

# HOW DOES THE HEAT AFFECT YOUR HOUSEHOLD?

STAFF FROM THE SOUTHERN NEVADA HEALTH DISTRICT  
WILL BE IN YOUR NEIGHBORHOOD  
TO INTERVIEW CLARK COUNTY RESIDENTS ON  
**FRIDAY, NOV. 2 AND SATURDAY, NOV. 3**

Teams of two to three people will be knocking on doors and asking you how the heat affects you and your family, and how your household prepares for emergencies.

- **The survey team will not ask for your name.**
- **Your participation is voluntary and confidential.**

The interviews are designed to take only a few minutes of your time, and the information you provide will help us and our partners to better meet your needs during extreme heat events and emergencies.

Thank you in advance for your participation.
