, such reimbursement shall not exceed one hundred twenty-five (125%) percent of Contractor's cost for a like period of time, immediately preceding such breach. Waiver of any breach shall not constitute a waiver of any subsequent breach.

XI.

The Contractor agrees to file with the City Clerk, and to keep in force during the initial or extended terms hereof, public liability insurance covering the City and the Contractor in the amount of \$1,000,000.00 per occurrence and \$1,000,000.00 annual aggregate for the death or injury of one or more persons, and property damage insurance to the extent of \$25,000.00 upon each of the trucks or other vehicles used by the Contractor in carrying out the provisions of this Contract. The City shall be made an additional insured on all such policies of insurance relevant to this Contract procured by the Contractor.

. . .

XII.

The Contractor shall maintain in force and effect during the initial or extended terms hereof, full compensation insurance in accordance with the "Workmen's Compensation Act" of the State of Nevada, as now in force or as the same may be from time to time amended.

XIII.

The Contractor shall appear in and defend all actions against the City arising out of the privileges conferred upon the Contractor by this Contract; and the Contractor shall, and hereby does, indemnify and save the City harmless of and from all claims, demands, actions or causes of action, of every kind and description arising out of or in anyway connected with the exercise of the privileges conferred hereby.

XIV.

The Contractor shall maintain an office conveniently located and furnished with a listed telephone, and shall keep that office open during usual business hours with an accredited representative of the Contractor, who shall have authority to represent and bind the Contractor in its relations with the City, and with the patrons of the Contractor.

XV.

The Contractor shall maintain full and complete accounting records so as to reflect accurately the total income, expenses and profits of the enterprise. The books and all records shall be produced for inspection at any time upon the request of

City Manager or the City Council, ora designated representative of the manager or council.

XVT.

The Contractor shall, during each year of this Contract, make an annual certified audit of the books and records of account of the Contractor and related companies as of the close of business on the 30th day of September of each year, which certified audit shall be delivered to the City Manager not later than the 15th day of March of each year for the previous year. The Certified Public Accountant preparing the annual certified audit shall also express his written opinion as to whether the financial statement contained therein presents fairly and accurately the financial position of the Contractor and the results of its operations in accordance with generally accepted accounting principles applied on a consistent basis.

XVII.

The right or privilege authorized by this Contract is not assignable, either voluntarily or by operation of law, without the consent of the City Council . In the event the Contractor becomes insolvent or bankrupt, then the rights or privileges authorized hereby shall be immediately canceled and annulled and the City shall have the right to take over the Contractor's business or substitute another Contractor in its place and stead in the manner provided by law.

XVIII.

Should the Contractor fail or neglect to make any garbage collection as by this Contract required, within the time herein provided, then the City shall, after twenty-four (24) hours' notice, have the right to make collection and charge the Contractor with the cost thereof.

XIX.

The Contractor shall use enclosed trucks for the purpose of making garbage pickups in residential areas. The Contractor shall be permitted to use flat trucks for the collection of brush and other similar forms of garbage.

All flat trucks loaded garbage or refuse shall, except when moving along a collection route in the course of collection, be covered with wire netting or tarpaulin. Any material that falls or spills onto city streets or alleys from such trucks shall be immediately picked up by the Contractor. All collections shall be made as quietly as possible and no unnecessarily noisy trucks or equipment shall be used.

Any truck or other equipment used in collecting garbage shall be thoroughly cleaned by flushing with water, or by equivalent processes, at least once each week and shall be deodorized or disinfected when necessary to maintain such equipment in a sanitary and non-offensive condition.

XX.

The Contractor hereby states that it has read all the ordinances of the City pertaining to the method of collecting

garbage, and the rates charged therefor, and agrees to be bound by the same or any amendments thereto.

XXI.

It is further mutually agreed that the City and Contractor shall have the right to review the rate structure at intervals of not less than every six (6) months, at which time the Council shall determine whether an increase or decrease in rates charged should be made to allow the Contractor an increased or decreased rate of return.

XXII.

It is further mutually agreed that in the event the general wage scale in the vicinity of the City shall materially increase or decrease during the term of this Contract by reason of war, inflation, depression, or other unavoidable happening, the parties hereto may, upon either party giving thirty (30) days' notice in writing to the other, renegotiate this Contract with respect to rate changes to provide for such raising or lowering of wages.

XXIII.

In the event the City Council determines that the requested rate raises should not be made, or that present rates then in existence should be lowered, the Contractor shall have the right to terminate this Contract upon giving sixty (60) days' written notice to the City Council of its intention to do so, and in that event the City Council shall have the right to purchase the equipment then in use by the Contractor, or in the alternative,

shall have the right to rent the equipment at a price to be determined by the prevailing rental rates for similar equipment in use by Contractor at that time in the City vicinity. In the event the City elects to rent the equipment, the rental shall be for a period of time mutually acceptable to the parties. In the event the parties cannot agree as to matters in this paragraph contained, then the disputed matters shall be arbitrated in accordance with the provisions of the Uniform Arbitration Act of the State of Nevada, being NRS 38.015 et seq., or any amendments thereto.

XXIV.

In the event that the City Council determines that the Contractor is in default under any of the provisions hereof, the City Council shall give the Contractor sixty (60) days' written notice specifying the provisions hereof under which the City Council has determined that the default exists, and give the Contractor sixty (60) days within which to correct any such default. In the event the Contractor does not correct any such default within sixty (60) days as hereinabove in this paragraph provided, then and in such event the City may terminate the Contract on thirty (30) days' written notice to the Contractor and the bond deposited by the Contractor, conformable with the provisions of Paragraph X hereof, shall be forfeited.

. . .

. . .

• • •

IN WITNESS WHEREOF, the parties hereto have caused this Contract to be executed by their duly authorized representatives the day and year first above written.

Mr. Joe Anstett. President Silver State Disposal Service, Incorporated 770 East Sahara Avenue P.O. Box 98508 Las Vegas, Nevada 89193-8508

SUBJECT: REFUSE REMOVAL CONTRACT

Dear Mr. Anstett:

At the June 21, 1995 meeting, the North Las Vegas City Council approved the above noted agreement for refuse removal services for the amended period of July 1, 1995 through June 30, 2015. This agreement supercedes agreements currently in effect. Enclosed are two original agreements that require your signature.

As stipulated in the contract document, a Surety Bond, in the amount of \$25,000 must remain on file in the City Clerk's Office at all times. We are currently holding a Surety Bond in the amount of \$5,000. You may either cancel this bond and substitute a bond in the amount of \$25,000, or supplement the bond with a \$20,000 bond.

You are also required to submit to the City Clerk's Office, and keep in force during the terms of this agreement, liability insurance covering the City in the amount of \$1,000,000 per occurrence; \$1,000,000 annual aggregate. Property damage insurance is required in the minimum amount of \$25,000 for each vehicle used in carrying out the provisions of this contract. The City must be named as an additional insured on general and automobile liability insurance policies.

A current SIIS certificate indicating coverage status is also required to be maintained in the City Clerk's Office at all times during the existence of this contract.

Once all requested documentation including the signed agreements, Surety Bond, insurance and SIIS certificates are received by the City Clerk's Office, a Notice to Proceed will be issued and you will be forwarded a fully executed agreement for your file.

Mr. Joe Anstett June 22, 1995 Page 2

Ms. Millis Bossler Chief Deputy City Clerk City of North Las Vegas 2200 Civic Center Drive North Las Vegas, Nevada 89030-6307

SUBJECT: REFUSE REMOVAL CONTRACT

Dear Ms. Bossler:

Pursuant to your letter dated June 22, 1995, please find enclosed the following documents:

- 1.) Original and copy of the executed Refuse Removal Contract, effective date July 1, 1995.
- 2.) Certificate of Insurance, indicating the City of North Las Vegas as an additional insured with limits at least or exceeding \$1,000,000.00 combined single limit.
- 3.) Performance Bond issued by Frontier Insurance Company of New York in the amount of \$25,000.00.
- 4.) Since July 1, 1989, Silver State Disposal Service, Inc. has been granted by the State of Nevada Insurance Division a Certificate of Authority, pursuant to Nevada revised statutes, 616.291 and 616.293 of the Nevada Administrative Code to operate as a self insured employer. Therefore, we do not possess a SIIS certificate indicating coverage status.

I trust this information is complete and satisfactory to enable the execution by the City of North Las Vegas of the enclosed new Refuse Removal Contract. Please advise the undersigned when our copy of the Contract is available for retention.

Very truly yours

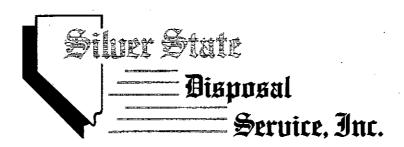

Joseph L. Anstett

June 7, 1995

Ms. Eileen Sevigny Clerk, City of North Las Vegas 2200 Civic Center Drive North Las Vegas, NV 89030

Dear Ms. Sevigny:

Since the late 1950's, Disposal Transportation Inc. and its successor, Silver State Disposal Service, Inc., has provided a program of complete, efficient, and reasonably priced garbage removal and disposal services for the City of North Las Vegas. During this approximate 40 year period, the citizenry of North Las Vegas has been offered the most modern technologies of garbage removal service, utilizing twice a week service, extra-heavy pickup service weekly, mobile toters, containers, and recycling baskets, as well as the implementation of the Household Hazardous Waste Program.

Silver State Disposal Service, Inc. has, during the term of the existing contract, constructed a 4,800 ton capacity transfer station to better provide low cost service to the community, and has more recently made an investment in excess of \$8,000,000 in a materials recycling facility, both located in the City of North Las Vegas, which together provide employment in excess of 1,500 persons and the support of their families.

At the present time, the existing contract for garbage removal service by and between the City of North Las Vegas and Silver State Disposal Service, Inc. is approaching the term of conclusion. In order that we may continue to provide the best possible economic service to the community of North Las Vegas, it is necessary for us to commit financial reserves and formulate long-range plans for capital acquisitions to be utilized within the City. These financial reserves are considerable sums, which must be budgeted and appropriated for the specific purpose of providing superior garbage removal service to an ever-expanding North Las Vegas.

Therefore, based upon the aforementioned reasons and common needs of the City of North Las Vegas and Silver State Disposal Service, Inc., we respectfully request that the North Las Vegas City Council approve a new refuse removal contract with Silver State Disposal Service, Inc., commencing at the expiration of the current existing contract and to run for a term consistent with the present contract.

Respectfully submitted,

Joseph L. Anstett

President

Certified Public Accountants & Business Advisors A Professional Corporation

- Telephone: (702) 384-1120

Fax: (702) 870-2474

March 17, 1997

Mr. Joseph L. Anstett, Chairman/President Silver State Disposal Service, Inc., and Subsidiary 770 E. Sahara Avenue Las Vegas, NV 89104

Dear Mr. Anstett:

In addition to our engagement to audit the consolidated financial statements of Silver State Disposal Service, Inc., and Subsidiary (the Company) as of and for the year ended September 30, 1996 discussed in a separate letter dated December 9, 1996, we are pleased to submit this letter setting forth our understanding of the terms and objectives of our engagement to provide agreed-upon procedure services for the Company.

OUR RESPONSIBILITIES

We will apply agreed-upon procedures, as required by paragraph 18 of the "Franchise Agreement for Collection and Disposal of Solid Waste" between Clark County, Nevada and Silver State Disposal Service, Inc. dated February 6, 1996, (the Agreement) and as listed on the attached schedule. In accordance with the Agreement, these procedures will be applied to the rate calculation and "performance indicators" (as defined in the Agreement) of the Company as of September 30, 1996, and for the year then ended. This engagement is solely to assist the Company, Clark County, Nevada, the City of North Las Vegas, Nevada, and any other parties who have entered into similar agreements with the Company (collectively, the Specified Users) in assessing the accuracy of the rate calculation and of the performance indicators. The rate calculation and performance indicators will be presented as management assertions in accordance with the terms of the Agreement. Our engagement to apply agreed-upon procedures will be performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Specified Users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described in the attached schedule either for the purpose for which this report has been requested or for any other purpose.

Because the agreed-upon procedures listed in the attached schedule do not constitute an audit of any elements, accounts or items of the Company's financial statements, or an examination of any management assertions about performance indicators, we will not express an opinion thereon, or on the accuracy thereof, as a part of this engagement. In addition, we have no obligation to perform any procedures beyond those listed in the attached schedule.

Mr. Joseph L. Anstett, Chairman/President Silver State Disposal Service, Inc., and Subsidiary March 17, 1997 Page 2

OUR RESPONSIBILITIES (CONTINUED)

We will submit a report listing the procedures performed and the results of those procedures. This report is solely for the use of the Specified Users, and should not be used by those who did not agree to the procedures. Our report will contain a paragraph indicating that had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

An illustration of the form of report we expect to be able to issue as a result of applying the agreed-upon procedures follows:

Independent Accountant's Report on Applying Agreed-Upon Procedures

We have audited the consolidated financial statements of Silver State Disposal Service, Inc. and Subsidiary, as of and for the year ended September 30, 1996, and have issued our report thereon dated December 9, 1996. We have also performed the procedures enumerated below, which were agreed to by Silver State Disposal Service, Inc. and Subsidiary, Clark County, Nevada and City of North Las Vegas (the Specified Users) solely to assist you in assessing the accuracy of the rate calculation and of the performance indicators which have been presented as management assertions in accordance with the terms of the "Franchise Agreement for Collection and Disposal of Solid Waste" between Clark County, Nevada and Silver State Disposal Service, Inc. dated February 6, 1996.

This engagement to apply agreed-upon procedures was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Specified Users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

[Paragraphs to enumerate procedures and findings]

We were not engaged to, and did not, perform an audit or examination, the objective of which would be the expression of an opinion on the specified elements, accounts, or items, or other management assertions about performance indicators, as set forth in the accompanying schedules. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of the Specified Users listed above and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes.

Mr. Joseph L. Anstett, Chairman/President Silver State Disposal Service, Inc., and Subsidiary March 17, 1997 Page 3

Neither these agreed-upon procedures, nor the resulting report, are part of a rate change application, but are for the purpose of satisfying certain reporting requirements of the Agreement.

THE COMPANY'S RESPONSIBILITIES

The Company's management is responsible for maintaining effective internal controls that will, among other things, help assure the accurate preparation of the rate calculation and performance indicators in accordance with the terms of the Agreement. Management's responsibility for financial reporting includes establishing a process to prepare the accounting estimates included in the rate calculation and performance indicators, which are typically based on management's knowledge and experience about past and current events, and its expected courses of action. Management is also responsible for adopting sound policies designed to prevent and detect illegal acts.

At the conclusion of the agreed-upon procedures, you agree to provide us with a letter which will reconfirm the Specified Users' responsibility for selecting the agreed-upon procedures and other representations made to us during the course of the engagement.

You understand and agree that, notwithstanding the fact that it is our professional responsibility to keep confidential all client information obtained during the course of providing services, our workpapers may be selected for review on a confidential basis in connection with a professional practice monitoring program or required to be inspected by others in connection with a legal or regulatory proceeding.

TIMING, FEES AND COSTS

Timely completion of our services will, of course, depend on, among other things, the full cooperation of management and the Company's accounting staff in providing analysis schedules and other requested materials timely and accurately. We will advise management of any difficulties or delays in completing the engagement before incurring substantial additional unanticipated time. We will provide you or other appropriate Company personnel with lists of analysis schedules and other documentation required before service begins and subsequently, as needed.

Our fees will be based on our firm's standard hourly billing rates for the assigned personnel.

Fees will be billed, together with out-of-pocket expenses, twice a month as the work progresses, and our invoices are payable upon presentation.

Mr. Joseph L. Anstett, Chairman/President Silver State Disposal Service, Inc., and Subsidiary March 17, 1997 Page 4

CONCLUDING REMARKS

Thank you for selecting our firm for this engagement. As always, we are confident that we can meet or exceed your service quality expectations.

If this letter correctly expresses your understanding of the terms of our engagement, please signify by signing and returning the enclosed confirmation copy to us authorizing us to proceed.

Very truly yours,

PIERCY, BOWLER, TAYLOR & KERN

Silver State Disposal Service, Inc., and Subsidiary Schedule of Agreed-upon Procedures September 30, 1996

Rate calculation:

Read the rate calculation methodology outlined in the Franchise Agreement for Collection and Disposal of Solid Waste between Clark County, Nevada and the Company and in the Refuse Removal Agreement between the City of North Las Vegas, Nevada and the Company (the Agreements).

Agree the rate calculation methodology described above to that used in the Company provided schedules, examples of which are set forth in Attachment A of the Agreements. Agree the income and expenses shown in total to the audited "Consolidated Statement of Income." Recalculate the information in the schedules to determine their mathematical accuracy.

Obtain representation from the Company that general ledger accounts, including any new accounts are being used in the same manner as was contemplated in the Agreements, including Attachment A thereto.

Note any general ledger accounts, that have not been previously reported, for which the manner of use has changed or that have been added to the chart of accounts since the effective date of the agreements. Inquire of Company management as to the types of transaction which are posted to these accounts and the bases and methods of any related allocations.

Performance indicators:

Read the Agreements to determine that the Company has provided all of the required performance indicators, as set forth in Attachment B of the Agreements.

Compare the "Schedule of Current Year Budget Expenses and Prior Year Actual Expenses" to the Company's current year budgeted expenses and to the prior year actual expenses. Recalculate the information in the schedule to determine its mathematical accuracy.

Compare the "Number of Collection Vehicles" scheduled to the Company's equipment listing.

Compare the "Number of Collection and Landfill Personnel" scheduled to the Company's payroll records.

Compare the "Number of Customers" scheduled to the Company's customer data base.

Compare the "Tons of Solid Waste Deposited in the Apex Landfill" scheduled to the Company's landfill receiving reports.

Compare the "Collection Man-hours Paid" scheduled to the Company's payroll records.

Compare the "Tons of Recycling Material Sold" scheduled to the Company's recycling sales records. (This comparison will be made by grade of recycling material sold.)

Compare the "Landfill Facilities Significant Equipment Used" scheduled to the Company's equipment listing and tax depreciation schedule.

Michael Dyal City Manager City of North Las Vegas 2200 Civic Center Dr. North Las Vegas, NV 89030

Dear Michael:

Pursuant to our recent conversations with City staff and more recently with the City Council, please consider this an agreement between the Disposal Urban Maintenance Processing Company, Inc. (DUMPCO), Silver State Disposal Service, Inc. and the City of North Las Vegas regarding the landfill tipping fees.

DUMPCO/ Silver State agrees that there will be no charge to the City of North Las Vegas for the first 5,000 cubic yards of solid waste deposited at the Apex Regional Landfill on an annual basis, commencing each January 1. Each additional cubic yard of solid waste shall be billed by DUMPCO at the current prevailing rate, as applicable to our customers. Said solid waste shall be collected in the normal and customary course of official City business and shall not be in competition with Silver State Disposal and will be transported to the Apex Regional Landfill in official City service vehicles. Sludge that is being delivered from the City's water pollution control facility shall be excluded from this agreement.

The term of this agreement shall run concurrently with our existing garbage disposal agreement dated January 4, 1978.

If you concur with the provisions of this agreement, please sign in the designated place. You may keep this original letter and return a copy of the signed agreement.

If you have any questions, do not hesitate to contact me.

Joseph L. Anstett, President

NORTH LAS VEGAS CITY COUNCIL AGENDA ITEM

Approved 9-1-93

Nu	m	he	r.
114		ue	

SUBJECT: REQUEST BY SILVER STATE DISPOSAL SERVICE, INC. TO RELOCATE THE SOLID WASTE LANDFILL SITE TO THE "APEX" AREA.

REQUESTED BY: Gary W. Holler, P.E., Director of Public Works

RECOMMENDATION OR RECOMMENDED MOTION:

It is recommended that the City Council approve the request by Silver State Disposal Service, Inc. to relocate the solid waste landfill to the "Apex" area.

FISCAL IMPACT: None

STAFF COMMENTS AND BACKGROUND INFORMATION:

On January 4, 1978, North Las Vegas entered into an agreement with Silver State Disposal Service, Inc. (a.k.a. Disposal Transportation, Inc.) for refuse removal. The subject agreement will expire on January 1, 1998.

The Environmental Protection Agency (EPA) has issued new regulations on the use and operation of solid waste landfills that will take effect on October 9, 1993. These new EPA mandates will make it very costly for Silver State Disposal to continue operating the Sunrise Landfill. Silver State Disposal has opted to locate a landfill 27 miles from the Las Vegas Valley, generally known as the "Apex" area (see attached map).

According to paragraph IV of the existing agreement, Silver State Disposal, Inc. must obtain approval from the North Las Vegas City Council and other public entities to relocate the landfill and also the routes travelled to and from the landfill site.

Staff has reviewed the options available to the Las Vegas Valley, and has come to the conclusion that the Apex area is the desired location for the landfill. Considerations taken into account included liability and costs.

February 8, 1989

Mr. Michael Dyal City of North Las Vegas Manager 2200 Civic Center Drive North Las Vegas, Nevada 89030

Dear Mr. Dyal,

After considerable evaluation and analysis of the garbage companies corporate structures, that is the extensive use of multiple corporations, the Board of Directors of each corporation have concluded that the economic advantages of such multiple corporations have been extinguished as a result of recent Federal Income Tax ramifications as well as the introduction of annoying company related personal injury litigation.

For example, there are a few local attorneys who are intent on testing the courts on what we term third party workman' compensation complaints, whereas, our employee, who is precluded from suing his employer for job related injuries, as provided by state statutes, will be enticed to file a complaint against a related company which maintains the equipment that our employee was using in his work. None of their suits have yet been successful, however, the legal fees and officer time involvement are, in reality, unnecessary and expensive.

In addition, the Tax Reform Act of 1986 has, in most instances, removed the incentive use of multiple corporations, utilizing surtax exemptions at lower rates for the first \$100,000.00 of earnings. At the present time, the previous lower tax rates are completely phased out by most of our multiple corporations.

For the aforementioned reasons, it is our company's desire to combine the existing disposal companies into one entity, with the exception of the DUMPCO, which will become a wholly owned subsidiary of the new corporation, known as Silver State Disposal Services, Inc.. Silver State Disposal Services, Inc. has already been incorporated in the state of Nevada as of January 24, 1989 and will become the employer of all employees, save and except those of the previously mentioned DUMPCO.

It is therefore, our purpose at this time to respectively request that the existing garbage hauling contracts as entered into by and between Disposal Transportation, Inc. and The City of

Mr. Michael Dyal City of North Las Vegas Manager Page 2 February 8, 1989

North Las Vegas be assigned and transferred in whole to the successor corporation, Silver State Disposal Service, Inc.. We further request that the existing Laughlin landfill operation contract be assigned and transferred to DUMPCO, which, presently, is the county's Sunrise Mountain Sanitary Landfill, contractor.

As a result of this contract assignment, the new Silver State Disposal Service, Inc. is expected to operate more efficiently, while maintaining the company's strict standards of municipal reporting, in conformity to our fiscal obligations regarding franchise fees as provided by the existing contract.

We anticipate the liquidation of the present contractor, Disposal Transportation, Inc., on March 31, 1989. Therefore, favorable action by the City of North Las Vegas prior to that date, transferring the contract effective April 1, 1989, would be most appreciated.

Respectfully submitted,

Joseph L. Anstett

Esther V Borden City Clerk	
-	NOTICE OF EXERCISE OF OPTION - DISPOSAL TRANSPORTATION, INC REFUSE REMOVAL CONTRACT Esther V. Borden, City Clerk

Recommendation:

Council determination.

Fiscal Impact:

Background:

On January 4, 1978, the City of North Las Vegas entered into a contract with Disposal Transportation, Inc. to provide collection and disposal of garbage and rubbish. This contract was for a period of ten (10) years, and renewable for two terms of five (5) years, at the option of the contractor providing they were not in default of said contract.

Also included was the condition the contractor give 120 days written notice prior to the expiration of the contract of their intent to renew the agreement.

Disposal Transportation requests to exercise its option to renew this agreement for a period five years commencing from and after the First day of January, 1988.

REFUSE REMOVAL CONTRACT

January , 1978, by and between the City of North Las Vegas, a municipal corporation of the State of Nevada (hereinafter called the "City") and Disposal Transportation, Inc., a Nevada corporation (hereinafter called the "Contractor");

WITNESSETH;

WHEREAS, the Contractor is the successor in interest to all of the rights of Southern Nevada Disposal Service, Inc., a Nevada corporation, granted pursuant to that certain Agreement entered into between the City and Southern Nevada Disposal Service, Inc., dated the 7th day of October, 1957, all of the rights, title and interest of the said Southern Nevada Disposal Service, Inc., having been assigned to the Contractor herein on or about the 5th day of October, 1959; and

WHEREAS, said Agreement provided that the term thereof was to commence on the 1st day of October, 1957 and was to continue for a period of years to and including January 31, 1967 with an option to renew the same for an additional term of five (5) years upon written notice to the City at least 120 days prior to the expiration of said period of years; and

WHEREAS, the Contractor duly exercised its option to renew said Agreement for said additional five (5) year term by letter to the City dated September 15, 1966; and

NOW, THEREFORE, for an in consideration of the premises and of the mutual covenants and agreements hereinafter contained, the parties do hereby agree as follows:

I.

The Contractor hereby agrees to collect all garbage, rubbish, dirt and dead animals (hereinafter collectively called garbage) within the City of North Las Vegas from the receptacles kept and maintained by the places of business publicabuildings,

multiple dwellings and residences as provided for in the ordinances of the City of North Las Vegas pertaining to the collection and disposal of garbage, and rubbish, or any amendments thereto, and dispose of the same upon the terms and conditions hereinafter stated.

II.

This contract shall commence as of the January 1, ..., 1978, and shall be for a period of ten (10) years, and shall be renewable for two terms of five (5) years, at the option of the Contractor, upon the same terms and conditions provided the Contractor is not then in default, and provided the Contractor gives notice of such election to the City in writing one hundred twenty (120) days or more prior to the expiration of this Agreement.

III.

Collections from places of business and public buildings shall be made daily except Sunday, or daily including Sunday, or bi-weekly, according to the service ordered and paid for by each said place of business or public building; collection from residences shall be made twice each week. Contractor will pick up heavy and/or bulk articles once per month from single family resides and multiple units, eight (8) in number or less and said users shall be notified of the date of such pick-up.

IV.

All garbage so collected shall be hauled to and dumped at the dump ground now in operation at the base of Sunrise Mountain, Clark County, Nevada or at whatever dump ground may be furnished by or to the Contractor (provided that any such alternate dump ground must be approved by the City of North Las Vegas) and the route to be travelled to and from the dump site shall be subject to approval of the City Council. The Contractor agrees to maintain the said dump in accordance with all appropriate rules,

FOLEY BROTHERS
LAW OFFICES
770 EAST SAHARA
LAS VEGAS, NEVADA

regulations or ordinances of the City, the County of clark, the Clark County District Board of Health and the United States Environmental Protection Agency. The Contractor further agrees to dispose of wet garbage, and to accept sole responsibility for the same and hold the City harmless from all claims, demands or otherwise.

 ∇ .

The Contractor shall have the exclusive right to collect garbage during the period this Contract is in force; except in instances whereby under the provision of this Contract, the Contractor is not required to make any collections, so long as service is being provided according to the Contract, by the Contractor.

VT

The Contractor shall provide for the payment of a license fee to the City based upon five (5%) per cent of thegross monthly collections of all the rates, fees and charges derived from the exercise of the privilege of collecting garbage, payable monthly. Contractor shall collect, remove and dispose of the garbage in accordance with the provisions hereof, and all the ordinances pertaining thereto during the continuance of this Contract.

VII.

The City agrees to render, on benalf of the Contractor, all billings for garbage service to the customers of the Contractor and to make all collections on account derived from said billings, reporting the aforementioned data to the Contractor, accompanied by a draft equal in amount to the cash collected during each month. Said financial report and draft shall be submitted to the Contractor no later than the 15th day of the month following the reportable month. The Contractor shall pay to the City an administrative billing and collection fee based

upon five (5%) per cent of the gross monthly collections of all the rates, fees and charges derived from the exercise of the privilege of collecting garbage, payable monthly.

VIII.

The Contractor shall at all times keep on file with the City Clerk a Surety Bond, cash or its equivalent, in the amount of \$5,000.00 to insure the collection of garbage, said bond to be in form satisfactory to the City Attorney and approved by the City Council, conditioned upon the faithful performance of the Contract and compliance with the provisions of all ordinances of the City of North Las Vegas. In the event of a breach, for the time hereinafter specified, the bond shall be forfeited. In order that the public health and safety shall not be endangered thereby, the Contractor agrees that after a hearing and upon determination thereof, if there is sufficient evidence to believe that a breach has occurred, the City shall have the right to immediately take over the collection of all garbage and to take possession of all land and equipment owned by the Contractor and used by it in the performance of this Contract. This possession by the City of North Las Vegas shall be limited to a period not exceeding three (3) months and during said period, the City shall pay to the Contractor the reasonable rental value of the land and equipment to be taken. Should a breach of Contract result from an Act of God, strike, public enemy or similar causes, beyond the control of the Contractor, the City shall have the right during such period to take possession of all land and equipment owned by the Contractor, and used by it in the performance of this Contract. The City is to be reimbursed by the Contractor on a cost basis during the period of time that said collections are made by the City. However, such reimbursement shall not exceed one hundred twenty-five (125%) per cent of Contractor's cost for a like period of time, immediately preceding said breach. Waiver of any

FOLEY BROTHERS

LAW OFFICES

770 BAST SAHARA

LAS VEGAS, NEVADA

breach shall not constitute a waiver of any subsequent breach.

IX.

The Contractor agrees to file with the City Clerk and to keep in force during the initial or extended term hereof, public liability insurance covering the City and the Contractor in the amount of \$100,000.00 for the death or injury of one person, and \$300,000.00 for the death or injury to more than one person! and property damage insurance to the extent of \$10,000.00 upon each of the trucks or other vehicles used by the Contractor in carrying out the provisions of said Contract. City shall be made an additional insured on all of the above insurance coverage.

Х.

The Contractor shall maintain in force and effect during the initial or extended term hereof, full compensation insurance in accordance with the "Workmen's Compensation Act" of the State of Nevada, as now in force or as the same may be from time to time amended.

XI.

The Contractor shall appear in and defend all actions against the City of North Las Vegas arising out of the privileges conferred by this Contract; and the Contractor shall, and hereby does, indemnify and save the City harmless of and from all claims, demands, actions or causes of action, of every kind and description arising out of or in any wise connected with the exercise of the privileges conferred hereby.

XII.

The Contractor shall maintain an office conveniently located and furnished with a listed telephone, and shall keep that office open during usual business hours with an accredited representative of the Contractor, who shall have authority to represent and bind the Contractor in its relations with the City, and with the patrons of the Contractor.

LAW OFFICES
770 EAST SAHARA
LAS VEGAS, NEVADA

-5-

XIII.

The Contractor shall maintain full and complete accounting records so as to reflect accurately the total income, expenses and profits of the enterprise. The books and all records shall be produced for inspection at any time upon the request of the City Manager or the City Council.

XIV.

The Contractor shall, during each year of this Contract, make an annual certified audit of the books and records of account of the Contractor and related companies as of the close of business on the 30th day of September of each year, which said certified audit shall be delivered to the City Manager not later than the 15th day of March of each year for the previous year. The Certified Public Accountant preparing said annual certified audit shall also express his written opinion as to whether the financial statement contained therein presents fairly and accurately the financial position of the Contractor and the results of its operations in accordance with generally accepted accounting principles applied on a consistent basis.

XV.

The right or privilege authorized by this Contract is not assignable, either voluntarily or by operation of law, without the consent of the Board of City Council of the City of North Las Vegas. In the event the Contractor becomes insolvent or bank-rupt then the rights or privileges authorized hereby shall be immediately cancelled and annuled and the City shall have the right to take over said business or substitute another Contractor in its place and stead in the manner provided by law.

XVI.

Should the Contractor fail or neglect to make any garbage collection as by this Contract required, within the time nerein provided, then the City shall, after twenty-four (24)

FOLEY BROTHERS
LAW OFFICES
770 EAST SAHARA
LAS VEGAS, NEVADA

hours notice, have the right to make collection and charge the Contractor with the cost thereof.

