#### **CERTIFICATE OF INSURANCE**

The Policy identified below by a policy number is in force on the date of Certificate Issuance. Insurance is afforded only with respect to those coverages for which a specific limit of Hability has been entered and is subject to all the terms of the Policy having reference thereto. Nothing herein contained shall modify any provision of said Policy.

In the event of cancellation of the Policy the Company issuing said Policy will make all reasonable effort to send notice of cancellation to the Certificate Holder at the address shown herein, but the Company assumes no responsibility for any mistake or for failure to give such notice.

## CERTIFICATE OF INSURANCE

NAME:

DISPOSAL TRANSPORTATION INC.

**ACCOUNT NO. 34, 297** 

ADDRESS: P.O. BOX 1609

LAS VEGAS, NEVADA

11-13-59 EFFECTIVE DATE:

12;01 A M.

THIS IS TO CERTIFY that the above-named employer has paid into the State Insurance Fund, Accident Benefit Fund and Occupational Diseases Fund, premium as provided by law and that, therefore, said employer is entitled to the rights and benefits of the Nevada Industrial Insurance Act and the Nevada Occupational Diseases Act. This certificate shall be in full force and effect in Nevada as long as premiums are paid and the employer complies with the provisions of the aforementioned Acts. However, if issued for work in other states it must be renewed after six months.

(At the completion of each sub-contract it is suggested you request a final certificate to clear the sub-contractors entire job.)

#### \*Exclusions of Coverage:

The sole owner or partners ARE NOT INSURED under this policy. If he engages are in work covered by the terms of a subcontract, he will be covered by the prime contractor's worker's compensation policy.

The following excerpt from the Rules and Regulations will be used in determining the prime contractor's responsibility for insuring the uninsured sole owner or each uninsured partner:

16.016 Uninsured sole proprietor/partner subcontractor. For purposes of premium determination and disability compensation, the wage of sole proprietors and partners who are not covered under the elective provisions of NRS 616 and 617 and who are performing as subcontractors to an insured principal contractor shall be deemed to be \$300 per month for the period of the subcontract, except in cases where the contract specifies a wage in excess of \$300 per month for the sole proprietor/partner subcontractor.

#### FIREMAN'S FUND INSURANCE COMPANY

#### GARBAGE AND RUBBISH COLLECTION BOND

KNOW ALL MEN BY THESE PRESENTS: That we, DISPOSAL TRANSPORTATION, INC., (hereinafter called the Principal), as Principal, and the EIREMAN'S FUND INSURANCE COMPANY, a corporation established under the laws of the State of California and having its principal office in San Francisco, California, (hereinafter called the Surety), as Surety, are held and firmly bound unto the CITY OF NORTH LAS VEGAS (hereinafter called the Obligee), in the penal sum of FIVE THOUSAND AND NO/100-----DOLLARS (\$5,000.00), to the payment of which sum, well and truly to be made, the said Principal, and the Surety bind themselves, and their respective heirs, administrators, executors, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has entered into a certain written contract with the Obligee, for the collection and disposal of garbage and rubbish in the City of North Las Vegas, Nevada.

NOW, THEREFORE, the condition of this obligation is such, that if the said Principal shall fully indemnify and reimburse the Obligee for any loss they may suffer through the failure of the Principal faithfully to observe and perform each and every obligation and duty imposed upon the Principal by the said contract, at the time and in the manner therein specified, then this obligation to be void; otherwise to remain in full force and virtue in law.

This Bond is subject to the following provisions:

- It shall be a condition precedent to any right of recovery hereunder, that in event of any default on the part of the Principal, a written statement of the particular facts showing date and nature of such default shall be immediately delivered to the Surety by registered mail at Lock Box 3395, San Francisco 20, California.
- 2. No action, suit or proceeding shall be had or maintained against the Surety on this instrument unless the same be brought or instituted and process served upon the Surety within six months after default by the Principal.
- 3. The aggregate liability of the Surety for any and all claims which may arise under this Bond shall in no event exceed the amount of the penalty of such Bond regardless as to the length of time it shall remain in force.
- 4. The Surety reserves the right to cancel and terminate this bond as to any further liability by giving the City Clerk of the City of North Las Vegas, Nevada, 30 days written notice sent by registered mail, if its election is to do so.

This Bond shall become effective on October 1, 1963, and shall terminate on October 1, 1964, unless sooner terminated as herein provided.

This Bond may be continued from year to year by a Continuation Certificate at the discretion of the Surety and properly signed by its attorney-in-fact.

Signed and sealed this 1st day of October, 1963.

#### CITY OF NORTH LAS VEGAS INTER - OFFICE MEMORANDUM

TO:

Michael Dyal, City Manager

FROM:

Vytas Vaitkus Finance Director

SUBJECT:

NOISE IN THE AREA OF THE COMMUNITY HOSPITAL OF NORTH LAS VEGAS

DATE:

April 3, 1986

There was some discussion at last night's City Council meeting with regard to noise around the Community Hospital of North Las Vegas resulting from garbage collection. The problem was that noise generated by that activity is disturbing the residents in the area adjacent to the hospital.

We had contacted Silver State Disposal about this matter and have been assured that within the last two weeks garbage collection schedules have been changed and take place at 7:00 a.m. rather than 4:00 a.m. as was previously the case.

Please advise if you understand that route scheduling is to the contrary.

VV:mb

Esther Borden

Mayor and Council

#### NOTICE OF AND CALL OF SPECIAL MEETING

TO THE BOARD OF COUNTY COMMISSIONERS COUNTY OF CLARK STATE OF NEVADA:

NOTICE IS HEREBY GIVEN that a Special Meeting of the Board of County Commissioners of Clark County, Nevada, is hereby called and will be held in the Eleventh Floor Conference Room, Suite 1111, Valley Bank Plaza, 300 South Fourth Street, Las Vegas, Clark County, Nevada, 89101, on Tuesday, the 12th day of June, 1979, at the hour of 11:00 a.m. to consider authorizing the collection and disposal of garbage by County employees as necessary; consider the possible need for additional temporary collection and disposal sites; consider possible emergency ordinance changes to allow for the transporting of garbage by County residents; consider action authorizing the County to operate the dump and other equipment belonging to the Company; and consider notification to Clark Sanitation, Inc. that they are in breach of their contracts.

Dated this 7th day of June, 1979.

Gentlemen:

This letter will hereby confirm that a breach exists in a contract between yourselves and the City of North Las Vegas entered into on January 4, 1978. Said breach of contract is specifically covered by Paragraph 8, Page 4, of said contract which provides:

"Should a breach of contract result from an act of God, strike, public enemy, or similar occurences beyond the control of the Contractor, the City shall have the right during such period to take possession of all land and equipment owned by the Contractor and used in the performance of the contract."

This letter shall serve as 24-hour written demand that you use whatever means available to you to close the breach of contract which presently exists, to wit, a strike. Your failure to comply with the contract leaves the City of North Las Vegas with no alternative but to proceed with the relevant provisions of the above contract.

Sincerely yours

RDS/sk

#### CITY OF NORTH LAS VEGAS

#### INTER - OFFICE MEMORANDUM

June 1, 1979 Date

To: Honorable Mayor and City Council

Department:

From: Raymond D. Schweitzer

Department: City Manager

Subject:

Silver State strike

I met with members of management and union along with Clark County, City of Las Vegas, City of Henderson officials and the Clark County Health Department. As a result of the meeting it was the concensus at this time that the public be instructed to pack their garbage in plastic bags and store it (preferably in a cool place away from animals.) We feel that at this point in time a week to a week and a half of garbage can be handled in the residential areas. The hospitals will be instructed to burn their pathological wastes in incinerators. If the strike lasts beyond a week and a half other plans will have to be instituted.

We are not encouraging people to cross the picket line at the landfill at this time. However, Silver State is keeping the landfill open through efforts of their administrative staff and a security guard service they have hired.

My next contact with Silver State will be Monday morning and I will keep you informed of the latest developments.

My recommendation to the Mayor and Council is that the citizens not be billed for services not rendered, but we will explore this more fully at a later date. City personnel have been instructed to cite people dumping trash in undeveloped areas of North Las Vegas.

Respectfully submitted,

mond D. Schw ty Manager

Mr. Joe Anstett Silver State Disposal, Inc. 770 East Sahara Las Vegas, Nevada 89105

Dear Joe:

Enclosed is a "large trash pick-up" map which was published in the North Las Vegas Valley Times several years ago. Evidently, some of the pick-up days have been changed. Will you indicate the corrections on the map and send it back to me?

Thanks,

Shirley A. Hansell

City Clerk

#### THIS AGREEMENT

made this second day of June, A.D. 1945 by and between the City of Bangor, a Municipal Corporation situated in the County of Penobscot and State of Maine, and Hollis E. Higgins of said Bangor:

WITHESSETH: that

WHEREAS the City Manager of said City of Bangor has duly advertised for bids for garbage collection in said City of Bangor for the period beginning June 2, 1945, and ending June 2, 1946 in accordance with specifications therefor herounto attached and decignated as Exhibit A, and hereby made a part of the Agreement as fully in every respect as if recited at length herein; and

WHERMAS the successful bidder thereunder was the said Hollis E. Higgins of Said Bangor, a copy of whose bid is hereunto attached and designated as Exhibit B, and hereby made a part of this Agreement as fully in every respect as if recited at length herein; and

WHEREAS the City Council of said City of Bangor has authorized the execution of said contract by order of said City Council passed May 28th, 1945;

NOW THEREFORE, it is mutually agreed by and between the parties hereto that the said Hollis E. Higgins is to collect all garbage in the City of Bangor for the period of one year beginning June 2, 1945 in a workmanlike manner, and in accordance with said specifications, and in a manner at all times satisfactory to the Health Officer of said City of Bauger, and to do each and every act on his part to be done hereunder and to assume and satisfy all liability of every name and nature thereunder incurred and save said City of Bangor harmless in this respect, to furnish all bonds and insurance thereunder required, to pay all labor charges thereunder incurred without cost or trouble to said City of Bangor, and to prevent the filing of any lien claims thereunder against said City of Bangor; and it is further agreed, understood and made a part of this agreement that the said Hollis E. Higgins does hereby covenant and agree with the said City of Bangor that he, the said Hollis E. Higgins will devote at least one week before the termination of this contract with any successful bidder for a new contract which new contract is to become effective at the . . ... termination of this contract, said period so devoted to be for the purpose of instruction and information relative to the duties of any such successful bidder at the termination of this contract.

AND IN CONSIDERATION THEREFOR, the said City of Sangor agrees to pay to the said Hollis E. Higgins the sum of Fourteen Thousand AMERICAN AND AND Four Fundred dollars, \$14,400.00 in payments as follows, to wit; Two Hundred Seventy-five dollars, (\$275.00) paid weekly in arrears for the first fifty-one consecutive weeks from said date and the final weekly payment to be in the sum of Three Hundred and Seventy-five dollars, (\$575.00) for his weekly compensation during the time that he performs said service under the Contract, the first said payment to be due and payable on the 9th day of June, 1945 and the above mentioned payments then succeeding in sums above specified to be due and payable on each and every succeeding Saturday thereafter during the term of this Agreement.

PROVIDED ALWAYS, however, that in the event of cancellation of this Agreement by said city of Bangor as hereinafter provided for, the payment of said installments during the period for which this contract has been in force shall constitute the full amount due the said Hollis E. Higgins hereunder and the full liability of said City of Bangor under and by virtue of this agreement; and the said Hollis E. Higgins hereby releases the said City of Bangor of and from any and all other liability hereunder, and of and from any and all other damage, action or cause of action which he might otherwise have hereunder in law or equity.

The said City of Bangor hereby reserves, and the said Hollis E. Higgins hereby etc. to the right on the part of said City of Bangor to cancel this contract on a thirt written notice if said Hollis E. Higgins proves to be unsatisfactory or neglects, here

ا, روستراط

In any way in carrying out this contract, or if said service shall be certified to the City Council of said City of Bangor by its Health Officer as unsatisfactory or detrimental to the public health and interest.

IN WITHESS WHEREOF the said City of Bangor has caused these presents to be signed by Horace S. Estey, its City Manager, hereunto duly authorized, and its corporate seal to be affixed hereto, and the approval and authorization of its Health Officer and the Finance Committee of said City Council, to be subscribed hereto, and the said Hollis E. Higgins has hereunto set his hand and seal the day and year first above written.

BE IT ORDAINED by the Common Council of the City of South Bond, Indiana.

SECTION 1. That the Contract between the Municipal City of South Bend, Indiana, by and through its Board of Public Works and James H. Pierce, executed in triplicate, one of which copies is hereto attached and made a part hereof and which contract is lated July 23, 1934 and relating to the payment for the removal of garbage by said second gurinulum party from the said City, be and the same is hereby in all things ratified, confirmed and approved.

SECTION 2. This Ordinance shall be in full force and effect from and after its passage.

GARBAGE REMOVAL CONTRACT TO A SECRET OF SECURITIES OF SECU

This Indenture made in the City of South Eend, County of St. Joseph and State of Indiana, this 23rd day of July, 1934, by and between the Municipal City of South Bend, Indiana, by and through its Board of Public Works, Party of the first part, and James H. Pierce, of said City, party of the second part, Witnesseth:

The said first party having heretofore adverticed for bids for the collection and removal of garbage and small dead enimals from said city, all as required by law, and the said second party, having submitted his written proposal therefor and being the lowest bidder therefor, the parties hereto do now enter into an agreement an fallows.

In consideration of the premises and the agreements hereinafter contained to be done and performed by said second party, said first party contracts and agrees to pay unto said second party the sum of Twenty-four Thousand Seven Mandred Dollars (\$24,700.00). for each year, for and during the life of the contract, which are said first party shall pay to said second party in equal monthly installments, the one-half (1/2) of each monthly installment to be paid on the 15th day of each month and the other one-half (1/2) to be paid on the last day of each month. The first payment to be made on Jenuary 19th, 1935, and semi-monthly thereafter, as herein-above stated. The period of service to begin on January 1st, 1935 and to continue for a period of five (5) full years ending on the 31st day of December, 1939. In addition to said payment as hereinabove provided, the first party will also furnish seven Carbage Boxes and Hoists and will furnish and keep in repair boxes and hoists for the trucks for said work.

In consideration of the letting of seid contract to mix said second party and the said promises and agreements of said first party as hereinahove contained, said second party centracts and agrees to collect weekly from all residences in said city, and in ; accordence with the provisions of Ordinance Number 1216 of Said City, insofar as it is consistent with this contract and he will remove all such garbage to a point outside the City not fever than three (3) miles distant from its outer limits.

tianos plumpos es Said second party contracts and agrees to furnish all trucks and other means of convoyance (except the said seven (7) garbage boxes and hoists furnished by first party) and all the men which may be necessary for proper, prompt and complete collection, removal and disposal of said garbage and will make such collections at least once each week and he will at all times provide said city with the districts covered each day.

Said second perty shall provide all conveyances for garbage with proper covers and in vehicles which are clean upon the outside at least and all such removal and conveyand shall be in such manner as not to be offensive either by reason of odor or to sight, or otherwise and shall thoroughly cleases and purify all tanks used in said work and will keep the same in clean and canitary condition.

Said second party shall keep the place where he deposits such garbage, outside the City Limits as aforesaid, in as nest and sanitary condition as is possible considering the nature of the use to which such premises are put and said first party and/or its authorized agents and employees shall have free access to such property and to the plants of said second party for inspection purposes at all reasonable hours and may also inspect and examine all vehicles and or instruments of conveyance, but said first party shall not be responsible for damages to other obnoxious features incidental theret

Said first party will not designate places where such garbage shall be removed to end shall be in no way responsible for the selection thereof, save and except that the place, or places must be located at least three (3) miles from the nearest limits of the city thereto.

Said/party shall hold himself in readiness to respond to any call from and Department of the City in case of a need or emergency or the removal of garbage.

Said Second party shall also give to the said Board of Public Works, on or before the 15th Day of January of each year after January 15th, 1935, and during the period of this contract, a report which shows the approximate amount of garbage collected by said contractor under this contract during the proceeding year.

Said second party agrees that in the carrying on of the work herein provided for all proper skill and care shall be exercised and all due and proper precautions shall be used to prevent injury to person, or persons, or property and he will, upon receipt of notice from the city, defend, at his own expense, any action, or suit, which may be brought against the said city because of any work or other acts done or performed by the said second party in pursuance of his duties under the terms of this contract or incidental thereto and he will pay any judgment which may be obtained against said city by reason of any work or acts done hereunder by said second party, his agents and or employees and said second party contracts and agrees to pay all damages to performance of his part of this contract.

Said second party further contracts and agrees to conform with all provisions of the laws of health and the rules of the Health Department of said City and of the State of Indiana which are now in existence of which may hereafter be announced and promule gated and he will conform with all provisions of the ordinances relating to the matters contained in this contract which may now or may hereafter be in force during the term of this contract.

Said second party agrees to furnish adequate trucks, vehicles and otherisplements and he agrees to furnish sufficient number of men promptly, reasonably and efficiently to do and perform all of the provisions in this contract contained for him to do and perform and he further form all of the provisions in this contract contained for him to do and perform and he further agrees that he will pay at least present N. R. A. wages to his employees, and he will pay at least 40 cents per hour to helpers and 45 cents per hour to truck drivers.

Said second party contracts and agrees to carry insurance in accordance with the law of Compensation of the Statesof Indiana for the protection of his employees.

Maid second party shall maintain on office at the Street Department Headquarters which is now located at the foot of Sycamore Street and in said City and he, his agen and/or employees shall have the privilege of using the telephones of said Department for all purposes required and/or incidental to the performance of his part of this contract and he contracts and agrees to keep someone at said Department to receive or and/or instructions from the various departments of the city relating to the work in

-- cords at loast and all such removal and convoyend

this contract provided for and he may also use said headquarters as a parking place for trucks and other vehicles used in the said work.

This contract shall include the years 1935, 1936, 1937, 1938, and 1939 but the first party reserves the right to cancel this contract and to be relieved from further obligation thereto upon written notice to said second party at least twelve (12) months in advance in the event an Incincrating plant be erected and in operation before the termination of this contract and in the event such Incinerating plant begins operation at any time within any year covered by this contract then said first party shall pay to said second party the pro-rate part for the time the services are performed by second party, but no more.

Said second party contracts and agrees to furnish a bond in the sum of Ten Thousand Bollars (\$10,000.00), payable to said first party, which bond shall guarantee the full end faithful performance of all the duties in this contract contained for said second party to do and perform, which bond shall be submitted to said Board of Public Works within ten (10) days of the execution of this contract, which bond shall be by a responsible surety, or surety company, and in such terms as appear proper to said Board of Public Works.

It is understood that said bond and its renewals, thereof, shall guarantee to said first party that said second party will do and perform the things in this contract provided for him to do and perform and that he will carefully, skillfully and in due time properly do and perform all of the things therein contained for and during the said five (5) year term.

In this contract contained for him to perform, said first party may, at its option, cancel this contract and relieve itself from all further liability thereon, by giving to said opcond party a notice that it will cancel said contract unless conformance with the provicions thereof be made by second party within ten (10) days of the time of receiving such notice, but first party shall point out in said notice the violations complainte of but such enceellations shall not relieve said second party and/or his bendance, or surety, from paying all demages which said first party may suffer by reason of his failure to so perform and said bend shall particularly dover all payments which said city may be required to make to some other person, or persons, or corporations in excess of the payments contracted and agreed to be made to said second party for and during the unexpired term of the contract.

Said second party shall carry public liability insurance all as provided in the specifications which are hereinafter eads a part of this contract.

The specifications which were submitted to second party and other prospective bidders by said first party are hereby made a part of this contract and shall be not as applicable and consistent with this contract, a percond parcel hereof the same as if written herein excepting that in the definition of "garbage", grass clippings and/or weeds shall not be included in the term "vegetable matter that tends to decay."

This contract shall not be binding upon the party of the first part until ratified and approved by the Common Council of the said City of South Bend.

In Witness Whereof, the parties heroto to herounto set their hands and soals in triplicate in the said City of South Bend, this day and year first above written.

This of the permanent of the contract of the contract

PINTS' CONTRACT, made and entered into by and between the City of Tulsa, Oklahoma, a municipal corporation, party of the first part, hereinafter called the City and A. D. HURLEY, of Tulsa, Oklahoma, party of the second part, hereinafter called the Contractor,

#### WITNESSETH:

That in consideration of CME DOLLAR (\$1.00), in hand paid by each of the parties to the other, the receipt of which is hereby mutually confessed, and in further consideration of the benefits and advantages accruing to each of said parties by reason of the respective covenants and obligations assumed by the other, as hereinafter set forth:

IT IS HEREBY ACREED between said parties as follows, to-wit:

The City hereby lets, gives and grants to the contractor the right and privilege to collect, remove and dispose of any and all garbage which may accumulate, be collected or found within the following described territory within the City of Tulsa, Oklahoma, as follows.

(Description of City by streets and landmarks)

The contractor shall collect, remove and dispose of said garbage at his own expense and remove the same to a place not less than \_\_\_\_miles form the City of Tulsa, and there to dispose of same in a sanitary and unobjectionable manner, using concrete floors therefor.

The contractor shall collect all garbage from all places of business within said territory at least once each day, and from all residential kinds buildings in said territory at least once each week, except for the months of June, July, and August, which he shall gather twice each week.

The contractor shall furnish and maintain an emergency truck to take care of and provide for all emergency calls in ease of neglect or otherwise, and shall call at the City Incinerator Office of the City of Tulsa each day to get complaints or calls for collections garbage within said territory.

The contractor shall observe all laws and ordinances of the City of Tulsa, and the State of Oklahoma, pertaining to the collection and disposal of garbage, and shall further observe any and all rules and regulations, which may be in effect by the Health Department of the City of Tulsa, relative to the collection, removal, disposal and handling of garbage.

The contractor shall keep all wagons, trucks, tools, utensils, and vessels used by him in the collection, handling and disposal of said garbage in good state of repair, and in condition that same shall not leak, spill or distribute garbage over the street or other public places, or on any private premises of or within the City of Tulsa. The garbage shall always be securely covered, while in transit, in such manner that no noxious or offensive offers emanate therefrom.

In the event said contractor neglects or refuses strictly to comply with any of the provisions of this contract for a period of three days (3), or longer, or in the event said contractor wilfully, knowingly, or prepeatedly violates any of the ordinances of the City of Tules, or any of the lasw of the State of Oklahoma, pertaining to the collection, removal or disposal of handling of garbage, or in the event said contractor violates or disobeys any of the santiary rules or regulations promulgated by the Health Department of the City of Tulsa, relative to the collection, disposal and handling of garbage, then and in either of such events the City shall have the option of declaring this contract null and void, and in the event such option is exercised by the City of Tulsa, all rights and privileges grant to contractor hereunder shall cease and terminate.

PROVIDED, HOWEVER, that before such option may be exercised by the City of Tulsa, it shall give the contractor three days' written notice of its intention to exercise said option hereunder, which notice shall be address to the contractor in an envelope, with postage prepaid, and directed to said contractor at Tulsa, Ohlahoma.

The contractor shall furnish the City, upon the execution of this contract, a bond, executed by some acceptable surety company, authorized to do business within the cities of Oklahoma, in the penal sum of CME THOUSAND DOLLARS (J1,000.00), conditioned that the contractor shall faithfully perform and discharge all the duties, covernate and a compenter to be knot.

The contractor shall cover all trucks and vehicles used by him, in performing his work under the terms of this contracts with liability and damage insurance, in order that the City may be indemnified against any damages by said trucks or vehicles to any person or property.

The contractor shall not sublet this contract, or any portion thereof, without the written consent of the City.

The contractor shall pay to the City the sum of CNE DOLLAR (\$1.00) each for all calls that the City may may be required to make in the collection of garbage, which the contractor has neglected to collect, and payment for such calls shall be made by the contractor to the City of the first day of each month during the term of this contract, for all such calls required to be made by the City during the previous month.

The term of this contract shall be from the date hereof to the \_\_\_\_ day of June, 1937.

IN WITNESS WHEREOF, the parties hereto have executed this contract this \_\_\_ day of \_\_\_\_\_, 1936.

LETTER FROM SURETY COMPANY, ASSURING CITY THAT CONTRACT BOND WILL BE FURNISHED, SHALL BE ATTACHED TO THIS SHEET.

Signed and in

engebbbbs bid In these present

#### INSTRUCTIONS TO BIDDERS

- 1. All Proposals must be on blanks furnished by the City of York.
- 2. All Proposals must be sealed, endorsed,

#### "BID FOR COLLECTION AND DISPOSAL OF REFUSE"

and filed with the Director, Department of Administration and Fiscal Affairs, City Hall, 50 West King Street, York, Pennsylvania, on or before

#### 10:00 a.m. E.S.T.

- 3. Bidders shall not insert in the Proposal, Instructions to Bidders or Specifications, nor enclose with the same when delivered to the City, any written statement which will have the effect of making any material change or changes in the same or in any contract between the parties covering the subject-matter thereof.
- 4. The amount of the contract shall in all cases, whether of straight sale price, conditional sale, bailment lease or otherwise, be the entire amount which the City pays to the successful bidder or his assigns, in order to obtain the service or property or both, and shall not be construed to mean only the amount which is paid to acquire title or to receive any other particular benefit or benefits of the whole bargain.
- 5. Each Proposal shall be accompanied by a Proposal Guaranty payable to the City of York to insure the execution of the contract by the bidder. Such Proposal guaranty shall be either cash, a certified check, or a bid bond with corporate surety in an amount of \$ 25,000.00. The Proposal guaranty of all bidders will be returned upon execution of the contract; however, the City, as it elects, may upon request; return the Proposal guaranty of any bidder other than the low and second bidders prior to execution of the contract.
- 6. When a bid received has been determined by the City to be satisfactory, a contract will be awarded to the lowest responsible bidder within thirty (30) days from the date of opening of bids. The bidder to whom the award shall have been made must execute the contract in duplicate and return it, together with the properly executed bonds and insurance certificates as herein provided, to the Director, Department of Administration and Fiscal Affairs within ten (10) days after having been notified so to do by the Director. If the bidder to whom the contract shall have

me egitte salen nam star sam same

been awarded fails, neglects, or refuses to enter into contract and furnish bonds and insurance certificates as herein provided, the amount of the Proposal Guaranty shall be forfeited to the use of the City, not as a penalty, but as just and liquidated damages.

- 7. The successful bidder, before being awarded any contract, shall be required to carry Workmen's Compensation Insurance or file a proper Certificate of Exemption as provided for by the Pennsylvania Workmen's Compensation Act.
- 8. The successful bidder, or any subcontractor, may not discriminate on account of race, color, creed or national origin in his hiring of employees for the performance of work under this contract.
- 9. Bidders attention is directed to the section of these Specifications relating to minimum wages, to be paid to workmen in the performance of this contract.
- 10. The Director, Department of Public Works shall be the judge of the qualifications of the offerings and will determine the question regarding conformance of any offer with the Specifications.
- 11. The right is reserved by the City of York to accept or reject any or all bids or to waive minor technical defects and/or minor discrepancies as may be deemed to be to the best interest of the City.
- 12. Prior to opening of bids, the City of York will hold a "pre-bid" conference which all prospective bidders should attend.
- 13. Bidders shall be bound by all of the terms of the Proposal, Instructions to Bidders, Specifications, General Requirements and Contract, as well as any supplemental Addendums which may be issued; provided that said Addendums shall be received by the prospective bidder not less than ten (10) days prior to the bid opening date.

5. The Contractor, in using the landfill site, shall conform with all requirements of Federal, State, and Local Governmental Agencies and shall conduct the operation on a planned schedule; and in areas approved by the Director, Department of Public Works. Any changes in planning schedules or areas of operation shall be made only after approval by the Director and the Pennsylvania Department of Health.

- 6. The Contractor shall submit with the executed Contract, Performance Bond, Workmen's Compensation Affidavit, and Insurance Certificates, as specified in paragraphs 1.2 to 1.4.3 of the General Requirements.
- 7. The Contractor shall, at its' own cost and expense, obtain and pay for all permits, certificates, and licenses necessary for the performance of work contemplated under this Contract.
- 8. The Contractor shall pay to any employee engaged in the performance of work under this contract not less than \$2.25 for throwers and \$ 2.40 for drivers per hour for each actual hour worked.
- 9. The work under this Contract shall at all times be under the direction of and subject to inspection by the Director, Department of Public Works or his duly authorized representative. The Contractor shall at all times provide every proper facility for inspection by the representative of the City.
  - 10. No change or alteration in the work hereunder shall be made except on written order of the City which order shall be signed by the proper officers of the City and countersigned by the Director, Department of Public Works.
  - ll. If the Contractor shall be adjudged insolvent or bankrupt, or shall neglect or refuse to prosecute the work here-under promptly and with diligence, in accordance with the directions of the Director, Department of Public Works, then the City, upon the written certificate of the Director, Department of Public Works that sufficient cause exists to justify such action, may, upon five (5) days written notice to the Contractor, terminate the employment of the Contractor, and take possession of the premises and of all materials, tools, appliances and equipment thereon; and proceed to complete, or cause the work to be completed; and the City may deduct the cost of completing the said work from payments then or thereafter due to the Contractor, who shall pay the City any amount by which such cost of completion shall exceed the unpaid moneys due or to become due to the Contractor.
- 12. (a) Either the City or the Contractor, may, in writing, appeal from any decision of the Director, Department of Public Works hereunder, by serving a written demand for arbitration. If said parties cannot amicably settle the same, the appeal shall be referred to arbitration. The City and the Contractor shall each choose one competent and disinterested arbitrator and the two so chosen shall select a third and disinterested arbitrator. The decision of said three arbitrators

or any two of them shall be conclusive and binding upon both parties. The actual costs of said arbitration shall be borne equally by the parties.

The award of the arbitrators shall be made within ten (10) days after the submission of the controversy to the arbitrators.

- (b) The Contractor, however, shall continue to perform his work hereunder during any arbitration proceeding, unless the City shall otherwise consent in writing.
- 13. The Contractor shall indemnify and save harmless the City against all loss, costs or damages on account of injury to persons, or property, occurring in the performance of the contract, together with any and all attorney's fees incurred by the City on account of any thereof.
- 14. The Contractor shall indemnify and save harmless the City and its' officers and agents from all damages, or claims for damages, arising from the infringement or alleged infringement of any letters patent or patent rights covering any material, appliance or device used on or upon the work, or any part thereof, and shall and will without cost or expense to the City and its' officers and agents, defend any suit or suits, which may be brought against it by reason of such real or alleged infringement.
- 15. The City's costs for this contract shall be paid from Item No. \_\_\_\_, in the Department of Public Works as provided in Bill No. \_\_\_\_, Ordinance No. \_\_\_\_\_, Session 19 \_\_\_\_\_, approved \_\_\_\_\_\_\_; or from applicable Budget Items in General Appropriations in subsequent Budget Ordinances. and the state of t

#### 1.0 GENERAL REQUIREMENTS

#### 1.0 CITY PLACE OF BUSINESS

The official place of business of the City of York is 50 West King Street and all official communications relating to this contract shall be directed to the Director, Department of Public Works.

## 1.1 CONTRACTOR'S PLACE OF BUSINESS

The Contractor's official place of business shall be as indicated in the Proposal and the official signing said Proposal shall be the official representative of the Contractor until, or unless, the Contractor shall properly notify the City otherwise.

All letters, notices, or business communications shall be served, mailed or directed to the official place of business of the Contractor. Any letter, notice or business communication addressed to the Contractor and delivered to the above named address; or deposited, postpaid, in any United States Post Office facility shall be deemed sufficient service thereof, upon the Contractor, and the postmark shall indicate the date of service.

The Contractor shall maintain a local office or field office in which telephone service is available for the transmission of detailed information relative to complaints and normal operational problems.

#### 1.2 PERFORMANCE AND ADDITIONAL BONDS

The successful bidder, before being awarded any contract, shall furnish a Contract Bond which shall remain in full force and effect during the first year period of the contract. Contract Bond to be renewed for the second year, with sufficient corporate surety, in a penal sum of \$100,000.00 for the duration of the contract, conditioned that the Contract shall well and truly, and in a manner satisfactory to the City, complete the work contracted for and shall save harmless the City from any expenses incurred through the failure of said Contractor or any sub-contractor, or the servants, agents or employees of either, to complete the work as specified; or from any damages growing out of the carelessness of said Contractor or his or its' servants.

STATE OF STATES

areconcili ( )

## 1.3 CITY TO BE FREE OF LIABILITY

The Contractor shall indemnify and save harmless the City from all damages or claims for damages on account of injury to persons or property and shall insure himself during the life of this contract by obtaining and maintaining in force, insurance policies as required hereunder.

## 1.4 PUBLIC LIABILITY INSURANCE

Bodily Injury Liability Insurance, naming the City as Additional Insured, in an amount not less than Two Hundred Fifty Thousand Dollars (\$250,000.00) for injuries, including wrongful death to any one person, and subject to the same limit for each person, in an amount not less than Five Hundred Thousand Dollars (\$500,000.00) on account of one accident.

Property Damage Insurance, naming the City as Additional Insured, in an amount not less than Fifty Thousand Dollars (\$50,000.00) for damages on account of any one accident and in an aggregate limit of not less than One Hundred Thousand Dollars (\$100,000.00).

## 1.4.1 AUTOMOBILE INSURANCE

Automobile Bodily Injury Liability Insurance, naming the City as Additional Insured, to cover each truck, automobile, vehicle, or other mechanical equipment, whether owned by the Contractor or leased by him, used in performance of work under this contract in an amount not less than Two Hundred Fifty Thousand Dollars (\$250,000.00) for injuries, including wrongful death to any one person and subject to the same limit for each person, in an amount not less than Five Hundred Thousand Dollars (\$500,000.00) on account of one accident.

Automobile Property Damage Insurance, naming the City as Additional Insured, to cover each truck, automobile, vehicle or other mechanical equipment, whether owned by the Contractor or leased by him, used in performance of work under this contract in an amount not less than One Hundred Thousand Dollars (\$100,000.00) on account of any one accident.

#### 1.4.2 COMPENSATION INSURANCE

Compensation Insurance and Employer's Liability Insurance to cover all employees employed in performance of work under this contract in amounts required by the Workmen's Compensation Act and any re-enactments, supplements, or amendments thereto.

# 1.4.3 CERTIFICATES OF INSURANCE

All policies of insurance shall be, in all respects, satisfactory to the City and certificates of insurance issued by the insurer shall be filed in duplicate with the Director, Department of Public Works certifying that such insurance is in full force and effect, and that it will not be canceled, annulled, or amended except after fifteen (15) days notice in writing to the City.

## 1.5 COMPLIANCE WITH LABOR LAW REQUIREMENTS

The Contractor shall comply with all laws, ordinances, rules, and regulations of the City of York, Commonwealth of Pennsylvania, or the United States, governing the safety, sanitary facilities, working conditions, and wages of employees engaged in performing work under this contract.

# 1.6 LABOR DISPUTE

The Contractor shall resolve his own labor disputes; the City, however, may if it so elects, have representation at any labor negotiation session.

# 1.7 ASSIGNMENT OF CONTRACT

The Contractor shall not assign this contract, in part or in whole, without the prior written consent of the City, nor shall the Contractor assign any proceeds due to him under this contract, except to a bank or financial institution acceptable to the City.

## 1.8 COMPLETION OF CONTRACT BY CITY

If the Contractor should be adjudged a bankrupt, or if he should make a general assignment for the benefit of his creditors, or if a receiver should be appointed on account of his insolvency, or if he should persistently or repeatedly refuse or should fail to supply enough properly skilled workmen or sufficient equipment to perform the work, or if he should fail to make prompt payments for equipment, supplies, materials or labor, or persistently disregard laws, ordinances, or the instructions of the Director, Department of Public Works, or otherwise be guilty of a substantial violation of any provision of the contract; then the City upon the certificate of the Director, Department of Public Works that sufficient cause exists to justify such action, may without prejudice to any other right or remedy and after giving the Contractor seven (7) days written notice, terminate the employment of the Contractor and take possession of the premises and of all equipment, appliances,

materials, and supplies used in the performance of the contract and finish the work by whatever method he may deem expedient. In such cases the Contractor shall not be entitled to receive any further payment until the contract is completed. If the unpaid balance of the contract price shall exceed the expense of completing the work, including compensation for additional administrative services, such excess shall be paid to the Contractor. If such expense shall exceed such unpaid balance, the Contractor shall pay the difference to the City. The expense incurred by the City as herein provided and the damage incurred through the Contractor's default shall be certified by the Director, Department of Public Works, which shall be conclusive evidence in any litigation over the same.

## 1.9 ACTS OF GOD OR DISASTER

The Contractor shall not be required as a part of this contract to remove substantial or unusual quantities of refuse which may litter the streets as a result of storms, hurricanes, floods, or other violence of nature, or any other event which may be termed an act of God.

#### 1.10 LIST OF CONTRACTOR'S EQUIPMENT

The Contractor shall, at all times keep on file with the Director, Department of Public Works; a complete list of equipment available for use on the work, which list shall be revised as required to be kept correct and current.

No equipment shall be removed from assignment to this contract unless approved in writing by the Director, Department of Public Works after he has been satisfied that such removal will not adversely affect the work.

#### 1.11 PROPERTY SCHEDULE

The City of York owns a one hundred and seventy-eight (178) acre landfill site in Springfield Township, York County, Pennsylvania on which is erected a steel frame, metal covered building forty (40) feet long, thirty (30) feet wide, and twelve (12) feet high at eaves; which property and building may be used by the Contractor, and if so used, shall, at the rental rate of Two Hundred Dollars (\$200.00) per month, be credited against the payments by the City under this Agreement.

The City of York will provide every bidder with any available information relative to this property, but does not warrant, in any way, the property so offered.

POR CONTROL OF THE PROPERTY OF

## 1.11.1 PROPERTY LEASE CONDITIONS

The Contractor shall accept any, and all, property leased from the City on an "as-is" basis on the contract date, and pay for the same at the rate stipulated in paragraph 1.11.

## 1.11.2 LANDFILL SITE

The Contractor may use the landfill site and shall be responsible for the entire operation, in an approved manner, of all filling and covering procedures and for final preparation of the fill areas as may be necessary to meet the requirements of the City and the Pennsylvania Department of Health.

The Contractor shall present a plan of areas to be used and schedule of operation for the use of the landfill site and such plan and schedule shall be approved by the Director, Department of Public Works and by the Pennsylvania Department of Health.

Any changes in planning schedule or areas of operation shall be made only after approval by the Director.

#### 1.11.3 BUILDING AT LANDFILL SITE

The Contractor may use the metal building and its appurtenances located on the landfill site for his own use and he shall be responsible for all normal repairs and upkeep during the term of the contract period, and shall leave the same in similar condition to that existing when he took possession, normal wear and tear excepted.

It shall be the responsibility of the Garbage Contractor to install an approved weighing scale of not less than twenty (20) tons capacity in the landfill area, located near the entrance. The scale shall be housed in a sheet metal enclosure and shall be designed to issue weighing tickets in triplicate.

The Contractor shall pay for all utilities used on the site.

#### 1.11.4 DETERMINATION OF USE OF LEASED PROPERTY

Determination of all questions relative to leased property, its' proper use, maintenance, service, and condition shall be made by the Director, Department of Public Works and his decision shall be final unless modified by arbitration.

### 1.12 LANDFILL PERMIT

The City is operating the landfill site on a permit issued to the City by Springfield Township at a cost of Two Hundred Dollars (\$200.00) per year with the additional right of Spring-

field Township to dispose of refuse of any kind at no cost to the Township.

The Contractor is required to honor this obligation to Springfield Township.

## 1.13 ADJUSTMENT IN CONTRACT PRICE

Adjustment to contract price will be allowed only under the following circumstances and price adjustments shall be computed as indicated for each circumstance.

## 1.13.1 Increase or Decrease in Number of Pick-Up Points

Within one month after work is started under the contract, it shall be the Contractor's responsibility to determine the exact number of refuse pick-up points throughout the City, certify the information in approved form to the Director, Department of Public Works, and upon review and approval by the Director, the number of pick-up points so established shall constitute the number of pick-up points on the contract date. (The Colony Park development shall be included in the pick-up point determination.)

Should the number of pick-up points increase or decrease for any reason, then the contract price shall be adjusted and the City will pay for the revised number of pick-up points in the ratio as the revised number of pick-up points bears to the number of pick-up points on the date of contract.

Upon any request by either the City or the Contractor for such adjustment, the party requesting such adjustment shall submit a notarized statement as to the number of pick-up points added or deducted and the current total number of pick-up points. The Director, Department of Public Works shall review the data submitted and if he finds it to be correct, shall certify the same and his computations as to contract adjustment to the Mayor and City Controller for approval, after which such adjusted contract prices shall become effective.

#### 1.13.2 Additional Payment for Extra Work

When a demand for extra work has been established to the satisfaction of the Director of Public Works, he shall certify such need to the Mayor and City Controller and upon their approval such extra work may proceed and shall be paid for in the following manner:

For labor, including the time of supervision in proportion to the time actually spent on such extra work, the Contractor

shall be paid the prevailing applicable wage rates in the City of York multiplied by the actual number of hours devoted to such extra work; to which shall be added an amount to cover administrative and payroll costs, equal to twenty (20) percentum of the total.

For equipment, the Contractor shall be paid the net fair market rental rate for such equipment multiplied by the actual number of hours devoted to such extra work.

The Director, Department of Public Works shall certify to the correctness of all billings for extra work prior to payment.

## 1.13.3 Liquidated Damages for Contract Violation

The City shall have the right to deduct from any monies due the Contractor, the following amounts for each offense for all violations of the contract.

- (A) Failure of a truck and crew to operate and complete collections on a regular route, unless prevented by a labor strike or work stoppage, snowstorms, hurricanes, floods, or other violence of nature or any other event which may be termed an act of God; the sum of One Hundred Dollars (\$100.00) per day for each truck and crew not operating.
- (R) Failure to maintain any collection vehicle in a sanitary and safe operating condition; the sum of Ten Dollars (\$10.00) for each offense.
- (C) Failure to collect refuse properly placed prior to the regularly scheduled collection time; the sum of Two Dollars (\$2.00) for each location.
- (D) Failure to replace refuse containers on the sidewalk back of curb line, as required; the sum of One Dollar (\$1.00) for each location.
- (E) Willful damage to or carrying away of permanent refuse containers; the sum of Five Dollars (\$5.00) for each offense or at the option of the Contractor he may satisfactorily repair or replace damaged or removed containers.
- (F) For discrimination against any person as specified in paragraph 2.13 of the Specifications; the sum of Five Dollars (\$5.00) per day for each employee not dealt with as directed.

- (G) Failure to suspend or discharge any employee for offenses as defined in paragraph 2.13 of the Specifications; the sum of Five Dollars (\$5.00) per day for each employee not dealt with as directed.
  - (H) Failure to operate landfill or other disposal facility in a safe condition; the sum of Fifty Dollars (\$50.00) per day for each day of violation.
  - strikes, or any cause other than by violence of nature or act of God, from performing the work under this contract on two or more consecutive days; then the City shall deduct from moneys due the Contractor, that portion of a monthly installment represented by the ratio of days on which no work is performed bears to the total number of scheduled work days in that month.

## 1.13.4 Notification of Violations and Assessment of Penalties

Prior to assessing any penalty against the Contractor, the Director, Department of Public Works shall notify the Contractor of such violation and allow a reasonable time for correction. All violations and penalties therefore shall be certified by the Director, Department of Public Works and his judgement shall be final unless modified by arbitration.

#### 2.0 SPECIFICATIONS

## 2.1 SCOPE OF WORK

These specifications describe generally the collection of "Refuse" from within the corporate limits of the City of York and disposal thereof at some point beyond the corporate limits of the City.

## 2.2 FAMILIARITY WITH THE WORK

Every bidder is required to personally visit the City and familiarize himself with the conditions to be encountered and all circumstances which may affect the nature and cost of the work.

No extra compensation will be allowed by the City for Contractor's failure to determine existing conditions, or for lack of information on the part of the Contractor, after the bid is submitted and contract is awarded.

Any question relative to any portion of the work or any clarification of the interpretation of the contract documents shall be directed to the Director, Department of Public Works, who will issue written addenda, which will be made available to every bidder. All such addenda shall be signed by the bidder, submitted with the Proposal, and will become a part of the contract documents.

#### 2.3 DEFINITIONS

Contract Documents shall consist of Advertisement, Proposal, Instructions to Bidders, General Requirements, Specifications including all modifications thereof incorporated in any of the documents before execution of the contract and the signed Contract Agreement.

The contract documents are complementary and what is called for by any one shall be as binding as if called for by all. The intention of the Contract is to include every item of labor, materials, supplies, equipment, plant, supervision, and every other item necessary to the collection and disposal of refuse.

- 2.3.1 City shall mean the Municipal Government of the City of York, Pennsylvania and its' duly authorized officers and representatives.
- 2.3.2 Contractor shall mean the individual, partnership, association, company, or corporation entering into contract with the City for the collection and disposal of refuse and shall include the authorized representatives, agents, and employees, of such Contractor while engaged in the performance of work under this contract.

- 2.3.3 Director shall mean the Director, Department of Public Works of the City of York or his duly authorized representative.
- 2.3.4 Refuse in this specification shall mean the combination of garbage, rubbish, ashes, and bulky wastes, but shall not include trade waste.
- 2.3.5 Garbage means the accumulation of putrescible organic material and its' natural moisture content resulting from the handling, storage, preparation, cooking, and serving of meat, fish, fowl, fruit, and vegetable foods and dead animals no larger than a dog.
- 2.3.6 Rubbish means the combination of combustible and noncombustible solid waste such as paper, rags, cartons, boxes, wood, excelsior, bedding, rubber, leather, grass, leaves, yard and tree trimmings, plastics, tin cans, metals, glass, ceramics, dirt, and the like.
- 2.3.7 Ashes means the residue from the burning of wood, coal, coke and other combustible material when used for the purposes of heating, cooking, or disposing of waste combustible materials.
- 2.3.8 Bulky Wastes shall mean household discarding such as appliances, furniture, bedding, and the like. (See Section 2.4 of the Specifications).
- 2.3.9 Trade Waste means waste building materials from construction, demolition, remodeling, or repair of buildings; motor vehicles or any part thereof; any ashes, scrap or waste materials from factories, processing plants, manufacturing plants, and slaughter houses.

Trade wastes as described above shall not be included for collection under this contract. (See collection of refuse from Public Buildings).

2.3.10 Christmas Trees shall mean natural or artificial ornamental trees used for purposes of holiday decoration and shall be considered a special class of rubbish.

Christmas trees shall not be an obligation of the Contractor but shall be collected and disposed of by the City.

2.3.11 Refuse Can means a round, watertight, sheet metal or plastic, raised bottom container, not exceeding thirty-two gallons in capacity, weighing without cover not over twenty-six pounds when empty, fitted with handles, and a tight fitting cover equipped with a handle and when filled shall have a total weight of not more than seventy-five pounds. Plastic bags may be used instead of cans.

- 2.3.12 Ordinance Unit means one box or carton, either empty or filled with rubbish as herein defined, or one small shrub or small tree. The term shall also apply to rubbish in general when such material is disassembled, broken, or cut up and placed in securely tied bundles. All ordinance units shall be securely tied by the occupant and shall be of such size that the longest dimension thereof shall not exceed three feet and the volume shall not exceed twelve cubic feet; and provided further, that the total weight of any ordinance unit shall not exceed sixty pounds.
- 2.3.13 Refuse Disposal Site means the areas owned, leased or used by the City or any Contractor for the disposal of garbage, rubbish, or trade waste.
- 2.3.14 Residence Unit means a building or portion thereof containing a single family dwelling unit.
- 2.3.15 Place of Business shall mean each establishment wherein is conducted an activity of a commercial or professional character.
- 2.3.16 Avenue or Alley means public or private way giving access to the rear of lots or buildings.
- 2.3.17 Street means a public or private way, other than "alleys", used for public travel.

## 2.4 CLASSES OF REFUSE TO BE COLLECTED

Refuse to be collected under this contract shall be the combined collection of garbage, rubbish, ashes, as well as bulky wastes.

Garbage, rubbish and ashes shall be placed, in combination, into one or more refuse containers and placed for collection as directed, immediately back of the curb lines in front of, or outside of and immediately adjacent to the back fence or rear lot line of the property creating the refuse. Not more than six (6) vessels filled with inorganic garbage, nor more than four (4) vessels filled with organic garbage shall be placed for collection.

Rubbish not containing garbage or putrescible waste may be placed in ordinance units and placed for collection as directed above.

For the collection of bulky wastes, the Contractor shall be contacted by telephone or in person and shall be informed of the type and number of items to be collected. The Contractor will then give instructions as to when and where these items are to be picked up.

Bulky wastes shall consist of self-contained pieces of appliances or furniture such as refrigerators, stoves, washers, dryers, television and radio sets, sofas, tables, chairs and similar household articles.

The Contractor shall be required to pick up not more than one of either of the following items at each collection: refrigerator, stove, washer, dryer and sofa. For smaller items such as chairs, television and radio sets, beds, bed springs, mattresses (which are to be rolled and tied up) and similar small household articles; not more than two items are to be picked up at each collection.

Any items considered an integral part of a building or residence unit such as furnaces or part thereof, radiators, bathtubs, kitchen sinks, hot water heater or any other item pertaining to plumbing or heating are not required to be picked up by the Contractor.

## 2.5 VOLUME OF REFUSE

The Contractor shall be required to pick up from each residence unit, place of business, all public buildings and containers throughout the City on each collection day, refuse put out for collection as specified above.

## 2.6 DAYS AND HOURS OF COLLECTION

The Contractor shall be required to perform collection service daily except Sundays and the following holidays: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day.

and 7:00 p.m. unless special collection routes and times are agreed upon by the Contractor and the residences and business places served.

Any change or deviation from these days and times of collections must have the prior written approval of the Director, Department of Public Works, and it shall be the responsibility of the Contractor to properly notify all residences and places of business along any routes affected by such change; provided, however, that any such change will not alter the number of collections per week.

Supplied the tentural property of the tenture of tenture of tenture of tenture of tenture of tenture of tenture

-amaz chakanagan

It shall be the responsibility of the Contractor to report violations of Ordinance No. 13-1968 and Amendment by any person, to the Director of the Department of Public Works.

#### 2.7 COLLECTION DISTRICTS AND NUMBER OF COLLECTIONS

DISTRICT # 1 shall be provided with two (2) collections per\_week on Monday and Thursday. District # 1 shall comprise all areas from Princess Street West around to Smith Street, and shall include the Colony Park Development.

DISTRICT # 2 shall be provided with two (2) collections per week on Tuesday and Friday. District # 2 shall comprise all areas south of Princess Street East around to Prospect Street.

DISTRICT # 3 shall be provided with two (2) collections per week on Wednesday and Saturday. District # 3 shall comprise all areas from Prospect Street around to Smith Street.

DISTRICT # 4 shall be provided with daily collections, except Sunday and specified holidays and shall be known as the Business District. All areas from College Avenue to the Railroad, including Beaver Street to Duke Street shall have collections on Tuesday, Thursday and Saturday. All areas from Pershing Avenue to Duke Street shall have collections on Monday, Wednesday and Friday.

In the event any collection day falls on a specified holiday, then the collection for that day shall be omitted without changing the remainder of the week's schedule.

The Contractor may make reasonable adjustments in areas which comprise the districts by approval of Council.

## 2.8 COLLECTION OF REFUSE FROM PUBLIC BUILDINGS

The Contractor shall, as a part of this contract, and without extra compensation therefore, collect refuse, from every Church, School, Governmental and Municipal Building, Public Housing Installation, and Charitable Institution within the City. The collection of refuse from Minit-Man Litter Receptacles at their locations along City streets, shall be included in this Contract.

#### 2.9 CHANGING SPECIFIED PICK-UP POINT

The Contractor, after making a careful survey of the collection routes, may request in writing, changes in the pick-up points, on any route or portion thereof. The Director, Department of Public Works, may, after investigation and without altering the specified number of pick-ups per week, give written approval of such change.

The Contractor, after receiving written approval of any requested change, shall be responsible for properly notifying all residences and places of business affected by such change.

## 2.10 SUPERVISION

The Contractor shall employ and designate as superintendent, a competent supervisor who shall be at all times in charge of the Contractor's operation.

Any complaints shall be transmitted to the superintendent for prompt correction and it shall be the duty of the superintendent to contact the office of the Department of Public Works at least twice daily.

## 2.11 COLLECTION EQUIPMENT

The Contractor shall provide, in sufficient numbers to properly maintain collection schedules, automotive trucks on which shall be mounted completely enclosed metal collection bodies, having a maximum capacity of twenty-five (25) cubic yards and which shall prevent any leakage or loss of liquids.

All equipment shall be maintained in good mechanical repair and in a clean and sanitary condition. The Contractor shall have adequate repair facilities so that broken-down equipment can be repaired without delay.

Equipment shall, insofar as practicable, be of a uniform color and each unit shall be plainly identified with the name and address of the Contractor, and an identifying number of each unit.

#### 2.12 INSPECTION OF EQUIPMENT

At any time during normal working hours the Director, Department of Public Works or his duly authorized representative may inspect any of the Contractor's equipment. Any deficiencies as to mechanical or sanitary conditions of the equipment shall be called to the attention of the Contractor, and if such deficiencies are not corrected within a period of two (2) working days, the Director may condemn such equipment and direct that the Contractor provide satisfactory substitute equipment. Any refusal to correct deficiencies of said condemned equipment within a reasonable time designated by the Director, shall result in a penalty of \$ 25.00 per day.

#### 2.13 PERSONNEL

The Contractor shall employ only competent persons, skilled in their various jobs.

Each employee shall be supplied with a numbered badge to properly identify him as an authorized collector.

The Contractor shall make available telephone service eight (8) hours per day except Sunday and holidays.

The Contractor shall employ an attendant stationed at the landfill eight (8) hours per day except Sunday and holidays. It shall be his responsibility to verify the source of trade wastes delivered to the landfill by vehicles other than the garbage contractors and only admit trade wastes generated within the limits of the City of York. It shall be his responsibility to weigh each vehicle delivering trade waste when entering the landfill area, and then weigh same again when empty. He shall issue weighing tickets in triplicate; one to the Contractor, one to the driver of the vehicle, and one to the City. It shall be the attendant's responsibility to keep an accurate record for all delivery of trade waste. It shall then be the Contractor's responsibility to mail out monthly statements to all persons that have delivered trade waste to the landfill, requesting payment within thirty (30) days. The cost of dumping trade waste shall be \$ 3.50 per ton.

The Contractor will then promptly pay to the City, the City's share, which will amount of \$0.75 per ton for the first sixteen thousand (16,000) tons of each year and then \$1.00 per ton for each additional ton.

The Contractor shall deny further dumping privileges to any person failing to make payment in the specified time.

Preference of employment shall be given to residents of the City of York, Pennsylvania who have resided within the City for a minimum period of one (1) year prior to such employment.

In the hiring of personnel of every description for employment on this contract, neither the Contractor nor any agent, supervisor, or employer shall by reason of race, creed, color, national origin or ancestry, discriminate against any person who is qualified and evailable to perform the work to which the employment relates.

The Contractor or any person on his behalf, shall in no manner discriminate against or intimidate any employee hired for the performance of work under this contract on account of race, creed, color, national origin, or ancestry.

The Contractor shall pay a penalty, to be deducted from the amount payable to him under this contract, in the amount of \$ 5.00 for each person for each calendar day during which such person was discriminated against or intimidated in violation of the above requirements.

