## **CALL TO ORDER - NOTICE OF POSTING OF AGENDA**

The Medical Advisory Board convened in the Red Rock Trails Conference Room at the Southern Nevada Health District on Wednesday, November 01, 2017. Chairperson Tressa Naik called the meeting to order at 11:15 a.m. The Affidavit of Posting, Mailing of Agenda, and Public Notice of the Meeting Agenda were executed in accordance with the Nevada Open Meeting Law. Chairperson Naik noted that a quorum was present.

Prior to the start of the meeting Chairperson Naik asked for a moment of silence to reflect on the recent events of 1 October and to honor those who lost their lives. She also thanked everyone present for the efforts that were put forth during this event.

### **I. PUBLIC COMMENT**

Public comment is a period devoted to comments by the general public on items listed on the Agenda. All comments are limited to five (5) minutes. Chairperson Naik asked if anyone wished to address the Board pertaining to items listed on the Agenda.

Seeing no one, Chairperson Naik closed the Public Comment portion of the meeting.

### **II. CONSENT AGENDA**

Chairperson Naik stated the Consent Agenda consisted of matters to be considered by the Medical Advisory Board that can be enacted by one motion. Any item may be discussed separately per Board member request. Any exceptions to the Consent Agenda must be stated prior to approval.

#### **A. Approve Minutes/Medical Advisory Board Meeting: August 02, 2017**

Chairperson Naik asked for a motion to approve the August 02, 2017 minutes of the Medical Advisory Board. A motion was made by member Tuke, seconded by member Moore and no members were opposed. The motion carried.

### **III. CHIEF HEALTH OFFICE REPORT**

Dr. Iser thanked everyone present, hospitals workers, staff at the MACC, and everyone else who has been assisting during the aftermath of the 1 October event. He asked that individuals from the hospital systems meet with Mr. Hammond to report patient disposition at their earliest convenience. Mr. Richard Whitley of the Nevada Department of Health and Human Services has requested this information for the purposes of applying for grants to assist both survivors and families of decedents who were involved in the event.

Dr. Iser reported a rather uneventful arbovirus season with no St. Louis Encephalitis, three West Nile Virus, and negligible Zika Virus cases being reported. He stated that there is a grant in place to implement a birth registry of women who either contract Zika Virus while they are pregnant or become pregnant while diagnosed with the virus. He also stated that the local jurisdictions have been excellent partners in their attempts at keeping waterways clear which helps keep the risk of mosquitos low.

### **IV. REPORT/DISCUSSION/POSSIBLE ACTION**

#### **A. Committee Report: Drug/Device/Protocol Committee**

Dr. Barnum reported the continued protocols review by the Drug/Device/Protocol Committee and stated that once the reviews are completed they will be presented to this Board for approval.

##### 09/09/17 Meeting:

##### **1. Review/Discuss the use of Neosynephrine in the Treatment of Epistaxis**

Dr. Barnum advised the Board that the Committee has discussed using oxymetazoline in the treatment of epistaxis and would like to bring it before this Board for approval to create a protocol.

Chairperson Naik asked for a motion to refer to Drug/Device/Protocol Committee the approval to create an epistaxis protocol. A motion was made by Member Racine, seconded by Member Johnson and carried unanimously to create an epistaxis protocol.

11/01/17 Meeting:

1. Review/Discuss Obstetrical Emergency Protocol

Dr. Barnum reported that the Obstetrical Emergency Protocol was tabled until the next scheduled meeting.

**V. INFORMATIONAL ITEMS/ DISCUSSION ONLY**

Dr. Young shared with the Board information regarding the November 12<sup>th</sup> Las Vegas Marathon. He stated that changes have been made to the overall medical plan and that multiple medical tents will be staffed in the finish area. Anyone wishing to volunteer for the Marathon can do so by accessing the Las Vegas Marathon's website.

A. ED/EMS Regional Leadership Committee Update (09/06/17, 11/01/17)

Member Tuke stated today's meeting was well attended and productive. The hospital representatives have been able to meet and have decided on bullet point criteria for deciding which receiving facilities will be STEMI receiving facilities. Two of the criteria that were decided upon are accreditation and 12-lead collaboration with EMS. It was also decided to give a 24-month grace period to new hospitals and hospitals who have not yet met the criteria. Member Tuke said that he is encouraged by the Committee's progress and expects to be able to report back to the Drug/Device/Protocol Committee in the next couple of months.

B. Committee Report: QI Directors (11/01/17)

Dr. Young reported that the Committee continues to work on a meaningful communication system for STEMI activation. He stated that as part of becoming a STEMI destination the facilities are to participate in creating the accreditation documentation with EMS. Some of the actionable items are closed loop feedback, more aggregated reports, and receiving these reports on either a monthly or quarterly basis.

Dr. Young reported that a presentation was given regarding TFTC criteria. He reported that the number of ground level falls in the Valley is increasing especially those resulting in death and that crew education is vital in recognizing symptoms of these injuries.

**VI. PUBLIC COMMENT**

Public comment is a period devoted to comments by the general public, if any, and discussions of those comments, about matters relevant to the Committee's jurisdiction will be held. No action may be taken upon a matter raised under this item of this Agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to NRS 241.020. All comments are limited to five (5) minutes. Chairperson Naik asked if anyone wished to address the Board.

Seeing no one, Chairperson Naik closed the Public Comment portion of the meeting.

**VII. ADJOURNMENT**

There being no further business to come before the Board, Chairperson Naik called for a motion to adjourn. *A motion was made by member Tuke, seconded by member Driggars, and carried unanimously to adjourn at 11:30a.m.*