XVII.

The Contractor shall use enclosed trucks for the purpose of making garbage pickups in residential areas. The Contractor shall be permitted to use flat trucks for the collections of brush and other similar forms of garbage, and for the purpose of using exchange cans for the pickup of commercial wet garbage.

All flat trucks loaded with garbage or refuse shall, except when moving along a collection route in the course of collection, be covered with wire netting or tarpaulin. Any material that falls or spills onto city streets or alleys from such trucks shall be immediately picked up. All collections shall be made as 'quietly as possible and no unnessarily noisy trucks or equipment shall be used.

Any truck or other equipment used in collecting garbage shall be thoroughly cleaned by flushing with water, or by equivalent processes, at least once each week and should be deodorized or disinfected when necessary to maintain such equipment in a sanitary and non-offensive condition.

XVIII.

The Contractor hereby states that it has read all the ordinances of the City pertaining to the method of collecting garbage, and the rates charged therefor, and agrees to be bound by the same or any amendments thereto.

XIX.

It is further mutually agreed that the City and Contractor shall have the right to review the rate structure at intervals of not less than every six (6) months, at which time the Council shall determine whether an increase or decease in rates charged should be made to allow said Contractor an increased or decreased rate of return.

It is further mutually agreed that in the event the general wage scale in the vicinity of North Las Vegas shall materially increase or decrease during the term of this Contract by reason of war, inflation, depression, or other unavoidable happening, the parties hereto may, upon either party giving thirty (30) days notice in writing to the other, renegotiate said Contract with respect to rate changes to provide for such raising or lowering of wages.

XXI.

In the event the City Council determines that the requested rate raises should not be made, or that present rates then in existence should be lowered, the Contractor shall have the right to terminate this Contract upon giving sixty (60) days written notice to said Council of its intention so to do, and in that event the Council shall have the right to purchase the equipment then in use by said Contractor, or in the alternative, shall have the right to rent said equipment at a price to be determined by the prevailing rental rates for similar equipment in use by Contractor at that time in the North Las Vegas vicinity. In the event the City elects to rent said equipment, the period of rental shall be for a period of time mutually agreeable to the parties hereto. In the event the parties cannot agree as to matters in this paragraph contained, then the disputed matters Shall becarbîtrated in accordance with the provisions of athe. Uniform Arbitration Act of the State of Nevada, being NRS 38.015 et seq., or any amendments thereto.

XXII.

-8-

In the event the City Council determines that the Contractor is in default under any of the provisions hereof, the City Council shall give the Contractor sixty (60) days written notice specifying the provisions hereof under which the City

CITY OF NORTH LAS VEGAS INTER-OFFICE MEMORANDUM

Date December 14, 1977

To: RAY SCHWEITZER

Department:

City Manager

From: GEORGE E. FRANKLIN

Department:

City Attorney

Subject:

Award of Refuse Contract Without Bid Procedures.

Under the Local Government Purchasing Act there are several exceptions to the mandatory bidding procedures.

N.R.S. 332.035 does authorize purchases or contracts of \$2500.00 or less to be awarded without bid, but even under this particular section the governing body can require bids if they so desire.

Other than the \$2500.00 amount limitation there are other exceptions to the mandatory bidding procedures that have had to be adopted because not all governmental contracts are susceptible to the inflexibility of plans and specifications.

Among these exceptions are sole source items and professional services, but even these two are categorized under N.R.S. 332.115 which permits non-bidding of "contracts which by their nature are not adapted to award by competitive bidding."

The granting of a contract for refuse disposal can be predicated upon going to bid if that is the desire of a majority of the council, but likewise should a majority of the council make the determination that the nature of the services to be provided are not adapted to award by competitive bidding, they may proceed by negotiation and contract.

CITY OF NORTH LAS VEGAS

INTER - OFFICE MEMORANDUM

May 30, 1972 Date

To: Clay Lynch

Department: City Manager

From:

Shirley A. Hansell

Department:

City Clerk

Subject: GARBAGE CONTRACT

The chronology of our contract with Disposal Transportation, Inc., seems to be as follows:

- Original contract awarded July 20, 1948. (No term of contract or options mentioned here.)
- 2. Option to renew exercised December 27, 1956, to run from 1957 to 1962. (Did not go to Council for acceptance.)
- New contract on October 7, 1957, to run from 1957 to 1967. (Not ratified by Council. Contract stated that if it was not accepted, 1962 contract would stay in effect.)
- A contract dated in 1952 is mentioned in minutes when new ordinance passed. (Is not in files.)
- 5. New billing procedure (no contract) was approved on October 7, 1957.
- 6. Receipt of option to renew from January 1967 to January 1972, was acknowledged by Council only on December 13, 1965.
- 7. On September 2, 1969, City Attorney directed to draft contract documents and ordinance at time of rate increase. Ordinance passed in October, contract not written.

I believe we have no valid contract with the garbage company.

Shirley A.\ Hansell

Re: A-46

Gentlemen:

At their December 6, 1965, meeting the City Council acknowledged Execuipt of your letter of November 26, 1965, notifying the City Council of your firm's intention to renew your contract to collect and dispose of garbage for a period from January 31, 1967, to and including January 31, 1971.

In order not to be in violation of your present contract, it will be necessary for your firm to file an annual financial statement with the City Clerk. The last statement provided was dated September 30, 1964, and we had assumed that we would receive your 1965 statement before now.

Thank you for your attention to this matter.

Yours very truly,

Helen G. Pivoda City Clerk

Gentlemen:

Reference is made to that certain proposal for Contract to Collect and Dispose of Garbage directed to the Board of City Commissioners of the City of North Las Vegas, Nevada dated the 7th day of October, 1957, and particularly Paragraph I thereof:

Under the terms of said proposal the contract commenced on the 1st day of October 1957 and was for a period of years to and including January 31, 1967 and was renewable for a term of five years at the option of the Contractor upon the same terms and conditions provided the Contractor gives notice of such election to the City in writing one hundred twenty (120) days or more prior to the expiration of the agreement.

Contractor hereby elects to renew said contract for a period of five years, or for the period January 31, 1967 to and including January 31, 1971.

Very truly yours,

LEGAL

Subject:

ELECTION OF DISPOSAL TRANSPORTATION, INC. TO RENEW CONTRACT FOR FIVE YEARS.

Relative to the letter of September 15th, 1965, from Disposal Transportation, Inc., in which they elect to renew our contract with them for the next five (5) years, pursuant to Paragraph 1 of the contract I recommend that the following letter be written to the contractor:

"Gentlemen: Relative to your letter of September 15th, 1965, in which you state that you elect to renew the contract for a period of five (5) years, pursuant to Paragraph I of the contract dated the 7th day of October, 1957, said Paragraph I reads as follows:

"This contract shall commence on the 1st day of October, 1957, and shall be for a period of years to and including January 31, 1967, and shall be renewable for a term of five years at the option of the Contractor upon the same terms and conditions provided the Contractor is not then in default, and provided the Contractor gives notice of such election to the City in writing one hundred twenty (120) days or more prior to the expiration of this agreement." (Underlining supplied.)

Pursuant to Paragraph XVIII, City Council determines that the contractor is now in default under provision XXII which is as follows:

"The Contractor shall during each year of the contract make an annual report to the City showing the amount of its receipts, and disbursements, and such other details with reference to its income, expenditures and operations, as may be required by the City for the purpose of ascertaining the cost of operation, profits derived, and the manner and extent of its operation."

CITY OF NORTH

10/5/65.

October 5, 1965

Disposal Transportation, Inc. 1300 North "A" Street Las Vegas, Nevada 89106

Attention: Lester L. LaFortune, President

Gentlemen:

Relative to your letter of September 15, 1965, in which you state that you elect to renew the contract for a period of five (5) years, pursuant to Paragraph I of the contract dated the 7th day of October, \$957, said Paragraph I reads as follows:

"This contract shall commence on the 1st day of October, 1957, and shall be for a period of years to and including January 31, 1967, and shall be renewable for a term of five years at the option of the Contractor upon the same terms and conditions provided the Contractor is not then in default, and provided the Contractor gives notice of such election to the City in writing one hundred twenty (120) days or more prior to the expiration of this agreement."

Pursuant to Paragraph XVIII, the City Council at its October 4, 1965 meeting determined that Disposal Transportation, Inc. is now in default under Provision XXII which is as follows:

"The Contractor shall during each year of the contract make an annual report to the City showing the amount of its receipts, and disbursements, and such other details with reference to its income, MICRO FUMED

FEB 25 1372

CITY OF MORTH

expenditures and operations, as may be required by the City for the purpose of ascertaining the cost of operation, profits derived, and the manner and extent of its operation."

According to our records, the last income and expense statement submitted by Disposal Transporation, Inc., was for the year ending June 30, 1963. The City Council hereby gives you sixty (60) days notice in which to comply with said Paragraph XXII. Since your election to renew was made during a period of time when you were in default of the contract, it is of no force and effect and we cannot consider any such election to renew the contract pursuant to Paragraph I until such time as you are not in default and are otherwise in a position to elect to renew said contract.

Yours very truly,

(Mrs.) Helen G. Pivoda City Clerk

PROPOSAL FOR CONTRACT TO COLLECT AND DISPOSE

OF GARBAGE

To the Board of City Commissioners of The City of North Las Vegas:

The undersigned, SOUTHERN NEVADA DISPOSAL SERVICE, INC., (hereinafter called contractor) hereby offers to collect all garbage, rubbish and dirt (hereinafter collectively called garbage) within the City of North Las Vegas from the receptacles kept and maintained by the places of business, public buildings, multiple dwellings and residences as provided for in the ordinances of the City of North Las Vegas pertaining to the collection and disposal of garbage and rubbish, or any amendments thereto, and dispose of the same upon the terms and conditions hereinafter stated.

I.

This contract shall commence on the 1st day of October, 1957, and shall be for a period of years to and including January 31, 1967, and shall be renewable for a term of five years at the option of the Contractor upon the same terms and conditions provided the Contractor is not then in default, and provided the Contractor gives notice of such election to the City in writing one hundred twenty (120) days or more prior to the expiration of this agreement.

II.

Collections from places of business and public buildings shall be made daily except Sunday, or daily including Sunday, or bi-weekly, according to the service ordered and paid for by each said place of business or public building; collection from residences shall be made twice each week.

III.

All garbage so collected shall be hauled to and dumped at the Contractor's dump ground or any place he desires to take it, provided such place meets with the approval of the City of Las Vegas, the County of Clark, and the City of North Las Vegas. The Contractor further agrees to dispose of wet garbage and to accept sole responsibility for the same and hold the City harmless from all claims, demands or otherwise.

IV.

The Contractor shall have the exclusive right to collect garbage during the period this contract is in force; except in instances whereby under the provisions of this contract, the Contractor is not required to make any collection.

٧.

The City of North Las Vegas will, through its law enforcement agencies, protect the Contractor by preventing scavengers from taking wet garbage or any other salvage materials; and by prosecuting violators of the ordinance in such cases made and provided.

27

The City of North Las Vegas will enforce their ordinance regulating the size of cans and proper handling of trash and garbage affecting sanitation.

VII.

The Contractor agrees to file with the City Clerk and to keep in force during the term hereof, public liability and property damage insurance covering the City and the Contractor in the amount of \$50,000.00, for the death or injury of one person, and \$100,000.00 for the death or injury to more than one person, and property damage insurance to the extent of \$10,000.00 upon each of the trucks or other vehicles used by the Contractor in carrying out the provisions of said contract.

VIII.

The Contractor shall maintain in force and effect during the terms hereof, full compensation insurance in accordance with the "Workmen's Compensation Act" of the State of Nevada.

IX.

The Contractor shall appear in and defend all actions against the City of North Las Vegas arising out of the privileges conferred by this contract; and the Contractor shall indemnify and save the City harmless of and from all claims, demands, actions, or causes of action, of every kind and description arising out of or in anywise connected with the exercise of the privileges conferred by this contract.

X.

The Contractor shall at all times keep on file with the City Clerk a Surety Bond, cash or its equivalent, in the amount of \$5,000.00 to insure the collection of garbage, said bond to be in form satisfactory to the City Attorney and approved by the Board of Commissioners, conditioned upon the faithful performance of the contract and compliance with the provisions of all ordinances of the City of North Las Vegas. In the event of a breach, for the time hereinafter specified, the bond shall be forfeited. order that the public health and safety shall not be endangered thereby, the Contractor agrees that after a hearing and upon determination thereof, if there is sufficient evidence to believe that a breach has occurred, the City shall have the right to immediately take over the collection of all garbage and to take possession of all equipment owned by the Contractor and used by it in the performance of this contract. This possession by the City of North Las Vegas shall be limited to a period not exceeding three (3) months and during said period the City shall pay to the Contractor the reasonable rental value of the equipment so taken. Should a breach of contract result from an act of God, strike, public enemy, or similar causes, beyond the control of the Contractor, the City shall have the right during such period to take over the collection of garbage and to take possession of equipment owned by the Contractor, and used by it in the performance of this contract. The City is to be reimbursed by the Contractor on a cost basis during the period of time that said collections are made by the City. Waiver of any breach shall not constitute a waiver of any subsequent breach.

28

29

30

31

XI.

The Contractor shall maintain an office conveniently located and furnished with a listed telephone, and shall keep that office open during usual business hours with an accredited representative of the Contractor, who shall have authority to represent and bind the Contractor in its relations with the City, and with the patrons of the Contractor.

XII.

Rates for garbage collection now in effect will continue to apply subject to adjustment as hereinafter provided.

XIII.

Should the Contractor fail or neglect to make any garbage collection as by this Agreement required, within the time herein provided, then the City shall, after twenty-four (24) hours notice, have the right to make collection and charge Contractor with the cost thereof.

XIV.

The Contractor shall use enclosed trucks for the purpose of making garbage pickups in residential areas. The Contractor shall be permitted to use flat trucks for the collection of brush and other similar forms of garbage, and for the purpose of using exchange cans for the pickup of commercial wet garbage.

All flat trucks loaded with garbage or refuse shall, except when moving along a collection route in the course of collection, be covered with wire netting or tarpaulin. Any material that falls or spills onto city streets or alleys from such trucks should be immediately picked up. All collections shall be made as quietly as possible and no unnecessarily noisy trucks or equipment shall be used.

Any truck or other equipment used in collecting garbage shall be thoroughly cleaned by flushing with water, or by equivalent processes, at least once each week and should be deodorized or disinfected when necessary to maintain such equipment in a sanitary and non-offensive condition.

XV.

The Contractor agrees to repair or replace at his own cost and expense any garbage cans damaged or destroyed by the Contractor or his employees.

XVI.

It is further mutually agreed that in the event the general wage scale or equipment costs in the vicinity of North Las Vegas shall materially increase or decrease during the term of this agreement by reason of war, inflation, depression, or other unavoidable happening, or in the event the Contractor feels that it is not realizing a fair rate of return, the parties may, upon either party giving thirty (30) days notice in writing to the other, renegotiate said agreement with respect to rate charges to provide for any such contingency.

XVII.

In the event the City Commission determines that the requested rate raises should not be made, or that present rates then in existence should be lowered, the Contractor shall have the right to terminate this agreement upon giving sixty (60) days written notice to said Commission of its intention so to do, and in that event the Commission shall purchase the equipment then in use by said Contractor in its North Las Vegas operation, or in the alternative, shall have the right to rent said equipment at a price to be determined by the prevailing rental rates for similar equipment in use by contractors at that time in the North Las Vegas vicinity. In the event the City elects to rent said equipment, the period of rental shall be for a period of time mutually agreeable to the parties hereto. In the event the parties cannot agree as to matters in this paragraph contained then the provisions of paragraph XIX for appointment of appraisers

XVIII.

and determination thereby shall apply.

In the event the City Commission determines that the Contractor is in default under any of the provisions hereof, the City Commission shall give the Contractor sixty (60) days written notice specifying the provisions hereof under which the City Commission has determined that a default exists, and giving the Contractor sixty (60) days within which to correct any such default. In the event the Contractor does not correct any such default within sixty (60) days as hereinabove in this paragraph provided, then and in such event the City of North Las Vegas may terminate the contract on thirty (30) days written notice to the Contractor, and may take possession of the equipment of the Contractor utilized in its North Las Vegas operation, as hereinafter provided in Paragraph XIX hereof, and the bond deposited by Contractor conformably with the provisions of Paragraph X hereof shall be forfeited.

XIX.

At the end or sooner termination of the contract the City of North Las Vegas agrees to lease all usable equipment belonging to the Contractor and utilized in its North Las Vegas operation, provided mutually satisfactory terms can be agreed upon between the parties. In the event the parties are unable to agree as to rental and other lease terms, the City hereby agrees to buy all such equipment used by the Contractor in the operation of its garbage business in North Las Vegas at a price to be agreed upon between the parties, or in the event the parties are unable to agree, at a price designated by three appraisers, one of whom shall be appointed by each of the parties hereto and the third by the appraisers so appointed; provided that the City's rights to lease or buy may be assigned.

XX.

The Contractor shall provide for the payment of a license fee to the City of an amount to be determined by the Board of Commissioners, based on a percentage of the gross monthly collections from the receipts derived from the exercise of the privilege of collecting garbage, payable quarterly. Contractor shall collect, remove and dispose of the garbage in accordance with the provisions hereof, and all the ordinances pertaining thereto during the continuance of this contract.

9.5 ST

..

--

LAW OFFICES TAYLOR & GUBLER

AS VEGAS, NEVADA

. IXX

The Contractor shall make all collections of garbage fees and shall maintain full and complete accounting records so as to reflect accurately the total income, expenses and profits of the enterprise, and shall file with the City Clerk, thirty (30) days after the end of the preceding quarter, a statement of the gross receipts from the collection of garbage and refuse during the quarter next preceding the date of such statement sworn to before a Notary Public. All payments made to the Contractor by a user of service shall be evidenced by a written receipt and the said payments shall be properly accounted for as a revenue item on the part of the Contractor. The books and all records shall be produced for inspection at any time upon the request of the City Clerks of the City Commission.

XXII.

The Contractor shall during each year of the contract, make an annual report to the City showing the amount of its receipts, and disbursements, and such other details with reference to its income, expenditures and operations, as may be required by the City for the purpose of ascertaining the cost of operation, profits derived, and the manner and extent of its operation.

XXIII.

The right or privilege authorized by this contract is not assignable either voluntarily or by operation of law, without the consent of the Board of City Commissioners of the City of North Las Vegas. In the event the Contractor becomes insolvent or bankrupt then the rights or privileges authorized hereby shall be immediately cancelled and annulled and the City shall have the right to take over said business or substitute another Contractor in its place and stead in the manner provided by law.

XXIV.

In the event the contract resulting from acceptance hereof by the City of North Las Vegas is held invalid for any reason, the existing contract between the parties hereto shall continue in full force and effect, subject to all terms and conditions thereof, until the expiration date of said contract, to-wit, the 31st day of July, 1962.

XXV.

Contractor agrees during the term of the agreement proposed or any extensions thereof to maintain a mosquito abatement truck for the purpose of assisting in the elimination of disease carried by flies and mosquitoes; and agrees to spray, commencing with the spring of 1958 all alleys and garbage cans throughout the City as and when necessary, and to permit the City to utilize such equipment as and when desired (consistent with the use thereof by the City of Las Vegas), without cost to the City and/or to the public.

XXVI.

Contractor requests that existing ordinances be amended or that a new ordinance or new ordinances be enacted within ninety (90) days after October 1, 1957, for the following purposes:

- Imposing a penalty for failure of householders and other occupants of land to accept and pay for services from the Contractor and authorizing Contractor to discontinue service to any customer whose garbage collection fee remains unpaid for ninety (90) days or more, Contractor to resume service to such customer as soon as their delinquent bills have been paid, and
- Authorizing the City to revoke the business license of any commercial customer refusing to accept service from the Contractor or accepting service and failing or refusing to pay his, their or its bill within thirty (30) days after the due date thereof.

The City by the acceptance of this proposal agrees to use all due diligence within the time limited in this paragraph to enact the ordinance or ordinances above specified and after the enactment thereof to utilize all law enforcement and other agencies of the City for the timely and vigorous enforcement of said ordinances.

XXVII.

It is further mutually agreed that the City shall have the right to review the rate structure at intervals of not less than every six months, at which time the Commission shall determine whether an increase or decrease in rates charged should be made to allow said Contractor an increased or decreased rate of return. In making such determination the Commission shall consider all of the Contractor's operations within the vicinity of the City of North Las Vegas including salvage operations and disposal of wet garbage by hog feeding.

XVIII.

If this offer is acceptable, you shall indicate your acceptance thereof by executing and dating the form of acceptance appended hereto and when so accepted the same shall constitute the contract between the undersigned and the City of North Las Vegas.

DATED at Las Vegas, Nevada, this 7th day of October, 1957.

EXERCISE OF OPTION

TO: HONORABLE AL PERGUSON, Mayor, and HONORABLE EARL EVANS, WALTER REEVES, RICHARD KING and AL BRITZ, Commissioners, together constituting the Board of City Commissioners of the City of North Las Vegas, Clark County, Nevada

PLEASE TAKE NOTICE that SOUTHERN NEVADA DISPOSAL SERVICE, INC., a Nevada corporation, hereby exercises its option to extend the certain contract to collect and dispose of garbage, made and executed by and between the City of North Las Vegas and SOUTHERN NEVADA DISPOSAL SERVICE, INC., as Contractor, during July, 1952, for a term of five (5) years, commencing on or before the first day of August, 1952, with an option to extend said contract for the additional term of five (5) years, to be exercised by the giving of written notice to the City of North Las Vegas one hundred twenty (120) days, or more, prior to the expiration of said agreement.

Conformably with this exercise of option and election, PLBASE TAKE NOTICE that the term of said contract to collect and dispose of garbage is hereby extended for the additional term of five (5) years from the expiration date of the existing contract, to-wit, from August 1, 1957 to and including July 31, 1962, said extended term to be on the same terms and conditions provided for in the existing contract.

IN WITNESS WHEREOF, SOUTHERN NEVADA DISPOSAL SERVICE, INC. has caused this Exercise of Option to be executed by its President thereunto duly authorized this $\underline{\gamma}_{\underline{\gamma}}$ day of December, 1955.

SOUTHERN NEVADA DISPOSAL SERVICE, INC.

PROPOSAL FOR CONTRACT TO COLLECT AND DISPOSE

OF GARBAGE

To The Board of City Commissioners of The City of North Las Vegas:

The undersigned, SOUTHERN NEVADA DISPOSAL SERVICE, INC., (hereinafter called contractor) hereby offers to collect all garbage, rubbish and dirt (hereinafter collectively called garbage) within the City of North Las Vegas from the receptacles kept and maintained by the places of business, public buildings, multiple dwellings and residences as provided for in the ordinances of the City of North Las Vegas pertaining to the collection and disposal of garbage and rubbish, or any amendments thereto, and dispose of the same upon the terms and conditions hereinafter stated.

Ī.

This contract shall commence on or before the 1st day of August, 1952, and shall be for a period of five years, and shall be renewable for a term of five years at the option of the Contractor upon the same terms and conditions provided the Contractor is not then in default, and provided the Contractor gives notice of such election to the City in writing one hundred twenty (120) days or more prior to the expiration of this agreement.

... II •

Collections from places of business and public buildings shall be made daily except Sunday, or daily including Sunday, or bi-weekly, according to the service ordered and paid for by each said place of business or public building; collection from residences shall be made twice each week.

III.

All garbage so collected shall be hauled to and dumped at the Contractor's dump ground or any place he desires to take it, provided such place meets with the approval of the City of Las Vegas, County of Clark, and City of North Las Vegas. The Contractor further agrees to dispose of wet garbage and to accept sole responsibility for the same and hold the City harmless from all claims, demands or otherwise.

IV.

The Contractor shall have the exclusive right to collect garbage during the period this contract is in force; except in instances whereby under the provisions of this contract, the Contractor is not required to make any collection.

٠V.

The City of North Las Vegas will, through its law enforcement agencies, protect the Contractor by preventing scavengers from taking wet garbage or any other salvage materials; and by prosecuting violators of the ordinance in such cases made and provided.

.VI.

The City of North Las Vegas will enforce their ordinance

26*

regulating the size of cans and proper handling of trash and garbage affecting sanitation.

VII.

The Contractor agrees to file with the City Clerk and to keep in force during the term hereof, public liability and property damage insurance covering the City and the Contractor in the amount of \$50,000.00, for the death or injury of one person, and \$100,000.00 for the death or injury to more than one person, and property damage insurance to the extent of \$10,000.00 upon each of the trucks or other vehicles used by the Contractor in carrying out the provisions of said contract.

VIII.

The Contractor shall maintain in force and effect during the term hereof, full compensation insurance in accordance with the "Workmen's Compensation Act" of the State of Nevada.

IX.

The Contractor shall appear in and defend all actions against the City of North Las Vegas arising out of the privileges conferred by this contract; and the Contractor shall indemnify and save the City harmless of and from all claims, demands, actions, or causes of action, of every kind and description arising out of or in anywise connected with the exercise of the privileges conferred thereby.

Χ.

The City of North Las Vegas shall not hold the Contractor responsible for an act of God, strike, public enemy, or similar causes beyond the control of the Contractor.

XI.

The Contractor shall maintain an office conveniently located and furnished with a listed telephone, and shall keep that office opened during the usual business hours with an accredited representative of the Contractor, who shall have authority to represent and bind the Contractor in its relations with the City, and with the patrons of the Contractor.

XII.

The City of North Las Vegas will approve and adopt a rate structure the same as that now in effect in the City of Las Vegas, a copy of which is attached hereto, marked Exhibit "A"; and made a part hereof.

XIII.

It is mutually agreed between the Contractor and the City of North Las Vegas that after one year's operation, the Contractor will present the City with a ninety day operational cost, and if the revenue is not sufficient to give the contractor a twenty per cent (20%) net profit, the City Commission of North Las Vegas will determine if the Contractor has conducted an efficient operation; said Commission shall proceed to raise the rates to such an amount as will allow the said Contractor a fair rate of return on his in-

-2-

City (

A 1867 19 11

vestment for the services performed as may be determined by the City Commission.

XIV.

Should the Contractor fail or neglect to make any garbage Collection as by this ordinance required, within the time herein provided, then the City shall, after seventy-two (72) hours notice, have the right to make collection and charge Contractor with the cost thereof.

XV.

The Contractor shall use enclosed trucks for the purpose of making garbage pickups in residential areas. The Contractor shall be permitted to use flat trucks for the collection of brush and other similar forms of garbage, and for the purpose of using exchange cans for the pickup of commercial wet garbage.

.IVX

It is further mutually agreed that in the event the general wage scale in the vicinity of North Las Vegas shall materially increase or decrease during the term of this agreement by reason of war, inflation, depression, or other unavoidable happening, the parties may, upon either party giving thirty (30) days notice in writing to the other, renegotiate said agreement with respect to rate charges to provide for such raising or lowering of wages.

. IIVX

In the event the City Commission determines that the requested rate raises should not be made, or that present rates then in existence should be lowered, the Contractor shall have the right to terminate this agreement upon giving sixty (60) days written notice to said Commission of his intention so to do, and in that event the Commission shall purchase the equipment, then in use by said Contractor, at the reasonable value thereof, or in the alternative, shall have the right to rent said equipment at a price to be determined by the prevailing rental rates for similar equipment in use by contractors at that time in the North Las Vegas vicinity. In the event the City elects to rent said equipment, the period of rental shall be for a period of time mutually agreeable to the parties hereto.

XVIII.

If this offer is acceptable, you shall indicate your acceptance thereof by executing and dating the form of acceptance appended hereto and when so accepted the same shall constitute the contract between the undersigned and the City of North Las Vegas.

By XX- Kapuses

7/6/48 PROPOSED GARBAGE COLLECTION AND DISPOSAL CONTRACT

WITH

CITY OF NORTH LAS VEGAS, NEVADA

INSTRUCTION TO BIDDERS

Bids to enter into a contract with the City of North Las Vegas, upon the terms and conditions hereinafter set forth will be received by the City Council of the City of North Las Vegas, at the City Hall, at 1837 North Main Street, North Las Vegas, Nevada, up to and including 12 o'clock noon of the 6th day of July, 1948.

Each bid must be submitted upon this form, or a reasonable facsimile, in a sealed envelope addressed to the City Council of the City of North Las Vegas, and marked upon the outside thereof "Bid on Garbage Contract", or words of like import.

Each bid must be signed by the bidder, if an individual, or, if a partnership, by one or more general partner who, by so signing, shall be deemed to represent that he is authorized to bind the partnership to a contract of this character, or, if a corporation, by the officer thereof authorized to enter into a contract of this character, and shall be attested by the Secretary of the corporation with the corporate seal, and will state the post office address of the bidder.

All bids will be opened and submitted to the City Council of the City of North Las Vegas at the regular meeting of the Council to be held at 1837 North Main Street, North Las Vegas, Nevada, at 8 o'clock P.M., on the 6th day of July, 1948.

The City Council of the City of North Las Vegas reserves the right to reject any and all bids for reasons satisfactory to itself.

SPECIFICATIONS

By submitting his bid, each bidder offers to enter into a contract with the City of North Las Vegas to collect, haul away, and dispose of all garbage, rubbish, dirt, and dead animals within the corporate limits of the City of North Las Vegas as said terms are defined in Ordinance No. 7 of said City pertaining to the collection and disposal of garbage and rubbish, which said ordinance is available for the inspection of all bidders at the office of the City Clerk of said City, upon the following terms and conditions:

- 1. Each bidder agrees that any contract which may be consummated by acceptance of his bid shall be interpreted with reference to and shall be performed by the contractor in such manner as to carry out the purposes of said ordinance, or any amendment thereto.
- 2. Collection from residences shall be made twice weekly by the contractor. Collections from the places of business, public buildings, and multiple dwellings shall be made daily except Sunday, or daily including Sunday, or bi-weekly, according to the service ordered by such places of business, public buildings, or multiple dwellings.
- 3. The contractor shall furnish, service, and maintain his own hauling equipment, which shall conform in all respects to the provisions of Section 8 of said Ordinance No. 7.
- 4. All garbage, rubbish, dirt, and dead animals so collected by the contractor will be hauled to and dumped and disposed of by burning at a dump

FEB 25 1372

ground to be furnished by the City, provided that the contractor shall have the right to salvage and, for his own profit, dispose of any salvageable rubbish, and provided further, that the contractor may, subject to the rules, regulations and directives of the health authorities of the City of North Las Vegas dispose of "clean" garbage from restaurants, eating houses, and food stores, to hog raisers.

- 5. The City shall not be required to maintain the dump ground, but the same shall be maintained by the Contractor with his own equipment and at his own expense in such manner as to conform with requirements laid down from time to time by the City Health authorities.
- 6. The contractor will be required to carry spraying equipment upon his truck and to spray garbage receptacles of all residences, multiple dwellings, places of business, and public buildings at least once every three months, or oftener if required by health conditions.
- 7. Upon the acceptance of this bid by the City, and before the Contractor shall actually commence garbage collections, the Contractor will elect to come under the provisions of the Nevada Industrial Insurance Act and will, during the life of the agreement, make all reports and pay all premiums required by said Act and by the rules and regulations of the Nevada Industrial Commission.
- 8. The Contractor shall also procure and keep in effect during the life of this agreement, Contractor's Public Liability Insurance and Contractor's Property Damage Insurance with a responsible insurance carrier licensed to do business within the State of Nevada, wherein the City of North Las Vegas shall be designated as co-insured as its interest may appear, which said policies shall provide a minimum limit of coverage as follows:

(a) Under Contractor's Public Liability Insurance, \$25,000 for any one person, and shbject to the same limit per person, \$50,000 for any one

accidence

- (b) Under Contractor's Property Damage Insurance, \$5,000/
- 9. The Contractor will at all times during the life hereof save and hold harmless the City from and against all damages, claims, costs or expenses, including attorneys' fees, arising from or growing out of injuries to or death of any person whomsoever or loss or damage to property, when such injury, death, loss or damage occurs because of or in connection with the carrying on of work under the garbage collection contract.
- conditions herein contained upon its part to be kept and performed, the City shall have the right to terminate this agreement by giving to the Contractor ten (10) days' notice in writing of its intention to so terminate, in which notice the City shall specify the term or condition in respect to the performance of which the Contractor is in default, provided, however, that if the Contractor shall within the said ten (10) day period of notice remedy such default then this contract shall not be terminated for the default so specified; and provided, further, that if the Contractor shall persist in violating any of the terms or conditions hereof on its part to be performed and charges of such persistent violation shall be laid before the City Council of the City of North Las Vegas, the said City Council may, after a hearing, of which the Contractor shall be notified in writing, and at which he shall be entitled to appear with his witnesses to refute such charges, if such charges are found by the City Council to be true, terminate this contract.
- 11. Each bidder must submit with his bid, a detailed description of the type of vehicle, conveyance and other equipment to be used in the hauling of garbage.