The second secon

The Contractor may suspend or discharge and the Director, Department of Public Works may require suspension or discharge of any employee for one or more of the following offenses during working hours:

1. Intoxication.

Use of loud, profene, vulgar, or obscene language.

3. Soliciting or accepting gratuities or tips from the public for services to be performed as a part of this contract.

4. Refusal to collect or handle refuse as herein required.

5. Wantonly or maliciously damaging or destroying containers or receptacles.

6. Wantonly or maliciously scattering or spilling of refuse.

7. Wanton, willful or reckless disregard of safety or sanitary requirements.

#### 2.14 MINIMUM WAGES

The Contractor shall pay laborers in the performance of work under this contract not less than \$ 2.25 per hour for throwers and \$ 2.40 per hour for drivers, for the actual number of hours worked.

## 2.14.1 ANTI-KICKBACK OF WAGES

The Contractor shall be responsible for payment of all wages due to any employee engaged in performance of work under this contract, at no less than the minimum rate specified herein. No employee shall be required to refund, directly or indirectly, any part of such wage or wages.

The Contractor shall file with each monthly invoice an affidavit stating that the Contractor is not receiving, or requiring, or will not receive or require, directly or indirectly, from any employee, any refund of any wage or wages.

#### 2.15 COLLECTION PRACTICES

The Contractor shall provide for each collection unit a minimum crew consisting of one (1) driver and two (2) collectors or throwers or such additional number of collectors or throwers as may be required to effect an efficient, safe, and sanitary operation.

Each collection unit shall be provided with a shovel and a broom with which to pick up any spillage of refuse.

The collectors or throwers shall clean up any spillage of refuse caused by them but shall not be required to clean up any spillage on the sidewalk or street surface caused prior to their arrival or caused by placing improperly prepared refuse.

The Contractor shall be responsible for properly handling refuse containers which shall be carried (not thrown) to the curb line and the lids, if any, shall be placed on the containers upside-down to indicate that the container was emptied.

Each Contractor's vehicle shall be parked overnight on an approved off-street parking site or garage, and in no event shall any such vehicle remain parked on any public thoroughfare for a continuous period exceeding two (2) hours.

Collection personnel shall not be required to collect from, nor be permitted to trespass on, private property.

Collection personnel shall be required to perform all work in a quiet and orderly manner and shall not interfere with the safe passage of pedestrian or vehicular traffic.

## 2.16 DISPOSAL OF REFUSE

## 2.16.1 - Ownership of Refuse

Immediately upon the Contractor's loading refuse into any collection vehicle, ownership of such refuse shall be vested in the Contractor, and it shall become his responsibility to haul, handle, process and dispose of refuse of every nature.

#### 2.16.2 - Travel To and From Disposal Site

Routes used by the Contractor in travel to and from disposal site shall be subject to approval and/or change by the Director, Department of Public Works.

The Contractor's operation between the City limits and the disposal site are subject to the same requirements and control by the Director, Department of Public Works as are the operations of collection and disposal.

## 2.16.3 - Disposal Site and Method

The disposal site for disposition of refuse shall be either the present landfill location in Springfield Township, York County, Pennsylvania, or any other location or site selected by the Contractor.

Disposal by means other than landfill may be used by the Contractor as he elects; provided, however, that no revision to the terms of the contract will result from such change of method.

Any method of refuse disposal used by the Contractor must be operated in an approved standard method and at all times must be satisfactory to the Director, Department of Public Works and be in conformity with the requirements of any local agencies having jurisdiction as well as the Pennsylvania Department of Health; and as set forth in the Pennsylvania Solid Waste Management Act No. 241 of 1968. Copies of said Act No. 241 are available, upon request, from the office of the Director, Department of Public Works.

The Contractor shall not use any landfill operating equipment weighing less than twenty-five (25) tons in order to assure adequate compaction of solid wastes.

## 2.16.4 - Inspection of Disposal Site

At any time during normal working hours the Director, Department of Public Works or his duly authorized representative may inspect the disposal site and the complete operation thereof. Any deficiencies in operation, faulty or inadequate equipment or incompetence of personnel shall be called to the attention of the Contractor, who shall immediately institute proper action to correct such deficiencies. Any refusal to correct deficiencies within the time designated by the Director, Department of Public Works may result in a penalty. (See General Requirements, Section 1.13.3 (H).)

## 2.16.5 - Sampling and Inspections

The Contractor shall make a daily check of all inlets or catch basins located in the landfill area, clean same of all obstructions and make a monthly report of the condition of the inlets or catch basins to the Director, Department of Public Works; who, in turn, will forward these reports to the Pennsylvania Department of Health.

The Contractor shall be required to periodically inspect all settling basins located in the landfill area and clean out the settling when necessary.

Subject: Large Refuse Pick-up

Councilman Williams today requested further information on the monthly large refuse pick-up now being handled by Disposal Transportation Company at an additional monthly charge of 41¢ per account.

As explained in my previous memorandum to you on this subject, the coding of our Utility Accounts does not segregate the types of domestic meter accounts. However, it is believed that a fairly accurate estimate would be that approximately 9,891 extra service pick-ups are made each month at a charge of 41¢ which we collect and ultimately remit to the garbage company a total of \$4,055 per month.

Milton Weiss

Director of Finance

#### CITY OF NORTH LAS VEGAS

#### INTER - OFFICE MEMORANDUM

Date August 12, 1971

To:

Mr. Clay Lynch

Department: City Manager

From:

Milton Weiss

Department: Director of Finance

Subject:

Classification of Garbage Accounts

You requested that we furnish a classification breakdown of our garbage accounts by single family dwelling, multiple family dwelling, trailer parks, commercial businesses, etc. Since the coding of our utility accounts is either based upon flat rate or meter, the latter by commercial and residential, we would have no way of ascertaining a property description of our meter accounts as requested unless by going through a lengthy and laborious analysis of all our accounts.

As of July 31, 1971 we had a total of 8,065 flat rate accounts on our books of which 7,776 are active and are being billed the 41¢ additional garbage fee for heavy pickup.

We also have 854 active multiple family dwelling accounts and according to our published rate schedule all multiple dwelling units up to 8 families also pay the additional 41¢ garbage fee per family.

We also have 338 commercial meter accounts which do not pay this additional garbage fee. Our county water accounts are not being serviced for garbage pickup.

We trust the above information may be useful.

Milton Weiss Director of Finance

RE Liability Insurance coverage

#### Gentlemen:

Our records reflect that your firm's liability insurance coverage with Continental National American Group was cancelled as of September 5, 1970.

As of this date we have not received a certificate of insurance covering the liability of the City and yourself relative to property damage and public liability. Will you please ask your agent to issue a Certificate to the City of North Las Vogas and forward to the City Clerk's office.

Thank you.

Yours truly,

(Mrs.) Esther V. Borden

December 5, 1967

Mr. William L. Taylor, Mayor City Councilmen: Messrs. C. R. Cleland, John E. Myers, Jack R. Petitti, and Wendell G. Waite City Hall North Las Vegas, Nevada

Gentlemen:

The undersigned, President of Disposal Transportation, Inc., respectfully requests:

- 1. That that certain contract made and entered into by and between the predecessor-in-interest of Disposal Transportation, Inc., and the City of North Las Vegas on the 7th day of October, 1957 be extended for a period of 15 years (10 years with a five year option), or to January 31, 1987.
- 2. That an increase in rates be allowed. We respectfully invite your attention to the fact that since October 7, 1957 (over 10 years), we have not had an increase in rates and we do now respectfully request an increase of at least 25%.

Enclosed herewith for your consideration are financial statements and supporting computations prepared by the Company's CPA's substantiating the necessity for the proposed increase in rates.

With respect to Item 1 above:

Disposal Transportation, Inc. has remaining on the existing contract, as renewed, approximately four years. It is believed by the undersigned, as well as the officers and directors of the Company that from October 7, 1957 to the present date that the services rendered to your City far surpassed those rendered throughout the remaining Western states for the rates assessed.

FEB 25 BY CONTRACTOR VEGAS

I am sure that you are aware by prior investigations as well as trade journals that the services performed in the City of North Las Vegas are much more extensive and without the troublesome limitations imposed by similar contracts in other cities of the Western states. I would like to make specific mention of the fact that save and except for the limitation as to size of container, our Company picks up, grass, tree clippings, and there is no necessity of segregating dry from wet garbage, although this procedure is required in many other cities.

During all of the time of our contract, our Company has provided the finest and most utilitarian equipment for the removal and disposal of garbage and refuse. By virtue of the use of such equipment, however, we will be required to replace completely all of such equipment within a span of less than four years which is immediately prior to the expiration of the existing contract. Our need for the requested extension, therefore, becomes all the more apparent as it could not be said to be good prudent business practice to undertake the expenditure of substantial sums of money replacing existing equipment with such a short period remaining to be performed under the contract.

We feel that by an extension of the existing contract for an additional 15 year period (10 years + a five year option), we could continue to render superior service with the most utilitarian equipment. We, therefore, solicit your favorable consideration of this request.

As to Item 2, a request for rate increase:

We wish to point out that no increase at all has been made available to our Company from the City from the inception of our relationship by contract referred to above, commencing October 7, 1957. It is deemed unnecessary to submit statistics to demonstrate it, since it is a well-known fact, but since 1957 to the present date, a period of 10 years, the cost of living has increased substantially.

It is of evidentiary value to point out that since October 7, 1957 the basic pay rate for the employees of our Company has tremendously increased. In 1967, our driver's rates

Micr.

FEB 25.

CHY OF LAS VEDAS

has been at \$3.50 and the pitcher's rate at \$3.37½, constituting a 91.8% increase for drivers and for pitchers 90.4%. These statistics, while evidencing tremendous cost of labor increase does not fully reflect the cost to the Company therefor. Since 1957, substantial fringe benefits have been required and agreed upon through collective bargaining negotiations between the Company and the Teamster's Union. When these fringe benefits are likewise taken into account, the increase of the basic pay for drivers would be in excess of 110%.

Your City has heretofore applied a formula of book value of plant and equipment plus 45 days working capital in applying rate settings in connection with our Company, as is reflected on the financial statements enclosed herewith. The financial statements further disclose that for the fiscal year ended September 30, 1967, the Company suffered a loss in excess of \$40,000.00 and unless a rate increase is effected, serious economic problems to the Company are a certainty.

Your attention is, therefore, respectfully invited to said financial statements wherein our accountants have set forth, based upon the formula adopted by your City, a schedule of projected rate of return and raise in rates necessary in order to overcome continued financial loss to the Company. We believe these records will substantiate the reasonableness of our request for a 25% increase over existing rates.

We, therefore, respectfully request that you give consideration to the above enumerated requests. Our officers and employees will be available, together with the records of our Company, in order to furnish any and all information you deem necessary.

Respectfully yours,

DISPOSAL TRANSPORTATION, INC.

Page Two -

According to our records, the last income and expense statement submitted by Disposal Transportation, Inc., was for the year ending June 30th, 1963. The City Council hereby gives you sixty (60) days notice in which to comply with said Paragraph XXII. Since your election to renew was made during a period of time when you were in default of the contract, it is of no force and effect and we cannot consider any such election to renew the contract pursuant to Paragraph I until such time as you are not in default and are otherwise in a position to elect to renew said contract. "

I believe this letter is self-explanatory.

Respectfully submitted,

WILLIAM S. BARKER,

City Attorney

Hay 17, 1963

Temmsters, Chauffeurs, Warehousemen and Helpers Local Union No. 631 P. O. Box 1870 Las Vegas, Nevada

Attention: William F. Carter, Secretary-Treasurer

Dear Wr. Carter:

Shortly after receipt of your letter of April 1, 1963, addressed to Silver State Disposal Service, Inc., et al, Richard Thomas, Business Agent and the officers and directors of the disposal service companies met and negotiated from time to time for approximately thirty days and we thought that we had arrived at a mutual understanding and on May 10, 1963, we dispatched a letter to the attention of Mr. Thomas, inadvertently dated April 10, 1963, setting forth what we believed to be the result of the negotiations.

Therein we agreed to add Veteran's Day as a new holiday per year, bringing the total to seven, and agreed if we were to receive a three year contract to give an across the board increase to all employees of the sum of ten cents per hour for the first year commencing May 22, 1963, a ten cent per hour increase commencing May 22, 1965.

In addition thereto we pointed out that it had been our belief that as a result of our negotiations that two clean overalls per week would be issued to each of the employees.

On May 16, 1963, (yesterday) you appeared at our offices end informed us that you were unvilling to consider this proposal. You made a demand for fifty cents per hour increase and stated that you would not consider anything less.

Teamsters, Chauffeurs, Warehousemen and Helpers Local Union No. 631

May 17, 1963

Millian F. Carter, Secretary, Treasurer

Since your visit to our offices yesterday morning, we have checked to determine the standards of wages not only locally but throughout the nation and we believe that the present standard of wages paid to our employees is commensurate with local standards, and, above national standards.

We think that by giving three weeks vacation after tan years of service to an employee and on a prorated basis following service of one year, along with seven holidays neets the highest standards both locally and nationally. We know of no similar type of employment of centract negotiations therefor that are higher than our proposal of ten cents per hour increase for the first year and an additional ten cents increase per year for each of the next two years.

Our analysis, made since your visit yesterday corning, required working most of the night, results in a showing to us that your demand for wages only, not considering the additional fringe benefits demanded in your letter of April 1, 1963, averages a percentage increase of wages per man of 19.23% which we believe is excessive and the percentage increase per man per year, if we are to consider the fringe benefits that you requested, will bring that percentage to a flat 22% increase per year per man which we also deem to be excessive.

We feel that we have regotiated this matter fairly and openly and we are constrained because of our belief that what we offer is in keeping with both the local and national picture to believe that we can do nothing more.

We, therefore, respectfully request that the proposal set forth in our letter dispatched to you May 10, 1963, but inadvertently dated April 10, 1963, be again presented to employees of our organization and that the entire matter be reconsidered.

Respectfully yours,

SILVER STATE DISPOSAL SERVICE, INC.

DOUGHTER

mon 10, 1963

Elehard Thomas
Business Agent
Tomasters, Chauffeurs, Warshousensu
and Helpers Local Union No. 631
P. O. Box 1870
Les Vogas, Nevada

Hy deer Mr. Thomas:

Following the receipt of the proposal for changes in the existing agreement between Local Ec. 631 and Silver State Disposal Company and affiliated Composations, we have met on memorous occasions and negotiated regarding a new occasions.

I am indeed pleased to have had the opportunity of working with you am these occasions and appreciate the fine manner in which you have conducted these negotiations on behalf of your local.

At your request, I sa hereinafter setting forth the proposal which I believe has resulted from our regotiations:

- of the basic agreement, making a total of seven (7) holidays per year. Further, in connection with the holiday clause, we shall provide a clause to the offset that if a holiday falls during an employee's vacation period, said caployee shall be paid for said holiday as if he had actually worked on said day.
- 2. After an employee has been in the service of any of our companies for a pariod of ten (10) years, he shall receive a full three week's vacation with pay. The vacation clause shall be further smended to provide that after an employee has served for one (1) year and he should terminate voluntarily and not be discharged for cause, he shall be entitled to vacation pay on a provated hasis governed solely by the length of his service following the one (1) year paried.
- J. The ecapemy shall furnish uniforms, two class coveralls per week, but, because of the unusual hours which various of the caployees are required to work, it will have to be ascertained what would be the best time for uniforms to be issued, and said information will be posted upon the employee's bulletin beard at a later time.

Elchard Thomas Busicasa Agant Tomasters, Chanffrurs, Varebousessa and Halpers Local Tudon So. 631

i. With respect to increases in mages, based open a three (3) year contract, the company shall pay to all classifications of employees, a ten cast per hear increase, commending May 22, 1963, as additional 10 cost per hear increase commending May 22, 1965, and a third 10 cost per hear increase commending May 22, 1965, it being understood that the new contract will be for a period of three (3) years commending May 22, 1963.

It is our importanting that you will present this proposal resulting from our magnificant to the members of your local for approval, and upon resolpt thereof, the ald contract will be emended imporporating these now provisions and cubalties for algorithms.

Mindest personal regards.

Host cordially yours.

SILVER STATE DISPOSAL SERVICE, 150.

May 2, 1963

Mr. L. L. LaFortune, President Disposal Transportation, Inc. 1300 North 8th Street P.O. Box 1069 Las Vegas, Nevada

Dear Mr. LaFortune:

I had occasion to review your contract with the City of North Las Vegas and noticed that you have failed to fulfill the requirements of the following sections.

Section VII requires that the Contractor file with the City Clerk evidence of public liability and property damage on all of its equipment covering the City and the Contractor in the amount of \$50,000/\$100,000 P/L and \$10,000 P/D insurance. This has not been done. The last policy in effect, insofar as our records are concerned, expired December 21, 1958. This policy covered limits of liability in the amount of \$100,000/\$300,000 P/L and \$25,000/\$50,000 P/D.

Section X requires that the Contractor file with the City Clerk a Surety Bond in the amount of \$5,000. According to our records there is no such bond currently in effect.

Section XXII requires that the Contractor make an annual report to the City showing receipts, disbursements and other information required by the City to determine the cost of operation, profits derived, etc. Our files indicate there were no reports received from the Contractor for their fiscal year ending September 30, 1962.

We are certain it was not the intention of the Contractor to violate any of the conditions of the contract, but just an oversight in providing necessary documents of proof. Therefore, we would appreciate your supplying these documents at your earliest convenience.

Yours very truly,

Robert M. Nelson Director of Finance

Councilman Waite stated the Council encouraged citizens to water their lawns and shrubbery to enhance the beauty of North Las Vegas.

Mayor Cleland stated that Mrs. Neuman was the first person in 10 years to complain about the water rate. complaint will be taken into consideration but at the present time we do have to abide by the ordinance.

PERMISSION TO PURCHASE PATROL DELETED

Councilman Gray MOVED the item Requesting Permission to Purchase a Patrol Car be DELETED from the agenda. Councilman Waite SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

INTRODUCTION ONLY ORDINANCE NO. 541 GARBAGE RECEP-**TACLES** 

Councilman Waite INTRODUCED Ordinance No. 541 entitled AN ORDINANCE TO AMEND TITLE 4, CHAPTER 4.04 OF THE NORTH LAS VEGAS MUNICIPAL CODE, BEING ORDINANCE NO. 7 AS AMENDED BY ORDINANCES 188 and 394, RE-LATING TO THE COLLECTION AND DISPOSAL OF GARBAGE, RUBBISH AND OTHER MATERIALS WITHIN THE CITY OF NORTH LAS VEGAS FOR PRIVATE DWELLINGS, BUSINESSES AND ALL OTHER GARBAGE AND RUBBISH PRODUCERS WITHIN THE CITY OF NORTH LAS VEGAS; PROVIDING OTHER MATTER PROPERLY RELAT-ING THERETO; AND REPEALING ALL ORDINANCES OR CHAPTERS, SECTIONS, SUBSECTIONS OR PARAGRAPHS CONTAINED IN THE NORTH LAS VEGAS MUNICIPAL CODE IN CONFLICT HEREWITH.

Mayor Cleland instructed the City Clerk to advertise the Notice of Final Action for the meeting of October 20, 1975.

ORDINANCE NO. 540 VETERANS' DAY TO BE OBSERVED ON NOVEMBER 11TH RATHER THAN THE 4TH MONDAY IN OCTOBER

Councilman Waite MOVED that Ordinance No. 540 entitled AN ORDINANCE TO AMEND THE FIRST PARAGRAPH OF SECTION 650 OF ORDINANCE NO. 436, BY CHANGING SAID SECTION 650 OF ORDINANCE NO. 436 SO THAT THE VETERANS' DAY HOLIDAY WILL BE OBSERVED ON NOVEMBER 11TH OF EACH YEAR RATHER THAN THE FOURTH PASSED AND ADOPTED MONDAY IN OCTOBER; PROVIDING OTHER MATTERS PROPERLY RELATING THERETO; AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES OR CHAPTERS, SECTIONS, SUBSECTIONS OR PARAGRAPHS CONTAINED IN THE NORTH LAS VEGAS MUNICIPAL CODE IN CONFLICT HEREWITH, be PASSED and ADOPTED and the Mayor be instructed to sign. Mayor Pro Tempore Mahony SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

PROCLAMATION SPINAL HEALTH MONTH RATIFIED

Councilman Waite MOVED the month of October, 1975 be PROCLAIMED "Spinal Health Month" and the Mayor's signature be RATIFIED. Councilman Seastrand SECONDED the Motion.

On the question:

Councilman Gray stated he would oppose because a Proclamation should be for a non-profit organization.

MOTION CARRIED Councilman Gray OPPOSED. BY MAJORITY VOTE.

PROCLAMATION MARCH OF DIMES WALK-A-THON WEEK RATIFIED

Mayor Pro Tempore Mahony MOVED the week of October 12 thru October 18, 1975, be PROCLAIMED "March of Dimes Walk-A-Thon Week" and the Mayor's signature be RATIFIED. Councilman Waite SECONDED the Motion. . MOTION CARRIED UNANIMOUSLY.

PROCLAMATION EMPLOY THE HANDICAPPED WEEK RATIFIED

... Mayor Pro Tempore Mahony MOVED the week of October 5 thru October 11, 1975, be PROCLAIMED "Employ the Handicapped Week" and the Mayor's signature be RATIFIED. Councilman Waite SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

REGIONAL STREET AND HIGHWAY COMM. COOP. AGREEMENT TRAFFIC SIGNAL AT LAKE MEAD AND MCDANIEL STREET APPROVED Contract No. 937

Councilman Waite MOVED the Cooperative Agreement with Regional Street and Highway Commission for a Traffic Signal at the Intersection of Lake Mead and McDaniel Street be APPROVED and instruct the Mayor to sign. Mayor Pro Tempore Mahony SECONDED the Motion.

On the question:

Mayor Pro Tempore Mahony was concerned about the need for a traffic light at Owens and Mojave.

City Manager Boddy stated he would inquire into this matter.

MOTION CARRIED UNANIMOUSLY.

REGIONAL STREET AND HIGHWAY COMM. SUPPLEMENTAL AGREEMENT NO. 48a CONSTRUCTION OF INTERCONNECT APPROVED Contract No. 671

Councilman Seastrand MOVED the Supplemental Cooperative Agreement No. 48a covering the construction of the Pecos-McLeod Interconnect from Flamingo Road to North of Desert Inn Road be APPROVED and instruct THE PECOS .- McLEOD the Mayor to sign. Councilman Waite SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

ORDINANCE NO. 537 SWAP MEETS FINAL ACTION PASSED AND ADOPTED Mayor Pro Tempore Waite MOVED that Ordinance No. 537 entitled AN ORDINANCE TO AMEND ORDINANCE NO. 536, SECTION 1, PARAGRAPH 3.54.040 (b) AND TITLE 3, CHAPTER 3.54, SECTION 3.54.040 (b) OF THE NORTH LAS VEGAS MUNICIPAL CODE, BY CHANGING THE LICENSE FEES FOR NEW MERCHANDISE AND SECONDHAND DEALERS FOR SWAP MEETS; PRO-VIDING OTHER MATTERS PROPERLY RELATING THERETO; AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES OR CHAPTERS, SECTIONS SUBSECTIONS OR PARAGRAPHS CONTAINED IN THE NORTH LAS VEGAS MUNICIPAL CODE IN CONFLICT HEREWITH, be PASSED and ADOPTED and the Mayor be instructed to sign. Councilman Seastrand SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

DISPOSAL TRANS-PORTATION, INC. INCREASES IN GAR-BAGE RATES APPROVED Agreement A-46 Joe Anstett, Executive Vice President,
Disposal Transportation, Inc., requested
an increase of \$.78 per month for residential rates and 15% for all commercial
and apartment rates per month to be
effective October 1, 1975. He stated the
increase was being requested because of
increase in cost of labor, fuel and NIC
insurance.

Mayor Pro Tempore Waite asked if any of the other entities had adopted the rate schedule?

Mr. Anstett stated the County of Clark had introduced an ordinance with anticipated final action on Friday, September 5, 1975; City of Las Vegas had approved an ordinance with the recommended rates on August 20, 1975; and Henderson introduced an ordinance on the rates on September 2, 1975. He stated they had tried every possible way to cut costs and keep them to a minimum so as not to be forced to ask for an increase.

Councilman Seastrand stated he was concerned about the non-competitive situation and if it was possible to get a comparison. He stated he had no objection to the increase but would like some other garbage collection agency in another city which is handling a similar type operation to quote a figure for service to North Las Vegas.

Councilman Gray stated three years ago when there was discussion of a rate increase, a broad research was conducted by the County of Clark, City of Las Vegas and City of North Las Vegas. It was found to be almost impossible to compare the compare the garbage rates in two different entities. Mayor Pro Tempore Waite MOVED an increase of \$.78 per month to residents and 15% per month for commercial businesses, effective October 1, 1975 be APPROVED. Councilman Mahony SECONDED the Motion.

On the question:

Mayor Cleland stated this was assuming that the other entities adopted this increase.

Councilman Seastrand stated he felt we needed some outside check points.

Councilman Mahony asked Staff to do some research to see if Disposal Transportation, Inc. is competitive either nationally or regionally and if there are any other alternatives.

Larry Grubb, 1700 Woodard stated he was opposed to the garbage increase.

Councilman Seastrand OPPOSED. MOTION CARRIED BY MAJORITY VOTE.

NOTICE OF CLAIM EARL HARTKE DENIED Mayor Pro Tempore Waite MOVED the claim of Earl Hartke be DENIED and referred to the insurance carrier. Councilman Gray SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

NOTICE OF CLAIM ARLYSE WADLEIGH DENIED Mayor Pro Tempore Waite MOVED the claim of Arlyse Wadleigh be DENIED and referred to the insurance carrier. Councilman Gray SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

PLANNING ZN-5-75 LEVY REALTY APPROVED Councilman Mahony MOVED an application by
Levy Realty for reclassification of property
from R-4 (Apartment Residence) to C-P (CivicProfessional) for the purpose of rezoning
the property to a zoning district consistent
with the land use; said property generally
located at 1845 Civic Center Drive, and more
particularly described as Lot 15, and a
portion of Lot 16, Block 2, College Park
Subdivision No. 10, as shown on Page 36 of
Book 5 of Subdivisions on file in the Office
of the County Recorder, Clark County, Nevada,
be APPROVED. Mayor Pro Tempore Waite
SECONDED the Motion. MOTION CARRIED
UNANIMOUSLY.

LICENSES APPROVED

Councilman Mahony MOVED that Licenses 1 thru 48 as presented on September 2, 1975 be APPROVED as follows:

INTRODUCTION ONLY ORDINANCE NO. 539 GARBAGE COLLECTION Mayor Pro Tempore Waite INTRODUCED Ordinance No. 539 entitled AN ORDINANCE TO AMEND TITLE 4, CHAPTER 4.04, SECTION 4.04.090 OF THE NORTH LAS VEGAS MUNICIPAL CODE, BEING ORDINANCE NO. 7, SECTION 9 AS AMENDED BY ORDINANCE NO. 188, BY CHANGING THE REQUIREMENTS ON USE OF GARBAGE RECEP-TACLES; PROVIDING OTHER MATTER PROPERLY RELATING THERETO; AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES OR CHAPTERS, SECTIONS, SUBSECTIONS OR PARAGRAPHS CONTAINED IN THE NORTH LAS VEGAS MUNICIPAL CODE IN CONFLICT HEREWITH.

Mayor Cleland instructed the City Clerk to advertise the Notice of Final Action for the meeting of September 15, 1975.

RESOLUTION NO. 781 TION OF OPEN SPACE PASSED AND ADOPTED

Councilman Mahony INTRODUCED a resolution PROMOTING CONSERVA- which was read by title and the text of which is as follows:

56 -

A-46 1973

MINUTES OF FEBRUARY 5, 1973 APPROVED

Councilman Goynes MOVED the Minutes of the Regular Meeting of February 5, 1973, be APPROVED as written. Councilman Gray SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

GARBAGE RATE INCREASE **APPROVED** 

Councilman Waite MOVED the following Revised Monthly Garbage Rates be APPROVED effective March 1, 1973, the first billing to be April 1, 1973, and that the PUBLICATION ORDERED publication of these rates be ORDERED:

| COMMERCIAL GARBAGE RATES                            |                               |
|-----------------------------------------------------|-------------------------------|
| 2 Pickups per week (1 can)                          | \$ 4.11                       |
| Each additional can                                 | \$ 4.11                       |
|                                                     |                               |
| 6 Pickups per week (1 can)                          | \$17.10                       |
| Each additional can                                 | \$ 6.85                       |
| 7 Pickups per week (1 can)                          | \$20.53                       |
| Each additional can                                 | \$ 8.21                       |
| Buch address can                                    | Ÿ 0.21                        |
| HOTELS, MOTELS, TRAILER PARKS                       |                               |
| Offices                                             | \$ 2.29<br>\$ 1.37<br>\$ 1.03 |
| Each trailer space in park                          | \$ 1.37                       |
| Each sleeping room on premises                      | \$ 1.03                       |
| MIT TIDI E DECIDENTIAL INITE                        |                               |
| MULTIPLE RESIDENTIAL UNITS (From 2 to 8 apartments) |                               |
| First apartment                                     | \$ 2.72                       |
| Each additional apartment                           | \$ 1.91                       |
| RATES INCLUDE PICKUP SERVICE FOR                    | ,                             |
| BULKY ARTICLES.                                     |                               |
|                                                     |                               |
| MULTIPLE RESIDENTIAL UNITS                          |                               |
| (9 apartments or more)                              | A 0 00                        |
| First Apartment                                     | \$ 2.28<br>\$ 1.61            |
| Each additional apartment                           | \$ 1.01                       |
| RESIDENTIAL SINGLE FAMILY DWELLING                  |                               |
| (Cans limited to 33 gallons)                        |                               |
| No limit on standard size cans                      |                               |
| 2 Pickups per week                                  | \$ 2.72                       |
| RATES INCLUDE PICKUP SERVICE FOR                    |                               |
| BULKY ARTICLES.                                     |                               |
|                                                     |                               |

Councilman Gray SECONDED the Motion.

On the question:

Ms. Yvonne McClain, 1408 E. Owens Avenue, read the following to the City Council:

"My name is Yvonne McClain and my address is 1408 East Owens Avenue, North Las Vegas. I am authorized to represent the position of the Consumers League of Nevada at this hearing.

Before you act on the proposal, we feel there yet remain a number of unanswered questions pertinent to the issue; answers the consumer should be made aware of.

-5- CC - 2/20/73

In dealing with a fair rate of return for a garbage disposal company, we need to know how the cost of 10 per cent fair rate of return was arrived at? We noticed rates quoted as low as 8 per cent being considered by the Las Vegas City Council during their negotiations. We would also like to know if this is a rate of return established by a nation wide survey or merely a hold over from the initial contract? We have observed that the disposal company displays no real interest 'attracting outside investors'.

In ascertaining the base, upon which the rate would be applied, we noted that at no time were the disposal firms actual accounts made public. We observed that early documents indicated that the auditing firm, hired by the authorities involved, made certain deductions employing a 'prudent investment theory' to modify the base. However, the Las Vegas City Attorney found it necessary to bring to their attention other deductible items. Being primarily, losses from the real estate investment firm and exorbident (sic) salaries. We maintaine (sic) that unless the actual accounts of the firm are made public that the city cannot judge the true value of the base.

We are also interested in knowing why this service was not publicly open to bids to both local and out of state firms? Along this same line, we would like to be made public reasons why the city master plan contains no provisions for public works programs to absorb this service into the public sector? We would like to see figures as to the actual costs involved in establishing, either our own service or one consolidated with the rest of the users in the county. Are there public funds, either federal or state available for implementating (sic) such works?

Thank you for this opportunity to present our concerns."

Discussion ensued between the members of the Council and Ms. McClain concerning the manner in which the fair rate of return was established, and an explanation of the difficulty of going to competitive bidding when there was only one "responsible" garbage disposal company in the area. It was also explained that the cost of a disposal service operated by the city was prohibitive.

Councilman Seastrand said if the Council was willing to go into a competitive bid situation, he was willing to go along with a temporary rate increase, and asked that the City Manager be requested to prepare some specifications whereby competitive bids might be sought. If competitive bids cannot be obtained, the City should then take another look at the cost of going into the service.

A-46

Mayor Cleland said the possibility of the City going into the disposal business was examined in 1965 or 1966 and the cost was so high that it was impossible to consider doing so, and that to his knowledge there were no federal or state funds to assist a city in this manner. If an increase is requested again, it will be necessary to instruct the City Manager to go to competitive bidding and see what results might be obtained.

Councilman Gray said he had spent some time with the Director of Finance in discussing the subject of the city's going into the disposal business and the cost was determined to be prohibitive.

Commissioner Aaron Williams said he felt the garbage collection service should be placed under the Public Service Commission. He requested that provision be made for a lower rate for senior citizens.

Councilman Waite said he felt both sides of the question of a rate increase must be looked at since the Council had an obligation to the citizen-taxpayer and to the businesses in the community.

MOTION CARRIED UNANIMOUSLY.

FINAL ACTION ORDINANCE NO. 473 RE MILITARY LEAVE PASSED AND ADOPTED Councilman Goynes MOVED that Ordinance No. 473 entitled AN ORDINANCE TO AMEND ORDINANCE NO. 436 BY ALTERING PARAGRAPH 660; PROVIDING FOR ALL OTHER MATTERS PROPERLY RELATING THERETO; AND REPEALING ALL OTHER ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH be PASSED and ADOPTED and the Mayor be instructed to sign. Councilman Waite SECONDED the Motion.

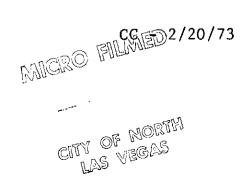

On the question:

Councilman Waite said he felt that an employee should not receive both his salary from the city and whatever remuneration he received from the federal or state government, but since the City allows jurors to accept both, he would vote for this ordinance although he was not in agreement.

Councilman Gray OPPOSED. MOTION CARRIED BY MAJORITY.

ASSESSMENT ROLL S.I.A.D. NO. 20 APPROVED Councilman Waite MOVED that the Assessment Roll on Special Improvement Assessment District No. 20 be APPROVED. Councilman Gray SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

TENTATIVE BUDGET 1973-74 ACCEPTED PUBLIC HEARING SET Councilman Gray MOVED the Tentative Budget for 1973-74 be ACCEPTED and a Public Hearing be set for March 27, 1973. Councilman Waite SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

A-46

### CITY OF NORTH LAS VEGAS REGULAR CITY COUNCIL MEETING

DATE

February 5, 1973, at 7:10 P. M.

**PLACE** 

Council Chambers, 2200 Civic Center Drive,

North Las Vegas, Nevada

PLEDGE OF ALLEGIANCE

Councilman D. Dan Gray

INVOCATION

Reverend I. W. Wilson, Bethel Baptist Church

PRESENT

Mayor C. R. Cleland, Councilmen Theron H. Goynes, D. Dan Gray, James K. Seastrand and Wendell G. Waite. Also, City Manager Clay Lynch, City Attorney Carl E. Lovell, Jr., Chief Deputy City Attorney Paul Schofield and City Clerk Shirley A. Hansell.

**EXCUSED** 

None

PUBLIC HEARING PROPOSED GARBAGE RATE INCREASE TABLED Mayor Cleland declared the public hearing open.

Mr. John Sprake, 2613 E. Flower, stated that both Henderson and Boulder City had lower garbage rates than North Las Vegas with two pickups per week.

Mrs. Yvonne McClain, 1408 E. Owens, stated that she represented the Consumers League of Nevada which opposed any rate increase for garbage collection. She stated the Consumers League was confused by some of the existing information on the rates of return and requested clarification. She asked if a study were being made and by whom, what type of information was being gathered, and stated the possibility of competitive bidding should be fully explored.

Commissioner Aaron Williams, 2721 Shields, said that for reasons previously stated he opposed this proposed rate increase. In answer to Councilman Waite's question as to the action taken by the County in this matter, Commissioner Williams stated a resolution had been adopted and a public hearing was to be held concerning a change in the contract.

Mayor Cleland declared the public hearing closed.

Councilman Seastrand asked the name of the disposal company in Henderson and Boulder City.

Mr. Tom Foley, Attorney for the disposal company, said in Henderson and Boulder City the disposal company has no obligation to maintain the dump and the rates, therefore, are different. He stated Mr. Lester LaFortune, Mr. John Isola and Mr. Al Isola are the only stockholders in Henderson Disposal which has lost an average of \$6,000 a year. Henderson Disposal has indicated to the City of Henderson that they do not care to continue the operation there unless the

MICRO FILLWIEW

CC - 2/5/73

A-46

dumpsite is brought into compliance with the county ecology requirements.

Councilman Waite advised his previous intention was to indicate that North Las Vegas had the lowest garbage rate in the State with the exception of Clark County which would include Henderson and Boulder City. The City of Fallon charges \$3.50 for twice weekly pickups limited to one cubic yard, and they do not have a heavy trash pickup. Carson City is \$2.75, one pickup and one cubic yard. Reno and Sparks is \$2.75, one pickup and one cubic yard. Las Vegas is slightly higher than North Las Vegas. Councilman Waite said he had presented the facts as he had ascertained them after reviewing the audit reports and attending three meetings with Las Vegas and Clark County.

Councilman Waite MOVED the proposed garbage rate increase be TABLED until February 20, 1973. Councilman Gray SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

AWARD OF BID ELECTRONIC COM-MUNICATIONS CON-TROL CENTER APPROVED Contract No. 695 Councilman Waite MOVED the bid for the Electronic Communications Control Center be AWARDED to General Electric Company in the amount of \$14,631. Councilman Gray SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

AWARD OF BID BRAKE DRUM AND DISC LATHE APPROVED Contract No. 694 Councilman Gray MOVED the bid for the Brake Drum and Disc Lathe be AWARDED to Advance Equipment Company in the amount of \$3,018.93. Councilman Waite SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

MINUTES OF JANUARY 22, 1973 APPROVED Councilman Waite MOVED the Minutes of the Adjourned Regular Meeting of January 22, 1973, be APPROVED as written. Councilman Seastrand SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

FINAL ACTION
ORDINANCE NO. 486
CREATING S.I.A.D.
NO. 20
PASSED AND ADOPTED

Councilman Goynes MOVED that Ordinance No. 486 which was read by title and the text of which is as follows:

-2-MICRO FILMED

CC - 2/5/73

City Clerk Hansell announced that she had distributed copies of Resolution No. 653 to each Councilman, the Mayor and the City Manager, and that she posted one copy of said resolution on the bulletin board located in the City Hall prior to the commencement of the Council meeting, and that several copies are on file in the office of the City Clerk for public examination, and further, that additional copies are available for examination by the public at this time in the Council Chambers.

Councilman Waite MOVED that Resolution No. 653 entitled A RESOLUTION APPROVING AND PROVIDING FOR THE EXECUTION OF A CONTRACT FOR GRANT TO ACQUIRE AND/OR DEVELOP LAND FOR OPEN-SPACE PURPOSES NO. OSD-NV-09-39-1000 (G) BY AND BETWEEN THE CITY OF NORTH LAS VEGAS AND THE UNITED STATES OF AMERICA be PASSED and ADOPTED and the Mayor be instructed to sign. Councilman Gray SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

GARBAGE RATE
INCREASE
PREPARATION OF
ORDINANCE
APPROVED
Contract No. A-46

Councilman Cleland MOVED the preparation of an ordinance by the City Attorney increasing the rate for garbage collection by 5% be APPROVED. Councilman Waite SECONDED the Motion.

On the question:

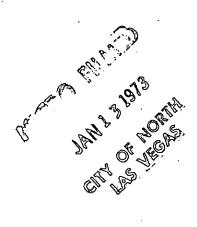

Councilman Waite expressed dissatisfaction with the fact that it had been necessary to request a second report from Laventhol Krekstein Horwath & Horwath, and stated he had attended several meetings to discuss the requested rate increase.

Mr. Joe Neal, 304 Lance Street, opposed the rate increase, stating he felt it had not been given sufficient study.

Councilman Gray informed Mr. Neal that he had attended three meetings with the City of Las Vegas and County Commissioners, that two reports had been rejected and this was the third in which \$100,000 in salaries had been removed, and that the matter had been given a great deal of study over a period of several months.

Councilman Waite pointed out that the City of North Las Vegas presently has the lowest garbage rate in the State of Nevada, and that the City of Fallon is the only other city which receives two services a week, however, this covers only one cubic yard pickup each service at a rate of \$3.75 as compared to our current rate of \$2.59 for an unlimited amount which also includes the heavy trash pickup. He noted further that the disposal company had granted a 5.5% increase to their employees.

Councilman Gray advised that if the City were to assume responsibility for garbage collection, it would require a large investment in equipment, staff and facilities, and the same service could not be accomplished for the amount charged by Silver State. The disposal company is entitled to a fair rate of return, and the proposed five percent would increase the individual rate for garbage collection by 13¢ a month.

#### CITY OF NORTH LAS VEGAS ADJOURNED REGULAR CITY COUNCIL MEETING

DATE

August 30, 1971, at 7:10 P. M.

PLACE

Council Chambers, 2200 Civic Center Drive,

North Las Vegas, Nevada

CALL TO ORDER

Mayor Eugene V. Echols

PLEDGE OF ALLEGIANCE

Councilman Wendell G. Waite

INVOCATION

Reverend Prentiss S. Walker, Greater Faith

Baptist Church

PRESENT

Mayor Eugene V. Echols, Councilmen C. R. Cleland, Wendell G. Waite, D. Dan Gray and Aaron Williams. Also, City Manager Clay Lynch, Chief Deputy City Attorney Dennis Sabbath and City Clerk Shirley A.

Hansell.

**EXCUSED** 

City Attorney Carl E. Lovell, Jr.

MINUTES OF AUGUST 23, 1971 APPROVED

Councilman Waite MOVED the minutes of the Adjourned Regular Meeting of August 23, 1971, be APPROVED as written. Councilman Cleland SECONDED the Motion.

MOTION CARRIED UNANIMOUSLY.

DISCUSSION HEAVY PICKUP SERVICE PROVIDED BY GARBAGE FRANCHISE

Reverend Prentiss S. Walker, 2736 Chamberlain, complained of the infrequency of pickup of heavy items and poor service which is resulting in people dumping trash in the desert.

Mr. Jarvis Holloway, 417 Rossmoyne, suggested rescheduling the pickup of heavy items to every two weeks rather than every month.

Mrs. Marble, 2811 Flower, said the placement of large items, such as tree branches, at the curb for pickup often interferes with pedestrian and vehicular movement, and suggested the disposal company come on to the property at the owner's request for such pickups.

Mrs. Porger, 2507 McCarran, said she had six apartments which she rented and for which she paid an additional amount for heavy pickup service which was not utilized by her tenants.

Councilman Williams said the citizens are paying for a service from which no benefit is being is being derived and that, because of the poor service, the contract with Disposal Transportation should be terminated.

Councilman Cleland said the staff should conduct a survey and furnish a report to the Council.

MICRO FILMED

CC - 8/36 FB1 25 1972

Councilman Gray agreed and noted that telephone communication with Disposal Transportation Company is difficult. He then quoted a portion of the September 2, 1969, Council Minutes wherein Mr. LaFortune had indicated special pickups of heavy items would be made upon request, and said that he should live up to this statement.

Mayor Echols said the Council is now cognizant of some of the problems, and directed the Staff to make a check and submit a report and recommendations to the Council, and action be taken to get the service up-graded.

City Manager Lynch said his office would welcome receipt of specific names, addresses and dates in order to investigate the complaints.

Mr. Walter Turner, 2729 Shield Place, said he lived near the desert where the dumping of trash occurred and his property was protected only by a fence.

NEIGHBORHOOD RECREATION BUILDING APPROVED Councilman Cleland MOVED the authorization for the design of a 10,000 square foot facility at Bruce and Stanley for recreation purposes, with the construction costs to be held within the original projected budget of \$100,000 be APPROVED. Councilman Waite SECONDED the Motion.

On the question:

Councilman Williams said a play area at Jo Mackey School should have priority over the recreation facility since this was to have been done following the improvement of the play area at Fay Herron School.

City Manager Lynch advised the Fay Herron development, as well as the planned Jo Mackey development, were under a program of joint use agreements with the School District. The priority referred to by the Recreation Advisory Board goes back to October, 1962, and has been confirmed by Council action repeatedly.

Councilman Williams said we have been trying to get some recreation in that particular area for two years. There are several acres of vacant land at Jo Mackey School. Some citizens came here and requested that we fix that terrain up and develop it into a playground. The report came back that it cost too much money. That was the first report. The next thing we know they were doing that same thing for Fay Herron School that cost much more than it would cost at Jo Mackey. I brought this to your attention and was informed this was a policy program and that the next project in this area would be Jo Mackey School.

-2- CC - 8/30/71 MICRO FILMED

FEB 25 1972

FINAL ACTION
ORDINANCE—NO., 394
AMENDS GARBAGE
COLLECTIVE SERVICE

City Clerk Hansell stated the appropriate advertising of a Notice of Final Action on Ordinance No. 394 was published in the North Las Vegas Valley Times.

Councilman Cleland MOVED that Ordinance No. 394. entitled: "AN ORDINANCE TO AMEND ORDINANCE NO. 7, ENTITLED: 'AN ORDINANCE DEFINING GARBAGE, RUBBISH, DIRT AND DEAD ANIMALS; REGULATING THE COLLECTION AND DISPOSAL OF GARBAGE, RUBBISH, DIRT, AND DEAD ANIMALS IN THE CITY OF NORTH LAS VEGAS; THE FEES TO BE PAID THEREFOR AND MATTERS RELATING THERETO; AND PROVIDING PENALTIES FOR THE VIOLATION OF THE PROVISIONS THEREOF; AND REPEALING ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT THEREWITH.' AND TITLE 4, PUBLIC UTILITIES, CHAPTER 404 OF THE NORTH LAS VEGAS MUNICIPAL CODE; TO PROVIDE FOR ADDITIONAL REFUSE REMOVAL; TO PROVIDE A DEFINITION THEREOF; TO PROVIDE FOR THE ESTABLISHMENT OF RATE SCHEDULES FOR ADDITIONAL REFUSE SERVICE; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH; AND OTHER MATTERS PROPERLY RELATING HERETO"

be PASSED and ADOPTED and the Mayor be instructed to sign. Councilman Petitti SECONDED the Motion.

On the Question:

Councilman Petitti asked if the recommendations from the Finance Director are incorporated in this ordinance. Would we adopt these rates after passing the ordinance?

Finance Director Weiss informed the Council that, by law, this body has to approve the schedule of rates.

Councilman Waite opposed this issue on the basis of being in favor of the 41¢ increase on bulky items, but not the additional 34¢ regular increase, as it is not necessary. We should be considering better service rather than increasing the amount of money.

Councilman Petitti was in favor of this additional 34¢ increase on the basis that this could have been charged to us under the existing contract, without putting this into the ordinance for approval. The additional increase would stem from the employees receiving a higher wage scale.

Councilman Cleland stated I am defending the increase because it seems to be the result of contract bargaining. This would be mandatory under our existing contract.

Councilman Williams questioned if this money was to be collected for three years just to negotiate.

Mayor Echols was in favor of this because garbage and refuse is a serious problem, as evidence in this City indicates.

Councilman Waite and Councilman Williams OPPOSED. MOTION CARRIED BY MAJORITY.

ENLATION OF RECESSION

cc - 10-6-69

Bille

ouncilman Petitti MOVED that the schedule of revised rates for the collection of garbage and refuse by the City of North Las Vegas be ADOPTED effective November 1, 1969. Councilman Cleland SECONDED the Motion. Councilman Waite and Councilman Williams OPPOSED. MOTION CARRIED BY MAJORITY.

RESOLUTION NO. 480 INTENT - ANNEXA-TION NO. 39

Planning Analyst Porter explained the map to the Councilmen and Mayor on Annexation No. 39. She stated this area covers 2½ square miles, encompassing Sections 7, 18 and 19. It is bordered by Gowen Avenue on the North, Owens Avenue on the South, Pecos on the West and Lamb on the East. We have a petition in excess of 10 percent of property owners for annexation on file for this annexation.

City Clerk Hansell announced that she had distributed copies of Resolution No. 480 to each Councilman, the Mayor and the City Manager, and that she posted one copy of said resolution on the bulletin board located in the City Hall prior to the commencement of the Council meeting, and that several copies are on file in the office of the City Clerk for public examination, and further, that additional copies are available for examination by the public at this time in the Council Chambers.

Councilman Waite MOVED that Resolution No. 480 entitled: "A RESOLUTION OF INTENT OF THE CITY OF NORTH LAS VEGAS TO CONSIDER ANNEXATION; SETTING A TIME FOR PUBLICATION OF NOTICE OF PUBLIC HEARING AND OTHER MATTERS RELATED THERETO"

be PASSED and ADOPTED and the Mayor be instructed to sign. Councilman Cleland SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

Councilman Petitti announced the date of the public hearing on this annexation is November 10, 1969, at 7:00 P. M. here in the Council Chambers.

RESOLUTION NO. 481 INTENT - ANNEXA-TION NO. 40

Planning Analyst Porter explained this annexation encompasses 31/2 square miles, bounded by Caréy Avenue on the North, Owens Avenue on the South, Nellis on the East and Pecos on the West; and that in excess of 10% of the property owners have petitioned for annexation.

City Clerk Hansell announced that she had distributed copies of Resolution No. 481 to each Councilman, the Mayor and the City Manager, and that she posted one copy of said resolution on the bulletin board located in the City Hall prior to the commencement of the Council meeting, and that several copies are on file in the office of the City Clerk for public examination, and further, that additional copies are available for examination by the public at this time in the Council Chambers.

Councilman Cleland MOVED that Resolution No. 481 entitled: "A RESOLUTION OF INTENT OF THE CITY OF NORTH LAS VEGAS TO CONSIDER ANNEXATION; SETTING A TIME FOR PUBLICATION OF NOTICE OF PUBLIC HEARING AND OTHER MATTERS RELATED THERETO" be PASSED and ADOPTED and the Mayor be instructed to sign. Councilman Petitti SECONDED the Motion. MOTION CARRIED UNANIMOUSLY.

Councilman Petitti INTRODUCED Ordinance No. 394 entitled: AN ORDINANCE TO AMEND ORDINANCE NO. 7, ENTITLED: "AN ORDINANCE DEFINING GARBAGE, RUB-BISH, DIRT AND DEAD ANIMALS: REGULATING THE COLLECTION AND DISPOSAL OF GARBAGE, RUBBISH, DIRT AND DEAD ANIMALS IN THE CITY OF NORTH LAS VEGAS: THE FEES TO BE PAID THEREFOR AND MATTERS RELATING THERETO; AND PROVIDING PENALTIES FOR THE VIOLATION OF THE PROVISIONS THEREOF; AND REPEALING ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT THEREWITH." AND TITLE 4, PUBLIC ITIES, CHAPTER 404 OF THE NORTH LAS VEGAS AND TITLE 4, PUBLIC UTIL-MUNICIPAL CODE TO PROVIDE FOR ADDITIONAL REFUSE REMOVAL; TO PROVIDE A DEFINITION THEREOF; TO PROVIDE FOR THE ESTABLISHMENT OF RATE SCHEDULES FOR ADDITIONAL REFUSE SERVICE; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH; AND OTHER MATTERS PROPERLY RELATING HERETO.

Mayor Echols instructed the City Clerk to advertise Ordinance No. 394 for final action on October 6, 1969.

Councilman Petitti MOVED that the retaining of Mr. Owen Nitz of Cornwall and Nitz to work with Cromer and Barker on legal proceedings in the case of the City of North Las Vegas vs. Somers be RATIFIED. Councilman Waite SECONDED the Motion. MOTION CARRIED.

City Manager Lynch explained that in each case listed the elements are all the same and we are asking for an order of the City Council to require rehabilitation work to be done and a lien filed against these properties so that a time payment plan can be worked out.

Councilman Waite MOVED that Ordinance No. 325 be enforced on the following properties:

- Shirley Bailey 2717 Daley Street
- Ignacio & Patricia Palomares 2600 Spear 2. Street
- З.
- Allen D. & Mary Irby 2741 Carroll Street Gonzales G. Lopez 2549 Magnet Street
- Jimmy & Marlene Larnin 2704 Berg Street.

with the requirement that all rehabilitation work be completed and a lien be filed in order that a time payment be established.

Councilman Cleland SECONDED the Motion.

On the Question:

Dorothea Ames - 2541 Webster Street questioned if these people are represented here tonight, if they had been properly notified and if they had appeared before the Housing and Appeals Board? Many other homes in this district should be carefully investigated and the results brought in. These homes should not be in condition for condemnation.

City Manager Lynch stated all property owners had been advised by the Housing and Appeals Board and the action of the Council this evening was only a formality. These homes are

#### CITY OF NORTH LAS VEGAS REGULAR CITY COUNCIL MEETING

DATE

September 2, 1969 at 7:08 p.m.

PLACE

Council Chambers, 2200 Civic Center Drive, North Las Vegas, Nevada.

CALL TO ORDER

Mayor Eugene V. Echols.

PLEDGE OF ALLEGIANCE

Councilman C. R. Cleland.

INVOCATION

Reverend Mike Friedman of the North Las Vegas

Baptist Church.

PRESENT

Mayor Eugene V. Echols, Councilmen C. R. Cleland, Jack R. Petitti, and Aaron Williams. Also, City Manager Clay Lynch and City Clerk Shirley Hansell.

**EXCUSED** 

'Councilman Wendell G. Waite, Chief Deputy City Attorney Jeffrey Shaner.

PUBLIC HEARING
RESOLUTION NO. 468,
APPROVING EMERGENCY
TEMPORARY LOAN TO
THE CITY OF NORTH
LAS VEGAS

PUBLIC HEARING Mayor Echols declared the public hearing open RESOLUTION NO. 468, on Resolution No. 468 and asked if anyone in APPROVING EMERGENCY the audience wished to speak.

Mr. Lynch stated this ordinance had been properly advertised by the City Clerk and recommended the public hearing be opened, closed, and ordinance tabled until such time as approval could be made by unanimous vote by the Council.

Mr. Dave Branch, 1845 Ingraham St. stated I have been doing some research pertaining to this water problem that we have and I would like the Council to consider putting off this public hearing for one week. Since Councilman Waite is ill in the hospital, and I would like to hear his comments, pro and con, on the \$540,000 loan and since he could not judge for or against without hearing the public, I would ask that you go into this the following Monday, where we could devote more time to this particular problem that we have.

City Manager Lynch stated there could be a motion to continue the public hearing until next Monday night, which would not change the effective date of this resolution.

Mrs. Gormley, 2548 Spear St. stated I wonder if Mr. Branch realizes that some people do not have water and that this is serious?

Mayor Echols stated this item would be handled with all expediency, but nothing could be done right at this time because of Mr. Waite's absence, and Mr. Branch's suggestion would not delay continuance of this item at all.

Councilman Cleland suggested that the people present this evening be heard and the public hearing could be continued later.

See pg 2

MICRO PHIMED
FEBRE
CITY OF NOTHING
LAS VEGAS

W.W.

Florence Poyser, 2537 St. George Street, stated when this proposal was first released to expand our water system to Desert Aire, Mr. Branch was very much against it and asked us to hold off. As I remember, several months ago, you held off and we aren't able to get permission from the bonding company and couldn't get permission to get the loan. Now you are doing the best you can in the best way you can. It has to be done as soon as possible. It can't help people this year by this putting off and putting off. Next year it will be the same ridiculous situation. You men run this city and you know how much it will cost and how it is to be done. We don't complain because water is something that we need and living in Desert Aire Estates, we appreciate it. I would ask that this Council act as soon as it can to get this Desert Aire developed and their water system functioning so that we can provide people with water. There are a lot of people not in my position. Where I live the water pressure is fine. I can appreciate how they must feel.

