

RAWSON-NEAL PSYCHIATRIC HOSPITAL

Provides acute psychiatric inpatient treatment for adults with serious mental disorders. A multi-disciplinary assessment is the basis of each client treatment plan. The hospital provides intensive and comprehensive treatment and after care recommendations. Telephone: (702) 486-4400

STEIN HOSPITAL

Secure forensic hospital providing inpatient forensic services for adults who are court committed, serving Southern Nevada.

Telephone: (702) 486-4400

MOBILE CRISIS TEAM (MCT)

The Mobile Crisis Team (MCT) is a specialized unit that works with the Las Vegas area hospital emergency departments. The MCT is comprised of Licensed Clinical Social Workers who travel to local hospital ERs to evaluate their psychiatric patients and, if feasible, develop safe discharge plans, which they present to the ER physicians for approval. This service averts unnecessary psychiatric hospitalizations, saves ER personnel time, and reduces the number of psychiatric patients in the ERs. Telephone: (702) 486-4400

MEDICATION CLINIC

Provides outpatient adult psychiatric, nursing and direct medication services, including prescribing and dispensing both injectable and oral medication. The latest, most effective medication is prescribed and dispensed through agency pharmacies. The services include limited and focused consultation with the patient about medication treatment, and referrals to other agency services.

Telephone: (702)486-6045 WCH/486-6500 ELV

OUTPATIENT COUNSELING SERVICES

Provides counseling and psychotherapy to people in crisis or experiencing acute stress. Services begin with an assessment to identify client problems and resources, set treatment goals, and plan treatment. Counseling and psychotherapy services are often linked to other agency services, as well as ongoing support or self-help groups in the community. Telephone: (702) 486-6223 WCH/486-6500 ELV

SERVICE COORDINATION

An outpatient program with service coordinators supporting individuals in managing symptoms of their mental disorders, as well as linking and referring them to appropriate community resources. Service coordination provides on-going assistance to help achieve an optimum quality of life.

Telephone: (702) 486-6045

CONSUMER ASSISTANCE PROGRAM (CAP)

Peer based support program offering a variety of services to assist in recovery & consumer advocacy, such as: peer run support groups, Clubhouse services, relationship & interpersonal skills building, assistance finding & applying for services, volunteer training to help build jobs skills and assist with re-entering the workforce, and mentoring of clients. Telephone: (702) 486-8065 WCH/486-6878 ELV

RESIDENTIAL SUPPORT

Provides a range of community housing and assisted living options for individuals with serious mental disorders. Various levels of residential care are based on individual capacity for independent living. Alternative living arrangements include family group homes, supported living apartments, substance abuse treatment facilities, Housing & Urban Development programs, and specialized rehabilitation homes.

Telephone: (702) 486-6045

ASSISTED OUTPATIENT TREATMENT (AOT)

Court ordered treatment. The AOT program is meant to help individuals that refuse voluntary treatment. A program designed to help with non-compliance with treatment with the goal of reducing re-hospitalizations or incarceration and improve the prospects for rehabilitation.

Telephone: (702) 486-3758

MENTAL HEALTH COURT

Mental Health Court provides ongoing judicial supervision and comprehensive wrap-around services to individuals who are seriously mentally ill and have had repeated incarcerations. This multi-agency program provides a coordinated system of care that enables consumers to return to the community, breaking the cycle of repetitive incarcerations. Mental Health Court partners include District Court, Southern Nevada Adult Mental Health Services, Parole and Probation, Office of the Public Defender, Office of the District Attorney, Clark County Sheriff's Office, and nonprofit treatment providers.

Telephone: (702) 486-3758

PROGRAM FOR ASSERTIVE COMMUNITY TREATMENT (PACT)

Provides a specialized, multi-disciplinary team approach to service coordination and service delivery. The focus of this team is to elevate the level of functioning and provide a better quality of life for mental health patients. PACT is mobile and services are provided wherever necessary in the community. Telephone: (702) 486-6045

SUPPORTIVE OUTPATIENT TREATMENT

Provides step across service coordination assistance for individuals from AOT. Intensive service coordination assists high-need individuals in getting services necessary to live in the community as well as understanding and complying with orders of court.