FEB 25 Lin

12. Each bidder must agree to keep the City Dump in such condition as to be sanitary and clean, and must agree with the City of North Las Vegas to keep the said Dump in such a condition as required and directed by the City of North Las Vegas, or their designated agent.

BID PURSUANT TO ABOVE SPECIFICATIONS

re: AMP-07-98 & ZN-13-98

Dear Ms. Hinson,

We have recently reviewed the applications referenced above. We operate the Recycling Facility on the adjacent property to the south of the project in question. We have owned the property since 1986 with the anticipation of expanding our solid waste and related facilities. We are opposed to any residential uses adjacent to our industrial property. Residential uses bring a more intense level of light vehicular and pedestrian traffic, exposing the residential public to noise and large-truck traffic. Our twenty-four hour schedule and the long daily schedules of the other construction related businesses in the area would be a threat to a residential lifestyle and possibly a danger to the public welfare.

It is not appropriate to allow a residential use adjacent to an established industrial use. We recommend denial of these applications.

NORTH LAS VEGAS CITY COUNCIL AGENDA ITEM

Passed + Adapted 5/4/94

Number:

c	ı	ID	JE	·	т.
3	u	ю	ᄱ	•	1 :

RESOLUTION NO. 1741 ADOPTING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE

REQUESTED BY:

Vytas Vaitkus, Finance Director

RECOMMENDATION OR RECOMMENDED MOTION:

That the City Council adopt Resolution No. 1741

FISCAL IMPACT: None

STAFF COMMENTS AND BACKGROUND INFORMATION:

At its meeting of March 16, the North Las Vegas City Council adopted Resolution No. 1724, after conducting a public hearing, which approved a new rate schedule (to have become effective April 1, 1994) provided that all other governmental entities in the Silver State Disposal service area adopt the same schedule on or before March 31.

Las Vegas and Henderson adopted the schedule before March 31; Clark County adopted it on April 19. Because the contingency expressed in Resolution No. 1724 had not been met, this Resolution is before the City Council for action.

Resolution No. 1724 also allowed for automatic annual increases based upon increases in the Consumer Price Index within certain parameters. The provision regarding automatic increases was not included in the rate schedule adopted by Las Vegas and Clark County; therefore, it is being omitted from this Resolution under consideration.

For reference, a copy of previously submitted material regarding the rate schedule is attached.

PREPARED BY:

Vytas Vaitkus Vytas Vaitkus

Finance Director

CITY MANAGER APPROVAL:

CITY COUNCIL MEETING DATE: 5/4/94

MO)

RESOLUTION NO. 1741

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS, NEVADA ADOPTING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE.

WHEREAS, Silver State Disposal Service, Inc. submitted a request for an increase in garbage collection rates, and

WHEREAS, representatives of the City of Las Vegas, City of North Las Vegas, City of Henderson, and Clark County reviewed the request and found it to be reasonable in light of the current and expected business and economic environment in which Silver State Disposal Service, Inc. operates, and

WHEREAS, the governing bodies of Henderson, Las Vegas, and Clark County have all adopted the rate schedule; and

WHEREAS, the City of North Las Vegas had previously, after conducting a public hearing, adopted the rate schedule provided that the other entities in the Silver State Disposal service area adopt the same schedule; and

WHEREAS, the Schedule of Garbage Collection Rates is attached hereto;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of North Las Vegas hereby adopts the new rate schedule as attached hereto for the collection and disposal of garbage.

PASSED, ADOPTED, and APPROVED this 4th day of May, 1994.

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS, NEVADA, ADOPTING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE TO BECOME EFFECTIVE APRIL 1, 1994

GARBAGE COLLECTION RATES CITY OF NORTH LAS VEGAS, NEVADA EFFECTIVE APRIL 1, 1994

CHARGES FOR COLLECTION, HAULING AND DISPOSING OF GARBAGE:

- A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from single-family residence on a twice-a-week basis, shall be as follows:
 - \$9.70 per month, payable in advance, each and every month.
- B) Apartments and Multiple Units. (From 2 to 8 apartments) The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from apartments and multiple units (from 2 to 8 units) on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$8.65 for the first unit on one stop; and \$6.07 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three times a week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICKUP SERVICE FOR BULKY ARTICLES.

- C) Apartments and Multiple Units. (9 Apartments or more) The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from apartments and multiple units on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$7.22 for the first unit on one stop and \$5.06 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three times a week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.
- D) Motels and Mobile Home Parks. The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from motels and mobile home parks on a twice-a-week basis, shall be as follows:
 - Offices \$7.27 per month; Sleeping rooms and mobile homes without cooking facilities \$3.26 per month; Rooms where cooking facilities are furnished or mobile homes with cooking facilities \$4.37 per month. For those Mobile Home Parks that would require individual collection at each mobile home, the service will be the same as residential with a heavy item pickup provided and the rate of \$9.70 per month, per unit. Should three times-a-week service be requested by any motel or mobile home park, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.

E) Hotels, Places of Business and Public Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Number and Type of Receptacles.	2 Collections Per Week	6 Collections Per Week	7 Collections Per Week
1 Garbage Can	\$12.93	\$54.31	\$65.21
2	26.15	76.05	91.26

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$21.74 for six collections per week, or \$26.05 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans [thirty-three gallons maximum capacity] and receive service on a two-collections per week basis, shall pay the same monthly charge as for six collections per week.

One Cubic Yard Container	2 Collections Per Week	6 Collections Per Week	7 Collections Per Week
1-one cubic yard container	\$ 65.01	140.59	168.90

F) It is the City's intent that rates for the collection, removal, disposal of solid waste may increase or decrease on an annual basis in conformance with the changes to the consumer price index (CPI) for the calendar year immediately preceding. (1967 = 100) The company prior to February 1 of each year shall file with the City Clerk their audited financial statements for the preceding fiscal year, together with a certification attested to by an officer of the company that the net income after Federal income taxes for that year represents a return on net assets of 15% or less. The City Manager shall cause such certification to be reviewed and if there is no disagreement with the computation of the return on net assets the Company shall be permitted to increase their various service fees by an amount no greater than the change in the CPI for the previous calendar year. They shall file a copy of the new rate schedule with the City Clerk no later than March 1. If the company disagrees with the findings of the city manager, desires a rate increase greater than the CPI, or desires a rate increase when the return on net assets exceeds 15% for the previous fiscal year they shall submit such request(s) to the city council for their approval. Rate changes as allowed herein shall be effective April 1.

RESOLUTION NO. 1724

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS, NEVADA ADOPTING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE TO BECOME EFFECTIVE APRIL 1, 1994 PROVIDED THAT ALL OF THE OTHER GOVERNMENTAL ENTITIES IN THE SILVER STATE DISPOSAL AREA ADOPT THE SAME SCHEDULE ON OR BEFORE MARCH 31, 1994.

WHEREAS, Silver State Disposal Service, Inc. has submitted a request for an increase in garbage collection rates, and

WHEREAS, representatives of the City of Las Vegas. City of North Las Vegas, City of Henderson, and Clark County have reviewed the request and find it to be reasonable in light of the current and expected business and economic environment in which Silver State Disposal Service, Inc. operates, and

WHEREAS, the Schedule of Garbage Collection Rates is attached hereto;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of North Las Vegas hereby adopts the new rate schedule as attached hereto for the collection and disposal of garbage to become effective April 1, 1994 provided that all of the other governmental entities in the Silver State Disposal service area adopt the same schedule on or before March 31, 1994.

PASSED, ADOPTED, and APPROVED this 16th day of March , 1994.

/s/ JAMES K. SEASTRAND

James K. Seastrand, Mayor

ATTEST:

/s/ EILEEN M. SEVIGNY
Eileen M. Sevigny, CMC, City Clerk

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS, NEVADA, ADOPTING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE TO BECOME EFFECTIVE APRIL 1, 1994

GARBAGE COLLECTION RATES CITY OF NORTH LAS VEGAS, NEVADA EFFECTIVE APRIL 1, 1994

CHARGES FOR COLLECTION, HAULING AND DISPOSING OF GARBAGE:

- A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from single-family residence on a twice-a-week basis, shall be as follows:
 - \$9.70 per month, payable in advance, each and every month.
- B) Apartments and Multiple Units. (From 2 to 8 apartments) The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from apartments and multiple units (from 2 to 8 units) on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$8.65 for the first unit on one stop; and \$6.07 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three times a week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICKUP SERVICE FOR BULKY ARTICLES.

- C) Apartments and Multiple Units. (9 Apartments or more) The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from apartments and multiple units on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$7.22 for the first unit on one stop and \$5.06 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three times a week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.
- D) Motels and Mobile Home Parks. The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from motels and mobile home parks on a twice-a-week basis, shall be as follows:
 - Offices \$7.27 per month; Sleeping rooms and mobile homes without cooking facilities \$3.26 per month; Rooms where cooking facilities are furnished or mobile homes with cooking facilities \$4.37 per month. For those Mobile Home Parks that would require individual collection at each mobile home, the service will be the same as residential with a heavy item pickup provided and the rate of \$9.70 per month, per unit. Should three times-a-week service be requested by any motel or mobile home park, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.

E) Hotels, Places of Business and Public Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Number and Type of Receptacles	2 Collections Per Week	6 Collections Per Week	7 Collections Per Week
1 Garbage Can	\$12.93	\$54.31	\$65.21
2	26.15	76.05	91.26

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$21.74 for six collections per week, or \$26.05 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans [thirty-three gallons maximum capacity] and receive service on a two-collections per week basis, shall pay the same monthly charge as for six collections per week.

NORTH LAS VEGAS CITY COUNCIL AGENDA ITEM

APR 03 1996

Number:

F-0002

SUBJECT:

SILVER STATE DISPOSAL SERVICE, INC --- REFUSE REMOVAL AGREEMENT

REQUESTED BY:

Vytas Vaitkus, Finance Director

RECOMMENDATION OR RECOMMENDED MOTION:

That the City Council approve, and authorize the Mayor to sign, a revised franchise agreement between the City of North Las Vegas and Silver State Disposal Service for collection and disposal of solid waste within North Las Vegas.

FISCAL IMPACT:

None

STAFF COMMENTS AND BACKGROUND INFORMATION:

Two years ago Silver State Disposal Service was granted a rate increase throughout its service area (Henderson, Las Vegas, and Unincorporated area of Clark County) designed to provide a 13% return on assets. There had been protracted negotiations over the request as well as considerable discussion generated by public comment regarding the rate increase. By mutual agreement among the affected local governments, a standard methodology was to be developed for future rate change requests.

The enclosed agreement provides a methodology whereby rates would be based upon a "return on net (contract) income" basis rather than a "return on assets" basis.

Specifically the agreement provides for a desired rate of return of 7% after Federal taxes and City franchise fees. Rates would be calculated for the next year based upon the prior year's revenues. Further there would be an incentive or disincentive factor, in determining rates, if administrative expenses are lower than 12% or greater than 15% of contract revenues respectively. In addition, Silver State Disposal Service will provide statistics by which its performance can be measured against industry standards.

The provisions of this agreement do not affect the public hearing requirement contained in the North Las Vegas Charter Section 2.280 and such hearings will still be required to consider any rate change.

A copy of the agreement is available in the City Clerk's office for review.

From:

David H. Bereskin, P.E., Acting Director of Utilities

Phil Stoeckinger, Director of Finance

Subject:

SB #243 Increase to Trash Bills

Date:

February 17, 2004

The 72nd Session of the Nevada Legislature enacted Senate Bill #243 which increased the tax liability of Republic Services of Southern Nevada, our franchisee and refuse removal contractor. In short, the bill changes Republic Services' payroll tax from a fixed \$25.00 per employee to 0.7 % of total payroll. Section 187 of the tax bill states: "...a local government franchisee may increase its previously approved rates by an amount which is reasonably estimated to produce an amount of revenue equal to the amount of any tax liability incurred by the public utility or local government franchisee before January 1, 2005, as a result of the provisions of this act."

Since we provide billing services for Republic Services, they requested that we increase the tax fee at the bottom of the utility bill from 3 cents to 9 cents. A net increase of 6 cents a month for all categories of customers. Mr. Knessel of Republic Services sent us a copy of their first quarter tax return that they file with the Nevada Department of Taxation. After reviewing Republic Services' computations, Finance, City Attorney's office, and Utilities concur that this request appears reasonable and suggest that we increase the tax line item in accordance with Section 187 of the tax bill. In fact, the City of North Las Vegas does not have any recourse not to effectuate the \$.06 increase. This is an informational memo only and does not require the City to enact an ordinance.

Utilities will be able to change the bill upon notification from your office to do so. We are also planning to put an explanation in or on the bill explaining the tax increase.

David H. Bereskin, P.E.

Acting Director of Utilities

Phil Stoeckinger

Director of Finance

June 23, 2003

Mr. Phil Stoeckinger
Director of Finance
City of North Las Vegas
2200 Civic Center
North Las Vegas, NV 89030

Dear Mr. Stoeckinger,

According to the franchise agreement with the City of North Las Vegas, the rates charged by Republic Silver State Disposal, Inc. (DBA-Republic Services of Southern Nevada) will increase on July 1, 2003 by the increase in the annual Consumer Price Index, All Urban Consumers, U.S. City Average (CPI-U) for the calendar year 2002. The annual increase for the CPI-U for 2002 was 1.58%.

Enclosed, please find the Monthly Collection Rates for the City of North Las Vegas effective July 1, 2003. We appreciate the privilege and opportunity to service your disposal needs. If there are any questions, please do not hesitate to contact me at 734-5410.

Sincerely,

Sheryl Martello Administration Manager

NORTH LAS VEGAS CITY COUNCIL **AGENDA ITEM**

Number:

1ÜN 5 2002

Q1	JB.		O-	T٠
O	JDs	JL.	·	Б.

RESOLUTION NO. 2233 ADOPTING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE TO BECOME EFFECTIVE JULY 1, 2002

REQUESTED BY:

Clarence C. Van Horn, City Treasurer

RECOMMENDATION OR RECOMMENDED MOTION:

That the City Council conduct a public hearing to consider the proposed rate increase; and, further, that Resolution No. 2233, along with the attached charges for collecting, hauling, and disposing of garbage, be adopted to become effective July 1, 2002.

FISCAL IMPACT:

Amount:

\$42,000 additional revenue

Explanation: The City receives a 5% franchise fee on garbage charges collected and an additional 5% to reimburse the City for

billing and collection services

ACCOUNT NUMBER:

100-3232 610-3642

STAFF COMMENTS AND BACKGROUND INFORMATION:

Republic Services of Southern Nevada has requested a rate increase of 2.85% effective July 1, 2002.

Section 8.20.140 of the Municipal Code governs garbage collection charges and rate changes. This section states that "All such rates and charges as are prescribed in this chapter shall be reviewed from time to time by the City Council which shall be empowered to make and authorize any increase or decrease in the rates charged..." The rates and charges permitted shall be subject to annual adjustments based upon the percentage of change in the Consumer Price Index, All Urban Consumers, U. S. City Average (CPI-U) as published by the U. S. Department of Labor, Bureau of Labor Statistics, Washington, D. C. When the percentage change in the CPI-U is between 0 and 6-1/2%, the charges are to be adjusted by the actual percentage change. The annual change in the CPI-U from December 2000 to December 2001 was 2.85%, which is the increase being requested.

LIST CITY COUNCIL GOAL(S):

Financially Sound City Government Providing High Quality, Responsive Services.

PREPARED BY:

Clarence C. Van Horn

City Treasurer

APPROVAL:

Kurt Fritsch City Manager CITY COUNCIL **MEETING DATE:**

6/5/02

RESOLUTION NO. 2233

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS ADOPTING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE TO BECOME EFFECTIVE JULY 1, 2002

WHEREAS, Republic Services of Southern Nevada submitted a request for an increase in garbage collection rates of 2.85 percent; and

WHEREAS, Section 8.20.140 of the Municipal Code governs garbage collection charges and rate changes; and

WHEREAS, the City Council is empowered to make and authorize any increase in the rates charged; and

WHEREAS, the rate and charges permitted shall be subject to annual adjustments based upon the percentage of change in the Consumer Price Index, All Urban Consumers, U. S. City Average (CPI-U), as published by the U. S. Department of Labor, Bureau of Labor Statistics, Washington, D.C., when the percentage change in the CPI-U is between 0 and 6.5 percent; and

WHEREAS, the annual change in the CPI-U from December 2000 to December 2001 was 2.85 percent.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of North Las Vegas, Nevada, adopt the new rate schedule, as attached hereto, for the collection and disposal of garbage to become effective July 1, 2002.

PASSED, ADOPTED AND APPROVED this 5th day of June, 2002.

APPROVED:

/s/ Michael L. Montandon
MICHAEL L. MONTANDON, MAYOR

ATTEST:

/s/ Eileen M. Sevigny
EILEEN M. SEVIGNY, CMC, City Clerk

NOTICE TO ALL INHABITANTS OF THE CITY OF NORTH LAS VEGAS, NEVADA, AND TO ALL CUSTOMERS OF THE GARBAGE UTILITY OF THE CITY OF NORTH LAS VEGAS, NEVADA

NOTICE IS HEREBY GIVEN that the City Council of the City of North Las Vegas, Nevada, will hold a public hearing on Wednesday, June 5, 2002, at 6:30 p.m. in the Council Chambers at City Hall, 2200 Civic Center Drive, to consider a change in the garbage rate schedule. The proposed garbage rate schedule is on file and available for public examination in the City Clerk's Office, City Hall, 2200 Civic Center Drive, North Las Vegas, Nevada.

Any and all interested persons may appear before the North Las Vegas City Council in person or by counsel and may object to or express approval of the proposed garbage rate schedule changes or may, prior to the hearing, file with the City Clerk's Office written objections thereto or approval thereof.

January 22, 2002

Mr. Vytas Vaitkus Finance Director City of North Las Vegas 2200 Civic Center Drive North Las Vegas, NV 89030

Dear Mr. Vaitkus:

According to Republic Silver State Disposal Inc.'s Agreement with the City of North Las Vegas, the rates charged by Republic shall be adjusted by the percentage of change in the Consumer Price Index, All Urban Consumers, U.S. City Average (CPI-U), as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C.

On January 16, 2002, the Bureau of Labor Statistics reported an increase in annual CPI-U of 4.9 points from 172.2 for the calendar year 2000 to 177.1 for the calendar year 2001. This represents an annual increase of 2.85%. The rates charged by Republic will reflect this increase effective July 1, 2002.

If you should have any questions, please feel free to contact me.

Sincerely,

Robert D. Kneesel Area Controller

RDK/jd

cc: Clarence Van Horn, City Treasurer

RESOLUTION NO. 2233

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS ADOPTING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE TO BECOME EFFECTIVE JULY 1, 2002

WHEREAS, Republic Services of Southern Nevada submitted a request for an increase in garbage collection rates of 2.85 percent; and

WHEREAS, Section 8.20.140 of the Municipal Code governs garbage collection charges and rate changes; and

WHEREAS, the City Council is empowered to make and authorize any increase in the rates charged; and

WHEREAS, the rate and charges permitted shall be subject to annual adjustments based upon the percentage of change in the Consumer Price Index, All Urban Consumers, U. S. City Average (CPI-U), as published by the U. S. Department of Labor, Bureau of Labor Statistics, Washington, D.C., when the percentage change in the CPI-U is between 0 and 6.5 percent; and

WHEREAS, the annual change in the CPI-U from December 2000 to December 2001 was 2.85 percent.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of North Las Vegas, Nevada, adopt the new rate schedule, as attached hereto, for the collection and disposal of garbage to become effective July 1, 2002.

PASSED, ADOPTED AND APPROVED this 5th day of June, 2002.

ORDINANCE NO. 1305

AN ORDINANCE TO AMEND TITLE 8 OF THE NORTH LAS VEGAS MUNICIPAL CODE BY AMENDING CHAPTER 8.20, SECTIONS 8.20 040 AND 8.20 140, RELATING TO THE DEFINITION OF THE UNFORESEEN CIRCUMSTANCES AND CERTAIN SOLID WASTE COLLECTION RATES AND RATE CHANGES; AND PROVIDING FOR OTHER MATTERS PROPERLY RELATED THERETO

THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS, COUNTY OF CLARK, STATE OF NEVADA, DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Title 8.00 of the North Las Vegas Municipal Code is amended by amending Chapter 8.20, Sections 8.20.040 Definitions, and 8.20.140 Collection Charges and Rate Changes, as follows:

8.20.040 Definitions.

"Unforeseen economic circumstance" means that the percentage change in the Consumer Price Index, All Urban Consumers, U.S. City Average (CPI-U), as published by the Bureau of Labor Statistics, Washington, D.C. for a given calendar year ending in December is greater than ten percent (10%) or below zero (decrease); or that some occurrence beyond the franchisee's reasonable control, or an action by a governmental jurisdiction, or if the City Council finds that economic occurrences during that period have caused specific additional economic costs for the franchisee which are not reflected in changes to the CPI-U during that same time period.

- 8.20.140(A) Charges Hotels, places of business and public buildings. Rates for the incorporated limits of the City of North Las Vegas, as defined in the franchise agreement (Refuse Removal Agreement) for solid waste service in the City. The monthly charge payable quarterly in advance for collecting, hauling and disposing of solid waste from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of collections from each per week in accordance with Table 8.20.140A attached hereto. The charge for collecting, hauling and disposing of compacted solid waste from receptacles other than compaction-type drop boxes shall be three times the otherwise applicable charge. Table 8.20.140B attached hereto.
- 8.20.140(B) Charges Single-family residence, apartments and multiple units, motels and mobile home parks. See Table 8.20.140B attached hereto.
- 8.20.140(C) Contracted Solid Waste Compactor Rates. See Table 8.20.140C attached hereto.
- 8.20.140(D) Container rental and special one-time collection charges The charges for container rental and special one-time collection for single-family residences, multiple dwellings, places

of business and public buildings in the solid waste service area shall be as set forth in Table 8.20.140(C) attached hereto.

- 8.20.140(E) Rates Changes All such rates and charges as are prescribed in this chapter shall be reviewed from time to time by the City Council which shall be empowered to make and authorize any increase or decrease in the rates to be charged for the collection, removal and disposal of solid waste basing their decisions, in part, on the percentage change in the Consumer Price Index (CPI), Other utilities and Public Services (1967 = 100), as published by the Bureau of Labor Statistics, Washington, D. C. The rates and charges permitted by franchisee established in this chapter shall be subject to annual adjustments based upon the percentage of change in the Consumer Price Index, All Urban Consumer, U.S. City Average (CPI-U), as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D. C.
- a) The first such adjustment shall be made effective as of July 1, 1999 and shall be based upon the percentage change in the CPI-U for the twelve-month period ending December 31, 1998. Thereafter, the rates and charges shall be adjusted annually on July 1, based upon the percentage change in the CPI-U for the preceding year ending in the month of December.
- b) Annual increases to rates and charges adjusted in accordance with the percentage change in the CPI-U shall not be greater than six and one-half percent (6.5%) when the percentage change in CPI-U is within the range of 0 (no change) to ten percent (10%).
- (1) When the percentage change in the CPI-U is between 0 and 6.5%, the charges are to be adjusted by the actual percentage change.
- (2) When the percentage change is between 6.5% and 10%, the rates are adjusted and shall not be greater than 6.5%.
- c) When an unforeseen economic circumstance has occurred during the preceding year, the City Council may consider and may approve a method for adjusting rates which is not based on changes to the CPI-U. In any year following a period when the adjustment to rates was based on some other method, rate adjustments shall again be based on changes in the CPI-U.
- SECTION 2. If any provision, section, paragraph, sentence, clause, or phrase of this chapter is for any reason held to be invalid or unconstitutional by any court or competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity of the remaining portions of this chapter. It is the intent of the City Council in adopting this chapter that no portion or provision thereof shall become inoperative or fail by reason of any invalidity or unconstitutionality of any other portion or provision, and to this end all provisions of this chapter are declared to be severable.
- SECTION 3. All ordinances, parts of ordinances, chapters, sections, subsections, clauses, phrases or sentences contained in the North Las Vegas Municipal Code in conflict herewith are hereby repealed.
- SECTION 4. This ordinance shall take effect and be in force from and after its passage and the publication thereof by title only, together with the names of the City Council members voting for

and against its passage, in a newspaper published in and having a general circulation in Clark County, Nevada, at least once a week for a period of two (2) weeks.

CHARGES FOR COLLECTION, HAULING AND DISPOSING OF GARBAGE

<u>Single-Family Residence</u>. The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from single-family residence on a twice-a-week basis, shall be as follows:

\$9.70 per month, payable in advance, each and every month.

Apartments and Multiple-Units. (From 2-8 apartments) The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from apartments and multiple units (from 2 to 8 units) on a twice-a-week basis shall be a flat rate to be computed as follows:

\$8.65 for the first unit on one stop; and \$6.07 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three-times-a-week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICKUP SERVICE FOR BULKY ARTICLES.

<u>Apartments and Multiple Units</u>. (9 apartments or more) The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from apartments and multiple units on a twice-a-week basis shall be a flat rate to be computed as follows:

\$7.22 for the first unit on one stop and \$5.06 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three-times-a-week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.

Motels and Mobile Home Parks. The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from motels and mobile home parts on a twice-a-week basis, shall be as follows:

Offices - \$7.27 per month; sleeping rooms and mobile homes without cooking facilities - \$3.26 per month; rooms where cooking facilities are furnished or mobile homes with cooking facilities - \$4.37 per month. For those mobile home parks that would require individual collection at each mobile home, the service will be the same as residential with a heavy-item pickup provided and the rate of \$9.70 per month, per unit. Should three-times-a-week service be requested by any motel or mobile home park, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.

PASS-THROUGH OF NEVADA BUSINESS TAX AS IT RELATES TO SILVER STATE DISPOSAL SERVICE, INC.

REQUESTED BY:

Vytas Vaitkus, Finance Director

RECOMMENDATION OR RECOMMENDED MOTION:

That the City Council approve the rate, of six cents per month per account billed, requested by Silver State Disposal Services, Inc. be added to monthly utility bills for each account where garbage service is provided. The line, separate from garbage charges, will be entitled "State Business Tax Pass-through."

FISCAL IMPACT None

STAFF COMMENTS AND BACKGROUND INFORMATION:

By letter of August 28 Joseph L. Anstett, Executive Vice President of Silver State Disposal Services, Inc, requested that the City include a separate line item on utility bills, at six cents per month per account billed, to recover the amount expected to be paid by the firm as a business tax pursuant to AB303 adopted during the last session of the Legislature. We have reviewed the calculations set forth in Mr. Anstett's letter and agree that six cents per month per account is a reasonable amount as required in the legislation and will produce the amount of revenue authorized.

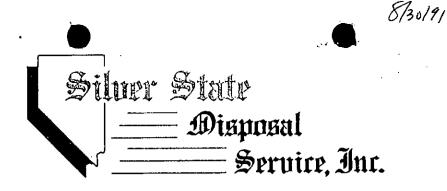

City Council approval is required as provided in Section 47 of AB303 "... a business whose rates were approved by a local governmental entity ... may increase the previously approved rates by an amount which is reasonably estimated to produce an amount of revenue equal to the amount of taxes the business is required to pay ... " and "The local governmental entity ... which approves the rates of the business shall regulate the increase allowed pursuant to this Section to ensure that the increase produces the amount of revenue authorized."

CITY COUNCIL MEETING DATE:

9/18/91

August 28, 1991

Mr. Michael Dyal City Manager City of North Las Vegas City Hall, 2200 Civic Center Drive North Las Vegas, NV 89030

Dear Mike:

During the 1991 State Legislature our representatives deemed it in our best interest to approve the Nevada Business Tax (AB 303) which became law effective July 1, 1991. Section 47 of the aforementioned bill provides for the pass-through of the tax to the customers of businesses whose rates are approved by a local government entity. We have sought advice from our corporate council pertaining to this pass-through and they have concurred with our interpretations of Section 47.

It is our purpose therefore to advise the City Council, through your office, that we have determined that the charge to be passed on to all disposal customers must be equal in amount irrespective of the garbage billing. Projecting on an annual basis an average employment of 952 employees, the annual tax will amount to \$110,160.00. Utilizing our current base of disposal customers which is 170,716 we can calculate that the monthly additional cost to customers will amount to .06¢ per month per account billed.

We therefore anticipate that effective October 1, 1991, we will initiate this additional charge as a separate line item entitled "Business Tax" on each and every account where garbage service is provided. It is our further intent to annually re-evaluate the factors of this computation and adjusting for any overages or shortfalls in the collection of the tax.

Should you have any inquiries regarding this matter, please do not hesitate to contact the undersigned.

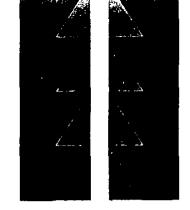

Yours very truly,

Joseph L. Anstett

Executive Vice President

Mike: 6 ileen said S. U. is waiting to see what other entities are doing about Silver States Day request. The County (Duy Gobbs) told Uytas last week, Hwould not take before The Commissioners since its been passed by Legislature. They are first going to impose the tax, and both of I ! County may decide to impose through an ordinance. Eileen got all her ents from Zalavres who has had recent conversation w/S. U. + the County. Maybe we should table ours.

NORTH LAS VEGAS CITY COUNCIL

AGENDA ITEM

Number:

SUBJECT:

RESOLUTION NO. 1553 ADOPTING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE TO BECOME EFFECTIVE APRIL 1, 1991

REQUESTED BY:

Vytas Vaitkus, Finance Director

RECOMMENDATION OR RECOMMENDED MOTION:

That the City Council conduct a public hearing to consider any evidence in support of or against the proposed change.

That Resolution No. 1553, along with the attached charges for collection, hauling, and disposing of garbage to become effective April 1, 1991, be adopted.

FISCAL IMPACT \$40,000 additional revenue: \$20,000 for franchise fee \$ and \$20,000 for collection fee.

STAFF COMMENTS AND BACKGROUND INFORMATION:

By letter of November 8, Joseph Anstett, Executive Vice President of Silver State Disposal Service, Inc., had requested the cities of North Las Vegas, Las Vegas, Henderson, and the County of Clark to grant a general rate increase in garbage removal rates of \$1.25 per month for residential accounts and an 18% increase in all other rates. The request, if granted, will provide necessary revenues to (1) adequately implement a household curbside recycling program to eliminate from the existing solid waste stream newspapers, magazines, cardboard, glass, plastics, aluminum, tin, and household hazardous waste such as motor oils, paint thinners, solvents, and pesticides, and (2) for a successful labor contract which will solidify a labor-management relationship to ensure uninterrupted garbage removal service and recycling efforts to the benefit of all citizens until the mid 1990's.

It is expected that the additional revenue to be generated is approximately \$8,100,000 annually. Of that amount, 62% is needed for the recycling program which is being embarked upon and 38% is needed for the labor contract extension.

Notwithstanding the relatively modest increase in garbage removal rates, residents of North Las Vegas will receive more service at a rate lower than currently exists in most western cities.

Representatives of the entities affected by the rate increase, including the undersigned, heard compelling reasons from Mr. Anstett as to why the aforementioned increase in rates is necessary and have determined that the request is reasonable.

The proposed change in garbage rates was published, as required by Section 2.280.1 (c) (2) of the Charter, on December 7 and 14.

GARBAGE COLLECTION RATES CITY OF NORTH LAS VEGAS, NEVADA EFFECTIVE APRIL 1, 1991

CHARGES FOR COLLECTION, HAULING AND DISPOSING OF GARBAGE:

- A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from single-family residence on a twice-a-week basis, shall be as follows:
 - \$8.15 per month, payable in advance, each and every month.
- B) Apartments and Multiple Units. (From 2 to 8 apartments) The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from apartments and multiple units (from 2 to 8 units) on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$7.27 for the first unit on one stop; and \$5.10 for each additional unit on one stop, Irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three times a week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICKUP SERVICE FOR BULKY ARTICLES.