Councilman Petitti MOVED that the public hearing on Resolution No. 468, entitled A RESOLUTION TO APPROVE A TEMPORARY EMERGENCY LOAN TO THE CITY OF NORTH LAS VEGAS TO FINANCE VITALLY NEEDED EXPANSION OF ITS WATER DISTRIBUTION SYSTEM, be continued until next Monday night, September 8, 1969. Councilman Williams SECONDED the Motion. MOTION CARRIED.

AWARD OF BIDS ROLLER FOR STREET DEPARTMENT C - 288

Councilman Petitti MOVED that the bid for one ONE TANDEM VIBRATOR tandem vibrator roller for the Street Department be awarded to the Sierra Machinery Company in the amount of \$3,515.00. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

ONE TRUCK FOR POUNDMASTER C - 287

Councilman Cleland MOVED that the bid for one truck for the Poundmaster be AWARDED to Fletcher Jones Chevrolet in the amount of \$4,914.08. Councilman Williams SECONDED the Motion. MOTION CARRIED.

SPRIPING MACHINE FOR STREET DEPT.

Councilman Cleland MOVED that the bid for one striping machine for the Street Department be returned and readvertised for bid, since only one bid was received and this was higher in price than the original estimate. Councilman Petitti SECONDED the Motion. MOTION CARRIED.

DISPOSAL TRANSPOR-TATION INC. -GARBAGE RATES AND SERVICE PRESENTA-TION

Mayor Echols requested the representatives from the Disposal Transportation, Inc. to come forward if present, to answer any questions.

Councilman Williams questioned as far as the labor contract is concerned, when does it expire.

Mr. LaFortune, representative of Disposal Transportation stated in three years - May of 1972.

Councilman Williams stated in May of 1972. At that particular time, when this bonding is reopened and if the employees are granted a raise, or an increase, would that affect our contract with you?

Mr. LaFortune stated under the franchise agreement we have with the City, either the City or the company can open an agreement if the wage would get way out of line or too high - we don't anticipate that at the present time. We have had only one raise in eight or nine years. We never know what the labor unions are going to ask for - if it is higher than we can afford, we would present it to the City Council for their determination.

Councilman Cleland stated I am particularly interested in this extra 41¢ that is to help us in an age-old problem of keeping our City clean. We have had considerable problems about people dumping out in the desert. This service for 41¢, this will be on a will-call basis to the residents or a set date per month?

Mr. LaFortune stated it will be on a set date per month. Every month, we will pick up all of the articles that we don't consider garbage but large davenports, washing machines, water heaters, and things that we cannot put into our trucks. We have already ordered trucks that will handle that type of rubbish.

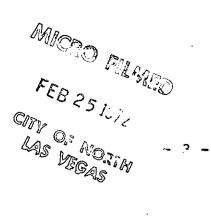

Councilman Cleland stated I was wondering, well, take myself for example, if I had an old couch that I wanted to get rid of on the first of the month, and my pick up date is on the 28th, I don't particularly want that thing to set around until the regular pick-up day. I am wondering as time goes by if it would be advisable to consider a will-call instead of a regular pick-up.

Mr. LaFortune stated what we would like to do is have a regular service in which we will pick up on stipulated days for each individual person. Now, if something extraordinary comes up, a water heater could burst at any time, and naturally you wouldn't want it out in front of the house for 30 days. We will call on a special pick-up and will pick it up at no additional charge.

Councilman Cleland stated it is my understanding that the 41¢ is per single family residence?

Mr. LaFortune said yes.

Councilman Cleland stated the 18% raise on commercial does it include this extra pick-up service? Apartment houses, etc.

Mr. LaFortune said no, this is for residences only. The commercial houses we have can hardly fit into that category because on commercials we remove enormous quantities of rubbish. Sometimes truckloads after truckloads and it would hardly be applicable. Sometimes, we have demolitions and things of that type and it just wouldn't fit in.

Councilman Cleland stated well, of course on demolitions that's an additional service anyway. It wouldn't have anything to do with the standard service.

Mr. LaFortune stated well, on trailer parks for example. On trailer parks their rubbish is normally in a compound so it is cheaper to pick that up than it is to pick it up at an individual house. So their rate would be 25¢ instead of the 41¢.

Mr. Amstett stated basically, gentlemen, our plan for this extra service as we term it is a step in area and City beautification. Our concept of it was primarily limited to single family dwellings, with the idea that yard clean-up and people would' have items of disuse as old couches, water boilers, worn-out appliances, any of those items and didn't have the transportation to get rid of them and they weren't normally being picked up by the garbage service as they weren't considered to be ordinary garbage or refuse. So, what had happened in that area during the years is that people would go out and dump them someplace in the desert. Now, our program that we want to install of course, with your permission is to be very flexible, in that we realize that a person who had service on that second Tuesday of each month and Thursday his oven blew up, he doesn't want to hold that out three weeks until his regular day comes around Our program will be flexible enough so again. that if a person would call on one day that within 24 hours or the following day, we would be able to service him and pick up the water boiler or stove and take it away and take it to the dump. Ordinarily, on house cleaning and yard work, perhaps, that you will have ordinary items and a person would anticipate, would schedule it and would have it out on approximately that date that the extra pick-up would come around. As far as emergencies are concerned, we would be more than happy to come out but it will take until the following day however.

Councilman Williams stated you keep referring to hot water tanks and that sort of thing. What about the housewife who a few weeks back had a living room suite delayed and she doesn't know when it is going to be delivered. If they should call the day before pick-up day and say that her living room suite is going to be delivered tomorrow so there she is stuck with an old living room suite and no place to put it for a couple or three weeks. What about other things other than hot water tanks?

Mr. Amstett stated on any of those items, they are considered to be non-garbage items, such as old couches and old chairs. We figure that our program will be flexible enough that within 24 hours we would be able to handle it after we received the call. It is not expected of the residents to hold a bulky item like that that is no longer useful for a period of three or three and a half or even for two weeks.

Councilman Cleland stated I think that as time goes on, we will find that we will have better service and it will be more satisfactory on a will-call basis rather than on regular days.

Mr. Amstett stated it may very well be so, but we felt that in this way, if it was on a regular basis, people would know when to expect it and by knowing when it was regularly scheduled they would have it out there and get rid of it instead of dumping it into the desert.

Mr. LaFortune said yes, there are a great many calls on that. A lot of people have collected trash and rubbish in their back yards for years and would be tickled to death to get rid of it. So, I presume that on the first few rounds we will really be loaded.

City Manager Lynch stated how would you describe the specifications on tree limbs? Obviously, tree limbs cannot be picked up with the normal garbage collection equipment but are they going to have to be bundled, are they going to have to be a specific length. Are they going to have to be a specific diameter. When we write this service up in the ordinance and the contract, how are we going to describe how to handle tree limbs?

Mr. LaFortune said well, we had anticipated buying a grinding machine to grind it up into sawdust form and remove it in the form of sawdust, rather than the length itself. Such as tree pruning departments of the City and other places.

City Manager Lynch stated I have had the specific question raised if I laid a telephone pole out in front of my sidewalk, are you going to go by and pick it up?

Mr. Amstett replied we don't pick it up in that particular form. We anticipate with this service, we will be able to handle trees or tree limbs in a greater length, say 6' or 8' and chew them up with this mechanism. I don't believe that we will be in a position to handle a 30-year old tree that is about that round and 50' high that fell over but I don't believe that we could take care of that. Not in its present form. If it is cut up in some lengths, yes.

City Manager Lynch stated we appreciate this. But somewhere along the line, we have to describe the boundary line between what you will pick up and what you can't pick up. I wonder if you were prepared on that tonight?

Mr. Amstett said yes sir, I believe we are. We anticipate in this that we will pick up any bulky material as we've covered, water heaters, stoves, furniture. We do not anticipate including in this service 30 or 40 yards of loose dirt that is sitting on the curb. If it is containerized in some form, yes. We will haul even that. We feel that if we put a crew out there we are likely to spend as much as 6 to 8 hours in front of one person's house a day. We are defeating our purpose. This isn't really the object of cleaning up the debris in the area. If you are going to clean up dirt, rocks and things of that nature in such quantity, we anticipate of taking great deal of bulk. But for instance, a dump truck load of dirt or gravel in the street, we hadn't anticipated that. We thought in answer to your question Mr. Lynch, that we could have anything that was containerized, put in a box, cardboard box, not excepting the bulky items such as stoves and refrigerators and furniture and things of that nature, but loose material. We would request that they be containerized.

Concilman Petitti stated I didn't particularly want to ask any questions at this time because I have discussed this with great length with Mr. Isola and he did assure me that any trees that were cut down and cut down into lengths of 4' and 6' that he would have some kind of pick-up service on this. I understand in talking with him that you would have some kind of a scoop that would come along and pick up these items and throw them into a big truck. Now, this is generally what we do in October or April. And I am sure that if we subscribe to this service that I am in favor of it. I think that we are going to let our Street Department do some of the needed street repairs in the City for those few months and probably part of the other and it won't entirely eliminate this service of pick-up. I am tickled to death with this type of an offer and as I understand it this is pretty much generally accepted throughout the County by the other entities and they have instructed their City Attorney to do this and I hope our Council will go the same way because I think this would be one of the biggest boons to cleaning up our city that we could have and I personally do not think you are going to make any money on it, at least for a couple of years. Very frankly, I think you are going to go into the hole. Taking care of this service is a tremendous amount of trash, just on vacant lots and I think you will probably get interested persons who will clean up their neighbor's lots to have you haul the trash away. I know that there are a lot of people who clean up their neighbor's lots anyhow, but this will be of a lot of benefit to the City.

FEB 25 15/2
CITY OF HORTH

Mayor Echols said are there any other guestions from the Council? I have one question that hasn't been covered. In this proposal, it is a minute amount of money, of course, but is it a proposal that the City would also participate here in this 41¢ per month per household in the franchised fee of 10%, right?

City Manager Lynch replied this is specified in the contract.

Mayor Echols said so, this would be included?

Mr. LaFortune said yes. You get 10% of all of the revenue of this special service.

City Manager Lynch stated 5% is franchised and 5% is for the process of collecting the bill.

Mayor Echols said one other question — What total records do you propose to maintain here? I feel certain that we are going to run into situations just as you indicated, you are going to find some residents who are going to be taking advantage of this type of service, probably to the extent that you have indicated, either a full day's work or with a man sitting in a truck or possibly two days to half an hour. If you don't get it, they will start complaining about it. What sort of records do you propose to maintain on this additional service which is needed to substantiate the expenditure and to see that it is fairly maintained on an equitable basis for this service?

Mr. LaFortune replied mostly on an average. Single households. For instance, I am a single man and I don't cook very much and I have just a little bit in the bottom of my trash can and my next-door neighbors have five or six kids and they have eight garbage cans full of trash and I would only have half a can, but it would all average out and pay the same. Where a bachelor would have a very little and a large family would have a lot, but we don't penalize for having children. We believe that it will average out throughout the community and the average would work out to 41¢. We know it will be a lot for one man and perhaps to a lot of people there will be none.

City Manager Lynch said a point of clarification on the Mayor's question - Would it be your intent to do a separate cost accounting for this separate service so that we could review it at the end of the year to determine what it is costing and whether it reflects back into this rate as being correct?

Mr. Amstett said yes, indeed, in answer to both of your questions. Because it is a new program, and because we are leading with our chin, all we can do is estimate what we think the volume may be. We realize, of course, that the volume will be extensive at the outset, but we hope that in over a year or a year and a half that it will average to what we estimate. We will maintain cost records as to what it costs us to pick it up. We will rely on the City of North Las Vegas, as in the past, we will have to rely on how many accounts are being billed or how many single

NAW

family residences are being billed at the additional 41¢ to determine the profitability at that particular rate over any given period of time, but we will maintain detailed cost

City Manager Lynch said there is one guestion that has been raised by the Council before, and that is whether you would be willing to have a review of the desirability and the rate structure of this service at the end of twelve months.

LaFortune said well, I think that calls for a review at your request, even every six months, if you so desire.

City Manager Lynch stated this is something a little different and is not contemplated in our present franchise. From your remarks, it would appear that you would want to have an end of a one-year review to determine whether, in fact, you can afford to continue granting this service. Council has formerly indicated that they would like to take a look at it at the end of a year. This item on this particular kind of service alone.

LaFortune said that will be perfectly agreeable.

Mayor Echols asked do you propose to have regular routes that you will cover? If I would call you and ask when your specials pick-up day is, you should be able to tell me, right?

Mr. LaFortune replied it will be published in the newspapers, the routes, and the people will be informed.

Mr. Amstett stated we will have extensive coverage in the newspapers by area maps and indicating which day of each month, not by the particular day, but by the second Tuesday of each month, or whatever day it might be, to cover this area.

Councilman Cleland MOVED that the City Attorney be instructed to draft the proper contracts and documents along the lines that we have discussed tonight. Councilman Williams SECONDED the Motion. MOTION CARRIED.

City Manager Lynch stated these documents will be prepared for your introduction later on this month and will be formally considered on the October 6th meeting and, if passed on October 6th, then the final form presented by the Attorney will effective about the first of November.

FINAL ACTION ORDINANCE NO. 388 SIGN ORDINANCE

Councilman Petitti MOVED that Ordinance No. 388 entitled: AN ORDINANCE TO REGULATE THE CONSTRUC-TION, INSTALLATION, REPAIR, LOCATION AND APPEAR-ANCE OF SIGNS, BILLBOARDS AND MARQUEES, DISPLAYED, SUSPENDED, ERECTED AND PLACED WITHIN THE CITY OF NORTH LAS VEGAS; PROVIDING FOR THE ISSUANCE OF PERMITS AND THE GRANTING OF APPLICATIONS; PRO-VIDING FOR PENALTIES FOR THE VIOLATION THEREOF; PROVIDING FOR ALL OTHER MATTERS PROPERLY RELATING THERETO; AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCE IN CONFLICT HEREWITH be TABLED until such time as a report is received from the Electrical Examining Board giving their approval and or changes. Councilman Cleland SECONDED the Motion MOTION CARRIED.

FEB 25 1/12

-8-

P.Vy

FINAL ACTION ORDINANCE NO. 389 LITTER ORDINANCE City Manager Lynch stated that this ordinance has been properly introduced and advertised and to call for any public reaction, after which a motion to approve would be enacted.

Councilman Petitti stated for the benefit of the audience, that a minimum fee of \$100.00 for littering was the only new change in this ordinance.

Councilman Petitti MOVED that Ordinance No. 389 entitled: AN ORDINANCE TO AMEND SECTION 19 OF ORDINANCE NO. 268 ENTITLED "AN ORDINANCE PROHIBITING THE THROWING OR DEPOSITING OF LITTER IN PUBLIC PLACES IN THE CITY OF NORTH LAS VEGAS, REGULATING THE DISTRIBUTION OF COMMERCIAL AND NON-COMMERCIAL HANDBILLS; CONTROLLING THE DEPOSITING OF LITTER ON PRIVATE PREMISES; PROVIDING A LIEN FOR CITY CLEARANCE; AND PRESCRIBING PENALTIES FOR THE VIOLATION OF ITS PROVISIONS AND OTHER MATTERS PROPERLY RE-LATING THERETO; REPEALING ORDINANCES IN CONFLICT THEREWITH." AND AMENDING SECTION 7.68.370 OF THE NORTH LAS VEGAS MUNICIPAL CODE; PROVIDING A MINIMUM PENALTY FOR THE VIOLATION THEREOF; OTHER MATTERS PROPERLY RELATING THERETO; AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT THEREWITH be PASSED AND ADOPTED and the Mayor be instructed to sign. Councilman Williams SECONDED the Motion.

On the Question: <u>Dorothea Ames</u>, 2541 Webster Street, asked does this apply to the business people as well?

Councilman Petitti stated that it would apply to anyone who is cited under this ordinance and that there had been many tickets issued under the old provision, but with minimal fines of \$3.00 to \$5.00, while with the new provision, there would be a minimum of \$100.00 fines.

Dorothea Ames stated how this would be enforced when children dropped their wrappers, etc., on the front lawns, since they do not carry their litter to their own homes. Perhaps there could be some way of providing litter cans around the schools or where the children stop for a treat. Perhaps the businessmen could be approached to supply litter cans in areas where this creates a problem. Giving me a fine of \$100.00 because of some youngster dropping litter on my front lawn would make me very unhappy.

Councilman Petitti informed Mrs. Ames that some business districts do have litter cans.

Dorothea Ames stated this may be on the property, but like at the drive-ins, you can't expect them to be responsible when youngsters come in to buy something and start walking home with it. If they had litter cans about as long as it takes them to drink a coke, and if you approached our businessmen, I think they would be very much in accord with it. The State provides, they have fines, so they provide a place for you to put it.

FEB 2

CC - 9-2-69

Councilman Cleland stated I think it would be a lot more reasonable if the parents would teach their children to use the cans that are available. Every market and every 7-11 store that I know of do have their litter cans out front and they sweep their front sidewalk at least three times a day all around the litter cans where the kids throw it on the ground.

Dorothea Ames stated they start walking home with these things, they don't wait in the market. They get it and start home.

Councilman Petitti stated that this is something that we could get into, particularly around public buildings in this City. There are a lot of attractive trash containers that could be more readily available. Perhaps we could get some of the businessmen to participate to put trash cans in front of their places.

Florence Poyser, 2537 St. George Street, asked how do you propose to enforce this? You cannot have a patrolman watching this all day. This not only applies to children, but to adults as well who are driving along and throw their cans out of their automobiles. In back of my place there is a collection of beer cans and broken bottles. How do you propose to enforce that?

Mayor Echols stated perhaps publicizing a few instances of the \$100.00 fine from throwing objects from cars, this would start people thinking. Some intelligent application on the part of the city staff will be the answer. Not by fining a child for throwing gum wrappers on a front lawn or fining the party having these wrappers on their front lawn, but an excellent place to start would be right along Smoke Ranch Road. I don't think you would have to fine more than four or five people to get this message across.

Councilman Williams stated the license plate numbers could be obtained and called into the City Hall.

Mayor Echols stated a complaint could be filed, the person prosecuted and have a trial, this could also be effective. I have one question regarding this section and including this one sentence, "a minimum penalty as described by this section shall not be suspended", and since our City Attorney is not present and I don't know the answer, this particular sentence might be null and void.

City Manager Lynch stated this sentence was placed in the ordinance by him because of his concern that the effectiveness of this ordinance change would not result in fines, but in suspended fines and this language is to prohibit this possibility.

Mayor Echols stated the question in my mind is that we are not just drafting an ordinance, but also issuing the judgment, so the necessity for a municipal court.

City Manager Lynch stated that this is the governing body and the legislative body of this city and passes the laws. This law is valid and if the judge finds someone guilty, he cannot impose a fine of less than \$100.00.

Councilman Petitti stated that the judgment is made

CITY CONTROLL

LAS VEGAS

-10- CC - 9-2-69

by the judge - we only prescribe the minimum penalty that they should be fined.

Mayor Echols stated when you figure that there is no minimum prescribed penalty for murder, I find it pretty hard to accept minimum prescribed penalty for litter. As far as I know, there is no minimum prescribed penalty, is there?

City Manager Lynch stated there is in the broad general field of law all the way from municipal court such as we're describing here up to the appellate courts of a variety of crimes for which there is a minimum fine. Most notable is legislation passed by the last session of legislature on minimum of punishment for narcotics violations. There are minimum punishments prescribed for many of the major crimes, such as kidnapping and other crimes of violence. The general principle that a legislative body has the right to determine the minimum of punishment upon finding them guilty prevails all the way through the court.

MOTION CARRIED.

FINAL ACTION ORDINANCE NO. 390 ORDINANCE

City Manager Lynch stated that this ordinance had been properly introduced and advertised and now the public AMENDMENT TO LIQUOR was to be heard, after which time a motion to approve would be enacted. This is a specialty kind of license whereby alcoholic beverages may be sold in decorative glass and ceramic decanters as collectors items.

> Councilman Cleland MOVED that Ordinance No. 390 en-AN ORDINANCE TO AMEND ORDINANCE NO. 290 ENTITLED "AN ORDINANCE AMENDING ORDINANCE 174, EN-TITLED 'AN ORDINANCE REGULATING THE DISTRIBUTION AND CONTROL OF INTOXICATING AND ALCOHOLIC LIQUORS AND BEVERAGES; REGULATING PLACES WHERE AND UNDER WHAT CONDITIONS SAID INTOXICATING AND ALCOHOLIC LIQUORS AND BEVERAGES MAY BE BE KEPT, SOLD, GIVEN AWAY OR DISTRIBUTED; PROVIDING FOR PERMITS AND LICENSES; PROVIDING FOR PENALTIES FOR THE VIOLATION OF THIS ORDINANCE; AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT THEREWITH. '; AMENDING DEFINITIONS OF TERMS AND LIMITATIONS OF LICENSES BY POPULATION WITH EXCEPTIONS THERETO AND OTHER MATTERS PROPERLY RELATING THERETO, AND DECLARING AN EMERGENCY."; AND AMENDING TITLE III, SECTION 3.12, OF THE NORTH LAS VEGAS MUNICIPAL CODE; BY AMENDING THE DEFINITION OF TERMS AND PROVIDING FOR A LIMITATION OF THE NUMBER OF LICENSES ISSUED; OTHER MATTERS PROPERLY RELATING THERETO; AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT HEREWITH. be PASSED AND ADOPTED and the Mayor be instructed to sign. Councilman Williams SECONDED the Motion. MOTION CARRIED.

FINAL ACTION ORDINANCE NO. AMENDMENT TO CIVIL SERVICE ORDINANCE

Mayor Echols declared the public hearing open and stated this ordinance was for the purpose of exempting the Mayor's secretary from the rules and regulations of the Civil Service Ordinance requirements. Having no comments from the audience, he declared the public hearing closed.

Councilman Cleland MOVED that Ordinance No. 391 entitled: AN ORDINANCE TO AMEND ORDINANCE NO. 302 ENTITLED "AN ORDINANCE REVISING ORDINANCE NO. 185 ESTABLISHING CIVIL SERVICE RULES AND REGULATIONS FOR THE EMPLOYEES OF THE CITY OF NORTH LAS VEGAS, DEFINING THE TERMS, PROVIDING FOR EXAMINATION, DISCIPLINARY ACTION, REPORTS AND RECORDS, CLASSIFICATION AND PAY

MICRO FILLS. City Of Cicari

CC - 9-2-69

PLANS, AND ALL MATTERS RELATING THERETO, AND REPEALING ALL ORDINANCES IN CONFLICT HEREWITH," AND AMENDING SECTION 2.56.020 OF THE NORTH LAS VEGAS MUNICIPAL CODE be TABLED, for reason that Councilman Waite introduced this ordinance and approval would be pending Councilman Waite's active return to Council duty. Councilman Petitti SECONDED the Motion. MOTION CARRIED.

City Manager Lynch stated, for the record, that no further administrative action will be taken on this item until the tabling motion is disposed of.

RESOLUTION NO. 470 GRANT CONTRACT FOR CODE ENFORCEMENT PROGRAM City Manager Lynch stated that the original budget for the Carey Avenue Code Enforcement Program was passed and adopted some four years ago. In our experience in this program, which is the first of its kind in the country, we found that our estimated amount of money needed for relocation purposes was budgeted too high and our estimated amount of money budgeted for grant payments for rehabilitation to structures was a little too low. In previous Council action, you have moved to approve the change in the budget of \$46,000.00 coming out of relocation and \$46,000.00 going into the rehabilitation grants. This is a resolution which implements that motion.

Councilman Pettiti introduced a resolution which was read by title and the text of which resolution is as follows:

MICRO FILASTO

#### RESOLUTION NO. 470

## RESOLUTION APPROVING AND PROVIDING FOR THE EXECUTION OF A PROPOSED GRANT CONTRACT FOR CODE ENFORCEMENT PROGRAM NO. NEV. E-1, FOURTH AMENDATORY

WHEREAS, under Section 117 of the Housing Act of 1949, as amended, the United States of America (herein called the "Government") has tendered to the City of North Las Vegas (herein called the "Grantee"), a proposed Grant Contract for Code Enforcement Program under which the Government agrees to make a Grant to the Grantee to aid in financing a project, designated Program No. Nev. E-1; and

WHEREAS, the Grantee has given due consideration to said proposed Contract; and

WHEREAS, the Grantee is duly authorized, under and pursuant to the Constitution and laws of the State of Nevada, to undertake and carry out said Program and to execute such proposed Contract.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS, AS FOLLOWS:

Section 1. The proposed Contract, designated Fourth Amendatory Grant Contract for Code Enforcement Program No. Nev. E-1 (G), consisting of Parts I and II, under and subject to the provisions, terms, and conditions of which the Government will make a Code Enforcement Grant under Section 117 of the Housing Act of 1949, as amended, to the Grantee to aid in financing the cost of a project, designated Program No. Nev. E-1 (G), situated in the City of North Las Vegas, County of Clark, State of Nevada, is hereby in all respects approved.

Section 2. The Mayor is hereby authorized and directed to execute said proposed Contract in two counterparts on behalf of the Grantee, and the City Clerk is hereby authorized and directed to impress and attest the official seal of the Grantee on each such counterpart and to forward such counterparts to the Department of Housing and Urban Development, together with such other documents relative to the approval and execution thereof as may be required by the Government.

Section 3. The City Manager of this Grantee is hereby authorized to file requisitions, together with necessary supporting documents, with the Government, from time to time as Grant funds are required, requesting payments to be made to it on account of the Grant provided for in the Contract, and to do and perform all other things and acts required to be done or performed in order to obtain such payments.

Section 4. The Grantee agrees to abide by all of the provisions, terms, and conditions of said Contract.

Section 5. This Resolution shall take effect this 2nd day of September 1969.

EUGENE V. ECHOLS, Mayor

ATTEST:

SHIRLEY A HANSELL, City Clerk

Commence of the Commence of th

-13-

CC - 9-2-69

0 ryle

City Clerk Hansell announced that she had distributed copies of Resolution No. 470 to each Councilman, the Mayor and the City Manager, and that she posted one copy of said resolution on the bulletin board of the Council meeting, and that several copies are on file in the office of the City Clerk for public examination, and further, that additional copies are available for examination by the public at this time in the Council Chambers.

Councilman Petitti MOVED that Resolution No. 470 entitled RESOLUTION APPROVING AND PROVIDING FOR THE EXECUTION OF A PROPOSED GRANT CONTRACT FOR CODE ENFORCEMENT PROGRAM NO. NEV. E-1, FOURTH AMENDATORY be PASSED AND ADOPTED and the Mayor be instructed to sign. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

COOPERATIVE AGREEMENT HUMAN

Councilman Petitti MOVED for approval of the cooperative agreement for the Human Relations Commission and RELATIONS COMMIS-instructed the Mayor to sign. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

LEGAL SERVICES ATTORNEY WILLIAM S. BARKER

City Manager Lynch stated this was previously approved by Motion of Council at which time Councilman Williams abstained because the motion before was worded that Mr. Barker be retained on the same terms and conditions as the previous legal counsel. This letter outlines the continuation of the same terms and conditions and we ask for a motion of approval as a matter of record.

Councilman Williams MOVED to approve to retain William S. Barker as legal counsel in the case of the City of North Las Vegas vs. Somers at the fee of \$50.00 per hour and assistance from the City's Legal Department as well as other departments wherever necessary to gather proper information. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

GRANT, BARGAIN, SALE DEED -STUN

Councilman Petitti MOVED to TABLE the Grant, Bargain, Sale Deed of LaVell Johnstun and Laura M. Johnstun for LAVELL JOHNSTUN one week for reason that one part is not clear, that is, & LAURA M. JOHN- granting of the selling of the lot, "Save and excepting that portion of said Lot 17, Block 14, as recorded in Document No. 752570 in Book 937, dated March 20, 1969", for which we do not have the answer now as to what this exception is. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

GIFT BILL OF SALE PHOEBE L. POTTER 1304 CAREY AVENUE

Councilman Cleland MOVED that the Gift Bill of Sale of Phoebe L. Potter, 1304 Carey Avenue, Lot 8, Block 7, Bellview Tract #2, be ACCEPTED and a letter of thanks be written. Councilman Petitti SECONDED the Motion. MOTION CARRIED.

WAIVER OF LICENSE FEE JAYCEES "MERCHANT DAYS"

Councilman Petitti MOVED to waive the license fee for the North Las Vegas Jaycees "Merchants Days". Council-NORTH LAS VEGAS man Williams SECONDED the Motion. MOTION CARRIED.

> Bill Hill, 3425 Tabor, stated we will make approximately \$500.00, the equal amount of what the license fees would cost us, if enforced.

ASSIGNMENT OF SCHEDULE - COM-LIASON OFFICER

CITY OF NOTTH

City Manager Lynch stated that in the past we have im-POSITION TO WAGE posed on Captain Munsell to perform duties that were not included in his job description. We are asking you to MUNITY PROJECTS expand the description of the work; the assignment of the wage scale is exactly the same as that for the Civil Defense Director.

D'MB

Councilman Cleland MOVED to APPROVE the assignment of the position of a Community Projects Liaison Officer to the wage schedule. Councilman Williams SECONDED the Motion. MOTION CARRIED.

WRITTEN REQUEST TO APPEAR BEFORE COUNCIL - W. J. LENHART Councilman Williams MOVED to WAIVE this item from the agenda. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

SUBDIVISION AGREE-MENT PARK NORTH SUB. NO. 3 Councilman Petitti MOVED to APPROVE the Subdivision Agreement of Park North Sub. No. 3 with Ralph Lewis Building Co., Inc. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

Councilman Petitti MOVED to APPROVE the Agreement in Lieu of Bond for Park North Subdivision No. 3, with Ralph Lewis Building Co., Inc., and First National Bank of Nevada in the amount of \$7,590.60. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

MOTION TO REAPPLY TO THE GENERAL OB-LIGATION BOND COM-MISSION - CHEYENNE WATER MAIN PROJECT Councilman Cleland MOVED to APPROVE reapplication to the General Obligation Bond Commission for the Cheyenne Water Main Project. Councilman Petitti SECONDED the Motion. MOTION CARRIED.

CHANGE ORDER NO. 3 CIVIC CENTER DRIVE STREET IMPROVEMENTS

Councilman Petitti MOVED to APPROVE the Change Order No. 3 on Civic Center Drive Street Improvements in the amount of \$2,554.20. Councilman Williams SECONDED the Motion.

On the Question: Councilman Petitti stated it should be noted that the final as-built contract calls for \$178,897.21. The original contract amount is for \$194,883.65. This is a savings of \$16,000.00.

Councilman Cleland questioned if this was \$16,000.00 under the contract, why is a change order to increase necessary?

City Manager Lynch stated the items here are to round out for the purposes of our report to the Regional Street and Highway Commission the exact quantities in unit prices of the final as-built amounts. We did not use the full quantities in all categories, but in some categories, we did use a little more and in some a little less.

#### MOTION CARRIED.

ZN-13-69 PLANNING COMMISSION R-1 to C-2 RESOLUTION NO. 471 Mr. Lynch stated this was to permit the construction of a 20,000 square foot discount market on Evans Avenue just West of Salt Lake Highway. This was approved by the Planning Commission and in the case of their approval, they accepted the idea of a bond being put up instead of a block wall. The original approval recommended by the Planning staff is listed in the memo and includes the absolute construction of a six foot block wall along the side and rear property lines.

Councilman Petitti stated we should have a six foot block wall now. It may be years and years to come before any of that property adjacent to them would be developed. I would like to see on this Resolution No. 471, Item 5, the sentence at the bottom of the page, "A bond being posted to guarantee

FEB 25 1/2

CITY CG TO 9-2-69

MS VECAS

the construction of said walls if the adjacent property is developed in a residential manner. Said wall to be constructed at the time of the development of the adjacent property" stricken and allow Item 5 to read, "Construction of a six (6) foot block wall along the side and rear property lines as indicated on the plot plan."

Mr. Dave Boyer, 214 Las Vegas Boulevard South stated part of this property is C-2 and has been since the whole City was rezoned. Part of the property, the pie-shaped piece, was R-1 and left sitting by itself. There were no plans for development of the balance of the property. It would be an economic hardship to put up this block wall. In our discussions with Planning, the City has said they will want a road through this joined to the North end of Mountain Shadows Estates. Do you know if a road will go in tomorrow or what will be built there? The Northwest boundary will be paralleled by the road. The property behind is C-2, the point for the wall is R-1 or individual dwellings. If we do come in with plans which will call for apartments, you have the bond and we will have to put it on.

City Manager Lynch questioned Mr. Boyer if he owned all of the land from this property development over to the house at this present time.

Mr. Boyer replied yes, I do.

Councilman Cleland requested that a letter be given to the City along with this Bond indicating this rightof-way.

City Manager Lynch stated a dividing line was needed between the commercial and residential areas.

Councilman Petitti MOVED to TABLE the application for a Zone Change from R-1 to C-2 by the Planning Commission, ZN-13-69, on property legally described as:

A portion of the SW4, Section 13, Township 20 South, Range 61 East, located on the east side of Evans Avenue, approximately 300 feet northwesterly from the Salt Lake Highway, until the meeting of September 8, 1969. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

ZN-14-69 PLANNING COMMIS-SION R-1 to R-4

Councilman Cleland MOVED to APPROVE the application for a Zone Change to reclassify from R-1 to R-4 (Apartment Residence) to construct apartment build-RESOLUTION NO. 472 ings, on property described as:

> Lots 1, 2, and 3; Block 8, Solar Subdivision located on the east side of Civic Center Drive, north of Mary Dee Avenue

> subject to the owner paying the assessments on Lot 1, in the amount of \$1,683.29; Lot 2, \$1,683.39; and Lot 3, \$2,826.84, and provisions of Resolution No. 472, i.e., "This Resolution of Intent be restricted to a one (1) year time limit; and submission of final plans to the Commission prior to construction. These plans to contain all necessary parking, landscaping, etc."

Councilman Petitti SECONDED the Motion.

On the Question:

FEB 25 Long CITY OF NORTH

CC - 9-2-69

City Manager Lynch stated these amounts of assessments are principal amounts and the interest would have to be calculated on the closing of the transaction.

John Schneider - Representative of Western Land and Mortgage Company stated he is the present owner of these three properties and they have never been owned by First Western Savings and Loan. These properties are now in escrow and the title will be signed and delivered next week to Western Land and Mortgage Company. I would prefer to pay over a period of time, but, if necessary, this could be paid out of a construction loan. I would be in a better position to pay over a period of time.

#### MOTION CARRIED.

City Clerk Hansell announced that she had distributed copies of Resolution No. 472 to each Councilman, the Mayor, and the City Manager, and that she posted one copy of said resolution on the bulletin board located in the City Hall prior to the commencement of the Council meeting, and that several copies are on file in the office of the City Clerk for public examination, and further, that additional copies are available for examination by the public at this time in the Council Chambers.

Councilman Cleland MOVED to APPROVE Resolution No. 472 entitled: RESOLUTION OF INTENT TO RECLASSIFY PROPERTY FROM R-1 to R-4 with the addition to the resolution of paying the assessments on Lot 1, in the amount of \$1,683.29; Lot 2, \$1,683.39, and Lot 3, \$2,826.84, and the Mayor be instructed to sign. Councilman Petitti SECONDED the Motion. MOTION CARRIED.

ZN-13-69 PLANNING COMMISSION R-1 to C-2 RESOLUTION NO. 471

RECONSIDERATION OF Councilman Petitti MOVED to APPROVE the application for a Zone Change from R-1 to C-2 by the Planning Commission, ZN-13-69, on property legally described

A portion of the  $SW_4$ , Section 13, Township 20 South, Range 61 East, approximately 300 feet northwesterly from the Salt Lake Highway

for the construction of a block wall, in lieu of the previous TABLING Motion. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

City Clerk Hansell announced that she had distributed copies of Resolution No. 471 to each Councilman, the Mayor and the City Manager, and that she posted one copy of said resolution on the bulletin board located in the City Hall prior to the commencement of the Council Meeting, and that several copies are on file in the office of the City Clerk for public examination, and further, that additional copies are available for examination by the public at this time in the Council Chambers.

Councilman Petitti MOVED to APPROVE Resolution No. 471, entitled: A RESOLUTION OF INTENT TO RECLASSIFY PROPERTY FROM R-1 TO C-2, with the exception of the last two sentences, in Item 5, of the stated Plan-ning Conditions, i.e., "A Bond being posted to guarantee the construction of said walls if the

adjacent property is developed in a residential Said wall to be constructed at the time of the development of the adjacent property," and the Mayor be instructed to sign. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

VN-6-69 SAMUEL PELL, JR. PLANNING COMMIS-SION VARIANCE -SIDE YARD

Councilman Petitti MOVED that the application to construct a patio roof to within 3 feet, 6 inches of the side property line, where six (6) feet is required (VN-6-69) by Mr. Samuel Pell, Jr., on property described as:

Lot 14, Block 7, Ivanhoe Tract

be APPROVED. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

ARCH-7-69 BUSHNELL, J. PLANNING COMMIS-SION - ONE MAN SNACK-BAR OPERA-TION

City Manager Lynch stated this building was designed primarily to attract pedestrian traffic and approval should be subject to the requirements of the Fire, Building and Health Departments.

Councilman Petitti MOVED to APPROVE the application for a one-man snack-bar operation located at 1601 North Main Street, in a C-2 Zone, subject to compliance with the Building and Fire Codes and approval of the Health Department, pending one hour fire wall construction, and must be set 20 feet from the existing buildings on the site and 20 feet from the east property line. Councilman Cleland SECONDED the Motion.

On the Question:

Mr. Larry Grubb - 2700 Woodard - stated this is on that corner again. Could you give me the findings of Urban Renewal? Does the Council feel that this will benefit the City? There should be something nice set up in these places.

City Manager Lynch stated there were no objections from the Urban Renewal Department, providing this meets with the City codes and Health Department requirements. The decision as to how much of the Rose Garden area was to be demolished and made into monuments was decided a long time ago. This was done by master plan and this plan designates this will continue to be used as a C-2 zone.

Councilman Petitti asked if Mr. Grubb was objecting to this business going in.

Mr. Larry Grubb stated yes, I am objecting to it. I think there should be a nice looking building in here, mainly because it is on the corner.

MOTION CARRIED.

L-118 FINAL MAP PLANNING COMMIS-SION

HOLIDAY PARK NO. 4 City Manager Lynch stated the Council had previously approved a tentative map on this. At that time there was a question of the exact square footage equal to the code. Each lot is up to the standard of 6,000 square feet.

> Councilman Cleland MOVED for APPROVAL of the Final Map for Holiday Park No. 4, L-118, consisting of 46 lots, on property described as:

-18-

CC - 9-2-69

A portion of the SW4, NW4, Section 18 Township 20 South, Range 62 East, located on the south side of Geist Avenue, between Pecos and Sandy Lane.

Councilman Williams SECONDED the Motion. MOTION CARRIED.

NORTH HIGHLAND Councilman ESTATES of North H County Referral - (6,000 squ County Map - PLAN- cribed as: NING COMMISSION

Councilman Cleland MOVED to APPROVE the Final Map of North Highland Estates consisting of 52 lots (6,000 square feet each in area) on property described as:

A portion of the NW $_4$ , Section 7, Township 20 South, Range 62 East. Located on the east side of Pecos and north side of Gowan Road.

Councilman Petitti SECONDED the Motion.

This map had been referred by the County Planning Department for our recommendations and that this is one unit of an overall 160-acre development which is planned for construction.

On the Question:

Mr. Larry Grubb stated due to the water shortage and service, I would ask the Council that they shouldn't accept this.

Mayor Echols stated we have indicated twice in this meeting that we are making haste to develop our water system. We feel very certain in the period allocated to us and by the time summer rolls around, we should have this water problem solved.

Mr. Grubb stated this project is 160 acres and this is only a small portion of that area. There are 6,000 lots in this development and they have a 20' setback in the front yard. By accepting this, when annexed with the Lamb annexation, you are accepting the fact that these houses only have 20-foot setbacks and they are in violation of code.

City Manager Lynch stated this area is in the County at the present time. The owners have made application to be annexed to the City. The County requires less setback and larger back yard areas than we do. Any new homes built would have the minimum 25-foot setback and smaller back yards. After annexation it will be according to our code regulations on new structures. Any valid objections can be made to the County at the time of annexation, at which time the County has the right to accept your objection.

Councilman Cleland stated this is very serious because a few months back we were turned down on our water bond. We could stop issuing building permits and stop the growth of the city, but the City Council's job is to encourage the growth of this city and to do our best to keep the water system up. In 1959-60 our water system was unable to be kept up with and now with our rapid growth, we cannot keep up.

MOTION CARRIED.

RN-7-69
A. L. Long - DEED
OF DEDICATION
PLANNING COMMISSION

Councilman Cleland MOVED to ACCEPT the decd of dedication for property described as:

A portion of the South 50.00 feet of the North 70.00 feet of Government Lot 1, Section 18, Township 20 South, Range 62 East. Located on the southeast corner of Pecos Boulevard and Cheyenne Avenue

from Mr. A. L. Long and that portion not needed be Quitclaimed to Mr. Long as recommended by the staff. Councilman Williams SECONDED the Motion. MOTION CARRIED.

VAC-1-69
LAKE GATEWAY
CORPORATION
PLANNING COMMISSION

Councilman Petitti MOVED to ACCEPT the petition to vacate and abandon property described as:

A portion of East Vegas Tract Subdivision situate in the Southeast Quarter ( $SE^{1}_{4}$ ) of Section 13, Township 20 South, Range 61 East, M.D.B.&M. and

directed the City Clerk to advertise for a Public Hearing on October 6, 1969, and ordered the rights-of-way posted. Councilman Williams SECONDED the Motion. MOTION CARRIED.

ARCH -8-69
GULF OIL COMPANY
PLANNING COMMISSION

Councilman Petitti MOVED to APPROVE the architectural review of clans for a service station (ARCH-8-69) on property described as:

A portion of the  $NW_4$ , Section 14, Township 20 South, Range 61 East. Located at the southwest corner of Cheyenne Avenue and Losee Road in an M (Industrial) Zone.

in conformance with Planning recommendations, i.e., general conformity to the plans as submitted, provision and maintenance of a minimum of six (6) foot of landscaping along Losee Road and Cheyenne Avenue property lines except for permitted drives, and that this would also constitute approval of the signs that are in conformity with ordinance provisions. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

LICENSES

Councilman Williams MOVED that the Licenses as presented on September 2, 1969, be APPROVED as follows:

- 1. Philip M. Drew dba Leader Apartments
  2207 Ellis Street
  Type: Apartment Rentals
  Formerly: George Kennedy
- 2. Doyle B. Norton dba North Las Vegas Imported Car Service 2404 Las Vegas Blvd. North Type: Garage Formerly: John W. Stewart

Councilman Petitti SECONDED the Motion. MOTION CARRIED.

ADJOURNMENT 8:50 P. M. Councilman Cleland MOVED that the Meeting be ADJOURNED to September 8, 1969, at 7:00 P. M. Councilman Petitti SECONDED the Motion. MOTION CARRIED.

- Erection of 6 foot cyclone fence on North and South sides.
- Compliance with Fire Prevention Ordinance.

That they comply with these conditions within a thirty day period and in the event they have not complied, there, be an Order to Show Cause Hearing held January 17, 1966 to show cause why their license should not be revoked; that the office address of Dal Fante Auto Wrecking is 2201 Losee Road and the place of operation of this business will e that area Bast of Dosee Road, South of AA-Row and limited on the South edge by Lake Mead Boulevard.

Mayor Taylor relinquished the gavel to Councilman Myers.

Mayor Taylor SECONDED the Motion. MOTION CARRIED.

Councilman Myers returned the gavel to Mayor Taylor.

The Council directed the City Attorney to prepare for Council consideration an Ordinance that would extend architectural supervision controls to all businesses in the salvage yard category regardless of how long they have been in business.

PINAL PAYMENT & RELEASE OF BOND -SIAD #12 - S & R CONCRETE CONST. COMPANY C #171

Councilman Myers stated he had inspected this sidewalk construction and generally the work is fairly good. There are some places where the sidewalks and driveways do not meet correctly and where the expansion joints are too high. The concrete work itself is satisfactory.

Mayor Taylor stated that, in the future, the specifications set forth that the expansion joints will not be above the elevation of the finished sidewalk.

Councilman Myers MOVED that the final payment to S & R Concrete Construction Company in the sum of \$2,018.68 for construction of sidewalks in Special Improvement Assessment District No. 12 be APPROVED and the bond of United States Fidelity and Guaranty Company in the amount of \$99,898.90 be RELEASED. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

REPORT ON LIEN **AGREEMENTS** 

This item was for Council information only.

DISPOSAL TRANSPOR-TATION, INC.

RENEWAL OF CONTRACT The Council acknowledged receipt of the Election of Contractor to renew Contract to Collect and Dispose of Garbage from Disposal Transportation, Inc. dated November 26, 1965.

CLAIM AGAINST CITY DELMAR BRIDGES -REPAIRING DAMAGED AUTOMOBILE

Councilman Claland MOVED that the claim of Delmar Bridges against the City for a damaged automobile caused by a "roadbed collision" at the intersection of Miller Avenue and the Union Pacific Railroad tracks where there were large holes in the street washed by heavy rains on November 17, 1965 be DENIED. Councilman Myers SECONDED the Motion. MOTION CARRIED.

Popo 133

Dook 10

 $0 \le 05$ 

Mr. Metten stated his company has fourteen new pieces of equipment to replace the entire equipment presently on hand. Six of them are to arrive this week and the other eight within a week to ten days. These busses will be put into operation as soon as they are painted and lettered appropriately. He stated he had read the survey taken of the bus service in North Las Vegas, and his company is working on some changes to be submitted to Council for approval, which should give the residents of North Las Vegas better service.

Mayor Taylor asked that the company consider one intra-line in the City in the future tra/el schedules of the area so that more residents will start riding the bus.

Mr. Méttén stätèd his company is presently studying this possibility.

Councilman Kelly inquired about minimum ates for persons traveling from one point to another point in North Las Vegas rather than going into Las Vegas and whether any consideration has been given for bus service from North Las Vegas to Nellis Air Force Base.

Mr. Metten stated that possibly the fare could be changed to a minimum of 25¢ rather than the present 35¢. The Las Vegas-Tonopah bus serves the Nellis area and is not allowed to stop anywhere between Las Vegas and Nellis. He stated his company is interested in serving Nellis and would be happy to work with the City in setting up such a schedule.

Councilman Myers MOVED that the Council colour in the change of name from Vegas Transit Company to Las Vegas Transit Systems, Inc. Councilman Cleland SECONDED the Motion. MOTION CARRIED

DÍSPOSAL TRANSPORTA-TION CO. CONTRACT (A-46) City Manager Lynch referred to the letter dated September 15, 1965 directed to the City Council from Disposal Transportation, Inc. giving notice of their intention to renew their contract for a period of five years. This letter was referred to the City Attorney for a legal opinion and a Motion is needed authorizing a letter be issued to Disposal Transportation, Inc. in accordance with City Attorney Barker's opinion.

Councilman Myers MOVED that a letter be transmitted to Disposal Transportation, Inc. advising they are in default of their contract and giving them sixty (60) days' notice in which to comply with Paragraph XXII of the contract dated October 7, 1957 between the City of North Las Vegas and Disposal Transporation, Inc., said Paragraph XXII being as follows:

"The Contractor shall during each year of the contract make an annual report to the City of awing the amount of its receipts, and disbursements, and such other details with reference to its income, expenditures and operations, as may be required by the City for the purpose of ascertaining the cost of operation profits derived, and the manner and extent of its operation."

REQUEST FOR RATE INCREASE-DISPOSAL TRANSPORTATION CO. Councilman Petitti MOVED that the request for rate increase by the Disposal Transportat on Company be TABLED and that a copy of the Fin nce Department's memorandum be mailed to the Disposal Company. Councilman Bulloch SECONDED the Motion.

MOTION CARRIED:

PROPOSAL JOE'S BAR

City Manager Lynch explained that the City needs 71 ft. off the front of the property at Belmont and College, and about 20 ft. on the Belmont and Stats side of the same property. He presented a proposal from Joe's Ber which agreed to exchange this property for Lot 2 in Block 50 of East Vegas Tract:

Councilman Petitti MOVED that the proposal made by Joe's Bar for the exchange of property as listed above be TABLED and referred to the City Attorney for recommendation. Councilman Myers SECONDED the Motion. MOTION CARRIED.

PLANNING VARIANCE-VN-21-62 EVERETT L. COOK Councilmen Myers explained that a variance had been requested by Everett L. Cook to construct eight dwelling units on a lot soned for seven, on property legally described as: The South One Hundred feet of Lot One in Block Forty-two of a rowhead Acres Tract.

Councilman Myers MOVED that in accordance with the recommendation of the Planning Commission the variance application of Everett L. Cook to construct eight dwellings on a lot zoned for seven on property legally described as: The South One Hundred Feat of Lot One, Block Forty-two of Arrowhead Acres Tract be approved, with the following conditions:

- 1. The revision of the parking to the straight backout arrangement similar to the existing practice in Arrowhead Acres.
- 2. Subject to the concurrence of the Planning Director on the building plans regarding the tyling together of the two units.

Councilman Petitti SECONDED the Motion. MOTION CARRIED.

VAR JANCE-VN-22-62 WILL JAM RESSLER Councilman Myers said that a variance to permit outside storage of limited materials and equipment at 3400 E. College Avenue between Brand and Menneth Avenues had been requested by William Resiler and recommended for approval by the Planning Commission.

Councilman Myers MOVED that the variance application of William F. Ressler to permit outside storage of limited materials and equipment at 3400 E. College Avenue on property legally described as Lot 23, Block 51, East Vegas Tract be approved For a period of not more than 12 months. Councilman Kelly SECONDED the Motion.

On the Queston: Councilman Petitti said hat he was not in favor of outside storage of heavy quipment in this area. Councilman Myers pointed ou that excepting for the heavy equipment storage, his company is in a correctly zoned area to operate this business.

٤

APPROVAL OF MINUTES JULY 7, 1969 Councilman Cletand MOVED that the Minutes of the Regular Meeting of July 7, 1969 be APPROVED as corrected. Councilman Williams SECONDED the Motion.

On the Question: City Manager Lynch stat d Councilman Waite attended the meeting of the Regional Planning Council and they accepted the responsibility of making this study and appointed a sub-committee composed of Personnel Directors of the local governments to serve in an advisory capacity in this study. ŝ

Councilman williams MOVED that the Minutes of the Adjourned Regular Meeting of July 21; 1969 be APPROVED as written. Councilman Cleland SECONDED the Motion: MOTION CARRIED.

REQUEST FOR INCREASE Mayor Echols stated I think we deferred this IN GARBAGE RATES request for a report from the Staff. Can you BY DISPOSAL TRANS- give us such a report?
PORTATION, INC.

City Manager Lynch replied the only thing we can report is that Pinance has reviewed the figures and do concur that their figures do represent a right to increase the contract rate under the terms of the existing contract. The item of \$.41 additional for additional service offer d for large pick-ups once a month is a matter of pólicy more than a Staff matter. The figure does seem in line with the service offered. The decision as to whether the people of this City want the service should be made by their representatives or by them at a public meeting. City of Las Vegas aid approve the increase in principle and instructed the City Attorney to prepare an ordinance to implement that decision. If Council is favorably inclined, your only action would be for the City Attorney to be instructed to prepare an ordinance for public hearing for the first meeting in October.

Councilman Petitti stated I talked to the Engineer from the County and he indicated to me that they will approve this same increase in the County.

Councilman Petitti MOVED that the request for an increase in garbage rates by Disposal Transportation. Inc. be APPROVED IN PRINCIPLE and instruct the City Attorney to write an ordinance and instruct the City Manager to ask the disposal company to spell out how often they will pick up this trash and put into this agreement that we will revie the services for the \$.41 at the end of the twelve-month period. Councilman Cleland SECON ED the Motion.

On the Question : Councilman Petiti stated if we review and find they are not doing the job we review and find they are not doing the job they say they will do, we can change the agreement. In talking to Mr. Isola he did tell me that this will be on a will-call basis and not, just once a month. Any time a citizen of the City has bulky objects, they will pick them up - even trees if cut to the right length to pick up in a dump truck - and i want it understood in the agreement that this will be agreement that this will be agreement leving around the serve our murrouse to have trees leving around the serve our purpose to have trash laying around for a

Councilman Williams stated I personally think this is a very good idea but I don't believe the people when they tell us that they will come around where ever and whenever we call them. we have some way of pinning them down and let this be a public discussion I think we should go a step further and have a meeting with these people and let them tell us what they are willing to do and can do. In this proposal here there are so many loopholes they can come back in six months or a year and say they underestimated the cost. The cost of living went up, the population grew more than they anticipated, etc. I would go along with this if we have some way of curtailing this type of possibility.

City Manager Lynch asked would it suit Council to invite members of this company to our September 2 meeting? It would be appropriate to have a general discussion during the introduction of the ordinance. That is thirty days before you would take action and pass this ordinance.

Councilman Williams stated that might be too late.

MOTION CARRIED.

INTRODUCTION ONLY OF RESOLUTION #468, LOAN FOR CHEYENNE WATER MAIN PROJECT

Councilman Cleland introduced Resolution No. 468 entitled a resolution to approve a temporary TEMPORARY EMERGENCY EMERGENCY LOAN TO THE CITY OF NORTH LAS VEGAS TO FINANCE VITALLY NEEDED EXPANSION OF ITS WATER DISTRIBUTION SYSTEM.

> Mayor Echols directed the City Clerk to publish a Notice of Intent to Consider for the September 2, 1969 meeting.

City Manager Lynch stated this is to pay for producing four million gallons per day at the Desert Aire Estates Well and correcting the Windsor Park and Regal Estates problems and it would take care of the major number of our customers and the connection point in the future for the Southern Nevada Water Project. It will be advertised by the City Clerk for consideration and passage on September 2.

Mayor Echols asked would it be a public hearing at that meeting, also?

COMPREHENSIVE GENERAL LIABILITY INSURANCE C \$202 Councilman Myers MOVED that the contract for comprehensive general liability insurance be AMARDED to the Harley E. Harmon Insurance Agency in the amount of \$20,150.00 annually for non-permanent coverage, \$2,000.00 annually for "excess umbrella" coverage, and \$1,249.00 annually for "contractors" equipment floater" coverage. Councilman Petitti SECONDED the Motion. MOTION CARRIED.

OME USED CATER-PILLAR MODEL DE DIESEL CRAWLER TRACTOR Councilman Petitti MOVED that the bid for one used Caterpillar Nodel D8 diesel crawler tractor be AWARDED to the Cashman Equipment Company in the amount of \$14,000. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

POLICY DISCUSSION CENTRAL GARAGE (ORAL PROPOSAL BY CITY MANAGER) City Manager Lynch stated that he has had an opportunity to discuss with Council individually the proposal. Simply stated, we want Council to be aware of our proposal in setting up a Central Garage Trust Fund which will be a self-supporting account. We will service all moving vehicles from one central agency with one central account. Staff wishes to be assured that this system meets with the Council's approval.

Mayor Taylor stated that it will be a unanimous policy decision without a formal motion.

GIFT BILL OF SALE VERN & JEAN ASHLEY Councilman Myers MOVED that the Gift Bill of S le from Vern and Jean Ashley for a brick structur, situate in the West 56.00 feet of the South 145.00 feet of the West Half of Lot 4, Block 18 of Arrowhead Acres Tract on file in Book 1, Page 62 of Plats, Clark County Official Records be ACCEPTED and a letter of thanks be written. Councilman Cleland SECONDED the Motion. MOTION CARRIED.

