Regulation Timeline

Month/Year	Proposed Action
December 2021	Project lead identified (Done – Candice Sims)
	Regulation committee members identified and formed
	Staff will review the current drafts and identify gaps/changes needed from the last draft
Jan - Feb 2022	Scheduled meetings every other week with the committee; Total of 4 internal project meetings
	Provide staff an opportunity to submit additional revisions to committee members in the off-weeks; bring these back to the committee for review
March 2022	Consultation with Board of Health (BoH) and Advisory Board of Health (ABoH) members for review of regulation draft.
	Consultation with other governmental agencies for regulations that overlap or impact their enforcement processes
	Complete draft and send to SNHD legal department (“legal”) for review. Anticipate a turn-around of approximately one month.
April – May 2022	Reconvene the regulation committee to modify draft after legal’s input, if necessary.
	Schedule Public Workshops for June and post draft regulation on website
	Meet with SNHD Finance to begin Business Impact Statement

Month/Year	Proposed Action
Jun - Jul 2022	Conduct two public workshops at the main campus during working and evening hours with virtual participation available
	Have public workshops for Mesquite and Laughlin by WebEx for remote participation
	Compile all public comments, send to the regulation committee, and the committee meets to review
	Where appropriate, revise the regulation based on public comments
	Send to legal for review of additional changes
August 2022	Finance/EH completes the Business Impact Statement; present to the BoH for approval
September 2022	Present revised/completed regulations to BoH for approval
December 2022	If approved, send to Nevada Department of Health and Human Services (hereafter, “state”)
	If approved by state, notify the public
	Date of implementation TBD