1

- C) Apartments and Multiple Units. (9 Apartments or more) The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from apartments and multiple units on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$6.07 for the first unit on one stop and \$4.25 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three times a week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.
- D) Motels and Mobile Home Parks. The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from motels and mobile home parks on a twice-a-week basis, shall be as follows:
 - Offices \$6.11 per month; Sleeping rooms and mobile homes without cooking facilities \$2.74 per month; Rooms where cooking facilities are furnished or mobile homes with cooking facilities \$3.67 per month. For those Mobile Home Parks that would require individual collection at each mobile home, the service will be the same as residential with a heavy item pickup provided and the rate of \$8.15 per month, per unit. Should three times-a-week service be requested by any motel or mobile home park, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.
- E) Hotels, Places of Business and Public Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Number and Type of Receptacles, Garbage Cans to 33-gal. Capacity	2 Collections Per Week	6 Collections Per Week	7 Collections Per Week
1	\$10.86	\$45.63	\$54.79
2	21.97	63.90	76.68

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$18.27 for six collections per week, or \$21.89 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans (thirty-three gallons maximum capacity) and receive service on a two-collections per week basis, shall pay the same monthly charge as for six collections per week.

AN ORDINANCE TO AMEND TITLE 4. CHAPTER 4.04 OF THE NORTH LAS VEGAS MUNICIPAL CODE, BEING ORDINANCE NO. 7 RELATING TO THE COLLECTION AND DISPOSAL OF GARBAGE, RUBBISH AND OTHER MATERIALS WITHIN THE CITY OF NORTH LAS VEGAS FOR PRIVATE DWELLINGS. BUSINESSES AND ALL OTHER GARBAGE AND RUBBISH PRODUCERS WITHIN THE CITY OF NORTH LAS VEGAS; PROVIDING OTHER MATTERS PROPERLY RELATING THERETO; AND REPEALING ALL ORDINANCES OR CHAPTERS, SUBSECTIONS OR PARAGRAPHS SECTIONS. CONTAINED IN THE NORTH LAS VEGAS MUNICIPAL CODE IN CONFLICT HEREWITH.

THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS DOES ORDAIN:

who die

SECTION ONE: That Title 4, Chapter 4.04, being Ordinance No. 7 as amended by Ordinance Nos. 188, 394 and 541, is hereby amended to read as follows:

4.04.010 Provision for collection and disposal of garbage.

The City Council of the City of North Las Vegas may, by contract or otherwise, or in any manner said Council may deem necessary for the health, safety and welfare of said inhabitants, provide for the collecting and disposal of garbage, rubbish, dirt, and dead animals and other refuse from residences, multiple dwellings with or without kitchen facilities, places of business and public buildings, at the expense of the City or otherwise.

4.04.020 Contractor subject to rules.

Any person, firm or corporation entering into a contract with the City of North Las Vegas for the collecting, hauling and disposal of garbage, rubbish, dirt and dead animals in said City shall do so subject to the rules and regulations of the District Health Department, Clark County and of such ordinances and amendments of ordinances as said City may, from time to time, enact.

4.04.025 Applicability of chapter.

This chapter and the provisions contained herein shall apply to every area and facility in the City of North Las Vegas including, but not limited to the following: hotels, places of business, public buildings, auto courts, mobile home parks, multiple residential units with any number of apartments and residential single family dwellings.

The amendments adopted June 1, 1988 are effective January 1, 1989.

4.04.030 Definitions.

GARBAGE is defined as refuse, animal or vegetable matter from a kitchen, market or store, including every refuse accumulation of animal, fruit, or vegetable matter, liquid or otherwise, that attends preparation, use, cooking, dealing in or storing of meat, fish, fowl, fruit or vegetables, and all foul, noisome and filthy substances.

RUBBISH is defined as old tin, aluminum and iron cans and containers, old wood and paper boxes, old metals, wire, rope, cordage, bottles, bags, and bagging, rubber and rubber tires, paper wood shavings, and all used or cast off articles or materials, including old plaster, brick, cement, glass, old building materials, leaves and yard trimmings including tree trimmings.

DIRT is defined to include loose earth, ashes and manure, but exclusive of sand and gravel that is to be used in construction work.

í

DEAD ANIMALS are defined as all small dead animals or parts thereof (including condemned meats) and not intended to be used as food for man or animal that weigh less than seventy-five pounds.

GARBAGE, RUBBISH, DIRT and DEAD ANIMALS, as defined and for purposes of this chapter, are declared to be nuisances per se.

PLACE OF BUSINESS is defined as any place of business in the City of North Las Vegas licensed by said City, other than multiple dwellings, to conduct or carry on principally or exclusively any pursuit of occupation for the purpose of gaining a livelihood.

PUBLIC BUILDINGS are defined to be office buildings, clubs, churches, schools, hospitals or other places of similar character.

MULTIPLE DWELLINGS are defined to be two or more family unit constructions (including apartments, motels, trailer courts, and auto courts) grouped together under the management of one person, firm, or corporation.

RESIDENCE is defined to be a building or dwelling wherein not more than one family resides or dwells, and where no business of any kind is conducted.

ADDITIONAL REFUSE is defined as refuse and garbage from single family residences that cannot be contained in a single receptacle, the dimensions of which do not exceed a capacity of thirty-three gallons, or four and forty-one hundredths cubic feet. "Additional refuse" includes, but is not limited to, stoves, refrigerators, furniture and hot water heaters. "Additional refuse" does not include loose materials such as soil, sand and rocks or whole mature trees or telephone poles.

ADDITIONAL REFUSE SERVICE is defined as the pickup, collection and removal of those items defined as additional refuse.

4.04.040 Unlawful to deposit garbage on premises of another.

It is unlawful for any person to throw or cause to be thrown or deposited upon the premises or in the garbage receptacle of another, any garbage, rubbish, dirt or dead animal.

4.04.050 Unlawful to deposit garbage on street.

It is unlawful for any person to throw or deposit or cause to be thrown or deposited, on any street, alley, gutter or highway within the limits of the City of North Las Vegas, any dirt, rubbish, garbage, or dead animal.

4.04.060 Burning of Garbage - Permit required.

It is unlawful for any person for the purpose of burning garbage, rubbish, dirt or dead animals, to kindle or maintain any bonfire or knowingly furnish the materials for any such fire or to authorize any such fire to be kindled or maintained in any garbage or rubbish receptacle, or to burn garbage, rubbish, dead animals, or dirt in a garbage or rubbish receptacle, or on any street, alley, road, or land either public or private within the City of North Las Vegas, unless a written permit to do so shall first have been secured from the City fire department; provided, however, that rubbish of a combustible nature may be burned in an incinerator duly approved by the fire chief.

4.04.070 Unlawful to convey garbage or interfere with receptacles.

It is unlawful for any person, firm or corporation other than the City of North Las Vegas or its agents or contractors, or their employees, to collect within the City and haul, convey or transport any garbage, rubbish, dirt, or dead animals over or through the public streets or alleys of the City, or interfere in any manner with any receptacles containing garbage, rubbish, dirt, or dead animals, or to remove any such receptacles from the location where placed by the owner thereof, or to remove any of the contents of such receptacles; provided, however, that construction and excavation debris and waste may be removed by any duly licensed building contractor and further, that (private) individual persons for non-commercial purposes and not for pecuniary profit may remove, convey and transport rubbish only, as defined in this Chapter, from their residences to a City or contractor owned and/or operated dumping ground.

To ensure the uniform, safe and sanitary treatment of garbage in the City, it shall be mandatory that any person owning, occupying or managing any premises in the City of North Las Vegas which produces or generates garbage subscribe to garbage collection services by the City or its authorized contractor and pay the charges therefor prescribed by Section 4.04.110 of this Chapter.

4.04.072 Free dumping of home-originated solid waste.

Any resident of the City of North Las Vegas whose account is paid and current, may deposit home-originated solid waste at the county land fill or transfer station, whether the same is operated by Clark County or by private contractor, without charge, in accordance with such rules and regulations as the Board of County Commissioners may, from time to time adopt, and in accordance with rules and regulations as the City Council of the City of North Las Vegas may from time to time adopt.

4.04.080 Garbage collection vehicle restrictions.

It is unlawful to use any cart or vehicle for the conveyance or removal of garbage, dirt or dead animals unless the said cart or vehicle is staunch, tight, and closely covered with a wooden, metal, or tarp cover so as to wholly prevent leakage, sifting, spilling, drifting, blowing or smell; or to use any cart or vehicle for the conveyance or removal of dirt or rubbish unless the cart or vehicle is provided with a canvas cover securely fastened over the top thereof, and be so constructed as to prevent sifting, spilling, drifting, or blowing the deposit of such dirt or rubbish or any portion thereof, in or upon the streets through which said cart or vehicle may be driven.

4.04.090 Receptacles.

Every person, firm association or corporation owning or managing any place of business, public building, multiple dwelling or residence, except as provided in Section 4.04.120 of this Chapter, shall provide a receptacle or receptacles sufficient for the deposit of all garbage, rubbish, and/or dirt from his, or its or their premises and shall on each collection day as prescribed by the City or its contractor, place said receptacle or receptacles adjacent to the alley adjoining his premises, or, if there is no alley, shall place said receptacle or receptacles in an accessible location, adjoining his place of business, public building, multiple dwelling, or residence no more than six hours prior to the regular collection day established in the area of such location.

No single receptacle shall have a capacity in excess of thirty-six gallons; and no person shall remove any such garbage, rubbish, or dirt from such receptacles after it has been deposited therein except the City of North Las Vegas, its authorized agents or contractors, or their employees. All such receptacles shall be provided with proper tight-fitting covers and it is a violation of this chapter to use any receptacle not provided with proper lid.

All receptacles must be returned to its proper storage area by 12 noon of the following day after pickup. Storage of all receptacles excepting cubic containers or dumpsters must be stored in the side or rear yard. Storage of cubic containers or dumpsters must be stored in an enclosed area. Each and every garbage container, whether canister type or dumpster must be marked with 12 inch numbers designating the correct address of the property it serves.

:

Except as provided below, each garbage receptacle shall be constructed water tight and shall be provided with handles and tight fitting cover. Each such receptacle and cover shall be made of metal or other material as may be approved for use by the District Health Department, Clark County. Cover shall not be removed except when necessary to place garbage therein or to remove garbage therefrom. Each receptacle and its cover shall be kept clean from accumulating grease and decomposing material.

All receptacles designed to be emptied by hand shall be so constructed as to contain not less than three (3), nor more than thirty-three (33) gallons, or four and forty-one hundredths cubic feet; and no person shall remove any such garbage, rubbish, or dirt from such receptacles after it has been deposited therein except the City of North Las Vegs, its authorized agents or contractors, or their employees. All such receptacles described above shall be provided with proper tight-fitting covers.

As an exception to the use of receptacles as described above, trash bags and/or lawn bags made of a substance sufficiently strong so as not to rip and tear may be utilized for cut grass, leaves and other solid waste or rubbish not known as wet garbage and not garbage as defined in Section 4.04.030 of this Chapter so long as said bags are properly closed and tied so that nothing contained therein may spill from said bag. Provided further, that tree and yard trimmings susceptible to being bundled may be bundled if securely tied. Such bundles shall not exceed five feet in length, nor weigh more than seventy-five pounds.

4.04.100 Draining and wrapping of garbage: Exceptions.

Before placing garbage in the receptacle, the liquid shall be drained therefrom and the garbage shall be wrapped in paper; provided, however, unwrapped garbage may be placed in metal receptacles having tight-fitting covers and provided further, such garbage may be placed in the receptacle with rubbish.

4.04.105 Additional refuse service.

Additional refuse service shall be provided in the City of North Las Vegas for single family residences by franchised garbage disposal company operating in the City of North Las Vegas.

The franchised garbage collector for the City of North Las Vegas shall, in addition to the above described refuse service, endeavor to provide such extraordinary and emergency services as from time to time may arise amoung the citizens of the City of North Las Vegas.

4.04.110 Collection rates.

• • •

The rates chargeable for the services of the collection of garbage, rubbish, and trash shall be established by the City Council and may be revised from time to time by said City Council. After the City Council has established or revised the rates chargeable for the services of the collection of garbage, rubbish and trash, a schedule of said rates shall be posted in the City Hall and published in an appropriate newspaper and shall contain the effective date of the established rates.

4.04.120 Bulk rubbish.

Places of business whose rubbish consists principally of boxes, cartons and other items of such bulk that the placing of same in a receptacle or receptacles would be impracticable, may provide for such rubbish to be bundled or containerized on the premises of such place of business adjacent to a street or alley.

4.04.121 Additional requirements and exceptions concerning receptacles which are generally used by businesses.

Every person, firm, association, corporation, multiple residential unit, auto court, mobile home park or business which utilizes receptacles generally known as cubic yard containers or dumpsters, shall be bound by the requirements as set forth in Section 4.04.090 of this Chapter with the exceptions as provided below.

All containers commonly known as cubic yard containers or dumpsters utilized in the City of North Las Vegas shall be of the type supplied by or prescribed by the City of North Las Vegas or a person, firm or corporation authorized by the City of North Las Vegas to collect all and dispose of garbage, rubbish, dirt and dead animals. All said cubic yard containers or dumpsters shall be equipped with covers and covers on said containers or dumpsters shall be closed at any time said containers or dumpsters contain any garbage, unless garbage is being placed into said containers or dumpsters or removed from said containers or dumpsters by the City or its authorized representatives.

As a further exception to Section 4.04.090, the cubic yard containers or dumpsters need not be placed in an accessible location subject to Section 4.04.090.

Contractor shall be responsible for returning container to the storage area if it is accessible.

On properties developed prior to the adoption of this ordinance where there is a conflict of use that exists, anyone utilizing a cubic yard container or dumpster may designate one of their required parking spaces for construction of the cubic yard container or dumpster enclosure.

The plans for all the cubic yard containers or dumpster enclosures that are constructed pursuant to Section 4.04.121 shall be submitted and approved by the City of North Las Vegas Building Department prior to the construction of said enclosures.

4.04.122

Any receptacles, including a canister type, cubic container or dumpster placed in public rights-of-way for pickup and not removed from the public rights-of-way by the specified time will be subject to removal by the City and a lien will be recorded against the property covering the cost of said

canister, cubic yard container or dumpster removal. The owner of the above stated receptacle will immediately be notified upon removal by the City.

The property owner, if absentee, shall designate a proper person who resides in the community to receive any and all notices pursuant to this ordinance.

The property owner, if absentee, shall be required to designate an on-site person who shall be responsible for compliance with this ordinance.

4.04.123 Receptacles and containers to be kept clean.

No trash or garbage receptacles and/or cubic yard containers or dumpsters shall be allowed to accumulate garbage particles on a prolonged basis so that such accumulation of garbage particles constitutes a health hazard as determined by the District Health Department, Clark County.

4.04.130 Penalty for delinquent payment.

In case any person, firm or corporation fails to pay the charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals within ten days from and after the same becomes due as herein provided, a penalty of ten percent of such charge shall be added thereto, on an annual basis, and action for the collection of such fee and penalty may be brought by the City in any court of competent jurisdiction.

4.04.140 Violation - Penalty.

.

Any person violating any of the provisions of this Chapter is guilty of a misdemeanor and, upon conviction of same, shall be punished by a fine of not more than One Thousand Dollars, or by imprisonment in the City jail for a period not to exceed six months, or by both such fine and imprisonment.

4.04.150 Injunctive relief.

The City of North Las Vegas, in addition to the remedies and penalties above named, shall have injunctive relief against any violator of this Chapter with or without prior notice to prevent or correct any violation of this Chapter.

SECTION TWO: NON-INFRINGEMENT OF RIGHTS. The City Council of the City of North Las Vegas has been informed by its Legal Department as to the constitutionality of this ordinance, and based upon such information, we are adopting this ordinance in good faith with a reasonable belief that the actions taken by the City of North Las Vegas are not in violation of any rights, privileges, or immunities secured by the Constitution or by-laws providing for equal rights of citizens or persons.

SECTION THREE: SEVERABILITY. If any section, paragraph, clause or provision of this ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall in no way affect the validity and enforceability of the remaining provisions of this ordinance.

SECTION FOUR: REPEALER. All ordinances, parts of ordinances or chapters, section, subsections or paragraphs contained in the North Las Vegas Municipal code in conflict herewith are hereby repealed.

SECTION FIVE: EFFECTIVE DATE. This ordinance shall become effective January 1, 1989 after its passage by the City Council of the City of North Las Vegas, and after such passage by the City Council, publication once by title in a newspaper qualified pursuant to the provisions of Chapter 238 of NRS, as amended from time to time.

SECTION SIX: PUBLICATION. The City Clerk shall cause this ordinance, immediately following its adoption, to be published once by title, together with the names of the Councilmen voting for or against passage, in a newspaper qualified pursuant to the provisions of Chapter 238 of Nevada Revised Statutes, as amended from time to time.

PASSED, ADOPTED AND APPROVED THIS 1st day of June, 1988.

NORTH LAS VEGAS CITY COUNCIL AGENDA ITEM

Subject: RESOLUTION NO. 1433

ADOPTING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE TO BECOME EFFECTIVE JULY 1, 1988.

Petitioner:

7 .- .4

Vytas Vaitkus, Finance Director

Recommendation:

That the City Council adopt Resolution No. 1433 and the attached schedule of "Garbage Collection Rates" to be effective July 1.

Fiscal Impact:

None

Background:

By letter of April 5, Joseph Anstett, Executive Vice President of Disposal Transportation, Inc., had requested that Clark County and the municipalities within the County served by Disposal Transportation increase garbage collection rates by 15% (i.e., the cost for residential service would increase from \$6.00 to \$6.90 per month). Mr. Anstett presented Pro-Forma income statements which project that, without a rate increase, the company will incur a net loss of \$874,000 next fiscal year. For the years shown below, Disposal Transportation has had, or projects to have, the following net income and return on assets:

		NET INCOME	RETURN ON ASSETS
1984		\$ 2,220,938	12.78%
1985		\$ 2,361,168	12.96%
1986		\$ 2,519,769	12.56%
1987		\$ 1,476,337	7.69%
*1988	(P)	\$ 547,100	2.43%
**1988	(P)	\$ 3,103,100	13.78%
*1989	(P)	(874,100)	
**1989	(P)	\$ 2,018,600	9.01%

- (P) Projected
 - * Without rate increase
- ** With rate increase

Representatives of the entities listed below recently met to review the data presented and have determined that the increase requested is reasonable particularly because the last increase became effective five and one-half years ago. The increase is necessary primarily because of increased labor costs and should suffice for several years into the future.

NORTH LAS VEGAS CITY COUNCIL AGENDA ITEM

Page Two

SUBJECT: Resolution No. 1433

Adopting a new Rate Schedule for the Collection

and Disposal of Garbage to Become Effective July 1, 1988

Rates shown on the resolution schedule, to be uniform throughout the service area, are to be adopted by the following entities on the dates shown:

City of North Las Vegas	June l
City of Las Vegas	June l
City of Henderson	June 7
County of Clark	June 7

Pursuant to our City Charter, a public hearing must be held prior to discussion of the garbage collection rate increase. Notice of the hearing was published, in accordance with the Charter requirement, on April 30 and May 4 in the Las Vegas Review Journal.

Respectfully submitted,

Cleared for Agenda

Vytas Vaitkus Finance Director

06/01/88

6/

RESOLUTION NO. 1433

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS, NEVADA ADOPTING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE TO BECOME EFFECTIVE JULY 1, 1988.

WHEREAS, Disposal Transportation, Inc. has submitted a request for an increase in garbage collection rates, and

WHEREAS, an analysis has been performed by a committee consisting of representatives from the City of Las Vegas, City of North Las Vegas, City of Henderson, and Clark County, and

WHEREAS, the Schedule of Charges for Collecting, Hauling, and Disposal of Garbage attached hereto and by reference made a part hereof has been recommended by the committee.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of North Las Vegas hereby adopts the new rate schedule as attached hereto for the collection and disposal of garbage to become effective July 1, 1988.

PASSED,	ADOPTED	and	APPROVED	this	da	у о:	f	,1	988

GARBAGE COLLECTION RATES CITY OF NORTH LAS VEGAS, NEVADA EFFECTIVE JULY 1, 1988

CHARGES FOR COLLECTING, HAULING AND DISPOSING OF GARBAGE:

- A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from single-family residence on a twice-a-week basis, shall be as follows:
 - \$6.90 per month, payable in advance, each and every month.
- B) Apartments and Multiple Units. (From 2 to 8 apartments)
 The charge for collecting, hauling and disposing of garbage,
 rubbish and small dead animals from apartments and multiple
 units (from 2 to 8 units) on a twice—a—week basis shall be a
 flat rate to be computed as follows:
 - \$6.16 for the first unit on one stop; and \$4.32 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three times a week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICKUP SERVICE FOR BULKY ARTICLES.

- C) Apartments and Multiple Units. (9 Apartments or more)
 The charge for collecting, hauling and disposing of garbage,
 rubbish and small dead animals from apartments and multiple
 units on a twice-a-week basis shall be a flat rate to be
 computed as follows:
 - \$5.14 for the first unit on one stop and \$3.60 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three times a week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for a twice-a-week basis, Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.
- D) Motels and Mobile Home Parks. The charge for collecting and hauling garbage, rubbish and small dead animals from motels and mobile home parks on a twice—a—week basis, shall be as follows:
 - Offices \$5.18 per month; Sleeping rooms and mobile homes without cooking facilities \$2.32 per month; Rooms where cooking facilities are furnished or mobile homes with cooking facilities \$3.11 per month. For those Mobile Home Parks that would require individual collection at each mobile home, the service will be the same as residential with a heavy item pickup provided and the rate of \$6.90 per month, per unit. Should three times a week service be requested by any motel or mobile home park, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.
- E) Hotels, Places of Business and Public Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Number & Type of Receptacles, garbage cans to 33-gal. capacity	2 COLLECTIONS PER WEEK	6 COLLECTIONS PER WEEK	7 COLLECTIONS PER WEEK
1	\$ 9.30	\$ 38.67	\$ 46.43
2	18.62	54.15	64.98

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$15.48 for six collections per week, or \$18.55 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans (thirty-three gallons maximum capacity) and receive service on a two-collections per week basis, shall pay the same monthly charge as for six collections p: week.

Water Ordinance #784: "H" Billing Procedures

In all cases the property owner or owners shall be liable for all water services imposed herein. Utility bills for water, sewer and garbage services shall be sent monthly and all such billing shall be based upon the previous 30 day service period; provided, however, that in the event there has not been a full month of service up to the billing date such partial service shall be billed at one half the minimum monthly rate for up to 15 days of service and at the full monthly rate for any time in excess of 15 days of service. Failure to pay the entire amount shown on the monthly bill within 15 days of the billing date will result in a late penalty charge of 10% of the entire bill. In the event the bill remains unpaid after 10 days of the next consecutive monthly billing date all utility services may be discontinued until such time as the entire amount shown on the latest bill is paid together with a turn on service fee of \$9.00. In the event turn on service is required between the hours of 5:00 p.m. and 7:00 a.m. on Tuesday, Wednesday, Thursday, or Friday or between 5:00 p.m. and 7:00 a.m. on Tuesday, the service charge will then be \$18.00. If additional costs are incurred in the enforcement of the discontinuance of the water service, the water customer will be required too pay these additional charges prior to the reconnection of the service.

PROPOSED GARBAGE COLLECTION RATES CITY OF NORTH LAS VEGAS, NEVADA EFFECTIVE JULY 1, 1988

CHARGES FOR COLLECTING, HAULING AND DISPOSING OF GARBAGE:

A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from single-family residence on a twice-a-week basis, shall be as follows:

\$6.90 per month, payable in advance, each and every month.

B) Apartments and Multiple Units. (From 2 to 8 apartments)
The charge for collecting, hauling and disposing of garbage,
rubbish and small dead animals from apartments and multiple
units (from 2 to 8 units) on a twice-a-week basis shall be a
flat rate to be computed as follows:

\$6.16 for the first unit on one stop; and \$4.32 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three times a week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICKUP SERVICE FOR BULKY ARTICLES.

- C) Apartments and Multiple Units. (9 Apartments or more)
 The charge for collecting, hauling and disposing of garbage,
 rubbish and small dead animals from apartments and multiple
 units on a twice-a-week basis shall be a flat rate to be
 computed as follows:
 - \$5.14 for the first unit on one stop and \$3.60 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should three times a week service be requested by any apartment or multiple unit, the rate for service shall be one and one-half times that for service for a twice-a-week basis, Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.
- D) Motels and Mobile Home Parks. The charge for collecting and hauling garbage, rubbish and small dead animals from motels and mobile home parks on a twice-a-week basis, shall be as follows:
 - Offices \$5.18 per month; Sleeping rooms and mobile homes without cooking facilities \$2.32 per month; Rooms where cooking facilities are furnished or mobile homes with cooking facilities \$3.11 per month. For those Mobile Home Parks that would require individual collection at each mobile home, the service will be the same as residential with a heavy item pickup provided and the rate of \$6.90 per month, per unit. Should three times a week service be requested by any motel or mobile home park, the rate for service shall be one and one-half times that for service for a twice-a-week basis. Should six-day service be requested, the rate shall be two and one-half times that for service for a twice-a-week basis.
- E) Hotels, Places of Business and Public Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and small dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Number & Type of Receptacles, garbage cans to 33-gal. capacity	2 COLLECTIONS PER WEEK	6 COLLECTIONS PER WEEK	7 COLLECTIONS PER WEEK
1	\$ 9.20	\$ 38.67	\$ 46.43
2	18.62	54.15	64.98

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$15.48 for six collections per week, or \$18.55 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans (thirty-three gallons maximum capacity) and receive service on a two-collections per week basis, shall pay the same monthly charge as for six collections p: week.

AN ORDINANCE TO AMEND TITLE 4, CHAPTER 4.04 OF THE NORTH LAS VEGAS MUNICIPAL CODE, BEING ORDINANCE NO. 7 RELATING TO THE COLLECTION AND DISPOSAL OF GARBAGE, RUBBISH AND OTHER MATERIALS WITHIN THE CITY OF NORTH LAS VEGAS FOR PRIVATE DWELLINGS, BUSINESSES AND ALL OTHER GARBAGE AND RUBBISH PRODUCERS WITHIN THE CITY OF NORTH LAS VEGAS; PROVIDING OTHER MATTERS PROPERLY RELATING THERETO; AND REPEALING ALL ORDINANCES OR CHAPTERS, SECTIONS, SUBSECTIONS OR PARAGRAPHS CONTAINED IN THE NORTH LAS VEGAS MUNICIPAL CODE IN CONFLICT HEREWITH.

THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS DOES ORDAIN:

SECTION ONE: That Title 4, Chapter 4.04, being Ordinance No. 7 as amended by Ordinance Nos. 188, 394 and 541, is hereby amended to read as follows:

4.04.010 Provision for collection and disposal of garbage.

The City Council of the City of North Las Vegas may, by contract or otherwise, or in any manner said Council may deem necessary for the health, safety and welfare of said inhabitants, provite for the collecting and disposal of garbage, rubbish, dirt, and dead animals and other refuse from residences, multiple dwellings with or without kitchen facilities, places of business and public buildings, at the expense of the City or otherwise.

4.04.020 Contractor subject to rules.

Any person, firm or corporation entering into a contract with the City of North Las Vegas for the collecting, hauling and disposal of garbage, rubbish, dirt and dead animals in said City shall do so subject to the rules and regulations of the District Health Department, Clark County and of such ordinances and amendments of ordinances as said City may, from time to time, enact.

4.04.025 Applicability of chapter.

This chapter and the provisions contained herein shall apply to every area and facility in the City of Morth Las Vegas including, but not limited to the following: hotels, places of business, public buildings, auto courts, mobile home parks, multiple residential units with any number of apartments and residential single family dwellings.

The amendments adopted June 1, 1988 are effective January 1, 1989.

4.04.030 Definitions.

GARBAGE is defined as refuse, animal or vegetable matter from a kitchen, market or store, including every refuse accumulation of animal, fruit, or vegetable matter, liquid or otherwise, that attends preparation, use, cooking, dealing in or storing of meat, fish, fowl, fruit or vegetables, and all foul, noisome and filthy substances.

RUBBISH is defined as old tin, aluminum and iron cans and containers, old wood and paper boxes, old metals, wire, rope, cordage, bottles, bags, and bagging, rubber and rubber tires, paper wood snavings, and all used or cast off articles or materials, including old plaster, brick, cement, glass, old building materials, leaves and yard trimmings including tree trimmings.

DIRT is defined to include loose earth, askes and manure, but exclusive of sand and gravel that is to be used in construction work.

DEAD ANIMALS are defined as all small dead animals or parts thereof (including condemned meats) and not intended to be used as food for man or animal that weigh less than seventy-five pounds.

GARBAGE, RUBBISH, DIRT and DEAD ANIMALS, as defined and for purposes of this chapter, are declared to be nuisances per se.

PLACE OF BUSINESS is defined as any place of business in the City of North Las Vegas licensed by said City, other than multiple dwellings, to conduct or carry on principally or exclusively any pursuit of occupation for the purpose of gaining a livelihood.

PUBLIC BUILDINGS are defined to be office buildings, clubs, churches, schools, hospitals or other places of similar character.

MULTIPLE DWELLINGS are defined to be two or more family unit constructions (including apartments, motels, trailer courts, and auto courts) grouped together under the management of one person, firm, or corporation:

RESIDENCE is defined to be a building or dwelling wherein not more than one family resides or dwells, and where no business of any kind is conducted.

ADDITIONAL REFUSE is defined as refuse and garbage from single family residences that cannot be contained in a single receptacle, the dimensions of which do not exceed a capacity of thirty-three gallons, or four and forty-one hundredths cubic feet. "Additional refuse" includes, but is not limited to, stoves, refrigerators, furniture and hot water heaters. "Additional refuse" does not include loose materials such as soil, sand and nocks or whole mature trees or telephone poles.

ADDITIONAL REFUSE SERVICE is defined as the pickup, collection and removal of those items defined as additional refuse.

4.04.040 Unlawful to deposit garbage on premises of another.

It is unlawful for any person to throw or cause to be thrown or deposited upon the premises or in the garbage receptable of another, any garbage, rubbish, dirt or dead animal.

4.04.050 Unlawful to deposit garbage on street.

It is unlawful for any person to throw or deposit or cause to be thrown or deposited, on any street, alley, gutter or highway within the limits of the City of North Las Vegas, any dirt, rubbish, garbage, or dead animal.

4.04.060 Burning of Garbage - Permit required.

It is unlawful for any person for the purpose of burning garbage, rubbish, dirt or dead animals, to kindle or maintain any bonfire or knowingly furnish the materials for any such fire or to authorize any such fire to be kindled or maintained in any gartage or rubbish receptacle, or to burn garbage, rubbish, dead animals, or dirt in a garbage or rubbish receptacle, or on any street, alley, road, or land either public or private within the City of North Las Vegas, unless a written permit to do so shall first have been secured from the City fire department; provided, however, that rubbish of a combustible nature may be burned in an incinerator duly approved by the fire chief.

4.04.070 Unlawful to convey garbage or interfere with receptacles.

It is unlawful for any person, firm or corporation other than the City of North Las Vegas or its agents or contractors, or their employees, to collect within the City and haul, convey or transport any garbage, rubbish, dirt, or dead animals over or through the public streets or alleys of the City, or interfere in any manner with any receptacles containing garbage, rubbish, dirt, or dead animals, or to remove any such receptacles from the location where placed by the owner thereof, or to remove any of the contents of such receptacles; provided, however, that construction and excavation debris and waste may be removed by any duly licensed building contractor and further, that (private) individual persons for non-commercial purposes and not for pecuniary profit may remove, convey and transport rubbish only, as defined in this Chapter, from their residences to a City or contractor owned and/or operated dumping ground.

To ensure the uniform, safe and sanitary treatment of garbage in the City, it shall be mandatory that any person owning, occupying or managing any premises in the City of North Las Vegas which produces or generates garbage subscribe to garbage collection services by the City or its authorized contractor and pay the charges therefor prescribed by Section 4.04.110 of this Chapter.