Pg.267

-2-

be ACCEPTED for demolition purposes only and a letter of thanks be written by the Mayor. Councilman Myers SECONDED, the Motion

On the Question: Councilman Myers explained that this Gift Bill of Sale is from the El Patio Motel on Las Vegas Boulevard. It is one of the older motels in the area. We have demolished many buildings in the City by this process. Teople who own them give the City this type of Bill of Sale and the City clears the land of the buil ings for the property owners. It is very gratify no that people are willing to do this.

Councilman kelly asked the City Manager for a report on how many properties have been cleared in the last few years.

#### MOTION CARRIED.

INTRODUCTION OF RESOLUTION ADOPTING SCHEDULE OF WATER; SEWER AND GARBAGE DEPOSITS City Manager Lynch explained that this resolution recognizes the impact, of the increase in rates authorized by the Council and will be properly advertised and a public hearing will be held in the first week in August. This resolution increases the required deposits by \$5.00. Present customers of these utilities are not affected as long as they are not delinquent in payments or unless there is a change in the person receiving service.

Councilman Myers introduced Resolution No. 298 entitled A RESOLUTION ADOPTING A SCHEDULE OF WATER, SEWER AND GARBAGE DEPOSITS, REPEALING RESOLUTION No. 94, AND OTHER MATTERS PROPER Y RELATED THERETO.

Mayor Pro Tempore Petitti directed the City Clerk to publish a notice of public hearing.

PLANNING CARL AND DOUGLAS BURCHAM - USE PERMIT TO CONDUCT SALVAGE YARD - UN-6-66 Councilman Cleland MOVED that the Application for a Use Permit by Carl and Douglas Burcham to conduct a salvage yard, UN-6-66, on PROPERTY LEGALLY DESCRIBED AS:

East half (E<sup>1</sup><sub>3</sub>) of the North Half (N<sup>1</sup><sub>3</sub>) of the East Half (E<sup>1</sup><sub>3</sub>) of the South half (S<sup>1</sup><sub>3</sub>) of Northeast Quarter (NE<sup>1</sup><sub>3</sub>) of the Northeast Quarter (NE<sup>1</sup><sub>3</sub>) of the Southwest Quarter (SW<sup>1</sup><sub>4</sub>) of Section 11, Township 20 South, Range 61 E, M.D.B. & M., excepting therefrom the West 60 feet thereof,

be APPROVED subject to the following conditions:

- 1. Compliance with Fire Department memo.
- 2. A six foot ornamental block wall being built, according to City Council specifications, on George Street and Bruce Street.
- Trees to be planted behind the wall of a uitable species as approved by the Parks Director.
- 4. Parking area for two cars be paved.
- 5. Stacking of materials not to exceed 15 feet in height.
- 6. An agreement to enter an Assessment District being signed by the owner of the property at such time one is created.

GARBAGE RATE REQUEST-DISPOSAL TRANSPORTATION CO. Mr. Lynch advised that there was no action indicated on this item at this time, however he wanted the Council to know that on Friday; the 15th, a meeting had been held with the City Treasurer, Director of Finance, the bookkeeper and the President of the Disposal Transportation Company; the auditor of the Public Service Commission and himself.

The discussion over a period of all day centered around our contention that the proper way to determine the rate of return on this contract was based on the fixed assets plus working capital invested, rather than on a percentage of gross revenue as being an appropriate approach for a rate of return.

The conclusion of the conference was that they had not as yet supplied sufficient information or detail to justify a change on that basis. They have been asked to provide additional information before this matter is considered by the Council.

It was generally agreed by the Council that this fiem be tabled:

RONNOW PROPERTY POLICY Mr. Lynch provided the Council with two sketches of the proposed development of the Ronnow property which the City is considering acquiring. Mr. Lynch stated that a firm figure has now been arrived at with Mr. Ronnow and Council action is now needed relative to a policy on this development. One sketch is based on the idea that the civic center will face on College and the other sketch is based on the idea that the civic centered on the property.

Mayor Taylor stated that the purchase of this Ronnow property will do more to put this City on he map than anything else. This property is the most strate-gically located piece of property in the City.

Discussion followed relative to the orderly development of the property and the reversionary clause in the deed for the existing City Hall.

Councilman Bulloch MOVED, Councilman Myers SECONDED that Mr. Lynch be instructed to contact the financial institutions in Southern Nevada with the authority to talk about borrowing \$750,000.00 for a period of up to three years for the purchase of the Ronnow property immediately. MOTION CARRIED.

Mr. Collins, who was present, inquired as to the City's interest in negotiating with a subdivider for the commercial development of the private portions of the land. Mr. Collins was assured of the City's interest in such negotiations after the acquisition of the land.

Councilman Kelly MOVED, Councilman Myers SECONDED that the Mayor be given authority to negotiate with Mr. George Pardee to get his firm to forget the reversionary clause to the title to this land and allow up to move the principal offices of the City to the new location and make available commercial property on College. MOTION CARRIED.

Councilman Kelly MOVED, Councilman Myers SECONDED that the City Manager be authorized to actively solicit proposals to develop the private portions of this land, contingent upon the City receiving title to the land.

City Attorney Dickerson advised against this course of action until the City had actually acquire title to the land.

Proton Jan 19

whereas, the city of North Las Vegas, Nevada, advertised said bonds for public sale and received sealed bids and publicly opened the same for the purchase of such bonds on Monday, the 22nd day of April, 1968; at the hour of 7 o'clock p.m., P.S.T., in the Council Chambers at the city Hall, 2200 civic Center Drive, North Las Vegas, Nevada, and

reserved. Said Council has determined that the bid submitted by the Bank of Las Vegas of Las Vegas, Nevada, (herein sometimes referred to as the "Purchasery") and associates, at par plus accrued interest from the date of the bonds to the date of delivery at the interest rates herein designated, and a premium of \$-0-, is the best responsible bid for the purchase of said bonds; and such proposal be, and the same is hereby accepted.

Councilman Cleland MOVED that the City Clerk be instructed to publish a notice of the date of the final adoption of said ordinance in the North Las Vegas Valley Times, a newspaper published and of general circulation in the City at least once at least one week prior to the date of the meeting at which final action on said ordinance will be taken. Councilman Waite SECONDED the Motion.

Councilman Waite MOVED that the City Clerk be instructed to return the bid check in the amount of \$10,800 to Mr. Elmer C. Longwell of Boettcher and Company. Ccincilman Petitti SECONDED the Motion. MOTION CARRIED.

Mayor Taylor stated that the litigation problems connected with AD #29 caused the people in that area to pay \$75,000 over the cost it would have been last year. City Manager Lynch stated this is approximately 14% higher than the bond market of a year ago.

Mr. Elmer C. Longwell stated that the City has received an excellent bid on these bonds. Some municipalities have not been able to generate any bids. He commended the administrative staff on their energy in going about generating a local retail bond market. The difference in cost is approximately \$20,000 which represents the profit a bond company would have to make on the sale of the bonds.

WAÍVER OF GARBAGE DEPOSÍTS - COLLEGE HEIGHTS AREA City Manager Lynch stated that this area is unusual in that it was annexed to the City and will receive sewer service from Las Vegas, water from the Las Vegas Valley Water District and the City of North Las Vegas will be involved only in the garbage collection. They are such small amounts that we do not feel that it is necessary to get a deposit.

CC 4/22/68

Pg 347 60

DISPOSAL TRANS-PORTATION, INC. City Manager Lynch stated that considerable material has been supplied by this company which was given to Council Friday night. He and the Finance Department made a considerable study over a period of weeks of this material and the financial statements of the company in the past and other companies involved in this business throughout the area. The Manager's recommendation is that a motion pursuant to Ordinance No. 198 authorizing a flat 10% increase in he rates now in effect be passed and that the City Manager and City Attorney be direct d to draft a totally new contract for the future. This company has been serving this City at the same rate since November 30, 1953 and some adjustment is obviously indicated. However, it is not recommended that the rates be raised above that which prevails over Clark County, Henderson and Las Vegas:

Councilman Myers MOVED that a flat 10% increase in rates charged by Disposal Transportation, inc. as of April 1, 1968, be GRANTED and any further action on the extension of the contract be TABLED at this time. Councilman Waite SECONDED the Motion.

On the Question: Mr. Joseph Hampstead; accountant for Disposal Transportation, Inc. said that he would like to speak on behalf of the application for extension of the contract. "Our company and its predecessor has served the City of North Las Vegas in excess of fifteen years. During that ime we have never been delinquent. We hav been sound in our payments and collection foes to the City of North Las Vegas. Without expanding that, we can consider that our company is sound and of a responsible nature. Our purpose in asking for an extension of the contract which expires in January of 1972 is that, basically, our equipment rotated and exchanged for new equipment on a four-year life. Prior to the expiration of this contract as it exists today we will have to spend additional sums for new equipment to exceed \$130,000 for a contract Even more thát has a year or less to run. important than replacement of rolling stock is the fact that we are actively engaged upon a building expansion program, not only for servicing of our equipment and storage of plant facilities but also for administra-This sum which we anticitive facilities. pate to expend will run between \$300,000 and \$350,000. Therefore, we feel that it is necessary that there will be life in this company for ordinary, prudent businessmen to invest this kind of money, consider an extension of the contract. Thank you,'

Mayor Taylor OPPOSED.

MOTION CARRIED.

CC 3/25/68

mas. 21, 1968

P9. 199

Mayor Taylor stated that he is opposed because the contract does not run out until January of 1972 and it is his impression that this is the time that they should come before this board for contract renewal and/or a rate increase. It was a surprise that they would try to bring it up in the interim period.

Councilman Myers said his motion wa: to table any action.

Mayor Taylor said that he meant he is opposed to the increase,

City Manager Lynch said that it is clear that the basic contract under which this service is being rendered clearly contemplates that there will be adjustments in rates if the company can establish that there have been adjustments in their cost of operations. The contract states that it is further mutually agreed that if the wage scale or equipment cost should materially increase or decrease, upon thirty days notice, the agreement may be renegotiated. The Staff would be opposed at this time to any increase that could not be justified to the public but we must recognize the inflationary trend of the last fourteen years.

Mayor Taylor said that this same request came before the Council some time ago and it was turned down. It is practically the same reason and he is opposed to it.

City Manager Lynch said that the request was made in 1962. We made an analysis of the balance sheet and recommended no increase because it could not be shown that it was necessary.

Councilman Cleland stated that he feels that the increase of 10% is fair and just, mainly because this is the rate that the rest of the entities are paying and is not exorbitant. We should not renegotiate another contract at this time but, also, should not wait until it runs out. It should probably be renegotiated within another year.

Councilman Myers MOVED that the City Manager and the City Attorney be DIRECTED to undertake a study to come back to Council within six months for consideration of the question of whether or not we would renew the contract with Disposal Transporation, Inc. Councilman Cleland SECONDED the Motion. Mayor T ylor and Councilman Petitti OPPOSED. MOTION CARRIED.

DISPOSAL TRANS-PORTATION CO.

City Manager Lynch submitted the following letters and reports from the Disposal Transportation asking for a rate increase of 10%. 

February 13, 1962

Man La Taylor and Honorable William LacTaylor and Councilmen: Boyd C. Bulloch James B. Kelly John E. Myers 🐇 Jack Petitti ....

Attention: Clay Lynch, City Manager

09.46

Disposal Transportation. Inc. has been operating under a contract with your city for the collection of garbage and refuse which contract has approximately ten years remaining.

Said company has been confronted with, and has absorbed a substantial increase in the dost of labor and materials, and, in accordance with the pro-forma income statement prepared by the accountants for the company, allowing for the is increases it would indicate that for the fincal year ending September 30, 1962 if the peration opitious at the same rate; the net profit of said company would amount to the low figure of \$1,740.00 for the year.

Therefore, in accordance with the provisions of selectority, we respectfully request that your Honorable Board give considerationnto a rate increase of 10%, applicable to all accounts within the city limits of North Las Vegas, Navada. This increase of 10% represents an additional charge of 17 cents per month per residence.

We have heretofore taken the liberty of furnishing to your city manager a copy of the report on examination and financial statements for the year ending September 30; 1961 and, upon request, will present all of our books and records together with a pro-forma statement of income and expenses from September 30, 1961 to the projected date of September 30, 1962.

It is the feeling of the officers and directors of the company that the company has rendered adequate and valuable services under the contract and, since there has been no rate increase request for a period of ten years, it would seem that our request should receive your able and early consideration.

Respectfully submitted, DISPOSAL TRANSPORTATION, INC.

CC: Helen G. Pivoda, Clerk Harvey Dickerson, Esq. City Attorney

THE REAL PROPERTY.

AKAI WELL PROPOSAL.

City Manager Lynch announced that they would put the Saka! Well out to bid in a similar manner.

Councilman Strahan MOVED, Councilman Lindenberg SECONDED that the City Manager, Gity Watermaster and City Attorney, 58, authorized to accept the lowest bid to relocate this Well. In accordance with a proposal similar to that set forth by the City and noted in the letter from Phelps Pump and Equipment Co. dated February 3, 1961. MOTION CARRIED.

GARBAGE RATES

Councilman Petitti MOVED, Councilman Strahan SECONDED that derbage rates previously in force be accepted and reduced from previous quarterly billing to monthly and so billed. MOTION CARRIED.

SCHOOL TRAFFIC PROBLEM - ICE CREAM TRUCKS

After a discussion Councilman Houle MOVED, Councilman Lindenberg SECONDED that the problem of ice cream trucks around schools should be turned over to the City Manager, City Attorney, and Chief of Police. MOTION CARRIED.

PLANNING COMMISSION Mayor Hartke announced that the Council had received a recommendation from the Planning Commission to accept 30 ft. street right-of-way from the Baptist Church instead of the 40 ft. offered, so that the streets would be uniform in width.

Councilman Lindenberg MOVED, Councilman Strahan SECONDED that 40 ft be accepted for street right-of-way on McDaniel from College; north from the Baptist Church. MOTION CARRIED UNANIMOUSLY.

Mr. Cleland asked if he could have the first National Bank guarante bond for offsite improvements in the East Vegas Tract. TRUST FUND - FIRST M NATIONAL BANK FOR D GUARDIAN REALTY CORP.

Mayor Hartke stated that previously this same question had come up and the City Attorney had ruled that it was not possible to do so. He said that it was impossible to proceed in any method other than that which requires an offsite improvement bond.

ASSESSMENT DIS-TRICT

Councilman Lindenberg MOVED; Councilman Petiti SECONDED that the next assessment district, (No. 9) would be the North Main Addition and that area west of Main Street bordered by Tonopah; Railroad, and Owens (Should follow as No. 10). Work shall be started in those areas by the Engineering Department to establish assessment districts to provide complete off-site improvements. NOTION CARRIED.

NEVADA MUNICIPAL City Manager Lynch said that there was to be a meeting next week ASSOCIATION MEETING in Carson City of the Nevada Municipal Association to consider legislation favorable to cities. Mr. Lynch asked for a resolution urging the passage of legislation in accordance with the Zubrow Report and also authorization for one or more representatives of the City to attend the meeting.

Councilman Houle MOVED, Councilman Strahan SECONDED that Mayor Hartke, Mr. Lynch and Mr. Dickerson be authorized to attend the Nevada Municipal Association Meeting in Carson City on the 13th, lith and 15th of February and be authorized to request legislation in accordance with the Zubrow Report. MOTION CARRIED.

Mr. Lynch mentioned that he would ask for postponement of the Water Board Meeting in order that he might go to Carson City.

BIDS - FERTILIZER AND SEED

Mr. Lynch asked for a motion authorizing him to review the bids for seed and fertilizer for the Park Department and to place the low bids on the Material Claims List to be approved February 20,

Councilman Petitti MOVED, Councilman Strahan SECONDED that Mr. Lynch be authorized to review the bids for seed and fertilizer for the Park Department and to place the low bids on the Material Claims List to be approved February 20, 1961. MOTION CARRIED.

APPROVAL CF CLAIMS

Councilman Petitti MOVED, Councilman Houle SECONDED that the claims dated February 6, 1961 be approved as follows: Genera Fund Claims #6287 through 6355; Utility Fund Claims #2783 through 2821; Sanitary Sewer Fund Claims #632 through 641 and Trust Fund Claims #1055 through 1074. MOTION CARRIED. General

APPROVAL OF LICENSES

Fr. Lynch said that the Building Board of Appeals had presented a recommendation on the license of the building at 1862 Las Vegas Sive., No. as follows: That Mr. and Mrs. Ellis be granted a use permit not to exceed one year, for this building for the specific use requested and that the building under no condition would remain standing in excess of this one year period of time, and that the City Attorney be instructed to draw up an agreement in accordance with their recommendation.

457

Councilman Houle MOVED, Coloncilman Petitti SECONDED that the appointment of Arlyse Breeden to serve as a member of the NLV Board of Civil Service Trustees be confirmed. MOTION GARRIED.

Councilman Lindenberg reviewed a number of sections in the ordinance, asking for clarification, and amendments thereto.

Councilmen Strehen MOVED; Councilmen Petitti SECONDED that the Council accept the amendments by the City Attorney and Councilmen Lindenberg to the ordinance entitled AN ORDINANCE OF THE CITY OF NORTH LAS VEGAS; COUNTY OF CLARK, STATE OF NEVADA, CHEATING AND ESTABLISHING CIVIL SERVICE RULES AND REGULATIONS FOR THE EMPLOYEES OF SAID CITY, DEFINING TERMS PROVIDING FOR EXAMINATION, ESTABLISHING ELIGIBILITY LISTS PROVIDING FOR APPOINTMENTS, PROMOTIONS, DISCIPLINARY ACTION, REPORTS AND RECORDS, CLASSIFICATION AND PAY PLANS; AND ALL MATTERS RELATING THERETO, AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH. The Ordinance to be numbered \$185, was then turned over to the City Cierk for publication of Notice of Rublic Hearing to be held February 6, 1961. MOTION CARRIED.

BOND BID Recognition of Mr. Goode of Cruttenden & Podes

Mayor Earl Hartke recognized Mr. J. H. Goode of Cruttenden & Po-desta, Denver, Colorado. Mr. Goode stated he had planned to bid Mayor Earl Hartke recognized Mr. J. H. Journal of the bid desta, Denver, Colorado. Mr. Goode stated he had planned to bid on the sale of bonds but had lost his direction anddelayed his alocating the City Halls. Mr. Goode, was advised by the Mayor that the bidding on the bonds was closed. Mr. Goode stated he would have bid on behalf of his firm 4.185%.

DEFERRED TEMS City Towing and Impound Service

Councilman Strahan MOVED: Councilman Petiti SECONDED that the City establish a policy in regard the towing service for the City, and the service be alternated, and Ewing Brothers 1: given the business for the first six month period to July 1, 1961. MOTION CARRIED.

Councilman Petitti MÖVED, Gouncilman Strahan SECONDED that the checks accompanying the bids for the Towing Service be refunded. MOTION CARRIED.

Mr. Howard of City Automotive Center picked up his heck and Mr. Ewing of Ewing Brothers picked up his check at the Council meeting after above motion.

REFERRED ITEMS Las Vegas Valley Water District -Increase in Water Rates

City Marager Lynch stated he would sum up the City's arguments relative to the Las Vegas Valley Water District's proposal to increase water rates to the City of North Las Vegas. Briefly, the City Manager and City Attorney propose to insist on a wholesale rate on water purchased by the City, some 45% below retail rate which the City is presently paying. Second proposal: That the City is willing to purchase water from the Las Vegas Valley Water District so that its average monthly consumption equals 61% of its peak consumption of July.

Mr. Lynch advised the law states that the L.V. Valley Water District shall charge an appropriate rate, and the additional surcharge is anything but appropriate. City Attorney Dickerson stated the Water District is an absolute autonomy. Mr. Lynch stated in the Water District's official statement to the public on its \$8,700,000.00 proposal, page 10: The City of North Las Vegas has its own Water District and may purchase water at wholesale from the district.

Mr. Lynch presented Comparative Statements of Income and Expense for the Las Vegas Valley Water District and the City of North Las Vegas and Combined Results for the year ending June 30, 1960 to point out that Las Vegas Valley Water District would be operating on a considerably less net income if they had to bear the operating and capital expenses of North Las Vegas.

Mr. Lynch stated they further planned to emphasize that the City of North Las Vegas should not have any responsibility relative to the 9¢ paid for refunding agreements to subdividers by the LV Valley water District and other expenses not applicable to North Las Vegas.

Councilman Houle MOVED, Councilman Petitti SECONDED that the City adopt the policy outlined by the City Manager and authorize him to present it to the Las Vegas Valley Water District as the policy of the Council. MOTION CARRIED.

Plumbing Board

Mayor Hartke stated this item would be deleted from the agenda pending the receipt of additional information.

Revision of Garbage City Manager Lynch read emergency ordinance #168 entitle: AN Ordinance ORDINANCE OF THE CITY OF NORTH LAS VEGAS, NEVADA AMENDING SECTION 9, SECTION 11 AND SECTION 12 OF ORDINANCE NO. 7 ENTITLED:

AN ORDINANCE DEFINING GARBAGE, RUBBISH, DIRT AND DEAD ANIMALS: REGULATING THE COLLECTION AND DISPOSAL OF GARBAGE, RUBBISH, DIRT AND DEAD ANIMALS IN THE CITY OF NORTH LAS VEGAS; THE FEES TO BE PAID THEREFOR AND MATTERS RELATING THERETO; AND PROVIDING PENALTIES FOR THE VIOLATION OF THE PROVISIONS THEREOF; AND REPEALING ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT THEREWITH.

AND REPEALING ORDINANCE NO. 82 ENTITLED "AN ORDINANCE TO AMEND SECTION NO. 11 OF ORDINANCE NO. 7. BY PROVIDING A NEW SCHEDULE OF RATE: FOR GARBAGE COLLECTIONS AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES, IN CONFLICT HEREWITH

AND REPEALING ORDINANCE NO: 108 ENTITLED "AN ORDINANCE OF THE CITY OF NORTH LAS VEGAS, NEVADA, AMENDING SECTION NO. 1 OF ORDINANCE NO. 82 ENTITLED: AN ORDINANCE TO AMEND SECTION NO.11 OF ORDINANCE NO. 7; BY PROVIDING A NEW SCHEDULE OF RATES FOR GARBAGE COLLECTIONS AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH BY PROVIDING A NEW SCHEDULE OF RATES FOR GARBAGE COLLECTIONS IN CONFLICT HEREWITH AND DECLARING AN EMERGENCY.

Councilman Petitti MOVED, Councilman Houle SECONDED that emergency ordinance #188 Se passed and adopted as read and the City Clerk authorized to publish said ordinance once a week for two successive weeks immediately following its first reading and adoption in the North Las Vegas Valley Times-News, a weekly newspaper published in the City of North Las Vegas, Nevada. MOTION CARRIED.

# Augtion Business

Ordinance Regarding City Manager Lynch stated he had reviewed the City's ordinance regarding auctioneering (#171) and felt that it would serve its purpose in its present form with the following recommended changes:

Section 14 (i) be changed to read "No person other than the per mittee shall cry the sale of any article at said suction sale, unless individually licensed by the City and granted authority in writing by the permittee, filed with the City Clerk.

The City Manager also recommended adding at the end of Section 7, something to the effect that the Council adopt a rule that such businesses operated on a continuous basis be required; 1. to provide written evidence of off street parking in a ratio of three to one to the area of active sale and storage. 2. where the volume of business for sales operated on an continuous basis imposes unusual inspection costs on the City, the permittee will pay for such inspections at cost over and above the permit fee.

Discussion followed with Mr. Charles Tackett relative to the thirty day permits and the possibility of issuing several thirty day permits at one time, if approved by the Council. It was pointed out to Mr. Tackett that the Thirty day permits might be to his advantage in providing a history of whether he would want to continue this operation.

Councilman Strahan MOVED, Councilman Houle SECONDED that the amendments to Ordinance #171 as presented by the City Manager and City Attorney be approved by the Council and the City Attorney be directed to prepare an appropriate ordinance. MOTION CARRIED.

#### Child Care Crdinance

The City Manager stated he had reviewed the Child Care Ordinance | 116 and felt the intent of the first paragraph is being misunderstood; particular with reference to children being cared in a home other than their own. However, he felt paragraph should remain in effect in the event of violations which the Child Welfare Board might be required to look into and to give them some method of enforcing the law.

Bus Bench Agreement-Mayor Hartke stated the City Cierk now has a registered mail receipt as evidence of cancellation of the City's agreement with Courtesy Manufacturing Company, and the City at this time is in a position to consider a new agreement. A proposal by the North Las Vegas Jaycees to furnish a bus bench service to the City along the lines proposed in the former bus bench agreement was received. Also a proposal by the North Las Vegas V.F.W. Auxiliary to provide one bus bench at the corner of Main and Oxford with the words "Join Now" V.F.W. Auxiliary and two phone numbers.

> Mr. Larry McKinney, Chairman of the Board of the NLV Jaycees, was recognized and stated that they would like to provide the City with bus benches, the locations and advertising to be reviewed by the Council. He also stated they had no objection to the VFW muxiliary having one bench. They would adhere to building department specifications for the bench and provide a liability relieves them. believ on them.

Allen Jesperson was recognized and stated insofar as the advertising was concerned, he understood that the advertising would not be competitive to the business it is placed in front of. Jesperson stated he had fifteen bus stops listed given to him by the Bus Co.

liscussion followed relative to providing bus benches in residential areas, advertising and locations.

Councilman House MARD that the Council give the MAV Jayoses the sheet in this, and the actions should be controlled by the station that type and size of the advertising, the areas were true, and definitely outless the residential areas to state than a, and suggest that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state that they put forth a proposal in the state they put forth a proposal in the state they put forth a proposal

ABSENT

APPROVAL OF MINUTES Councilman House MOVED; Councilman settics of Cauncilman House in 1960 be approved. Mc 94th partition,

BID OPENING-City Towing & Impound Service The City Clerk opened and read the following rios for the rate towing and impound service for the six months period enoting June 30, 1961:

Mr. Robert E. Howard of City Automotive Center Could the count Blvd., N., North Les vegas offered a check in the amount of \$50.00 for this service, and a revenue of \$1.00 fer for town at the City's request; payable at the end of each mouth, (Their records show in the last elemenths of their service to the City approximately 105 cars were towed.) They also iffered to furnish emergency service to all City vehicles at no expense,

Mr. Hex C. Ewing, Jr. of Ewing Bros. Auto Bedy, With N. Main Street, Les Veges, submitted a bid of \$101,06, for which a check was provided, stating they bid "under protest" and plusing their reasons.

Councilman Lindenberg MOVED that the bid be swarded to City Automotive Center for the six months period beginning Jan. 3. 1961 through June 30. 1961.

Motion died for lack of a second.

Councilman Houle MOVED, Councilman Strahan SECRANIT that since there is considerable indecision that the Council table this matter until the next meeting, January 16,1961, and the propte presently operating this service, the City Automotive Center, continue to do so. MOTION CARRIED.

REFERRED ITEMS Amendments to Civil Service Ordinance

Councilmen Lindenberg MOVED, Councilmen Petitti SECONDET that the Civil Service ordinance amendments be tabled to Jan. 10, 1901. MOTION CARRIED.

Ordinance-College Ave. Assessment District

The reading of these ordinances were postponed until the end of the meeting.

Plumbing Board

Councilman Petitti MOVED, Councilman House SECONDED that the appointment of Plumbing Board members be tabled until the January 16, 1961 meeting. MOTION CARRIED.

Agreément-Disposal Třansportation,inc.

Councilman Houle MOVED that the City Council accept the agreement offered by the President of the Disposal Transportation, Inc. for the City to do the billing of the disposal company, for which the City will receive an additional 5% of the gross revenue of this company for performing this service; this is the minimum amount the City is to receive, the maximum amount has not yet been negotiated.

On the Question: Mayor Hartke recognized Mr. George Rudiuk, attorney, who stated he represents Mr.RJ. Collet, President of the Sun Valley Disposal Co., Inc. and his client wished to submit a proposal for this disposal service.

Mayor Hartke stated the City has a contract with the Disposal Transportation, inc. and this is just a change in the billing procedure.

Mr. Rudiak requested permission to read his clents proposal, dated 1-3-61. Basically, this firm offered to: (a) Operate under the present City ordinances and accept a contract such as the one now in existence; (b) Pay the present 5% for franchise rights; (c) pay an additional 10% to the City if the City would do the billing and collections on behalf of Sun Valley Disposal Co., Inc.

It was the City Attorney's opinion that the City has a legally binding contract with the Disposal Transportation, Inc. to perform garbage service to the City, and the agreement being considered tonight for billing services has a clause stating: "This agreement shall not be deemed nor construed to be a

6,427

A STATE OF THE PROPERTY OF THE

material change or modification of that centain contract between the undersigned corporation and the City of North Las Vegas, dated October 7, 1957. Mr. Dickenson stated further to enter into an agreement with another company would subject the City to a suit for breach of contract.

Mayor Hartke stated he concurred with the City Attorney and the agreement being considered is merely an addenda to an existing contract.

Mr. Rudlak was granted permission to file the Sun Valley Disposal

Mayor Hartke repeated the motion before the Council. Councilman House MOVED, Councilman Petitii SECONDED that the City enter Into an agreement with the Disposal Transportation, Inc. that the City do their billing and collections for a minimum fee of 5% of the gross revenue of this company for performing this service. MOTION CARRIED. Councilman Straham withheld his vote.

NEW BUSINESS

Sale of Austin-Western Street Sweeper Councilman Lindenberg Moved Councilman Strahan Seconded that the City Manager be authorized to sell the Austin-Western Street Sweeper, Model No. 60, Serial No. 5-190, to the City of Wells for the amount of \$1,000.00. payments to be made as follows: \$750.00 cash, and the balance in the coming fiscal year by the City of Wells. MOTION CARRIED.

Planning Commission Minutes 12-28-60

Approval of Tentative Plat Map of Park C North Subdivision a Unit IA

Councilman House Moved, Councilman Strahan SECONDED that the Council accept the recommendations of the Planning Commission and approve the tentative plat of Park North Subdivision, Unit 1A, (Excluding all other areas of this subdivision), and that this approval be contingent upon the approval of all department heads in regard to water, sewer, streets, and other offsite improvements. MOTION CARRIED.

Recreation Board

Councilman Petitti reported that the Seabees had offered their services to do some work in our City parks and would do so on Saturday, January 14, 1961.

Appointment of Member- County Board of Equalization Mayor Harthe stated he had served on the Clark County Board of Equalization for the past four years, and asked the Councilmen if one of them would have time to serve, stating it entailed some six or eight day time meetings with a regular agenda of people who have already protested and can protest while the Board is in session.

Councilman Strahan MOVED, Councilman Petitti SECONDED that Mayor Hartke be appointed to represent the City of North Las Vegas on the Clark County Board of Equalization for the year 1961. MOTION CARRIED.

Resolution Re: Civil Defense Councilman Petitti MOVED, Councilman Houle SECONDED that the following resolution ré: Civil Defense be approved and the Mayor authorized to sign same:

## . RESOLUTION

WHEREAS, the modern methods of aggression require that a mutual aid plan be formulated in conjunction with other political subdivisions in the North Las Vegas Metropolitan Area to insure the inhabitants of North Las Vegas the maximum protection in any emergency, active aggression, or mutual catastrophe; and

WHEREAS, such mutual aid plan will benefit all persons in the North Las Vegas Area; and

WHEREAS, such plan will provide for and make possible the effective and efficient functioning of civil government under emergency conditions; and

WHEREAS, such mutual aid plan requires the assent and agreement of all interested political subdivisions,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of North Las Vegas at a regular meeting thereof held on the 3rd day of January, 1961, that the City of North Las Vegas does her by enter into a mutual aid program with the City of Boulder City, Nevada, City of Henderson, Nevada, City of Las Vegas, Nevada, and County of Clark, Nevada, for the mutual protection for the inhabitants of North Las Vegas, Nevada, and these cities and Clark County in the event of any emergency.

BE IT FURTHER RESOLVED that such plan shall provide, among other things, for a mutual civil defense program; for an advisory civil defense board to be composed of the Civil Defense Director

P9. 428 Jams, 1961

Councilman Petitti MOVED, Councilman Houle SECONDED that Mr. Schumer's resignation from the Plumbing Board be accepted and a vacancy on the board created. MOTION CARRIED.

ACCEPTANCE OF WATER WELL, EAST VEGAS TRACT, AND RELEASE OF BOND S. R. MCKINNEY & SON, INC. Councilman Petitti MOVED, Councilman Houle SECONDED that the Water Well in the East Vegas Tract be accepted and the bond be released as per Mr. Piper's recommendations. MOTION CARRIED.

PROPOSED AUGTION-EERING BUSINESS-CHARLES TACKETT Council discussed the regulation of an auctioneering business; especially emphasizing the City's having full control, and projection of public by restricting types of merchandise to be auctioned. Pictures provided by Mr. Tackett showed proposed location to rear of the E & T Drug, and the substandard buildings to be removed.

The matter was discussed at length and the City Menager authorized to gather information from California for analysis.

PROGRESS REPORT DISPOSAL TRANS-PORTATION, INC. City Manager Lynch stated he had asked the Disposal Co. for a distribution of the number of customers within the City and outside the City, as the profit picture within the City may be affected by customers outside the area.

Also, Mr. Lynch pointed out: the new Union Labor costs are not what it actually cost them last year: it is what they assume it will cost them next year; it is an adjusted figure.

Mayor Hartke stated some 2½ years ago, he had proposed, as an additional source of revenue, that the City do the billing for the Garbage Co.

Mr. Lynch stated the City would do the billing effective Jan. 1, 1961, the terms, conditions and charges for this to be negotiated. The billing would be done after the service is rendered rather than in advance. Insofar as any other companies wishing to perform garbage service for the City, Mr. Lynch had let it be known that the Council has a continued interest in any reasonable offer.

Mayor Hartke stated at the inception of his being elected Mayor; he had reviewed the garbage contract and noted no provision was made for the City to receive any monies from this Company for the franchise and had successfully negotiated a 5% of the (gross fee) for the City.

SPECIAL

Report Re: Baker Pony Rides Dr. Houle Dr. Houle gave a report on the Baker Pony Rides, stating he had tried to review conditions from a Sanitary and Health Board point of view. Dr. Houle reported as follows:

- 1. He is not for or against the situation after studying it out.
- The ponies have been kept out there for six years and the neighbors would feel badly if they were taken away.
- 3. From a Sanitary Point of View, this is less of a hazard than some yards where pets are enclosed.
- 4. Inquiry of Paul Summer revealed we have never had any complaints there.
- 5. The Bakers keep the place cleaned up; use their truck to take the refuse to the City Dump.

Dr. Houle stated he felt the Council should think twice about whether horses are going to be kept in the middle of our City, however, until such time as the Council received a complaint from the neighbors, Health Dept., or owners of the land, no further action should be taken relative to these ponies.

Receipts and Disbursements Deportmental wise City Manager Lynch stated he had prepared separate departmental reports of receipts and disbursements to show each departmental supervisor how he stands. Mr. Lynch revealed the over-all revenue potential of the City now stands at 85% of the anticipated revenue, which is well within the range of estimate. Also, the City has been cut short by some revenue due from the State, approximately \$20,000 which should come in January, 1961. However, the total picture is good, as disbursements are 87% of budget estimate.

Recreation Board Resignation Pry. Overhe Councilman Petitti MOVED, Councilman Houle SECONDED that the Council accept the resignation of Mrs. Bob Goerke from the Recreation Board, due to illness in the family. MOTION CARRIED.

Appointment to decreation Board Mr. Fem Bowers Councilman Petitti MOVED, Councilman Houle SECONDED that the Council appoint Mr. Ken Bowers to fill the vacancy on the Recreation Board. MCTION CARRIED.

MOTION CARRIED.

MEV LIQUOR MANCE

医骨部 人際

FUBLIC HEARING Mayor Hartle announced that this was the public hearing on the North MEV LIGUOR Les Vegas Liquor Control Ordinance \$174, which had been read in full CONTROL ORDI- at the September 21, 1959 Council meeting. Copies were made available to those present.

The City Attorney made a correction on Section 2, Paragraph 27. It read: The holders of present procery store ilquor licenses shall continue to be valid, so long as they do not change ownership or plocation. At such time license, will become void. The words present, bunership or were striken, changing it to read: The holders of grocery, store liquor licenses shall continue to be valid, so long as mey do not change location. At such time license will become void.

Mr. Jack Gribben of North Side Mark, t. 1888 Las Ve as Blvd., M. was: fecognized and asked why a grocery store could not self its liquor license along with his store on a change of ownership. The City Clerk said the above correction in the ordinance corrected this.

Reference was made to Settlem 11, Paragraph 3, "No liquor shall ever be sold or dispensed to be by any person in an intoxicated condition; and the burden shall be on the licensee to determize the condition of said intoxicated person." The intent of this clause had been explained to one of the Cityts policemen who had thought he had to rely on the litensee's judgement as to "degree of intoxication" rather, than on his own judgement and subsequent tests. The intent was to provide the licensee with the right to refuse to sell an intoxicated person alcohol.

Mr. Alex Nottleman, partner of Mr. Gribben of North Side Market, asked the question relative to Section 2. Paragraph 27, stating a grocery liquor license could not be transferred to a new location: "Why discrimintate between a samil and a large stora?" Councilman Houle stated it was the Council's intention not to issue any more small grocery store liquor licenses. If they expanded and moved to another location and made capital investment of \$100.000.00, they could still obtain a liquor license. Mayor Hartke reminded Mr. Nottleman that hoth camind and liquor are privileded businesses. askod both gaming and liquor are privileged businesses.

Mrs. Opai Ellis, representing the Town Club, 1650 Las Vegas Bivd., N., was recognized. Mrs. Ellis asked several questions concerning "beverage" and was referred to the definition of same. Also krs. Ellis referred to Section 2, Paragraph 19, which stated: A "restaurant beverage license" shall permit the serving of beer or wine with meals. Mrs. Ellis said she would interpret this to mean a person could not have been or wine in a restaurant without ordering a meal. The council agreed to strike the words with meals. Mrs. Ellis also took exception to Section 16, which states: "It shall be unlawful for any permittee or licensee to sell, serve, or give away any intoxicating liquor on any election day between the hours of 6:00 A.M. and 6:00 P.M., or on any day designated by the City Council on which intoxicating liquors shall not be sold, served, or given away. Mrs. Ellis felt this gave the Council too much leeway, and might be used indiscriminately by other Councils, etc. The City Attorney stated this was to cover bond elections and the like. Also Councilman Houle stated again that this is a privileged business and he did not feel this was giving the Council too much control. The Council was in agreement to leave the clause as written. clause as written.

There were many other liquor licensees present, as well as Sam Taylor, Executive Secretary for the Clark County Licensed Beverage Association, all of whom were given the opportunity to speak and none had any objections.

Councilman Petitti MCVED, Councilman Houle SECONDED that Cristmance /1744 AN CROINANCE REGULATING THE DISTRIBUTION AND COMTROL OF INTOXICATING AND ALCOHOLIC LIQUORS AND REVERGES: REGULATING PLACES WHERE AND UNDER WHAT CONDITIONS SAID INTOXICATING AND ALCOHOLIC LIQUORS AND BEVERAGES MAY BE KEPT, SCLD, GIVEN AWAY OR DISTRIBUTED: FROVIDING FOR PERMITS AND LICENSES: FROVIDING FOR PENALTIES FOR THE VIOLATION OF THIS ORDINANCE: AND REPSALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFELICT THEREWITH, be passed and adopted with the following corrections:

Section 2. Paragraph 19, delete the words "with meals."

Paragraph 27, delete the words "present" in 1 he one, "owner-ing two, and "or" in line three. Section 2, Paragra ship" in line two.

GARRAGE CONTRACT-50. NEVADA DISPOSAL CO. Mayor Hartke Informed the Council that he had negotiated with the Southern Nevada Disposal Co. for 5% of the gross receipts from the Garbage Company as instructed by the Gouncil at the June 15th meeting, and that the Company had agreed to the increase effective October 1, 1759.

Councilman Houle MCVED, Councilman Petitti SECONDED that the Council accept the Mayor's negotiations with the Southern Nevada Disposal Company for a raise in rates to 5%, beginning October 1, 1959. MOTION CARRIED.

MORTH LAS VEGAS PLAN-NING COMI-15910H CHAIR-

Mayor Hartke read for the records a letter from John E: Myers of the North Las Vegas Planning Commission, dated June 25, 1959; in which he advised Don Myrick had been elected chairman of the Planning Commission for the ensuing year, his term of office to expire on June 30, 1960.

BIDS-SEWER Councilman Lindenberg MCVED, Councilman Petitti SECONDED that the Water INSTALLATION- Master be empowered to advertise for bids for cement asbestos pipe for COLLEGE PARK sewer installation in College Park #13 and a portion of #16, the bids #13 and PORTICNIO be opened on August 3, 1959. MOTION CARRIED.

POLICY-WATER MAIN INSTAL-LATIONS- SUB-DIVISIONS

Councilman Lindenberg stated he felt it was necessary to form a policy with respect to water main installations in subdivisions, the last policy being set forth March 7, 1955. The Mayor requested Councilman Lindenberg put his recommendations in writing, and it could be checked as to form. etc.

Councilman Lindenberg brought up the question of possibly combining meter combined meter readings, where there is more than one meter, to give the customer a READINGS possible lower rate, citing Trentles Trailer Court as an example. Mayor marks suggested that a study be made of a number of businesses with more than one meter over a two months period and recommendations be made from such a study rather than one isolated case.

VACATION OF Councilman Lindenberg requested that vacation pay be allowed one employee VACATION WATER in the Water Department in lieu of vacation; inasmuch as he was being personnel.

asked by the City to continue working and the time limit for this vacation had expired. City Attorney Dickerson asked whether it was his proposal to pay the imployee, in effect, "double" and stated if this were the case, it was lilegal.

Councilman Lindenberg MOVED, Councilman Houle SECONDED that Water Dept. employee, Jack Maners, be authorized to take his vacation after the present exter crisis has passed and be paid for in a regular manner. NOTION CARRIED.

APPEINTMENT-P HEALTH COLLISSIONERS tinyor Hartke stated that two Councilmen should be appointed as Health Commissioners to serve as members of the Clark County Health Board.

Councilman Petitti McVED, Councilman Houle SECOMDED that Dr. Houle and by Lindenberg be made members of the Clark County Health Board. MOTICAL CARPIED.

BUTTY OF CITY POLES

City Treasurer Houle referred to the Statutes of Nevada, Chapter 283, 1953, p. 396. Section 6, as follows: "The Council shall cause as audit of the said city broks and accounts to be performed and rendered after the close said city broks and accounts to be performed and rendered after the close of each fiscal year of said city or oftener at the discretion of said council. Said audit shall be made by a certified public accountant to be appointed annually by the city council." Councilman Houle stated the fiscal period ended June 36, 1957 and as City Treasurer felt an audit was in order. The City Clark sivised that the books of the City were audited semi-annually, at the end of Incomber and June by the firm of Robison, Will and Wood, Centified Public Accountants of Salt Lake City, Utah, and they would audit the books as soon after the close of the fiscal year as their schedule would permit, probably the last of July.

Bevel of The align b

Councilman Houle MCVCI that the City Council should reprimend and densure 1.6 action of Councilmen Lindenberg and Straben for conduct unbecoming and inen. This is sue to removing files from the City Hall and to described. This is sue to removing files from the City Hall and to described in the erronous information to the press calculated to mislead the public and to impair the reputation of a member of the Council. They are continuously moduled in the much and mire of dirty politics to make the lines for the serves and their salfish aims. Inasmuch as Councilmen in the lines for the serves and their salfish aims. Inasmuch as Councilmen in the three parts of the strabe have seen fit by foul means to attempt to discredit a captar, it sight be well no print out in Mr. Lindenberg's case that the first in violation of the law. Since October 6, 1000, he has been within a market of a council as the situation. There is no other choice of the first in the first interest interest in the first interest interest in the first interest interest

Dg. 256 Ju

A TOTAL STATE OF THE

recommending certain streets be designated as truck coutes and requesting up-grading of specifications for same, providing for weight limits per axie, etc., to be incorporated in an ordinance and suggesting methods of financing cost of improvement of structs designated as truck routes, etc. Discussion followed by members of the Council, and it was pointed out that it was not economically feasible at this time.

Councilman Strahan MOVED, Councilman Petitti SECONDED that the recommendation of the Planding Commission felative to truck routes be tabled for further study. MOTICN CARRIED.

"JOE WILSON PARK"

Mayor Hartke reported that he had been in conference with member of the Clark County School District relative to the purchase of lease of property known as "Joe Wilson Park" and had determined that in accordance with state laws the property must be appraised and then put up for sales. The School Board is presently having an appraisal made of approximately ill parcels of land, or 2k acres, with a request that a minimum value be placed on each unit, and the City of North Las Vegas will be given the first apportunity to purchase. It will be approximately 60 days before the appraisal will be completed. will be completed:

BOARD OF ELECTRICAL EXAMINERS

A list of names were submitted by Chief Bldg. Inspr. Tate for perusal by the Council from which a Board of Electrical Examiners, as called for in the electrical code, might be selected. Councilman Petitti suggested a decision on this board be made at a future meeting, to which the balance of the Council concurred.

RIGHT-OF-WAY AGREEMENT CITY OF LAS VEGAS

City Engineer Chary requested the Council to authorize the Wayor and City Clerk to sign a right-of-way agreement with the City of Las Vegas, for the Pecos sewer line, immediately upon its presentation.

Councilman Petitti MOVED, Councilman Strahan SECONDED that the Mayor and City Clerk be authorized to sign the agreement with the City of Las Vegas when they approve the right-of-way for our Pecos Sewer Line. MOTION CARRIED.

BID CO 30 H.P. PUMP

Water Master Piper requested permission from the Council to purchase an an emergency basis a 30 horse power pump to replace a larger pump being moved from College Park #2 well to the East Vegas Tract Well #1. The College Park #2 well would only require a 30 H.P. motor to pump 200 gallons of water per minute and could be purchased for approximately \$5,161.00; from Pheips Pump A Faultment Council Pump & Equipment Co.

Councilman Petitti stated he wanted to go on record as not favoring emergency purchases, saying he felt we could anticipate and plan our programs for enough in advance so we can advertise for bids on purchases in amounts of \$1,000 and over.

Councilman Strahan MOVED, Councilman Petitti SECONDED that Mr. Piper be authorized to request at least three bids for the purchase of a 20 H.P. pump for use in College Park #2, the sealed bids to be in the hands of the City Clerk no later than 5100 P.M., Wednesday, June 17, 1959. MOTION CARRIED.

GARPAGE DISPOSAL CONTRACT

Mayor Hartke gave a brief outline of what other cities are recelving percentage wise from their agreements with the garbage disposal company, saying Henderson receives 10%, but it return loss the disposal company's billing for them on their machines, and no collectors are required in the field.

The City of Las Vegas is auditing the disposal company's books, and North Las Vegas could avail themselves of the same audit, at rocost, to facilitate bargaining. It was brought out that although our contract has an acceleration clause based on larger gross, etc., that we might not be able to expect as large a percentage increase as Las Vegas due to the delinquency factor in North Las Vecas.

Councilman Houle MOVED, Councilman Petitti SECONDED that the Mayor be authorized to negotiate with the Southern Nevada Disposal Company for a raise in rates, to be no less than 5%. MUTICA CARRIEL.

Mayor Hartke announced the meeting would be recessed until June 17, 1959 at 5:00 P.M.

and have a date set for opening of the bide. .

Councilman Beatty MOVED, Councilman Stein SECONDED that the Water Master be authorized to seek bids in the usual manner for sewer line contract in Codlege Park #11. ACTION CARRIED.

Mr. Piper brought up the matter of acceptance of deeds covering two tots in the East Vegas Tract, one with a well and the other the City is contemplating crilling a well on, which is from John Cavanaugh, Margery Cavanaugh, Charles Cavanaugh and Mary C. Cavanaugh. Mr. Piper said there was one more well permit to get from the Cavanaughs, which was just a matter of getting Charles Cavanaugh's signature.

Councilman Stein MOVED, Councilman Beatty SECUNDED that the City accept the site commonly known as the Cavanaugh Well-Site described as Lot Sixteen (16) In Block Fourty-four (14) and Lot Thirty (30) in Block Fourteen (14) of the East Vegas Tract in the County of Clark, State of Nevada, and also accept the assignment of Water Fermit #133329, and the other necessary papers for the acquisition of the Well, subject to Mr. Charles Cavanaugh's signature. MOTION CARRIED.

Mr. Joe DeMarco, who was present, asked if the Cavenaughs were being compensated by the City for this property, to which Vice President Lindenberg replied; "No."

## Street Dept.

Street Superintendent Jacka read an inter-office communication dated January 19, 1959 to the Mayor and City Council re: Mr. Purdy of Vegas Wholesale having excavated a street on property owned by Mary Bruno, and the proposed use of a portion of white St. Ms a truck thoroughfare through to College, which would be in w clatton of City's trucking ordinance. Vice President Lindenberg said he thought Paul Mathis was also in violation of this ordinance and should also be considered in this connection. Discussion followed, and it was determined that Mr. Purdy could use Carey Street to McDaniel and thence to the Highway, but not White Street.

Councilman Strahan suggested the Council direct the Chief of Police to contact to. Purdy and give him an ultimatum to use Carey and abandon the use of White Street, informing him the law will be enforced.

Mr. Jacks suggested the matter of setting up pre-designated streets for truck routes be referred to the Planning Commission, as this is becoming an increasing problem. After the Planning Commission has designated the streets to be used, the plan should be submitted to the City Council for approval.

Vice President Lindenberg directed Police Chief Bunker to contact Mr. Purdy and carry out the instructions of the Council.

The matter of Paul Mathis was brought up; and it was noted that at the December 15th meeting of the City Council the licenses to Paul Mathis for a tree topper license and excavating, grading and paving at 313. N. Main, Las Vegas, were to contain a clause that no equipment be kept at his home address (1836 Jefferson, North Las Vegas) or vicinity. Councilman Strahan felt he should be given a warning that he is in violation by parking his trucks at his home, and if he does not cooperate, he should come before the Council February 2, to show cause why his license should not be revoked. Chief Bunker was directed to take care of this matter also.

## SPECIAL BUSINESS

Councilman Straham asked the Council if they would be in accord with having the City Clerk write a letter to the Southern Nevada Disposal Company requesting that the lida be replaced on garbage cans after they have been emptied. Mr. Tate said the building department received many calls from citizens regarding this. Councilman Strakan said he felt the matter was serious enough to constitute grounds for revoking their franchise in North Las Vegas. The Council agreed to asking the City Clerk to write the Disposal Co. regarding the matter.

end he wished to compliment the City Council or whoever was responsible for getting the new shopping center for College Park. He said he was very grateful for it and wished to give the Council a vote of thanks.

Mr. Hufford was informed that in the spring, the ballot would include voting on an assessment district for further improvements to the City as we attempt to move toward a first class city with sidewalks, street lights, curbs, and gutters.

Councilman Stein MOVED, Councilman Strahan SECONDED that the meeting be adjourned until February 2, 1959 at 7:00 P.M. MOTION CARRIED.

Coincilman Lindenberg asked, if the license were in existence as applicable to tavern figure and beverage licenses, an increased fee would have had to been paid? Is that correct? The City Clerk replied if the option were exercised now and they were permitted to operate in the new location, the fee would have to be increased.

After discussion, Councilman Lindenberg MOVED, Councilman Strahan SECONDED, that the Council approve the change of address on the retail liquor license, but refer the change of type of license to the City Attorney for an opinion to be given at the next meeting. MOTION CARRIED.

Chief Bidg. Inspr. Roland Tate requested the Mayor to write Mrs. Lillian Miller in remained to her cooperation in removing the old buildings at 1884-86-88 No Main Street and replacing them with creditable new buildings. The Mayor stated this would be done and that in the course of his program of public relations had written over 1500 letters to citizens relative to a clean-up campaign, and had also written many letters to citizens in regard to any achievements (civic and club organization participation) or any paraons accomplishments or disaster that are made known to him. The Mayor felt the results of these letters were very satisfying and had established a good foundation of public relations, which had heretofore not been attained.

The City Attorney presented a lease between the Clark County Fair and Recreation Board and the City of North Las Vegas, outlining the terms and conditions for leasing the property at the location of the swimming pool, as follows:

The term of the lease shall be for a period of five years commencing April 1, 1958 and terminating March 31, 1963, providing that the term shall be automatically extended for successive periods of five years, unless one or the other parties gives notice of intent to terminate at the end of the then current term. Mayor Hartke recommended that this matter be tabled at the present time, as he was vice Chairman of the Fair and Recreation Board and wanted to check the matter.

Councilman Beatty MOVED, Councilman Strahen SECONDED that the meeting be recessed until

MINUTES OF REGULAR COUNCIL MEETING OCTOBER 7, 1957

A regular meeting of the City Council of the City of North Las Vegas, Nevada was called to order by Mayor Hartke at 7:00 P.M., Monday, October 7, 1757, at 1301 East College Avenue, North Las Vegas, Nevada. Present and constituting a sudrum were Councilmen Beatty, Lindenberg, Stein and Strahan; also present were City Clerk Nelson and City Attorney Mendoza.

Reverend G. B. Gudmundsson gave the invocation.

## APPROVAL OF MINUTES

Councilman Beatty MOVED, Councilman Strahan SECONDED that the Council approve the minutes of September 16, 1957. MOTION CARRIED.

# GARBAGE CONTRACT

This matter was moved to first order of business as all interested parties were present.

Attorney S. Lionel, representing the Clark Sanitation Company was opposed to a new contract with the Southern Nevada Disposal Company. He felt the City should advertise for bids, and that his company was prepared to pay the City 10% of the gross sales for the garbage franchise.

Councilman Stein asked Attorney Lionel how long their company had been operating in this area, how many trucks they had, and how many employees. Attorney Lionel replied that they had been operating about five months, had two trucks and two employees, and in a position to get more trucks, etc. Councilman Stein asked how much they were capitalized for, and Attorney Lionel replied \$25,000.00.

Attorney Lionel went on to say that the contract now existing was an illegal contract, to which Mayor Harthe objected; asking the attorney if it was not a matter of opinion rather than a decision of the court. Attorney Lionel then stated that he was quite certain the original contract was illegal, because the original contract was drawn up and signed in 1952; at which time the Council then in office did not have the power to give a franchise, and did not have such power until the City Charter of 1953 provided such power.

Heyer Hartke then asked Councilman Lindenberg if he had any comments he wished to make in this matter, and Councilman Lindenberg referred to certain sections of the statutes which required the City to make certain regulations to secure the general health of the City. It was Councilman Lindenberg's belief that the Council's obligation to provide the City with an adequate means of disposing of their garbage was sufficient basis for their entering into a garbage contract.

Councilman Strahan asked City Clerk Nelson if the former City Council had not excercised their option to renew this contract with Southern Nevada Disposal Company. City Clerk Melson replied in the affirmative.

Attorney Lionel replied that this did not alter the fact that the original contract was entered into illegally. Mayor Hartke asked Attorney Lionel if he did not feel, as an attorney, that the exercise of an option would impart the ratification of a contract. Attorney Lionel replied that this was not what the City was doing - they are not renewing a contract; they are entering into a new contract for a longer period of time.

Tayor Marike stated that the Council felt the contract entered into was legal. Attorney 2 lone! again stated be felt a new contract should go out on bid.

Pg. 110 oct. 9,18

City Attorney Leavitt presented to the Council the contract with the Class County Humane Society. Miss Williams and Mr. Gaston of the Humane Council by Mr. Leavitt. After such discussion and disagreement on the contract submitted, this matter was tabled until 4th January, 1954. Miss Williams then explained the new licensing system to the Council.

Inasmuch as Mr. Charlie McDoneld complied with Charter of the City of North Las Vegas in regard to annexation of property and there was no public objection to this annexation. Councilman Stanley moved that Mr. McDonald's property be annexed to the City of North Las Vegas, Nevada, Councilman Duritly seconded the motion and it was carried unanimously.

Councilman Gilmore brought to the Council's attention the mecessity of a resolution to set the fees of slot machine and gambling device licenses. Councilman Stanley duly moved that the following resolution be a lighted;

BE IT RESOLVED that the License Fee for all alot machines be indicated from \$10.00 to \$15.00 per quarter per machine and that the License fee to operate a gambling device, pinball machine, minature broading alley, shuffle boards, etc. be increased from \$5.00 to \$15.00 per quarter per machine, until such time as a new Ordinance can be drawn up governing License Fees on the above gambling and amusement devices.

Councilman Duphily seconded the motion and it was carried unantapush;

The following schedule for increase in wages for the Water Department was presented to the Council for approval. This increase amounts to approximately a 5% raise, and will be effective 1 January 1954.

Robarts - \$1.66 increased to \$1.85 per hour

Dunn - 1.85 " 1.95 "

Brown - 2.00 " 2.10 "

Parsons - 1.85 " 1.95 "

Ely - 1.66 " 1.75 "

Piper - \$400.00 increased to \$450.00 per month

O'Dell has not been with the City long enough to be included in this raise.

Councilman Gilmore moved and it was duly seconded by Councilman Duratly that the Council accept as outlined, the raise in Water Department salaries effective 1 January, 1954. It was carried unanimously.

A schedule for an increase in wages for the Street Department was proposed. Guy Jacka would receive \$400.00 per month instead of \$375.00. Each man employed by the Street Department would get a raise of .10¢ per hour effective January 1, 1954. All these employees have been with the Department for over six months and their present adlaries correspond with the present adlaries of the Water Department. Councilman Gilmore moved that this increase in wages for the Street Department be accepted and approved as presented. Councilman Duphily seconded and the motion was unanimously carried.

An emergency ordinance numbered 108 and entitled: "AN OBLINANCE OF THE CITY OF NORTH LAS VEGAS, NEVADA, ALENDING SECTION NO. 1 OF ORDINANCE NO. 82 ENTITLED: "AN ORDINANCE TO AMEND SECTION NO. 11 OF ORDINANCE NO. 7, BY PROVIDING A NEW SCHEDULE OF RATES FOR GARBAGE COLLECTIONS AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES, IN CONFLICT HEREWITH BY PROVIDING A NEW SCHEDULE OF RATES FOR GARBAGE COLLECTIONS, AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT HEREWITH, AND DECLARING AN EMERGENCY, was read aloud. Councilman Gilmore moved, Councilman Duphily seconded, and it was unanimously carried that this Ordinance be adopted effective December 31, 1953.

An emergency ordinance numbered 109 and entitled AN ORDINANCE OF THE CITY OF NORTH LAS VEGAS, CLARK COUNTY, NEVADA, REQUIRING PERSONS ODIVICTED OF CERTAIN CRIMES; WHO SHALL COME INTO OR BE WITHIN THE SAID CITY OF NORTH LAS VEGAS, TO REGISTER IN THE OFFICE OF THE CHIEF OF POLICE OF SAID CITY, FIXING THE PENALTY FOR THE VIOLATION HEREOF, PROVIDING FOR OTHER MATTERS RELATING THERETO, AND DECLARING AN EMERGENCY, was read aloud to the Council. Councilman Duphily moved, Councilman Gilmore seconded, and it was unanimously carried that this Ordnance be adopted as read, effective December 31, 1953.

An emergency ordinance numbered 110 regarding a Public Pound was read. Councilman Duphily moved that this Ordinance be tabled until further  $\infty$ n-sideration could be given on it. Councilman seconded and this motion was unanimously carried.

Ah ordinance numbered 111 entitled AN ORDINANCE PERTAINING TO PERSONS RESISTING OR OBSTRUCTING POLICE OFFICERS WHILE IN THE EXERCISE OF THEIR OFFICIAL DUTIES, AND PROVIDING FOR PENALTIES FOR THE VIOLATION OF THIS ORDINANCE, was read aloud for the first time. This ordinance was held for the second reading at the next regular meeting of the City Council.

An Ordinance numbered 112 entitled AN ORDINANCE DEFINING AND PROHIBITING PETTY LARCENY AND PRESCRIBING PENALTIES FOR THE COMMISSION THEREOF AND FEPELLING ORDINANCE NO. 20 ENTITLED "AN ORDINANCE DEFINING AND PROHIBITING PETTY LARCENY AND PRESCRIBING FENALTIES FOR THE COMMISSION THEREOF", was read aloud for the first time. This ordinance was held for the second reading at the next regular meeting of the City Council.

Pg. 280 Nec. 21, 1953

Mr. Robison and Mr. Hill presented to the City Council the completed audit report for the period January 1, to June 30, 1953 which was read in full to the City Council. The report was then discussed and various details were brought up that necessitated action in regard to the affixing of the responsibility of water hook-ups and water users.

Councilman Stanley moved that in connection with this matter, the firm of Robison and Wood be instructed to contect Lauren Gibbs and have him formulate an ordinance covering this matter, to be included in said ordinance; a registration date for all water users to appear at the City offices and sign up for water usage. Councilwoman Porter seconded the motion. The City Clerk was instructed to write Mr. Gibbs also and give him written authorization.

Mr. Robison then presented to the City Council the Claim for their suditing services in the amount of \$3,304.00. Councilman Gilmore moved that this claim be allowed. It was carried unanimously.

City Engineer Si Perliter then requested that Publication of Notice for Removing, Reinstalling, Furnishing and Installing Deep Well Pumping Unit be effected. Specifications to be made available in The City Clerk's Office. Councilman Stanley then moved that Council authorize the publication of these notices, to be effected on December 2nd, 1953, Second Notice of Publication, December 9; 1953. Councilman Duphily seconded the motion. Carried unanimously.

Mr. Perliter then brought up the subject of Flood Control Study. Authorization had been granted by Congress in June of 1952; however, no funds had been voted for this purpose. It was suggested that letters be directed to the State Senators requesting that action be taken towards the voting in of these funds.

The proposed raise in garbage rates as submitted by the Southern Nevada Disposal Service then was brought up for discussion. It was decided that these raises be allowed. Councilman Gilmore moved that a resolution be adopted allowing the increase in rates as proposed by the So. Nevada Disposal Service and that an employe of said Company be deputized to. effect collection of monies and enforce the garbage ordinance. Councilwoman Porter esconded the motion. Carried unanimously. The City Clerk was instructed to write Mr. Max Chasin to this effect.

Councilman Stanley moved that the meeting be adjourned. Councilman Gilmore seconded the motion. It was carried unanimously.

MINUTES OF THE REGULAR DEETING OF THE CITY COUNCIL OF THE CITY OF NORTH LAS VEGAS, NEVADA.

December 7, 1953.

A regular meeting of the City Council of the City of North Las Vegas, in the County of Clark, and State of Nevada, was held in due compliance with the law and the ordinances of Said City, at 7:00 o'clock P.M. at 1836 North Nain Street in North Las Vegas, Nevada, on December 7, 1953. There were present and answering the roll call, the following constituting a quorum:

Mayor: Councilman: Councilman: Councilman Councilwoman: Earl J. Webb Warren T. Stanley Henry J. Duphily E.L. Gilmore Dorothy Porter

There were absent:

None

There were also present:

City Clerk! Jane M. Lopez City Attorney: Elwin Leavitt

The meeting was called to order by Mayor Earl Webb.

Minutes of the regular meeting, held November 2nd 1953, and the special meeting held November 30th, 1953, were read and approved with a correction teing made in the Minutes of the regular meeting.

Councilman Gilmore opened the discussion on a proposed increase in wages for the Police Department. This increase in wages will amount to a 10% increase over the preveiling rate and is a nominal raise. Since it is agreeable with the Chief of Police and the rest of the force, who at present are dissatisfied with their wages, it would stop many of our trained officers from leaving our force. This raise will not go into

Pg. 276 Nec. 7, 1953

Si Perliter brought to the attention of the City Council the necessity of hiring a capable person to obtain sewer right-aways inasmuch as the City Clerk is in no position to handle this matter. Mr. Perliter stated that a Mr. Stoll, who is employed by George Wade, the City Engineer of Las Vegas, is agreeable to doing this job and he is well qualified for it. It was duly moved and seconded by the City Council that Mr. Perliter would hire Mr. Stoll and he would be under the direct supervision of Mr. Perliter. Mr. Perliter will bill the City of North Las Vegas for Mr. Stoll's services. This action is pending the approval of Ceorge Wade to allow Mr. Stoll to do this.

Mayor Webb read a letter from the Pacific Coast Building Officials Conference stating that their service fee to Active Class A Members has been changed from \$30.00 to \$50.00 and requested that the Council complete the enclosed ballot as to whether they are agreeable to this change or not. Councilman Stanley moved that the City of North Las Vegas accept the raise in fees and approve Article III and Article IV. Councilman Gilmore seconded the motion and it was unanimously, carried.

A discussion was held on a proposed raise for garbage disposal. Councile man Gilmore moved and it was duly seconded that the discussion be tabled until a following informal meeting of the council in order that more research can be made on this subject.

A protest by Mr. Al Banks was filed in regard to his sidewalk assessment. This was discussed, but inasmuch as Mr. Banks was not present no action was taken.

The City Council authorized an extension of two weeks for the clean-up campaign as there is more work to be done in regard to this matter. Notice of this extension is to be published.

A letter was read from Larry Miller, which proposed that the City lease property from him at \$50.00 per month for storage purposes for a period of three years. Another letter was read which stated that the City could obtain a lease on some property with an option to buy and where it would be possible to remove any improvements made. This property would also be used for storage space. Both these proposals were tabled for further investigation and discussion.

City Attorney Elvin Leavitt read a letter from Mrs. Talbott's lawyer pertaining to the condemned property at 1812 Goldfield Avenue and the back water and sever bill on this property. The council referred this letter to Mr. Leavitt for an answer.

A letter was read from Dr. Paul Herzog in protest against the Sewer Assessment charge levied against him inasmuch as he has sold the property in question. It was decided that the City Clerk write Dr. Herzog advising him that this problem must be worked out between him and Mr. Dustman the new owner.

Mayor Webb read aloud the minutes from the Las Vegas Board of Appeels. Their purpose is to tie-in Henderson, Las Vegas, and North Las Vegas, under a uniform building code and Mayor Webb suggested that we give them our complete cooperation. It was decided with Mr. Beatty's approval that Mr. Rulen Beatty would attend all their meetings as a lot of questions which come up are answered at these meetings.

Si Perliter reported on Federal Homes Park proposal. Mr. Perliter atted that he gave Mr. Cory an advance copy for gravel-packed well specifications and Mr. Cory was to submit plans for a building permit which has not been done. It was decided that a special meeting be called to discuss this.

The following applications for licenses were presented to the Council:

It was duly moved by Councilwoman Porter that the above applications he accepted and licenses granted. Councilman Gilmore seconded this motion and it was unanimously carried. An application submitted for a Land-use Permit by Anthony Porter was referred to the Planning Board which will meet November 5, 1953. An application submitted by E.E. Harnell for a Public Safety Patrol was held up pending police investigation.

Pg. 274 Hov. 2, 179

Councilman Stanley then moved that the meeting be received until the following Monday evening, September 28, 1953. Councilman seconded the motion. Carried by unanimous votes.

Jane City Clerk

APPROVED:

Mayor of the City of North Las Vegas

APPROVED:

M. Lughills Williams Production

September 28, 1954.

The recessed meeting of September 21, 1953, was called to Order at 7:30 PM o'clock at 1836 No. Main Street, by his Honor, Kayor E. Webb, on Septembor 28th, 1953.

A letter from Osborne and Dermody was presented to the City Council and read, in which Mr. Broad, acting for Osborne and Dermody stated that due to the delay in obtaining a purchase order from the City of North Las Vegas, he would be unable to perform within the 60-day delivery schedule as set up by the 27th of July, 1953, Council Meeting. He also stated that the prices obtained at that time might not hold up at this date. He requested waiver of the original 60-day delivery date and authorization from Council to a possible increase in prices not to exceed 10% of original bid. Councilman Stanley moved that Osborne and Dermody be granted an additional 60-day extension on delivery from date of P.O. #1176 dated September 24, 1953, but any increase in price would not be acceptable to the City. Councilman Gilmore seconded the motion and the City Clerk was instructed to write Osborne and Dermody to this effect. The motion was carried unanimously.

Mr. Man Chasin of the Southern Nevada Disposal Service then in troduced Br. Weed who has been making a survey of the City of North Las Vegas in connection with the garbage and trash removal. His survey, as of September 28th, 1953, showed that there were 675 accounts available in North Las Vegas, and that the disposal service had picked up approximately 50 new accounts. He also stated that a great many North Las Vegans are not using service and are hauling their own rubbish and garbage and dumping it out in the desert and convenient ravines outside of the City Limits. He also stated that there had been numerous complaints made by regulat users concerning odors when trash and garbage were being burned illegally. He also pointed out the hazards implied to children where promis cuous dumping was taking place. Mr. Chason then introduced the estimated figures of revenues, dues, expenditures, etc., that he had introduced to the Council once before. These were still not acceptable to the City Council and Mr. Julius Newman, Certified Public Accountant for the Southern Nevada Disposal Service, was called upon and asked if he could provide the City Council with a true Profit and loss Statement for the third quarter. He stated that he could and would submit a certified profit and loss Statement. The Council then moved that the contract for Southern Nevada Disposal Service then be tabled until a proper statement was submitted to them for inspection.

Mr. John J. Ritter appeared before the City Council as requested by written instructions from the City Clerk in connection with a violation of the sewer ordinance. He stated he had taken out a permit when Mayor Reynolds was in office. He stated that he met with Mr. Foster and was told to get an easement from the owner. He then could tie on to the sewer. After considerable discussion, it was decided that Mr. Ritter was to bring in inspection papers the next day and Council would act at that time.

Mr. N.L. Rice then presented to the Council the completed petition on the Williams 3rd Addition requesting the setting up of an assessment district for streets, gutters and curb improvements. The City Clerk was instructed to write Nr. Gibbs about the possibility of setting up an assessment district for this addition. Councilman Stanley moved that this action be taken. Councilman Baphily mesonical this impaired. Carried unmaincusty.

A deed of dedication from Esau and Blanch Wilson was presented to the City Council. It was moved by Councilman Stanley that this be turned over to the Flanning Commission for necessary action. The motion was carried unanimously.

Pg. 265 Sept. 29

September 8th, 1955.

A regular meeting of the City Council of the City of North Las Vegas; in the County of Clark and State of Nevada, was held in due compliance with law and the ordifences of said City, at 7:00 O'clock PM, at 1836 North Main Street in North Las Vegas, Nevada, on September 8th, 1953. There were present and answering the soil call, the following, constituting a quorum:

MAYOR: Earl J. Webb Councilman: Warren T. Stanley Councilman: Dorothy Porter Councilman: E.D. Gilmore Councilman: Henry J. Duphilly

There were absent:

None

There were also present:

City Clerk: Jane M. Lopez Ass't. City Clerk: Enna B.Butler City Attorney: Elwin Leavitt City Engineer: Si Perliter

The meeting was called to order by Mayor Webb.

Minutes of the regular meeting, and of the recessed regular meeting held August 27; 1953, were read and approved at read.

An Ordinance entitled "AN ORDINANCE CREATING A MUNICIPAL PLANNING COMMISSION FOR THE CITY OF NORTH LAS VEGAS, NEVADA; PROVIDING FOR THE APPOINTMENT OF THE MEMBERS OF SAID COMMISSION; PRESCRIBING THEIR DUTIES; PROVIDING FOR OTHER MATTERS PROPERLY RELATED THERETO; AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT THEREWITH," was read aloud, in full, to the Council; Mr. Leavitt also discussed excerpts from the State Statutes governing the creation of a City planning commission and who was eligible to serve on this Board. This was the first reading of this Ordinance. Insofar as this was declared an emergency Ordinance, it will be published twice. Motion was duly made, seconded and carried that this emergency ordinance be adopted after the second publication.

The tentative list of names of the Planning Board members were again presented to the Commissioners, being: Floyd E. Brewster, Local Architect; Joseph Shapiro, Trailor Court Operator, J.K. Gollum; Wes Webber, Local Draftsman; Earl Evans, Realtor; Rulon Beatty, City Building Inspector; Leland McArthur; Warren Stanley, former Regional Board Member and present City Councilman; and City Engineer, Si Perliter. After much discussion, the approval of the list of names was tabled until the next meeting, pending the submission of additional candidates. This delay was duly moved and seconded.

The names of Mrs. Bernice Hutchison and Hal Fincher were presented to the Council for appointment to the Recreational Board for a term of one year. Motion was made by Councilman Stanley the they be appointed to serve on the Board, the motion was seconded by Councilman Porter.

The school sewage problem was brought up before Council and City Attorney was supplied with the necessary facts to defend the City of North Las Vegas in court action brought by the Las Vegas Schools.

Max Chasen, President of the Las Vegas Disposal Service, Inc., petitioned through his attorney, V. Gray Gubler, for a raise in the rates for garbage disposal in the City of North Las Vegas. Council voted to delay this issue pending receipt of a profit and loss statement from the Southern Nevada Garbage Disposal, Inc.

The completed plans and map for the Cleveland Tract was presented to the City Council by City Engineer, Si Perliter for final approval. The map was approved. Notion was duly made by Councilman Gilmore that the Boris Associates be required to post a Faithful Performance Bond of 100% for the Cleveland Tract for one year, at which time the Council can act on its extension. Motion was seconded by Councilman Stanley and carried by a unanimous vote of Aye.

City Engineer, Si Perliter, advised the Commissioners that Mrs. Boris has requested the City of North Las Vegas to bill her with an itemized statement to present to her backers concerning Sewer Pre-rayment.

Pg. 261 Sept. 8, 195

City for payment of the operating expenses of the Water Department for the remainder of the calendar year of 1952, as an emergency temporary loan. Motion was duly made by Councilman Webb, seconded and cerried that a rix months trailer permit be granted to E. L. Beebee, 2428 Statz Street and to L. Woodbury, 2544 Arrowhead Street. Mayor Reynolds informed the Council that the liquor license of the Jet Inn had been returned to the City by Jerry Frank. The following applications for licenses were presented to the Council: Jet Drive Inn Jet Drive Inn Little Club Grotto Bar H. Robinson H. Robinson H. Robinson Retall Beverage License S. Nasbey - E. Easu-Tavern Liquor & Bev. Lic. R. MacDonald & Cafe License R. MacDonald &

Margaret MacDonald - Tavern Liquor & Rev. Lic.

(adding name of Margaret MacDonald)

Roy Rittner-Carl Morgan-Tavern Liquor & Bev. Lic.

Motion was duly made by Councilman Carey, seconded by Councilman Webb and unanimously carried that the applications be accepted and licenses granted with the exception of the Hacienda Club and that be tabled until the report from the Police Department on the applicants is received. Upon motion duly made by Councilman Webb, seconded by Councilman Carey and unanimously carried Claims No. 3964 through No. 4033, Water Dept. Claims No. 1080 through 1082 and Street Dept. Claims No. 206 through No. 219 be allowed and paid. Councilman Carey stated he would like to have a meeting with the School Roard to find out if it is possible to have the children in the lower grades attend school on the side of the Highway in which they reside. It was felt that with the opening of the new school the small children would attend school on their respective sides of the Highway. The City Clerk was asked to contact the School Board to find out what arrangements would be made. A petition to adjust Garbage and Trash Disposal rates was presented to the Council. The petitioners stated they felt the rates are exorbitant. It was pointed out that some of the business houses had not been paying full feer under the old rates and therefor the new rates seemed too high. A lengthy discussion followed and Mayor Reynolds directed Councilman Webb to see what he could do to remedy the situation. It was brought to the attention of the Council that neveral adjustments in rates had been made by the Scuthern Nevada Disposal Company upon application by business men and residents. There being no further business to come before the Council at this time, motion was duly made, seconded and carried for adjournment. CILY APPROVED: ROVED: Signed in not pres November 3, 1952 A regular meeting of the City Council of the City of North Las Vegas, Nevada, was held on lunday, the 3rd day of Wovember, 1952, at 1836 North Main Street, at the bour of 7:00 p.m. Fresent at said meeting were Councilmen Carey, Webb and Stanley and the City Clerk. His Honor, Mayor Reynolds, was also present and presided at said meeting. Minutes of the regular meeting held on the 6th day of October, 1952 were approved as read. A letter of resignation from Suels Jane Adams, as member of the Juvenile Board was read to the Compoil. Notion was duly made by Councilman Carey, seconded by Councilman Webb and unanimously carried that the resignation be accepted. The City Clerk was instructed to write a letter to Miss Adams thanking hor for her services and the fine work she did while serving on the Board. A letter from the Regional Planning Commission recommending the re-zoning of Lots 5-5-7-8. Slock 1, lots 5-5-7-8. Block 2, and Lots 5-6-7-8. Block 3, all in the North Pifth Street Subdivision to Commercial, was read to the Council, after discussion was had, motion was duly made by Councilman Webb, seconded to Double Institute and unanimously carried that the lots be resoned as recommended by the Flanning Commission. For the presignation of Miss Reams from the Juvenile Roard, discussion took These as to a supressor. Mr. Stanley stated be thought persons interested in a party so the least thirld come fermand and make known they would like to approximate the astronomy and the top present.

Mayor Reynolds reappointed Leland MoArthur in pervo a stangent term on the Planning Board. Notion was duly made by Councilman Stanley, secunded in Councilman Corey and unanimously carried that the re-appointment for each second of the Council of the 11 and 11 a

APPROVED:

THEREOF AND REPEALING ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT THEMSTORY
WAS read a loud in full to the Council, Motion was duly made by Canadilan Stanfer,
Beconded by Councilman Carey and unanimously carried that the ordinance to adepted.

An agreement was reached with Southern Nevada Disposal Service whereby the Caty would collect garbage fees and for said services to receive 10 per cent of the collections made. An addendum is to be made to the agreement covering this.

The following letter was read to the Council:

Day and Nite Auto Parts Las Vegas, Nevada August 12, 1952

To the City Clerk City of North Las Vegas Nevada.

Dear Madam:

I hereby wish to notify you that it is my intention to appeal the decision of the city board regarding my application for re-zoning of my property on Roosevelt Street and I respectfully request a hearing before the city heard at your convenience.

Yours very truly,

/s/ Lee Wilte

A hearing was set on the above matter for Monday Evening, September 8, 1952 at the hour of 7:30 p.m.

An application for a Tavern Beverage and Liquor License for the Little Club, 1920 North Main Street, by Sid Nasbey and Smile Easa was prepented to the Council. Notion was duly made by Councilman Carey, seconded by Councilman Webb and unanimously carried that the application be accepted and license granted.

It was brought to the attention of the Council that there was a woman bartendar at the Starlite Bar for a matter of about two weeks and that the woman is supposed to be a part owner. Since no change has been requested on the license, the City Clerk was instructed to request Mr. Caves, holder of the license, at the Starlite to appear before the Council on Monday evening, September 8, 1952 at the hour of 8:00 p.m. to explain why an application to have the new owners name put on thelicense has not been filed.

A regular meeting of the City Council of the City of North Las Vegas, Nevada, was held at 1836 North Main Street, on Monday the 6th day of August, 1951, at the hour of 7:00 o'clock P.M. Present at said meeting were Councilmen Stanley, Webb and Carey, the City Clerk and City Attorney. Due to the absence of Mayor Reynolds, Homer Carey, Mayor pro-tem, presided.

Eligites of the regular meeting held on the 2nd day of July, 1951, were suproved as read.

Mr. Mosley and Mr. Nelson of Hevada Smitation met with the Council. They informed the Council that they are having considerable difficulty in keeping men on the job and would appreciate if the people would cooperate by not loading the garbage too heavily as that is the main complaint of the men on the trucks. Councilman Stanley stated that the Council is studying the Ordinance in view of limiting the size of garbage containers. Mr. Mosley and Mr. Nelson were requested to ment with the City Council for further discussion of the problem on Thursday, tuguet 16.

The subject of horses and cows being correled within the City was again brought up for discussion. Tony Brune suggested that they be allowed but not within 500 feet of a dwalling; Al Britz suggested a minimum of 300 feet from a dwalling; Mrs. O. The field stoted she felt chickens should not be allowed as the small from chickens is a offensive as that from horses or cows. Mrs. R. Leavitt, Mrs. Alla Worth and Mr. W. These was also among those protesting. William Pricke stated that a distance of 500 feet would outlaw all horses, cows, etc. as few residents have a large enough raises of property. Considerable discussion followed and motion was duly made by Councilman Teacher of property. Considerable discussion followed and motion was duly made by Councilman Teacher of property that the City Attorney be instructed to dreft an ordinance whereby horses, cows, chickens, suchs, or so called beingard fowls and animals cannot be kept within a certain number of feet from a dwalling. Said number of feet to be determined after further study of the problem.

ir. Tony bruno requested that the Council reconsider the closing of the floor show it the Chaisey Thub stating that it did draw business to North Las Vegas. Don Pitagerald of the Zoneiber stated he felt it was a drawing card and brought business, not only to the Yabbesy but to the other Clubs as well. The gentlemen were informed

Pg. 165 aug. 6, 19

that will be a credit to the City and would co-operate with the City Officials to the best of his ability.

Mr. Peelan and Mr. Nelson of Nevada Sanitation met with the Council. They PEWIAN ASKS FOR stated that the City has acquired a very good piece of land for a dump site but GENTROL OF DUMP that unless it is properly supervised it will not give the most in service that can be expected. They asked that they be given control as they have been advised by the Mayor that the City will not sell the land to them. Councilman Ward asked that time be given the Council to investigate the matter and the Council will must at 10:00 A.M., Wednesday March 22, 1950 at which time the Council will inspect the dump site and discuss the matter.

LATRO ASKS MISTISSAL OF ir. John Cope met with the Council and stated that his client, Mr. B. L. Laird requested he ask the Council to dismiss the suit which the City has against Mr. Laird. He asked if the City would extend the water lines to the nothern part of North Main Addition. Jos Svans, Watermaster, stated that the old lines are now overloaded and too small and to extend them would mean poor service to the users now on the lines and to any new users and that it would not be advisable to extend the old lines. Mr. Cope stated that in return for dropping the suit against Mr. Laird he, Mr. Laird, would give to the City a deed to both wells in the North Main addition and give to the City 2,000 feet of 4" transite pipe and 1,000 feet of 3" transite pipe. Mayor McDaniel informed Mr. Cope that the City already holds a deed to the well in the south part of the Addition. No action was taken on this matter.

There being no further business to come before the Council at this time motion was duly made, seconded, and carried for adjournment.

Motion carried by the following vote: Voting are: Councilman Origgs and McGovern; Voting Nay: Councilman Benoit; Absent: None:

An agreement entered into by the City of North Las Veges and B.1. Laird sad Hazel June Harner was read to the Council.

The following resolution was presented to the Councils

THEREAS, certain citizens and texpayors of the North Main Addition to the City of North Las Vegas, Nevada, did meet with the City Council of the City of North Las Vegas on the 9th day of July, 1948, and

WHEREAS, it was brought to the attention of the City Council that the citisens and property owners residing in the North Main Addition, known as the Francis Corporation Addition, were without water due to a complete failure of the water system in that addition to provide sufficient water for any domestic use or purposes, and that as a result of lack of water the residents of that addition were in directed and suffering undue hardship and inconvenience, and

white 35, the layer of the City of North Les Veges chiled upon the owners of eath water system, Hasel June Warner and B. L. Laird, to explain the insdequacy of water, and in answer thereto it was explained by said owners that it was believed that the pump was inadequate to supply the necessary water, and

wilm WAS, it was proposed that the City of North Law Vegas take over the complete control, ownership and operation of said water well and the system of supple connected therewith, and

WHENTAS, the said owners agreed to purchase a new pump of whatever nature and type designated by the Water-moter and pay for the installation of the mans, and in addition thereto deed the well, water rights, and all right, title and internet thereto to the City, providing the City would assume control and operation of said system and agree to furnish water to the residents thereof during the period required to purchase and install a pump, and

WHEREAS, the Mayor of the City of North Las Vegos, Nevada, did thereupen instruct the City attorney to prepare a Contract to that effect for execution by and between the City and the sold Hazel June Warner and B.L. Laird, which said contract was prepared on the 10th day of July, 1948, and executed by the said Hazel June Warner and B.L. Laird, the said owners, and

THEREAS, the City Council at a Special Keeting held in the City Hall of the City of North Las Vegas, Nevada, did hear the City attorney read the said contract, and being in accord with its provisions,

NOW, THEREFORM, be it resolved by the City Council of the City of North Las Vegas, Nevada, that the said Mayor of the City of North Las Vegas and the said City Clark of said City are hereby authorized and appointed by the City Council to execute the said contract in behalf of the City of North Las Vegas, Nevada.

BESTROL OF SPELLEN. 1.S. and the second of the second Fr. Tony Bruno appeared before the Council and stated that due to the fact that the Sandino well was not capped as soon as the pump was removed, water flowing from the well had run into the desapool on the Jos Sandino place, of which he is in charge, causing the casepool to cave in.

Ir. Bruno falt that the City should be liable for the cost of repairing the esseption. Dis Honor informed in. Bruno that there had been no water on the surface of the ground indicating that the water had flowed in that threation from the well, but that Mr. Letchworth would check the possibility of water having flowed underground.

service be requested by any Motel and Mobile Home Par the rate for service shall be two and one-half times that for service for a twice-a-week basis.

that for service for a twice-a-week basis.

(E) Hotels, Places of Business and Public Buildings. The monthly charge for collecting, hauling and disposing of garbage, rubbish and dead snimals from hotels, places of business and public buildings shall be determined by the number and type of receptacles required by each such hotel, place of business or public building and by the number of daily collections from each per week in accordance with the following table:

| Number & type of re-<br>ceptacles-garbage cans<br>to 33-gal, capacity | 2 Collections<br>Per Week | 6 Collections<br>Per Week | 7 Collections<br>Per Week |
|-----------------------------------------------------------------------|---------------------------|---------------------------|---------------------------|
| 1                                                                     | \$ 6.22                   | \$25.87                   | \$31.05                   |
| 2                                                                     | \$12.45                   | \$35,22                   | \$43.46                   |

For additional garbage cans over two and not exceeding thirty-three gallons in capacity, there shall be added \$10.35 for six collections per week, or \$12.41 for seven collections per week; provided, however, that hotels, places of business or public buildings which require more than two garbage cans (thirty-three gallons maximum capacity) and receive service on a two-collections-per week basis, shall pay the same monthly charge as for six collections per week.

# DISPOSAL SERVICE SEEKS 25¢ GARBAGE RATE INCREASE

Citing spiraling inflation costs, Silver State Disposal Company Disposal Transportations, Inc., Clark Sanitation, Inc. and Henderson Disposal Service, Inc. d.b.a. Black Mountain Disposal Company have submitted to the City of Las Vegas, City of North Las Vegas, City, of Henderson and Clark County a modest request for an increase in garbage removal rates of 25¢ (1/4 of \$1.00) per month for all residential accounts...

According to Alfred Isola, President of Silver State Disposal Company, the nominal increase to all customers, averaging 6.9% which is in conformity with President Carter's voluntary guidelines, is necessary for the disposal companies to maintain its level of service to customers in an era of inflationary trends. "The increase in rates is not sought for reimbursement of prior years operating costs and will not increase the company's profit margin."

Through conscientious cost coversation, the disposal companies Mave not sought an increase in garbage removal rates since July 30,1975, (a three and one half year period). During this period of time, the company has implemented the following policies and procedures to conserve costs and maintain a high level of service to its customer:

- 1. Standardized garbage pickup shifts in contiguous geographical location in order to minimize equipment requirements.
- 2. Reduce the standard work week from 48 hours to 40 to allow employees two (2) consecutive days off for leisure.
- 3. Installed, without cost to the customers, outriggers on containers, as a safety factor, to prevent tipping over.

Service rendered to residential customers consists of twice a week garbage pickup, an extra monthly bulk pick up service and an unlimited quantity of refuse at a fixed quarterly rate. Local rates for this service are far lower in comparison with most other cities in Nevada which do not provide as complete a service as those here in Southern Nevada.

For example:

RENO, NEVADA - One (1) can (32 gallons) on front curb and one (1) cubic yard of ' trash - once a week service -no extra monthly bulk pickup - \$3.75 per month; each additional can, \$2.00 per month. Two cans serviced once a week - \$5.75 per month.

**CALIFORNIA** 

MARIN COUNTY - One (1) can (32 gallons) on front curb, once a week pick up - no extra monthly bulky pickup -\$4.75 per month. Each additional can \$4.75. Two cans serviced once a week - \$9.50 per month.

OAKLAND -

One (1) can (32 gallons) on front CALIFORNIA curb, once a week pickup. No extra monthly bulky pickup - \$4.10 per month. Each additional can \$2.05. Two cans serviced once a week -\$6.15 per month.

Proposed rate - unlimited cans CITY OF NORTH LAS VEGAS (32 gallons) on front curb serviced twice a week, once a month bulky extra pickup - \$3.75 per month.

# Garbage contract approved

NORTH LAS VE-GAS—The North Las Vegas City Council Wednesday night ratified a refuse pickup contract with Silver State Disposal Co.

The motion to approve the proposal by Councilman Cynthia Baumann passed with little discussion.

The question of a written agreement for city garbage collection arose several months ago when city officials found no formal agreement existed between North Las Vegas and Silver State, the company which has been hauling trash in the city for 15 years.

The council reviewed and revised a draft agreement between the city and Silver State last month.

The council also authorized retaining a bond counsel to handle the refinancing of at least one special assessment district which the city said was not initially set up properly. The firm hired is Dawson, Nagel, Sherman and Howard of Denver.

The council also approved a bid to install a new gasoline storage tank at the Slagle Public Safety Building. City Manager Raymond Schweitzer told the council the existing tank has a bad leak and the bid was given to Maintenance Inc., for \$7,400.

In other business, the council tabled action on adoption of the uniform dangerous building code until Mayor Ray Daines was furnished a copy of the code to read and also postponed action on the Joe Kniep Park redevelopment project until a use study is made.

The council also set budget study sessions for Feb. 7 through 10 from noon until 2 p.m. each day. The 1978-79 fiscal plan will be reviewed then. A-46

## Council reviews garbage pact

By Sue Volek R-J Staff Writer

Council Tuesday night reviewed word by word a nine-page draft contract between the city and Silver State Disposal

An attempt by Councilman Gary Davis to postpone the two-hour review until an adjourned or special meeting was called out of order by Mayor Ray Daines.

City Manager Raymond Schweitzer explained the draft contract represented the understanding that the city staff and Silver State have between them right now. Schweitzer pointed out the last written agreement expired in 1972. He asked the council for a policy on whether it would like to negotiate a permanent contract with Silver State or go out to bid.

The council did not address that question, although it raised several points as each section of the contract proposal was read. Three members, Davis, Thomas Brown and Cynthia Baumann, questioned the proposed 15-year length of the contract with a 5-year renewal option.

The councilmen indicated they would prefer a 10-year term instead, possibly with a 5-year renewal option and instructed the city manager to work toward that direction in future negotiations with the disposal company.

Joe Anstett, representative for Silver State same the longer term was sought because of the high overhead in operations and equipment.

Anstett pointed out Silver State and its predecessor had served North Las Vegas for 25 years and "we'd like to serve for another 25 years or more."

Daines objected to a 60-day notice of cancellation clause, favoring a 120-day period instead.

"It would take that long to get somebody else rolling,"

he said.

The mayor made it clear, however, the actual question of ratification of another contract with Silver State would be raised at another time. He said the fact that he suggested changes in the draft did not mean he would favor a new contract with Silver State.

A request was received at the Nov. 16 council meeting from Bob Ramos, owner of the Nevada Environmental Landfill.

He asked to be placed on a bid list if the council decided to put the contract out to bid. Nevada Environmental Landfill operates trash pickup service in Boulder City, the Lake Mead Recreation Area and Nellis Air Force Base.

Ramos is seeking another site for a landfill for the Nellis operation, since the Air Force base is shutting down its landfill after the first of the year.

Mayor Daines has proposed that North Las Vegas set up a city landfill and franchise the operation to a private contractor.

# Trash Rate Hike Too Big: Leavitt

Silver State Disposal Company has asked for too much of an increase in rates, Las Vegas Finance Director Marvin Leavitt said Thursday.

However, he added, if the firm agrees to freeze further rate increase requests for at least three years, the overage would work itself out.

Leavitt said the Las Vegas residential increase would amount to 28.67 per cent.

In describing the residential increase, the company had expressed it as 78 cents per month.

The Las Vegas City Commission granted the rate increases tentatively at its Aug. 20 meeting. The approval was contingent upon other local governments in the valley doing the same.

City fathers admitted to the SUN the next day, however, almost no study had actually gone into the rate hike request. At the request of Commissioner Ron Lurie, Leavitt began an investigation.

"I believe the projected net loss for 1975 is incorrect by approximately \$160,000 because of the method used to estimate that loss," Leavitt stated in his reply to Lurie.

Leavitt pointed out the economy was showing signs of renewed growth. An upward swing of even four per cent, he said, would add another \$250,-691 at the present garbage rate.

"I believe the income for this year is in excess of what is reasonable," he stated. "It represents an approximate 20 per cent return on stockholders investment in adjusted net assets."

n,

e

He was referring to income that would be derived were the requested increase granted.

Leavitt also pointed out the company recently granted its workers \$1.35-per-hour pay raises, which came to \$2,808 a year for a man working a 40-hour week.

"It gives me some concern." said Leavitt, "that contracts which provide for wage increases that generous are

granted and then the residents and businesses of the city are asked to pay for them by substantial rate increases.

"This reduces the incentive of the company to try to hold wage increases to a reasonable level."

Leavitt said he felt "that a rate increase granted now will result in income to the company for the next fiscal year that is greater than a reasonable return on their investment.

"It is my recommendation that the rate increase previous-

ly granted should be held at the same level for a period of no less than three years, assuming normal growth net return over the three year period should be within reasonable bounds.

"I believe," he added, "it should be made clear that any and all salary increases granted to company employes within the three years must be paid from this rate and that no additional rate adjustments will be considered during this period to pay for those increases."

## Hearing Friday On Garbage Rates

Public hearing on an amendment to current county ordinances to allow a 20.5 per cent hike in garbage collection rates is set for 11:30 a.m. Friday in the Clark County Courthouse commission chambers.

County commissioners will hear a request from Clark County Sanitation Inc. to raise rates effective Oct. 1.

Single-family residence pickups would be \$10.50 every three months under the proposed ordinance. Service at apartment complexes would begin at \$7.85 for the first unit pickup and \$5.5 0 for each additional receptacle collection.

Charges for hotels and public buildings for a month would range from \$14.13 to \$1,973.55 depending on the capacity of the garbage receptacle and the frequency of collections.

The proposed changes are similar to those tentatively, adopted by the City of Las Vegas.

# Campaign donations, and garbage hikes

To The Editor:

Councilman Jim Seastrand is right in his vote to "hold the line" on disposal rate hikes for citizens of North Las Vegas until research on competitive rates are available.

Rumor has it that the last raise — or so — was granted by elected officials who received very substantial campaign donations, based on the premise that the cost would be passed on in raised revenues for the disposal company at the expense of North Las Vegas citizens. And it was.

Until the disposal company reveals for the overcharged citizens a complete record of their political donations — to whom and when given — elected officials are wise to "hold the line" on their raise requests.

Strangely, these raise requests always seem to follow shortly after elections.

If this public service is to be noncompetitive it should be placed under the regulatory Public Service Commission, and operate as other monopolies are expected to do, such as the power company, telephone and gas companies.

This kind of non-representation of the electorate by officials is the basis for much of the current disenchantment of the people for our government in all its phases.

Dorotha Ames

## Higher garbage UT rates for NLV9.3-75

Citizens of North Las Vegas will have to pay higher garbage collection rates Oct. 1 following action by the city council Tuesday night.

Silver State Disposal Service, which holds the exclusive collection contract with the city, was granted a 15 per cent increase in fees for businesses and 30 per cent for residences.

Homeowners will pay \$3:50 per month under the new rate schedule for the twice-weekly pickup, a hike of 78 cents.

The company, who last received a rate increase in 1972, cited growing labor, fuel and insurance costs as reasons for needing the increase.

Las Vegas has approved a similar hike requested by Silver State and applications for increases are pending with Clark County and Henderson.

Councilman James Seastrand cast the only vote against the rate hikes saying he wanted to get more information regarding rates other companies would charge for similar services in North Las Vegas.

## NLV acts for trash rate hike

By Carl Neiburger

The North Las Vegas City Council acted Tuesday to initiate a five per cent garbage rate increase.

Following the lead of the City of Las Vegas which enacted a similar increase last month, the council instructed the city attorney to prepare legal action to adopt the increase.

In order for the rate increase to be approved formally by the council, it must be presented in ordinance form at an advertised public hearing set at least 30 days in advance.

This means, in effect, the council actually cannot adopt the rate increase until Feb. 5 at the earliest.

At that time the mayor must open the public hearing and citizens may testify for or against the rate hike.

The rate hike would increase costs for single-family homeowners from \$2.59 to \$2.65 per month.

The council action was criticized by several citizens including two public officials.

State Senator-elect Joe Neal accused the council of not exposing the rate hike question to sufficient study or public hearings.

"Citizens have not been given satisfactory reason for this particular rate increase," he said. He also accused the council of "blindly accepting the precedent of another governmental body," referring to the rate hike approved by Las Vegas.

He claimed the council was paying more attention to the profits of the garbage contractor, Disposal Transportation Inc., than to the needs of citizens.

Councilmen Wendell Waite and Dan Gray replied city officials have attended a number of meetings involving Las Vegas and Clark County officials concerning the rate hike matter.

"We have given it an awful lot of study," Gray said. He said the rate increase is necessary to permit the contractor a ten per cent rate of return on its investment.

Waite added the council is "concerned with the service our people are getting." He also noted the contractor recently granted its employes a 5.5 per cent cost-of-living pay increase.

County Commissioner Aaron Williams, who resigned from the city council Tuesday morning to take over as a county commissioner, said he opposed the increase. "The council seems to be more concerned about the (contractor's) rate of return than the well-being of the people."

He said the 16 cents-per-month increase would hit senior citizens and the poor hardest, adding, "It means a lot of money to those people."

John Sprake of 2613 Flower Ave. accused the council of "giving away money with no regard to the individual who has to pay the bill."

## City Approves 5% Garbage Rate Boost

#### By A. D. HOPKINS SUN Staff Writer

A five per cent rate hike for Silver State Disposal Company was approved Wednesday by the Las Vegas City Commission, over the objections of consumer advocates. The increase will add 38 cents to a homeowner's quarterly bill of \$7.75, and more to commercial bills.

The only dissenting commissioner was Hank Thornley, who said the present contract was extended from 1966 to 1986 without competitive bidding and may therefore be subject to renegotiation.

"It wouldn't hurt to wait until the city attorney's office has reviewed it before granting any increase," he said. With that, he voted against a motion already on the floor to grant a five per cent increase.

Commissioner George Franklin justified his "aye" vote by saying the increase is required under the present contract to offset rising costs, and cited the 5½ per cent wage increase given drivers last May and the one which might be given this May, as did Dr. Alexander Coblentz in voting for the measure.

However, the city auditor's report on expenses of the company iidicates those wage raises would only consume \$162,425. But the increase will produce \$198,424 in revenue.

A 4.92 per cent rate increase would have been sufficient to allow the firm a 10 per cent return on its legitimate business investments, said the auditor's report. A 2.51 per cent increase would have allowed a five per cent return on their investment and a 7.73 per cent increase a 15 per cent return.

Silver State has no competitors.

Pat Van Betten, spokesman for the Consumer's League of Nevada, protested the raise. "What incentive is there to run a tight ship . . . we have asked for a reduction!"

R. J. Collet, a former franchisee in in the county, also objected to an unannounced meeting between commissioners and Silver State on Tuesday. "I should have been notified," he said; "I was on record as a protestant to the increase." He also said that Silver State charges rental for large commercial garbarge containers which other companies would furnish for free, and that the city

is not getting a franchise fee on this operation. He said the rent on such a container is \$12.50 a month.

He and Mrs. Van Betten both objected to the portion of the city garbage collection ordinance calling for prepayment of the bill, saying it gives the company free use of substantial money, with little guarantee service will be satisfactory.

The commission after passing the rate increases agreed to review the prepayment clause and amend the ordinance to provide for large container use.

## Smaller garbage

#### By Brent Whiting R.J Staff Writer

A public auditing firm recommended Wednesday the city should grant a 5.38 per cent increase in garbage removal rates to Silver State Disposal Co.

This increase would hike the cost of garbage removal in Las Vegas by 14 cents a month on residential accounts.

The garbage company has requested a 13.5 per cent increase which would raise residential 

garbage rates by 35-cents a month.

City commissioners are expected to act upon this proposed increase at their next regular meeting on Wednesday.

In addition to Silver State Disposal Co., a 13.5 per cent increase also has been requested by Clark Sanitation Inc. (serving the county) and Disposal Transportation Inc. (in North Las Vegas.)

All three of these trash companies have a common ownership and are connected by two sub-

sidiary firms, Automated Transfer Systems Inc. and Disposal Investments Inc.

The top three officials of these companies have earned over \$77,000 a year for the past two years while a fourth has earned over \$73,000.

the 13.5 per cent increase is approved the trash companies will be operating in the red.

The 5.38 per cent increase was recommended by the firm of Laventhol, Krekstein, Horwath and

Horwath, certified public accountants hired by the city to examine the books of these garbage comnanies when the rate increase was first proposed in July.

The auditing firm has reviewed the financial statements of the five trash companies for the four These officials argue unless years ending Sept. 30, 1969, 1970. 1971 and 1972.

During this time, the disposal companies have earned an average of 10.01 per cent ranging from 15.13 per cent in 1969, 22.75 per cent in 1970, 10.69 per cent in 1971 

## te increase backed

and 8.91 per cent in 1972.

According to the auditing firm, the 10.01 per cent average rate of return "is within the established guidelines."

The auditors recommended a 5.38 per cent rate hike would hold the 1973 rate of return close to ten per cent and future rate increases should "only be considered when the actual rate of return on an average declines below the minimum guideline of ten per cent."

The auditors set up a rate schedule setting forth the esti-

mated rate increase necessary for the disposal companies to earn five, ten or 15 per cent on the average net investment in 1973.

This schedule does not reflect the earnings, however, of Disposal Investments Inc., which is a real estate rental business.

The schedule assumes the companies will experience an overall increase of five per cent in expenses and revenues and an additional five per cent in expenses and revenues and an additional five per cent increase in disposal

service personnel costs.

Assuming yearly revenues of \$3,969, 481 for the companies and \$1.7 million in net investments. the following conclusions may be drawn:

- A 1.26 per cent increase in garbage removal rates would provide five per cent in the estimated increase in revenue required and \$85,000 in net income.
- The recommended 5.38 per cent rate hike would provide ten per cent in the estimated increase firm. A homeonic and the contraction of the contraction o

in revenue required and \$170,000 in net income.

- A 9.72 per cent rate hike would provide ten per cent in the estimated increase in revenue required and \$255,000 in net in-

The rate hike was scheduled for consideration Wednesday by city commissioners but they requested an additional week to study the latest financial report submitted by outside auditing Tuesday, December 5, 1972

LAS VEGAS SUN

## Las Vegas City Commissioners Plan Action On Controversial Rate Hike

Las Vegas City Commissioners may act at 9 a.m. Wednesday on a proposed 13.5 per cent rate increase from the city's privately-owned garbage collection company.

Commissioners held a public hearing on the request two weeks ago, but didn't get all their questions answered. They wanted to know the salaries of the top officers of the garbage company, and see its financial statement for the year ending this Sept. 30.

Commissioners got the salary statement last week, discovering the four top officers of Silver State Disposal Company and its affiliates were being paid better than \$75,000 a year.

When the companies made their rate

request to various municipalities, they gave only their auditor's report for the year ending Sept. 30, 1971. The city seeks fresher figures.

The companies' proposal includes a built-in 5.5 per cent pay hike for trash collectors over a three-year period, even though those Teamster local members operate under a one-year contract.

This was a major point that led to a briefs strike by trash collectors last summer before the company granted them the one-year contract.

Commissioners will hold three public hearings at 9:30 a.m. Wednesday.

John and Dorothea Greig are contesting action by the Board of Zoning Adjustment (BZA) that approved expanded church parking at 4-3 N. 8th St. sought by L. J. and Ida Hutchinson.

Leroy E. Smale is appealing the BZA's denial of his request to run a printing, addressing and mailing operation at 301 S. 11th St., an area zoned for apartments.

Don Marlene is appealing the BZA's denial of his request to build a car port four feet closer to his property line at 1342 Barnard Drive.

In other zoning matters, commissioners will consider a request by the Seventh Day Adventist Church for commercial rezoning at 128 S. 10th St. for "church facilities and a restaurant" for the Church of Nutritional Science, which city officials said is trying to buy the property.

# Garbage rate hike hearing set Nov. 15

A public hearing to discuss a proposed 15 per cent increase in garbage removal rates has been set by city commissioners for Nov. 15.

The hearing has been scheduled for 7 p.m. at the temporary city hall and commissioners are investigating the possibility of

conducting the meeting with officials of Clark County and North Las Vegas.

The increase has been proposed by Silver State Disposal Co. (in Las Vegas), Clark Sanitation Inc. (in the county) and Disposal Transportation Inc. (in North Las Vegas).

Commissioners of the three government entities already have met in two meetings to discuss the rate increase and consider a study made of the rate hike by a certified public accounting firm

"We're to the point of waiting to see who goes first" in taking action on the rate increase, Commissioner Hank Thornley has said.

Protest from residents opposed to the rate hike already have been filed with the City Clerk's Office. When protests are filed, public hearings must be scheduled and the hearing in November will be the first time the public has been invited to present its views.

# Top trash bosses earn \$77,000 apiece yearly

By Brent Whiting

R- J Staff Writer

The same trash officials who are pleading for a 13.5 per cent increase in garbage removal rates already make over 2.5 times as much as Gov. Mike O'Callaghan, it was revealed Tuesday.

Nevada's chief executive is paid \$30,000 yearly while the top three officials of five garbage firms serving Clark County now make over \$77,000 each.

And this figure may be pushed even higher when an audit of these firms is completed Dec. 4.

Reports now completed, however, indicate these garbage officials have voted themselves whopping pay increases of nearly 300 per cent over the past three years.

A list setting forth the executive salaries and the stockholders of these five garbage firms was released Tuesday by Las Vegas city officials.

The city has been studying this list in light of the proposed rate increase which would hike the cost of garbage removal in Las Vegas by 35-cents per month on residential accounts.

This increase has been sought county-wide by Silver State Disposal Co. (serving Las Vegas), Clark Sanitation Inc. (in the county), and Disposal Transportation Inc. (in North Las Vegas).

These three companies have a common ownership and also are connected by two subsidiary firms, Automated Transfer Systems Inc. and Disposal Investments Inc.

The listed officials of these five firms are Lester L. LaFortune, president, John Isola, vice-president, Alfred Isola, secretary, and Joseph L. Anstett, treasurer.

LaFortune, John Isola, and Alfred Isola now earn \$77,400 a year, nearly three times more than they were making in 1969.

In 1969, these three men pulled down \$26,525. This was increased to \$58,150 in 1970 and the present level in 1971.

During this three-year period the salary of Anstett has remained a faithful \$4,200 behind. He now makes \$73,200 yearly as opposed to \$53,950 in 1970 and \$22,325 in 1969.

Figures for 1972 are not yet available and city commissioners have demanded to know the results of this audit before voting upon any rate increase.

When the rate increase was first proposed in August, the public accounting firm of Laventhol, Krekstein, Horwath, and Horwath was commissioned to study the books of the garbage companies.

This auditing firm told city commissioners in a public hearing two weeks ago the city should agree to only half of the proposed increase.

Al Garroway, in charge of the audit, reported a 6.83 per cent increase would provide a fair rate of return for the allied firms.

The estimated annual revenue of Silver State Disposal Co. Disposal Transportation Inc. and Clark Sanitation Inc. has been set at over \$3.8 million.

The garbage firms have listed rising costs and a 5.5 per cent wage increase over the next three years as the main reason for the 13.5 per cent rate hike.

The auditing firm chose to compare the profits of the disposal companies with those of utilities regulated by the Public Service Commission.

Southwest Gas and the Nevada Power Co. are held to a 12 per cent return on common equity, the auditors said, while from 1969 through 1971 the five linked disposal firms averaged 28.37 per cent.

The auditors added that the Public Service Commission considers four to six per cent a fair ratio of income to gross revenue, while for the same three years the disposal firms averaged 6.9 per cent.

City Commissioner Hank Thornley has asserted the comparison might be faulty because the disposal firms were not utilities. He said rising costs during 1971 seemed to bear out the companies' contention they needed more revenue.

North Las Vegas Councilman Wendell Waite has recommended a 9.7 per cent rate boost, which he figured would give the disposal firms 12.5 per cent profit.

Officials of Las Vegas, North Las Vegas and the county have been achieving a consensus in the rate increase in separate negotiations and will vote upon the rate hike individually.

Among the things to be considered in the rate increase is the disclosure by the audit that Disposal Investments Inc. has been receiving rental income from a \$60,000 beach house in Oceanside, Calif.

There was considerable debate in a public hearing two weeks ago whether this beach house and the executive salary extravagances were being paid for by the taxpayers, but a spokesman for the auditing firm expressed doubt of any impropriety.

# Garbage firms reveal list of stockholders

The list of stockholders released by the city of the five disposal firms is as follows with the percentage of stock owned in parenthesis:

John Isola, vice-president (12.31), Alfred Isola, secretary (11.82), Lester A. LaFortune, president (10.44), David Arata, director (6.40), and Joseph L. Anstett, treasurer (5.10). These five men own over 46 per cent of the stock.

Also, Edna T. Anstett (4.9), Alvin Arata of Atherton, Calif. (4.84), Mafalda Arrobio of Chicago, Ill. (1.83), Alfred Bossi, (1.37), and Brown and Co. of Las Vegas with Joseph L. Anstett as a director (2.21).

Also, Carolyn Joyce Chagi of Los Angeles, Calif. (.98), Darryl B. Chagi of Los Angeles (.98), Johannes Dapper (1.25), Mary Jane Grenier of Seattle, Wash. (3.32), Dr. Charles Hauck (6.15), and R.T. Hughes of Walnut Creek, Calif. (4.41).

Also, Thomas A. Isola (.49), Keyser and Co. of Las Vegas with Dr. K. Smith as a director (4.10), Harry Lahr (4.41), Aldo Lippetti (2.87), Dr. Grant Lund (2.18), Harry Shuster of Oakland, Calif. (1.76), Ann Sefrit Simaz of Orinda, Calif. (3.32) John Torchio (1.57), and Margaret Wilson of Chicago, Ill. (.99).

The issue of whether or not to raise garbage collection rates in the Las Vegas area may become rather messy before it's finally deared up.

." This became evident during a second meeting on the subject Wednesday between officials of Las Vegas, North Las Vegas and Clark County.