4.04.072 Free dumping of home-originated solid waste.

Any resident of the City of Morth Las Vegas whose account is paid and current, may deposit home-originated solid waste at the county land fill or transfer station, whether the same is operated by Clark County or by private contractor, without charge, in accordance with such rules and regulations as the Board of County Commissioners may, from time to time adopt, and in accordance with rules and regulations as the City Council of the City of North Las Vegas may from time to time adopt.

4.04.080 Garbage collection vehicle restrictions.

It is unlawful to use any cart or vehicle for the conveyance or removal of garoage, dirt or dead animals unless the said cart or vehicle is staunch, tight, and closely covered with a wooden, metal, or tarp cover so as to wholly prevent leakage, sifting, spilling, drifting, blowing or smell; or to use any cart or vehicle for the conveyance or removal of dirt or rubbish unless the cart or vehicle is provided with a canvas cover securely fastened over the top thereof, and be so constructed as to prevent sifting, spilling, drifting, or blowing the deposit of such dirt or rubbish or any portion thereof, in or upon the streets through which said cart or vehicle may be driven.

4.04.090 Receptacles.

Every person, firm association or corporation owning or managing any place of business, public building, multiple dwelling or residence, except as provided in Section 4.04.120 of this Chapter, shall provide a receptacle or receptacles sufficient for the deposit of all garbage, rubbish, and/or dirt from his, or its or their premises and shall on each collection day as prescribed by the City or its contractor, place said receptacle or receptacles adjacent to the alley adjoining his premises, or, if there is no alley, shall place said receptacle or receptacles in an accessible location, adjoining his place of business, public building, multiple dwelling, or residence no more than six hours prior to the regular collection day established in the area of such location.

No single receptable shall have a capacity in excess of thirty-six gallons; and no person shall remove any such garbage, rubbish, or cirt from such receptables after it has been deposited therein except the City of North Las Vegas, its authorized agents or contractors, or their employees. All such receptables shall te provided with proper tight-fitting covers and it is a violation of this chapter to use any receptable not provided with proper lid.

All receptacles must be returned to its proper storage area by 12 noon of the following day after pickup. Storage of all receptacles excepting cubic containers or dumpsters must be stored in the side or rear yard. Storage of cubic containers or dumpsters must be stored in an enclosed area. Each and every garbage container, whether canister type or dumpster must be marked with 12 inch numbers designating the correct address of the property it serves.

Except as provided below, each garbage receptacle shall be constructed water tight and shall be provided with handles and tight fitting cover. Each such receptacle and cover shall be made of metal or other material as may be approved for use by the District Health Department, Clark County. Cover shall not be removed except when necessary to place garbage therein or to remove garbage therefrom. Each receptacle and its cover shall be kept clean from accumulating grease and decomposing material.

All receptacles designed to be emptied by hand shall be so constructed as to contain not less than three (3), nor more than thirty-three (33) gallons, or four and forty-one hundredths cubic feet; and no person shall remove any such garbage, rubbish, or dirt from such receptacles after it has been deposited therein except the City of North Las Vegs, its authorized agents or contractors, or their employees. All such receptacles described above shall be provided with proper tight-fitting covers.

As an exception to the use of receptacles as described above, trash bags and/or lawn bags made of a substance sufficiently strong so as not to rip and tear may be utilized for cut grass, leaves and other solid waste or rubbish not known as wet garbage and not garbage as defined in Section 4.04.030 of this Chapter so long as said bags are properly closed and tied so that nothing contained therein may spill from said bag. Provided further, that tree and yard trimmings susceptible to being bundled may be bundled if securely tied. Such bundles shall not exceed five feet in length, nor weigh more than seventy-five pounds.

4.04.100 Draining and wrapping of garbage: Exceptions.

Before placing garbage in the receptacle, the liquid shall be drained therefrom and the garbage shall be wrapped in paper; provided, however, unwrapped garbage may be placed in metal receptacles having tight-fitting covers and provided further, such garbage may be placed in the receptacle with rubbish.

4.04.105 Additional refuse service.

Additional refuse service shall be provided in the City of North Las Vegas for single family residences by franchised garbage disposal company operating in the City of North Las Vegas.

The franchised garbage collector for the City of North Las Vegas shall, in addition to the above described refuse service, endeavor to provide such extraordinary and emergency services as from time to time may arise amoung the citizens of the City of North Las Vegas.

4.04.110 Collection rates.

The rates chargeable for the services of the collection of garbage, rubbish, and trash shall be established by the City Council and may be revised from time to time by said City Council. After the City Council has established or revised the rates chargeable for the services of the collection of garbage, rubbish and trash, a schedule of said rates shall be posted in the City Hall and published in an appropriate newspaper and shall contain the effective date of the established rates.

4.04.120 Bulk rubbish.

Places of business whose rubbish consists principally of boxes, cartons and other items of such bulk that the placing of same in a receptacle or receptacles would be impracticable, may provide for such rubbish to be bundled or containerized on the premises of such place of business adjacent to a street or alley.

4.04.121 Additional requirements and exceptions concerning receptacles which are generally used by businesses.

Every person, firm, association, corporation, multiple residential unit, auto court, mobile home park or business which utilizes receptacles generally known as cubic yard containers or dumpsters, shall be bound by the requirements as set forth in Section 4.04.090 of this Chapter with the exceptions as provided below.

All containers commonly known as cubic yard containers or dumpsters utilized in the City of North Las Vegas shall be of the type supplied by or prescribed by the City of North Las Vegas or a person, firm or corporation authorized by the City of North Las Vegas to collect all and dispose of garbage, rubbish, dirt and dead animals. All said cubic yard containers or dumpsters shall be equipped with covers and covers on said containers or dumpsters shall be closed at any time said containers or dumpsters contain any garbage, unless garbage is being placed into said containers or dumpsters or removed from said containers or dumpsters by the City or its authorized representatives.

As a further exception to Section 4.34.090, the cubic yard containers or dumpsters need not be placed in an accessible location subject to Section 4.04.090.

Contractor shall be responsible for returning container to the storage area if it is accessible.

On properties developed prior to the adoption of this ordinance where there is a conflict of use that exists, anyone utilizing a cubic yard container or dumpster may designate one of their required parking spaces for construction of the cubic yard container or dumpster enclosure.

The plans for all the cubic yard containers or dumpster enclosures that are constructed pursuant to Section 4.04.121 shall be submitted and approved by the City of North Las Vegas Building Department prior to the construction of said enclosures.

4.04.122

Any receptacles, including a canister type, cubic container or dumpster placed in public rights-of-way for pickup and not removed from the public rights-of-way by the specified time will be subject to removal by the City and a lien will be recorded against the property covering the cost of said

canister, quoic yard container or dumpster removal. The owner of the above stated receptable will immediately be notified upon removal by the City.

The property owner, if absentee, shall designate a proper person who resides in the community to receive any and all notices pursuant to this ordinance.

The property owner, if absentee, shall be required to designate an on-site person who shall be responsible for compliance with this ordinance.

4.04.123 Receptacles and containers to be kept clean.

No trash or garbage receptacles and/or cubic yard containers or dumpsters shall be allowed to accumulate garbage particles on a prolonged basis so that such accumulation of garbage particles constitutes a health hazard as determined by the District Health Department, Clark County.

4.04.130 Penalty for delinquent payment.

In case any person, firm or corporation fails to pay the charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals within ten days from and after the same becomes due as herein provided, a penalty of ten percent of such charge shall be added thereto, on an annual basis, and action for the collection of such fee and penalty may be prought by the City in any court of competent jurisdiction.

4.04.140 Violation - Penalty.

Any person violating any of the provisions of this Chapter is guilty of a misdemeanor and, upon conviction of same, shall be punished by a fine of not more than One Thousand Dollars, or by imprisonment in the City jail for a period not to exceed six months, or by both such fine and imprisonment.

4.04.150 Injunctive relief.

The City of North Las Vegas, in addition to the remedies and penalties above named, shall have injunctive relief against any violator of this Chapter with or without prior notice to prevent or correct any violation of this Chapter.

SECTION TWO: NON-INFRINGEMENT OF RIGHTS. The City Council of the City of North Las Vegas has been informed by its Legal Department as to the constitutionality of this ordinance, and based upon such information, we are adopting this ordinance in good faith with a reasonable belief that the actions taken by the City of North Las Vegas are not in violation of any rights, privileges, or immunities secured by the Constitution or by-laws providing for equal rights of citizens or persons.

SECTION THREE: SEVERABILITY. If any section, paragraph, clause or provision of this ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall in no way affect the validity and enforceability of the remaining provisions of this ordinance.

SECTION FOUR: REPEALER. All ordinances, parts of ordinances or chapters, section, subsections or paragraphs contained in the North Las Vegas Municipal code in conflict herewith are neceby repealed.

SECTION FIVE: EFFECTIVE DATE. This ordinance shall become effective January 1, 1919 after its passage by the City Council of the City of North Las Vegas, and after such passage by the City Council, publication once by title in a newspaper qualified pursuant to the provisions of Chapter 238 of NRS, as amended from time to time.

SECTION SIX: PUBLICATION. The City Clerk shall cause this ordinance, immediately following its adoption, to be published once by title, together with the names of the Councilmen voting for or against passage, in a newspaper qualified pursuant to the provisions of Chapter 238 of Nevada Revised Statutes, as amended from time to time.

PASSED, ADOPTED AND APPROVED THIS 1st day of June, 1988.

NORTH LAS VEGAS CITY COUNCIL AGENDA ITEM

Subject:	
	Garbage Collection Rate Increase
Petitioner:	Silver State Disposal Company

Recommendation:

That the City Council adopt Resolution No.1244

Fiscal Impact:

None

Background:

- 1. On November 2, 1982, Silver State Disposal Co. submitted a rate increase request to Clark County, City of Las Vegas, City of Henderson and the City of North Las Vegas. The amount of the increase is 30% and would raise the rate for a single family residence from \$4.61 to \$6.00 per month. The last increase was granted in April 1980.
- 2. Clark County, the City of Henderson and the City of Las Vegas have approved the request.
- 3. Pursuant to Section 2.280 of the North Las Vegas City Charter, a public hearing must be held on the proposed increase. Notice of the public hearing was published in both the Las Vegas Review Journal and the Valley Times on December 6, 1982 and December 20, 1982.
- 4. A committee consisting of representatives of all affected entities has reviewed the rate increase request and recommends that it be approved. (See attached "Recommendations Regarding Silver State Disposal Rate Increase").

Respectfully submitted.

Philip W. Carr, Director Administrative Services Cleared for Agenda

MB 1-5-83

NOTICE TO ALL INHABITANTS OF THE CITY OF NORTH LAS VEGAS, NEVADA, AND TO ALL CUSTOMERS OF THE DISPOSAL TRANSPORTATION, INC. OF THE CITY OF NORTH LAS VEGAS, NEVADA.

NOTICE IS HEREBY GIVEN that the City Council of the City of North Las Vegas, Nevada, will hold a Public Hearing on Wednesday, January 5, 1983, at or about 7:00 P.M., in the Council Chambers at City Hall, 2200 Civic Center Drive, to consider a change in the Garbage Collection Rates.

Copies of the Proposed Garbage Collection Rates of the City of North Las Vegas, Nevada, effective January 1, 1983, are on file in the office of the City Clerk, 2200 Civic Center Drive, North Las Vegas, Nevada.

Any and all interested people may appear before the City Council in person or by counsel, and may object to or express approval of the proposed garbage collection rates, or may prior to the Hearing, file with the City Clerk's Office written objections thereto or approval thereof.

Esther V. Borden City Clerk

December 6, 1982 & December 20, 1982

RECOMMENDATIONS REGARDING SILVER STATE DISPOSAL RATE INCREASE

On November 2, 1982, Alfred Isola, President of Silver State Disposal Company, Disposal Transportation Inc., Clark Sanitation Inc., and Black Mountain Disposal Company submitted a rate increase request to the various local governments. This proposed rate increase is 30% for all accounts, which amounts to \$1.38 per month for residential customers.

At the request of the respective entities affected by this rate increase request, an analysis has been performed jointly by a committee comprised of the following:

Philip Carr, City of North Las Vegas Richard Gannon & Robert Mulroy, Clark County Bob Kasner, City of Henderson Marvin Leavitt, City of Las Vegas

The committee conducted various analyses considered necessary to establish the reasonableness of the proposed increase. Meetings were also held with Mr. Joe Anstett representing the Company.

The committee reviewed the expenses with the largest projected increases, verified the reasonableness of the projections and verified the accuracy of the computations. No major discrepancies were found. Because of the increase in costs for normal operations of the Disposal Service since the last increase approximately three years ago and the added expenses of operating the recently constructed transfer station located in North Las Vegas, the committee believes the increase in rates is justified.

The rate increase was requested to overcome projected net losses for the current and subsequent fiscal years of \$2,135,200 and \$2,394,900, respectively. Revised estimates with the proposed increase developed by the committee and Mr. Anstett project net income of approximately \$973,000 and \$1,705,000 for the fiscal years ending September 30, 1983 and September 30, 1984, respectively, resulting in an average for the two fiscal years of \$1,339,000, an amount which the committee considers reasonable.

The most significant factor contributing to the need for a rate increase relates to the construction of a new transfer station which just recently began operations. The total cost of this transfer station was approximately \$8,000,000, financed by the issuance of \$7,000,000 in City of North Las Vegas Economic Development Bonds, \$5 million of which was guaranteed by the Small Business Administration.

The Company believes that over time this transfer station will result in a net savings to the Company as well as its customers, but in the immediate future, because of higher principal and interest payments as well as current excess plant capacity, there is a net additional annual cost of approximately \$1.2 million.

Other factors contributing to the need for a rate increase are:

- The recent labor settlement of 5.3% for the current year and 6% estimated in the subsequent year.
- Reduced interest income for 1983 and 1984 because of the expenditure of moneys previously available and set aside for the construction of the transfer station.
- 3. A much lower than normal growth rate experienced in the past year and projected for the coming year.
- Heavy cash flow requirements to pay off the various loans and bonds of the Company.
- 5. Increases in operating expenses because of inflation.
- 6. The exhaustion of tax credits available in the past.

The accumulation of these events occurring at one time has had an adverse effect on the financial condition of the Company, requiring a larger than normal rate increase request. The last rate adjustment was effective on April 1, 1980.

Based on these factors, the Committee reluctantly recommends that the requested rate increase be granted.

PROPOSED GARBAGE COLLECTION RATES CITY OF NORTH LAS VEGAS, NEVADA EFFECTIVE JANUARY 1, 1983

CHARGES FOR COLLECTING, HAULING AND DISPOSING OF GARBAGE:

(A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish and dead animals from singlefamily residence on a twice-a-week basis, shall be as follows:

\$6.00 per month, payable in advance, each and every month.

(B) Apartments and Multiple Units. (From 2 to 8 apartments)
The charge for collecting, hauling and disposing of garbage,
rubbish and dead animals from apartments and multiple units
(from 2 to 8 units) on a twice-a-week basis shall be a flat
rate to be computed as follows:

\$5.36 for the first unit on one stop; and \$3.76 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should six-day service be requested by any apartments or multiple unit, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICKUP SERVICE FOR BULKY ARTICLES.

(C) Apartments and Multiple Units. (9 apartments or more) The charge for collecting, hauling and disposing of garbage, rubbish, and dead animals from apartments and multiple units on a twicea-week basis shall be a flat rate to be computed as follows:

\$4.47 for the first unit on one stop and \$3.13 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should six-day service be requested by any apartments or multiple units, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

(D) Motel and Mobile Home Parks. The charge for collecting and hauling garbage, rubbish and dead animals from motels and mobile home parks on a twice-a-week basis, shall be as follows:

Offices - \$4.50 per month; Sleeping rooms and mobile homes without cooking facilities - \$2.02 per month; Rooms where cooking facilities are furnished or mobile homes with cooking facilities - \$2.70 per month; Mobile homes where individual collections are required - \$4.50 per month, payable in advance. Should six (6) day service be requested by any Motel and Mobile Home Park, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

(E) Hotels, Places of Business and PUblic Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Number & type of receptacles-garbage cans to 33-gal. capacity	2 Collections Per Week	6 Collections Per Week	7 Collections Per Week
1	\$ 8.09	\$33.63	\$40.37
2	\$16.19	\$47.09	\$56.50

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$13.46 for six collections per week, or \$16.13 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans (thirty-three gallons maximum capacity) and receive service on a two-collections-per week basis, shall pay the same monthly charge as for six collections per week.

NORTH LAS VEGAS CITY COUNCIL AGENDA ITEM

Subject:	
Garbage Collection Rates	٠
Petitioner:	
Silver State Disposal Company	

Recommendation:

That the City Council set January 5, 1983 for a public hearing on a proposed increase in garbage collection rates.

Fiscal Impact:

None

Background:

On November 2, 1982, Silver State Disposal Company submitted a rate increase for garbage collection services.

A committee consisting of Philip Carr, City of North Las Vegas; Robert Mulroy, Clark County; Bob Kasnar, City of Henderson; and Marvin Leavitt, City of Las Vegas is reviewing the proposed rate increase and will submit its recommendations by December 1, 1982.

The public hearing on January 5th will be to receive citizens' input upon the raise as proposed by the Company.

Respectfully submitted.

RESOLUTION NO. 1034

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS, NEVADA ADOPT-ING A NEW RATE SCHEDULE FOR THE COLLECTION AND DISPOSAL OF GARBAGE TO BECOME EFFECTIVE APRIL 1, 1980.

WHEREAS, Silver State Disposal Company has submitted a request for an increase in garbage removal rates, and

WHEREAS, an analysis has been performed by a committee consisting of representatives from the City of Las Vegas, City of North Las Vegas, City of Henderson and Clark County,

WHEREAS, the committee agrees that Silver State Disposal Company should be able to earn a reasonable profit, and

WHEREAS, Exhibit A, Schedule of Rates for the collection and disposal of garbage attached hereto and by reference made a part hereof has been recommended by the committee.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of North Las Vegas hereby adopts the new rate schedule as shown in Exhibit A for the collection and disposal of garbage to become effective April 1, 1980.

PASSED, ADOPTED and APPROVED this 19th day of March

H. Daines DAINES, MAYOR

ATTEST:

Las Vegas Review Journal March 26, 1980 Publish:

GARBAGE COLLECTION RATES CITY OF NORTH LAS VEGAS, NEVADA EFFECTIVE APRIL 1, 1980

CHARGES FOR COLLECTING, HAULING AND DISPOSING OF GARBAGE:

(A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish and dead animals from single-family residence on a twice-a-week basis, shall be as follows:

\$4.61 per month, payable in advance, each and every month.

(B) Apartments and Multiple Units. (From 2 to 8 apartments)
The charge for collecting, hauling and disposing of garbage,
rubbish and dead animals from apartments and multiple units
(from 2 to 8 units) on a twice-a-week basis shall be a flat
rate to be computed as follows:

\$4.12 for the first unit on one stop and \$2.89 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should six-day service be requested by any apartments or multiple unit, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICKUP SERVICE FOR BULKY ARTICLES.

- (C) Apartments and Multiple Units. (9 apartments or more) The charge for collecting, hauling and disposing of garbage, rubbish, and dead animals from apartments and multiple units on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$3.44 for the first unit on one stop and \$2.41 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should six-day service be requested by any apartments or multiple units, the rate for service shall be two and one-half times that for service for a twice-a-week basis.
- (D) Motel and Mobile Home Parks. The charge for collecting and hauling garbage, rubbish and dead animals from motels and mobile home parks on a twice-a-week basis, shall be as follows:
 - Offices \$3.46 per month; Sleeping rooms and mobile homes without cooking facilities \$1.55 per month; Rooms where cooking facilities are furnished or mobile homes with cooking facilities \$2.08 per month; Mobile homes where individual collections are required \$3.46 per month, payable in advance. Should six (6) day service be requested by any Motel and Mobile Home Park, the rate for service shall be two and one-half times that for service for a twice-a-week basis.
- (E) Hotels, Places of Business and Public Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Number & type of receptacles-garbage cans to 33-gal. capacity	2 Collections Per Week	6 Collections Per Week	7 Collections Per Week
1	\$ 6.22	\$25.87	\$31.05
2	\$12.45	\$36.22	\$43.46

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$10.35 for six collections per week, or \$12.41 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans (thirty-three gallons maximum capacity) and receive service on a two-collections-per week basis, shall pay the same monthly charge as for six collections per week.

PROPOSED GARBAGE REMOVAL RATES CITY OF NORTH LAS VEGAS, NEVADA TO BECOME EFFECTIVE APRIL 1, 1980

CHARGES FOR COLLECTING, HAULING AND DISPOSING OF GARBAGE:

- (A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish and dead animals from single-family residence on a twice-a-week basis, shall be as follows:
 - \$4.61 per month, payable in advance, each and every month.
- (B) Apartments and Multiple Units. (From 2 to 8 apartments) The charge for collecting, hauling and disposing of garbage, rubbish and dead animals from apartments and multiple units (from 2 to 8 units) on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$4.12 for the first unit on one stop and \$2.89 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should six-day service be requested by any apartments or multiple units, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICKUP SERVICE FOR BULKY ARTICLES.

- (C) Apartments and Multiple Units. (9 apartments or more) The charge for collecting, hauling and disposing of garbage, rubbish, and dead animals from apartments and multiple units on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$3.44 for the first unit on one stop and \$2.41 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should six-day service be requested by any apartments or multiple units, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

(D) Motel and Mobile Home Parks. The charge for collecting and hauling garbage, rubbish and dead animals from motels and mobile home parks on a twice-a-week basis, shall be as follows:

Offices - \$3.46 per month; Sleeping rooms and mobile homes without cooking facilities - \$1.55 per month; Rooms where cooking facilities are furnished or mobile homes with cooking facilities - \$2.08 per month; Mobile homes where individual collections are required \$3.46 per month, payable in advance. Should six (6) day service be requested by any Motels and Mobile Home Parks, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

(E) Hotels, Places of Business and Public Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Number & type of re- ceptacles-garbage can to 33-gal.capacity	2 Collections Per Week	6 Collections Per Week	7 Collections Per Week
1	\$ 6.22	\$25.87	\$31.05
2	\$12.45	\$36.22	\$43.46

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$10.35 for six collections per week, or \$12.41 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans (thirty-three gallons maximum capacity) and receive service on a two-collections-per-week basis, shall pay the same monthly charge as for six collections per week.

From:

Philip W. Carr

Department: Director of Administrative

Services

Subject:

GARBAGE REMOVAL RATES - PROPOSED POLICY

As you are aware, Silver State Disposal Company has requested an increase in garbage removal rates to be effective April 1, 1980, and a recommendation regarding this request has been forwarded to you in a separate memorandum.

However, the City's procedure for setting garbage removal rates has not been consistent over the years and I feel it would be beneficial to establish a policy to govern the procedure for setting these rates.

Based upon an opinion from the City Attorney's Office, the minimum requirements for setting garbage removal rates are governed by Section 4.04.110 of the North Las Vegas Municipal Code and merely require a motion by the City Council and posting a schedule of rates in City Hall and publication in an appropriate newspaper. Primarily because of the public interest in garbage removal rates, I feel the procedure for setting them should exceed the minimum requirements as set forth in the Municipal Code.

Therefore, I suggest that the following procedures be adopted and made a matter of policy:

- 1. Any request for a revision to existing garbage removal rates shall be received by the City Council and referred to staff for review and recommendation.
- 2. After submission of a recommendation by staff, the City Council shall set a date for a public hearing on the proposed revision and cause a notice of said hearing to be published in a newspaper having general circulation within the City of North Las Vegas. The publication of the notice shall not be less than ten (10) days prior to the date set for the hearing.
- 3. After holding the public hearing, the City Council may revise existing garbage removal rates and any such revision shall be by resolution setting forth the effective date thereof.
- 4. All rates as revised shall be published in a newspaper having general circulation within the City of North Las Vegas prior to their effective date.

Subject:

GARBAGE REMOVAL RATES

On January 11, 1980, Alfred Isola, President of Silver State Disposal Company, Disposal Transportation, Inc., Clark Sanitation, Inc., and Henderson Disposal Service, Inc., DBA, Black Mountain Disposal Company (the Company), submitted a request for an increase in garbage removal rates to be effective April 1, 1980.

At the request of the respective entities affected by this rate increase request, an analysis has been performed jointly by a committee composed of the following:

Marvin Leavitt, Finance Director - City of Las Vegas Philip Carr, Finance Director - City of North Las Vegas Fred Artus, Finance Director - City of Henderson Patrick Pine, Senior Budget Analyst - Clark County

Marvin Leavitt coordinated the effort at the request of the entities involved. Much of the analysis has been discussed with Mr. Joe Anstett, who has represented the Company.

BACKGROUND

- 1. While the Company did, in fact, have an operating loss for fiscal 1979 of \$30,430, the Company had net after-tax income in 1979 of \$305,429.
- 2. Briefly, the rate increase request provided for the following:

		Present	Proposed	Increase
a.	Residential	\$3.75	\$5.25	40%
	Commercial	N/A	N/A ·	36%

- b. As an alternative to (a) above, the residential rate could be set at \$5.00 per month by reducing collections from twice-a-week to once-a-week.
- c. A fuel adjustment clause providing for a 1% increase in rates for each \$.10 that the cost of diesel fuel exceeds \$1.50 per gallon.
- 3. Subsequent to the formal request for a rate increase presented to the governing bodies of each entity in January, financial data supporting the request was revised and expanded by the Company at the request of the committee analyzing the matter.

Raymond D. Schweitzer Page 2 February 13, 1980

4. In addition to the data presented by the Company, the Committee referred extensively to the audited financial statement of the Company for the fiscal years 1971, 1972, 1973, 1976, 1977, 1978 and 1979.

Based on the various sources of information outlined above, the committee constructed a series of financial projections based upon possible rate increases to determine what level would presumably provide adequate revenues for the Company.

RECOMMENDATIONS

The committee recommended that:

- 1. a. Residential rates be increased from \$3.75 per month to \$4.61 or 23% with no change in service and no fuel adjustment clause.
 - b. Commercial rates be increased by 23%.
 - c. That the recommended rate increase apply in approximate equal percentages to all customers due to the presumed equity in service and cost. It is mutually agreed between the committee and the Company that a measure of equity in service and rates is difficult to derive through financial analysis. This difficulty arises because of the broad range of services provided to various commercial customers.
- 2. The request for a fuel adjustment clause is not recommended, rather it is suggested that the Company make a presentation on its financial position to the respective entities between January and March, 1981. It is felt that our projections include a reasonable increase in fuel costs. However, if they should significantly exceed projected levels, it is assumed that the respective entities will be willing to consider the matter at that time.
- 3. Once-a-week collection service for residential accounts is not recommended because it cannot produce a corresponding reduction in rates. However, should fuel prices continue their dramatic increase, a reduction in service could be considered in lieu of another rate increase.
- 4. It is agreed that the Company should be able to earn a reasonable profit and the recommendation herein has been made with that in mind. If our recommendations are adopted, we feel the net after-tax income of the Company will approximate or exceed the levels earned in the years 1971 through 1978.

Concert.

Raymond D. Schweitzer Page 3 February 13, 1980

5. Finally, the attached analysis shows our projections through September 30, 1980, for varying percentages of increase as well as the Company's projections for the same period. The recommended increase will hopefully produce a level of income sufficient to preclude another substantial increase in 1981.

TO BECOME EFFECTIVE APRIL 1, 1979

CHARGES FOR COLLECTING, HAULING AND DISPOSING OF GARBAGE:

- (A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish and dead animals from single-family residence on a twice-a-week basis, shall be as follows:
 - \$3.75 per month, payable in advance, each and every month.
- (B) Apartments and Multiple Units. (From 2 to 8 apartments) The charge for collecting, hauling and disposing of garbage, rubbish and dead animals from apartments and multiple units (from 2 to 8 units) on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$3.35 for the first unit on one stop and \$2.35 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should six-day service be requested by any apartments or multiple units, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICK-UP SERVICE FOR BULKY ARTICLES.

- (C) Apartments and Multiple Units. (9 apartments or more) The charge for collecting, hauling and disposing of garbage, rubbish, and dead animals from apartments and multiple units on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$2.80 for the first unit on one stop and \$1.96 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should six-day service be requested by any apartments or multiple units, the rate for service should be two and one-half times that for service for a twice-a-week basis.

(D) Motels and Mobile Home Parks. The charge for collecting and hauling garbage, rubbish and dead animals from motels and mobile home parks on a twice-a-week basis, shall be as follows:

Offices - \$2.81 per month; Sleeping rooms and mobile homes without cooking facilities - \$1.26 per month; Rooms where cooking facilities are furnished or mobile homes with cooking facilities - \$1.69 per month; Mobile homes where individual collections are required - \$2.81 per month, payable in advance. Should six (6) - day service be requested by any Motels and Mobile Home Parks, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

(E) Hotels, Places of Business and Public Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Number and type of receptacles-garbage can to 33-gallon capacity	2 Collections Per Week	6 Collections Per Week	7 Collections Per Week		
1	\$ 5.06	\$21.03	\$25.24		
2	10.12	29.45	35.33		

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$8.42 for six collections per week, or \$10.09 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans (thirty-three gallons maximum capacity) and receive service on a two-collections-per-week basis. shall pay the same monthly charge as for six collections per week.

CITY OF NORTH LAS VEGAS

INTER - OFFICE MEMORANDUM

Date February 2, 1979

To:

Raymond D. Schweitzer

Department: City Manager

From:

Philip W. Carr

Department:

Director of Administrative

Services

Subject:

RATE INCREASE - GARBAGE COLLECTION

I have reviewed the request submitted by Silver State Disposal Company to increase the rates for garbage collection within the City of North Las Vegas by an average of 6.9% effective April 1, 1979.

The combined net income of Automated Transfer Systems, Inc., Clark Sanitation, Inc., Disposal Investments, Inc., and Subsidiary Disposal Transportation, Inc., and Silver State Disposal Company for the three most recent fiscal years taken from audited financial statements is presented below:

Year Ended September 30th	Net Income
1976	\$ 566,000
. 1977	432,357
. 1978	362,928

Net Assets at September 30th were reported as follows:

1976	\$ 3,543,467
1977	3,614,059
1978	3,882,067

Based upon the above figures, the return on investment has amounted to approximately 16%, 12% and 9% for the fiscal years 1976, 1977, and 1978, respectively.

After adjusting for non-garbage collection income and expense and investment related thereto, the return on investment is estimated to be approximately 20%, 15% and 11% for each of the last three years.

The last rate increase granted Silver State Disposal Company took effect on October 1, 1975, and amounted to approximately 20%.

Based upon the results of operations over the past three years, it is my feeling that an increase of approximately 7%, at this point in time, is reasonable.

Raymond D. Schweitzer Page 2 February 2, 1979

It is my recommendation that this matter be placed on the City Council's agenda for the meeting of February 7, 1979, with the request that a Public Hearing be set for March 21, 1979.

I have also attached, for your information, a schedule comparing the present rates and the proposed rates.

Finally, Ordinance No. 188, adopted January 16, 1961, provides that "the rates chargeable for the services of the collection of garbage, rubbish and trash shall be established by motion of the Mayor and City Council and may be revised from time to time upon posting of a schedule of rates in the City Hall and publication in an appropriate newspaper as a regular notice."

Attachment

Proposal de l'action proposal de l'acti

Honorable Mayors, Chairman, Commissioners and Councilmen of the City of Las Vegas, City of North Las Vegas, City of Henderson and Clark County

Attention: City Managers and County Administrator Gentlemen:

As recently released by the U.S. Department of Labor in late December, 1978, the United States City average, consumer price index as of November 1978 reached 202.0. Based upon the year 1967 as 100; this results in a 102% increase in the cost of living in almost eleven (11) years or an annual average increase in the cost of living of 9.27%

The Disposal Service, (Silver State Disposal Company, Disposal Transportation, Inc., Clark Sanitation, Inc. and Henderson Disposal Service, Inc., d.b.a. Black Mountain Disposal Company) being fully cognizant of the grossly increased costs of doing business have continued to absorb the higher costs through a constant review of garbage removal equipment, procedures and methods of operation. To this end, we have succeeded for almost three and one-half (3 1/2) years to effectuate these economies, without requesting increases in garbage rates from the regulating bodies in the Greater Las Vegas area; even though the cost of living index has increased from October 1, 1975 (164.6) to November 1978 (202.0) by 22.7%.