Although each governmental entity eventually will enter into separate contracts for garbage collection in their municipalities, the purpose of the meetings was to form a consensus so each would pursue similar actions.

But their latest joint meeting ended with no clear decision and these developments:

-A new financial report by an independent auditor indicated the present disposal companies may be entitled to a 8.2 per cent or

possibly 9.7 per cent rate hike;

-A disposal company which previously served the county proposed taking over all local garbage pickups at current collection rates:

And a citizen proposed that residential pickups be made once a week instead of twice weekly in order to economize.

Garbage rates became an issue when the three local disposal companies, which are all owned by the same stockholders, recently requested a 15 per cent rate boost for residential pickups from \$7.75 to \$8.80 per quarter.

The disposal firms asked for the new rate effective Oct. 1, the beginning of their fiscal year.

After the rate hike was requested, many homeowners protested it. One Las Vegas resident, Linda Cox, submitted a protest petition to the City Commissioners which 124 of her neighbors had signed.

At a joint governmental meeting last week, increase, but we have a new financial report of the disposal companies was demanded which would include the profits of another firm which leases and a month increase is nothi sells trash bins. This was sought when it was learned the majority stockholders of the leasing company are also the chief stockholders of the disposal companies.

The new report, presented at the second joint meeting Wednesday, showed the leasing company profits did not change the percentage profits of the disposal companies for the past three years.

But the report projected that if the leasing company and disposal companies profits were combined in the future, over-all profits might improve nearly one per cent.

With this in mind, the independent auditor said that in view of recent increases in expenses of the disposal companies, an 8.2 per cent rate increase may be justified.

This would raise the quarterly home pickup charge to \$8.38.

The criteria for setting collection rates, agreed to by the regulating governmental entities, is for the disposal companies to make a 10 to 15 per cent profit.

. Joseph Anstett, a spokesman for the disposal companies, said that based on this criteria, an 8.2 per cent rate increase may not be enough.

He said that although the disposal companies made an average profit of 12.3 per cent during the previous three years, their profit for the first 9 months of this year dropped to 3.5 per cent.

North Las Vegas City Councilman Wendell Waite suggested that to compensate for the dip in profits and to give the disposal firms a fair profit, collection rates might be increased 9.7 per cent to \$8.50 per quarter.

Las Vegas City Commissioner Hank Thornley agreed, saying, "Naturally, the popular thing would be to give no or a minimal

"We're prepared to take over trash disposal at the present rate," Collet said. "We're well financed, and will bring in new equipment and new people to run it."

County Commissioner Jim Brennen told Collet that if he's interested, he should submit a written proposal which would include his company's financial assets and equipment and manpower readiness.

However, as Assistant City Attorney Ian Ross explained, bidding for new franchisers is not under consideration because the present franchisers have long-term contracts to perform the local garbage collection services.

But in the event the present franchisers are not given a rate increase and they want to terminate their contracts, Ross said then there would be the opportunity for new franchise bidding.

With this and other possibilities now facing the local governments, the garbage rate issue at present remains a pile of uncertainty.

## Meeting set on garbage, rate increase

Las Vegas, North Las Vegas and Clark County commissioners again will meet at 7 p.m. Wednesday at the temporary city hall to further discuss a proposed 15 per cent increase in garbage removal rates.

The officials met last week and demanded a new financial audit of the trash companies involved, Clark Sanitation Inc. (in the county), Silver State Disposal Co. (in Las Vegas) and Disposal Transportation Inc. (in North Las Vegas).

Whatever the findings of the new report, however, a public auditor has indicated a recent financial report does not appear to justify the proposed rate increase for home pickups from \$7.75 to \$8.80 per quarter.

The new audit was ordered by officials of the three government entities last week when they learned the latest public audit, which is a composite report on the disposal companies, does not include another company benefiting from the local trash business.

The other company — Silver State Investments — leases and sells large collection bins. Its major stockholders are also the primary stockholders of the three disposal firms.

Because of these close ties, County Commissioner George Franklin said Silver State Investments' revenue "should be included in the profit statement" with the others.

It was speculated last week that through various schemes the pickup companies may be making low profits while the leasing firm, which is excluded from the financial report, could be making large profits.

Franklin suggested that users of leased containers may be getting reduced pickup rates.

North Las Vegas Councilman Dan Gray further pointed out that commercial businesses using containers are able to consolidate their garbage, reducing pickups and thus reducing pickup charges.

A representative of Silver State Disposal Co., Joseph Anstett, did not dispute this. He argued, however, including Silver State Investments in the joint financial report because it is not publicly regulated like the disposal firms and no one is required to lease its containers.

## Trash Rates For County Increase

Local garbage collection companies deserve a rate increase, but for one year at a time instead of the threeyear proposal sought by Silver State Disposal Company, Disposal Transportation, Inc., and Clark Sanitation, Inc., the county auditors have recommended.

The report was released over the weekend to officials of the county, City of Las Vegas and North Las Vegas by the certified public accounting firm of Laventhol, Krekstein, Horwath and Horwath (LKH&H).

The garbage collections companies, all owned by the same people, have requested a 13.5 per cent rate increase for the years ending Sept. 30, 1973, 1974

and 1975.

Financial records supplied by the companies, but not audited by L, K, H and H, combined with economic expectations of growth in the area indicated the sanitation companies will need revenue increases ranging from 7.7 per cent to 11.9 per cent in the next calendar year to obtain rates of return on the company investment from a low five to 15 per cent.

A 13.5 per cent increase, as is sought, would yield a high of 21 per cent return on investment in the next 12 months,

according to the report.

In dollars and cents, rate increases ranging from 7.7 per cent to 11.9 per cent would yield \$341,016 up to \$524,552 in additional revenue in the next year.

The estimated revenue figures include the franchise fees which are paid to the cities and county by the garbage companies.

Over the last three years the disposal companies have had an average net income of \$122,440, an average rate of return of 13.44 per cent on an average net investment of \$910,912, according to figures contained in the report.

The 13.5 per cent increase proposal provides for wage increases of 5.5 per

cent a year.

". . . We recommend that an increase be granted to cover the year ending Sept. 30, 1973, and that the disposal companies be required to submit to the local governments annual audited consolidated financial statements so that the annual rate of return realized by the companies can be determined on an annual basis," said the report.

It did not deal with a company proposal to provide residential customers with coupons redeemable for plastic garbage can liners, pointing out there was no basis for comparing the esti-

mates of costs for the service.

## Trash pickup resumed

# III garbage strike over

By Jerry Hickey

Garbage collection resumed here Tuesday, and three disposal firms that had been shut down for a week by a Teamster strike were expected to clear away accumulated piles of garbage by Thursday. (See photo, page 2.)

The strike was settled Monday after officials of Silver State Disposal, which serves Las Vegas; Clark Sanitation, serving the Strip and other parts of the county; and Disposal Transportation, which collects garbage in North Las Vegas, reportedly agreed to sign a one year contract with striking Teamsters Union Local 631.

Management had initially offered the union a three-year agreement and then had compared with a two-year offer, but garbage workers who belong to Local 631 had refused to accept anything but a one-year pact.

The new contract had not been signed as of Tuesday morning, according to a spokesman for the companies. However, union officials had signed a letter of intent indicating the agreement would be consummated.

While a previous agreement expired on May 21, the day before the strike began, the new contract was to go into effect Tuesday. The one-year contract will expire on May 30, 1973, meaning local residents could be faced with another garbage strike next year.

Approximately 150 garbage workers will be affected by the new contract. The workers include drivers, pitchers and a few mechanics. Under the contract, they will receive a 28-cent hourly wage boost and be paid double time for holiday work. Drivers had been earning \$4.32 per hour; pitchers, \$4.20 an hour; and mechanics, \$5.17 hourly. They normally work 48 hours a week.

The management spokesman said garbage collection started at 3 a.m. Tuesday morning in Las Vegas. North Las Vegas and Clark County. He noted that about 60 extra workers had been him to be a point of garbage resulting from the strike. In addition, the spokesman pointed out, all of the garbage workers were to be on longer shifts than normal in order to catch up with the garbage collection.

The companies normally send out 24 trucks

on each of two shifts, one from 3 a.m. to 11 a.m. and the other from 12 p.m. to 8 p.m. Each shift was to be extended about two hours Tuesday through Thursday and extra equipment was also to be put into use. "We're sending out everything we can get our hands on," the management spokesman said.

According to the spokesman, the biggest problem was to remove the mountains of garbage accumulated at commercial establishments in Las Vegas, North Las Vegas and Clark County during the strike. Ordinarily the companies pick up garbage at commercial establishments daily or whenever requested, while they only make collections at residences twice a week. Local 631 last week allowed pickups to be made at area hospitals, and this alleviated the situation at these institutions.

The pickups to be made Tuesday were in areas where collections are not ally made on Tuesday, and the same processing were to be carried out Wednesday and the same by day. But with the extra crews and localities, the companies expected to clear way all the garbage accumulated during the strike by Thursday night.

# Teamsters Get Their 1-Year Pact

By A. D. HOPKINS Jr. SUN Staff Writer

The Las Vegas garbage strike is over and the piled-up refuse should be cleared away by late. Thursday.

Silver State Disposal Co., after an early morning meeting of its 18 stockholders yesterday, gave in to Teamster Local fil's demand that the contract cover only a single year.

Joe Carter, secretary-treasurer and bargaining agent for the union, accepted. A 28-cent across the board wage increase had previously been agreed upon.

Lester LaFortune, president of Silver State, said the usual crew of about 200 men which collects garbage each day will be beefed up by about 30-50 men to collect the piled-high rubbish, which at most residences will be three times the usual amount.

"We will start today at the stops we normally make on Tuesday and keep on working into overtime until we have cleared all the stops we normally make on Tuesday. We will get the Wednesday customers Wednesday and the normal Thursday customers on Thursday, and that will complete the cycle and put us back into normal operation."

He said, "I presume we'll make some

He said, "I presume we'll make some sort of adjustment for those who carried their own refuse up to the dump, but we haven't worked out just what the economics are. We should know that by late Tuesday."

The householder's cost is \$2.58 per month for collection, which LaFortune said is the cheapest in the United States for twice-a-week pickup of as many cans as the householder wants to put out. But a lot of that money, he added, goes into expenses which will still have to be met, such as burying the garbage. That continued despite the strike.

He said any adjustment will apply only to those who actually disposed of their own garbage and won't be extended to all Silver State customers.

LaFortune said the stockholders had offered a three-year contract with annual reopeners on all issues but the union had rejected it.

The union had contended the offer was an attempt to bind its members to

a three year commitment in a time when economic conditions cannot be predicted that far ahead.

Each side insisted on its own position and professed that it couldn't see any advantage of doing it the other side's way.

LaFortune said the stockholders gave in yesterday because "it seemed use less to prolong the strike over a point so slight."

The contract will still be subject to

Commercial firms must pay a charge to use the dump.

. They have not interfered with individuals carrying their own garbage to the dump.

Nor have they attempted to interfere, said Carter, with enterprising teenagers who hauled household refuse to the dump at \$2 per household, one boy reportedly making \$136 that way.

Hardware stores reported massive sales of big garbage bags, and garbage can pirating has begun in most Las
Vegas ne the dest with neighbors
sneaking to the early
hours of the country to deposit trash
in neighbors bins, mattering a strange incantation.

There's no immediate end in sight to the strike by 160 teamsters who collect and haul garbage in the Greater Las Vegas area.

The garbage is piling up in the county at the rate of 550 tons a day.

Major Las Vegas resort hotels are hauling their own trash to the dump. Teamsters have sent one truck to pick up trash at hospitals in the Las Vegas area.

That was the situation yesterday in a strike by members of Teamsters Local 631 that started at 3 a.m. Monday.

While the strike's in progress, homeowners can haul their garbage to the county dump site free of charge. There will be a charge for contractors who dump there.

Meetings between Local 631 officials and officers of Silver State Disposal and Clark County Sanitation Company con-tine devesterday in an effort to resolve the strike.

Level 1001 members of the garbage companies voted to accept a 28-cent-an-

hour wage increase last Friday, but company officials balked at granting their demands for double time holiday pay and a one-year contract.

They had been paid \$4.20 an hour under a three-year contract. They work a 48-hour week, with time and a half over 40 hours.

Union officials yesterday discounted a report by company president Les La-Fortune that members were asking-or being paid-\$15,000 a year.

The compromise wage settlement would give swampers, drivers, and mechanics in the local \$12,438 a year hours a week, 52 weeks a year, they pointed out.

They are now making about \$11,400 a year.

Meanwhile, more than a million pounds of garbage a day that would be collected by the companies is piling up somewhere—either at the conjugate or in front of here. and apartments. It's creating a pro i for the District Health Department.

Vehicles loaded down with garbage and ranging from private dump trucks to a motorcycle sidecar and a bikini-clad showgirl in a VW "Bug," lined up a mile deep yesterday at Sunrise Mountain dump site with a week's supply of refuse.

Las Vegans are being forced to cart off their own garbage as this city's sanitation workers strike enters its seventh day today

Meanwhit Teamsters Union leader Joe Carter 1 sesterday his men would work for city or county if one or the other decides to take over collecting gar-

bage from Silver State company which has the contract to do it.

"We will work for the city, the county, or anyone who'll give us a decent wage, good working conditions and benefits on a one-year contract," said Carter, secretary-treasurer of Teamsters Local 631, after workers on Friday rejected a compromise two-year contract offer by Siver State.

A permanent governmental takeover of garbage collection has not been officially proposed, though it has been widely discussed informally. But local governmental officials have indicated they would, if garbage piled high enough to become a health hazard, exercise a

clause in their contract with Silver State allowing municipal and county employes to operate Silver State equipment until the danger is past.

Such danger appears not to have occurred; teamsters have continued to remove garbage from sensitive locations like hospitals.

Carter said the workers rejected the two-year offer only because they are unwilling to make a contract for more than one year. "They feel the conomic conditions are changing so, as that they don't want to be tied to a the second contract, which is what management wanted."

Carter added, "I can't for the life of

the company oss the board scale now that ranges from \$4.20 to \$4.32 per hour for drivers and pitchers, as well as premium pay for holidays.

Clark County Deputy Sheriffs indicated one result of the garbage strike has been an increase in the number of reported cases of desert dumping, which is a misdemeanor.

The dump is open for homeowners who want to be their own garbage men.

County Commissioner Myron Leavitt said last week that the governments of Las Vegas, North Las Vegas and Clark County should start collecting garbage Tuesday if the strike isn't settled by then. Mayor Oran Gragson was reported to say he would intervene in the strike if it isn't settled by Tuesday.

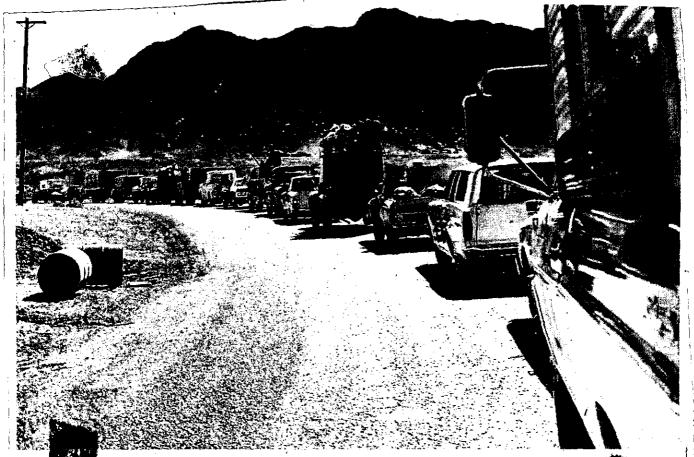

County Commissioner Bob Broadbent said the commission's legal counsel is currently studying the legal implications of taking over trucks to run collections.

Local government reportedly has been reluctant to take any action which might force a settlement because that would give the franchised garbage haulers an extra argument for rate increase. And garbage rate increases are exceedingly unpopular in Clark County.

ers an extra argument for rate increase. And garbage rate increases are exceedingly unpopular in Clark County.

Dr. Otto Ravenholt, Clark County Health Officer, said "The pileup appears at this point to be more of a nuisance than a health hazard. We might have to take action at the county level by Tuesday. But we're in hopes it will be settled before that."

# Management makes another offer in attempt to settle garbage strike

By Jerry Hickey

Management planned to make a new contract offer Thursday to striking Teamsters Union Local 631 to try to end the garbage strike here.

Les LaFortune, president of strike-ridden Silver State Disposal Service Inc., Clark Sanitation and Disposal Transportation, said Thursday morning that he would offer the union a two-year contract.

The union Wednesday rejected a management proposal calling for a three-year agreement, and officials of Local 631 indicated the strikers were still adamantly demanding a one-year pact.

Adir ie strike in its fourth day, LaFortune and the John management representatives met for the country morning with officials of Clark Country of the Cities of Las Vegas and North Las Vegas to discuss possible solutions to the

labor dispute. The three government entities are affected by the strike.

LaFortune told those attending the meeting that Local 631 had reneged on its commitment to let its members operate management equipment at the Sunrise Dump to bury huge piles of garbage that have accumulated there since the strike began Monday. Members of the union were supposed to begin burying the garbage early Thursday morning, but the union "canceled out," LaFortune said.

County Administrator Dave Henry indicated that two county employes would be assigned to do the job. The county had said Tuesday that uncovered garbage at the dump was becoming hazardous to health.

County Commissioner Myron Leavitt stated during the meeting that he felt the three government entities should start collecting garbage by Tuesday if the strike is not settled by then.

Leavitt said the three entities should have a

contingency plan ready to put into effect when the District Health Department indicates uncollected garbage is a health hazard. He added that he hoped the plan would never have to be used, but that he did not want to see the garbage strike here have the detrimental effects of a similar walkout in New York City.

Dr. V. H. Ueckert, an official with the District Health Department, agreed with Leavitt that the contingency plan should be formulated and be ready to put into effect. Ueckert said that the strike was creating more of a nuisance than a health hazard, mainly because of the unpleasant odor of the uncollected garbage. He added that in three or four days the situation was going to be "pretty bad" at some local trailer at ks.

"pretty bad" at some local trailer at ks.

'Ueckert also noted that there have been complaints that some resider a ping garbage indiscriminately in the day. He said garbage should be taken to approved

GARBAGE,

area companing at Sunriage to Weckert, the garbage should be put into bags, and local

residents should be shown where to dump it.

North Las Vegas City Manager Clay Lynch and Las Vegas City Commissioner Hank Thornley questioned whether the two cities and the county could efficiently collect garbage because of possible problems involving manpower, equipment, routes and scheduling. An official of Clark Sanitation, which serves the county also expressed doubt that the three entities could take over garbage collection in an efficient manner.

LaFortune said the garbage companies would have to ask for rate increases because of the increased costs of benefits included in the new contract. The proposal rejected by the union Wednesday provided for benefits totaling \$765 per man annually, according to LaFortune. He claims that the garbage workers now earn an average of \$12,451 per year.

kers now earn an average of \$12,451 per year.

No plan was well ed out during the meeting
Thursday. Management representatives and
officials of the the government entities are
scheduled to meet gain next Tuesday if the
strike isn't settled by then.

## Sanitation Strike Compromise

By JIM BARROWS SUN Associate Editor

Silver State Disposal Company gave in little to demands of striking garbage lectors yesterday, but there was no sign union men would take

160 members of Teamsters Local 631 struck at 3 a.m. Monday, ask-

ing mainly for a \$1,000-a-year wage increase, a one-year contract to replace the expired three-year one, and doubletime pay for holidays.

They have accepted a company offer on wages that will see them paid about \$12,400 a year for a 48-hour week, 52 weeks a year. The company has been holding out for a three-year contract.

Yesterday, company and labor offi-cials met in County Administrator Dave Henry's office. Henry said they agreed the county dump would be open seven days a week from 6 a.m. to 7 p.m. during the strike, but if it wasn't settled by next Tuesday there would be another 9 a.m. meeting that day in Henry's office.

Yesterday afternoon, company president Lester LaFortune submitted a compromise proposal to Local 631 sec-retary Joe Carter. Union officials had no immediate word on when it would be presented to striking members.

This offer gives Teamsters doubletime pay for holidays, but calls for a two-year contract.

"We split the deal down the middle," LaFortune told the SUN. He said city and county officials are "setting up an inquiry where, the not in agreement by next Tuest" together," they could take over our pent."

"If we can be together," he said, "they're not going to let the garbage will up."

pile up." City and county franchises with the company for trash collection carry provisions that municipal or county employes can, if necessary, operate

# Corbage Strike Expected To Last Through Holiday

It looks as though Las Vegas' garbage strike will continue through the long Memorial Day weekend.

The principals in the prolonged deadlock - Silver State Disposal Co. President Lester LaFortune and the Teamsters Local 631 secretary-treasurer, met again yesterday, attempting to nail down

again yesterday, attempting to nan down mutually agreeable terms for a new contract but without success.

The seventh will signal a full manager gotiations, but city and county officials will be part of the scene on the second will be part of the scene on the second will be part of the scene of the scen Tuesday when representatives of labor

and management will meet with County Administrator Dave Henry and Las Vegas City Manager Art Trelease or one of his assistants to determine the local governments' response to the strike.

Elected officials will decide at that time whether to exercise the contract option which would permit then to have city and county workers operate sanitation equipment.

Although the strike will be a Monday, a possible health h æek old ≟d∝has been averted thus far as ployes have been operating the emcompany's landfill equipment. disposal.

There have been no disturbances reported during the strike, which enters its fifth day today. Security guards and sheriff's deputies have been on duty at the dump site gate in case of trouble.

Hotels are having their trash hauled to the dump, and garbage men-though on strike-have agreed to collect trash at the Valley's various hospitals as a health measure.

Trash at bars, homes and restaurants

continues to pile up, however. Company officials said about 550 tons of garbage was being deposited at the

District Department officials are keeping the conditions at the duity course the company bull-dozer there is fully like in the high buried strike and the trash isn't being buried as it accumulates.

## tra pickup near perfect

Nothing 's perfect, but the ''X-tra Pickup'' service offered by North Las Vegas and Silver State Disposal, Inc., seems to be pretty close.

Of 558 residents contacted by the city clerk's office, 354 were satisfied with the service and only eight dissatisfied. A few citizens still have

A few citizens still have not made use of the service -- 196 of the558 contacted, or 35 percent -- and this is the statistic city manager Clay Lynch most hopes to improve during this "spring clean-up, paint-up, fix-up" month.

The city has been running ads in the Valley Times for the past several weeks informing North Las Vegans about the service. An enclosed map indicates what day of the month the service takes place in each area of the city.

In addition, all new utility customers have been receiving letters from city clerk Shirley Hansell informing them of the program.

"The garbage company, in addition to regular pick-ups, makes one 'large trash pick-up' per month in each neighborhood for discarded items too large to fit in a regular can such as old-washers, sofas, and/or tree branches," Mrs. Hansell wrote.

The city clerk added that a vacant lot or desert area near the new customer's home might contain rubbish which could be gathered for the large trash pick-up if nothing large could be found around the home.

Joseph Anstett, comptroller of Silver State Disposal, Inc., has informed city manager Lynch that his company has had to work overtime since North Las Megas began its clean-up of the Lynch reported that the company has sympathetic with the company of the service.

## e was assured local auto Silver State Disposal Enjoys High Rate Return

Owners of Silver State Dis | posal, the franchised garbage city commissioners agreed the company for the city of Las firm should earn an after - tax Vegas, earned a comfortable rate of return of between 10 23.5 per cent rate of return af- and 15 per cent. ter taxes last year, a citý study revealed Wednesday.

JERRY Engellenner, a senfor city accountant said the pro-1. Close was not a mem-lits "reflected a very efficient operation."

> The figures were based partly on an audit report prepared by the accounting firm of Conway, Moe, and Hibbs of Las Vegas.

THE report indicated Silver State made a profit of \$114, 240 before taxes, and \$68,536 after taxes. Cash investment in the meet minimum state company stands at about \$260,-000, Engellenner said.

The City Commission approvchildren both overnight ed a ten percent rate hike for Silver State in 1962, after company officials complained the rate of return on their investment would otherwise drop to seven per cent.

AT THE time of the increase,

The city commission is expected to approve a one-year extension of Silver State's franchise Wednesday evening.

The 15-year contract will run until 1971, with automatic annual renewals at the option of Silver State.

#### REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Republic Silver State Disposal, Inc. dba Republic Services of Southern Nevada Las Vegas, Nevada

We have audited the accompanying consolidated balance sheet of Republic Silver State Disposal, Inc. dba Republic Services of Southern Nevada as of December 31, 2001, and the related consolidated statements of income, stockholder's equity, and cash flows for the year then ended. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall consolidated financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Republic Silver State Disposal, Inc. dba Republic Services of Southern Nevada as of December 31, 2001, and the consolidated results of their operations and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

#### 1. BUSINESS OF THE COMPANY

Republic Silver State Disposal, Inc. dba Republic Services of Southern Nevada (hereinafter referred to as the "Company") provides both commercial and residential refuse removal service for most of the communities in Clark County, Nevada. In addition, the Company operates refuse transfer stations, landfills and a recycling facility. Republic Silver State Disposal, Inc. is a wholly owned subsidiary of Republic Services, Inc. (hereinafter referred to as the "Parent Company"), a public company traded on the New York Stock Exchange under the ticker symbol "RSG".

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Principles of consolidation and basis of presentation

The accompanying financial statements include the accounts of Republic Silver State Disposal, Inc. dba Republic Services of Southern Nevada and its wholly owned subsidiary, Republic Dumpco, Inc. All material inter-company balances and transactions have been eliminated.

#### Seasonality

The Company's operations can be adversely affected by periods of inclement weather which could delay the collection and disposal of waste, reduce the volume of waste generated or delay the construction or expansion of the Company's landfill sites and other facilities.

#### Fixed assets

Fixed assets are recorded at cost. Depreciation is computed using the straight-line depreciation method over the estimated useful lives of the assets, which are generally 2 to 40 years. Upon sale or retirement, the costs and related accumulated depreciation are climinated from the respective accounts, and the resulting gain or loss is included in the consolidated statement of income. Repairs and maintenance charges, which do not increase the useful lives of fixed assets, are charged to operations as incurred. Depreciation expense for the year ended December 31, 2001 was approximately \$6,472,000.

Landfills are stated at cost. Landfill improvements include direct costs incurred to obtain a landfill permit and direct costs incurred to construct and develop the site. These costs are depleted based on consumed airspace. All indirect landfill development costs are expensed as incurred. Depletion expense for the year ended December 31, 2001 was approximately \$663,000.

The Company periodically evaluates whether events and circumstances have occurred that may warrant revision of the estimated useful life of fixed assets or whether the remaining balance of fixed assets should be evaluated for possible impairment. The Company uses an estimate of the related undiscounted cash flows over the remaining life of the fixed assets in measuring their recoverability.

The Company capitalizes interest on landfill cell construction and other construction projects in accordance with Statement of Financial Standards No. 34, "Capitalization of Interest Cost". Interest is capitalized on qualified assets while they undergo activities to ready them for their intended use. Capitalization of interest ceases once an asset is placed into service or if construction activity is suspended for more than a brief period of time. The interest capitalization rate is based upon the Company's weighted average cost of indebtedness, including the Parent Company. Interest capitalized for the year ended December 31, 2001 was approximately \$63,000.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Intangible assets

Intangible assets consist of capitalized costs related to securing extended franchise agreements with the Municipalities. Intangible assets are amortized over the life of such extended franchise agreements on a straight-line basis over periods ranging from 22 to 36 years.

#### Revenue and expense recognition

Revenues are recognized during the period in which the related services are provided. Costs and expenses are recognized during the period in which they are incurred.

#### Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

#### Fair value of financial instruments

The carrying amounts of cash, receivables, parts and supplies, other assets, accounts payable, accrued liabilities, due to related parties, accrued franchise fees, income taxes payable, reserves for self insurance and other liabilities approximate fair value due to the short maturity of these instruments.

#### Income taxes

The Company accounts for its income taxes in accordance with Statement of Financial Accounting Standards (SFAS) No. 109, which requires recognition of deferred tax assets and liabilities for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

#### Comprehensive income

The Company has no components of other comprehensive income. Accordingly, net income equals comprehensive income for the year ended December 31, 2001.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### New accounting pronouncements

In July 2001, the Financial Accounting Standards Board issued SFAS 141, Business Combinations, and SFAS 142, Goodwill and Other Intangible Assets. They also issued SFAS 143, Accounting for Obligations Associated with the Retirement of Long-Lived Assets, and SFAS 144, Accounting for the Impairment or Disposal of Long-Lived Assets, in August and October 2001, respectively.

SFAS 141 requires all business combinations initiated after June 30, 2001 be accounted for under the purchase method. SFAS 141 supersedes APB Opinion No. 16, Business Combinations, and Statement of Financial Accounting Standards No. 38, Accounting for Preacquisition Contingencies of Purchased Enterprises, and is effective for all business combinations initiated after June 30, 2001.

SFAS 142 addresses the financial accounting and reporting for acquired goodwill and other intangible assets. Under the new rules, the Company is no longer required to amortize goodwill and other intangible assets with indefinite lives, but will be subject to periodic testing for impairment. SFAS 142 supersedes APB Opinion No. 17, Intangible Assets. Effective January 2, 2002, the Company will adopt SFAS 142 and is evaluating the effect that such adoption may have on its results of the Company's consolidated operations and financial position. The Company expects that the provisions of SFAS 142 will not have a material impact on its results of consolidated operations and financial position upon adoption.

SFAS 143 establishes accounting standards for the recognition and measurement of an asset retirement obligation and its associated asset retirement cost. It also provides accounting guidance for legal obligations associated with the retirement of tangible long-lived assets. SFAS 143 is effective in fiscal years beginning after June 15, 2002, with early adoption permitted. Management has yet to determine the impact that the adoption of SFAS 143 will have on the Company's consolidated financial statements.

SFAS 144 establishes a single accounting model for the impairment or disposal of long-lived assets, including discontinued operations. SFAS 144 superseded SFAS 121, Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of, and APB Opinion No. 30, Reporting the Results of Operations -- Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, Unusual and Infrequently Occurring Events and Transactions. The provisions of SFAS 144 are effective in fiscal years beginning after December 15, 2001, with early adoption permitted, and in general, are to be applied prospectively. The Company plans to adopt SFAS 144 effective January 1, 2002 and does not expect that the adoption will have a material impact on its results of consolidated operations and financial position.

#### 3. FIXED ASSETS

Fixed assets consist of the following as of December 31, 2001:

| Land, landfill, and improvements             | \$ 32,136,524        |
|----------------------------------------------|----------------------|

#### 4. INTANGIBLE ASSETS

As discussed further below, intangible assets totaling \$36,890,893, net of accumulated amortization of \$4,609,107, at December 31, 2001 are comprised of capitalized amounts related to the extension of franchise agreements with Clark County and the City of Las Vegas, political subdivisions of the State of Nevada.

On April 26, 1999, U.S. Environmental Protection Agency ("EPA") issued RCRA Order, Docket No. 7003-09-99-0005 ("RCRA") and CWA Order, Docket No. CWA-309-9-99-14 ("CWA"), collectively ("EPA Orders"), naming Republic Dumpco (formerly Dumpco), Republic Silver State Disposal, Inc., Republic Industries, Inc., SSDS Liquidating Corporation, and Clark County Public Works as respondents with regards to the Sunrise Regional Landfill ("Sunrise Landfill"). The EPA issued both the RCRA and CWA orders, in part, because the September 1998 rainfall caused the discharge of solid waste from the Sunrise Landfill into a tributary leading to the Las Vegas Wash. The RCRA order requires performance of action items for the 720-acre Sunrise Landfill, as well as areas denoted as the "Eastern Perimeter Area," "Southern Wash Area," and "Western Burn Pit Area" within the greater Las Vegas metropolitan area. The CWA order details action items to be performed in and around the Sunrise Landfill Area, including a full report on the hydrologic and hydrogeological site conditions, interim plans for repairs to surface water controls and for additional storm water controls, clean up of debris in the area, compliance with Industrial Storm Water General Permit No. GNV0022233, and other measures.

On June 15, 1999, the Company entered into an agreement which extended the exclusive franchise agreement for the collection and disposal of refuse with the County of Clark ("Clark County"), a political subdivision of the State of Nevada, for an additional fifteen (15) year period extending the termination date of the franchise agreement through September 2035. As a condition to the extended franchise agreement with Clark County, the Company agreed to indemnify Clark County with regards to the EPA Orders and take all actions necessary to comply fully with all terms and conditions of the EPA Orders which includes closure and post-closure care to the extent necessary for compliance with the EPA Orders and state and federal regulations on behalf of all respondents. Accordingly, the Company estimated expenditures required to perform the tasks outlined by the EPA Orders to be approximately \$36,000,000. The Company is precluded from seeking additional sources of funding, including, without limitation, applying for collection rate increases or requesting extensions of the term of the franchise agreement if the total costs to comply with the EPA Orders exceed the cost of \$36,000,000. The Company has recorded the liability of such estimated costs related to the EPA Orders, reflected as reserve for municipal obligations, and capitalized such cost as an intangible asset for the same amount during 1999, since such costs related to securing the extended franchise agreement with Clark County. Accordingly, the Company amortizes such intangible asset over the remaining life of the extended agreement with Clark County. Accumulated amortization and amortization expense related to this intangible asset as of and for the year ended December 31, 2001 approximated \$3,847,000 and \$1,138,000, respectively.

#### 4. INTANGIBLE ASSETS (continued)

On July 12, 1999, the Company entered into an agreement which extended the exclusive franchise agreement for the collection and disposal of refuse with the City of Las Vegas ("Las Vegas"), a political subdivision of the State of Nevada, for an additional fifteen (15) year period extending the termination date of the franchise agreement through February 2016, and shall be renewable for a term of five (5) years at the option of the Company. As a condition to the extended franchise agreement with Las Vegas, the Company agreed to indemnify Las Vegas with regards to the EPA Orders. Furthermore, the extended franchise agreement with Las Vegas required the Company to contribute \$5,500,000 to Las Vegas to facilitate construction of a transfer station, other capital improvements, or other public uses Las Vegas deems appropriate. The Company fully satisfied such required contribution of \$5,500,000 as of December 31, 2001. The Company has recorded such contributions as an intangible asset, since it related to securing the extended franchise agreement. Accordingly, the Company amortizes such intangible asset over the remaining life of the extended franchise agreement with Las Vegas. Accumulated amortization and amortization expense related to this intangible asset as of and for the year ended December 31, 2001 approximated \$762,000 and \$250,000, respectively.

#### 5. INCOME TAXES

The provision for income taxes consists of the following as of December 31, 2001:

| Current taxes Deferred taxes     | \$<br>—-  | 7,272,405<br>2,207,807 |
|----------------------------------|-----------|------------------------|
| Total provision for income taxes | <u>\$</u> | 9,480,211              |

The tax effects of temporary differences that give rise to significant portions of deferred tax assets (liabilities) at December 31, 2001 is as follows:

Deferred tax assets (liabilities):

| Accounts receivable reserves            | \$ 784,319     |
|-----------------------------------------|----------------|
| Vacation accruals                       | 227,118        |
| Workers' compensation accruals          | 1,736,755      |
| Closure and post-closure costs accruals | 1,576,476      |
| Depreciation                            | (7,367,710)    |
| Total net deferred tax liability        | \$ (3,043,042) |

The Company considers recording a valuation allowance in accordance with the provisions of SFAS 109 to reflect the estimated amount of deferred tax assets that may not be realized. In assessing the realizability of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences become deductible. Management considers the scheduled reversal of deferred tax liabilities, projected future taxable income and tax planning strategies in making this assessment.

Based upon the level of historical taxable income and projections for future taxable income over the periods that the deferred tax assets are deductible, management believes it is more likely than not the Company will realize the benefits of these deductible differences.

#### 5. INCOME TAXES (continued)

The following is a reconciliation of the federal statutory income tax amount to the provision for income taxes for the year ended December 31, 2001:

| Deferred tax due to accelerated depreciation     | \$<br>2,190,003 |
|--------------------------------------------------|-----------------|
| Deferred tax due to decrease in accrual for      |                 |
| workers' compensation claims                     | 50,256          |
| Deferred tax due to decrease in accrued vacation | 31,753          |
| Deferred income due to accrual for closure and   | •               |
| post-closure care costs                          | (57,327)        |
| Deferred income due to allowance for doubtful    | ` , ,           |
| accounts for financial reporting purposes        | <br>(6,878)     |
| Total provision for deferred income taxes        | \$<br>2.207.807 |

#### 6. RESERVE FOR MUNICIPAL OBLIGATION

As further described in Note 4, the Company agreed to indemnify and assume all municipal obligation related to the EPA Orders in behalf of Clark County which is included in reserve for municipal obligations in the accompany consolidated balance sheet. The outstanding reserve for municipal obligation balance as of December 31, 2001, is as follows:

| Current portion due within one year | \$        | 4,200,000  |
|-------------------------------------|-----------|------------|
| Long-term portion                   | _         | 16,854,436 |
|                                     |           |            |
| Total accrued reserve               | <u>\$</u> | 21,054,436 |

The reserve for municipal obligation totaling \$21,054,436 at December 31, 2001 is the remaining estimated expenditures of \$36,000,000 required to perform the tasks outlined by the EPA Order. As of December 31, 2001, the Company has made cumulative payments related to the municipal obligation of approximately \$14,900,000.

#### 7. LANDFILL AND ACCRUED ENVIRONMENTAL COSTS

#### Life cycle accounting

The Company uses life cycle accounting and the units-of-consumption method to recognize certain landfill costs. In life cycle accounting, all costs to acquire, construct, close and maintain a municipal solid waste landfill ("MSWL") during the post-closure period are capitalized or accrued and charged to expense based upon the consumption of cubic yards of available airspace. Costs and airspace estimates are developed annually by independent engineers together with the Company's engineers. These estimates are used by the Company's operating and accounting personnel to annually adjust the Company's rates used to expense capitalized costs and accrue closure and post-closure costs. Changes in these estimates primarily relate to changes in available airspace, inflation rates and applicable regulations. Changes in available airspace include changes due to the addition of airspace lying in expansion areas deemed likely to be permitted.

#### Total available disposal capacity

As of December 31, 2001, the Company owned or operated 2 MSWL sites with total available disposal capacity of approximately 530 million tons in-place. Total available disposal capacity represents the sum of estimated permitted airspace plus an estimate of airspace, which is likely to be permitted.

#### 7. LANDFILL AND ACCRUED ENVIRONMENTAL COSTS (continued)

#### Capitalized landfill costs

Capitalized landfill costs include expenditures for land, permitting costs, cell construction costs and environmental structures. Capitalized permitting and cell construction costs are limited to direct costs relating to these activities, including legal, engineering and construction associated with excavation, liners and site berms. Interest is capitalized on landfill construction projects while the assets are undergoing activities to ready them for their intended use.

Costs related to acquiring land, excluding the estimated residual value of unpermitted land, and costs related to permitting and cell construction are depleted as airspace is consumed using the units-of-consumption method. Environmental structures, which include leachate collection systems, methane collection systems and groundwater monitoring wells, are charged to expense over the shorter of their useful life or the life of the landfill.

#### Closure and post-closure costs

Landfill site closure and post-closure costs include estimated costs to be incurred for final closure of the landfills and estimated costs for providing required post-closure monitoring and maintenance of landfills. These costs are accrued and charged to cost of operations based upon consumed airspace in relation to total available disposal capacity using the units-of-consumption method of amortization. The Company estimates future cost requirements for closure and post-closure monitoring and maintenance for its solid waste facilities based on the technical standards of the Environmental Protection Agency's Subtitle D regulations and applicable federal, state and local regulations. These estimates do not take into account discounts for the present value of total estimated costs. The Company owns and operates sites in Clark County, Nevada. The expected closure year for these MSWL sites as of December 31, 2001, are 2085 and 2010. The accrued closure and post-closure care costs totaling \$4,636,691 as of December 31, 2001, are based on the cumulative use of the estimated capacities of the MSWL sites. These costs are adjusted each year for inflation or deflation. The estimated cumulative use for the MSWL sites are 4% and 33%. For the year ended December 31, 2001, closure and post-closure expense was approximately \$169,000.

| Closure costs Post-closure costs                                          | \$ 33,003,893<br><u>7,026,355</u> |
|---------------------------------------------------------------------------|-----------------------------------|
| Total estimated closure and post-closure care costs Less: accrued reserve | 40,030,348<br>4,636,691           |
| Total remaining closure and post-closure care costs                       | \$ 35,393,657                     |

#### Environmental costs

In the normal course of business, the Company is subject to ongoing environmental investigations by certain regulatory agencies, as well as other claims and disputes that could result in litigation. Environmental costs are accrued by the Company through a charge to income in the period such liabilities become probable and can be reasonably estimated. No material amounts were charged to expense during the year ended December 31, 2001.

#### 8. UNAMORTIZED LEASE OPTION

On September 30, 2000, the Company entered into a one year option agreement with Reliant Energy Power Generation, Inc. ("Reliant"), which grants Reliant an exclusive right and option to lease an area of approximately 30 acres of land located in Clark County, Nevada for the purpose of building a power plant. Consideration for the agreement was \$700,000.

On August 16, 2001, the Company entered into an amended option agreement with Reliant to extend the expiration date for the option agreement from September 30, 2001 to September 30, 2002. Consideration for the extension was an additional \$1,500,000 for a total of \$2,200,000 related to the option agreement. All consideration is non-refundable and not applicable to rent or any other amount to become due under the lease agreement. Since the consideration for the option is directly related to a future lease benefit, the amount has been recorded as an unamortized lease option and will be recognized over the life of the future lease. However, if a lease is not consummated in the future, the entire \$2,200,000 will be recognized as income.

#### 9. RELATED PARTY TRANSACTIONS

As of December 31, 2001, the net balance due to related parties totaled \$867,484. Advances due to affiliated entities and Parent Company are due on demand, unsecured and bear no interest.

As of December 31, 2001, the Company made payments to the Parent Company for interest expense and corporate administrative services provided of \$11,347,364 and \$6,555,256, respectively.

#### 10. PROFIT SHARING AND PENSION PLANS

The Company and its eligible employees not covered by a collective bargaining agreement participate in an employee savings and profit sharing plan (Plan) under section 401(k) of the Internal Revenue Code sponsored by the Parent Company. Contributions to the Plan are made annually equal to 50% of the employees' contributions to a maximum of 4% of total compensation. The Parent Company can make discretionary additional contributions to the Plan on behalf of the employees. All the required contributions were made by the Parent Company for the year ended December 31, 2001. The Parent Company did not make any discretionary contributions to the Plan for the year ended December 31, 2001.

The Company participates in a multi-employer pension plan sponsored and administered by the Western Conference of Teamsters Pension Trust Fund for its employees who are subject to collective bargaining agreements (Teamsters Union Members). This plan is a defined benefit plan; however, specified benefit levels are ordinarily not negotiated or made known to participating employers.

#### 11. COMMITMENTS AND CONTINGENCIES

#### Contracts

The Company has exclusive franchise contracts for the collection and disposal of refuse with various municipalities and other entities within Clark County, Nevada as follows:

|                         | Start Date     | End Date       |
|-------------------------|----------------|----------------|
| Clark County            | February 1975  | September 2035 |
| City of North Las Vegas | April 1996     | April 2016     |
| City of Las Vegas       | February 1986  | February 2021  |
| City of Henderson       | September 1983 | December 2012  |

The Company made required payments to these municipalities totaling \$7,348,370 for the year ended December 31, 2001.

#### Self-insurance plans

The Company's insurance programs for worker's compensation is effectively self-insured. Claims in excess of self-insurance levels are fully insured. Accruals are based on claims filed and estimates of claims incurred but not reported.

The Company's liabilities for unpaid and incurred but not reported claims at December 31, 2001 was \$5,108,104 under its current risk management program and are included in reserves for self insurance in the accompanying consolidated balance sheet. Insurance expense related to these reserves total \$3,971,930 for the year ended December 31, 2001. While the amount of claims incurred are dependent on future developments, in management's opinion, recorded reserves are adequate to cover the future payment of claims. However, it is reasonably possible that recorded reserves may not be adequate to cover the future payment of claims. Adjustments, if any, to estimates recorded resulting from claim payments will be reflected in results of operations in the periods in which such adjustments are known.

#### Legal proceedings

The Company is involved in various legal proceedings which have arisen in the ordinary course of business. While the results of these matters cannot be predicted with certainty, the Company's management believes that losses, if any, resulting from the ultimate resolution of these matters will not have a material adverse effect on the Company's consolidated results of operations, cash flows or financial position. However, unfavorable resolution could affect the consolidated results of operations or cash flows for the years in which they are resolved.

#### 12. SUBSEQUENT EVENTS

#### Self-insurance plans

As of January 1, 2002, the Parent Company transferred to its balance sheet the outstanding insurance reserves for workers compensation, general and auto liability of Republic Silver State Disposal Inc. and its wholly owned subsidiary, Republic Dumpco, Inc. The Parent Company will assume all future liability for these claims and will begin on January 1, 2002 to charge the Company on a monthly basis an insurance charge based on payroll, and vehicles along with a per claim charge based on the number of actual incidents. This charge is expected to approximate the current insurance cost for the Company. This charge out method is used for all the Parent Company's subsidiaries and is not expected to have a material impact on the results of the Company.

January 15, 1968

Mr. Clay Lynch City Manager City of North Las Vegas North Las Vegas, Nevada

Dear Mr. Lynch:

Pursuant to your request for supplemental financial statements and supporting schedules regarding our application and request for an increase in garbage disposal rates for the City of North Las Vegas and an extension of the existing disposal contract between Disposal Transportation, Inc. and the City of North Las Vegas, as referenced in our initial letter of December 5, 1967, addressed to the mayor and city councilmen, please find, attached, the accompanying documents.

- 1. Audited financial statements of Disposal Transportation, Inc. September 30, 1967
- Silver State Disposal Co. Statement of Income, Year Ended September 30, 1967
- Silver State Disposal Co. Statement of Income, Year Ended September 30, 1966
- Clark Sanitation, Inc. Statement of Income, Year Ended September 30, 1967
- 5. Clark Sanitation, Inc. Statement of Income, Year Ended September 30, 1966
- Henderson Disposal Service, Inc. Statement of Income, Year Ended September 30, 1967
- 7. Henderson Disposal Service, Inc. Statement of Income, Year Ended September 30, 1966
- 8. Disposal Transportation, Inc. Depreciation schedule, fiscal years ended September 30, 1967 and 1966.

 Revised analysis, Rate of Return - City of North Las Vegas Method, Disposal Transportation, Inc. - per audited statement

We respectively and earnestly request that the necessary evaluations be made as expeditiously as possible in order that our request for said increase in rates and extention of the existing contract can be favorably acted upon.

Respectively yours, DISPOSAL TRANSPORTATION, INC.

Lester L. La Fortune

We have examined the combined balance sheet of the above-named Companies as at September 30, 1982 and the related combined statements of income, retained earnings and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The combined financial statements of the Companies for the year ended September 30, 1981 were examined by Swarts Bowler Gamett, Chartered, whose report dated January 22, 1982 expressed an unqualified opinion on those statements. Effective November 1, 1982, Swarts Bowler Gamett, Chartered merged with Laventhol & Horwath.

In our opinion, the financial statements referred to above present fairly the combined financial position of the above-named Companies at September 30, 1982 and the results of their combined operations and the changes in their combined financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO COMBINED FINANCIAL STATEMENTS

YEARS ENDED SEPTEMBER 30, 1982 AND 1981

#### 1. Summary of accounting policies:

Basis of combined statements:

The combined financial statements include the accounts of Automated Transfer Systems, Inc., Clark Sanitation, Inc., Disposal Investments, Inc., and its wholly-owned subsidiary, Henderson Disposal Service, Inc., Disposal Transportation, Inc. and Silver State Disposal Company. All material intercompany accounts and transactions have been eliminated.

#### Inventories:

Inventories of parts and supplies are valued at the lower of cost, determined by first-in, first-out method, or market.

Property and equipment:

Depreciation of property and equipment is provided over the estimated useful lives of the assets by the straight-line or accelerated methods.

Intangible assets:

The excess of cost over net assets of subsidiary acquired is being amortized over a 40-year period using the straight-line method.

Investment tax credit:

Income tax expense is reduced for the period in which fixed asset expenditures create an investment tax credit (flow-through method).

2. Property, plant and equipment:

Property, plant and equipment, together with annual depreciation rates consist of the following:

| Thereafter                  | 5,493,226    |  |
| •                           | \$ 9,263,730 |  |

In June of 1981, Disposal Investments, Inc. placed in trust the proceeds from the issuance of \$7,000,000 of City of North Las Vegas, Nevada Pollution Control Revenue Bonds, Series 1981A in the amount of \$5,000,000 and Series 1981B in the amount of \$2,000,000.

The proceeds of the 1981A bonds were used for the construction of a transfer station and related facilities at a total cost of \$5,678,311. The total cost includes the net interest cost of the bonds (bond interest expense net of interest earned on bond proceeds invested) in the amount of \$164,877 which was

#### NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED SEPTEMBER 30, 1982 AND 1981

#### 3. Long-term debt (continued):

capitalized as a cost of the project during the period of construction. These bonds are secured by the facilities constructed, the land and the unexpended bond proceeds; as well as being guaranteed by the Small Business Administration.

The proceeds of the 1981B bonds were used to purchase the transfer station equipment at a total cost of \$2,348,214 and are secured by this equipment as well as the unexpended bond proceeds.

Payments on the above bonds are to be made from the revenues of the Companies.

The bond indentures require monies to be held in trust in certain prescribed funds. The transactions in these funds for the years ended September 30, 1982 and 1981 are summarized as follows:

|                                                   | Year ended Se |                         |

#### 4. Federal income taxes:

Income tax expense differs from the amounts currently payable because certain expenses are reported in the income statement in periods that differ from those in which they are subject to taxation. The principal differences in timing between the income statement and taxable income involve (a) depreciation expenses recorded from the date the assets were placed in service in the income statement and using the half-year convention for tax purposes, and (b) interest expense capitalized on the statements but currently deducted for tax purposes. The

#### NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED SEPTEMBER 30, 1982 AND 1981

#### 4. Federal income tax (continued):

differences between income tax expense and taxes currently payable are reflected as deferred federal income tax in the balance sheet. Income tax expense consists of the following:

|                                                                                                         | Year ended<br>September 30, |                               |    |                             |
|---------------------------------------------------------------------------------------------------------|-----------------------------|-------------------------------|----|-----------------------------|
|                                                                                                         |                             | 1982                          |    | 1981                        |
| Currently payable before giving effect to investment credits Investment credits realized Deferred (net) | \$                          | 131,296<br>141,481)<br>12,224 | •  | 846,940<br>252,118)<br>194) |
|                                                                                                         | \$                          | 2,039                         | \$ | 594,628                     |

\$176,436 of investment tax credits are available for carryover to future periods. These credits all expire in the year ending September 30, 1997.

#### 5. Profit-sharing and pension plans:

Each Company has a profit-sharing plan for all employees whose compensation is computed on a monthly or semi-monthly basis. Employees are eligible to participate in the Plan after completing one year of service. Contributions to these Plans are made at the discretion of the Board of Directors based upon compensation. The Companies paid the administrative expenses of the Plans and contributed \$50,000 and \$125,000, respectively, for the years ended September 30, 1982 and 1981.

Certain employees of the Companies (Teamsters Union members) are covered under the Western Conference of Teamsters Pension Trust Fund. The relative position and undertakings of the Companies relative to this pension plan are not determinable.

#### 6. Franchise contracts:

Several of the Companies have exclusive franchise contracts for the collection and disposal of solid waste with various municipalities in the Southern Nevada area. These contracts and their expiration dates are summarized below:

#### NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED SEPTEMBER 30, 1982 AND 1981

#### 6. Franchise contracts (continued):

|                                     | Municipality            | Date of expiration (including options) |
|-------------------------------------|-------------------------|----------------------------------------|
| Silver State Disposal<br>Company    | City of Las Vegas       | January 31, 1986                       |

| Henderson Disposal<br>Service, Inc. | City of Henderson       | December 1, 2002                       |
| Disposal Transportation, Inc.       | City of North Las Vegas | January 1, 1998                        |

\*Period from March 18, 1983 to February 6, 1990 contingent upon the Company installing two transfer stations; one by March 18, 1983 and the other by February 6, 1985.

The above-mentioned Companies use a sanitary land fill facility under contract from Clark County, Nevada. The contract is due to expire on March 18, 1983, with extension to February 6, 1990 subject to the same contingencies related to the franchise contract with Clark County, Nevada.

#### 7. Capital stock:

The capital stock on the combined balance sheet is the aggregate of the paid-in values of the no par common stock issued by each of the combined Companies. Clark Sanitation, Inc., Disposal Investments, Inc., Disposal Transportation, Inc., and Silver State Disposal Company have each issued 20,400 shares of no par common stock of which four shares are held in the treasury on each Company. Automated Transfer Systems, Inc. has issued and outstanding 20,396 shares. Each stockholder owns an identical number of shares of each of the above five Companies' stock.

The Board of Directors
Automated Transfer Systems, Inc.
Clark Sanitation, Inc.
Disposal Investments, Inc. and Subsidiary
Disposal Transportation, Inc.
Silver State Disposal Company

We have examined the combined balance sheet of the above named companies as of September 30, 1978 and 1977, and the related combined statements of income, retained earnings and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the financial position of the above-named companies at September 30, 1978 and 1977, and the results of their operations and the changes in their financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

The accompanying notes are an integral part of these financial statements.

#### NOTES TO COMBINED FINANCIAL STATEMENTS

SEPTEMBER 30, 1978 AND 1977

#### 1. SUMMARY OF ACCOUNTING POLICIES

Basis of combined statements - The combined financial statements include the accounts of Automated Transfer Systems, Inc., Clark Sanitation, Inc., Disposal Investments, Inc., and its wholly-owned subsidiary, Henderson Disposal Service, Inc., Disposal Transportation, Inc. and Silver State Disposal Company. All material intercompany accounts and transactions have been eliminated.

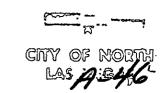

The capital stock on the combined balance sheet is the aggregate of the paid-in values of the no par common stock issued by each of the combined companies. Clark Sanitation, Inc., Disposal Investments, Inc. Disposal Transportation, Inc., and Silver State Disposal Company have each issued 20,400 shares of no par common stock of which four shares are held in the treasury on each company. Automated Transfer Systems, Inc. has issued and outstanding 20,396 shares. Each stockholder owns an identical number of shares of each of the above five companies stock.

Inventories - Inventories are valued at the lower of cost, determined by first-in, first-out method, or market.

Property and equipment - Property and equipment are carried at cost. Depreciation is computed for the various types of properties on bases deemed to be the most realistic in the circumstances. Depreciation of the trucks is provided for on a declining curve over a four year useful life at the rate of 200% of straight-line applied to the remaining balance. Management has adopted a policy of replacing trucks soon after the fourth year of service and has selected the stated method of depreciation as being most in accord with the pattern of loss in value in service.

When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in income for the period. The cost of maintenance and repairs is charged to income as incurred, whereas significant renewals and betterments are capitalized and deduction is made for retirements resulting from the renewals or betterments.

Intangible assets - The excess of cost over net assets of subsidiary acquired is being amortized over a 40-year period using the straight-line method.

### NOTES TO COMBINED FINANCIAL STATEMENTS (Continued)

SEPTEMBER 30, 1978 AND 1977

#### SUMMARY OF ACCOUNTING POLICIES (Continued)

Deferred income taxes - Deferred income taxes are provided to reflect the tax effect of timing differences between financial and tax reporting, principally related to depreciation.