In its efforts to conserve costs of operation, the Disposal Companies have instituted and placed into effect the following policies and procedures:

 Standardized garbage pickup days, both morning and afternoon shifts, to contiguous graphical locations in order to better utilize equipment and personnel.

- Reduced the standard employee work week from 48 hours per week to permit two (2) consecutive days per week of rest and leisure time for all employees.
- 3. Manufactured and installed out-riggers on all one (1) cubic yard containers, without cost to the customers, in order to reduce the possibility of the container tipping over, causing possible injury to citizenry.

Notwithstanding these endeavors, an analysis of the combined financial statements of the Disposal Companies reweal that although gross revenues from operations since 1976 have increased by 23%, total expenses have increased by 32% during the same period of time. Net income after taxes has correspondingly decreased by 35.9%.

(See Exhibit A)

Based upon the aforementioned data, the undersigned as President of Silver State
Disposal Company, Disposal Transportation, Inc., Clark Sanitation, Inc. and Henderson
Disposal Services, Inc., d.b.a. Black Mountain Disposal Company does hereby specifically
request your favorable action on an increase in garbage removal rates of an average of
6.9%. This request represents an increase in residential rates of 25¢ (1/4 of \$1.00)
per month. The requested rate increase also is in adherence to the voluntary price
level guidelines as set forth by the President of the United States, Jimmy Carter.

The various disposal companies are not seeking the requested rate increase for reimbursement of prior operating costs or to increase the company's profit margin, but only to maintain, hopefully, its present relationship in an economy of spiraling inflation.

By means of comparison, incorporating the proposed 25¢ per month increase in residential accounts, it can be easily ascertained that garbage removal rates in the Las Vegas area are lower than other west coast cities while still affording the populace considerably more service.

RENO, NEVADA: - One (1) can (32 gallons) on front curb and one (1) cubic yard of trash - once a week service - no extra monthly bulk pickup - \$3.75 per month; each additional can, \$2.00 per month. Two cans serviced once a week - \$5.75 per month.

MARIN COUNTY - One (1) can (32 gallons) on front curb, once a week pickup - CALIFORNIA no extra monthly bulky pickup - \$4.75 per month. Each additional can \$4.75. Two cans serviced once a week - \$9.50

OAKLAND CALIFORNIA One (1) can (32 gallons) on front curb, once a week pickup.

No extra monthly bulky pickup - \$4.10 per month. Each additional can \$2.05. Two cans serviced once a week - \$6.15 per month.

CITY OF LAS VEGAS
CITY OF NORTH LAS VEGAS CITY OF HENDERSON AND
CLARK COUNTY

per month.

Proposed rate - <u>unlimited</u> cans (32 gallons) on front curb serviced <u>twice a week</u>, once a month bulky extra pickup - \$3.75 per month. Two or more cans serviced twice a week - \$3.75 per month.

It is, therefore, respectively requested that the various municipalities approve the modest 6.9% increase in garbage removal rates (25¢ per month for residential accounts), prior to March 1, 1979, in order that the administrative mechanics may be accomplished in sufficient time to implement the required increase in rates, effective April 1, 1979.

Respectively submitted,

SILVER STATE DISPOSAL COMPANY DISPOSAL TRANSPORTATION, INC. CLARK SANITATION, INC. HENDERSON DISPOSAL SERVICE, INC. d.b.a. BLACK MOUNTAIN DISPOSAL COMPANY

CITY OF NORTH LAS VEGAS INTER-OFFICE MEMORANDUM

Date April 25, 1978

To: Philip Carr, Director

Department: Administrative Services

From: Esther V. Borden

Department: City Clerk

Subject: CHRONOLOGICAL GARBAGE COLLECTION FEE SCHEDULES

On March 1, 1947, the first garbage collection contract for the City was awarded to E. F. Nickel. As for rates, the City Clerk's records do not reflect an adopted fee schedule. However, research indicates that fees were collected by the City and during the short interim of this contract there appeared to be discontent of both principles relative to fees and service.

The first fee schedule on record in the City Clerk's office was established by Ordinance 7 adopted February 3, 1947.

RESIDENTIAL	1.00	per month
MULTIPLE DWELLING	1.00	per month
Each additional unit	.50	
MOTEL/HOTEL	1.00	per month
Each additional unit	.25	

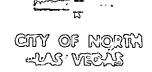

(Each of the above are assumed to be based on 2 pickups per week)

BUSINESS

	<u>Collecti</u>	ons Per Week
	<u>6</u>	7 .
1 receptacle	7.50	9.00
2 receptacles	 10.00	12.00

On July 20, 1948, the original contract with Nevada Sanitation (Disposal Transportation) was accepted.

April 25, 1978 CHRONOLOGICAL GARBAGE COLLECTION FEE SCHEDULES Page 2

Rates were based on a "no base fee" but contingent upon actual fee collections as established by Ordinance 7.

On December 21, 1953, a rate increase was approved by adoption of Ordinance 108. The fee schedule is as follows, effective January 1, 1954.

RESIDENTIAL	5.00 per quarter
MULTIPLE DWELLING	5.00 per quarter
Each additional unit	3.50
HOTELS/MOTELS (with kitchens)	5.00 per quarter
Each additional unit	3.00
HOTELS/MOTELS (without kitchens)	5.00 per quarter
Each additional unit	2.25

(Each of the above are assumed to be based on 2 pickups per week)

BUSINESS/PUBLIC BUILDINGS

		Collections Per Week/Per Quarte		
,	<u>1</u>	<u>6</u>	7	
1 receptacle	9.00	37.50	45.00	
Each additional receptacle	9.00	15.00	18.00	

On July 6, 1959, a 5% increase in the garbage rates was approved, effective October 1, 1959.

CITY OF KIORTH LAS VEGAS

Fee schedules under the above action would be as follows.

RESIDENTIAL	5.25 per quarter
MULTIPLE DWELLING	5.25 per quarter
Each additional unit	3.68
HOTELS/MOTELS (with kitchens)	5.25 per quarter
Each additional unit	3.15
HOTELS/MOTELS (without kitchens)	5.25 per quarter
Each additional unit	2.36

(Each of the above are assumed to be based on 2 pickups per week)

BUSINESS/PUBLIC BUILDINGS

	Collections Per Week/Per Quarte		
	<u>1</u>	<u>6</u>	<u>7</u>
1 receptacle	9.45	39.38	47.25
Each additional receptacle	9.45	15.75	18.90

However research did not indicate that the City passed this increase on to customer accounts. In fact, in reviewing some of the chronological discussions, the consensus would be that they did not.

On January 16, 1961, Ordinance 188 was adopted allowing garbage rate increases by motion of Council and posting and advertising a schedule of rates.

On February 6, 1961, by motion, Council changed billing from quarterly to monthly.

COMMERCIAL GARBAGE RATES

MULTIPLE FAMILY UNITS

On August 1, 1962, a rate increase fee schedule was advertised pursuant to the motion made February 6, 1961. The motion did not authorize an increase, only procedure change. The records do not reflect approval of a rate change until March 25, 1968, and the City Clerk's records do not reflect this increase was instituted. In fact, file data indicates residential rates from 1962 to 1978 to have been \$1.67 per month for residential customers.

On March 25, 1968, a 10% increase in rates was approved pursuant to Ordinance 188. The garbage collection fee schedule posted and advertised is as follows.

CONTERO IAU GARDAGE RATED	Collections Per Wee		<u>r Week</u>
	<u>2</u>	<u>6</u>	<u>7</u>
l receptacle	3.30	13.75	16.50

First unit	1.84
Each additional unit	1.29

RESIDENTIAL SINGLE FAMILY
(Cans not over 33 gallons - No limit on standard size cans)

On August 18, 1969, Council approved an increase in principle for heavy refuse pickup with instructions for a new ordinance to be prepared incorporating to be reviewed in 12 months.

April 25, 1978 CHRONOLOGICAL GARBAGE COLLECTION FEE SCHEDULES Page 5

On October 6, 1969, Ordinance 394 was adopted incorporating heavy refuse pickup and by motion a rate increase was adopted in the amount of 34¢ increase and additional 41¢ for heavy refuse pickup.

On October 9 and 16 the following garbage collection fee schedule was published to be effective November 1, 1969.

CITY OF NORTH LAS VEGAS **INTER-OFFICE MEMORANDUM**

January 6, 1977 Date

Raymond D. Schweitzer

Department:

City Manager

Esther V. Borden

Department:

City Clerk

Subject: Garbage contract

Continuing Ms. Shirley Hansell's chronology of actions relative to Disposal Transportation, Inc. (Silver State Disposal Corp.)

- 8. October 6, 1969, by adoption of Ordinance 394, rates were increased.
- 9. On October 30, 1971, the heavy item pickup service was discussed and citizen dissatisfaction was recorded. Staff was directed to study and report to Council.
- August 7, 1972, a cooperative agreement with Clark County and Las Vegas was approved to hire an independent analysis of the disposal firm relative to its request for a rate increase. audit was conducted by the firm of Laventhol, Krekstein, Horwath and Horwath. A large number of people - valleywide - were dissatisfied at this time due mainly to the non-competitive factor.
- January 2, 1973 a 5% rate increase was approved. (Increases in rates were approved by Clark County and Las Vegas.)
- February 20, 1973, the rate schedule was adopted and ordered published, effective March 1, 1973. Discussion evolved relative to going to bid for garbage collection services. However, the consensus of the majority of Council felt there was only one "responsible" firm in the area.
- Restatement of Silver States proposed commercial March 4, 1974, rates was approved with no increase in the City's rates.
- September 2, 1975, the current rate increase was approved.

Respectfully submitted, exter Durden
ther V. Borden

PROPOSED RESTATEMENT OF GARBAGE RATES CITY OF NORTH LAS VEGAS, NEVADA OCTOBER 1, 1975

CHARGES FOR COLLECTING, HAULING AND DISPOSING OF GARBAGE:

- (A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish and dead animals from single-family residence on a twice-a-week basis, shall be as follows:
 - \$3.50 per month, payable in advance, each and every month.
- (B) Apartments and Multiple Units. (From 2 to 8 apartments) The charge for collecting, hauling and disposing of garbage, rubbish and dead animals from apartments and multiple units (from 2 to 8 units) on a twice-a-week bisis shall be a flat rate to be computed as follows:
 - \$3.13 for the first unit on one stop and \$2.20 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. 'Should six-day service be requested by any apartments or multiple units, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICK-UP SERVICE FOR BULKY ARTICLES.

- (C) Apartments and Multiple Units. (9 apartments or more) The charge for collecting, hauling and disposing of garbage, rubbish, and dead animals from apartments and multiple units on a twice-a-week basis shall be a flat rate to be computed as follows:
 - \$2.62 for the first unit on one stop and \$1.83 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should six-day service be requested by any apartments or multiple units, the rate for service should be two and one-half times that for service for a twice-a-week basis.

(1)

MICRO FILMED

(D) Auto Courts and Mobile Home Parks. The charge for collecting and hauling garbage, rubbish and dead animals from auto courts and mobile home parks on a twice-a-week basis, shall be as follows:

Offices- \$2.63 per month; Sleeping rooms and mobile homes without cooking facilities- \$1.18 per month; Rooms where cooking facilities are furnished or mobile homes with cooking facilities- \$1.58 per month; Mobile homes where individual collections are required- \$2.63 per month, payable in advance. Should six (6) - day service be requested by any Auto Courts and Mobile Home Parks, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

(E) Hotels, Places of Business and Public Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Number and type of receptacles—garbage can to 33—gallon capacity	2 Collections	6 Collections	7 Collections
	Per Week	Per Week	Per Week
1	\$4.73	\$19.67	\$23.61
	9.45	27.54	33.05

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$7.88 for six collections per week, or \$9.44 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans (thirty-three gallons maximum capacity) and receive service on a two-collections-per-week basis, shall pay the same monthly charge as for six collections per week.

May 24, 1974

Mr. Clay Lynch City Manager City of North Las Vegas North Las Vegas, Nevada

Dear Mr. Lynch:

Pursuant to your request regarding possible projected garbage removal rates for commercial accounts utilizing containers for garbage removal service on a three, four and five day basis per week, please find attached exhibit A, setting forth such potential rates.

We wish to take this opportunity to bring to your attention that at the present time, garbage removal rates are based upon two (2) and six (6) times per week, with the exception of a nominal number of accounts requiring seven (7) day service. To this end, personnel and equipment have been soundly scheduled for maximum efficiency, thus resulting in economic savings to the company and corresponding low rates to its customers, the residents and merchants of North Las Vegas.

Inasmuch, as the primary cost of servicing an account is providing the personnel and equipment on the premises, of the account, initially, rather the physical removal of the garbage and trash, the cost of servicing one or two containers is greater than that of servicing multiple containers in one location. Although it is not documented, to our knowledge, we believe it to be the intent of the ordinance over the years in establishing a reduction in unit costs for multiple containers.

Based upon the aforementioned facts and theories, we have calculated the projected rates for three, four and five day service for the first container on the following basis:

- A) 3 times per week $1\frac{1}{2}$ times twice a week
- B) 4 times per week 2 times twice a week
- C) 5 times per week $2\frac{1}{2}$ times twice a week

The projected costs of the additional containers, other than the first one are based upon the difference between additional containers for six day service and twice a week service and applied as follows:

- A) 3 times per week $\frac{1}{4}$ difference plus twice a week
- B) 4 times per week $\frac{1}{2}$ difference plus twice a week
- C) 5 times per week 3/4 difference plus twice a week

For example the difference between six day service and twice a week service for additional one (1) cubic yard container is \$13.56 (\$34.04- 20.48) therefore,

- A) 3 times per week $-\frac{1}{4}$ X \$13.56 + 20.48 = \$23.87
- B) 4 times per week $\frac{1}{2}$ X \$13.56 + 20.48 = \$27.26
- c) 5 times per week 3/4 X \$13.56 + 20.48 = \$30.65

We sincerely hope that this information fully complies with your request. However, should you have additional inquiries, please do not hesitate to advise.

encl. (1)

Yours very truly

Joseph L. Anstett

Attention: Alfred Isola

Gentlemen:

At its meeting of March 4, 1974, the City Council of the City of North Las Vegas approved your request for a restatement of commercial rates as indicated on page 3 of Exhibit "A" attached to your letter of February 26, 1974, with the express understanding that it does not include any increase in present rates.

Sincerely,

Shirley A. Hansell City Clerk

PROPOSED RESTATEMENT OF GARBAGE RATES CITY OF NORTH LAS VEGAS, NEVADA MARCH 4, 1974

CHARGES FOR COLLECTING, HAULING AND DISPOSING OF GARBAGE:

(A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish and dead animals from single-family residence on a twice-a-week basis, shall be as follows:

\$2.72 per month, payable in advance, each and every month.

(B) Apartments and Multiple Units. (From 2 to 8 apartments)
The charge for collecting, hauling and disposing of
garbage, rubbish and dead animals from apartments and
multiple units (from 2 to 8 units) on a twice-a-week
basis shall be a flat rate to be computed as follows:

\$2.72 for the first unit on one stop and \$1.91 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should six-day service be requested by any apartments or multiple units, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

RATES INCLUDE PICK-UP SERVICE FOR BULKY ARTICLES.

(C) Apartments and Multiple Units. (9 apartments or more) The charge for collecting, hauling and disposing of garbage, rubbish, and dead animals from apartments and multiple units on a twice-a-week basis shall be a flat rate to be computed as follows:

\$2.28 for the first unit on one stop and \$1.61 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every month. Should six-day service be requested by any apartments or multiple units, the rate for service should be two and one-half times that for service for a twice-a-week basis.

(D) Auto Courts and Mobile Home Parks. The charge for collecting and hauling garbage, rubbish and dead animals from auto courts and mobile home parks on a twice-a-week basis, shall be as follows:

MAR 21 mas

3.1

Offices- \$2.29 per month; Sleeping rooms and mobile homes without cooking facilities- \$1.03 per month; Rooms where cooking facilities are furnished or mobile homes with cooking facilities- \$1.37 per month; Mobile homes where individual collections are required- \$2.29 per month, payable in advance. Should six (6)-day service be requested by any Auto Courts and Mobile Home Parks, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

(E) Hotels, Places of Business and Public Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Number and type of receptacles-garbage can to 33-gallon capacity	2 collections per week	6 collections per week	7 collections per week
1	\$4.11	\$17.10	\$20.53
2	8.22	23.95	28.74

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$6.85 for six collections per week, or \$8.21 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans (thirty-three gallons maximum capacity) and receive service on a two-collections-per-week basis, shall pay the same monthly charge as for six collections per week.

Council 3/4/73

February 26, 1974

Mr. C.R. Cleland, Mayor City Councilmen: Messrs. Wendell G. Waite, Don Gray, Don Mahony, James Seastrand

Attention: Mr. Clay Lynch- City Manager

Gentlemen:

Whereas many disposal customers residing within the City of North Las Vegas are presently availing themselves of the use of trash containers, roll-off boxes and in some instances compaction units and whereas, the existing City of North Las Vegas ordinance #188 makes use of only the term "cans" throughout said ordinance as it applies to monthly garbage rates, Disposal Transportation, Inc., serving the City of North Las Vegas, Nevada, since 1952, respectively requests that the monthly garbage rates as provided by ordinance be restated to conform with existing rate schedules and terminology used throughout the Las Vegas Valley.

This request for a restatement of garbage removal rates <u>does</u> not include any increase in present rates.

We are attaching copies of present City of Las Vegas and Clark County ordinances, setting forth the approved schedule of rates, for those areas. The attached copies set forth rates on a quarterly basis while the requested restatement schedule attached, Exhibit "A", portrays monthly rates, as are applicable to the billing procedures of the City of North Las Vegas.

Respectively submitted,

. Alfred Isola Bresident

CURRENT RATE SCHEDULE INCLUDED AS EXHIBIT D

FEBRUARY 20, 1973

MY NAME IS YVONNE MC CLAIN AND MY ADDRESS IS 1408 EAST OWENS AVENUE, NORTH LAS! VEGAS, I AM AUTHORIZED TO REPRESENT THE POSITION OF THE CONSUMERS LEAGUE OF NEVADA AT THIS HEARING.

BEFORE YOU ACT ON THE PROPOSAL, WE FEEL THERE YET REMAIN A NUMBER OF UNANSWERED QUESTIONS PERTINENT TO THIS ISSUE; ANSWERS THE CONSUMER SHOULD BE MADE AWARE OF.

IN DEALING WITH A FAIR RATE OF RETURN FOR A GARBAGE DISPOSAL COMPANY, WE NEED TO KNOW HOW THE COST OF 10 PER CENT FAIR RATE OF RETURN WAS ARRIVED AT? WE NOTICED RATES QUOTED AS LOW AS 8 PER CENT BEING CONSIDERED BY THE LAS VEGAS CITY COUNCIL DURING THEIR NEGOTIATIONS. WE WOULD ALSO LIKE TO KNOW IF THIS IS A RATE OF RETURN ESTABLISHED BY A NATION WIDE SURVEY OR MERELY A HOLD OVER FROM THE INITIAL CONTRACT? WE HAVE OBSERVED THAT THE DISPOSAL COMPANY DISPLAYS NO REAL INTEREST "ATTRACTING OUTSIDE INVESTORS".

IN ASCERTAINING THE BASE, UPON WHICH THE RATE WOULD BE APPLIED, WE NOTED THAT AT NO TIME WAS THE DISPOSAL FIRMS ACTUAL ACCOUNTS MADE PUBLIC. WE OBSERVED THAT EARLY DOCUMENTS INDICATED THAT THE AUDITING FIRM, HIRED BY THE AUTHORITIES INVOLVED, MADE CERTAIN DEDUCTIONS EMPLOYING A "PRUDENT INVESTMENT THEORY" TO MODIFY THE BASE. HOWEVER, THE LAS VEGAS CITY ATTORNEY FOUND IT NECESSARY TO BRING TO THEIR ATTENTION OTHER DEDUCTIBLE ITEMS. BEING PRIMARILY, LOSSES FROM THE REAL ESTATE INVESTMENT FIRM AND EXORBIDENT SALARIES. WE MAINTAINE THAT UNLESS THE ACTUAL ACCOUNTS OF THE FIRM ARE MADE PUBLIC THAT THE CITY CANNOT JUDGE THE TRUE VALUE OF THE BASE.

WE ARE ALSO INTERESTED IN KNOWING WHY THIS SERVICE WAS NOT PUBLICLY OPEN TO BIDS TO BOTH LOCAL AND OUT OF STATE FIRMS? ALONG THIS SAME LINE, WE WOULD LIKE TO BE MADE PUBLIC REASONS WHY THE CITY MASTER PLAN CONTAINS NO PROVISIONS FOR PUBLIC WORKS PROGRAMS TO ABSORB THIS SERVICE INTO THE PUBLIC SECTOR? WE WOULD LIKE TO SEE FIGURES AS TO THE ACTUAL COSTS INVOLVED IN ESTABLISHING, EITHER OUR OWN SERVICE OR ONE CONSOLIDATED WITH THE REST OF THE USERS IN THE COUNTY. ARE THERE PUBLIC FUNDS, EITHER FEDERAL OR STATE AVAILABLE FOR IMPLEMENTATING SUCH WORKS?

THANK YOU FOR THIS OPPORTUNITY TO PRESENT OUR CONCERNS.

CITY OF NORTH LAS VEGAS, NEVADA REVISED MONTHLY GARBAGE RATES

NOTICE IS HEREBY GIVEN of the schedule of revised rates to be effective March 1, 1973, for the collection of garbage and refuse by the City of North Las Vegas, in accordance with Ordinance No. 188 of the City of North Las Vegas and in accordance with a motion of the City Council on February 20, 1973. Billings incorporating the revised rates will begin on April 1, 1973, and continue monthly thereafter.

MAR 21 1974

CITY OF NORTH

THE BOARD OF COMMISSIONERS OF THE COUNTY OF CLARK, STATE OF MEVADA, DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Title 9, Chapter 04, Section 150, of the Clark) County Code is hereby amended to read as follows:

9.04.150 Charges - Residential. (A) Single family residence. The charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals from single family residences shall be as follows:

Eight dollars and fourteen cents per quarter, payable in advance, each and every three month period;

Apartments and multiple units. The charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals from apartments and multiple units shall be a flat rate to be computed as follows:

Six dollars and eighty-eight cents for the first unit on one stop and Four dollars and seventy-eight cents for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every three month period.

SECTION 2. Title 9, Chapter 04, Section 160, of the Clark County Code is hereby amended to read as follows:

9.04.160 Charges - Auto courts and mobile home parks.

The charge for collecting and hauling garbage, rubbish, dirt and dead animals from auto courts and mobile home parks shall be as follows:

Offices - Six dollars and eighty-three cents

per quarter; Sleeping rooms and mobile homes

without cooking facilities - Three dollars

and ten cents per quarter; Rooms where cooking

facilities are furnished or mobile homes with

cooking facilities - Four dollars and ten cents

per quarter; Mobile homes where individual

MAR 2

collections are required - Six dollars and

Eighty-three cents per quarter;

payable each and every three months, payable in advance, commencing on and continuing on the first day, of each and every three month period thereafter.

SECTION 3. Title 9, Chapter 04, Section 170, of the Clark. County Code is hereby amended to read as follows:

9.04.170 Charges - Hotals, places of business and public buildings. The quarterly charge for collecting, nauling and disposing of garbage, rubbish, dint and dead animals from hotals, places of business and public buildings shall be determined by the number and type of

receptacles required by each such hotel, place of business or public buildings and by the number of daily collections from each per week in accordance with the following table:

SECTION 4. Title 9, Chapter 04, of the Clark County Code is hereby amended by adding thereto a new Section, designated section 215 reading as follows:

9.04.215 Free Dumping of Home-Originated Solid Waste.
Any, resident of Clark County, including residents of the incorporated cities, may deposit home-originated solid waste at the County dumping ground, whether the same is operated by Clark County or by private contractor, without charge in accordance with such rules and regulations as the Board of County Commissioners may from time to time adopt.

SECTION 5. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than \$500.00 or by imprisonment in the County Mail for a term of not more than six months,

or by any combination of such fine and imprisonment. Whenever in this ordinance any act is prohibited or is made or declared to be unlawful or an offense or a misdemanor, or whenever in such ordinance the doing of any act is required or the failure to do any such required act shall constitute a violation of this ordinance. Any day of any violation of this ordinance shall constitute a separate offense.

SECTION 6. If any section of this ordinance or portion thereof is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such holding shall not invalidate the remaining portions of this ordinance.

SECTION 7. This ordinance shall take effect and be in force from and after its passage and the publication thereof by title only, together with the names of the County Commissioners voting for or against its passage, in a newspaper published in and having a general circulation in Clark County, Nevada, at least once a week for a period of two weeks.

FIRST AMENDMENT

ORDINANCE NO. 1605

AN ORDINANCE TO AMEND TITLE VIII, CHAPTER 3, SECTION 12, OF THE MUNICIPAL CODE OF THE CITY OF LAS VEGAS, NEVADA, 1960 EDITION, TO PROVIDE STANDARDS FOR GARBAGE RECEPTACLES; AND TO AMEND SECTION 15 OF SAID TITLE AND CHAPTER TO PROVIDE CHANGES IN CHARGES FOR COLLECTING, HAULING AND DISPOSING OF GARBAGE; PROVIDING OTHER MATTERS PROPERLY RELATING THERETO; PROVIDING PENALTIES FOR THE VIOLATION HEREOF; AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT HEREWITH.

THE BOARD OF COMMISSIONERS OF THE CITY OF LAS VEGAS DOES ORDAIN AS FOLLOWS:

SECTION 1., Title VIII., Chapter 3, Section 12, of the Municipal Code of the City of Las Vegas, Nevada, 1960 Edition, is hereby amended to read as follows:

8-3-12: RECEPTACLES: Each garbage receptacle shall be constructed watertight and shall be provided with handles and tight-fitting cover. Each such receptacle and cover shall be made of metal or other material as may be approved for use by the Clark County Health Department. Covers shall not be removed except when necessary to place garbage therein or remove garbage therefrom.

Each receptacle and its cover shall be kept clean from accumulating grease and decomposing material. All receptacles designed to be emptied by hand shall be so constructed as to contain not less than three nor more than thirty gallons, provided places of business or public buildings may use garbage receptacles having a capacity not in excess of thirty-six gallons.

SECTION 2. Title VIII, Chapter 3, Section 15, of said Municipal Code is hereby amended to read as follows:

- 8-3-15: CHARGES FOR COLLECTING, HAULING AND DISPOSING OF GARBAGE:
 - (A) Single-family residence. The charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals from single-family residence on a twice-a-week basis, shall be as follows:
 - \$8.14 per quarter, payable in advance, each and every threemonth period.
 - (B) Apartments and Multiple Units. The charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals from apartments and multiple units on a twice-a-week basis shall be a flat rate to be computed as follows:

MAR 21 1974

-1-

\$6.83 for the first unit on one stop and \$4.78 for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every three-month period. Should six-day service be requested by any apartments or multiple units, the rate for service should be two and one-half times that for service for a twice-a-week basis.

(C) Auto Courts and Mobile Home Parks. The charge for collecting and hauling garbage, rubbish, dirt and dead animals from auto courts and mobile home parks on a twice-a-week basis, shall be as follows:

Offices - \$6.83 per quarter; Sleeping rooms and mobile homes without cooking facilities - \$3.10 per quarter; Rooms where cooking facilities are furnished or mobile homes with cooking facilities - \$4.10 per quarter; Mobile homes where individual collections are required - \$6.83 per quarter; payable each and every three months, payable in advance, commencing on and continuing on the first day of each and every three-month period thereafter. Should six (6)-day service be requested by any Auto Courts and Mobile Home Parks, the rate for service shall be two and one-half times that for service for a twice-a-week basis.

(D) Hotels, Places of Business and Public Buildings. The quarterly charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

Numbers and type receptacles - Garb can to 33-gallon c	page per week	6 collections per week	7 collections per week

January 11, 1973

Yvonne McClain, Board Member Consumers League of Nevada 1408 E. Owens Avenue North Las Vegas, Nev. 89030

Dear Ms. McClain:

In reply to your letter of January 9, the city contract between North Las Vegas and its garbage collection company apparently expired last year. We are continuing to operate under the same general terms and conditions while conducting a study as to what revisions should properly be in any renewal. The North Las Vegas billing date reflects a bill for service already received, and is sent monthly, along with the regular bill for water and sewage service already advanced.

The City of North Las Vegas, in conjunction with the City of Las Vegas, and Clark County, retained an independent certified public accountant to review the actual financial books of all the garbage companies involved. That certified public accounting firm removed from the figures any income, or expenses involved in real estate transactions, and removed for rate making purposes \$100,000 of the salary figures for company executives, before arriving at the conclusion that a rate increase of approximately 5% would give the garbage company a fair rate of return on investment. A rate schedule which would increase rates by 5% will be considered by the city council at its regular meeting of Feb.5, at 7 p.m., in the council chambers.

Yours very truly,

Clay Lynch, City Manager

CONSUMERS LEAGUE OF NEVADA

1663 LA JOLLA AVE. TEL. 735-7436 LAS VEGAS, NEVADA 89109

January 9, 1973

City of North Las Vegas City Manager Clay Lynch 2200 Civic Center Drive 89030

Dear Mr. Lynch:

As you may know, the Consumers League is protesting any rate increase for garbage collection from the Silver State Disposal Companies in Clark County.

We have already registered our opposition at hearings before the City Commissioners and the County Commissioners. We do not feel that any rate increase is justified, and have requested that the contract governing current operations and costs be reviewed.

We are also planning to oppose the rate increase request at hearings scheduled to be held in North Las Vegas. We have been requesting that the actual financial books of the company be reviewed before any rate increase decisions are made; we are also asking that the possibilities for competitive bidding for service be explored; we are also asking that possibilities for consumer refunds be explored, considering the exorbitant profits which exist, reflected in the healthy salary figures for company executives.

We would like to know whether the contract between North Las Vegas and the garbage collection company is similar to the one which exists in the City of Las Vegas. Can this contract be reviewed and revised at any time? Do you have any plans to do this?

We would also like to have payment clarified. Does the North Las Vegas billing date reflect a bill for service already received or is it an advance payment?

We would appreciate any information related to the above concerns, and any other information that you feel might be helpful at this time.

Patricia van Betten, President

Please respond to:

NORTH LAS VEGAS CITY COMMISSIONERS North Las Vegas City Hall North Las Vegas, Nevada 89030

Gentlemen:

Silver State Disposal, Clark Sanitation and Disposal Transportation, Inc. have requested a 13.5% increase in rates.

Our Association represents properties with market values in excess of two hundred million dollars within Clark County and our members represent one of the largest tax paying groups, if not the largest tax paying group within Clark County. The garbage disposal companies have used bad faith in dealing not only with the residential customers, but with all their customers; first with charging for services not rendered in the recent strike and secondly, in trying to get this matter passed as an additional item on your agenda rather than having it noted for public hearing where all persons can state their complaints.

The Clark County Apartment Owner's Association, Inc. requests you to reject any rate increase for the disposal firm operating within your jurisdiction and further requests that if you intend to consider this matter further, that it only be done at a meeting to be held by you which has received substantial coverage in the press so that those persons who have an interest in expressing their viewpoints may have adequate opportunity to do so.

Very truly yours,

CLARK COUNTY APARTMENT

ASSOCIATION

OFFICES THROUGHOUT THE WORLD

December 14, 1972

Mr. Milton Weiss, Director of Finance City of North Las Vegas City Hall North Las Vegas, Nevada 89030

Dear Milton:

I am enclosing a copy of the latest report prepared in connection with the application for rate increase of the disposal companies.

This report excludes the assets and related income of Disposal Investments, Inc., which owns and operates the real estate rental properties and the garbage container sales and The reason for excluding the real estate and rental properties is that they are not earning a profit and, if included, would be subsidized by the garbage rate The reason for excluding the garbage container sales and rentals is that this business is not part of the franchise granted to the disposal companies and is subject to competition by other businesses.

In this report we have also excluded \$100,000 of stockholder employee salaries less a pro rata share of salaries that are included in Disposal Investments, Inc.

This report was the one used by the Commissioners of the City of Las Vegas in granting a rate increase on December 13, 1972.

If I can provide you with any additional information, please call me.

Yours very truly,

LAVENTHOL KREKSTEIN HORWATH & HORWATH

INTER - OFFICE MEMORANDUM

Date:

August 3, 1972

To:

Mayor Echols and

All Councilmen

From:

Clay Lynch

Department:

Department:

City Manager

Subject:

GARBAGE REMOVAL RATE INCREASE

The officials of our garbage company have requested a place on your agenda of August 7, to make their presentation in regard to the attached letter.

After giving them every opportunity to present their case, we request that the Council move to refer this matter to an independent certified public accountant for analysis and report. Because this matter has area-wide implications, I have contacted the manager of the City of Las Vegas and the administrator of Clark County. We have agreed to request a motion of the governing body authorizing the manager to enter into a letter of agreement with Laventhol, Krekstein, Horwath and Horwath (auditors for the County and the City of Las Vegas) for a complete analysis of all three entities, and all three companies involved. The letter of agreement would provide for a fair calculation of the proportional share of the cost of such a study.

This proposal meets with the full approval of James Andrus, our auditor. If necessary we will have Mr. Andrus review the report on a supplemental basis.

THE HONORABLE MAYORS, CHAIRMAN, COMMISSIONERS, AND COUNCILMEN OF THE CITY OF LAS VEGAS, CITY OF NORTH LAS VEGAS AND CLARK COUNTY, LAS VEGAS, NEVADA

Gentlemen:

The undersigned, President of Silver State Disposal Company, Clark Sanitation, Inc., and Disposal Transportation, Inc., respectively requests:

- 1. An increase in garbage removal rates of \$.35 per month per residential accounts and a 13.5% increase in commercial rates, effective August 1, 1972, based upon actual and projected substantial cost increases, more specifically set forth, below:
 - A.) An across the board labor increase of 5.5%, projected to remain stable for the next three (3) years. Should the 5.5% increase be exceeded, an appropriate time adjustment will be required.
 - B.) An increase of Nevada Industrial Commission rates of52% in a one (1) years' period.
 - C.) An increase in holiday compensation for all employees from time and one-half to double-time.
 - D.) Increases in taxable base wages of \$2,000.00 per year per man for Federal Insurance Contribution Act and Federal Unemployment Insurance.
- E.) An increase of 50% for servicing of the extra once a month pick-up of heavy and bulky items.
 - CITY OF NORTH.) A projected inflanationary increase of 3.6% per year LAS VISGAS for material and outside services, as estimated by

A-Hle

nationally known economists.

- 2. The aforementioned disposal companies have spent considerable efforts in a feasibility study of the plastic bag method of disposal for residential accounts. We are of the opinion that such a method is appropriate to our community. Therefore, we wish to submit for your favorable consideration the following plastic bag program:
 - A.) The disposal companies would provide to each residential customer a coupon with their quarterly billing invoice, which would enable the customer to redeem the coupon for a package of fifty (50) plastic can liners at the grocery store; providing the cooperation of the supermarkets and grocery stores could be obtained.
 - B.) This would provide to each residential account an average of four (4) bags per week.
 - C.) We are of the opinion that this method of disposal would add to the beautification of the area, by the removal of unsightly garbage cans and lids remaining on the streets after the garbage collection service has been rendered.
 - D.) The plastic bag program can be established and implemented for the nominal cost of 5.6¢ per bag or \$.93 per month per residential account.
- 3. We submit, attached hereto, schedules of computations for MCRO Figure the requested rate increase, a projected cost of implementing a plastic bag program as well as a schedule of proposed disposal rates for your examination and consideration.

4. In summary, it is respectively requested that the plastic bag proposal be installed and that the requested labor and material increase of \$.35 per month or 13.5% increase be favorably acted upon. The total cost would amount of \$1.28 per month for residential accounts and 13.5% increase for commercial accounts.

Respectively yours,
SILVER STATE DISPOSAL COMPANY

PROPOSED GARBAGE AND REFUSE RATES

June 26, 1972

Charges - Residential. (A) Single family residence. The charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals from single family residence shall be as follows:

Eleven dollars and sixty cents per quarter, payable in advance, each and every three month period;

(B) Apartments and multiple units. The charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals from apartments and multiple units shall be a flat rate to be computed as follows:

Seven dollars and forty cents for the first unit on one stop and five dollars and fifteen cents for each additional unit on one stop, irrespective of occupancy or vacancy of any such additional unit or units, payable each and every three month period.

<u>Charges</u> - Auto courts and mobile home parks. The charge for collecting and hauling garbage, rubbish, dirt and dead animals from auto courts and mobile home parks shall be as follows:

Offices - Seven dollars and forty cents per quarter; Sleeping rooms and mobile homes without cooking facilities - Three dollars and thirty-five cents per quarter; Rooms where cooking facilities are furnished or mobile homes with cooking facilities - Four dollars and forty-five cents per quarter; Mobile homes where individual collections are required - Seven dollars and forty cents per quarter; payable each and every three months, payable in advance, commencing on and continuing on the first day of each and every three month period thereafter.

Charges - Hotels, places of business and public buildings. The quarterly charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public buildings and by the number of daily collections from each per week in accordance with the following table:

Numbers and type of receptacles - Garbage can to 33 gallon capacity	2 Collections	6 Collections	7 Collections
	per week	per week	per week
1 2	13.30	55.30	66.30
	26.60	77.40	92.85

For Additional garbage cans, not exceeding thirty-three gallons in capacity, over two, there shall be added twenty-two dollars and ten cents for six collections per week, or twenty-six dollars and fifty-five cents for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans (thirty-three gallons maximum capacity) and receive

ORDINANCE NO. 394

AN ORDINANCE TO AMEND ORDINANCE NO. 7, ENTITLED: "AN ORDINANCE DEFINING GARBAGE, RUBBISH, DIRT, AND DEAD ANIMALS: REGULATING THE COLLECTION AND DISPOSAL OF GARBAGE, RUBBISH, DIRT, AND DEAD ANIMALS IN THE CITY OF NORTH LAS VEGAS: THE TO BE PAID THEREFOR AND MATTERS RELATING THERETO; AND PROVIDING PENALTIES FOR THE VIOLATION OF THE PROVISIONS THEREOF; AND REPEALING ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT THEREWITH." TITLE 4, PUBLIC UTILITIES, CHAPTER 404 OF THE NORTH LAS VEGAS MUNICIPAL CODE; TO PROVIDE FOR ADDITIONAL REFUSE REMOVAL; TO PROVIDE A DEFINI-TION THEREOF; TO PROVIDE FOR THE ESTABLISHMENT OF RATE SCHEDULES FOR ADDITIONAL REFUSE SERVICE; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH; AND OTHER MATTERS PROPERLY RELATING HERETO. Transfer was transfer from the markets.

WHEREAS, Disposal Transportation, Inc., as franchised garbage collector for the City of North Las Vegas, has proposed to initiate additional refuse collection services, and

WHEREAS, the additional refuse services to be provided by Disposal Transportation, Inc., will serve to alleviate the littering of the open spaces in the City of North Las Vegas, all of which is in the interest of the general health and welfare of the citizens of the City of North Las Vegas,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS, NEVADA, as follows:

SECTION 1. DEFINITIONS. Section 3 of Ordinance No. 7, and Section 404.030 of the North Las Vegas Municipal Code, is hereby amended by adding a new section, (J) "Additional Refuse". "Additional Refuse" is defined as refuse and garbage from single family residences that cannot be contained in a single receptacle, the dimensions of which do not exceed a capacity of forty (40) gallons, or 5.34 cubic feet. Additional Refuse shall include, but not be limited to, stoves, refrigerators, furniture and hotwater heaters. Additional Refuse shall not include loose materials such as soil, sand and rocks or whole mature trees or telephone poles.

SECTION 2. Section 3 of Ordinance No. 7, and Section 404 of the North Las Vegas Municipal Code is hereby amended by adding a new section, (K) "Additional Refuse Service." Additional Refuse Service is defined as the pick up, collection and removal of those items defined as Additional Refuse.

SECTION 3. Additional Refuse Service shall be provided in the City of North Las Vegas for single family residences by franchised garbage disposal company operating in the City of North Las Vegas according to the following terms and conditions:

a. Additional Refuse Service shall be provided according to the route and schedule of pick ups as may hereafter be approved by the City Council of the City of North Las Vegas. Such approval shall not be granted until such proposed route and schedule is published in a newspaper of general circulation as a regular notice.

- b. The rates chargeable for the Additional Refuse Service shall be established by motion of the City Council and may be revised from time to time upon posting a schedule of rates in the City Hall and publishing same in a newspaper of general circulation as a regular notice.
- c. The franchised garbage collector for the City of North Las Vegas shall, in addition to the above described refuse service, endeavor to provide such extraordinary and emergency services as from time to time may arise among the citizens of the City of North Las Vegas.
- SECTION 4. SEVERABILITY. If any action, clause, phrase or paragraph or sentence of this Ordinance is for any reason held to be void or unconstitutional, such decision shall not affect the validity of the remainder of this Ordinance, and it is hereby declared that this Ordinance, and each of the sections, paragraphs, sentences, clauses or phrases would have been passed irrespective of the fact that any one or more of such sections, paragraphs, sentences, clauses or phrases may be declared to be void and unconstitutional.
- SECTION 5. REPEALER. All Ordinances or parts of Ordinances, sections, subsections, phrases, clauses or paragraphs contained in the Municipal Code of the City of North Las Vegas in conflict herewith are hereby repealed.
- SECTION 6. This Ordinance shall be in effect fifteen (15) days from and after its passage by the City Council of the City of North Las Vegas, and publication once a week for two successive weeks in the North Las Vegas Valley Times.
- SECTION 7. The City Clerk shall cause this Ordinance to be published once a week for two successive weeks immediately following its adoption in the North Las Vegas Valley Times published in the City of North Las Vegas.

PASSED AND ADOPTED THIS 6th DAY OF October, 1969.

CITY OF NORTH LAS VEGAS INTER - OFFICE MEMORANDUM Deptamer 24. 1,200 To: Department: Clay Lynch City Managar From: Milton Veien Department; Dizector of Pinance PROPOSED GARBAGE HATE INCHEASE A further enalysis of Dimposal Fransportation, Inc. request for an increase in garbage rates as presented in your letter to Council dated July 24, 1969 indicates the Collowings 1. The total proposed increase of 750 per month for a residential account will increase the current rate from \$1.50 to \$1.50 per month of 40.761%. 2. The second proposition is that all commercial and multiple units be increased a flat rate of 18%. However, in calculating a base increase of 34¢ per parbage account the exact rate of increase for commercial and multiple units would be 18.47%. I would like to recommend that the 41¢ charge for bulky debrie pickup be only applicable to (a) single femily residences, and (b) multiple apartment units up to an B-plex. If this recommendation is accepted on multiple unit current rates, they would be increased by 40.761%, percentage rate gust be used due to the current de-escalating scala of carpage rates for multiple units. I have discussed this with Mr. Jos Anstett, Comptroller of the Disposel Transportation, Inc., and he is in accord with the belief that multiple units larger than an 6-plex and likewise commercial establishments would prefer to utilize their own vehicles or make their own expenses with the gerbage company to dispose of large. bulky debuts. Attached hereto is the suggested new garbage rotes which is in publication form. For your further information, I am attaching a comparison of proposed rates as against current rates. Also, I would like to advise that it will require a minimum of 30 days for our service buresu to compute and program for the new rates increases. /malaton walsa Director of Finance Mil a Mill

REVISED MONTHLY CARRACE PACES

NOTICE IS HEREBY GIVEN of the schedule of revised rates to be effective November 1, 1969 for the collection of garbage and refuse by the City of North Las Vegas, in accordance with Ordinance No. 2000 of the City of North Las Vegas and in accordance with unanimous motion of the City Council on September _____, 1969.

CITY OF NORTH LAS VEGAS

INTER - OFFICE MEMORANDUM

Date September 3, 1969

To: Clay Lynch

Department:

City Manager

From: Milton Weiss

Department:

Director of Finance

Subject: PROPOSED GARBAGE RATE INCREASE

A further analysis of Disposal Transportation, Inc. request for an increase in garbage rates as presented in your letter to Council dated July 24, 1969 indicates the following:

- 1. The total proposed increase of 75¢per month for a residential account will increase the current rate from \$1.84 to \$2.59 per month or 40.761%.
- 2. Their second proposal is that all commercial and multiple unit rates be increased a flat rate of 18%. We agree the 18% increase for commercial accounts is justifiable, however a multiple residential can conceivably consist of a duplex, triplex, fourplex, and so on up to a large project like the Cheyenne Apartments. Multiple units are now charged at the rate of \$1.84 for the first unit plus \$1.29 for each additional unit, and to increase the multiple unit rates by 18% would mean that the first unit would be charged \$2.17 per month and each additional unit at the rate of \$1.52 per month.

It would appear to me that percentage wise the burden of rate increase would fall upon the single family dwelling and while the multiple family dwelling would receive the same service as the single family dwelling their rate would only increase by 18% as against 40.761% for the single family dwelling. While I would not venture to recommend what the new rates should be, I do feel both single family residences and multiple residences units should be increased by the same percentage.

I also wish to advise that it will require a minimum of 30 days for our service bureau to compute and program for the new rate increases.

Milton Weiss Director of Finance

July 24, 1969

Mr. Eugene V. Echols, Mayor City Councilmen: Messrs: C.R. Cleland, Jack R. Petitti, Wendell G. Waite, and Aaron Williams City Hall North Las Vegas, Nevada

Gentlemen:

The undersigned, President of Disposal Transportation, Inc., respectively requests:

- 1. That that certain contract made and entered into by and between the predecessor-in-interest of Disposal Transportation, Inc. and the City of North Las Vegas on the 7th day of October, 1957, does so provide in paragraph XVI, that in the case of an increase in the general wage scale, Disposal Transportation, Inc., may request an increase in garbage rates.
- 2. Disposal Transportation, Inc. does hereby request an increase in garbage removal rates of \$.34 per month per residential account and a 18% increase in commercial and multiple unit rates, effective October 1, 1969, based upon the substantial increases in cost of operations in the following areas:
 - a) The cost of labor, in accordance with union contracts will increase 28.8% during the four (4) year period, 1968 through 1971.
 - b) Material purchases, tires, truck costs and services from local vendors have increased substantially since 1968 and economists estimate that such inflation shall climb at least by 3.5% in each of the next three (3) years.

c) The accompanying computations set forth the additional FEB 25 1972 cash required to meet labor demands and cost of equipment repairs and services, in order for Disposal Transportation CTY OF NORTH Inc. to maintain its current position.

2,44

- 3. Disposal Transportation, Inc., as an additional service to the residents of the City of North Las Vegas, and keeping in mind, the beautification of the City of North Las Vegas, hereby offers to provide to each residential account a monthly pick-up service of all discarded furniture, appliances and miscellaneous bulky debris, not ordinarily considered garbage, trash or rubbish on a monthly basis for the nominal fee of \$.41 per month, per residential account. This additional service should completely eliminate promiscuous illegal dumping that so defiles our area.
- 4. Disposal Transportation, Inc. on December 5, 1967 did respectively request from the City of North Las Vegas that their contract with the City of North Las Vegas be extended for a period of fifteen (15) years, (ten (10) years with a five (5) year option to the contractor), or to January 31, 1987.

At the City Council meeting of March 25, 1968, the Honorable Council announced that they would like to defer consideration of the contract extension for a period of six months.

It is therefore, respectively requested the City of North Las Vegas favorably consider and approve our application for a contract extension, an increase in garbage rates and that to further the conscientious effort to continually beautify the City of North Las Vegas, permit us to provide the additional monthly clean-up service.

The total service can be accomplished for as little as \$.75 per month, per resident. We believe that this is an extremely worthwhile investment for the betterment of our City.

Respectively yours, DISPOSAL TRANSPORTATION, INC.

Mr. Joseph Anstedt Disposal Transportation Company P. O. Box 4277 Las Vegas, Nevada 89106

Dear Joe:

According to the terms of the existing Agreement between your company and the City of North Las Vegas your company must provide the following:

- 1. Financial statement and audit report for your fiscal year ending September 30, 1968.
- 2. Evidence that a Surety Bond in the amount of \$5,000.00 is still in existence and made in favor of the City of North Las Vegas.
- 3. Evidence that your policy with the Continental National American Group affording your company and the City of North Las Vegas joint protection from liability in the amount of \$1,000,000 is still in force and effect.

Please give the satisfactory response and action with reference to the above three items.

Yours very truly,

Milton Weiss

#### CITY OF NORTH LAS VEGAS

#### INTER - OFFICE MEMORANDUM

Date March 22, 1968

To: Mayor and City Council

Department:

From: Clay Lynch

Department: City Manager

Subject: Request for Increase - Disposal Transportation, Inc.

The Finance Department and I have made an exhaustive effort to analyze the data submitted and we are prepared to discuss this matter in whatever detail the Council may request. It seems the following facts are clear:

- 1. An analysis of the balance sheets of all four of the garbage companies operating in the Las Vegas valley is confused by inter-company transactions and allocations of expenses, including depreciation.
- The garbage companies serving North Las Vegas have been operating at precisely the same rate set by motion of the City Council on November 30, 1953 and, therefore, some measure of adjustment is indicated.
- 3. Henderson, Clark County, and the City of Las Vegas have a basic rate schedule which is 10% higher than ours and have been for the past five years.
- To raise our rate any higher than that prevailing in other Vegas Valley jurisdictions would create an inequity on our citizens and could hardly be justified unless joint action by all jurisdictions could be accomplished.
- 5. No significant evidence has been submitted which would indicate an immediate need for an extension of the contract. We have four years of time to work out details.
- A review of the entire history of our contractural relationship with this company indicates that a totally new contract ought to be prepared and executed.
- 7. Manager's Recommendation a. Motion pursuant to Ordinance No. 188 authorizing a flat 10% increase in the rates now in effect. b. The City Manager and City Attorney be directed to draft a totally new contract for the future.

City Manager CITY OF NORTH LAS VEGAS

#### INTER - OFFICE MEMORANDUM

Date February 14, 1968

To:

Mr. Clay Lynch

Department:

City Manager

From:

Mr. Milton Weiss

Department:

Director of Finance

Subject:

DISPOSAL TRANSPORTATION, INC.

In the early part of December you will recall the subject company asked for a meeting for the purpose of discussing their request for an increase in garbage disposal rates for the City of North Las Vegas. At that meeting, which was attended by Messrs. Lester LaFortune, John Isola, Joe Anstett, yourself and me, we were handed their letter of December 5, 1967 addressed to the Mayor and Council and with which were enclosed financial data to mapport their request for an increase in garbage rates from \$1.67 to \$2.09 per month, or a 25% increase which they claim is necessary in order to operate at a reasonable profit.

The disposal company also requested that the present contract which now expires on January 31, 1972, be increased for an additional period of 15 years, i.e., 10 years firm to 1982 plus a 5 year option to January 31, 1987.

You requested that before their letter and supporting data was handed to our Council that I make a study and analysis of their material submitted, which incidentally was later supplemented at our request by additional information submitted on January 15, 1968 and on February 5, 1968.

As you know, Disposal Transportation, Inc., which is a contracting company for North Las Vegas, is both financially and physically intertwined with Silver State Disposal Company which handles the City of Las Vegas, Clark Sanitation Inc. which handles the county areas, and finally, Henderson Disposal Service, Inc. which handles the City of Henderson. Accordingly, rather than treat Disposal Transportation Inc. as a separate financial entity I requested financial statements on all the above mentioned companies since one company leases the other companies equipment and vice versa; all of the companies absorb some administrative expenses which is not proportionate to gross revenues; one company borrows from the other; with the result that it is such a complex mixing of financial transactions that it is virtually impossible to determine the merit of their request for higher rates based solely upon their own financial report, and I so advised Mr. Anstett of the disposal company.

Mr. Anstett thereupon furnished to me a comparison of wages and operating costs between the years 1957 and 1967 since Section 16 of our contract specifies that in the event the

Mr. Clay Lynch

Page 2 February 14, 1968

general wage scale and/or equipment costs in the vicinity of North Las Vegas shall increase or decrease, either party may request to renegotiate with respect to a rate change.

According to the figures submitted by him the labor cost for a driver increased 91.1% and the labor cost for a pitcher increased 94.6% since 1957. The operating costs to move a ton of garbage rose 17.4% after considering the more efficient type of equipment used in 1967 as compared to 1957. The operating costs to process garbage at the dump site increased more than 300% over the last 10 years. I have verified through the Bank of Nevada that the Cost of Living Index for the Las Vegas area has increased 19.8% during the last 10 year period and that on the national level the anticipated increase for the year 1968 will exceed 3%.

At the present time the monthly garbage rate in the City of Las Vegas if \$1.84, which rate has been in effect since 1962. The monthly garbage rate in Clark County and in Henderson is also \$1.84. For further comparisons the monthly garbage rate in the Reno-Sparks area for many years was \$1.90, and on January 1, 1968 this rate was increased to \$2.20. However, the Peno-Sparks rates are based upon one pickup per week whereas in Clark County all of the rates are based upon two pickups per week.

Based upon all of the known facts I would recommend that rather than accept their request for increasing their garbage rates from \$1.67 to \$2.09, or 25%, that we agree to a 10% increase or \$1.84 per month, which would then bring us in line with the rate that has been in effect in the City of Las Vegas for the past five years. I would also recommend that if Council agrees to this proposed rate adjustment that a new agreement be drawn up with the stipulation that the new rate be firm for a period for five years and any further rate adjustment thereafter be tied in to a cost of living index formula for Clark County.

Mr. Clay Lynch City Manager City of North Las Vegas North Las Vegas, Nevada

Dear Mr. Lynch:

In accordance with our request for an increase in garbage disposal rates within the City of North Las Vegas and an extension of the existing disposal contract between Disposal Transportation, Inc. and the City of North Las Vegas as previously outlined in our letter under date of December 5, 1967, may we submit, for your consideration, the following attached supplemental facts concerning relative increases in costs during the period of the existing contract to date.

We, are of the opinion, that this information is extremely pertinent to our application and respectively invite your attention to this supplemental data.

December 5, 1967

Mr. William L. Taylor, Mayor City Councilmen: Messrs. C. R. Cleland, John E. Myers, Jack R. Petitti, and Wendell G. Waite City Hall North Las Vegas, Nevada

Gentlemen:

The undersigned, President of Disposal Transportation, Inc., respectfully requests:

- 1. That that certain contract made and entered into by and between the predecessor-in-interest of Disposal Transportation, Inc., and the City of North Las Vegas on the 7th day of October, 1957 be extended for a period of 15 years (10 years with a five year option), or to January 31, 1987.
- 2. That an increase in rates be allowed. We respectfully invite your attention to the fact that since October 7, 1957 (over 10 years), we have not had an increase in rates and we do now respectfully request an increase of at least 25%.

Enclosed herewith for your consideration are financial statements and supporting computations prepared by the Company's CPA's substantiating the necessity for the proposed increase in rates.

With respect to Item 1 above:

Disposal Transportation, Inc. has remaining on the existing contract, as renewed, approximately four years. It is believed by the undersigned, as well as the officers and directors of the Company that from October 7, 1957 to the present date that the services rendered to your City far surpassed those rendered throughout the remaining Western states for the rates assessed.

MIGRO TIME.

FEB 25 15/2

GITY OF NORTH

LAS VEGAS

I am sure that you are aware by prior investigations as well as trade journals that the services performed in the City of North Las Vegas are much more extensive and without the troublesome limitations imposed by similar contracts in other cities of the Western states. I would like to make specific mention of the fact that save and except for the limitation as to size of container, our Company picks up, grass, tree clippings, and there is no necessity of segregating dry from wet garbage, although this procedure is required in many other cities.

During all of the time of our contract, our Company has provided the finest and most utilitarian equipment for the removal and disposal of garbage and refuse. By virtue of the use of such equipment, however, we will be required to replace completely all of such equipment within a span of less than four years which is immediately prior to the expiration of the existing contract. Our need for the requested extension, therefore, becomes all the more apparent as it could not be said to be good prudent business practice to undertake the expenditure of substantial sums of money replacing existing equipment with such a short period remaining to be performed under the contract.

We feel that by an extension of the existing contract for an additional 15 year period (10 years + a five year option), we could continue to render superior service with the most utilitarian equipment. We, therefore, solicit your favorable consideration of this request.

As to Item 2, a request for rate increase:

We wish to point out that no increase at all has been made available to our Company from the City from the inception of our relationship by contract referred to above, commencing October 7, 1957. It is deemed unnecessary to submit statistics to demonstrate it, since it is a well-known fact, but since 1957 to the present date, a period of 10 years, the cost of living has increased substantially.

It is of evidentiary value to point out that since October 7, 1957 the basic pay rate for the employees of our Company has tremendously increased. In 1967, our driver's rates

MICE-

FEB 25

city of 110 Las vegas has been at \$3.50 and the pitcher's rate at  $$3.37\frac{1}{2}$ , constituting a 91.8% increase for drivers and for pitchers 90.4%. These statistics, while evidencing tremendous cost of labor increase does not fully reflect the cost to the Company therefor. Since 1957, substantial fringe benefits have been required and agreed upon through collective bargaining negotiations between the Company and the Teamster's Union. When these fringe benefits are likewise taken into account, the increase of the basic pay for drivers would be in excess of 110%.

Your City has heretofore applied a formula of book value of plant and equipment plus 45 days working capital in applying rate settings in connection with our Company, as is reflected on the financial statements enclosed herewith. The financial statements further disclose that for the fiscal year ended September 30, 1967, the Company suffered a loss in excess of \$40,000.00 and unless a rate increase is effected, serious economic problems to the Company are a certainty.

Your attention is, therefore, respectfully invited to said financial statements wherein our accountants have set forth, based upon the formula adopted by your City, a schedule of projected rate of return and raise in rates necessary in order to overcome continued financial loss to the Company. We believe these records will substantiate the reasonableness of our request for a 25% increase over existing rates.

We, therefore, respectfully request that you give consideration to the above enumerated requests. Our officers and employees will be available, together with the records of our Company, in order to furnish any and all information you deem necessary.

Respectfully yours,

DISPOSAL TRANSPORTATION, INC.

PERCENTAGE INCREASE

91.1%

94.6%

- 2. Cost of living index in the Las Vegas area has increased by 19.8% during the ten year period, 1957 to 1967. The base was adjusted in 1960; however, according to an independent expert, of whom, this fact was obtained, the 19.8% increase in cost of living index reflects the necessary conversion adjustments to compute the increase on a consistent basis. We are further advised that on a national level, the anticipated cost of living index for the year 1968 will exceed 3%. We are confident that the Las Vegas area will also be faced with the national expected increase in the cost of living index.
- 3. Based upon an analysis of the cost of pickup, transporting, and disposing of garbage and trash in the Las Vegas Valley area, we submit the following facts and information for the year 1957 and 1967.

|             |                                    | 1967    | <del></del> | 1957                |       |

CITY OF HORSE

From this information, it can be readily determined that even by a more efficient method of operation, the labor costs, cost of living in the area and the regulations of the air polution control have forced unit costs to constantly increase.

P.W. - Sheet Dearly Clerk 4467

March 15, 1967

Mr. Lester L. LaFortune, President And Silver State Disposal Service, Incorporated 1300 North "A" Street
Las Vegas, Nevada

Dear Mr. LaFortune:

The City of North Las Vegas, in cooperation with the Chamber of Commerce, Junior Chamber of Commerce, and the Retail Merchants' Association, College Park Shopping Center is in the planning phases to conduct a "Spring Clean-Up, Paint-Up, Fix-Up campaign, scheduled for the period of April 1 through April 30, 1967.

In view of the fact that the City won a National Award for its activities in this program for 1966, every effort will be put forth to compete for the highest National Award for the year 1967.

Based upon the strong desire of all participants to conduct the best possible Spring Clean-Up campaign, we are requesting that the Silver State Disposal Service, Incorporated provide the City with ten, three-yard dumpsters, placed at certain locations and dumped once a week, during the period of April 1 through 30, 1967. Suggested locations are:

Bartlett and White, Oakwood and Civic Center Drive,
Carey and West, Kenneth and Judson, Tonopah and MICRO File
Statz, Palmer and Tonopah, Woodard and Taylor,
Princeton and Rose, Yale and Tonopah, Arrowhead
and Cartier.

In order to efficiently carry out this planned program we also request that the City be permitted to borrow the special type truck used to load, dump, and return to placement for that month. If this request is complied with the City agreed, is to provide upkeep, repair and maintenance on said vehicle; provide gas, oil and water for said vehicle and provide a qualified, competent driver for said vehicle.

Yours very truly,

Disposal Transportation, Inc.

#### CITY OF NORTH LAS VEGAS

#### INTER - OFFICE MEMORANDUM

Date October 4, 1962

To. Mr. Clay Lynch

Department:

City Manager

From Mr. Milton Weiss

Department

City Treasurer

Subject: Request for Rate Increase - Misposal Transportation, Inc.

to the Mayor and Coucil from Disposal Transportation Inc. with which they enclosed data in support of their request for a 10% increase in garbage disposal rates for services performed in North Las Vegas.

The Finance Department have excefully studied the figures submitted and wish to comment on same as follows:

- 1. The prime factor in this matter is naturally the gress income the garbage company receives from collections in our city. He do not agree with their projected annual income for the year beginning July 1, 1962. To obtain an accurate growth factor for projected revenue we compared our own garbage billing for the average of a six months period from January 1 to June 30, 1961 as against the average of the six months period from January 1 to June 30, 1962 and this indicates an annual growth factor or increase in billings of 15.1%. We then used our actual monthly billing of July 1962, and after annualizing same and finally adjusting this figure by the growth factor of 15.1% the projected annual revenue for the garbage company for the year beginning July 1, 1962 would be \$161,969.73 as compared to their estimate of \$133.300.00.
- 2. For the period prior to about June 1, 1962 and according to their own records, the garbage company had in our service the equivalent of 3 1/3 trucks and which they advised were more or less on the obsolete side. In their latest submission they now show the use of two brand new trucks, one truck not quite 2 years ald and the 4th truck about 3 1/2 years old. The foregoing is pointed out for the reason that while they have increased their depreciation as an expense item and likewise increased truck operating wages, fuel, repairs, insurance, etc. they have failed to give consideration to the increased afficiency made possible by the use of the new equipment.
- 3. Most of the figures which they show as truck expense have been very much inflated. For example, they admit to a \$1600,000 error in their annual depreciation expense. They was along \$1000.00 per month for truck maintenance and repair which we consider excessive in light of their new equipment. Taken, considered excessive by possibly \$2000.00 or more is white

- 2 -

indicated expense for fuel and all. Their indicated expense of \$3300.00 for tires and takes also appears to be expensive in light of the new equipment.

- h. Under their Indirect Expense entegery they show paper callection fees of \$2500.00. However, they fail to show on the income side revenue derived from the sale of the paper collected which should more than offset the callection fees.
- 5. Under the category of Administrative Expense it would appear that a number of items are out of line and excessive such as Personnel Expense, Rent, Administrative Service, Administrative Auto and Truck Service and Insurance.
- 6. To sum up their report, they underestimated the antisipated revenue, overestimated their anticipated expense and as a result of which they claim an anticipated less of \$6160.00 for the year ending June 30, 1963.

It is interesting to note that a comparison of their ensual income statement for the six months ending March 30, 1962 as against their figures attached hereto show an operating expense ingrease of 20.6%. The unjor factor in this increase is due to an infinite of wages for trusk services.

It will also be noted in their statement that they consider a reasonable rate of return on their invested capital to be not loss than 10% nor greater than 15%. They further comment that the City of Las Vegas concurs with the feregoing. They also point out that in order to obtain a rate of return of 10% on invested capital they would require an increase of 13.3% over present garbage rates.