Income tax expense - Income tax expense is reduced for the period in which fixed asset expenditures create an investment tax credit and for the period in which the new jobs credit arises. Disposal Investments, Inc. and its wholly owned subsidiary, Henderson Disposal Service, Inc., filed separate federal income tax returns for the years ended September 30, 1978 and 1977.

#### 2. PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment, together with annual depreciation and amortization rates consist of the following:

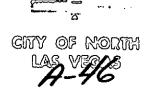

|                                                                                        | 1978                                                         | 1977                                                         | Annual rates                                                           |

NOTES TO COMBINED FINANCIAL STATEMENTS (Continued)

SEPTEMBER 30, 1978 AND 1977

#### 4. COMMITMENTS

Each Company is required by its By-Laws to purchase the stock of a stockholder upon his written request. The purchase price will be based on 150 percent of the book value as determined at September 30 of each year.

#### 5. FEDERAL INCOME TAXES

Investment tax credits applied to the reduction of income tax expense amounted to \$44,137 and \$31,170, respectively, for the years ended September 30, 1978 and 1977. Recapture of investment tax credit taken in prior years amounted to \$280 for the year ended September 30, 1977. New jobs credit applied to the reduction of income tax expense for the year ended September 30, 1978 was \$44,849. Investment tax credit and new jobs credits available to be carried back for refund amounts to \$41,535 which is included in the accompanying statements as receivable from the Internal Revenue Service.

#### 6. PROFIT SHARING PLAN

Each Company has a profit sharing plan for all employees whose compensation is computed on a monthly or semi-monthly basis. Employees are eligible to participate in the Plan after completing one year of service. Contributions to these plans are made at the discretion of the Board of Directors based upon compensation. The companies paid the administrative expenses of the plans and contributed \$40,000 and \$60,000 for the years ended September 30, 1978 and 1977, respectively.

#### 7. FRANCHISE CONTRACTS

Several of the companies have exclusive franchise contracts for the collection and disposal of solid waste with various municipalities in the Southern Nevada area. These contracts and their expiration dates are summarized below:

Disposal Transportation, Inc.
Silver State Disposal Company

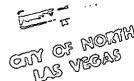

We have examined the combined balance sheet of the above-named companies as of September 30, 1977 and 1976, and the related combined statements of income, retained earnings and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the financial position of the above-named companies at September 30, 1977 and 1976, and the results of their operations and the changes in their financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO COMBINED FINANCIAL STATEMENTS

SEPTEMBER 30, 1977 AND 1976

#### 1. SUMMARY OF ACCOUNTING POLICIES

Basis of combined statements - The combined financial statements include the accounts of Automated Transfer Systems, Inc., Clark Sanitation, Inc., Disposal Investments, Inc., and its wholly-owned subsidiary, Henderson Disposal Service, Inc., Disposal Transportation, Inc. and Silver State Disposal Company. All material intercompany accounts and transactions have been eliminated.

The capital stock on the combined balance sheet is the aggregate of the paid-in values of the no par common stock issued by each of the combined companies. Clark Sanitation, Inc., Disposal Investments, Inc., Disposal Transportation, Inc., and Silver State Disposal Company have each issued 20,400 shares of no par common stock of which four shares are held in the treasury on each company. Automated Transfer Systems, Inc. has issued and outstanding 20,396 shares. Each stockholder owns an identical number of shares of each of the above five companies' stock.

<u>inventories</u> - Inventories are valued at the lower of cost, determined by first-in, first-out method, or market.

Property and equipment - Property and equipment are carried at cost. Depreciation is computed for the various types of properties on bases deemed to be the most realistic in the circumstances. Depreciation of the trucks is provided for on a declining curve over a four year useful life at the rate of 200% of straight-line applied to the remaining balance. Management has adopted a policy of replacing trucks soon after the fourth year of service and has selected the stated method of depreciation as being most in accord with the pattern of loss in value in service.

When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in income for the period. The cost of maintenance and repairs is charged to income as incurred, whereas significant renewals and betterments are capitalized and deduction is made for retirements resulting from the renewals or betterments.

Intangible assets - The excess of cost over net assets of subsidiary acquired is being amortized over a 40-year period using the Films raight-line method.

<u>Deferred income taxes</u> - Deferred income taxes are provided to reflect the tax effect of timing differences between financial and tax reporting, principally related to depreciation.

CITY OF NORTH

### NOTES TO COMBINED FINANCIAL STATEMENTS (Continued)

SEPTEMBER 30, 1977 AND 1976

#### SUMMARY OF ACCOUNTING POLICIES (Continued)

<u>Investment tax credit</u> - Income tax expense is reduced for the period in which fixed asset expenditures create an investment tax credit.

#### 2. PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment, together with annual depreciation and amortization rates consist of the following:

|                                                                        | 1977                                            | 1976                                            | Annual rates                                        |
|------------------------------------------------------------------------|-------------------------------------------------|-------------------------------------------------|-----------------------------------------------------|
| Land Buildings and improvements Automotive equipment Rental containers | \$ 176,150<br>1,529,930<br>2,549,990<br>744,695 | \$ 176,072<br>1,492,975<br>2,233,559<br>641,393 | 2.5 to 20 percent<br>20 to 33 percent<br>17 percent |
| Other equipment                                                        | 1,204,840<br>\$6.205.605                        | 1,064,279<br>\$5,608,278                        | 7 to 50 percent                                     |

Depreciation and amortization expense charged to income was \$706,519 and \$655,548 in 1977 and 1976, respectively.

#### 3. LONG-TERM DEBT

#### 4. COMMITMENTS

Each Company is required by its By-Laws to purchase the stock of a stockholder upon his written request. The purchase price will be based on 150 percent of the book value as determined at September 30 of each year.

#### 5. FEDERAL INCOME TAXES

Investment tax credits applied to the reduction of income tax expense amounted to \$31,170 and \$31,565, respectively, for the years ended September 30, 1977 and 1976. Recapture of investment tax credit taken in prior years amounted to \$280 and \$1,117 for the years ended September 30, 1977 and 1976, respectively.

#### 6. PROFIT SHARING PLAN

Each Company has a profit sharing plan for all employees whose compensation is computed on a monthly or semi-monthly basis. Employees are eligible to participate in the Plan after completing one year of service. Contributions to these plans are made at the discretion of the Board of Directors based upon compensation. The Companies contributed \$60,000 and paid administrative expenses for each of the years ended September 30, 1977 and 1976.

### NOTES TO COMBINED FINANCIAL STATEMENTS (Continued)

SEPTEMBER 30, 1977 AND 1976

#### 7. EARNINGS PER SHARE

Earnings per share were computed based on 20,396 shares issued and outstanding during the years ended September 30, 1977 and 1976.

#### 8. FRANCHISE CONTRACTS

Several of the companies have exclusive franchise contracts for the collection and disposal of solid waste with various municipalities in the Southern Nevada area. These contracts and their expiration dates are summarized below:

|                                  | Municipality         | Date of expiration (including options) |          |
|----------------------------------|----------------------|----------------------------------------|----------|
| Silver State Disposal Company    | City of Las Vegas    | January                                | 31, 1986 |
| Clark Sanitation, Inc.           | Clark County, Nevada | February                               | 5, 1990* |
| Henderson Disposal Service, Inc. | City of Henderson    | September                              | 9, 1983  |

<sup>\*</sup> Period from February 6, 1985 to February 5, 1990 contingent upon the company installing two transfer stations at a minimum cost of \$300,000 each.

#### 9. ADJUSTMENT OF OCTOBER 1, 1975 RETAINED EARNINGS

The Internal Revenue Service has examined the Companies' Federal income tax returns for the years ended September 30, 1975 and 1974 and determined that the depreciable lives of certain buildings and improvements owned by Disposal Investments, Inc. should be of greater duration than originally determined by the Company. The Company has likewise adjusted the useful lives of these buildings and improvements to coincide with those determined by the Internal Revenue Service. A summary of this adjustment for each period is as follows:

|                                                                | <u> 1976</u>     | <u> 1975</u>        | <u> 1974</u>     |

Disposal Transportation, Inc. Silver State Disposal Company

We have examined the combined balance sheet of the abovenamed companies as of September 30, 1974 and the related combined statements of income, retained earnings and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the combined financial position of the above-named companies at September 30, 1974 and the results of their combined operations and the changes in their financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

CITY OF NORTH

#### NOTES TO COMBINED FINANCIAL STATEMENTS

#### 1. SUMMARY OF ACCOUNTING POLICIES

Basis of combined statements - The combined financial statements include the accounts of Automated Transfer Systems, Inc., Clark Sanitation, Inc., Disposal Investments, Inc., and its wholly owned subsidiary, Henderson Disposal Service, Inc., Disposal Transportation, Inc. and Silver State Disposal Company. All material intercompany accounts and transactions have been eliminated.

The capital stock on the combined balance sheet is the aggregate of the paid-in values of the no par common stock issued by each of the combined companies. Clark Sanitation, Inc., Disposal Investments, Inc., Disposal Transportation, Inc., and Silver State Disposal Company have each issued 20,400 shares of no par common stock of which four shares are held in the treasury on each company. Automated Transfer Systems, Inc. has issued and outstanding 20,396 shares.

Inventories - Inventories are valued at the lower of cost,
determined by first-in, first-out method, or market.

<u>Property and equipment</u> - Property and equipment are carried at cost. Depreciation is computed for the various types of properties on bases deemed to be the most realistic in the circumstances. Depreciation of the trucks is provided for on a declining curve over a four year useful life at the rate of 200% of straight-line applied to the remaining balance. Management has adopted a policy of replacing trucks soon after the fourth year of service and has selected the stated method of depreciation as being most in accord with the pattern of loss in value in service.

When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in income for the period. The cost of maintenance and repairs is charged to income as incurred, whereas significant renewals and betterments are capitalized and deduction is made for retirements resulting from the renewals or betterments.

<u>Intangible assets</u> - The excess of cost over net assets of subsidiary acquired is being amortized over a 40-year period using the straight-line method.

<u>Deferred income taxes</u> - Deferred income taxes are provided to reflect the tax effect of timing differences between financial and tax reporting, principally related to depreciation.

Investment tax credit - Income tax expense is reduced for the MICE of in which fixed asset expenditures create an investment tax credit.

# NOTES TO COMBINED FINANCIAL STATEMENTS (Continued)

#### 2. DEPRECIATION

Depreciation, based on rates shown below, was:

|                            |                   | Kates             |
|----------------------------|-------------------|-------------------|
| Buildings and improvements | \$129,582         | 2.5 to 20 percent |
| Automotive equipment       | 255,044           | 20 to 33 percent  |
| Rental containers          | 54,044            | 17 percent        |
| Other equipment            | <u>120,806</u>    | 7 to 50 percent   |
| Total charged to income    | \$ <u>559,476</u> |                   |

#### 3. LONG-TERM DEBT

Chattel mortgage and real estate mortgages payable are secured by property and equipment of the combined companies. The aggregate monthly payment on the long-term debt of the combined companies is \$55,213.

#### 4. COMMITMENTS AND CONTINGENT LIABILITIES

With the exception of Automated Transfer Systems, Inc., all of the companies which are included in the combined financial statements, together with Lester LaFortune, Alfred Isola, the latter two being officers of all the named companies, Joseph Anstett, and John Does 1-20 were named as co-defendants in a suit filed in the Eighth Judicial District Court by James F. Hayes and Nish Kerkorian.

The complaint alleges that the plaintiffs, pursuant to an alleged oral agreement, were to be paid 10% of the purchase price should the planitiffs procure a purchaser or purchasers for the entire business interests of the defendants pertaining to the collection and disposal of garbage within Clark County, Nevada. They ask for general damages in the sum of \$400,000 plus punitive damages in the sum of \$650,000.

The companies' legal counsel is of the opinion that there is no liability, but, unless plaintiffs make an offer of settlement, a final dismissal of the action will require a trial which may or may not be before a jury.

CITY OF NORTH LAS VEGAS

# NOTES TO COMBINED FINANCIAL STATEMENTS (Continued)

#### 4. COMMITMENTS AND CONTINGENT LIABILITIES (Continued)

On December 2, 1974 a notice of claim of lien was received from George F. Kalb Construction Company growing out of construction of facilities at the dump site for the benefit of Consolidated Fibres, Inc., a subcontractor of Clark Sanitation, Inc. The claimant has purportedly liened the real property belonging to the United States of America which has issued a permit to the County of Clark and Clark Sanitation, Inc. as contractor for the County to enjoy the use of said property. Claimant contends that Consolidated Fibres, Inc. owes the claimant the sum of \$27,118.

It is the opinion of counsel that the true amount due to the claimant will be paid by Consolidated Fibres, Inc. and that the lien will be timely released. Counsel also believes that there is no exposure to Clark Sanitation, Inc. since Consolidated Fibres, Inc. has equipment upon the premises amenable to attachment that has a value far in excess of the amount claimed.

Clark Sanitation, Inc., Disposal Transportation, Inc. and Silver State Disposal Company, members of the combined group, have entered into an agreement for removal of wet garbage, the terms of which require the above-named companies to make monthly payments not to exceed \$3,000 for a period to and including September 30, 1977.

#### 5. FEDERAL INCOME TAXES

Investment tax credits applied to the reduction of income tax expense amounted to \$21,200. Unused investment tax credit which can be carried forward to subsequent years is approximately \$4,600.

Henderson Disposal Service, Inc., the wholly owned subsidiary of Disposal Investments, Inc., has used net operating loss carryover to offset taxable income of \$39,248 for the year ended September 30, 1974. There remains to be carried to future years \$9,332 of losses which expire as follows:

Year ended September 30, 1977 \$ 1,684 Year ended September 30, 1978 \$ 7,648 \$ 9,332

#### 6. PROFIT-SHARING PLAN

The companies provide a profit-sharing plan for all qualified salaried employees. The companies' contributions to the plan during the current year totaled \$60,000.

We have examined the combined balance sheet of the abovenamed companies as of September 30, 1973 and the related combined statements of income, retained earnings and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the combined financial position of the above-named companies at September 30, 1973 and the results of their combined operations and the changes in their financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

## COMBINED STATEMENT OF CHANGES IN FINANCIAL POSITION

## YEAR ENDED SEPTEMBER 30, 1973

| Working capital provided from  Net income  Add charges (deduct credits) against earnings  not affecting working capital                                                                                                                          | \$ 135,883                                                                                      |

#### NOTES TO COMBINED FINANCIAL STATEMENTS

#### SUMMARY OF ACCOUNTING POLICIES

<u>Basis of combined statements</u> - The combined financial statements include the accounts of Automated Transfer Systems, Inc., Clark Sanitation, Inc., Disposal Investments, Inc., Disposal Transportation, Inc. and Silver State Disposal Company. All material intercompany accounts and transactions have been eliminated.

The capital stock on the combined balance sheet is the aggregate of the paid-in values of the no par common stock issued by each of the combined companies. Clark Sanitation, Inc., Disposal Investments, Inc., Disposal Transportation, Inc., and Silver State Disposal Company have each issued 20,400 shares of no par common stock of which four shares are held in the treasury on each company. Automated Transfer Systems, Inc. has issued and outstanding 20,396 shares.

<u>Inventories</u> - Inventories are valued at the lower of cost, determined by first-in, first-out method, or market.

Property and equipment - Property and equipment are carried at cost. Depreciation is computed for the various types of properties on bases deemed to be the most realistic in the circumstances. Depreciation of the trucks is provided for on a declining curve over a four year useful life at the rate of 200% of straight-line applied to the remaining balance. Management has adopted a policy of replacing trucks soon after the fourth year of service and has selected the stated method of depreciation as being most in accord with the pattern of loss in value in service.

When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in income for the period. The cost of maintenance and repairs is charged to income as incurred, whereas significant renewals and betterments are capitalized and deduction is made for retirements resulting from the renewals or betterments.

<u>Deferred income taxes</u> - Deferred income taxes are provided to reflect the tax effect of timing differences between financial and tax reporting, principally related to depreciation.

<u>Investment tax credit</u> - Income tax expense is reduced for the period in which fixed asset expenditures create an investment tax credit.

# NOTES TO COMBINED FINANCIAL STATEMENTS (Continued

#### 2. DEPRECIATION

Depreciation, based on rates shown below, was: Rates \$105,132 2.5 to 20 percent Buildings and improvements Automotive equipment 232,915 20 to 33 percent Rental containers 45,244 17 percent Other equipment 133,629 7 to 50 percent Total charged to income \$516,922

## 3. LONG-TERM DEBT

Chattel mortgage and real estate mortgages payable are secured by property and equipment of the combined companies. The aggregate monthly payment on the long-term debt of the combined companies is \$40,364.

#### 4. COMMITMENTS AND CONTINGENT LIABILITIES

With the exception of Automated Transfer Systems, Inc., all of the companies which are included in the combined financial statements, together with Lester LaFortune, Alfred Isola, the latter two being officers of all the named companies, Joseph Anstett, and John Does 1-20 were named as co-defendants in a suit filed in the Eighth Judicial District Court by James F. Hayes and Nish Kerkorian.

The complaint alleges that the plaintiffs, pursuant to an alleged oral agreement, were to be paid 10% of the purchase price should the plaintiffs procure a purchaser or purchasers for the entire business interests of the defendants pertaining to the collection and disposal of garbage within Clark County, Nevada. They ask for general damages in the sum of \$400,000 plus punitive damages in the sum of \$650,000.

The companies' legal counsel is of the opinion that there is no liability, but, unless plaintiffs make an offer of settlement, a final dismissal of the action will require a trial which may or may not be before a jury.

A class action suit by David D. Bradley, Robert A. Turmon, Ray Chenoweth and every other person similarly situated in the same or similar class was filed against Silver State Disposal Company, Disposal Transportation, Inc. and Clark Sanitation, Inc. in the Eighth Judicial District Court.

MAR 21 1974 CII Y LAS V.C.AS II

## NOTES TO COMBINED FINANCIAL STATEMENTS (Continued)

#### 4. COMMITMENTS AND CONTINGENT LIABILITIES (Continued)

The subject matter of this class action is the contention by the plaintiffs that during the period of the stike by the Teamsters employees of the defendants during the month of May 1972, to wit: May 22-29, that the defendants wrongfully charged and accepted fees for the collection of garbage during said period of time when in fact no such collection was made and that defendants are liable, not only to the plaintiffs, but to all other persons similarly situated for either the credit or repayment of said charges made during said period of time.

It is the position of the defendants that the strike was not occasioned through any fault of the defendants; that at the end of said strike, all refuse was picked up at considerable cost to defendants requiring overtime pay at the increased pay rate for all of the members of the defendant companies to pick up the accumulation of garbage. Defendants have taken the position that all persons in the community who, during said strike either themselves or through third party or parties disposed of their own garbage are entitled to credit to the extent of 28 cents per pickup, the only condition being that said person or persons so disposing of said garbage, notify the defendants so that such credit can be given.

This action was dismissed on December 7, 1973 and notice of Entry of Order was entered on December 28, 1973. The expiration date of plaintiffs' time to appeal is January 28, 1974.

Clark Sanitation, Inc., Disposal Transportation, Inc. and Silver State Disposal Company, members of the combined group, members of the combined group group group, members of the combined group gro

The Board of Directors
Disposal Transportation, Inc.

We have examined the balance sheet of Disposal Transportation, Inc. as of September 30, 1971 and the related statements of income and retained earnings for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the financial position of Disposal Transportation, Inc. at September 30, 1971 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS

## NOTE 1 AUTOMOTIVE EQUIPMENT

Disposal trucks owned by the Company are pledged as security for obligations at September 30, 1971 as follows:

|                          | Book value Chattel of truck mortgage |                 |             | Monthly<br>payment |            | Payments<br>remaining |         |
|--------------------------|--------------------------------------|-----------------|-------------|--------------------|------------|-----------------------|---------|
| Truck T-75<br>Truck T-76 | \$                                   | 2,822<br>16,545 | \$<br>2     | 442<br>2,091       | \$         | 442<br>818            | 1<br>27 |
|                          | \$                                   | 19,367          | \$ <u>2</u> | 2.533              | \$ <u></u> | 260                   | -       |

The disposal trucks are not in continuous service for the Company and are the basis for the equipment rental income reflected in the statement of income.

Depreciation of the trucks is provided for on a declining curve over a four-year useful life, at the rate of 200% of straight-line applied to the remaining balance. Management has adopted a policy of replacing trucks soon after the fourth year of service, and has selected the stated method of depreciation as being most in accord with the pattern of loss of value in service. Depreciation is included in disposal service truck expense on the statement of income in the amount of \$19,530.

#### NOTE 2 CONTINGENT LIABILITIES

The Company has been named co-defendant with Disposal Investments, Inc., Silver State Disposal Company, Clark Sanitation, Inc., Lester LaFortune, Alfred Isola, the latter two being officers of all the named companies, Joseph Anstett, and John Does 1-20 in a suit filed in the Eighth Judicial District Court by James F. Hayes and Nish Kerkorian.

The complaint alleges that the plaintiffs, pursuant to an alleged oral agreement, were to be paid 10% of the purchase price should the plaintiffs procure a purchaser or purchasers for the entire business interest of the defendants pertaining to the collection and disposal of garbage within Clark County, Nevada. They ask for general damages in the sum of \$400,000 plus punitive damages in the sum of \$650,000.

APR 27 1972

City U. PEGAS

A-Hlo

A-46

# NOTES TO FINANCIAL STATEMENTS (Continued)

## NOTE 2 (continued)

The Company's legal counsel is of the opinion that there is no liability and that unless some nominal nuisance-type value settlement offer is made by plaintiffs, it is felt that upon conclusion plaintiffs should have no recovery on their complaint.

#### NOTE 3 DISPOSAL SERVICE TRUCK EXPENSE

Included in disposal service truck expense are charges from a related company for materials used in repairing disposal trucks. Prior to October 1, 1970, these charges had been billed to the Company at a markup over cost. Effective October 1, 1970, these materials charges have been billed to the Company at cost. This change has resulted in the net income of the Company being approximately \$10,000 more than it would have been had the previous practice of marking up materials charges been continued through the current year.

#### NOTE 4 SUBCONTRACTORS' FEES

Included in subcontractors' fees for the year ended September 30, 1971 are the following:

Fees paid for wet garbage pickup Fees paid for drop box services \$ 3,600 10,346

\$ 13,946

Effective October 1, 1970, a related company performing the drop box services reduced its billing rates by 25 percent.

STATEMENT OF RETAINED EARNINGS

YEAR ENDED SEPTEMBER 30, 1970

| Balance, beginning of year | \$ 20,489     |
|----------------------------|---------------|
| Net income                 | <u>11,711</u> |
| Balance, end of year       | \$ 32,200     |

The accompanying notes are an integral part of these financial statements.

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 1 AUTOMOTIVE EQUIPMENT

A disposal truck owned by the Company is pledged as security for an obligation at September 30, 1970 as follows:

|            | Book value<br>of truck | Chattel<br>mortgage |
|------------|------------------------|---------------------|
| Truck T-75 | \$4,565                | \$5,747             |

The payments on the above obligation, including interest at 6.5%, are \$442 per month with twelve months remaining.

The disposal trucks are not in continuous service for the Company and are the basis for the equipment rental income reflected in the statement of income.

Depreciation of the trucks is provided for on a declining curve over a four-year useful life, at the rate of 200% of straight-line applied to the remaining balance. Management has adopted a policy of replacing trucks soon after the fourth year of service, and has selected the stated method of depreciation as being most in accord with the pattern of loss of value in service. Depreciation is included in disposal service truck expense on the statement of income in the amount of \$9,252.

#### NOTE 2 CONTINGENT LIABILITIES

The Company has been named co-defendant with Disposal Investments, Inc., Silver State Disposal Company, Clark Sanitation, Inc., Lester LaFortune, Alfred isola, the latter two being officers of all the named companies, Joseph Anstett, and John Does 1-20 in a suit filed in the Eighth Judicial District Court by James F. Hayes and Nish Kerkorian.

The complaint alleges that the plaintiffs, pursuant to an alleged oral agreement, were to be paid 10% of the purchase price should the plaintiffs procure a purchaser or purchasers for the entire business interests of the defendants pertaining to the collection and disposal of garbage within Clark County, Nevada. They ask for "general damages in the sum of \$400,000 plus punitive damages in the sum of \$650,000".

## NOTES TO FINANCIAL STATEMENTS (Continued)

#### NOTE 2 (continued)

The Company's legal counsel is of the opinion that there is no liability and that unless some nominal nuisance type value settlement offer is made by plaintiffs, it is felt that upon conclusion plaintiffs should have no recovery on their complaint.

## NOTE 3 DISPOSAL SERVICE REVENUE, DISPOSAL SERVICE EXPENSE AND GENERAL AND ADMINISTRATIVE EXPENSE

In December 1969, the Company increased its billing rates as follows:

- 1) An increase in business rates from \$9.90 per quarter to \$11.70 per quarter.
- 2) An increase in residential rates from \$5.50 per quarter to \$7.75 per quarter.

Disposal service expense and general and administrative expense increased during the year by \$95,612 including \$19,081 applicable to director-employees' compensation.

#### NOTE 4 SUBSEQUENT EVENT

On October 1, 1970, the Company along with Clark Sanitation, Inc. and Silver State Disposal Company entered into an agreement with R. C. Farms, Inc. to determine the amount of fees to be paid to the latter for the service of picking up wet garbage as specified in the agreement between the parties dated June 1, 1969.

The payments agreed to be made on the first day of each month commencing October 1, 1970 are as follows:

| By Silver State Disposal Company |                 |
|----------------------------------|-----------------|
| to R. C. Farms, Inc.             | \$1,200         |
| By Clark Sanitation, Inc. to     |                 |
| R. C. Farms, Inc.                | 1,500           |
| By Disposal Transportation, Inc. |                 |
| to R. C. Farms, Inc.             | 300             |
| Total                            | \$ <u>3,000</u> |

These payments are to continue for a period of six months, at the conclusion of which, an evaluation of the operation of R. C. Farms, Inc. shall be made by the parties to determine whether or not to continue to operate R. C. Farms, Inc. in the hog raising and sales aspect or to liquidate the herd and effect a partial liquidation of R. C. Farms, Inc.

The Board of Directors
Disposal Transportation, Inc.

We have examined the balance sheet of Disposal Transportation, Inc. as of September 30, 1969 and the related statements of income and retained earnings for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the financial position of Disposal Transportation, Inc. at September 30, 1969 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

DISPOSAL TRANSPORTATION, INC.

STATEMENT OF RETAINED EARNINGS

YEAR ENDED SEPTEMBER 30, 1969

| Balance, beginning of year | \$ 8,608         |
|----------------------------|------------------|
| Net income                 | <u>11,881</u>    |
| Balance, end of year       | \$ <u>20,489</u> |

These financial statements and the accompanying notes are subject to the accountants' opinion.

### NOTES TO FINANCIAL STATEMENTS

### NOTE 1 AUTOMOTIVE EQUIPMENT

Disposal trucks owned by the company are assigned or pledged as security for obligations at September 30, 1969 as follows:

|                          | Book Value<br>of Trucks | Chattel<br><u>Mortgages</u> |
|--------------------------|-------------------------|-----------------------------|
| Truck T-74<br>Truck T-75 | \$ 3,924<br>_9,129      | \$ 2,923<br>11,051          |
|                          | \$ <u>13.053</u>        | \$ <u>13.974</u>            |

The payments on the above obligations, including interest at 6.5% are as follows:

|                          | Monthly<br><u>Payment</u> | Remaining<br><u>Period</u> |  |
|--------------------------|---------------------------|----------------------------|--|
| Truck T-74<br>Truck T-25 | \$ 729<br><u>442</u>      | 4 months<br>24 months      |  |
|                          | \$ <u>1,171</u>           |                            |  |

The disposal trucks are not in continuous service for the company, and are the basis for the equipment rental income reflected in the statement of income.

Depreciation of the trucks is provided for on a declining curve over a four-year useful life, at the rate of 200% of straight-line applied to the remaining balance. Management has adopted a policy of replacing trucks soon after the fourth year of service, and has selected the stated method of depreciation as being most in accord with the pattern of loss of value in service. Depreciation is included in disposal service truck expense on the statement of income in the amount of \$18,505.

### NOTE 2 CONTINGENT LIABILITIES

The Company has been named co-defendant with Disposal Investments, Inc., Silver State Disposal Company, Clark Sanitation, Inc., Henderson Disposal Service, Inc., Lester LaFortune, John Isola, and Alfred Isola, the latter three being officers of all the named companies, in a damage suit alleging violation of the anti-trust laws of the United States. Plaintiff, Sun Valley Disposal Co., Inc. asks judgment for damages "in the sum of \$544,712 or such other sum as the proceeding in this case may disclose as damages,"

# NOTES TO FINANCIAL STATEMENTS (Continued)

### NOTE 2 (continued)

that the sum be trebled, interest, costs and reasonable attorney's fees."

The United States District Court for the State of Nevada granted a motion for summary judgment on behalf of the defendants. The decision of that court was appealed to the Ninth Circuit Court of Appeals which upheld that decision. Appeal to the Supreme Court was not made within the time prescribed by law.

To the Board of Directors Disposal Transportation, Inc. Las Vegas, Nevada

We have examined the balance sheet of Disposal Transportation, Inc. as of September 30, 1968 and the related statements of income and retained earnings for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, subject to any adjustments to the balance sheet and statements of income and retained earnings which may result from the final determination of the lawsuit as indicated in Note 4 to the financial statements, the accompanying financial statements present fairly the financial position of Disposal Transportation, Inc. at September 30, 1968 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year, except as to the change (which change we approve) referred to in Note 2 of the notes to the financial statements.

| Truck | T75  | 442.0             | 5 36 mos. |
|       |      | \$ <u>1,900.2</u> | <u> </u>  |

The disposal trucks are not in continuous service for the company, and are the basis for the equipment rental income reflected in the statement of income.

Depreciation of the trucks is provided for on a declining curve over a four-year useful life, at the rate of 200% of straight line applied to the remaining balance. Management has adopted a policy of replacing trucks soon after the fourth year of service, and has selected the stated method of depreciation as being most in accord with the pattern of loss of value in service.

Depreciation is included in disposal service truck expense on the statement of income in the amount of \$19,916.93.

### Note 2. Change in accounting method:

The basis of allocating use, occupancy and facilities charge from Silver State Disposal Company was changed from a direct labor hour method to a method based on actual work performed by the office personnel on the related companies.

MICRO FINED

FEB 25 1572

City of Morth Las Vegas

### Note 2. (Continued)

This change increased income before federal income tax approximately \$2,700.00 from the amount which would have been reported on the basis used for the year ended September 30, 1967.

### Note 3. Federal income tax credit:

The income tax net loss sustained in the year ended September 30, 1967 was carried forward and offset against the taxable income for the year ended September 30, 1968, resulting in the elimination of taxable income for the current year.

### Note 4. Contingent liabilities:

The company has been named co-defendant with Disposal Investments, Inc., Silver State Disposal Company, Clark Sanitation, Inc., Henderson Disposal Service, Inc., Lester LaFortune, John Isola, and Alfred Isola, the latter three being officers of all the named companies, in a damage suit alleging violation of the anti-trust laws of the United States. Plaintiff, Sun Valley Disposal Co., Inc. asks judgment for damages "in the sum of \$544,712.49 or such other sum as the proceeding in this case may disclose as damages, that the sum be trebled, interest, costs and reasonable attorney's fees."

The United States District Court for the State of Nevada granted a motion for summary judgment on behalf of the defendants. The decision of that court is presently on appeal before the Ninth Circuit Court of Appeals. The company's legal counsel does not believe that this pending litigation presents any likelihood of financial liability to Disposal Transportation, Inc. and the related companies.

To the Board of Directors Disposal Transportation, Inc. Las Vegas, Nevada

We have examined the balance sheet of Disposal Transportation, Inc. as of September 30, 1967 and the related statements of income and retained earnings for the year then ended. Our examination was made in conformity with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The company is named as co-defendant in a lawsuit as set forth in Note 3 to the financial statements, and the ultimate effect of this circumstance on the financial condition cannot be presently evaluated.

In our opinion the accompanying balance sheet and statements of income and retained earnings present fairly the financial position of the company at September 30, 1967, except for the undeterminable potential of the above-mentioned lawsuit, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year. Because of the possible material effect on the financial statements of the lawsuit, the outcome of which is uncertain, we do not express any opinion on the company's financial statements taken as a whole.

### NOTES TO FINANCIAL STATEMENTS

### **SEPTEMBER 30, 1967**

Note 1. Disposal trucks owned by the company are assigned or pledged as security for obligations at September 30, 1967 as follows:

|                 | Book                | Chattel             |
|-----------------|---------------------|---------------------|
|                 | Value               | Mortgage            |
|                 | of Trucks           | Loans               |
| Trucks T72, T73 | \$ 26,331.88        | \$ 34,038.15        |
| Truck T74       | <u> 15,696.33</u>   | 18,908.57           |
|                 | \$ <u>42,028.21</u> | \$ <u>52,946.72</u> |

The payments on the above obligations, including interest at 6.5%, are as follows:

|                 | Monthly<br>Payment | Remaining<br>Period |  |
|-----------------|--------------------|---------------------|--|
| Trucks T72, T73 | \$ 1,457.40        | 24 Mos.             |  |
| Truck T74       | 729.46             | 28 Mos.             |  |
|                 | \$ <u>2,186.86</u> |                     |  |

The disposal trucks are not in continuous service for the company, and are the basis for the equipment rental income reflected in the statement of income.

Depreciation of the trucks is provided for on a declining curve over a four-year useful life, at the rate of 200% of straight-line applied to the remaining balance. Management has adopted a policy of replacing trucks soon after the fourth year of service, and has selected the stated method of depreciation as being most in accord with the pattern of loss of value in service; and we concur in this opinion.

Note 2. Effective March 15, 1967, the capital stock was split on the basis of 15 shares to each share previously outstanding. The fractional shares created by this stock split were then purchases by the corporation from the stockholders with the following exceptions:

# Note 2. (Continued)

| Stockholders           | Number of<br>Fractional<br>Shares | Proposed<br>Purchase<br>Price |       |
|------------------------|-----------------------------------|-------------------------------|-------|
| Alvin and Evelyn Arata | .95                               | \$                            | 8.04  |
| David Arata            | .65                               |                               | 5.51  |
|                        | 1.60                              | \$                            | 13.55 |

The 20 shares held as treasury stock were cancelled prior to the above mentioned stock split.

### Note 3. Contingent liabilities:

The company has been named co-defendant with Clark Sanitation, Inc., Disposal Investments, Inc., Silver State Disposal Company, Henderson Disposal Service, Inc., Lester L. LaFortune, John Isola, and Alfred Isola, the latter three being officers of all of the named companies, in a damage suit charging violation of the Sherman Act. Plaintiff Sun Valley Disposal Co., Inc. asks judgment for damages "in the sum of \$544,712.49 or such other sum as the proceeding in the case may disclose as damages, that the same be trebled, interest, costs and reasonable attorney's fees". The company's legal counsel are of the opinion that "the claims against such companies are without merit"; but that the litigation may be protracted and costly. All costs of the litigation are being defrayed by Clark Sanitation, Inc. and there is no intention on the part of management to assess any of such costs against any of the other defendants.

- Note 4. The capital surplus reflected represents the excess of net assets received in the liquidation in 1958 of a wholly-owned subsidiary, over the cost of the investment in the subsidiary; or, effectively the realized earned surplus of the subsidiary.
- Note 5. The net loss recorded in the year ended September 30, 1967 will be carried back against taxable income reported for federal income tax purposes in prior years, resulting in a claim for refund of taxes paid in prior years of \$1,923.52.

To the Board of Directors of DISPOSAL TRANSPORTATION, INC. Las Vegas, Nevada

We have examined the balance sheet of Disposal Transportation, Inc. as of September 30, 1966 and the related statements of income and retained earnings for the year then ended. Our examination was made in conformity with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The company is named as co-defendant in a law suit as set forth in the notes to the financial statements, and the ultimate effect of this circumstance on the financial condition of the company cannot be presently evaluated.

In our opinion the accompanying balance sheet and statements of income and retained earnings present fairly the financial position of the company at September 30, 1966, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year; except for the potential effect of the above-mentioned law suit. Because of the possible material effect on the financial statements of this law suit, the outcome of which is uncertain, we do not express any opinion on the company's financial statements taken as a whole.

#### NOTES TO FINANCIAL STATEMENTS

#### <u>SEPTEMBER 30, 1966</u>

Note 1. Disposal trucks owned by the company are assigned or pledged as security for obligations outstanding at September 30, 1966 as follows:

|                 | Book<br>Value<br><u>of Trucks</u> | Conditional<br>Sales<br><u>Contracts</u> | Chattel<br>Mortgage<br>Loans | Total<br>Secured<br>Obligations |
|-----------------|-----------------------------------|------------------------------------------|------------------------------|---------------------------------|
| Trucks T70, T71 | \$ 4,098.72                       | \$ 8,767.44                              | \$ -                         | \$ 8,767.44                     |
| Trucks T72, T73 | 52,663.74                         |                                          | 47,550.00                    | 47,550.00                       |
|                 | \$ <u>56.762.46</u>               | \$ <u>8.767.44</u>                       | \$ <u>47.550.00</u>          | \$ 56.317.44                    |

The payments on the above obligations, including interest at 6.5% on the chattel loan and add-on financing charges on the conditional sales contract are as follows:

|                            | Monthly<br><u>Payment</u> | Remaining<br>Period |
|----------------------------|---------------------------|---------------------|
| Conditional sales contract | \$ 974.12                 | 9 Mos.              |
| Chattel mortgage loan      |                           | 36 Mos.             |

The disposal trucks are not in continuous service for the company, and are the basis for the equipment rental income reflected in the statement of income.

Depreciation of the trucks is provided for on a declining curve over a four-year useful life, at the rate of 200% of straight-line applied to the remaining balance. Management has adopted a policy of replacing trucks soon after the fourth year of service, and has selected the stated method of a depreciation as being most in accord with the pattern of loss of value in service; and we concur in this opinion.

Note 2. The method of accounting for the investment credit is on the basis of reflecting it as a special item in the statement of income in the year in which it arises to the extent of its application in reduction of income tax of the year, plus any carry-back to prior years resulting in a claim for refund of taxes. The provision for federal income tax is not reduced by the credit allowed, and the claim for refund resulting from the investment credit exceeding the tax on taxable income is included in miscellaneous receivables on the balance sheet.

FEB 25 1972

#### Note 3. Contingent liabilities:

The company has been named co-defendant with Clark Sanitation, Inc., Disposal Investments, Inc., Silver State Disposal Company, Henderson Disposal Service, Inc., Lester L. LaFortune, John Isola, and Alfred Isola, the latter three being officers of all of the named companies, in a damage suit charging violation of the Sherman Act. Plaintiff Sun Valley Disposal Co., Inc. asks judgment for damages "in the sum of \$544,712.49 or such other sum as the proceeding in the case may disclose as damages, that the same be trebled, interest, costs and reasonable attorney's fees". The company's legal counsel are of the opinion that "the claims against such companies are without merit"; but that the litigation may be protracted and costly. All costs of the litigation are being defrayed by Clark Sanitation, Inc. and there is no intention on the part of management to assess any of such costs against any of the other defendants.

September 24, 1966

To the Directors and Stockholders of Disposal Transportation, Inc.

Gentlemen:

We have examined the within statement of financial condition as at September 30, 1965 and the related income statement and analysis of retained earnings for the year then ended, for

#### DISPOSAL TRANSPORTATION, INC.

Our examination was made in conformity with generally accepted auditing standards, and accordingly included such tests of the accounting records and other audit procedures as we considered necessary in the circumstances.

In our opinion the accompanying financial statements present fairly the financial condition of the company as at September 30, 1965 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year in all material respects with the exception of the elimination of a formula-computed reserve for uncollectible county accounts due to cessation of service by the company in county territory.

Attention is directed to the notes accompanying the financial statements, which are an integral part thereof.

Yours very truly,

CONMAN, MOE & HIBBS

Retained earnings September 30, 1964, per Statement of Financial Condition \$ 13,923.33

| ΔА | LIIC | tmen | t c | ٠ |
|----|------|------|-----|---|
| πu | 1 43 |      |     |   |

Deduct: Net decrease for the years ended Sept. 30, 1960, 1961, 1962 and 1963 arising from adjustment to the acquisition basis of the contract with the City of North Las Vegas, acquired from Silver State Disposal Service, Inc. Oct. 1, 1959, at Silver State's income tax basis at acquisition by it in the liquidation of Southern Nevada Disposal Service, Inc., and adjustments to subsequent amortization thereof, and income, resulting from agreement with the Internal Revenue Service on the application of the provisions of section 334 (b)(2) of the Internal Revenue Code in determining asset basis

557.70

Net decrease in income for the year ended Sept. 30, 1964, arising from increase in amortization of the city contract based upon increase in acquisition basis established in agreement with the Internal Revenue Service Sub-total of deductions

83<u>.</u>22 Micro Flago

Add:

Increase in income for the year ended Sept. 30, 1964, understated by reason of excessive provision for uncollectible accounts. This reserve was set up for County accounts being served by the company. When Clark Sanitation, inc. obtained a franchise to serve the County territory, the County accounts were sold to Clark Sanitation and the accounts reserved for proved collectible. No reserve for County accounts is necessary subsequent to the transfer of the territory to Clark Sanitation, Inc.

# Notes to the financial statements of DISPOSAL TRANSPORTATION, INC.

#### for the fiscal year ended September 30, 1965

Note 1. The contract with the City of North Las Vegas was acquired on Oct. 1, 1959 from Silver State Disposal Service, Inc., which company had acquired it in the liquidation of its wholly-owned subsidiary, Southern Nevada Disposal Service, inc. The acquisition cost to Disposal Transportation, Inc. was authorized by the boards of directors of both companies to be the income tax basis in the hands of Silver State.

The properties received by Silver State in the above referenced liquidation were valued in accordance with the provisions of section 334(b)(2) of the Internal Revenue Code, and the valuation of the contract so computed was paid by Disposal Transportation, Inc. to Silver State, and the contract thereafter amortized on such basis.

Silver State's basis computation was challenged by the Internal Revenue Service, and an agreement was reached in the Appellate Division of the Service on Sept. 27, 1965 in which the basis of the contract as at Oct. 1, 1959 was increased from \$19,329.07 to \$21,228.51, an increase of \$1,899.44. This increase in income tax basis was paid to Silver State, the basis of the contract increased on the books of Disposal Transportation, Inc., and the amortization taken in the years subsequent to Oct. 1, 1959 was adjusted.

The result of all of these adjustments affecting the prior years is a net decrease in retained earnings (earned surplus) for the years ended Sept. 30, 1960, 1961, 1962 and 1963 amounting to \$557.70, and for the year ended Sept. 30, 1964 (which year has not been examined by the Internal Revenue Service) amounting to \$83.22. Adjustment for the foregoing decreases is reflected on the accompanying Analysis of Retained Earnings, Schedule C-2.

A further result of the tax settlement is the determination of refunds of income tax for the examined years due to the company; and a further refund for the unexamined year ended Sept. 30, 1964, computed consistently with such determinations. These refunds are reflected in the Receivables section of the accompanying Statement of Financial Condition, and are as follows:

FEB 25 15/2
CITY OF NORTH

| Refund for the examined years ended<br>Sept. 30, 1960, 1961, 1962 and<br>1963<br>Accrued interest thereon to Sept. 30,<br>1965 | \$         | 247.33<br>49.09 |
|--------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| Estimated refund for the unexamined year ended Sept. 30, 1964 Estimated accrued interest thereon to Sept. 30, 1965             | _          | 31.01           |
| Total refunds of income tax and interest thereon arising from redetermination of basis of the city contract                    | <u>\$_</u> | <u>328.90</u>   |

Note.2. The net loss of \$3,316.02 sustained by the company in the current year (Exhibit DD) results in an income tax loss of \$2,172.60. The difference in amount is due to differences in tax treatment of certain elements of income from financial accounting treatment. The principal difference lies in the reversal in the current year of a reserve for uncollectible accounts set up in the preceding year (see Note 3).

Under the provisions of the Internal Revenue Code the tax net operating loss is carried back to the year ended Sept. 30, 1962, and operates to reduce the taxable income of that year, resulting in the tax paid for that year now being an overpayment, and a refund being due to the company for such overpayment. This refund amounts to \$651,78, and is reflected as a receivable on the Statement of Financial Condition, and as an increase in retained earnings on the Analysis of Retained Earnings. Under the law, the overpayment is deemed to have been made as at the close of the year of loss (the current year), and interest runs only from that date. Therefore no interest on this refund had accrued at Sept. 30, 1965.

Note 3. At Sept. 30, 1964 a reserve for uncollectible accounts was set up and charged against the operations of the year then ended. This reserve was computed in connection with accounts being served in the County of Clark outside the City of North Las Vegas. On April 1, 1965 Clark Sanitation, Inc. was franchised by the Clark County Commission to serve all county territory, and Disposal Transportation, Inc. ceased such service. The accounts were sold to Clark Sanitation, Inc., and those reserved for were eventually collected. The reserve for uncollectible accounts has been eliminated and credited to retained earnings as an adjustment of the prior year's income.

FEB 25 1972 CITY OF MORTH LAS VEGAS Note 4. On May 15, 1958 the company purchased all of the outstanding capital stock of Transportation Rentals, Inc., whose assets consisted substantially of five disposal trucks which were being rented to Southern Nevada Disposal Service, Inc. On November 30, 1958 Transportation Rentals, Inc. was liquidated under the provisions of section 334(b)(2) of the Internal Revenue Code. The basis of the trucks received in this liquidation exceeded the purchase price of the stock by \$8,051.71, creating a capital surplus. The subject trucks were subsequently disposed of and the section 334(b)(2) basis is no longer reflected in the cost of trucks.

#### Note 5. Contingent liabilities:

Subsequent to the date of the Statement of Financial Condition and during the preparation of this report the company was named co-defendant with its officers and Clark Sanitation, Inc., Disposal Investments, Inc., Henderson Disposal Service, Inc. and Silver State Disposal Service, Inc. in a damage suit alleging violation of the Sherman Act.

A contingent liability exists for recapture by the Internal Revenue Service for investment credit taken against income tax, in the event of early disposition of the assets, the purchase of which gave rise to the investment credit. The maximum amount of such contingent liability at September 30, 1965 was \$1,491.54.

#### REPORT ON EXAMINATION OF FINANCIAL STATEMENTS

of

## DISPOSAL TRANSPORTATION, INC. September 30, 1964

#### AUDITOR'S COMMENTS

#### Dumping Costs

For the second successive year the dump was operated at a profit by Silver State Disposal Service, Inc. during the year under review, and therefore no portion of a net dump loss was charged as a subsidy to Disposal Transportation, Inc. Thus the company had no dumping cost beyond the cost of running the trucks to the dump. The proportionate share of the net dump operating loss charged to the company, based upon the number of dumps made by the using companies, for the preceding four years was as follows:

| Year ended Sept. 30, 1960 | \$ 2,199.50 |
|---------------------------|-------------|
| Year ended Sept. 30, 1961 | 1,897.29    |
| Year ended Sept. 30, 1962 | 954.67      |
| Year ended Sept. 30, 1963 | none        |

The foregoing reflects a steady lessening of subsidy dumping costs to the zero point, with corresponding benefit to the company's operating net income. However, the dump operations in the last two years were converted from a net loss to a profit by reason of increased salvage revenue. It must be borne in mind that the effect of a County anti-air pollution ordinance will force the discontinuance of burning and require a cut-and-cover operation. There is no salvage under such an operation, and the dump operation would revert to a loss, which in fact would inevitably be much greater than past losses, since cut-and-cover is several times more costly than burning.

#### Truck Depreciation and Maintenance Costs

In continuation of the study of truck depreciation and maintenance costs initiated in the preceding year, the following schedule is submitted as a comparison of the current year with the preceding year, and to reflect the effect of declining depreciation presently in use on the combined total of the two related items of depreciation

MICRO FILMED

FEB 25 1972

city of north Las vegas and maintenance, based upon the historical costs for these two years.

|                    | Fiscal              | Fiscal              | Increase          |
|--------------------|---------------------|---------------------|-------------------|
|                    | Year Ended          | Year Ended          | or                |
|                    | <u>Sept.30,1963</u> | Sept.30,1964        | (Decrease)        |
| Truck depreciation | \$ 25,642.47        | \$ 20,362.38        | (\$5,280.09)      |
| Truck maintenance  | <u>14,046.56</u>    | 29,-046.36          | <u> 14,999.80</u> |
| Combined total     | \$ 39,689.03        | <u>\$ 49,408.74</u> | \$ 9.719.71       |

The foregoing reflects the anticipated pattern of lessening depreciation costs offset by increasing maintenance costs as the trucks age, but maintenance costs increased more than the depreciation charge declined, and the combined total indicates an over-all increase in truck-use costs. Related to revenue dollars, the result is shown in the following schedule:

|         | Fiscal Year 9/30/63 |               | Fiscal Year <u>9/30/64</u>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |               | <u>Increase</u> |                 |  |

Part of the disproportionate increase in maintenance costs over the lessening depreciation is attributable to the constantly increasing hourly wage rates in the garage payable under the existing labor contract.

#### Disposal Service Revenues, Costs, Net Income and Investment Relationships

With the elimination of substantially all of the disposal service assets acquired through liquidation of Southern Nevada Disposal Service, Inc., Oct. 1, 1959, and their replacement with new equipment purchased on the market (with the exception of the value assigned to the contract with the City of North Las Vegas), the corporation can now evaluate with considerable assurance the relationship of net income to the investment required for its production.

In any question relating to investment in depreciable assets it is first necessary to determine whether the "investment" is the original cost of the asset or its depreciated book value, which declines each year until replacing assets are acquired, at which point the book value suddenly increases again to the actual cost of the replacing asset. Depreciation is in effect the recovery out of income, over the estimated useful life of an asset, of the cost of the asset. Because the wearing out and deterioration of the asset is a definite cost of income production, depreciation

is properly chargeable as an expense on the income statement, and operates to reduce earned surplus through this channel. But this reduction of surplus is in the nature of "earmarked" earnings reserved for replacement of the deteriorating assets, and which are not available for dividends, but are for the preservation of capital; at least in the case of a company which expects to continue in business beyond the life of the assets. Thus the original cost of the assets is retained in the capital of the business in some form.

The simple illustration is the creation of a cash fund equal to the depreciation taken, such fund to be used for asset replacement. This would clearly illustrate the fact that in a continuing business which must replace its depreciated assets the original cost remains the investment tied up in assets, although not necessarily the depreciating assets, until replacements are purchased; at which time the total investment in assets of all kinds will be adjusted by the difference in cost of the replacing asset and the original cost of the one replaced.

While few businesses set aside cash equivalent to depreciation for asset replacement, the portion of the earnings equivalent to cost recovery through depreciation is retained in the business in some form and is restricted against dividends, and the original cost remains an investment of the business in assets of some nature, but not necessarily the same assets or even the same type of assets which give rise to the depreciation, since the earnings reserved for cost recovery may be invested in other assets or accumulated in cash. Therefore in evaluating the net income return on the investment in assets, the book value based upon the historical original cost of the total income-producing, or operating, assets of all kinds must be considered and this requires the inclusion of depreciable assets at their book value, which is, of course, their original cost less the cost recovery which has been reserved out of earnings. The question of whether cash is accumulated for the replacement of depreciable assets, or whether instead liabilities are incurred upon such replacement, is a budgetary consideration and does not enter into the evaluation of investment in assets.

In evaluating the rate of return of the net income for a given fiscal year on investment, the point of valuation of the investment must be determined. For practical purposes there are two dates which could be used:—the beginning of the year or the end of the year. But the investment will fluctuate between these dates, and a more representative, although arbitrary, investment value may be the mean average of the investments on those two dates. This is the formula we are using herein.

FEB 25 1972

CITY OF NORTH LAS VEGAS The foregoing schedules clearly reflect that although gross disposal service revenues have increased, operating net income has declined rapidly, and that therefore operating costs are rising disproportionately more than gross revenues. This must be attributed to the constantly increasing labor rates under the labor contract, while the collection fee has remained unchanged. Thus increased revenues result from more customers served, requiring more labor hours and truck operating costs; but with the costs-per-revenue-dollar rising, the added volume does not overcome the diminution of net income, which, unless the relationship between the collection fee and the costs per revenue-dollar can be adjusted, promises to disappear entirely and the operation resulting in net loss.

### Operating Net Income Per Disposal Service Revenue Dollar

|                                         |              |              | Y/E 9/30/64  |
|-----------------------------------------|--------------|--------------|--------------|
| Gross revenues                          | \$170,976.13 | \$214,968.21 | \$252,838.79 |
| Operating net income                    | \$ 22,385.29 | \$ 9,275.96  | \$ 9,072.34  |
| Operating net income per revenue dollar | \$ .1245     | \$ .0432     | \$ .0359     |

#### Net Income Return On Investment

| Mean average investment Net income |       | Y/E 9/30/64<br>\$136,007.70<br>\$ 6,122.88 |
|------------------------------------|-------|--------------------------------------------|
| Return percentage                  | 5.68% | 4.29%                                      |

Thus, although gross disposal service revenues of the 1964 year increased over the 1962 year by \$81,862.66, an increase of 45.54%, operating net income per revenue-dollar decreased from 12.45% to 3.59%, a decrease of 8.86%, or 71.16%; and although the mean average investment in assets in the 1964 year was \$6,748.99 less than in the 1963 year, the net return, notwithstanding increased revenues, declined from 5.68% to 4.29%

FEB 25 1972

#### Disposal Service Labor Per Revenue Dollar

The following schedule reflects the disposal service direct labor costs per revenue-dollar for the current year and the two preceding years:

| Disposal service revenue<br>Disposal service labor | \$170,976.13 | Y/E 9/30/63<br>\$214,968.21<br>\$ 79,553.13 |          |  |
|----------------------------------------------------|--------------|---------------------------------------------|----------|--|
| Labor cost per revenue-dollar                      | \$ .3252     | \$ .3701                                    | \$ .3515 |  |

Thus even with increase in gross revenue of 45.54% over 1962, the labor cost per revenue-dollar increased 2.63¢, indicating that labor rates have increased percentagewise more rapidly than has gross revenue, the comparison in dollar totals being as follows:

|                                                    |                               | Service<br>Direct Labor |
|----------------------------------------------------|-------------------------------|-------------------------|
| Year ended Sept. 30, 1962                          | \$170,976.13                  | \$ 58,466.05            |
| Year ended Sept. 30, 1963                          | 214,968.21                    | 79,553.13               |
| Increase, 1963 over 1962                           | \$ 43,992.08                  | \$ 21,087.08            |
| Percentage of increase                             | <u>24.47%</u>                 | <u>36.07%</u>           |
| Year ended Sept. 30, 1964                          | <u>\$252,838.79</u>           | <u>\$ 98,867.18</u>     |
| Increase, 1964 over 1963                           | \$ 37,870.58                  | \$ 19,314.05            |
| Percentage of increase                             | 17.62%                        | 24.28%                  |
| Increase, 1964 over 1962<br>Percentage of increase | \$ 81,862.66<br><u>45.54%</u> |                         |

#### Income, Dividends and Retained Earnings

The salient items affecting income are scheduled below, and related to total revenue-dollars, for the current year and the two preceding years:

| of year                                           | 21,189.80                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                              | 12,050.45       |                      | 13,923.33         | ,                    |

During the year under review 20 shares of the outstanding capital stock were acquired by the corporation and are in the treasury. That portion of Earned Surplus (retained earnings) representing the excess of the purchase price of the stock over its stated value, amounting to \$688.00, is restricted as to dividends.