I am attaching herete our estimated annual rate of return (Schedule I)
using our own estimated annual grees revenue figures which include the growth
factor adjustment of 15.1%, which also includes 5% additional franchise feet
plus 5% additional collection fees on the difference in their estimated
revenue and ours; also added to their operating expenses is an additional 5%
to compensate for the growth factor. The net result of the computation of
Schedule I indicates the garbage company usuld enjoy an annual rate of recipies
on their invested capital of 12.75%. This personness figure would naturally a collection figure rather than their obviously inflated estimates

It should be pointed out that the compatation of the rate base which is also identified as their Plant Depreciated Fixed Assets, which is used to determine the animal rate of return will be affected each year, for the simple reasons that the revenue will increase and while at the same time their Plant Depreciated Fixed Assets will decrease at the rate of approximately \$12,000 per year. To emphasize this contention I am attacking Schedule II in which is further projected the garbage company's revenue, operating expenses, not profit after taxes and which indicates that they possibly can anticipate an annual rate of return on their invested capital of 32.4% for the year ending June 30, 1964. Theoretically, and by the same process, their annual rate of return will indrease each year until their Plant Depreciated Fixed Assets is increased by the acquisition of new trucks.

In view of the foregoing, it would be the recommendation of the Pinance Department to deny the request of the garbage company for an increase in collection rates. As brought out in my memorandum to you of June 19, 1962, regulatory agencies consider a fair named rate of return on invested capital to be between 5.75% and 8.25%. A rate of return over 8.25% is considered as to be "out of line" and excessive.

Date June 19, 1962

To:

Mr. Clay Lynch

Department

City Manager

From:

Milton Weiss

Department

City Treasurer

Subject:

DISPOSAL TRANSPORTATION COMPANY REQUEST FOR 10% RATE INCREASE.

The following information and statistics are being presented to assist the City Administration in determining whether;

- 1. Disposal Transportation Company is presently deriving a satisfactory rate of return (based on their plant depreciated fixed assets) basis current garbage hauling rates, or;
- 2. If not, what would their rate of return be if we granted their request for a 10% across the board increase.

To determine garbage company revenue for a projected period of one year, actual billing as taken from our books for the month of May, 1962, was used as a foundation. To have gone back further in the past in order to determine gross billing would not be equitable to our City as we are experiencing a steady and constant rate of growth. (Our Auditors report of May 29, 1962, estimates a City growth factor of 14%). To give the garbage company the benefit of any doubts as to the accuracy or fairness of method of computing their projected annual revenue, I have deliberately ignored the 14% growth factor. In other words, we are assuming the City will stand as is in the future. As a matter of fact, the garbage company has admitted to us an approximate increase in revenue of 11 to 12% for their past fiscal year. This of course substantiates our Auditors forecast of growth.

In the preparation of the following calculations we have taken into consideration the increase in labor costs to the garbage company of \$2,421.90 per year, also their own estimate of increased operating costs per year of \$3,021.26.

When calculating the "RATE BASE" we applied the conventional method approved by regulatory agencies throughout the country controlling and governing rate structures of public utilities.

Annual Rate of Return on Rate Base ----

In conclusion wish to state that it is our understanding that a fair annual rate of return on the "RATE BASE" is between 5.75% and 8.25%. Regulatory agencies consider a rate of return over 8.25% to be "out of line" and excessive.

Rudd, Rellins and Salgo Certified Public Accountants 2020 East Charleston Boulevard Las Vegas, Nevada

Attention: Joseph I. Salgo

Dear Mr. Salgo:

I have in my hand your letter addressed to myself and the City Council of North Las Vegas dated May 29, 1962, wherein you have examined the request for disposal rate increase of the Disposal Transportation, Inc. The report itself seems to be in order, however, your opinion in the last paragraph of the letter leaves much to be desired.

You stated in your letter that because of your close relationship with the disposal company CoPaAs, Hr. Joseph Anstett, that the best interests of the City would be served if you neither recommended approval non-recommended disapproval of the proposed rate increase.

Mr. Salgo, your opinion and that of your associates is what the City of North Las Vegas hired you for. You didn't hesitate to give your opinion on the Phelps Pump and Equipment transaction; you didn't hemitate to say in your report on the same, that you felt the City had been neglectful in their respensibilities as far as Pheips Pump and Equipment were concerned. We have hired you to audit our books and to give ws epinions when necessary. It has been some menths fince we asked you to give an opinion on the Disposal Transportation, Inc. rate increase. It took a long time for you to come up with this report and as far as I am concerned, it is a worthless report since you did not give us an opinion which is what we asked you to do.

If you had not wanted to give us an opinion in this you should have stated so before you prepared your inspection, and not several months later submit a report without your official opinion included. After all, I believe there should be some concern shown to the City, for we are paying the tab.

After reading the above, this letter seems a little bit hard, but this is the way we feel (myself and the City Council). I would not want you or your associates to think there is anything personal in this criticism, for your reputations are without question MICRO FILMED

Simcerely,

FEB 25 1972

Hayor William L. Tayloffy OF NOR H LAS VIGAS

# Disposal Transportation, Inc.

Honorable William L. Taylor Councilmen: Boyd C. Bulloch

James B. Kelly John E. Myers Jack Petitti

Attention: Clay Lynch, City Manager

Gentlemen:-

Disposal Transportation, Inc. has been operating under a contract with your city for the collection of garbage and refuse which contract has approximately ten years remaining.

Said company has been confronted with, and has absorbed a substantial increase in the cost of labor and materials, and, in accordance with the pro-forma income statement prepared by the accountants for the company, allowing for these increases, it would indicate that for the fiscal year ending September 30, 1962 if the operation continues at the same rate, the net profit of said company would amount to the low figure of \$1,740.00 for the year.

Therefore, in accordance with the provisions of said contract, we respectfully request that your Honorable Board give consideration to a rate increase of 10%, applicable to all accounts within the city limits of North Las Vegas, Nevada. This increase of 10% represents an additional charge of 17 cents per month per residence.

We have heretofore taken the liberty of furnishing to your city manager a copy of the report on examination and financial statements for the year ending September 30, 1961 and, upon request, will present all of our books and records together with a pro-forma statement of income and expenses from September 30, 1961 to the projected date of September 30, 1962.

MICRO FILMED

FEB 25 1972

City of North Las Vegas

Mr. Perliter then brought up the subject of Flood Control Study.

Authorization had been granted by Congress in June of 1952; however, no funds had been voted for this purpose. It was suggested that letters be directed to the State Senators requesting that action be taken towards the voting in of these funds.

The proposed raise in garbage rates as submitted by the Southern Nevada Disposal Service then was brought up for discussion. It was decided that these raises be allowed. Councilman Gilmore moved that a resolution be adopted allowing the increase in rates as proposed by the So. Nevada Disposal Service and that an employe of said Company be deputized to effect collection of monies and enforce the garbage ordinance. Councilwoman Porter seconded the motion. Carried unanimously. The City Clerk was instructed to write Mr. Max Chasin to this effect.

Councilman Stanley moved that the meeting be adjourned. Councilman Gilmore seconded the motion. It was carried unanimously.

MINUTES OF THE REGULAR MEETING OF THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS, NEVADA.

December 7, 1953.

AW OFFICES TAYLOR & GUBLER

Honorable Earl Webb, Mayor, and Members of the Board of City Commissioners, City of North Las Vegas, Clark County, Nevada:

Pursuant to the provisions of Paragraph XVI of the certain Agreement heretofore made and executed by and between the City of North Las Vegas and the undersigned company, NCTICE IS HEREBY GIVEN that the undersigned desires to renegotiate said Agreement with respect to rate charges, new rate charges to become effective October 1, 1953.

PLEASE TAKE FURTHER NOTICE that because of increased wages and operation costs, the City of Las Vegas granted the undersigned company an increase effective July 1, 1953, raising the rates for garbage collection for business establishments 25%, or thereabouts, and for residences \$.50 per quarter, and in order for the undersigned company to continue garbage collections in the City of North Las Vegas, it is necessary that the City of North Las Vegas grant similar raises, effective on the date indicated

DATED at North Las Vegas, Clark County, Nevada, this 18th day of August, 1953.

SOUTHERN NEVADA DISPOSAL SERVICE, INC.

Max Chasan By No Blank us Vice pris,

9/3/52

Ordinance No. 8a2

7.

AN ORDINANCE TO AMEND SECTION NO. 11 OF ORDINANCE NO. 7, BY PROVIDING A NEW SCHEDULE OF RATES FOR GARBAGE COLLECTIONS AND REPEALING ALL ORDINANCES, OR PARTS OF ORDINANCES, IN CONFLICT HEREWITH.

The Board of Commissioners of the City of Las Vegas does ordain as follows:

Section 1. Section 11 of Ordinance No. 7 is hereby amended to read as follows:

charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals from residences, apartments and multiple units shall be \$1.50 per month for each unit, payable \$4.50 each and every three months in advance, but such charge may be paid annually in advance. In case of mutiple units, all quarterly fees shall be as follows:

2 Apartments \$7.50 7 Apartments \$22.50
3.4" 10.50 8 " 25.50
4 " 13.50 9 " 28.50
5." 16.50 10 " 31.50
6 " 19.50

- (b) Motels, Auto Courts; and Trailer Courts where hitchen facilities are available. The charge for collecting and hauling garbage, rubbish, dirt and dead animals from Motels, Auto Courts, and Trailer Courts where kitchen facilities are available, shall be \$1.50 per month for the first family unit, and \$.75 per month for each additional family unit, payable in advance every third month, but such charge may be paid annually in advance.
- (c) Motels, Auto Courts and Trailer Courts where kitchen facilities are not available. The charge for collecting and hauling garbage, rubbish, dirt and dead animals from Motels, Auto Courts and Trailer Courts where kitchen facilities are not available shall be \$1.50 per month for the first family unit, and \$.40 per month for each additional unit payable in advance, each and every three months, or annually.
- (d) Places of business and Public Buildings. The monthly charge for collectin, hauling and disposing of garbage, rubbish,

dirt and dead animals from places of business, and public buildings, shall be determined by the numer of receptacles required by each such place of business or public building, and by the number of daily collections from each per week in accordance with the following table:

| Number of Receptacles: | 2 Collections<br>per week | 6 collections<br>per week | 7 collections<br>per week |
|------------------------|---------------------------|---------------------------|---------------------------|
| 1                      | \$2.50                    | \$10.00                   | \$12.00                   |
| .2                     | 5.00                      | 4.00                      | 5.00                      |

For each additional receptacle over two there shall be added \$4.00 for six collections per week, or \$5.00 for seven collections per week; provided, however, that places of business or public buildings which require more than two receptacles and receive service on a two collection per week basis, shall pay the same monthly charge as for six collections per week.

Section 2. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed.

Section 3. The City Council of the City of North Las Vegas declares an emergency to exist necessitating the immediate passage and approval of this Ordinance upon the first reading thereof, and further declares that this Ordinance shall take effect immediately after its passage and approval and after its publication in the North Las Vegas News once a week for two consecutive weeks.

Section 4. The City Clerk of the City of North Las Vegas is hereby authorized and directed to have this Ordinance published in the North Las Vegas News, a weekly newspaper printed and published in the City of North Las Vegas, for a period of two weeks, consisting of two publications in two issues only.

FASSED and aDOPTED this in day of Let

AN ORDINANCE DEFINING GARBAGE, RUBBISH, DIRT, AND DEAD AN IMALS:
REGULATING THE COLLECTION AND DISPOSAL OF GARBAGE, RUBBISH, DIRT, AND
DEAD ANIMALS IN THE CITY OF NORTH LAS VEGAS: THE FEES TO BE PAID THEREFOR
AND MATTERS RELATING THERETO; AND PROVIDING PENALTIES FOR THE VIOLATION OF THE PROVISIONS THEREOF; AND REPEALING CRIDINALICES AND PARTS OF ORDINANCES IN CONFLICT THEREWITH.

The City Council of the City of North Las Vegas do ordain:

SECTION 1. The City Council of the City of North Las Vegas may, be contract or otherwise, or in any manner said Council may deem necessary for the health, safuty and welfare of said inhabitants, provide for the collecting and disposal of garbage, rubbish, dirt, and dead animals and other refuse from residences, multiple dwellings with or without kitchen facilities, places of business and public buildings, at the expense of the City or otherwise.

SECTION 2. Any person, firm, or corporation entering into a contrace with the City of North Las Vegas for the collecting, hauling and disposal of garbage, rubbish, dirt m d dead animals in the City of North Las Vegas. shall do so subject to the rules and regulations of the County Board of Health, and of such ordinances and amendments of Ordinances as said City may, from time to time, enact.

SECTION 3. DEFINITIONS FOR THE PURPOSE OF THIS CRDIMANCE:

(a) GARBAGE is defined as refuse, animal or vegetable matter from a kitchen, market or store, including every refuse accumiation of animal, fruit, or vegetable matter, liquid or otherwise, that attends preparation, use, cooking, dealing in or storing of meat, fish, fowl, fruit or vegetables, and all foul, noisome and filthy substance.

(b) RUBBISH is defined as old tin and iron cans and containers, old wood and paper boxes, old metals, wire, rope, cordage, bottles, bags, and bagging, rubber md rubber tires, paper, wood shavings, and all used or cast off articles or material, including old plaster, brick, cement, glass, old building materila, leaves and yard trimmings including tree trimmings

(c) DIRT is defined to include loose earth, ashes and manure, but exclusive of sand and gravel that is to be sued in construction work

(d) DEAD ANIMALS, as the term is used in this ordinance, is defined as all dead/animals or parts thereof (including condemned meats) and not intended to be used as food for man or animal.

(e) GARBAGE, RUBBISH, DIRT and DEAD ANIMALS, as defined and for purposes of this Ordinance, are declared to be nuisances per se.

(f) PLACE OF BUSINESS is hereby defined as any place of business

in the City of North Las Vegas licensed by said City, other than multiple dwellings, to conduct or carry on principally or exclusively and pursuit or occupation for the purpose of gaining a livelihood.
(3) PUBLIC BUILDINGS is hereby defined to be office buildings, clubs,

churches, schools, hospitals or other places of similiar character.

(h) MULTIPLE DWELLINGS is hereby defined to be two (2) or more family unit constructions (including apartments, motels, trailer courts, and auto courts) grouped together under the management of one person, firm, or corporation.

(i) RESIDENCE is hereby defined to be a building or dwelling wherein not more than one family resides or dwells, and where no business of any

kind is conducted.

SECTION 4. It shall be unlawful for any person to throw or cause to be thrown or deposited upon the premises or in the garbage receptacle of

another any garbage, rubbish, dirt or dead animal.

SECTION 5. It shall be unlawful for any person to throw or deposit or cause to be thrown or deposited, or any street, alley, gutter or highway within the limits if the City of North Las Vegas, any dirt, rubbish,

garbage, or dead animal.

SECTION 6. It shall be unlawful for any person for the purpose of burning garbage, rubbish, dirt or dead animals, to kindle or maintain my bonfire or knowningly furnish the materials for any such fire or to authorize any such fire to be kindled or maintained in any garbage or rubbish receptacle, or to burn garbage, rubbish, dead animals, or dirk in a garbage or rubbish receptacle, or on my street, alley, road, or land either public or private within the City of North Lav Vegas, unless a written permit so to do shall first have been secured from the City Fire Department. Provided, however, that rubbish of a combustible nature may be burned in an incinerator duly approved by the Fire Chief.
SECTION 7. It shall be unlawful for any person, firm or corporation

other than the City of North Las Vegas or its agents or contractors, or

their employees, to collect within said City and haul, convey or transport any garbage, rubbish, dirt, or dead animals over or through the public streets or alleys of said City, or interfere in any manner with any receptacles containing garbage, rubbish, dirt, or dead animals, or to remove any such receptacle from the location where placed by the owner

thereof, orto remove any of the contents of such receptacles.

SECTION 8. It shall be unlawful to use any cart or vehicle for the conveyance or removal of garbage, dirt or dead animals unless the said cart or vehicle is staunch, tight, and closely covered with a wooden, metal, or tarp cover so as wholly to prevent leakage, sifting, spilling, drifting, blowing or small; or to use any cart or vehicle for the conveyance or removal of dirt or rubbish unless the said cart or vehicle be provided with a canvas cover securely fastened over the top thereof, and be so constructed as to prevent sifting, spilling, drifting, or blowing the deposit of such dirt or rubbish or any portion thereof, in or upon the streets through which said cart or vehicle may be driven.

SECTION 9. Every person, firm, association or corporation owning or managing any place of business, public building, multiple dwelling or residence, except as provided in Section 13 of this Ordinance shall provide a receptacle or receptacles sufficient for the depositing of all garbage, rubbish, dirt from his, its or their premises and shall on each collection day prescribed by the City or its contractor, place said receptacle in the alloy adjoining his premises, or, if there be no alley, shall place said receptacle in an accessible location at the side of the public street, adjoining his place of business, public building, multiple dwelling, or residence, provided, that no single receptacle shall have a capacity in excess of 50 gallons or 6.68 cu. ft.; and no person shall remove any such garbage, rubbish, or dirt from such receptacles after it has been deposited therein except the City of North Las Vegas, its authorized agents or contractors, or their employees.

SECTION 10. Before placing garbage in the receptacle, the liquid shall be drained therefrom and the garbage shall be wrapped in paper; provided, however, unwrapped garbage may be placed in metal receptacles having fly-tight lids and provided, however, unwrapped garbage may be placed in metal receptacles having flytight lids and provided, further,

auch garbage may be placed in the receptacle with rubbish. SECTION 11. FEES.

No, of Receptacles

၌ Collections Per Week 10.00

' Collections Per Week **(9.50** 12,00

For each additional receptacle over two there shall be added \$2.50 for six collections per week or \$3.00 for seven collections per week. Provided, however, that places of business or public buildings which only require one receptacle having a capacity not in excess of 25 gallons, or 3.34 cubic feet the monthly rate shall be (5.00 for six collections per week or (6.00 for seven collections per week, and provided further, that places of business or public buildings which only require one receptacle having a capacity not in excess of ten gallons or 1,336 cubic feet, the monthly rate shall be (2.50 for six collections per week or (3.00 for seven collections per week, and provided further, that places of business or

or public buildings which only require one receptacle having a capacity

of less than five gallons or .668 cubic feet, the monthly rate shall be \$1.50 for six collections per week or \$2.00 for seven collections per week.

SECTION 12. All such charges shall be due and payable monthly in advance on the first day of each and every calendar month, provided, however, that any multiple dwelling or place of business that pays a license for carrying on or conducting such business shall pay such charge quarterly in advance at the time of paying for such license, provided further, that such charges may be prorated for new residences, multiple dwellings, places of business, and public buildings or wherever the circumstances are such that the collection service is not provided for the full calendar

SECTION 13. Places of business whose rubbish consists principally of boxes, cartons and other items of such bulk that the placing of same in a receptacle or receptacles would be impracticable, may provide for such rubbish to be piled on the premises of such place of business adjacent to a street or alley, provided rate to be charged such place of business for collection, hauling and disposal of such rubbish shall be computed in accordance with the foregoing tables based upon the bulk of such piles. Provided, further, that rubbish and refuse not susceptible of being placed in conta ners, piled and bundled for convenient handling may be placed in the immediate vicinity of the garabage receptacle for collection and

disposal by the City or its contractor.
SECTION 14. In case any person, firm or corporation shall fail to pay the charge for collecting, hauling and disposing of garbage, rubbish, dirt and dead animals within ten days from and after the same becomes due as herein provided, a penalty of 10% of such charge shall be added thereto, and action for the collection of such fee and penalty may be brought by

the City in any court of competent jurisdistion.

SECTION 15. Any porson violating any of the provisions of this
Ordinance shall be deemed guilty of a misdemeanor and, upon conviction of same, shall be punished by a time in a sum less than three hundred (4300.00) dollars but not less than five (55.00) dollars, or by imprisonment in the City Jail until such fine is paid at the rate of Two (52.00) Dollars for each day of such fine, in case such fine is not paid, or by imprisonment in the City Jail for a period of not to exceed thirty days, or by both such fine and imprisonment.

SECTION 16. All ordinances and parts of ordinances in conflict with

the provisions of this Ordinance are hereby repealed,

SECTION 17. EFFECT OF IN VALIDITY- If any part, provision or section of this Ordinance or the application thereof to any person or circumstances shall be held invalid by any Court of competent Jurisdiction, the remainder of this Urdinance or the application of such part, provision or section

to any other person or circumstances, shall not be affected thereby. SECTION 18. EFFECTIVE BATE - This Ordinance Shall be in effect on and after its passage and adoption and one week after a single publication thereof in the Las Vegas Evening Review-Journal, a daily newspaper published

in the County of Clark, State of Nevada.

SECTION 19. The City Clerk is hereby authorized to have this Ordinance published in the Lus Yegas Evening Review-Journal, a daily newspaper printed and published in the County of clark, State of Vevadu, for a period of one week consisting of one publication only.

PASSED AND ADOPTED this 3rd duy of February, 1947, by the following vote of the City Council:

AYES: APLIN, JONES, COLEMAN, .

NAYS: NUNE ABSENT: NONE

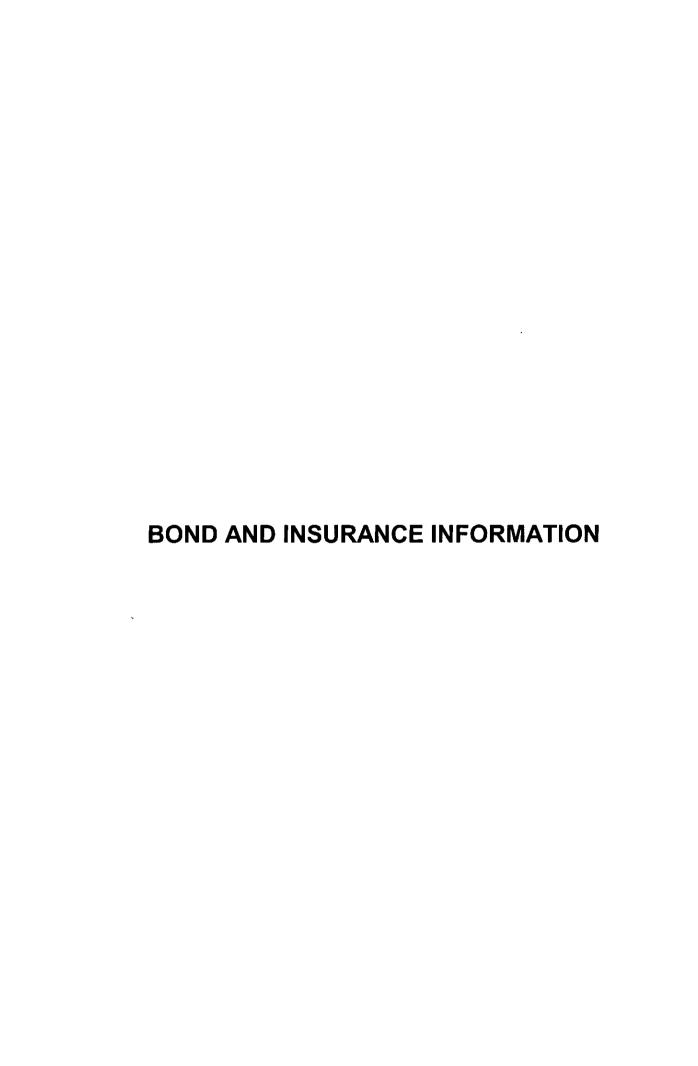

APPROVED this 3rd day of February, 1947,

s/ dorace G. fucker MAYON of the City of North Las Vogas

ATTEST:

/s/ T. C. Letchworth Clerk of the City of North Las Vegas

(hereinafter called Principal), as Principal, and the FRONTIER INSURANCE COMPANY OF NEW YORK, a corporation of the State of New York, with its Executive Office in Monticello, New York, (hereinafter called Surety), as Surety, are held and firmly bound unto CITY OF NORTH LAS VEGAS, NEVADA

(hereinafter called Obligee), in the full and just sum

To the payment of which sum, well and truly to be made, the Principal and Surety bind themselves, their and each of their heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

Signed, sealed and dated this

JUNE

, 19 95

WHEREAS, the Principal has entered into a certain written contract, dated the

day of

JUNE

, A.D. 19 95 , with the Obligee for

NOW, THEREFORE, THE CONDITION OF THIS OBLIGATION IS SUCH, That, if the Principal shall indemnify the Obligee against any and all loss or damage directly arising by reason of the failure of the Principal to faithfully perform said contract, then this obligation shall be void; otherwise to remain in full force and effect.

This bond is executed and accepted upon the following express conditions precedent:

- 1. That the Obligee shall faithfully and punctually perform all the terms and conditions of said contract to be performed by the Obligee.
- 2. That if the Principal shall abandon said contract or be lawfully compelled by reason of a default to cease operations thereunder, the Surety shall have the right at its option to complete said contract or to sublet the completion thereof.
- 3. That the Obligee shall notify the Surety by registered letter, addressed and mailed to it at its Executive Office, of any breach of said contract within a reasonable time after such breach shall have come to the knowledge of the Obligee, or the Architect, or Engineer.
- 4. That the Surety shall not be liable for any provisions of the contract or specifications respecting guarantees of efficiency or wearing qualities, or for maintenance or repairs, nor is the Surety obligated to furnish any other bond covering such provisions of the contract or specifications.
- 5. All suits at law or proceedings in equity to recover on this bond must be instituted within twieve months after the completion of said contract, and in any event within twelve months from the date fixed in said contract for its completion.

#### POWER OF ATTORNEY

頂nufu All 洲en 頂g These Presents: That FRONTIER INSURANCE COMPANY OF NEW YORK, a New York Corporation, having its principal office in Rock Hill, New York, pursuant to the following resolution, adopted by the Board of Directors of the Corporation on the 4th day of November, 1985:

"RESOLVED, that the Chairman of the Board, the President, or any Vice President be, and hereby is, authorized to appoint Attorneys-in-Fact to represent and act for and on behalf of the Company to execute bonds, undertakings, recognizances and other contracts of indemnity and writings obligatory in the nature thereof, and to attach thereto the corporate seal of the Company, in the transaction of its surety business;

"RESOLVED, that the signatures and attestations of such officers and the seal of the Company may be affixed to any such Power of Attorney or to any certificate relating thereto by facsimile, and any such Power of Attorney or certificate bearing such facsimile signatures or facsimile seal shall be valid and binding upon the Company when so affixed with respect to any bond, undertaking, recognizance or other contract of indemnity or writing obligatory in the nature thereof;

"RESOLVED, that any such Attorney-in-Fact delivering a secretarial certification that the foregoing resolutions still be in effect may insert in such certification the date thereof, said date to be not later than the date of delivery thereof by such Attorney-in-Fact."

This Power of Attorney is signed and sealed in facsimile under and by the authority of the above Resolution.

DOES HEREBY MAKE, CONSTITUTE AND APPOINT: Robert Bruce Layne Edwin Carlton, III Ann T. Strout Randall V. Capurro Monte M. Smith

Neveda of Las Vegas , in the State of

its true and lawful Attorney(s)-in-Fact with full power and authority hereby conferred in its name, place and stead to sign, execute, acknowledge and deliver in its behalf, and as its act and deed, without power of redelegation, as follows:

Bonds guaranteeing the fidelity of persons holding places of public or private trust; guaranteeing the performance of contracts other than insurance policies; and executing or guaranteeing bonds and undertakings required or permitted in all actions or proceedings or by law allowed; IN AN AMOUNT NOT TO EXCEED EIGHT HUNDRED FIFTY THOUSAND (\$850,000.00) DOLLARS; and to bind FRONTIER INSURANCE COMPANY OF NEW YORK thereby as fully and to the same extent as if such bond or undertaking was signed by the duly authorized officers of FRONTIER INSURANCE COMPANY OF NEW YORK, and all the acts of said Attorney(s)-in-Fact pursuant to the authority herein given are hereby ratified and confirmed.

Jin 知itness 知hereof, FRONTIER INSURANCE COMPANY OF NEW YORK of Rock Hill, New York, has caused this Power of Attorney to be signed by its President and its Corporate seal to be affixed this day of . 19 91 2nd December

FRONTIER INSURANCE COMPANY OF NEW YORK

#### POWER OF ATTORNEY

医note All Imen By These 和resents: That FRONTIER INSURANCE COMPANY OF NEW YORK, a New York Corporation, having its principal office in Monticello, New York, pursuant to the following resolution, adopted by the Board of Directors of the Corporation on the 4th day of November, 1985:

"RESOLVED, that the Chairman of the Board, the President, or any Vice President be, and hereby is, authorized to appoint Attorneys-in-Fact to represent and act for and on behalf of the Company to execute bonds, undertakings, recognizances and other contracts of indemnity and writings obligatory in the nature thereof, and to attach thereto the corporate seal of the Company, in the transaction of its surety business;

"RESOLVED, that the signatures and attestations of such officers and the seal of the Company may be affixed to any such Power of Attorney or to any certificate relating thereto by facsimile, and any such Power of Attorney or certificate bearing such facsimile signatures or facsimile seal shall be valid and binding upon the Company when so affixed with respect to any bond, undertaking, recognizance or other contract of indemnity or writing obligatory in the nature thereof;

"RESOLVED, that any such Attorney-in-Fact delivering a secretarial certification that the foregoing resolutions still be in effect may insert in such certification the date thereof, said date to be not later than the date of delivery thereof by such Attorney-in-Fact."

This Power of Attorney is signed and sealed in facsimile under and by the authority of the above Resolution.

DOES HEREBY MAKE, CONSTITUTE AND APPOINT:

ROBERT BRUCE LAYNE

EDWIN CARLTON, III

MONTE M. SMITH

RANDALL V. CAPURRO

THIS OBLIGATION IS SUCH, That, if Contractor shall promptly are gation shall be null and void; otherwise it shall remain in full force are |

Whenever Contractor shall be, and declared by Owner to be in default under the Contract, the Owner having performed Owner's obligations thereunder, the Surety may promptly remedy the default, or shall promptly

- 1. Complete the Contract in accordance with its terms and conditions, or
- 2. Obtain a bid or bids for submission to Owner for completing the Contract in accordance with its terms and conditions, and upon determination by Surety of the lowest responsible bidder, or, if the Owner elects, upon determination by Owner and the Surety jointly of the lowest responsible bidder, arrange for a contract between such bidder and Owner, and make available as Work progresses (even though there should be a default or a succession of defaults under the contract or contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the balance of the contract price; but not exceeding, including other costs and damages for which the Surety may be liable hereunder, the amount set forth in the first paragraph hereof. The term "balance of the contract price," as used in this paragraph, shall mean the total amount payable by Owner to Contractor under the Contract and any amendments thereto, less the amount properly paid by Owner to Contractor.

Any suit under this bond must be instituted before the expiration of two (2) years from the date on which final payment under the contract falls due.

No right of action shall accrue on this bond to or for the use of any person or corporation other than the Owner named herein or the heirs, executors, administrators or successors of Owner.

#### ACKNOWLEDGMENT BY SURETY

the signature of the certifying officer may be by facsimile, and the seal of the Company may be a facsimile thereof."

(ii) A copy of the power-of-attorney appointment, executed pursuant thereto, and (iii) Certifying that said power-of-attorney appointment is in full force and effect,

I, W.D. Hammersla, Secretary of SAFECO INSURANCE COMPANY OF AMERICA and of GENERAL INSURANCE COMPANY OF AMERICA, do hereby certify that the foregoing extracts of the By-Laws and of a Resolution of the Board of Directors of these corporations, and of a Power of Attorney issued pursuant thereto, are true and correct, and that both the By-Laws, the Resolution and the Power of Attorney are still in full force and effect.

By-Laws, the Resolution and the Power of Attorney are still in full force and effect.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the facsimile/seal of said corporation

1903 (CONTROLL)

This is to certify that the policy or policies designated below by number and providing, subject to the terms thereof, the kind of insurance indicated by an "X" have been issued by the Company, indicated above, and are in force at this date. The insurance afforded is only with respect to such and so many of the kinds of insurance as are indicated by limits of liability, expiration date and policy number.

In the event of cancelation of such policy or policies, the Company agrees to notify the party to whom this certificate is addressed of such cancelation.

Notice in writing mailed to or delivered at the address of such party as herein stated shall be sufficient notice.

Remarks: This certificate of insurance neither affirmatively or negatively amends, extends or alters the coverage afforded by the policy or policies designated above.

Not withstanding any requirement, term, or condition of any contract or other document with respect to which this certificate of insurance may be issued or may pertain, the insurance afforded by the policies described herein is subject to all the terms, exclusions and conditions of such policies.