The net worth of the corporation has declined during the last three years, as shown in the following schedule:

|                            | Sept. 30, 1962 | Sept. 30, 1963   | Sept.30,1964        |
|----------------------------|----------------|------------------|---------------------|
| Net worth before dividends | \$ 57,229.86   | \$ 65,340.51     | \$ 53,525.39        |
| Dividends paid             |                | <u>17,250.00</u> | 4,250.00            |
| Net worth after dividends  | \$ 57,229.86   | \$ 48,090.51     | <u>\$ 49,275.39</u> |

The earnings per share of capital stock outstanding at year end are scheduled below for the entire period of the corporation's existence as an operating company (from Oct. 1, 1959):

|             | Shares<br>Outstanding | Stated<br>Value * | Total<br>Earnings |    | Per<br>Share | Return on<br>Stated Value |
|-------------|-----------------------|-------------------|-------------------|----|--------------|---------------------------|
| Y/E 9/30/60 | 1380                  | \$ 25.78          | \$ 10,776.95      | \$ | 7.81         | 30.29%                    |
| Y/E 9/30/61 | 1380                  | 25.78             | 11.570.38         | Y  | 8.60         | 33.36%                    |

\*Original investment of most of the stockholders.

The foregoing picture of return on stated value must be modified by the fact that earnings have had to be retained in the corporation for increased working capital, and the investment per share by the stockholders has increased. The more accurate determination of return on investment per share is reflected in the following schedule covering the entire existence of the corporation:

|             |                    | Net Worth          |             |                 |         |                   |
|-------------|--------------------|--------------------|-------------|-----------------|---------|-------------------|
|             | Shares             | First              | Investment  | Total           | Per     | Return on         |

\*The corporation was organized in a tax-free exchange and assets were in some instances acquired at the transferors' income tax basis, resulting in a discount in consideration for the stock issued of \$7,588.05 from the total "stated value" of the stock (\$35,576.40).

The foregoing schedule, reflecting return on the investment of the stockholders should be compared with the schedule on page five supra, which reflects a much lower return on the corporation's investment in assets. The difference is attributable to the liabilities of the corporation, which are included in the total investment in required assets, but are excluded from the present net worth, or stockholders' equity; nevertheless these liabilities will have to be paid, either from future earnings by the stockholders' foregoing of dividends, or by additional capital investment by the stockholders.

To the Directors and Stockholders of Disposal Transportation, Inc.

Gentlemen:

We have examined the within statement of financial condition as at September 30, 1964 and the related income statement and analysis of surplus for the year then ended, for

#### DISPOSAL TRANSPORTATION, INC.

Our examination was made in conformity with generally accepted auditing standards, and accordingly included such tests of the accounting records and other audit procedures as we considered necessary in the circumstances.

In our opinion the accompanying financial statements present fairly the financial condition of the company at September 30, 1964 and the results of its operations for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year in all material respects.

Yours very truly,

Way Moe & HIBBS

Total drivers and pitchers salaries and wages

\$ 58,400.00

Payroll taxes and compensation insurance have estimated on the above payroll at the prevailing rates of 5.025% and 1.50% respectively. Group insurance is computed at \$14.00 per month per man.

The estimated disposal personnel expense does not include the probable increase in labor rates anticipated in May, 1963; resulting from negotiations for a new labor contract with the Teamsters Union.

- (3) Disposal service truck expense consists entirely of the present and previous costs and expenses of four (4) disposal trucks serving the city of North Las Vegas only. Two (2) of these trucks have been purchased and put into operation in North Las Vegas during the past thirty days. The various catagories of truck expense reflect actual costs of the new trucks for approximately thirty days, annualized and the past years costs of the old trucks.
- (4) Disposal service indirect expense and administrative expense have been conservatively estimated on actual expenditures for the six months ended March 31, 1962 and annualized to reflect a years expense.
- (5) The estimated net loss of \$6,160.00 for the twelve months period ended June 30, 1963 reveals that there is a greater cost to service the city of North Las Vegas than the present rate of growth can off-set in the way of revenue.

At this time, August 1, 1962, according to the formula set forth by the city of North Las Vegas, Nevada, our invested capital should be computed as follows:

| Working capital 45 days |             | ,                  | 17,433.00    |
| Total invested capital  |             | · .                | \$68,313.50  |

Inasmuch as this company has a limited life, being sustained by its franchise only, it is felt that a reasonable return on invested capital should be not less than 10%, nor greater than 15%. This concurs with the thoughts of your neighbor, the city of Las Vegas. Therefore on the basis of \$68,313.50 invested capital this company should realize a net income of at least \$6,831.35 and not greater than \$10,247.03. In order to realize this return, the following table has been prepared to illustrate the increase in rates required:

| Percentage of return on invested capital                                                                                                                                                   | 10%                                                                               | 15%                                                                                |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
| Gross revenues Less: Operating Costs Net revenues Less: Additional franchise fees and collection charges Net operation income before Federal income tax Provision for Federal income taxes | \$151,050.00<br>139,460.00<br>\$ 11,590.00<br>1,775.00<br>\$ 9,815.00<br>2,950.00 | \$156,300.00<br>139,460.00<br>\$ 16,840.00<br>2,300.00<br>\$ 14,540.00<br>4,360.00 |
| NET INCOME                                                                                                                                                                                 | \$ 6,865.00                                                                       | \$ 10,180.00                                                                       |
| Increase in gross revenues required                                                                                                                                                        | \$ 17,750.00                                                                      | \$ 23,000.00                                                                       |
| Percentage of increase in rates required                                                                                                                                                   | <u>\$ 13.3%</u>                                                                   | \$ 17.3%                                                                           |

From the above analysis, it is obvious that the 10% increase in rates as requested in February, 1962 is nominal and would only allow the company to realize approximately 6% on its invested capital.

RATE OF RETURN ON FIXED ASSETS 11.14%

November 17, 1960

Honorable Mayor and City Commissioners City of North Las Vegas City Hall North Las Vegas, Nevada

Gentlemen:

Submitted, herewith, are the following financial statements of DISPOSAL TRANSPORTATION, INC., for the fiscal year ended September 30, 1960.

EXHIBIT A . STATEMENT OF FINANCIAL CONDITION, September 30, 1960 EXHIBIT B - INCOME STATEMENT, year ended September 30, 1960 SCHEDULE B-1 Schedule of Truck Expenses

These financial statements have been prepared from the books and records of DISPOSAL TRANSPORTATION, INC., and reflect the increased labor costs as agreed to with the Teamsters Union, May 21, 1960, as well as a projection of the labor increases over the term of the union contract.

Attention is hereby called to the Income Statement, which includes income and expenses of both the City of North Las Vegas and that portion of Clark County which lies north of North Las Vegas. On the basis of revenue from disposal customers, it can be ascertained that the following ratios exist:

> City of North Las Vegas Clark County Totals

| Revenue                   | %      |
|---------------------------|--------|
| \$ 91,716.28              | 78.989 |
| 24,396.27<br>\$116,112.55 | 21.011 |
|                           |        |

Yours very truly, DISPOSAL TRANSPORTATION, INC.

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                               |

In Witness Whereof, I hereunto set my hand and official seal. My Commission expires the 30th day of June, 2011.

Marie C. Tetreault, Notary Public

58440-4-09 Printed in U.S.A.

#### WARNING: THIS POWER OF ATTORNEY IS INVALID WITHOUT THE RED BORDER

This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of Farmington Casualty Company, Fidelity and Guaranty Insurance Company, Fidelity and Guaranty Insurance Company, St. Paul Fire and Marine Insurance Company, St. Paul Guardian Insurance Company, St. Paul Mercury Insurance Company, Travelers Casualty and Surety Company, Travelers Casualty and Surety Company of America, and United States Fidelity and Guaranty Company, which resolutions are now in full force and effect, reading as follows:

RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors at any time may remove any such appointee and revoke the power given him or her; and it is

FURTHER RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary; and it is

FURTHER RESOLVED, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority; and it is

FURTHER RESOLVED, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Secretary, and Assistant Vice President, any Secretary, and the seal of the Company may be affixed by facsimile to any Power of Attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such Power of Attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, Kori M. Johanson, the undersigned, Assistant Secretary, of Farmington Casualty Company, Fidelity and Guaranty Insurance Company, Fidelity and Guaranty Insurance Underwriters, Inc., St. Paul Fire and Marine Insurance Company, St. Paul Guardian Insurance Company, St. Paul Mercury Insurance Company, Travelers Casualty and Surety Company, Travelers Casualty and Surety Company of America, and United States Fidelity and Guaranty Company do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this L

Kori M. Johanson Assistant Secretary

# SECOND AMENDMENT AND TOTAL RESTATEMENT OF FRANCHISE AGREEMENT FOR COLLECTION, TRANSPORTATION AND DISPOSAL OF SOLID WASTE

#### RECITALS

WHEREAS, the City is authorized to enter into this Agreement pursuant to its City Charter and the Nevada Revised Statutes ("NRS"), and the City may, pursuant to NRS 268.081, grant an exclusive contract, in whole or in part, to any person to collect and dispose of solid waste; and

WHEREAS, federal and state regulations mandate environmentally sound solid waste collection, transportation and disposal; and

WHEREAS, it is declared to be the policy of the City to regulate the collection, transportation and disposal of solid waste and recyclables in a manner consistent with federal and state laws; and

WHEREAS, the City is authorized, pursuant to the Charter of the City of North Las Vegas and applicable provisions of general laws of the State of Nevada, to enter into this Agreement and may, pursuant to NRS 268.081, grant an exclusive contract to any person to perform collection, transportation and disposal of "garbage and other waste", which collectively refer to solid waste herein; and

WHEREAS, solid waste collection, transportation and disposal service and curbside recycling are presently provided by Franchisee within the City under the "Refuse Removal Agreement" dated April 3, 1996, as amended by that certain First Amendment to Refuse Removal Agreement dated on or about December 15, 2010 (the "Existing Franchise"); and

WHEREAS, the Existing Franchise constitutes a binding contract between the City and

Franchisee which will remain in effect through April 2, 2016 and through all subsequent renewal options that have been exercised unless it is modified by mutual agreement of the parties; and

WHEREAS, Section XXX of the Existing Franchise permits the parties to modify the Existing Franchise in writing; and

WHEREAS, the City Council has determined that franchised solid waste service, curbside recycling service, and household hazardous waste service provide the most effective approach to environmentally sound and economical solid waste collection and disposal services; and

WHEREAS, the City desires to continue providing environmentally sound solid waste collection, transportation and disposal services to residents and businesses within the municipal boundaries of the City; and

WHEREAS, Franchisee represents it is willing and able to continue to perform environmentally sound solid waste collection, transportation and disposal services within the municipal boundaries of the City; and

WHEREAS, the City and Franchisee desire to clarify and update the Existing Franchise to make it consistent with the City's solid waste ordinance; and

WHEREAS, the City Council has determined that it is in the best interests of the residents of the City that the Existing Franchise be revised and updated, subject to the terms and conditions hereinafter set forth.

NOW THEREFORE, for and in consideration of the agreements and mutual covenants hereinafter set forth, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree to the following terms and conditions:

#### SECTION 1: DEFINITIONS

All terms, phrases, words and their derivations used in this Agreement shall have the same meanings as those definitions contained in Chapter 8.20 of the North Las Vegas Municipal Code (the "Code") in effect on the Effective Date and as attached hereto as Exhibit "A", unless the context clearly requires otherwise. When not inconsistent with the context, words used in the present tense include the future tense, words in the plural sense include the singular sense, and words in the singular sense

include the plural sense. The words "shall", "will" or "must" are mandatory, and the word "may" is permissive. Words not defined in the Code or this Agreement shall be given their common and ordinary meanings. The Parties agree that any changes to the definitions in Chapter 8.20 after the Effective Date do not apply to this Agreement unless expressly accepted in writing by Franchisee in its sole discretion.

#### SECTION 2: DURATION; RENEWAL

This Agreement shall become effective on the Effective Date, shall remain in effect through April 2, 2016, and shall be renewable for three (3) five (5) year options at Franchisee's sole discretion upon the same terms and conditions provided herein, provided that Franchisee is not then in breach of this Agreement and provided that Franchisee gives notices of its exercise of such option in writing at least six (6) months and by no more than one (1) year prior to expiration of this Agreement or any subsequent option that may be exercised by Franchisee.

#### SECTION 3: EXISTING FRANCHISE SUPERSEDED; EXCLUSIVITY

- A. As of the Effective Date, the terms, conditions, covenants and agreements contained in the Existing Franchise are terminated by mutual agreement and shall have no further force or effect, and that each party is released from any liability or obligation to the other party thereunder, and this Agreement shall become the sole exclusive contract between the parties for the collection, transportation and disposal of solid waste, sewage waste, residential recycling and household hazardous waste collection within the City.
- B. The rate, terms and conditions for collection, transportation and disposal of sewage waste shall be specified in a separate sewage-waste service agreement between the City and Franchisee.
- C. Subject to the terms and conditions contained in this Agreement and the City Code, the City hereby grants to Franchisee the right to collect, transport and dispose of all solid waste within the corporate boundaries of the City, as the same now exist or may be extended in the future. Franchisee shall have the exclusive right to collect, transport and dispose of all solid waste except as otherwise provided by this Agreement or Section 8.20.080 of the Code as exists at the time of the Effective Date.

### SECTION 4: REQUIRED SERVICES; LOCAL OFFICE; RECYCLING; HOUSEHOLD HAZARDOUS WASTE

- A. Franchisee shall have the exclusive right to collect, transport and dispose of all solid waste in the City, except for solid waste that is collected by authorized third parties pursuant to Section 8.20.080 of the Code on the Effective Date. Franchisee shall perform such services in compliance with all applicable federal, state and local laws, rules and regulations existing and hereafter enacted or established.
- B. Franchisee shall make solid waste collections and provide services in accordance with the service levels and rates set forth in this Agreement and the Code. All solid waste so collected shall be transported to transfer stations, recycling facilities, disposal sites or other facilities operated in accordance with all applicable laws, rules and regulations.
- C. Franchisee shall implement a curbside recycling collection program and a household hazardous waste drop-off program for its residential customers in the City living in single-family residences, duplexes, and multiple dwellings or mobile home parks with individual curbside service, which programs shall be exclusive to Franchisee except as otherwise provided in this Agreement or the Code, or as may otherwise be agreed to by the City Manager and Franchisee. Under these programs:
- 1. Franchisee shall provide collection services for recyclables once per week and collection services for solid waste once per week to all single-family residences, duplexes, and multiple dwellings or mobile home parks with individual curbside service., or as may otherwise be mutually agreed upon by the City Manager and Franchisee to the satisfaction of both parties. In the event both parties cannot mutually agree, the services as set forth in this Agreement will remain in place and Franchisee shall not be considered in breach of this Agreement. Franchisee will provide each residence with individual curbside service, one wheeled cart for recyclables and one wheeled cart for solid waste. Residents may request one additional solid waste or recyclables wheeled cart at no additional charge. Wheeled carts will be available in 35 gallon, 65 gallon or 96 gallon capacities. Franchisee will provide bulky item collection for items that do not fit into a wheeled cart once every two weeks. Franchisee shall collect recyclables on a regularly scheduled collection day for solid waste. All recyclables so collected shall be transported to Franchisee's designated facility. The recyclables shall Page 5 of 23

then be separated, and the residual solid waste shall be transported to a solid waste transfer station or other disposal facility operated in accordance with all applicable laws, rules and regulations.

- 2. Franchisee shall maintain and operate a recycling center in Clark County for the duration of this Agreement unless such facility shall be closed by an act of God, governmental action, or other unforeseen act or condition necessitating closure or relocation beyond the control of Franchisee.
- 3. City agrees to schedule any City-authorized slurry sealing program on the day immediately following a regularly scheduled solid waste collection. Franchisee agrees to provide City with a route map that shows collection service days within the City. In the event a City-authorized slurry sealing program does not occur the day after a regularly scheduled solid waste or bulky item collection, Franchisee may skip one regularly scheduled collection for such properties immediately following the date of the slurry sealing.
- 4. At no cost or expense to residents, Franchisee shall provide for and have the exclusive right for drop-off of household hazardous waste from residents, which shall be accepted at drop-off locations established by Franchisee. Unless otherwise agreed to by the City Manager and Franchisee, drop-offs shall be offered every quarter, on a Saturday. Household hazardous waste shall be accepted at drop-off locations established by Franchisee. Franchisee shall inform customers of the dates, times and locations of pick-ups either by mail, on its website, inserted into billing statements, or by announcements in the local media at least quarterly. Household hazardous waste that shall be accepted includes up to five (5) gallons or forty (40) pounds, or up to fifteen (15) gallons of liquid paint, per household per collection period, and may include paints, varnishes, stains, thinners, household cleaners, furniture or metal polishes, liquid automotive products, pesticides, herbicides, pool chemicals, photographic chemicals, art and hobby supplies, adhesives, batteries, used oil or other acceptable household hazardous waste. Waste that shall not be accepted include radioactive materials, explosives, water reactives, compressed gases (including Freon), business or commercial waste, infectious waste, unlabeled/unknown materials, or other materials or products as may, due to safety, health or similar concerns, be designated by the City or other recognized governmental authority and

agreed to by Franchisee as unacceptable household hazardous waste materials. Franchisee may accept refrigerators containing Freon as household hazardous waste, provided that Franchisee has the right to establish and charge reasonable fees for such service sufficient to recover its costs of handling Freon removal.

- The City Manager, Franchisee and specific property owners may agree upon alternative collection schedules for specified periods for purposes of testing recycling options pursuant to Section 8.20.330 of the Code.
- D. Franchisee shall maintain an office conveniently located in the Las Vegas Valley area with a listed telephone number for general customer service, and shall keep such office open during normal business hours for purposes of dealing with the City and its residents. Franchisee shall keep an authorized management representative at such local office during normal business hours.
- E. Franchisee shall at all times during the term of this Agreement maintain and make available for the performance of the services required herein, equipment in good operating condition and sufficient in quantity and quality to satisfy the need thereof as presently exists or may hereafter arise to fulfill the terms of this Agreement.

#### SECTION 5: ANNUAL CREDIT AND SWEPT ALLOWANCE

A. City vehicles may dispose of solid waste, other than construction and demolition waste and sewage waste, collected in the normal and customary course of City business that is not in competition with Franchisee, its affiliates or this Agreement at any authorized disposal site owned or operated by Dumpco or Franchisee within Clark County, Nevada without charge, not to exceed five hundred ninety thousand dollars (\$590,000) in tipping and solid waste service fees annually ("Annual Credit"), which shall be (a) adjusted annually based upon the percentage change in the CPI-U in accordance with Section 8.20.290 of the Code; and (b) pro-rated on a per diem basis, when applicable. The Annual Credit may include, but is not limited to, the following City services: commercial services, industrial accounts on call, industrial accounts scheduled, street sweeping, office recycling and up to five (5) City sponsored events per year ("Free Services"). City's Free Services, as requested by City,

but not specifically listed above, shall be similar and customary to services that achieve the City's objectives in its normal due course of City business. The Annual Credit is for the exclusive use of the City and is not transferable to any other party, entity or operator. The Annual Credit shall only be used during the current fiscal year and any excess shall not be carried into any future fiscal years. If the Free Services exceed the Annual Credit, both parties shall mutually agree on how to address the Free Services requested above the Annual Credit. Franchisee shall bill the City quarterly or monthly the prevailing tipping and solid waste service fees for the solid waste disposed of by City vehicles, which will reflect the services provided to the City and the Annual Credit allotted to the City and the amount of Free Services used. Notwithstanding the foregoing, the Annual Credit detailed in this Section shall not extend to the Clark County Regional Flood Control District serviced by the City or any other entity that the City is acting as an agent for or entity that the City has contracted with for City services. The Clark County Regional Flood Control District serviced by the City shall be subject to Dumpco's and Franchisee's standard tipping and solid waste service fees.

B. Solid Waste Enforcement Protection Team ("SWEPT") is a specialized anti-trash task force dedicated to protecting the City's environment and the health and safety of the City. Franchisee shall provide the City with no less than one hundred and eighty thousand dollars (\$180,000) annually for SWEPT (the "SWEPT Allowance"). The SWEPT Allowance shall be (a) pro-rated on a per diem basis, when applicable; (b) adjusted annually based upon the percentage change in the CPI-U; and (c) upon a request by Franchisee, the City agrees to dedicate a minimum of twenty (20) hours per week of the SWEPT's time to work on solid waste and franchise agreement enforcement issues within the City.

#### SECTION 6: TRANSFER STATIONS

- A. Franchisee may establish and place into operation new transfer stations based upon the service requirements determined by Franchisee. Franchisee shall be responsible for all costs associated with site improvements, construction, operation and maintenance of each transfer station, and with all liabilities resulting from the operation thereof.
- B. Any future transfer stations in the City shall be located on mutually acceptable sites owned or controlled by the City or Franchisee, and as approved by the City Council.

- C. Franchisee shall have the right, subject to applicable laws, rules and regulations existing and hereafter enacted or established, to determine the physical layout, construction and operational characteristics of the sites; provided that Franchisee shall meet with the City or its designees within the area of each proposed site to obtain site and service level information and feedback.
- D. Subject to the terms of this Agreement, Franchisee shall have the exclusive right to set rates and collect fees for any transfer stations that may be constructed in the City during the term of this Agreement.

## SECTION 7: COLLECTION OF CHARGES; BUSINESS LICENSES; FRANCHISE AND LICENSE FEES; REPORTING REQUIREMENTS

- A. The City agrees to render, on behalf of the Franchisee, all billings for solid waste service to residential customers and permanent commercial customers. Franchisee shall pay a billing service fee of five percent (5%) of all cash receipts collected by the City for solid waste removal, which shall be deducted from payments to the Franchisee as indicated in Section 8.20.300 of the Code. The City shall provide to Franchisee billing reports and an aged accounts receivable trial balance on a monthly basis.
- B. At all times during the term of this Agreement, Franchisee shall maintain a valid unexpired business license specific to its solid waste service business. The franchise fee required by this Agreement and/or the Code shall be deemed to be the business license fee for Franchisee's solid waste business. In addition to its business license for solid waste service, Franchisee shall maintain all other business licenses specific to any of Franchisee's business activities other than those of providing solid waste service, as such other business activities are specified in the Code. Franchisee shall pay all license fees due from such other business activities separately from the payment of fees due for its solid waste service business.
- C. Franchisee shall pay, on a quarterly basis, a franchise fee to the City of five percent (5%), or as otherwise allowed under applicable law, based on its cash receipts derived from the collection of solid waste and curbside recyclables collection for the preceding calendar quarter. All franchise fees shall be due no later than thirty (30) days after the end of each calendar quarter. Where the City bills customers on behalf of the Franchisee, the City shall deduct the appropriate franchise fee and the billing service fee listed in 8.20.300 prior to remitting payment to the Franchisee. Franchisee Page 9 of 23

shall also pay, on a quarterly basis, a franchise fee to the City of five percent (5%), or as otherwise allowed under applicable law, of the gross receipts derived from fees paid by customers (excluding waste collected by Franchisee) to deposit solid waste at any transfer station or convenience centers that may be constructed or operated in the City.

- D. The Franchisee may, in its sole discretion, pass through to its customers such charges as are necessary for the Franchisee to recoup all state business license taxes, franchise fees or other taxes or fees imposed by the State or City or any environment surcharges imposed by the City.
- E. Each payment of franchise fees shall be due no later than thirty (30) days after the end of each calendar quarter. If a franchise fee is received by the City after such due date, a late fee of two percent (2%) per month (or fraction thereof) of the delinquent amount will be assessed to Franchisee.
- F. Checks for Franchisee's franchise fees shall be made payable to the City of North Las Vegas and mailed or delivered to the City's Finance Department. The place and time of payment may be changed at any time by City upon 30 days' written notice to Franchisee. Mailed payments shall be deemed paid upon the date such payment is postmarked by the postal authorities.
- G. Acceptance by the City of any payment due under this Agreement or the Code shall not be deemed a waiver by the City of any breach of Franchisee's obligations under this Agreement or applicable law, and such acceptance shall not preclude the City from later collecting a larger amount that was due.

#### SECTION 8: BOOKS, RECORDS AND AUDITS

- A. Franchisee shall establish and maintain an accounting system and full and complete records in accordance with generally accepted accounting principles and applicable state regulations, and acceptable to the City's Director of Finance, to reflect correctly and accurately the gross receipts from the collection of solid waste and curbside recycling under this Agreement. Such books and records shall be produced to the City upon request for inspection at any time during normal business hours.
- B. Franchisee shall file with the City's Director of Finance, within forty-five (45) days after the end of each preceding calendar quarter, a sworn statement of the gross receipts derived from the

collection of solid waste and curbside recycling during such quarter, with a reasonable breakdown of gross receipts by category, including but not limited to categories for residential service, commercial service, industrial service, sewage waste service, medical waste service, transfer station receipts, and any credits or deductions for refunds or bad checks.

- C. Franchisee shall file with the City's Director of Finance an annual gross receipts audit, prepared by a certified public accountant, within ninety (90) days after the end of each preceding calendar year during the term of this Agreement.
- D. At the option and expense of the City, all records, statements, receipts, contracts, requests for service, computer records, legend or any other records covered by this Section 8 and used in the normal course of business, and disks or other storage media and other like material which are appropriate to monitor compliance with the terms of this Agreement, are subject to audit. Such books and records shall be retained for a period of five (5) years, shall be produced for the City upon request for inspection at any time during normal business hours, and shall be made available for auditing purposes, including the right to inspect, copy and audit at Franchisee's office in the Las Vegas Valley area at any time during normal business hours.
- E. The City shall give written notice to Franchisee of any additional amount claimed to be due to the City as a result of the City's review. Any amount due shall be paid within 30 days following the City's notification that such amount is due and payable. If the City's review shows that Franchisee has overpaid, such overpayment shall be reimbursed to Franchisee by the City within thirty (30) days of such determination.

#### SECTION 9: SECURITY FOR PERFORMANCE

A. As security for performance of its obligations under this Agreement and the Code, Franchisee shall at all times provide security in the form of a letter of credit, performance bond or cash deposit, delivered to the Director of Finance, in the amount of Two Hundred Fifty Thousand Dollars (\$250,000), to remain in force during the term of this Agreement, any or all of which may be claimed by the City as payment for fees and damages, and to recover losses resulting to the City from Franchisee's failure to perform.

- B. Any bond provided pursuant to Subsection (A) shall:
  - Be in a form acceptable to the City Attorney;
- 2. In addition to all other costs, provide for payment of reasonable attorney's fees incurred by the City;
- Be issued by a surety company authorized to do business in the State of Nevada and listed in Department Circular 570 of the U. S. Department of the Treasury Fiscal Service (Current Revision);
- 4. Require the attorney-of-fact who executes the bond on behalf of the surety to affix thereto a certified and current copy of his or her power of attorney; and
- 5. Guarantee the performance of all of Franchisee's obligations under this Agreement and the Code. Any or all of such bond may be claimed by the City as payment for damages, costs or expenses the City suffers or incurs by reason of any act or omission of Franchisee in connection with this Agreement or its enforcement.
  - C. The following procedures shall apply to drawing on the security required herein:
- 1. If Franchisee fails to make timely payment to the City of any amount due under this Agreement or the Code, or fails to compensate the City within thirty (30) days of written notification that such compensation is due for any damages, costs or expenses the City suffers or incurs by reason of any act or omission of Franchisee in connection with this Agreement or its enforcement, or fails, after 30 days' written notice, to comply with any provision of this Agreement or the Code that the City determines can be remedied by drawing on the security, the City may withdraw the amount thereof, with interest and any damages assessed in accordance with the provisions hereof, from the security.
- 2. Within three (3) days of a withdrawal from the security, the City shall deliver or mail, by certified mail, return receipt requested, written notification of the amount, date and purpose of such withdrawal to Franchisee.
- 3. If at the time of a withdrawal from the security by the City, the amounts available are insufficient to provide the total payment towards which the withdrawal is directed, the balance of such payment shall continue as the obligation of Franchisee to the City until it is paid.

- 4. No later than thirty (30) days after the mailing of notification to Franchisee of a withdrawal from the security, Franchisee shall restore the security to the total amount specified in Section 9(A) above.
- D. Failure to maintain or restore the security shall constitute a material breach of this Agreement.
- E. Recovery by the City of any amounts from the security required by this Section shall not limit Franchisee's obligations to provide insurance or to indemnify the City as otherwise required by this Agreement.

#### **SECTION 10: INSURANCE**

- A. Franchisee shall at all times during the term of this Agreement maintain in full force and effect, at its own cost, a general comprehensive liability insurance policy for the protection of the City, which shall:
- 1. Be issued by an insurance company rated A- or better by Bests' Insurer Ratings reports, in a form reasonably satisfactory to the City Attorney;
  - 2. Provide coverage on an occurrence, and not on a claims-made, basis;
- Name the City and its elected and appointed officers, boards, commissions and employees as additional insureds;
- 4. Insure against liability for loss or damage for personal injury, death and property damage occasioned by Franchisee's operations under this Agreement, with minimum liability limits of five million dollars (\$5,000,000) for personal injury or death of any one person and five million dollars (\$5,000,000) for personal injury or death of two or more persons in any one occurrence and five million dollars (\$5,000,000) for damage to property resulting from any one occurrence; and
- 5. Contain a provision that the insurance company issuing the policy will deliver a written notice of cancellation of or reduction in coverage to the City at least thirty (30) days in advance of the effective date.
- B. Recovery of any amount by the City from the insurance required by this Section shall not limit Franchisee's obligations to provide security or to indemnify the City as otherwise required by this

Agreement.

- C. At any time during the Term of this Agreement or any extensions thereof, the City Manager in his or her sole discretion may require Franchisee to maintain higher minimum liability limits on any insurance policy required by this Agreement as long as such liability limits are commercially available. Franchisee may, in its sole discretion, pass through any documented cost increase for the increase of liability limits.
- D. At any time during the Term of this Agreement or any extensions thereof, the City Manager in his or her sole discretion may require Franchisee to maintain such additional insurance coverage or policies as he or she deems necessary and proper to protect the health, safety, and welfare of the citizens of the City as long as such additional insurance coverage or policies are commercially available. Franchisee may, in its sole discretion, pass through any documented cost increase for the additional insurance coverage or policies.

#### SECTION 11: INDUSTRIAL INSURANCE

Franchisee shall furnish and maintain in full force and effect during the term of this Agreement, or any extension of this Agreement, full worker's compensation insurance in accordance with the Nevada Industrial Insurance Act, as amended, and other applicable state and federal laws.

#### SECTION 12: INDEMNIFICATION

A. Franchisee shall appear in and defend all actions against the City arising out of the privileges conferred by this Agreement, and Franchisee shall indemnify, protect, and hold the City, its council members, officers, and employees harmless from all claims, damages, liabilities, fines, losses, charges, penalties, administrative and judicial proceedings and orders, judgments, and all costs and expenses incurred in connection therewith, including reasonable attorney's fees and costs of defense (collectively, the "Losses") from any and all causes directly arising from Franchisee's performance of, or activities undertaken pursuant to this Agreement, unless such losses are directly attributable to the sole negligence or omission of the City or its agents, employees, or representatives. Franchisee shall pay all other such Losses for which the City may be liable and hold the City harmless from any accident, casualty, damages, losses, or claims which may happen or arise in conjunction with the performance of

this Agreement.

B. Any money due Franchisee under and by virtue of this Agreement which is considered necessary by the City for such purpose of indemnification, may be retained by the City for its protection; or in case no money is due, Franchisee's surety may be held until all such claims, damages, losses, suits, actions, decrees, judgments, attorney's fees, court costs and other expenses of any kind or character as aforesaid shall have been settled and suitable evidence to that effect has been furnished to the City.

#### **SECTION 13: NOISE**

Franchisee shall make collections as quietly as possible, giving due consideration to residential areas in its route scheduling, as well as weather considerations, allowing for early start times from June 1 through September 30 due to excessive daytime heat.

#### SECTION 14: RIGHT TO CURE MISSED COLLECTIONS

If Franchisee fails or neglects to make any solid waste collection as required by this Agreement and the Code within the required time, the City shall, after two (2) working days, have the right to make collection thereof and charge Franchisee with the cost thereof.

#### SECTION 15: RATES; ADJUSTMENTS

- A. Franchisee shall charge the collection rates and charges contained in Chapter 8.20 of the Code, and such rates and charges shall be adjusted as set forth therein. Franchisee shall submit new proposed rate sheets to the City, based on applicable CPI-U adjustments and any other adjustments authorized by the Code, no later than March 1 of each year. The City will verify the accuracy of Franchisee's proposed new rates and will notify Franchisee of the City's approval of the proposed rates or of any discrepancies between Franchisee's proposed rates and the City's calculations. The City and Franchisee shall take all actions necessary to reconcile any such discrepancies and to agree on Franchisee's new rate schedules, to be effective as of July 1, no later than April 1 of each year.
- B. In the event that an unforeseen economic circumstance has occurred, Franchisee may request a rate adjustment that is not based on CPI-U changes. Franchisee shall submit verification of

the unforeseen economic circumstance in writing to the City Manager with documentation supporting the rate increase request. The City may require Franchisee to provide, at Franchisee's expense, a certified audit of the books and records of account of Franchisee if the City determines that such an audit is required to substantiate the request for a rate increase. Any rate adjustment based upon an unforeseen economic circumstance will require approval of the City Council.

#### SECTION 16: RECORDS AND REPORTS FOR RECYCLING

Franchisee shall provide data and reports necessary to fulfill the requirements of the City and the Solid Waste Management Authority for assessing and reporting of recycling collection program results, in conformance with all applicable laws, rules and regulations.

#### SECTION 17: DEFAULT; CURE; TERMINATION FOR CAUSE

If the City Manager determines that Franchisee is in default under any of the provisions of this Agreement or the Code, other than a breach which results from an Act of God, labor dispute, action of public enemy, act of war, terrorist attack or force majeure, the City shall give Franchisee written notice thereof, specifying the provisions under which the default has been determined to exist and giving Franchisee sixty (60) days within which to correct any such default. If Franchisee fails to correct any such default within the applicable sixty (60) day period, the City may:

- 1. Terminate this Agreement upon thirty (30) days written notice to Franchisee; and
- Withdraw the security provided by Franchisee in accordance with Section
   9 above.

#### SECTION 18: TERMINATION BY FRANCHISEE

Either the City or Franchisee may request a change in any solid waste collection charges set forth in Chapter 8.20 of the Code. If the City denies a request by Franchisee for an increase in solid waste collection charges made pursuant to Section 15 above, Franchisee shall have the right to terminate this Agreement by giving the City at least six (6) months written notice of such termination.

#### SECTION 19: SUCCESSORS AND ASSIGNS

The rights and privileges granted by this Agreement are not assignable to any party other than an affiliate of Franchisee, either voluntarily or by operation of law, without the consent of the City Council, which consent shall not be unreasonably withheld. In the event Franchisee becomes insolvent or bankrupt, the rights and privileges granted hereby shall then be immediately cancelled and annulled, and the City shall have the right to take over Franchisee's business or substitute another Contractor in its place and stead in the manner provided by law.

#### SECTION 20: CONFLICTS WITH EXISTING CODE PROVISIONS

The provisions of this Agreement and the Code are intended to be and shall be construed, to the maximum extent possible, to be consistent with and/or supplemental to each other. In the event of any irreconcilable conflict between any provisions of the Code as it exists on the Effective Date and any provisions of this Agreement, the Code provisions shall control.

#### **SECTION 21: WAIVERS**

The failure of either party to insist upon the strict performance of any of the provisions of this Agreement, or the failure of either party to exercise any right, option or remedy hereby reserved, shall not be construed as a waiver for the future of any such provision, right, option or remedy, or as a waiver of any subsequent breach thereof.

#### **SECTION 22: INDEPENDENT CONTRACTOR**

Franchisee is an independent contractor under this Agreement and is not an agent or employee of the City for any purpose.

#### **SECTION 23: NOTICES**

Any notice or other communication required or permitted to be given under this Agreement ("the Notice") shall be in writing and shall be personally delivered, or delivered by certified mail, return receipt requested, and deposited in the U. S. Mail, postage prepaid. The Notice shall be deemed received on the earlier of the date of actual receipt or three days after mailing. The Notice shall be directed to the parties at their respective addresses shown below, or such other address as either party may, from time to time, specify in writing to the other party in the manner described above.

Notice to City:

City Manager

City of North Las Vegas

2250 Las Vegas Boulevard North

Suite #900

North Las Vegas, Nevada 89030

With a copy to:

City Attorney

City of North Las Vegas

2250 Las Vegas Boulevard North

Suite # 810

North Las Vegas, Nevada 89030

Notice to Franchisee:

Area President

Republic Silver State Disposal, Inc.

770 East Sahara Avenue Las Vegas, Nevada 89104

With a copy to:

General Counsel

Republic Services, Inc. 18500 N. Allied Way Phoenix, AZ 85054

#### SECTION 24: SEVERABILITY

If any provision of this Agreement is for any reason determined to be invalid, unenforceable or unconstitutional, such provision shall be deemed a separate, distinct and independent provision, and such determination shall not affect the validity or enforceability of the remaining provisions of this Agreement. With respect to any provision of this Agreement determined to be invalid, unenforceable or unconstitutional, the parties shall promptly use their best reasonable efforts to negotiate an amendment to this Agreement that is valid and enforceable and that is consistent with the parties' original intent. The City hereby declares that it would have approved this Agreement and each provision thereof irrespective of any provision being declared invalid, unenforceable or unconstitutional.

#### SECTION 25: PUBLIC PURPOSE

All of the regulations provided in this Agreement are hereby declared to be for a public purpose and the health, safety and welfare of the general public. Any member of the governing body or City official or employee charged with the enforcement of this Agreement, acting for the City in the discharge of his or her duties, shall not thereby render such person personally liable; and he or she is hereby relieved from all personal liability for any damage that might accrue to persons or property as a result of any act required or permitted in the discharge of said duties.

#### SECTION 26: REMEDIES; INJUNCTIVE RELIEF

Neither the City nor Franchisee by accepting this Agreement waives its right to seek any appropriate legal and equitable remedies as allowed by law upon violation of the terms of this Agreement, including seeking injunctive relief in a court of competent jurisdiction. Such right to injunctive relief is expressly reserved, and all terms and provisions hereof shall be enforceable through injunctive relief.

#### SECTION 27: GOVERNING LAW; JURISDICTION; ATTORNEY'S FEES

- A. This Agreement has been made and entered into in the State of Nevada, and the laws of the State of Nevada shall govern the validity and interpretation of this Agreement and the performance due hereunder. If legal action is initiated relative to this Agreement or the rights or obligations of any party hereunder, such action must be initiated and maintained in Clark County, Nevada.
- B. In the event of any litigation or arbitration arising out of this Agreement, the prevailing party in such litigation or arbitration shall be entitled to recover all of its costs incurred in such litigation or arbitration, including all court costs, expert witness fees and reasonable attorney's fees. Reasonable attorney's fees include the fees and expenses of the City Attorney's Office.

#### SECTION 28: NO THIRD-PARTY BENEFICIARIES

It is not intended by any of the provisions of this Agreement to create for the public, or any member thereof, a third-party beneficiary right or remedy, or to authorize anyone to maintain a suit for personal injuries or property damage pursuant to the provisions of this Agreement. The duties, obligations and responsibilities of the City with respect to third parties shall remain as imposed by Nevada law.

#### SECTION 29: PUBLIC RECORDS

Franchisee acknowledges that information submitted to the City is open to public inspection and copying under Nevada Public Records Law, Chapter 239 of the NRS. Franchisee is responsible for becoming familiar with and understanding the provisions of the Nevada Public Records Law. Franchisee may identify information, such as trade secrets, proprietary financial records, customer information or technical information, submitted to the City as confidential. Franchisee shall prominently

mark any information for which it claims confidentiality with the word "Confidential" on each page of such information prior to submitting such information to the City. The City shall treat any information so marked as confidential until the City receives any request for disclosure of such information. Within five (5) working days of receiving any such request, the City shall provide Franchisee with written notice of the request, including a copy of the request. Franchisee shall have five (5) working days within which to provide a written response to the City, before the City will disclose any of the requested confidential information. The City retains the final discretion to determine whether to release the requested confidential information, in accordance with applicable laws.

#### SECTION 30: TIME IS OF THE ESSENCE

Time is of the essence with regard to the performance of all of Franchisee's obligations under this Agreement.

#### SECTION 31: CONSTRUCTION OF AGREEMENT

The terms and provisions of this Agreement are the result of negotiations by and between the parties hereto and shall not be interpreted or construed in favor of or with prejudice against any party, but fairly in accordance with the general tenor of the language used.

#### SECTION 32: COMPLETE AGREEMENT; MODIFICATION

- A. The drafting, execution and delivery of this Agreement by the parties have been induced by no representations, statements, warranties or agreements other than those expressed herein. This Agreement embodies the entire understanding of the parties, and there are no further or other agreements or understandings, written or oral, in effect between the parties relating to the subject matter hereof, except as expressly referenced herein or as may exist solely in the City's capacity as a solid waste customer of Franchisee.
- B. This Agreement shall not be modified unless such modification is in writing and signed by the party against whom such modification is sought to be enforced.

#### SECTION 33: COUNTERPARTS

This Agreement may be executed in one or more counterparts. All counterparts so executed shall constitute one contract, binding on all Parties, even though all Parties are not signatory to the

same counterpart.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK - SIGNATURE PAGE FOLLOWS]

EXECUTED, this FRANCHISE AGREEMENT FOR COLLECTION, TRANSPORTATION AND DISPOSAL OF SOLID WASTE, to be effective on the date specified above.

CITY OF NORTH LAS VEGAS, NEVADA

REPUBLIC SILVER STATE DISPOSAL, INC. a Nevada corporation

ATTEST:

DUMPCO, INC., **REPUBLIC** corporation

APPROVED AS TO FORM:

#### Exhibit "A"

Chapter 8.20 definitions in effect as of Effective Date

#### Chapter 8.20 - SOLID WASTE MANAGEMENT 181

Sections:

8.20.040 - Definitions.

#### 8.20.040 - Definitions.

Whenever used in this Chapter, the following definitions must have the meanings ascribed in this section, unless the context clearly indicates a different meaning:

"Cash receipts for exclusive franchisees" means all receipts derived from the collection of solid waste and curbside residential recyclables collection services and includes, by way of illustration and not limitation, all cash, credits, property or other consideration of any kind derived directly or indirectly by an exclusive franchisee (or any of its authorized agents or affiliates) for the collection, transportation, diversion, processing and disposal of solid waste that the exclusive franchisee has exclusive rights to collect under the applicable exclusive franchise agreement, including all revenue received from container rentals, packaging, shipping and late fees, but excluding the following revenues from:

- A. The sale of recyclables.
- B. Any taxes on services furnished by an exclusive franchisee that are imposed by other governmental entities, that are passed through to and collected from the exclusive franchisee's customers, and that are separately itemized on customers' bills.

"City" means the City of North Las Vegas, Nevada.

"City Council" means the governing body of the City of North Las Vegas, Nevada.

"City Manager" means the Chief Administrative Officer of the City.

"Commercial recycler" means any entity licensed by the City as a commercial recycler, including a licensed exclusive franchisee or licensed non-exclusive franchisee, that is in the business of purchasing, accepting donations of, collecting, storing, transporting or processing source separated recyclables.

"Compacted solid waste" means solid waste reduced by mechanical equipment, in volume but not weight, by a minimum ratio of three to one.

"Commingled recyclables" means recyclable materials that are mixed with more than ten percent solid waste and is included in the exclusive franchise agreement for the collection transportation, diversion, processing and disposal of solid waste.

"Construction and demolition waste" means non-hazardous solid waste resulting from the construction, remodeling, repair, and demolition of utilities and structures generated from a site which complies with Section 15.72.140; and uncontaminated solid waste resulting from land clearing that is generated from a site which complies with Section 15.72.140. Such waste includes, but is not limited to, wood (including painted, treated, and coated wood and wood products), land clearing debris, wall coverings, landscaping, plaster, drywall, plumbing fixtures, non-asbestos insulation, roofing shingles and other roofing coverings, glass, plastics that are not sealed in a manner that conceals other wastes, empty buckets ten gallons or less in size and having no more than one inch of residue remaining on the bottom, electrical wiring and components containing no hazardous liquids, pipe and metals, corrugated container board, carpeting, furniture, and tires that are incidental to any of the above. Solid waste that is not construction and demolition debris (even if resulting from the construction, remodeling, repair and demolition of utilities, structures and roads and land clearing) includes, but is not limited to, asbestos waste, garbage, electrical fixtures containing hazardous liquids such as fluorescent light ballasts or transformers, fluorescent light bulbs or tubes, appliances, drums, containers greater than ten gallons in size, any containers having more than one inch of residue remaining on the bottom, or fuel tanks.

"CPI-U" means the Consumer Price Index, All Urban Consumers for All Items, U.S. City Average (1982-84=100), as published by the Bureau of Labor Statistics, U.S. Department of Labor, Washington, D.C.

"Curbside residential recyclables collection" means a collection program operated by a solid waste exclusive franchisee in which source-separated recyclables or commingled recyclables are collected from residential customers on a regularly scheduled basis as a part of the exclusive franchisee's solid waste exclusive franchise agreement.

"Dead animals" means all dead animals or parts thereof (including condemned meats) that are not intended to be used as food for man or animal that weigh less than seventy-five (75) pounds.

"Dirt" means loose earth, ashes and manure, but exclusive of sand and gravel that is to be used in construction work.

"Drop-off center" means a collection site where source-separated recyclables may be taken by persons and deposited into designated containers.

"Duplex" means a building, or portion thereof, used for occupancy by two families living independently of each other with the units completely separated by a common wall, floor and/or ceiling.

"Exclusive Franchise agreement" means an exclusive agreement between the City and a third party by which such third party is authorized to collect, transport, divert, process and dispose of residential and commercial solid waste, household hazardous waste, or curbside residential recyclable materials.

"Exclusive Franchise fee" means the fee required by and detailed in an exclusive franchise agreement based upon a percentage of an exclusive franchisee's cash receipts derived from the collection, transportation, diversion, processing and disposal of residential and commercial solid waste, household hazardous waste, or curbside residential recyclables collection services in the City. The exclusive franchisee fee shall not be a separate line item on the customers' bill.

"Exclusive Franchisee" means any person who has contracted with the City for exclusive collection, transportation, diversion, processing and disposal of residential and commercial solid waste, household hazardous waste or curbside residential recyclables collection.

"Garbage" means putrescible animal and vegetable wastes resulting from the handling, storage, sale, preparation, cooking and serving of food.

"Hazardous waste" means any waste or combination of wastes, including solids, semisolids, liquids or contained gases, except household hazardous waste, which:

- Because of its quantity or concentration or its physical, chemical or infectious characteristics may;
  - Cause or significantly contribute to an increase in mortality or serious irreversible or incapacitating illness; or
  - Pose a substantial hazard or potential hazard to human health, public safety or the environment when it is given improper treatment, storage, transportation, disposal or other management;
- B. Is identified as hazardous waste by the Nevada Department of Conservation and Natural Resources as a result of studies undertaken for the purpose of identifying hazardous wastes, and
- C. Includes, among other wastes, toxins, corrosives, flammable materials, irritants, strong sensitizers and materials which generate pressure by decomposition, heat or otherwise.

"Hotel" or "motel" means a building or portion thereof, or a group of buildings, having six or more guest rooms, in which lodging is provided and offered to transient guests for compensation; shall not include a lodging house.

"Household hazardous waste" means leftover household products that contain corrosive, toxic, ignitable, or reactive ingredients that is generated by a typical household, including single-family dwellings, multifamily residential dwellings or mobilehome parks. These may include nickel, cadmium, mercuric oxide, manganese, zinc-carbon or lead batteries, toxic art supplies, used motor oil, anti-freeze, kerosene, solvent-based paint, paint thinner, paint solvents, fluorescent or high-intensity light bulbs, ammunition, fireworks, pesticides the use of which has been prohibited or restricted, or any other waste generated by a household that would otherwise contain potentially hazardous ingredients and require special care when you dispose of them.

"Materials recovery facility" means a solid waste management facility that provides for the extraction from solid waste of recyclable materials, materials suitable for use as a fuel or soil amendment, or any combination of those materials. The term does not include:

- A facility that receives only recyclable materials that have been separated at the source of waste generation;
- B. A salvage yard for the recovery of used motor vehicle parts;
- A facility that receives, processes or stores only concrete, masonry waste, asphalt
  pavement, brick, uncontaminated soil or stone for the recovery of recyclable materials;
- D. A facility that receives, processes or stores hazardous waste unless it may be classified as household hazardous waste.

"Medical waste" "Medical waste" has the meaning as ascribed to it in 49 C.F.R. Part 173, Appendix G - "Definition of Regulated Medical Waste," as that Appendix existed on November 8, 1993. The term "medical waste" does not include the following if the items as packaged do not contain any material otherwise subject to the requirements of 49 CFR Part 173, App. G, as amended:

- A. Biological products;
- B. Diagnostic specimens;
- Laundry or medical equipment that conforms to 29 CFR 1910.1030 of the regulations
  of the Occupational Safety and Health Administration of the United States Department
  of Labor;
- D. A material, including waste, that previously contained an infectious substance and has been treated by steam sterilization, chemical disinfection or other appropriate method, so that it no longer poses the hazard of an infectious substance;
- E. Any waste material, including garbage, trash and sanitary waste in septic tanks, derived from households, including but not limited to single-family or multifamily dwellings, mobilehome parks, hotels and motels;
- Corpses, remains and anatomical parts that are intended for ceremonial interment or cremations; or
- Animal waste generated in animal husbandry or food production.

"Mobilehome" means a factory-assembled structure or structures, a minimum of eight feet in width, originally equipped with the necessary service connections and originally made so as to be readily movable as a unit or units on its (their) own running gear and designed to be used as a dwelling unit(s) without a permanent foundation, whether or not said running gear has been removed.

"Mobilehome park" means an area or tract of land where two or more mobilehomes or mobilehome lots are rented or held out for rent; however, it does not include an area or tract of land where more than half the lots are rented overnight or for less than one month.

"Mobilehome park lot" means a portion of land within a mobilehome park which is rented or held out for rent to accommodate a mobilehome.

"Motel". See "Hotel."

"Multifamily dwelling" means a building, or portion thereof, used for occupancy by three or more families living independently of each other, with the units completely separated by a common wall, floor and/or ceiling, not including hotels, motels, lodging houses, or group care facility.

"Non-exclusive franchise agreement" means an agreement between the City and any third party by which the third party is authorized to collect, transport, divert, process and dispose of

source separated recyclables with no more than ten percent residual solid waste or construction or demolition waste generated in the City.

"Non-exclusive franchise fee" means the fee required by and detailed in a non-exclusive franchise agreement based upon a percentage of a non-exclusive franchisee's cash receipts derived from the collection, transportation, diversion, processing and disposal of source separated recyclables or construction or demolition waste generated in the City. The non-exclusive franchisee fee shall not be a separate line item on the customers' bill.

"Non-exclusive franchisee" means any person who has contracted with the City for non-exclusive collection, transportation, diversion, processing and disposal of source separated recyclables with no more than ten percent residual solid waste or construction or demolition waste generated in the City.

"Non-residential customer" means any solid waste disposal service customer of an exclusive franchisee except for customers at single-family dwelling, duplexes, multifamily dwellings or mobilehome parks who receive individual curbside collection of solid waste and who do not share containers with other residents.

"Overflow" or "overflowing solid waste" means solid waste of non-residential or multifamily dwelling customers that is deposited on the ground outside of a solid waste container or excess solid waste that has been piled onto a solid waste container that is already full to such an extent that the solid waste exceeds the water level designed capacity of the container.

"Place of business" means any place of business in the City of North Las Vegas licensed by said City, other than multifamily dwellings, to conduct or carry on principally or exclusively any pursuit or occupation for the purpose of gaining a livelihood.

"Premises" means a nonresidential or residential lot, including any buildings, improvements, and personal property located thereon.

"Public building" means office buildings, clubs, churches, schools, hospitals or other places of similar character.

"Putrescible" means solid waste capable of being decomposed by microorganisms, bacteria, or fungi with sufficient rapidity as to cause nuisances because of odors, gases, or other offensive conditions, and includes materials such as food wastes, offal and dead animals.

"Recyclable material" or "recyclables" means solid waste that is processed and returned to the economic mainstream in the form of raw materials or products as determined by the Southern Nevada Health District. Recyclable material includes, but is not limited to, PET and HDPE, newspaper, corrugated cardboard, aluminum, office paper and other fiber products that have been abandoned or discarded, glass, tin and steel cans, metal, plastic, motor oil, antifreeze, wood, food waste, and yard debris, wood, and greenwaste and that is not mixed with solid waste other than residual solid waste.

"Recycling center" means a facility that receives only recyclable materials from source separated recyclable materials that have been separated from solid waste at the source of waste generation and delivered for collection, sorting, and distribution. All operations such as collection, sorting, distributing and storage shall be conducted totally within an enclosed building and there shall be no outside storage, unless approved as a special use and is consistent with the criteria set forth in Section 17.24.020.C.18, as amended.

"Refuse" means all garbage, rubbish, ashes, street cleanings, dead animals, abandoned vehicles, inoperable vehicles, parts of vehicles and solid and industrial wastes.

"Residential Customer" means any solid waste disposal service customer of an exclusive franchisee for customers at single family, multi-family dwellings or mobile home parks who receive individual curbside collection or share containers with other residents.

"Residual solid waste" means solid waste that remains or is left after the separation and removal of source separated recyclables at the source of the generation of the source separated recyclables. Residual solid waste cannot be greater than ten percent by weight as measured on a quarterly basis.

"Rubbish" means old tin and iron cans and containers, old wood, cardboard and paper boxes, old metals, wire, rope, cordage, bottles, bags and bagging, rubber and rubber tires, paper, wood shavings, and all used or cast-off articles or material, including old plaster, brick, cement, glass, old building material, leaves, yard trimmings, weeds, dead weeds, dead trees, dead bushes or dead grasses whether or not still in ground at any height and similar materials.

"Sewage waste" means any solid or semi-solid waste, including biosolids, sludge, screenings and grit, generated from the operation of the City's water pollution control facility.

"Single-family dwelling" means a building, or manufactured home as defined in NRS 489.113, used for residential occupancy by one family that receives individual curbside service billed by the City.

"Solid waste" means all putrescible and nonputrescible materials in solid or semi-solid form that have been discarded or abandoned by their owner, including garbage, rubbish, junk vehicles and parts, ashes or incinerator residue, street refuse, dead animals, construction or demolition waste, commercial or industrial waste, grease trap waste, septic tank waste, yard maintenance waste, medical waste, sewage waste, commingled recyclables and other refuse recyclable materials that are commingled with solid waste, and other refuse. The term "solid waste" does not include any of the following:

- A. Hazardous waste managed pursuant to NRS 459.400 through 459.600, inclusive.
- B. Source- separated recyclables.

"Source separated recyclables" means recyclables that have been separated from the solid waste stream at the source of generation for recycling purposes and that are not mixed with solid waste other than residual solid waste.

"Unforeseen economic circumstance" means that the percentage change in the CPI-U, for a given calendar year ending in December is greater than ten percent or below zero (decrease); or that some occurrence beyond the exclusive franchisee's reasonable control, or an action by a governmental jurisdiction, or if the City Council finds that economic occurrences during that period have caused specific additional economic costs for the exclusive franchisee which are not reflected in changes to the CPI-U during that same time period.

(Ord. No. 2587, § 1, 9-21-2011)
